EBIA MODEL

OUR MISSION

East Bay Innovation Academy's ("EBIA" or "the Charter School") mission is to prepare a diverse group of students to be successful in college and to be thoughtful, engaged citizens who are leaders and innovators in a 21st century global world.

OUR VISION

EBIA is rethinking how schools are run and structured, so that they better reflect the needs of a 21st century world. Most schools have not changed their structure, organization, facilities or instruction in over 50 years. While schools have not changed, our world has, leaving many of our schools, even the "best" ones, behind. EBIA is a powerful option for Oakland families and educators to build a diverse school that addresses the needs of the 21st century and beyond.

OUR INSTRUCTIONAL MODEL

EBIA is a rigorous STEAM (Science, Technology, Engineering, Art and Math) school with a unique focus on the social and emotional skills students need to be leaders. Students will learn to be problem solvers and strong advocates who work together and take responsibility for their own learning.

Students will work together on long-term, "real-world" projects that combine many different subjects, and will learn to present those projects using technology.

Students will alternate between different learning models, including online learning, and in later grades will be **self-guided**.

OUR CORE BELIEFS

We believe in **Possibility and Perseverance**

All students will achieve at the highest levels and prepared for success in college and career. We value courage, action and hard work.

We believe in **Creativity and Curiosity**

Students will work together with critical and creative minds. We value exploration, perspective and determination.

We believe in **Community**

Parents, teachers, school leaders, and board members will take responsibility for all students' success. We value relationships, kindness, integrity and respect.

We believe in the **Greater Good**

EBIA will teach students about social justice and civic responsibility. We value giving back to the community and improving our school, our community and our world.

We believe in **Diversity**

Students will prepare for society and the workforce by working with and appreciating those who are different from themselves.

OUR INNOVATOR NORMS

The character traits we expect all our students to exhibit are known as **Innovator Norms**. Our six Innovator Norms will be woven throughout our culture, classrooms and community.

Perseverance: Maintaining a steady persistence in a course of action, and exhibiting a commitment to purpose and tenacity, in spite of difficulties, obstacles, or discouragement

Curiosity: Eagerly desiring to know and learn; taking initiative and to be inventive.

Kindness: Being considerate or helpful.

Respect: Honoring or being considerate towards self, property, and others.

Conscientiousness: Being careful, meticulous; being thorough, careful, or vigilant; desiring to do a task well and to completion, being accountable, prioritizing to set and meet goals, and achieve results.

Leadership: The quality of an individual's membership in, and contribution to, a community.

WHAT DOES A DAY LOOK LIKE?

EBIA opens at 7:30 am and students are invited to come into the building to work on assignments, and socialize respectfully with classmates. We are a technology driven-school, using *Chromebooks* as our learning platforms, and will not assign textbooks to students. Students who don't have internet access at home or appropriate devices can use this time before school to work on assignments.

Because we know that building relationships and creating a sense of belonging and connectedness is integral to students' success, we have been very strategic in developing our master schedule to meet the socio-emotional needs of adolescents. Every day, our students meet with their Advisor, an adult who will serve as the captain of their crew. Advisory classes are comprised of 18-26 students who work together to develop interpersonal skills that will ensure their success in college and career. These tight-knit Advisory crews will learn to monitor one another's progress and success, navigating the nuances of school on a daily basis in their assigned rooms.

Throughout the course of the day, students will receive instruction in the four core academic subjects of math, science, English/Language Arts, and social studies. Additionally, each student will have periods of Independent Learning Time (ILT), where he/she can work individually or collaboratively on assignments. EBIA additionally provides elective courses in fitness, computer science, Spanish and art.

After school, students may stay to receive help from tutors on designated office hour days, or participate in enrichment activities designed to engage students and give them exposure to myriad learning experiences. At our Lower School, these activities occur through the EBIA Quest program.

Arrangements must be made for on-time pick-up every day.

WHAT DOES A YEAR LOOK LIKE?

Our school year opens with a five-day orientation week aimed to provide students a comprehensive introduction to EBIA and the school year. Students will learn about our school pillars, Innovator Norms, behavioral and academic norms, Advisory, regular and block schedules, support structures, breakfast, lunch, and most importantly, one another. In addition to building familiarity and community, all students will take diagnostic tests so that EBIA staff can determine academic levels and begin to set goals with students as part of their Personalized Learning Plans (PLPs).

The second week of school and throughout the year, students will attend their classes, receiving high-quality instruction, working towards mastery of course content through Blended Learning (BL) and Project-Based Learning (PBL). They will utilize design thinking principles in solving problems and utilize SEL skills in collaboration and presentation. Students will be accessing most of the curriculum via teacher-curated blended learning platforms, with links to content that is informative and meaningful. Students will have myriad benchmarks to track their progress and will demonstrate mastery via cumulative assessments, often in the form of end-of-unit projects they must develop and present.

Three times during the year, students will have 1 week intersessions where they will have markedly different learning experiences than they experience during the approximately six-week “academic sprints”. During these intersessions, outside agencies are contracted to provide opportunities for exploration (expeditions) into the worlds of science, arts, engineering, college and career planning, etc. Many of the sessions will take place on campus, while others will require field trips. This is a critical component of our instructional model, as we believe that incredible learning takes place not just in the typical classroom environment.

Twice a year, we have Student-Led Conferences days, where families meet with Advisors to discuss student progress towards achieving academic and socio-emotional goals. These “parent-teacher conferences” serve as another means of calibration in the learning partnership that must exist between home and school.

Near the end of the school year, EBIA will administer mandatory state testing to all students so that we can gauge our students’ individual academic progress and gauge our school’s effectiveness.

At the end of the school year, students will make Capstone presentations to our community about projects on which they have worked, demonstrating what they have learned in a professional manner and in a public forum.

Any students in danger of retention will be assigned Summer School in order to improve skills and be ready for the next school year.

DAILY OPERATIONS

DROP-OFF/PICK-UP PROCEDURES

The Lower School begins at 9:00 a.m. and dismissal time is 3:30 p.m. daily. The Upper School begins at 8:30 a.m. and dismissal time is 3:45 p.m. Supervision is not provided prior to 8:00 a.m. Please pick students up within ten minutes of dismissal. If class is being conducted at an off-campus site, students not picked up within 10 minutes of dismissal will be returned to the school site.

Wanting to be good neighbors in our Lower School community and responsible safe keepers of our students, we ask that parents/guardians either **park on Malcolm Ave.** to drop-off or pick-up students **OR** enter the driveway and **move** in a **counter-clockwise** direction in the turn-about. Cars **MAY NOT** park in the turn-about, as indicated by the red painted curb. **Cars should stop for no more than 30 seconds in the turn about so that traffic may flow.** Turning left onto Malcolm Ave. when exiting the school is not recommended, as cars traveling up the street do not have a lasting, clear view of the driveway. We recommend turning right when exiting the driveway. Parents/guardians needing to meet with EBIA staff should park on Malcolm Ave. Unless disabled and displaying a placard, parents/guardians may not use the parking lot on campus, as those spaces are designated for staff use only.

For our Upper School, we ask that parents/guardians enter the driveway and move in a counter-clockwise direction in the turn-about, or park in the front lot. Cars should stop for no more than 30 seconds in the turn-about so that traffic may flow. Parents/Guardians needing to meet with EBIA staff should park in the designated spaces next to the driveway. Students are required to park in the upper lot near the gym.

LATE PICK UP POLICY

East Bay Innovation Academy (“EBIA”) is committed to providing a safe campus for all students. When students are left on school property after the close of business hours, EBIA will follow certain steps to ensure students are safe until their parents/guardians come to pick them up. In the event students are left on campus after school hours, EBIA staff will:

- Notify the Head of School or designee immediately.
- Attempt to reach parents/guardians through the phone number provided to the school by parents/guardians at the beginning of the year. This may include contacting any emergency contact(s) listed for the student.
- Bring students into the lobby of the building. Parents/guardians will be asked to come into the building to collect their student.
- Remain on site until an adult comes to retrieve the student.
- Notify the Head of School or designee by 45 minutes following the close of business if there is a possibility that law enforcement may be called to assist the student.

- As a last resort, at 60 minutes after the close of business, EBIA may contact law enforcement and/or child welfare services who may remove the student and may assume responsibility for the student until the parent/guardian retrieves the student.
- In cases of repeated incidents where parents/guardians have been late in picking up their child, notify the parents/guardians in writing of parental responsibilities and consequences for their child. A consequence may include: refusal to allow the student to attend after school programs if the parent is repeatedly late in retrieving the child.

EBIA understands unforeseen circumstances can occur. Should a late pick-up be likely, please inform the main office at 510-577-9557. Five or more late pick-ups during a school year will result in a mandatory meeting with school administration.

RIDESHARING SERVICES

As per state and federal law, ridesharing services like Lyft and Uber are forbidden for unaccompanied minors (under the age of 18) unless the service explicitly states that its drivers are qualified to transport an unaccompanied minor. If your student uses ridesharing services to get to and from school, please use services like HopSkipDrive or Zum to ensure that the driver is qualified to transport minors.

COMMUNICATION WITH SCHOOL

As learning partners in every child's education, we value transparency in communication. Most of our communication to families will be conducted electronically, via emails. Announcements about upcoming events or important issues will be made via email newsletters that will be sent out to all families and information will be updated on the EBIA website (www.eastbayia.org). Phone calls will be made to discuss individual student issues. The most effective means of communicating with EBIA staff is by email. It is our practice to return emails within two business days. If you would like to contact the school by phone, our phone number is (510) 577-9557.

