

EBIA Schoolwide Learner Outcomes 2020

What all students should know, understand and be able to do in alignment with EBIA's purpose. The schoolwide learner outcomes are developed by a group of teachers, administrators, parents, and students and are aligned to the mission of the school. They are reviewed and revised by stakeholders as needed.

Innovation and Design

EBIA students use their minds to:

- Think critically and problem solve creatively.
- Apply new skills to real-world situations.
- Reflect on the learning process and iterate solutions

Collaboration and Communication

EBIA students use a variety of skills to:

- Engage in individual and collaborative project and problem-based learning.
- Effectively communicate ideas both orally and written.
- Recognize, appreciate, and engage with diverse points of view.

Agency

EBIA students take ownership of their learning and embrace a growth mindset to:

- Seek challenges and feedback.
- Actively participate and grow from setbacks.
- Monitor and adjust individual role to positively influence the ups and downs of the classroom/home community
