WELCOME

Welcome to East Bay Innovation Academy! As team member at EBIA, you are an integral part of helping us achieve our mission. Your dedication to our students, pride in your work and commitment to EBIA is essential to our success.

This Handbook contains information about EBIA's employment policies and practices. We have designed our employment policies and practices not only to comply with federal and state employment laws, but also to attract, develop, retain, and reward talented educators, administrators, support staff, and leaders. Our policies and practices also reflect EBIA's core beliefs:

- We believe in **POSSIBILITY and PERSEVERANCE**: all children can and will achieve at the highest levels and be prepared for success in college and career, regardless of background or circumstance, when held to high academic and behavioral expectations. We value courage, initiative, and tenacity.
- We believe in **CREATIVITY and CURIOSITY**: we aim to develop students who pursue inquiry collaboratively with critical and creative minds. We value exploration, perspective, and determination.
- We believe in **COMMUNITY**: Parents, teachers, school leaders, and board members assume collective and individual responsibility for all student's success. We value relationships, kindness, integrity, and respect.
- We believe in the **GREATER GOOD**: Our school will open students' minds to an enlightened sense of social justice and civic responsibility. Our students will give back to the community and work to make the world a better place. We value holistic thinking that can improve our school, our community, and our world.
- We believe in **DIVERSITY**: In order to prepare students for a global society and workforce, they need to learn to work with and appreciate the contributions of those that are different from them, in all aspects of life.

This Handbook supersedes all previously issued Handbooks. We expect each team member to read this Handbook carefully, as it is a valuable reference for understanding your job and EBIA. However, please be aware that not all of EBIA policies and procedures are set forth in this Handbook. We have summarized only some of the more important ones. EBIA reserves the right to revise, delete and add to the provisions of this Handbook. No oral statements or representations can change the provisions of this Handbook. Should any provision in this Handbook be found to be unenforceable and invalid, such finding does not invalidate the entire

Handbook, but only the subject provision. Furthermore, should any provision of this Handbook contradict a provision of an applicable collective bargaining agreement at EBIA, the applicable collective bargaining agreement shall be controlling. If you have any questions or concerns about this Handbook or any other policy or procedure, please ask the Executive Director, your Supervisor, or the Director of Operations.

After reading this Handbook, all team members must sign the acknowledgment form at the back of this Handbook and return it to their supervisor. This will provide EBIA with a record that each team member has received and read the Handbook.

Again, welcome to East Bay Innovation Academy!

EMPLOYMENT POLICIES

EBIA's employment policies (and practices) comply with all Federal and state law requirements. In this section of this Handbook, you will find detailed explanations of these important requirements and how EBIA complies with them. Strict compliance with these policies is expected and required from all EBIA team members.

AT-WILL EMPLOYMENT

Unless stated otherwise by an applicable collective bargaining agreement, all employment at EBIA is "at-will." This means that both team members and EBIA have the right to terminate employment at any time, with or without advance notice (although we request and try to give two weeks' notice), and with or without cause. Nothing in this Handbook shall limit the right to terminate at-will employment. No one other than the Executive Director and Chair of the Board of Directors of EBIA, collectively, have the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy, and any such agreement must be in writing and must be signed by both the Executive Director and Chair of the Board of Directors of EBIA. Given the entrepreneurial nature of the organization, EBIA maintains a highly flexible culture, and so a team member's position and/or position description may be changed at any given time by his or her Supervisor. Nothing in this Handbook is intended to change this policy.

EQUAL EMPLOYMENT OPPORTUNITY

EBIA is an equal opportunity employer and makes employment decisions based on merit. EBIA policy prohibits unlawful discrimination on the basis of:

- Race (including but not limited to traits historically associated with race, such as hair texture and hairstyle, including braids, locks, and twists);
- Color;
- Gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned);
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);

- National origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law);
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act ("FMLA"), Pregnancy Disability Leave ("PDL") law, Americans with Disabilities Act ("ADA"), California Family Rights Act ("CFRA"), the Fair Employment and Housing Act "FEHA"), or laws related to domestic violence, sexual assault and stalking;
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

When necessary, EBIA also makes reasonable accommodations for disabled team members, unless undue hardship would result.

EBIA promotes a positive, productive work environment within which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal opportunity and prohibits discriminatory practices. It is the responsibility of every team member to conscientiously follow this policy.