PARENT PORTAL

In order to monitor student academic progress, every parent/guardian will receive a Parent Portal account to Illuminate, our student information systems. Every parent/guardian will also receive a Parent Portal account to our learning management system (LMS), Echo. The portal will allow you to see when assignments are due and the grades received on any assessment or assignment. We recommend you check this on a weekly basis, minimally.

PARENT INVOLVEMENT

Parent involvement is vital to our school's success and to the success and achievement of each student. A Parent Advisory Council, comprised of a leadership team and committee chairs, will meet with EBIA's leadership team to determine how the parents/guardians can best serve the school's needs. The roles of the parents include (but are not limited to) the following:

- Participate in the learning community by volunteering thirty hours per year.
- At all times, determine whether this is the right program for their student.
- To give feedback to the school about their students to help improve programs.
- Respond to school surveys.
- Be responsible for their student's transportation to and from school.
- Provide materials, time and a place for student to do homework.
- Participate in at least one conference per year with their student's advisor, and more as necessary.
- Support and encourage on-time attendance.

PARENT VOLUNTEERS

Research on student achievement indicates that when parents are active members of the child's school life, the student's academic progress accelerates and self-esteem blossoms. Based on this research, parents are asked to volunteer in a variety of settings. There are many opportunities for involvement. Please contact the school for information regarding our parent volunteer needs. You can also get ideas at parent meetings, through the newsletter, or by talking with teachers and other parents. Parents and/or family members are encouraged to volunteer. Volunteer time may be done in a variety of ways including, but not limited to classroom assistance. Volunteering at EBIA is optional and not required for a student attend EBIA.

- Driving and/or chaperoning field trips
- Tutoring
- Fundraising
- Facilities maintenance/Tech support
- Lunch or morning supervision

ACADEMIC POLICY

EBIA is a rigorous STEAM school with a unique focus on the social and emotional skills students need to be leaders. Students learn to be problem solvers and strong advocates who work together and take responsibility for their own learning. Students collaborate on long-term, real world projects that combine many different subjects and will learn to complete and present those projects using technology. Students balance this project work with independent blended learning tools that are personalized to meet their individual needs.

To reflect these multiple goals - the acquisition of new knowledge, the development of social and emotional skills, the creation of both strong self-advocacy and collaboration tools - EBIA has adopted a set of learning categories, or outcomes, to guide our support of students and their long-term success.

GRADE CATEGORIES

The EBIA Grade Categories are a set of research-based outcomes aimed at preparing students for postsecondary college and career success that reflect the mission and priorities of our community. For each category a rubric or set of rubrics has been developed to help ensure that students are being provided with regular feedback on their growth and needs in each of these areas. These categories are an essential component of the project- and problem-based learning curriculum and are used to provide feedback and support to students across each of these outcomes.

- **Knowledge and Thinking:** Reason, problem-solve, develop sound arguments or decisions, and create new ideas by using appropriate sources and applying the knowledge and skills of a discipline.
- **Agency:** Develop a growth mindset and take ownership over learning.
- **Collaboration:** Be a productive member of diverse teams through strong interpersonal communication, a commitment to shared success, and leadership.
- **Oral Communication:** Communicate knowledge and thinking through effective oral presentations.
- **Written Communication:** Communicate knowledge and thinking through effective writing.

GRADE CATEGORY DISTRIBUTION

Category	Humanities (History, ELA, Span, Art)	STEM (Math, Science, CS)	Fitness
Agency	10%	10%	30%
Collaboration	15%	15%	40%
Knowledge and Thinking	Ranging from 30-50% depending upon subject area		30%
Oral Communication	Ranging from 10-30% depending upon subject area		N/A
Written Communication	Ranging from 20-40% depending upon subject area		N/A

GRADING SCALE

Letter	A	B	C	F
Range	100 - 90	89 - 80	79 - 70	69-0

Within EBIA’s online gradebook, assignments will be given a score based on our grading scale. Assignments that are “missing” or “incomplete” will also be identified within the gradebook. Those students with a final trimester grade of less than 50% will receive a 50% “floor grade” as their final trimester grade.

Please note that EBIA’s grading scale does not include a grade of “D.” Those students scoring a 70% or above are considered to be consistently demonstrating a basic mastery of skills and content. Those students scoring below a 70% are considered to be not consistently demonstrating a basic mastery of skills and content, and therefore in need of additional support. This support may include engaging in EBIA’s Revision Policy (as outlined below), attending office hours, and/or being recommended for a school support team (SST) meeting with teachers and family.

COMMON RUBRICS

EBIA courses will utilize the EBIA Grading Category Rubrics to assess students during project work. Teachers may choose to focus on only specific strands (rows) of the rubric at different parts of a project or different times of the year or may add rows to account for specific content knowledge that is associated with the project.

CATEGORY GRADING

Each assignment may be assessed and graded on one or more of the categories listed above. These categories are meant to communicate to the student clear information about their performance in that area and the criteria for assessment in that area should be communicated clearly. When talking about grades, teachers and students can move from “what grade did I get on the project?” to “my written communication was strong, but how could I have done better in collaboration?”.

GROUP AND INDIVIDUAL GRADES

All courses at EBIA will include a blend of both collaborative and individual assignments. Within a project, students will have the opportunity to be assessed multiple times. Some of these assessments will be group grades based on work completed collaboratively; however every project will also include individual assessments that will allow students to show mastery independently. Teachers may use their discretion to modify the grades of students in the group based on observed/documentated contributions. Grades may be modified up or down, depending on the circumstances.

SELF AND PEER EVALUATION

During each project cycle students will evaluate themselves and their peers using the collaboration rubric. While peer evaluations will contribute to a student's overall collaboration grade, they will not be the only method of assessment and will be a smaller portion of a student's overall grade.

ACADEMIC HONESTY

Please see the Behavior Policy section in the EBIA SY 19.20 Student and Parent Handbook

REVISION POLICY

All students are expected to master skills and content that are aligned to CA State Standards. In the spirit of continuous improvement, EBIA's revision policy is designed so that students are provided the ability to demonstrate mastery through revision and reflection.

- All assignments will be scored within two weeks of the assignment deadline.
- All students will have the opportunity to revise submitted Oral Communication, Written Communication and Knowledge and Thinking coursework that has received a score of below 85%.
- Before a revision is submitted, students must complete the designated Revision Reflection form.
- Revised assignments must be submitted within two weeks of the date upon which the assignment was scored.
- Revised assignments may receive a score of up to 85%.
- Late work may be submitted for revision, but may lose credit in the Agency category, and may not receive a score of greater than 85%.

MATH PLACEMENT POLICY

This policy of the East Bay Innovation Academy (the "Charter School") Board of Directors ("Board") has been adopted to establish a fair, objective, and transparent protocol for placement in mathematics courses for students entering 9th grade, in order to ensure the success of every student and to meet the Legislative intent of the California Mathematics Placement Act of 2015.

1. In determining the mathematics course placement for entering 9th grade students, the Charter School systematically takes multiple objective academic measures of student performance into consideration, including:
 - a. Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress ("CAASPP");
 - b. Placement tests that are aligned to state-adopted content standards in mathematics;
 - c. Recommendation, if available, of each student's 8th grade mathematics teacher based on classroom assignment and grades;
 - d. Recommendation, if any, of each student's 9th grade mathematics teacher based on classroom assignments and grades provided at the beginning of the school year;
 - e. Final grade in mathematics on the student's official, end of the year 8th grade report card;
 - f. Results from all placement checkpoints, including at least one (1) placement checkpoint within the first month of the school year as described in Section 2, below.

2. The Charter School will provide at least one (1) placement checkpoint within the first month of the school year to ensure accurate placement and permit reevaluation of individual student progress. All mathematics teachers responsible for teaching 9th grade students will assess the mathematics placements for each 9th grade student assigned to the teacher's mathematics class. The teacher's assessment will take into consideration factors which may include, but are not limited to, the student's classroom assignments, quizzes, tests, exams, and grades, classroom participation, and any comments provided by the student, the student's parent/legal guardian, and/or the student's other teachers regarding the student's mathematics placement. Based on the assessment, the teacher will then recommend that the student remain in the current mathematics placement or be transferred to another mathematics placement, in which case the teacher shall specify the mathematics course or level recommended for the student.
3. The Charter School Head of School, or his or her designee, shall examine aggregate student placement data annually to ensure that students who are qualified to progress in mathematics courses based on their performance on objective academic measures included in Section 1 of this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. The Charter School shall annually report the aggregate results of this examination to the Charter School Board.
4. The Charter School offers clear and timely recourse for each student and his or her parent or legal guardian who questions the student's placement, as follows:
 - a. A parent/legal guardian of any 9th grade student may submit a written request to the Charter School Head of School, or his or her designee, that:
 - i. Requests information regarding how the student's mathematics placement was determined. Within five (5) days of receipt of the written request, the Charter School Head of School or designee shall respond in writing to the parent/legal guardian's request by providing the information, including the objective academic measures that the Charter School relied upon in determining the student's mathematics placement.
 - ii. Requests that the student retake the placement test, in which case the Head of School or designee will attempt to facilitate the retest within two (2) weeks.
 - iii. Requests that the student retake the 8th grade end of course final mathematics assessment, in which case the Head of School or designee will attempt to facilitate the retest within two (2) weeks.
 - iv. Requests reconsideration of the student's mathematics placement based on objective academic measures. Within five (5) school days of receipt of the written request, the Charter School Head of School or designee shall respond in writing to

the parent/legal guardian's request. The Head of School or designee and the student's mathematics teacher must assess the objective academic measures provided by the parent in conjunction with the objective academic measures identified in Section 1 and 2 of this policy. Based on this assessment, the Head of School or designee must determine whether the most appropriate mathematics placement for the student is the student's current placement or another placement, in which case the Head of School shall specify the mathematics course or level recommended for the student. The Head of School's or designee's response must provide the determination as well as the objective academic measures that the Head of School or designee relied upon in making that determination.

- b. Notwithstanding the foregoing, if the Head of School or designee requires additional time to respond to a parent/legal guardian's request, the Head of School or designee will provide a written response indicating that additional time is needed. In no event shall the Head of School's or designee's response time exceed one (1) month.
- c. If, after reconsideration of the student's mathematics placement by the Head of School or designee, the parent/legal guardian is dissatisfied with the student's mathematics placement, the parent/legal guardian may choose to sign a voluntary waiver requesting that the student be placed in another mathematics course against the professional recommendation of the Head of School or designee, acknowledging and accepting responsibility for this placement.

5. The Charter School shall ensure that this mathematics placement policy is posted on its website.

This policy is adopted pursuant to the Mathematics Placement Act of 2015, enacted as Education Code Section 51224.7.

BEHAVIOR POLICY

At EBIA, we strive to create a culture of community, where caring and nurturing relationships exist, giving students a sense of belonging and responsibility to one another. We know that students engaged in rigorous, relevant and real curriculum are more likely to be active participants in the community, eschewing misbehavior that takes away from the productivity of the learning environment. In order to support all students personifying our Six Innovator Norms (Perseverance, Curiosity, Kindness, Respect, Conscientiousness, and Leadership), we have implemented the following positive behavior support plan, with a restorative approach to addressing disciplinary issues that may arise.

We will honor students and staff regularly and publicly for being positive contributors to the EBIA community. Time in Advisory classes will be dedicated to honoring students at a more local level. Acknowledging, validating and affirming our students will take place daily in all classes and throughout campus. We support the idea of setting personal and community goals and celebrating the attainment of those goals in myriad ways that honor process and progress.

We hold high expectations for student behavior and have established a set of behavioral norms and school rules that are in place to support a safe and positive learning environment. Consistency and transparency are the keys to ensuring students understand behavioral expectations. The iterative process of examining and refining these norms is not only encouraged, but expected, as we are an innovative school dedicated to creating a culture where buy-in exists as a result of all voices being heard in order to meet the needs of our community. There is intentionally not a litany of behavioral norms, but these following few, so that we can call attention, when necessary, for correction to anti-community behavior and focus on the positive choices our community makes:

- **Take care of yourself**
- **Take care of one another**
- **Take care of our community**
- **Live the Innovator Norms**

For further questions regarding the suspension/expulsion policy please call (510) 577-9557. A copy of the full policy is available within this handbook in Appendix A.

DRESS CODE

PHILOSOPHY

East Bay Innovation Academy's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or

increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Our values are:

- All students should be able to dress comfortably for school and engage in the educational environment without fear of or actual unnecessary discipline or body shaming.
- All students and staff should understand that they are responsible for managing their own personal "distractions" without regulating individual students' clothing/self-expression
- Student dress code enforcement should not result in unnecessary barriers to school attendance.
- School staff should be trained and able to use student/body-positive language to explain the code and to address code violations.
- Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
- Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible.

Our student dress code is designed to accomplish several goals:

- Maintain a safe learning environment in classes where protective or supportive clothing is needed, such as chemistry/biology (eye or body protection), dance (bare feet, tights/leotards), or PE (athletic attire/shoes).
- Allow students to wear clothing of their choice that is comfortable.
- Allow students to wear clothing that expresses their self-identified gender.
- Allow students to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display or reference alcohol, drugs or related paraphernalia or other illegal conduct or activities.
- Prevent students from wearing clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Prevent students from wearing clothing or accessories that reasonably can be construed as being or including content that is racist, lewd, vulgar or obscene, or that reasonably can be construed as containing fighting words, speech that incites others to imminent lawless action, defamatory speech, or threats to others.
- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

DRESS CODE

East Bay Innovation Academy expects that all students will dress in a way that is appropriate for the school day or for any school sponsored event.

Student dress choices should respect EBIA's intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). EBIA is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and must be explained within this dress code.

1. Basic Principle: Certain body parts must always be covered for all students.

Clothes must be worn in a way such that genitals, buttocks, breasts, and nipples are fully covered with opaque fabric. All items listed in the "must wear" and "may not wear" categories below must meet this basic principle.

2. Students Must Wear, while following the basic principle of Section 1 above:

- A Shirt (with fabric in the front, back, and on the sides under the arms), AND
- Pants/jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress or shorts)
- Shoes, closed toe with backs (no flip-flops and sandals without backs as they are safety issues)

3. Students Cannot Wear:

- Violent language or images.
- Images or language depicting drugs or alcohol, gang related signs or images, or any illegal item or activity.
- Hate speech, profanity, pornography.
- Images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups.
- Any clothing that reveals visible undergarments.
- Swimsuits (except as required in class or athletic practice).
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face or ears, including headphones (except as a religious observance).
 - At Lower School, hats cannot be worn in class and hoods cannot be on while in class.
 - At Upper School, hoods cannot be on while in class

4. Dress Code Enforcement

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently using the requirements below. School administration and staff shall not have discretion to vary the requirements in ways that lead to discriminatory enforcement.

- Students will only be removed from spaces, hallways, or classrooms as a result of a dress code violation as outlined in Sections 1 through 3 above. Students in violation of Section 1 through 3 will be provided three (3) options to be dressed more to code during the school day:
 - Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
 - Students will be provided with temporary school clothing to be dressed more to code for the remainder of the day.
 - If necessary, students' parents may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.
- No student should be affected by dress code enforcement because of racial identity, sex assigned at birth, gender identity or expression, sexual orientation, ethnicity, cultural or religious identity, household income, body size/type, or body maturity.
- School staff shall not enforce the school's dress code more strictly against transgender and gender nonconforming students than other students.

These dress code guidelines shall apply to regular school days and summer school days, as well as any school-related events and activities, such as graduation ceremonies, dances and prom. Student athletic apparel will be defined by safety and competitive performance

CELL PHONE/ELECTRONIC DEVICE POLICY

Students will turn off and store away cell phones and personal electronic devices during school hours. Cell phones and personal electronic devices may be used in class only with express permission granted or under supervision by an adult staff member.

For further questions regarding the Tech Use Policy please call (510) 577-9557. The complete policy is also available upon request in the main office.

GUM ON CAMPUS

Students chewing gum must throw it in the trashcan upon entering school grounds.

ACADEMIC LANGUAGE

Students will refrain from using profane, rude or offensive language on campus.

PUBLIC DISPLAYS OF AFFECTION

Appropriate, brief and platonic public displays of affection are permitted while at school, on school grounds, and at school-sponsored activities. EBIA staff will use discretion to determine level of appropriateness.

PERSONAL GROOMING

Personal grooming (hair and make-up) will take place outside of class time.

ALCOHOL, TOBACCO, DRUGS

EBIA does not tolerate the use, possession, or sale of drugs, alcohol, or tobacco/nicotine (including e-cigarettes and vape pens) by students on campus or at school-sponsored activities. Students violating this policy will face disciplinary action, up to and including suspension or expulsion.

RESTORATIVE JUSTICE

Restorative justice promotes values and principles that use inclusive, collaborative approaches for being in community. These approaches validate the experiences and needs of everyone within the community, particularly those who have been marginalized, oppressed, or harmed. These approaches allow us to act and respond in ways that are healing rather than alienating or coercive.

-excerpt from Amstutz and Mullet, Restorative Discipline for Schools

Instructional time is “sacred” and successful learning experiences depend upon the engaged participation of every student. The community is comprised of individuals who exercise self-discipline while understanding the need for inter-dependency.

Below is an **example** of teacher response to students making poor choices in class which are adversely affecting the learning environment:

1. If misbehavior occurs, the teacher will address the responsible individual(s) respectfully, reminding the student of the appropriate desired behaviors, and logging the behavior as appropriate.
2. If misbehavior persists, the teacher will ask the student(s) to step outside the classroom or individually approach the student for a 1-2-minute conference. That conference will provide the

student(s) the opportunity to discuss the behavior and ways in which they can demonstrate to the class that they are ready to learn and re-join the community.

- If the teacher feels the student(s) is/are ready to return to class, the student(s) re-joins the community and demonstrates active scholarly participation.
 - If the student returns to class and continues misbehavior, that student will be asked to write a reflection and may be referred to speak to an administrator.
 - If the teacher feels the student(s) is/are not ready to return, the student(s) will be asked to write a reflection about the undesired behavior either in that teacher's class or a neighboring class.
3. If the student(s) return(s) to class after having written a reflection and continues with unproductive behavior, the student(s) will be referred to the office and will engage in the administrative behavior support plan.
 4. If the behavior in class is extreme in nature and cannot be dealt with following the aforementioned steps, the student will be referred to the office and will engage in the administrative behavior support plan and/or the School will follow its suspension/expulsion policy as outlined within its Charter.

ADMINISTRATIVE BEHAVIOR SUPPORT PLAN

Understanding most behaviors will be addressed by the classroom teacher, as a means of re-engaging students in the learning environment, students referred to the office will already have been given multiple opportunities for correcting misbehavior. We treat every student as an individual and will adjust our approach on a case-by-case basis. We apply restorative justice principles to supporting positive student choices so that unwanted behaviors do not continue, but we can also offer a more traditional model for students and families who prefer not to participate in the restorative approach.

ACADEMIC HONESTY

The EBIA Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize or commit other acts of academic dishonesty.

Students, parents/guardians, staff and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty. Students found to have committed an act of academic dishonesty shall be subject to discipline, up to and including suspension from School.