POLICY AGAINST UNLAWFUL HARASSMENT, DISCRIMINATION, AND RETALIATION

EBIA is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. EBIA's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race (including but not limited to traits historically associated with race, such as hair texture and hairstyle, including braids, locks, and twists); color; gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned); sex (including pregnancy, childbirth, breastfeeding, and related medical conditions); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken and possession of a driver's license

issued to persons unable to prove their presence in the U.S. is authorized by federal law); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated or retaliated against, based upon the characteristics noted above.

EBIA does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the Director of Operations or designee.

When EBIA receives allegations of unlawful harassment, discrimination, or retaliation, the Executive Director (if a complaint is about the Director of Operations) or the Director of Operations or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. EBIA is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

EBIA is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive two (2) hours of sexual harassment prevention training within six (6) months of hire or their assumption of a supervisory position and every two (2) years thereafter. All other employees will receive one (1) hour of sexual harassment prevention training within six (6) months of hire and every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment prevention training as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Director of Operations. See **Appendix A** for the "Harassment/Discrimination/Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - o Rape, sexual battery, molestation or attempts to commit these assaults and

- o Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - o Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - o Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - o Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - o Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
 - o Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - o Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate EBIA policy.

PROFESSIONAL BOUNDARIES: EMPLOYEE-STUDENT INTERACTIONS

BOUNDARIES DEFINED

For the purposes of this policy the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

ACCEPTABLE AND UNACCEPTABLE BEHAVIOR

Some activities may seem innocent from a staff member’s perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

UNACCEPTABLE BEHAVIORS

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission

- Being alone in a room with a student at school with the door closed
- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students or connecting through any social media channel if the content is not age appropriate and/or about school activities.

ACCEPTABLE AND RECOMMENDED BEHAVIORS

- Obtaining parent's written consent for any after-school activity on or off campus (exclusive of tutorials).
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions.
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment).
- Keeping the door open when alone with a student.
- Keeping reasonable and appropriate space between you and the student.
- Stopping and correcting students if they cross your own personal boundaries.
- Keeping parents informed when a significant issue develops about a student.
- Keeping after-class discussions with a student professional and brief.
- Asking for advice from senior-staff or administration if you find yourself in a difficult situation related to "boundaries."
- Involving your direct supervisor about situations that have the potential to become more severe.
- Making detailed notes about an incident that could evolve into a more serious situation later.
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers.
- Asking another staff member to be present if you will be alone with any student who may have severe social or emotional challenges (and you are not the assigned case educator).

- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours.
- Giving students praise and recognition without touching them in questionable areas; appropriate pats on the back, high-fives, and handshakes are appropriate.
- Keeping your professional conduct a high priority during all moments of student contact.
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.

REPORTING

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to the Executive Director, and/or make a child abuse/neglect report as applicable. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. It is the duty of the Executive Director to investigate and thoroughly report the situation. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse. All reports shall be as confidential as possible under the circumstances.

INVESTIGATING

The Executive Director will promptly investigate and document the investigation of any allegation of sexual misconduct, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Executive Director shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

CONSEQUENCES

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e. our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or the Executive Director.

PROHIBITED CONDUCT

The following is a list of conduct that is prohibited and will not be tolerated by the School. It is not an all-inclusive list, but rather a list designed to give examples of the types of conduct prohibited by the School.

- Falsification of employment records, employment information, or other School records.
- Recording the work time of another employee or allowing any other employee to record your work time, or allowing falsification of any time card, either your own or another's.
- Theft, deliberate or careless damage or loss of any School property or the property of any employee or customer.

- Carrying firearms or any other dangerous weapons on School premises at any time.
- Consuming, possessing, or being under the influence of alcohol and/or drugs during working hours or at any time on School property or job sites.

- Violation of any safety, health, security or School rule.
- Working overtime without authorization or refusing to work assigned overtime.

DISABILITIES - REASONABLE ACCOMMODATION

In accordance with applicable federal and state law protecting qualified individuals with known disabilities, EBIA will attempt to reasonably accommodate those individuals unless doing so would create undue hardship on EBIA. To ensure that EBIA understands the person's particular needs, any person who requires a reasonable accommodation in order to perform the essential functions of the job should contact the Director of Operations and request such an accommodation.