Plagiarism and Copyright Infringement definitions:

1. Users will not plagiarize works that they find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were original to the user.
2. Users will respect the rights of copyright owners and not infringe on those rights. Copyright infringement occurs when an individual inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies acceptable use of that work, the user should follow the expressed requirements. If the user is unsure whether or not they can use a work, they should request permission from the copyright owner.

Assignments for which students have engaged in plagiarism and/or copyright infringement will be scored as a zero, and students will be asked to re-submit the assignment within two weeks. In the event that a student engages in plagiarism and/or copyright infringement more than once in a given course in the school year, that student will be referred to an administrator.

ATTENDANCE POLICY

EBIA will operate with an extended school day and year, offering the needed supports to ensure all students are ready for success in college and career. The school year consists of 185 calendar days with Lower School hours running from 9:00am – 3:30pm and Upper School hours running from 8:30am – 3:45pm, followed by Office Hours on select days and enrichment program. The campus will open at 7:30 am for students to do school work.

ABSENCES

EBIA encourages students to approach their academic experience with a growth mindset, attaining a high degree of academic and social emotional growth across the year. It is not possible for this to happen if students are absent from class. The adult(s) legally responsible for a child are charged with ensuring that students are in school. EBIA understands that it is inevitable that there will be absences for excused reasons. However, with rare exceptions, these absences are infrequent and don't create a barrier that prevents students from reaching their potential.

- 1) EBIA has policies and procedures that allow students who have been absent for excused reasons to make up missed academic work. Making up missing assignments is seen as a way to minimize the negative impact of poor attendance. However, there is no way students can make up all they miss by not being in the classroom when learning is taking place.
- 2) In evaluating the success of students, we believe that attendance is the single most reliable predictor of student performance. Students who are regularly in school succeed; students who are chronically absent do poorly. Research also shows that there is an identical relationship between school attendance and success in the workplace.

EXCUSED ABSENCES

A student's absence shall be excused for the following reasons:

1. Personal illness (see section below for further information);
2. Quarantine under the direction of a county or city health officer;
3. Medical, dental, optometric, or chiropractic appointments;
4. Attendance at funeral services for a member of the immediate family:
 - a. Excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state.

- b. "Immediate family" shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/daughter-in-law, brother, sister or any relative living in the student's immediate household.
5. Participation in religious instruction or exercises in accordance with Charter School policy:
 - a. The student shall be excused for this purpose on no more than four school days per month. When your student will be absent for religious observance, please call or send a note to school prior to that date. If you do, state regulations allow children absent for religious observance to be counted as present, but class work must still be made up within a reasonable period of time.
6. For the purposes of jury duty in the manner provided for by law.
7. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child. (The school does not require a note from the doctor for this excusal.)
8. To permit the pupil to spend time with an immediate family who is an active duty member of the uniformed services, as defined in Education Code Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the Charter School.
9. For purpose of serving as a member of a precinct board for an election pursuant to Election Code Section 12302.
10. Attendance at the pupil's naturalization ceremony to become a United States citizen.
11. Authorized parental leave for a pregnant or parenting pupil for up to eight (8) weeks.
12. Authorized at the discretion of a school administrator, based on the facts of the pupil's circumstances, are deemed to constitute a valid excuse. A pupil who holds a work permit to work for a period of not more than five consecutive days in the entertainment or allied industries shall be excused from school during the period that the pupil is working in the entertainment or allied industry for a maximum of up to five absences per school year subject to the requirements of Education Code Section 48225.5.
13. In order to participate with a not-for-profit performing arts organization in a performance for a public-school pupil audience for a maximum of up to five days per school year provided the pupil's parent or guardian provides a written note to the school authorities explaining the reason for the pupil's absence.

In addition, a student's absence shall be excused for justifiable personal reasons such as:

1. Appearance in court;
2. Attendance at a funeral of a family member;
3. Observation of a holiday or ceremony of his/her religion;
4. Attendance at religious retreats for no more than four hours during a semester.

Please notify the School by emailing info@eastbayia.org or calling 510-577-9557, if it is necessary for your student to be absent for any reason. In the email or when leaving a message, please include your name, student's name, reason for the absence, and a phone number where you can be reached. Absences must be cleared within five (5) school days or the absence becomes unexcused.

As class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Students should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or for Students in grades 7-12, inclusive, who may be excused from school for the purpose of obtaining confidential medical services without the consent of the student's parent or guardian. Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law.

TRUANCY

Students shall be classified as truant if the student is absent from school without a valid excuse three full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Head of School or designee. In addition, students shall be classified as a chronic truant if the student is absent from school without a valid excuse for 10 percent or more of the school days in one school, from the date of enrollment to the current date.

The Executive Director, or designee, shall implement positive steps to reduce truancy, including working with the family in an attempt to resolve the attendance problem. A student's progress and learning may be affected by excessive unexcused absences. In addition, the Charter School is fiscally dependent on student attendance and is negatively impacted by excessive unexcused absences. If all attempts to resolve the student's attendance problem are unsuccessful, the Charter School will implement the processes described below.

We will track daily attendance closely and communicate promptly and directly with families to minimize the impact of absence on any child's academic progress. EBIA has established a School Attendance Review Board ("SARB") who reviews school-wide attendance on a regular basis. The SARB is responsible for addressing students who are truant or chronically absent.

PROCESS FOR ADDRESSING TRUANCY

1. Each of the first three (3) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian. The student's classroom teacher may also call home.
2. Each of the fourth (4th) and fifth (5th) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian by the Executive Director or designee. In addition, the student's classroom teacher may also call home and/or the Charter School may send the parent an e-mail notification. In addition, upon reaching five (5) unexcused absences or unexcused tardies over 30 minutes in a school year, the parent/guardian will receive "Truancy

Letter #1” from the Charter School notifying the parent/guardian of the student’s “Truant” status. This letter must be signed by the parent/guardian and returned to the Charter School. This letter shall also be accompanied by a copy of this Attendance Policy.

3. Upon reaching seven (7) unexcused absences or unexcused tardies over 30 minutes, the parent/guardian will receive “Truancy Letter #2 – Conference Request,” notifying the parent/guardian of the student’s “Habitual Truant” status and a parent/guardian conference will be scheduled to review the student’s records and develop an intervention plan/contract. Upon reaching ten (10) unexcused absences or unexcused tardies over 30 minutes, the student will be referred to a Student Success Team (SST) and the School Attendance Review Team (SARB). In addition, the parent/guardian will receive a Truancy Letter #3,” and will be asked/invited to attend an evening assembly for parents/guardians of chronically absent students.
4. The SARB panel will be composed of administrators and other staff. The SARB panel will discuss the absence problem with the Parent/Guardian to work on solutions, develop strategies, discuss appropriate support services for the student and his/her family, and establish a plan to resolve the attendance issue.
 - a. The SARB panel shall direct the parent/guardian that no further unexcused absences or tardies can be tolerated.
 - b. The parent shall be required to sign a contract formalizing the agreement by the parents to improve the child’s attendance or face additional administrative action. The contract will identify the corrective actions required in the future, and indicate that the SARB panel shall have the authority to order one or more of the following consequences for non-compliance with the terms of the contract:
 - i. Parent/guardian to attend school with the child for one day
 - ii. Student retention
 - iii. After school detention program
 - iv. Required school counseling
 - v. Loss of field trip privileges
 - vi. Loss of school store privileges
 - vii. Loss of school event privileges
 - viii. Mandatory Saturday school
 - ix. Required remediation plan as set by the SARB
 - x. Notification to the District Attorney

- c. The SARB panel may discuss other school placement options.
 - d. Notice of action recommended by the SARB will be provided in writing to the parent/guardian.
5. If the conditions of the SARB contract are not met, the student may incur additional administrative action up to and including disenrollment from the Charter School, consistent with the Involuntary Removal Process described below. If the student is disenrolled after the Involuntary Removal Process has been followed, notification will be sent within thirty (30) days to the student's last known district of residence.
 6. For all communications set forth in this process, the Charter School will use the contact information provided by the parent/guardian in the registration packet. It is the parent's or guardian's responsibility to update the Charter School with any new contact information.
 7. If student is absent fifteen (15) or more consecutive school days without valid excuse and parent/guardian cannot be reached at the number or address provided in the registration packet and does not otherwise respond to the Charter School's communication attempts, as set forth above, the student will be in violation of the SARB contract, and the SARB panel may recommend that the student be disenrolled in compliance with the Involuntary Removal Process described below. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of Student's enrollment and attendance at another public or private school (i.e. a CALPADS report).

PROCESS FOR STUDENTS WHO ARE NOT IN ATTENDANCE AT THE BEGINNING OF THE SCHOOL YEAR

When students are not in attendance on the first three (3) days of the school year, the Charter School will attempt to reach the parent/guardian on a daily basis for each of the first three days to determine whether the student has an excused absence, consistent with the process outlined in this policy. If the student has a basis for an excused absence, parents must notify the Charter School of the absence and provide documentation consistent with this policy. However, consistent with process below, students who are not in attendance due to an unexcused absence by the fifth day of the school year will be disenrolled from the Charter School roster after following the Involuntary Removal Process described below, as it will be assumed that the student has chosen another school option.

1. Students who are not in attendance on the first day of the school year will be contacted by phone to ensure their intent to enroll in the Charter School.
2. Students who have indicated their intent to enroll but have not attended by the second day of the school year will receive a letter indicating the student's risk of disenrollment.
3. Students who have indicated their intent to enroll but have not attended by the third day of the school year will receive a phone call reiterating the content of the letter.

4. The Charter School will send the Involuntary Removal Notice to the Parent/Guardian and follow the Involuntary Removal Process described below for any students who have not attended by the fourth day, and do not have an excused absence.
5. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of Student's enrollment and attendance at another public or private school (i.e. a CALPADS report).
6. The Charter School will use the contact information provided by the parent/guardian in the registration packet.
7. Upon removal, the last known school district of residence will be notified of the student's failure to attend the Charter School and the disenrollment within thirty days of the disenrollment.

INVOLUNTARY REMOVAL PROCESS

No student who has been attending the Charter School shall be involuntarily removed for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the pupil and an explanation of the pupil's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

REFERRAL TO APPROPRIATE AGENCIES OR COUNTY DISTRICT ATTORNEY

It is the Charter School's intent to identify and remove all barriers to the student's success, and the Charter School will explore every possible option to address student attendance issues with the family. For any unexcused absence, the Charter School may refer the family to appropriate school-based and/or social service agencies.

If a child's attendance does not improve after a SARB contract has been developed according to the procedures above, or if the parents fail to attend a required SARB meeting, the Charter School shall notify the District's Attorney's office, which then may refer the matter for prosecution through the court system. Students 12 years of age and older may be referred to the juvenile court for adjudication.

NON-DISCRIMINATION

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, including immigration status, pregnancy, or association with an individual who has any of the aforementioned characteristics).

ILLNESS

A student who is ill should not be sent to school, since this may result in his/her health becoming worse and exposing others. Good indicators that students should be kept home:

Fever: With a temperature equal to or greater than 38.0 C or 100.4 F. The child can return to school after he/she has been fever-free for 24 hours (without fever-reducing medicine such as Tylenol or Advil).

Colds: A continuous green discharge from the nose may be a sign of infection; consider having the child seen by your health care provider.

Diarrhea/Vomiting: Return to school only after being symptom-free for 12 hours.

Conjunctivitis (Pink Eye): Return to school 24 hours after the first dose of prescribed medication.

Rashes: Student with an unexplained rash should return to school only after a health care provider has made a diagnosis and authorized the child’s return to school.

Lice: A student with lice or nits is permitted to come to school, but encouraged to remain home until nit and lice free. Please treat your student and notify the school.

INDEPENDENT STUDY

EBIA may offer independent study to meet the educational needs of students who receive prior approval from an administrator for absences exceeding three consecutive school days due to travel, extended illness, or another cause of three or more school days in duration. Independent study will be limited to occasional, incidental instances of extended absences and will be offered in conformance with this Board Policy.

PROMOTING HEALTH AND WELLNESS

While we understand that many families want to celebrate birthdays and other events as part of the community, we ask that families follow healthy guidelines when bringing in food. Please check with the office before bringing in any food or drinks for any event. Some students have allergies to food and drinks and cannot be in close proximity to these items. Students bringing snacks to school should make healthy choices, such as fruits and vegetables.

MEAL PROGRAM

EBIA participates in the National School Lunch Program, which is a federally assisted meal program that provides nutritionally balanced, low-cost, or free lunches to children each school day. Parents/guardians of EBIA are all encouraged to apply. Applications are available in the main office throughout the year. There is no deadline to apply. If your income status changes at any time, please inform the main office immediately to fill out a new NSLP application. This is very important to ensure that your student is qualified for the correct meal price at all times.

HOW TO PAY FOR MEALS

We have partnered with Revolution Foods to provide lunch for our students on regular school days, and Boonli is our online ordering system. We ask that families create an account with Boonli.

Students who qualify for free lunch will not need to pay. Families of students who qualify for reduced lunch will receive a monthly bill. Families of students who pay the full price will be expected to order and pay in advance through Boonli.

EMERGENCY MEALS

Emergency meals may be available for students needing one. Fees will be added to the family's Boonli account.

Note: Due to security concerns, we ask that families please avoid all online ordering vendor such as Doordash, Uber Eats, etc.

INJURIES

A first aid kit is located in the office. If your student is ill or injured beyond first aid or simple comfort measures, you will be called to take the student home or to the doctor. In an emergency, appropriate action will be taken, and you will be informed immediately. If you cannot be reached, other designated adults listed on the student's emergency form will be notified. It is essential that you keep the school informed of any change in address and/or telephone numbers so that a responsible party may be reached in an emergency.

MEDICATIONS

The following policy regarding the administration of medications is applicable when the staff is responsible for the administration of, or assisting in the administration of, medication to students attending school during regular school hours, including before- or after-school programs, field trips, extracurricular and co-curricular activities, and camps or other activities that typically involve at least one overnight stay away from home, because administration of the medication is absolutely necessary during school hours and the student cannot self-administer or another family member cannot administer the medication at school.

REQUIREMENTS FOR ADMINISTRATION OR ASSISTANCE

Before EBIA allows a student to carry and self-administer prescription auto-injectable epinephrine, or inhaled asthma medication, or have authorized school personnel administer medications or otherwise assist a student in administering his or her medication, the school must receive a copy of the following:

- For prescription medications, Parents need to complete the School's Medication Authorization Form to include the following:
 - a written statement from the physician and surgeon or physician assistant detailing the name of the medication, method, amount, and time schedules by which the medication is to be taken, and, if applicable, confirming that the pupil is able to self-administer auto-injectable epinephrine or inhaled asthma medication, and
 - a written statement from the parent, foster parent, or guardian of the pupil consenting to the self-administration, providing a release for the designated school health aide to consult with the health care provider of the pupil regarding any questions that may arise with regard

to the medication, and releasing EBIA and school personnel from civil liability if the self-administering pupil suffers an adverse reaction as a result of self-administering medication.

- We do not encourage the use of over-the-counter medications such as ibuprofen, antacid tablets or cough drops at school. If the need arises to give your child one of the over-the-counter medications listed, we must have the School's Medication Authorization Form with the required information listed above.

ADDITIONAL GUIDELINES

- The primary responsibility for the administration of medication rests with the parent/guardian, pupil, and medical professional.
- Medication shall be administered only during school hours if determined by a physician to be necessary.
- Designated staff shall keep records of medication administered at EBIA.
- All medication will be kept in a secure and appropriate storage location and administered per physician's instructions by appropriately designated staff.
- Designated staff shall return all surplus medication to the parent/guardian upon completion of the regimen or prior to extended holidays.
- Designated staff shall establish emergency procedures for specific medical conditions that require an immediate response (i.e. allergies, asthma, diabetes).
- The written statements specified in this policy shall be provided at least annually and more frequently if the medication, dosage, frequency of administration, or reason for administration changes.
- A pupil may be subject to disciplinary action if that pupil uses auto-injectable epinephrine or inhaled asthma medication in a manner other than as prescribed.
- Any pupil requiring insulin shots must establish a plan for administration of insulin shots with the Head of School in consultation with the parent or guardian and the pupil's medical professional.

A copy of the School's Medication Authorization Form is located at the main office. Please complete and return this form to the main office.

ALLERGY REPORTING

It is vital that EBIA is informed of any student allergy that is life threatening and/or may require use of medication. A list of students with allergies will be kept in each classroom. Any required medication will be stored in the main office. Please see the "Medications" section above for applicable guidelines.

IMMUNIZATIONS

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must have a minimum number of immunizations (shots) before they can attend school. Immunization records will be required for all incoming students. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

Students entering kindergarten who are not exempt will need the following immunization requirements:

Diphtheria, Pertussis, and Tetanus (DPT)	Five (5) doses
Polio	Four (4) doses
Measles, Mumps, and Rubella (MMR)	Two (2) doses
Hepatitis B	Three (3) doses
Varicella (chickenpox)	One (1) dose

NOTE: Four doses of DTP are allowed if one was given on or after the fourth birthday. Three doses of Polio are allowed if one was given on or after fourth birthday. MMR doses must be given on or after first birthday.

Students entering 7th grade who are not exempt from the immunization requirements must show proof of the following immunizations:

Immunization	Dosage
--------------	--------

Tetanus, reduced Diphtheria, and acellular Pertussis (Tdap)	One (1) doses
Measles, Mumps, Chicken Pox, and Rubella (MMR)	Two (2) doses

NOTE: In order to begin 7th grade, students who had a valid personal belief exemption on file with a public or private elementary or secondary school in California before January 1, 2016 must meet all requirements for children 7-17 years old (i.e., polio, MMR, chickenpox and primary series for diphtheria, tetanus, and pertussis), **in addition to** the 7th grade requirements for Tdap and two (2) doses of MMR.

Verification of immunizations will be completed with written medical records from the child’s doctor or immunization clinic. Immunization records shall be part of the mandatory permanent pupil record. EBIA will file a written report on the immunization status of all new entrants to EBIA with the California Department of Public Health as required by law.

Whenever there is good cause to believe that a student has been exposed to a communicable disease for which immunization is required, that student may be temporarily excluded from the campuses until the local health officer is satisfied that the person is no longer at risk of developing the disease.

DOCUMENTARY PROOF

The Executive Director shall maintain the student’s immunization information in the student’s mandatory permanent record and shall file annual immunization status reports as required by the California Department of Public Health.

EXEMPTIONS FROM IMMUNIZATION REQUIREMENTS

All students must be fully immunized in accordance with the California Health and Safety Code and the California Code of Regulations with the following exceptions:

- Students who show proof of a medical exemption pursuant to Health and Safety Code § 120370; If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and his or her documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from the school or institution until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.
- Students who are enrolled in Charter School’s home-based study program or independent study program and do not receive any classroom-based instruction; and
- Students who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the Charter School, shall be allowed to enroll at Charter School

without being fully immunized until the student enrolls in the next grade span pursuant to Health and Safety Code § 120335 (g);

- “Grade span” means each of the following:
 - Birth to Preschool.
 - Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 - Grades 7 to 12, inclusive.

This Policy does not prohibit a pupil who qualifies for an individualized education program, pursuant to federal law and Education Code § 56026, from accessing any special education and related services required by his or her individualized education program. However, parents or guardians must continue to provide immunization records for these students to their schools and schools must continue to maintain and report records of immunizations that have been received for these students.

ADMINISTRATION

ENROLLMENT

Enrollment at EBIA is governed by regulations for charter schools set forth in California Department of Education code for Charter Schools and our own charter.

We are an open enrollment public school committed to equal opportunity. TECA is non-sectarian and employs no admissions exams or special admissions requirements. Admission to the school is open to all students on a non-discriminatory basis without regard to race, color, national origin, creed, sex, ethnicity, behavior, age, ancestry, proficiency in English Language, or academic achievement. Students who currently attend TECA, their siblings, and children of staff have first priority, as long as places are available, before places are opened up to other students. EBIA complies with the minimum and the maximum age for public school attendance in charter schools.

Applications will be accepted during a publicly advertised open enrollment period each year for enrollment in the following school year. In the event that applications for a certain grade exceed the number of available slots for that grade, EBIA will hold a public random drawing to determine admission for the impacted grade level, with the exception of existing students, who are guaranteed admission in the following school year. Admission preferences in the case of a public random drawing shall be given to the following students in the following order:

1. Siblings of enrolled students
2. Residents of the District and school zones.
3. All other applicants.

At the conclusion of the public random drawing, all students who were not granted admission due to capacity shall be given the option to put their name on a wait list according to their draw in the lottery. GRIEVANCE PROCEDURES

1. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Dean Marolla-Turner, Executive Director
East Bay Innovations Academy
3400 Malcolm Avenue
Oakland, CA 94605
(510) 577-9557

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Oral reports shall also be considered official reports. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels she/he is a target of such behavior should immediately contact a teacher, counselor, the Principal, Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

EBIA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

EBIA prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter's filing of a complaint or the reporting of instances of misconduct prohibited by this

Policy. Such participation shall not in any way affect the status, grades, or work assignments of the reporter.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

2. Investigation

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of EBIA, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than seven (7) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than seven (7) school days, he or she will inform the complainant and any other relevant parties and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other students or employees, including the type and extent of discipline issued against such students or employees.

All records related to any investigation of complaints under this Policy are maintained in a secure location.

3. Consequences

Students or employees who engage in misconduct prohibited by this Policy will be subject to disciplinary action.

4. Uniform Complaint Procedures

When harassment, discrimination, intimidation or bullying is based upon one of the protected characteristics set forth in this Policy, a complainant may also fill out a Uniform Complaint Procedures (“UCP”) complaint form at any time during the process, consistent with the procedures laid out in this Handbook and UCP Policy.

5. Right of Appeal

Should the reporting individual find the Coordinator’s resolution unsatisfactory, he/she may follow the Dispute Resolution Process found in the Handbook for Students and Parents.

Please request a copy of the complete policy at the main office which includes the complaint form which should be completed and returned to the office.

NOTIFICATION

It is the intent of EBIA to integrate conflict resolution skills into the curriculum. Accordingly, students that have complaints against other students are encouraged to first address the issue with the person directly using the learned conflict resolution skills without the intervention of a school employee. If, however, the student does not feel comfortable with this approach or the complaint involves sexual harassment or discrimination, the student may notify a teacher or other school staff member. The teacher or staff member will notify the Administrator of the complaint if it cannot be resolved immediately at that level. Parents/guardians will be notified if necessary.

Students, parents, and/or community members who have complaints against school personnel or programs may notify a teacher or Administrator. If a teacher, or any other staff member, is notified of a student complaint against school personnel or programs, the teacher shall notify the Administrator.

PROCEDURES

Depending upon the nature of a complaint, the student, parent, and/or community member will be provided information concerning the applicable policy and procedures to be followed. For instance, if the complaint is one of sexual harassment or other discrimination, the student will be provided with a copy of the School's Title IX, Harassment, Discrimination, Intimidation, and Bullying Policy

If EBIA has no specific policy or procedures for the particular complaint, the Administrator, or his/her designee, will undertake a responsible inquiry into the pupil's complaint to ensure it is reasonably and swiftly addressed. When appropriate a written statement of the pupil's complaint will be obtained from the student.

CONFIDENTIALITY

Complainants will be notified that information obtained from the student, parent, and/or community member and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.

NON-RETALIATION

Complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

RESOLUTION

Administration will investigate student complaints appropriately under the circumstances and pursuant to the applicable procedures and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the Charter School staff shall assist him/her in the filing of the complaint.

- Step 2: Mediation

Within three days of receiving the complaint, the Compliance Officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the Compliance Officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the Compliance Officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the Compliance Officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- Step 3: Investigation of Complaint

The Compliance Officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- Step 4: Response

Unless extended by written agreement with the complainant, the Compliance Officer shall prepare and send to the complainant a final written report of the Charter School's investigation and decision, as described in Step #5 below, within sixty (60) days of the Charter School's receipt of the complaint.

- Step 5: Final Written Decision

The Charter School's decision shall be in writing and sent to the complainant. The Charter School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the Charter School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the Charter School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the Charter School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the Charter School's decision.

Upon notification by the CDE that the complainant has appealed the Charter School's decision, the Executive Director or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.

2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

Please request a copy of the complete policy at the main office which includes the complaint form which should be completed and returned to the office. The form can also be found online [here](#).

PUPIL SUSPENSION AND EXPULSION POLICY

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.* which lists the offenses and procedures for suspensions and expulsions. This Policy also addresses involuntary removals for violations of the Charter School's attendance policy. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as the Charter School's policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available on request at the Executive Director's office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth, or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the basis for which the pupil if being

involuntarily removed and of the right to request a hearing to challenge the involuntary removal. If a parent/guardian/educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Executive Director or the Executive Director’s designee with the student and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director or designee.¹

The conference may be omitted if the Executive Director or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state

¹ “Designee,” as used in this suspension/expulsion policy includes the Assistant Principal.

the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Executive Director or Executive Director's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the Executive Director or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

D. AUTHORITY TO EXPEL

As required by Education Code Section 47605(b)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the Charter School Board following a hearing before it or by the Charter School Board upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the pupil or a Board member of the Charter School's governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

E. EXPULSION PROCEDURES

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the Pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the Pupil makes a written request for a public hearing three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. SPECIAL PROCEDURES FOR EXPULSION HEARINGS INVOLVING SEXUAL ASSAULT OR BATTERY OFFENSES

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the body presiding over the hearing from removing a support person whom the presiding chairperson finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness's presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the body conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. RECORD OF HEARING

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. PRESENTATION OF EVIDENCE

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the

hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. WRITTEN NOTICE TO EXPEL

The Executive Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.

The Executive Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

J. DISCIPLINARY RECORDS

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. NO RIGHT TO APPEAL

The pupil shall have no right of appeal from expulsion from the Charter School as the Charter School Board's decision to expel shall be final.

L. EXPELLED PUPILS/ALTERNATIVE EDUCATION

The parents or guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. REHABILITATION PLANS

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

N. READMISSION

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board following a meeting with the Executive Director or designee and the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Executive Director or designee shall make a recommendation to the Board following the meeting regarding his or her determination. The pupil's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.

O. NOTICE TO TEACHERS

The Charter School shall notify teachers of each pupil who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code section 49079 and the corresponding enumerated offenses set forth above.

P. SPECIAL PROCEDURES FOR THE CONSIDERATION OF SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES

1. Notification of District

The Charter School shall immediately notify the District and coordinate the procedures in this policy with the District of the discipline of any student with a disability or student who the Charter School or District would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum,

although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

NOW, THEREFORE, BE IT RESOLVED: the Board of East Bay Innovation Academy affirms its position that all students have the right to attend school regardless of the immigration status of the child or of the child's family members;

INTRODUCTION

The Governing Board of East Bay Innovation Academy (“Charter School”) recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such students to achieve state and charter school academic standards, the Charter School shall provide them with full access to the Charter School’s educational program and implement strategies identified as necessary for the improvement of the academic achievement of foster youth in the Charter School’s local control and accountability plan (“LCAP.”)

DEFINITIONS

Foster youth means a child who has been removed from his/her home pursuant to California Welfare and Institutions Code section 309, is the subject of a petition filed under Welfare and Institutions Code sections 300 or 602, or has been removed from his/her home and is the subject of a petition filed under Welfare and Institutions sections Code 300 or 602.

If the school the foster youth attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that the foster youth attended within the immediately preceding 15 months, the Charter School liaison for foster youth, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, shall determine, and in the best interests of the foster youth, the school is the school of origin.

Best interests means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Charter School students.

Child of a military family refers to a student who resides in the household of an active duty military member.

determination prior to a change in the foster youth's placement, when he/she is a student with a disability under state and federal special education laws.

5. As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973. As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
6. Develop protocols and procedures for creating awareness for Charter School staff, including but not limited to principals, deans, and attendance clerks, of the requirements for the proper enrollment, placement, and transfer of foster youth.
7. Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help coordinate services for the Charter School's foster youth.
8. Monitor the educational progress of foster youth and provide reports to the Executive Director or designee and the Governing Board based on indicators identified in the Charter School's local control and accountability plan.
9. This policy does not grant the Charter School liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the youth pursuant to Welfare and Institutions Code sections 361 or 726, a surrogate parent, or a foster parent exercising authority under Education Code Section 56055. The role of the Charter School liaison is advisory with respect to placement options and determination of the school of origin.

SCHOOL STABILITY AND ENROLLMENT

EBIA will work with foster youth and their parents/guardians/educational rights holders to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, including juvenile court youth, and children of military families have the right to remain in their school of origin if it is their best interest. EBIA will immediately enroll a foster youth or child of a military family seeking reenrollment in EBIA as his/her school of origin, regardless of the student's ability to meet normal enrollment requirements (e.g. producing medical records).

A foster youth or military youth who seeks to enroll in EBIA, but does not consider EBIA his/her school of origin, will be immediately enrolled if doing so would not violate the terms of EBIA's charter.

A student placed in a licensed children's institution or foster family home who enrolls in the Charter School shall attend programs operated by the Charter School unless one of the following circumstances applies: (Education Code 48853, 48853.5)

1. The student has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency.
2. The parent/guardian or other person holding the right to make educational decisions for the student pursuant to Sections 361 or 726 of the Welfare and Institutions Code or Section 56055 of the Education Code determines that it is in the best interest of the student to be placed in another educational program and submits a written statement to the Charter School indicating that determination and that he/she is aware of the following:
 - a. The student has a right to attend a regular public school in the least restrictive environment.
 - b. The alternate educational program is a special education program, if applicable.
 - c. The decision to unilaterally remove the student from the Charter School and to place him/her in an alternate education program may not be financed by the Charter School.
 - d. Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent/guardian or other person holding the right to make educational decisions for the student.
3. At the initial detention or placement or any subsequent change in placement, the student exercises his/her right to continue in his/her school of origin, as defined above.
 - a. The student may continue in the school of origin for the duration of the court's jurisdiction.
 - b. If the court's jurisdiction over a grade K-8 student is terminated prior to the end of a school year, the student may continue in his/her school of origin for the remainder of the academic school year.
 - c. If the court's jurisdiction is terminated while the student is in high school, the student may continue in his/her school of origin until he/she graduates.
 - d. If the student is transitioning between school grade levels, he/she shall be allowed to continue in the district of origin in the same attendance area to provide him/her the benefit of matriculating with his/her peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The Charter School liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, recommend that the youth's right to attend the school of origin be waived and he/she be enrolled in any school that students living in the attendance area of the school district in which the foster youth resides are

eligible to attend or in the Charter School consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from his/her school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests.

If the liaison, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the youth would be served by his/her transfer to a school other than the school of origin, the Head of School or designee of the new school shall immediately enroll the foster youth, consistent with any enrollment procedures if the next school is a charter school. The foster youth shall be immediately enrolled even if he/she:

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
2. Does not have clothing normally required by the school, such as school uniforms
3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and medical records, including, but not limited to, immunization records or other documentation.

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the youth has the right to remain in the school of origin pending resolution of the dispute. The dispute shall be resolved in accordance with the existing Charter School dispute resolution process.

TRANSPORTATION

The Charter School shall not be responsible for providing transportation to allow a foster youth to attend school, unless there is an agreement with a local child welfare agency that the Charter School assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United States Code, or unless required by federal law. The Charter School is not prohibited from providing transportation, at its discretion, to allow a foster youth to attend school.

In accordance with Section 6312(c)(5) of Title 20 of the United States Code, Charter School shall collaborate with local child welfare agencies to develop and implement clear written procedures to address the transportation needs of foster youth to maintain them in their school of origin, when it is in the best interest of the foster youth.

Charter School is not required to provide transportation to a former foster child who has an IEP that does not require transportation as a related service and who changes residence but remains in his or her school of origin pursuant to this paragraph, unless the IEP team determines that transportation is a necessary related service.

EFFECT OF ABSENCES ON GRADES

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances:

1. A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date he/she left school.
2. A verified court appearance or related court-ordered activity.

TRANSFER OF COURSEWORK AND CREDITS

When a foster youth, currently migratory youth, child of a military family, or pupil participating in a newcomer program transfers into the Charter School, the Charter School shall accept and issue full credit for any coursework that the youth has satisfactorily completed while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the student did not complete the entire course and shall not require the foster youth to retake the course.

If the eligible youth did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that he/she completed in a public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency. However, the Charter School may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, the Charter School finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course.

In no event shall the Charter School prevent a foster youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California.

APPLICABILITY OF GRADUATION REQUIREMENTS

To obtain a high school diploma, a student shall complete all courses required by the Charter School, and fulfill any additional graduation requirement prescribed by the Board.

However, when a foster youth, child of a military family, currently migratory youth or pupil participating in a newcomer program who has completed his/her second year of high school transfers into the Charter School, he/she shall be exempted from all Charter School-adopted coursework and other Charter School-established graduation requirements in excess of the statewide coursework requirements, unless the Charter School makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of his/her fourth year of high school.

Within 30 calendar days of the eligible youth's transfer, the Head of School or designee shall notify the foster youth, the person holding the right to make educational decisions for him/her, and the youth's social worker or probation officer of the availability of the exemption and whether the youth qualifies for it. If the Charter School fails to provide timely notice pursuant to subparagraph, the youth shall be eligible for the exemption from local graduation requirements pursuant to this section once notified, even if that notification occurs after the termination of the court's jurisdiction over the student, if the foster youth otherwise qualifies for the exemption pursuant to this section.

To determine whether a youth is in his/her third or fourth year of high school, the Charter School shall use either the number of credits the foster youth has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption. In the case of a student participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in his or her third or fourth year of high school.

If a student in foster care is exempted from local graduation requirements pursuant to this section and completes the statewide coursework requirements specified in Educational Code section 51225.3 before the end of his or her fourth year of high school and that student would otherwise be entitled to remain in attendance at Charter School, Charter School shall not require or request that the student graduate before the end of his or her fourth year of high school.

The Executive Director or designee shall notify any foster youth who is granted an exemption and the person holding the right to make educational decisions for him/her how any requirements that are waived will affect the foster youth's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges.

A student, who is eligible for the exemption from local graduation requirements pursuant to this section and would otherwise be entitled to remain in attendance at the school shall not be required to accept the exemption or be denied enrollment in, or the ability to complete, courses for which he or she is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether those courses are required for statewide graduation requirements.

If a student is not exempted from local graduation requirements or has previously declined the exemption pursuant to this section, Charter School shall exempt the student at any time if an exemption is requested by the youth and the youth qualifies for the exemption. Likewise, if the youth is exempted, Charter School may not revoke the exemption.

If a student is exempted from local graduation requirements pursuant to this section, the exemption shall continue to apply after the termination of the court's jurisdiction over the student while he or she is enrolled in school or if the student transfers to another school, including a charter school, or school district

The Charter School shall not require or request a youth to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a youth or any person acting on behalf of a youth.

Upon making a finding that a youth is reasonably able to complete Charter School graduation requirements within his/her fifth year of high school, the Executive Director or designee shall:

1. Inform the foster youth and the person holding the right to make educational decisions for him/her of the foster youth's option to remain in school for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.
2. Inform the foster youth and the person holding the right to make educational decisions for him/her how remaining in school for a fifth year will affect his/her ability to gain admission to a postsecondary educational institution.
3. Provide information to the foster youth about transfer opportunities available through the California Community Colleges.
4. Upon agreement with the youth or, if he/she is under 18 years of age, the person holding the right to make educational decisions for him/her, permit the youth to stay in school for a fifth year to complete the Charter School's graduation requirements.

ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

COMPLAINTS OF NONCOMPLIANCE

Complaints of noncompliance with this policy shall be governed by the Charter School's Uniform Complaint Procedures policy.

EBIA is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

PREGNANT AND PARENTING STUDENTS

EBIA recognizes that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the pupil's physician, which the pupil may take before the birth of the pupil's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant. The Charter School will ensure that absences from the pupil's regular school program are excused until the pupil is able to return to the regular school program or an alternative education program.

Upon return to school after taking parental leave, a pregnant or parenting pupil will be able to make up work missed during his or her leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the pupil to be able to complete any graduation requirements, unless the Charter School determines that the pupil is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Head of School/Executive Director: Dean Marolla-Turner

3400 Malcolm Avenue, Oakland, CA 94605

Phone: 510-577-9557

A copy of the UCP is located in this Handbook and also available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Executive Director.

SECTION 504

EBIA recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of EBIA. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by EBIA. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Superintendent. A copy of EBIA's Section 504 policies and procedures is available upon request at the main office.

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. EBIA provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), Education Code requirements, and applicable policies and procedures of the El Dorado County Selpa. These services are available for special education students enrolled at EBIA. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. EBIA collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, EBIA is responsible for identifying, locating, and evaluating children enrolled at EBIA with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. EBIA shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact:

HUMAN TRAFFICKING PREVENTION

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. Charter School believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social medial and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. Please contact the front office if you wish for your student to opt out from this instruction. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

BULLYING AND CYBERBULLYING PREVENTION

EBIA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

EBIA advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

EBIA informs Charter School employees, students, and parents/guardians of EBIA's policies regarding the use of technology in and out of the classroom. EBIA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

EBIA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. EBIA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at EBIA and encourages students to practice compassion and respect each other.

EBIA educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other pupils based on protected characteristics.

EBIA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

EBIA informs EBIA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

EBIA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other EBIA employees who have regular interaction with pupils.

EBIA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

EBIA also informs certificated employees about the groups of students determined by EBIA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

EBIA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for EBIA’s students.

SUICIDE PREVENTION

The Board of Directors of East Bay Innovation Academy (“EBIA” or the “Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with EBIA and community stakeholders, EBIA school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating EBIA’s strategies for suicide prevention and intervention. EBIA must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, EBIA shall appoint an individual (or team) to serve as the suicide prevention point of contact for EBIA. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

A. Staff Development

EBIA, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model

of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff).

Training:

- All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or

social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.

- At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
- At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - Suicide risk factors, warning signs, and protective factors;
 - How to talk with a student about thoughts of suicide;
 - How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment;
 - Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member;
 - Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide;
 - Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - Youth affected by suicide;
 - Youth with a history of suicide ideation or attempts;
 - Youth with disabilities, mental illness, or substance abuse disorders;
 - Lesbian, gay, bisexual, transgender, or questioning youth;
 - Youth experiencing homelessness or in out-of-home settings, such as foster care;
 - Youth who have suffered traumatic experiences.
- In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
 - The impact of traumatic stress on emotional and mental health;
 - Common misconceptions about suicide;
 - Charter School and community suicide prevention resources;
 - Appropriate messaging about suicide (correct terminology, safe messaging guidelines);
 - The factors associated with suicide (risk factors, warning signs, protective factors);
 - How to identify youth who may be at risk of suicide;
 - Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on EBIA

- guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on EBIA guidelines;
- EBIA -approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed;
- EBIA -approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention);
- Responding after a suicide occurs (suicide postvention);
- Resources regarding youth suicide prevention;
- Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide;
- Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

B. Employee Qualifications and Scope of Services

Employees of EBIA must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

C. Parents, Guardians, and Caregivers Participation and Education

- Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
- This Suicide Prevention Policy shall be prominently displayed on the EBIA Web page and included in the parent handbook.
- Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
- All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - Suicide risk factors, warning signs, and protective factors;
 - How to talk with a student about thoughts of suicide;
 - How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

D. Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, EBIA along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with EBIA and is characterized by caring staff and harmonious interrelationships among students.

EBIA's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

EBIA's instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the students. Under the supervision of an appropriately trained individual acting within the scope of her/his credential or license, students shall:

- Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress;
- Receive developmentally appropriate guidance regarding EBIA's suicide prevention, intervention, and referral procedures.

The content of the education may include:

- Coping strategies for dealing with stress and trauma;
- How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others;
- Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help;
- Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, freshman orientation classes, science, and physical education).

EBIA will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

E. Intervention and Emergency Procedures

EBIA designates the following administrators to act as the primary and secondary suicide prevention liaisons:

- School Psychologist
- Director of Student Support Services

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Executive Director or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at EBIA or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - Securing immediate medical treatment if a suicide attempt has occurred;
 - Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened;
 - Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed;
 - Moving all other students out of the immediate area;
 - Not sending the student away or leaving him/her alone, even to go to the restroom;
 - Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence;
 - Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed.
4. After a referral is made, EBIA shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation

and build understanding of care. If follow up care is still not provided, EBIA may contact Child Protective Services.

5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at EBIA.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the EBIA campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in EBIA's safety plan. After consultation with the Executive Director or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Executive Director or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. EBIA staff may receive assistance from EBIA counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the EBIA campus and unrelated to school activities, the Executive Director or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like EBIA to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

F. Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in EBIA activities to notify a teacher, the Executive Director, another EBIA administrator, psychologist, EBIA counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. EBIA staff should treat each report seriously, calmly, and with active

listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

G. Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff.

EBIA shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

- Coordinate with the Executive Director to:
 - Confirm death and cause;
 - Identify a staff member to contact deceased's family (within 24 hours);
 - Enact the Suicide Postvention Response;
 - Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
- Coordinate an all-staff meeting, to include:
 - Notification (if not already conducted) to staff about suicide death;
 - Emotional support and resources available to staff;
 - Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration);
 - Share information that is relevant and that which you have permission to disclose.
- Prepare staff to respond to needs of students regarding the following:
 - Review of protocols for referring students for support/assessment;
 - Talking points for staff to notify students;
 - Resources available to students (on and off campus).
- Identify students significantly affected by suicide death and other students at risk of imitative behavior;
- Identify students affected by suicide death but not at risk of imitative behavior;
- Communicate with the larger school community about the suicide death;
- Consider funeral arrangements for family and school community;
- Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered;
- Include long-term suicide postvention responses:
 - Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
 - Support siblings, close friends, teachers, and/or students of deceased

- Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide

H. Student Identification Cards

EBIA will include the telephone number for the National Suicide Prevention Lifeline on all student identification cards. EBIA will also include the number for the Crisis Text Line and a local suicide prevention hotline on all student identification cards.

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn and negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, EBIA prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration and citizenship status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this Policy. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, EBIA will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. EBIA school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, EBIA will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which EBIA does business, or any other individual, student, or volunteer. This policy applies to all employee, student, or volunteer actions and relationships, regardless of position or gender. EBIA promptly and thoroughly investigate any complaint of such misconduct prohibited by this Policy and take appropriate corrective action, if warranted.

Prohibited Bullying

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a student or group of students that may constitute as sexual harassment, hate violence, or creates an intimidating and/or hostile educational environment, directed toward one or

more students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing a reasonable pupil* or pupils in fear of harm to that pupil's or those pupils' person or property.
2. Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
3. Causing a reasonable pupil to experience a substantial interference with his or her academic performance.
4. Causing a reasonable pupil to experience a substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by EBIA.

* “Reasonable pupil” is defined as a pupil, including, but not limited to, an exceptional needs pupil, who exercises care, skill and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

Cyberbullying is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person’s electronic account and assuming that person’s identity in order to damage that person’s reputation.

Electronic act means the creation and transmission originated on or off the schoolsite, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

1. A message, text, sound, video, or image.

 - b. “Cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

4. Notwithstanding the definitions of “bullying” and “electronic act” above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

SUDDEN CARDIAC ARREST PREVENTION AND AUTOMATED EXTERNAL DEFIBRILLATORS

EBIA is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest (“SCA”) is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at EBIA, must review the information sheet on sudden cardiac arrest via the link below:

<https://www.cdc.gov/dhdsp/docs/cardiac-arrest-infographic.pdf>.

CONCUSSION/HEAD INJURIES

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because EBIA has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete’s parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

APPENDIX B: AVAILABILITY OF INFORMATION

AVAILABILITY OF HEALTH INSURANCE

Children—regardless of immigration status (foster youth, pregnant women, and legally present individuals, including those with deferred action for childhood arrivals [“DACA”] status) may be eligible for no- or low-cost Medi-Cal insurance. Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost. Medi-Cal enrollment is available year-round.

Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them. Based on income and family size, many Californians may qualify for financial assistance. Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have sixty (60) days from the event to complete enrollment. Information regarding the availability of insurance is provided with enrollment forms and available at:

http://hbex.coveredca.com/toolkit/PDFs/ALL_IN_Flyer_EnrollGetCareRenew_CC.pdf

The Charter School shall not discriminate against a pupil who does not have health care coverage or use any information relating to a pupil’s health care coverage or interest in learning about health care coverage in any manner that would bring harm to the pupil or the pupil’s family.

TYPE 2 DIABETES

Description

Type 2 diabetes is the most common form of diabetes in adults. Until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens. According to the U.S. Centers for Disease Control and Prevention (“CDC”), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime.

Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy.

- The body turns the carbohydrates in food into glucose, the basic fuel for the body’s cells.
- The pancreas makes insulin, a hormone that moves glucose from the blood to the cells.
- In type 2 diabetes, the body’s cells resist the effects of insulin, and blood glucose levels rise.
- Over time, glucose reaches dangerously high levels in the blood, which is called hyperglycemia.
- Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

It is recommended that students displaying or possibly experiencing the risk factors and warning signs associated with type 2 diabetes be screened (tested) for the disease.

Risk Factors

Researchers do not completely understand why some people develop type 2 diabetes and others do not; however, the following risk factors are associated with an increased risk of type 2 diabetes in children:

- **Being overweight.** The single greatest risk factor for type 2 diabetes in children is excess weight. In the U.S., almost one out of every five children are overweight. The chances are more than double that an overweight child will develop diabetes.
- **Family history of diabetes.** Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.
- **Inactivity.** Being inactive further reduces the body's ability to respond to insulin.
- **Specific racial/ethnic groups.** Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- **Puberty.** Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

Warning Signs and Symptoms Associated with Type 2 Diabetes

Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision
- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular periods, no periods, and/or excess facial and body hair growth in girls
- High blood pressure or abnormal blood fats levels

Type 2 Diabetes Prevention Methods and Treatments

Healthy lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal weight and normal blood glucose levels.

- **Eat healthy foods.** Make wise food choices. Eat foods low in fat and calories.
- **Get more physical activity.** Increase physical activity to at least 60 minutes every day.
- **Take medication.** If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

The first step in treating type 2 diabetes is to visit a doctor. A doctor can determine if a child is overweight based on the child's age, weight, and height. A doctor can also request tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (a condition which may lead to type 2 diabetes).

Types of Diabetes Screening Tests That Are Available

- **Glycated hemoglobin (A1C) test.** A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- **Random (non-fasting) blood sugar test.** A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.
- **Fasting blood sugar test.** A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.
- **Oral glucose tolerance test.** A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided above is intended to raise awareness about this disease. Contact the School nurse, school administrator, or health care provider if you have questions.

MENTAL HEALTH SERVICES

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources available to your child:

Available on Campus:

- School-based counseling services – your child is encouraged to directly contact a Charter School counselor by coming into the counseling office during school hours and making an appointment to speak with a counselor. Our Charter School counselors support students by providing individual sessions, group or parent consultations whenever a student is having a difficult time due to academic stress, transition to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our Charter School or by an outside provider listed in this letter, are voluntary.

- Special education services – if you believe your child may have a disability, you are encouraged to contact Edmund Zander at 510-577-9557 to request an evaluation.
- Prescription medication while on campus – if your child requires prescription medication during school hours and you would like assistance from School staff in providing this medication to your child, please contact Office Manager at 510-577-9557.