EBIA is committed to engaging in a timely, good faith interactive process with any qualified person with a disability who requests an accommodation in order to ascertain whether an effective, reasonable accommodation exists. The request should specify what accommodation the individual believes is needed to perform the job. EBIA then will conduct an investigation to identify the barriers that make it difficult for the individual to have an equal opportunity to perform his or her job. EBIA, in consultation with the individual, will identify possible accommodations that will help eliminate the limitation.

WORKERS' COMPENSATION

Workers' Compensation is designed to ensure that employees who are injured, become ill or disabled on the job are provided with needed medical benefits and wage-loss protection. A team member who sustains a work-related injury should immediately notify his/her Supervisor. Should the injury require the attention of a doctor, the Executive Director or Director of Operations can provide the number of the Workers' Compensation Carrier's Physician Network Referral Unit. For reporting regulations, team members who have an on-the-job injury are required to see one of EBIA's approved worker's compensation doctors, unless the employee has pre-designated his/own physician. The School Office has a listing of clinics in the local area which are approved to treat employees reporting a work-related injury. In the case of an emergency, team members should go to the nearest hospital emergency room for treatment and then utilize the Network Referral Unit if additional treatment is necessary.

CONFLICTS OF INTEREST

Team members are expected to devote their best efforts and attention to the full-time performance of their jobs. Moreover, team members are expected to use good judgment, to adhere to high ethical standards, and to avoid situations that create an actual or potential conflict between their personal interests and the interests of EBIA. A conflict of interest exists when the team member's loyalties or actions are divided between EBIA's interests and those of another, such as a competitor, supplier, or customer. Both the fact and the appearance of a conflict of interest should be avoided. Any exceptions to this guideline must be approved in writing by the Executive Director and Chair of the Board of Directors. Part-time team members may engage in outside employment, provided that they disclose such employment and get written approval from their immediate Supervisor. Failure to adhere to this guideline, including failure to disclose any conflicts or to seek an exception, will result in discipline, up to and including termination of employment.

PERSONNEL RECORDS

The information in the team member's personnel file is maintained as both a convenient resource for the collection of a team member's information and to comply with various regulations. A team member's personnel file is always confidential, unless otherwise required by law, and must be kept up-to-date. The team member must inform the Director of Operations immediately whenever there are changes in personal data (such as address, telephone number, number of dependents, and person(s) to notify in case of emergency) by updating Bamboo HR or by emailing the Director of Operations.

A team member or former team member (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable

advance notice to the Director of Operations. All requests should be put in writing. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within thirty (30) days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

Personnel files are the property of EBIA and may not be removed from EBIA's premises without written authorization from the Executive Director.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

EMPLOYMENT OF RELATIVES

Relatives of team members may be eligible for employment with EBIA only if the individuals involved are qualified, do not work in a direct Supervisory relationship, and are not in job positions in which a conflict of interest could arise. Relatives of team members are subject to the same procedures and requirements as any other job applicant, no more and no less. Team members may not interview any relative seeking to join the EBIA team nor may that team member influence the decision to hire or not hire any relative who is a job applicant. EBIA defined "relatives" as spouses, registered domestic partners, children, siblings, parents, in-laws, and step-relatives. Present team members who marry or who become registered domestic partners will be permitted to continue working in the job position held only if they do not work in a direct Supervisory relationship with one another or in job positions involving a conflict of interest.

PROPERTY, INCLUDING PROPRIETARY AND CONFIDENTIAL INFORMATION

Given the nature of EBIA's business, protecting proprietary and confidential information is of vital concern to EBIA. EBIA property includes not only tangible property, like desks and laptops, but also intangible property such as information, including student records and student grades. This information is one of the most important assets of EBIA. All team members share responsibility to ensure that proper security is maintained at all times.

PROPRIETARY INFORMATION

Proprietary information includes all information relating in any manner to the business of EBIA and its schools, students, parents, consultants, customers, clients, and business associates obtained by EBIA team members during the course of their work. This Handbook, for example, contains proprietary information. Occasionally, in the service of EBIA's mission, EBIA may choose to share otherwise proprietary information (e.g. best practices) with outside parties. Such documents will be prepared specifically for publication and dissemination, with the express approval of the Executive Director and/or the Board of Directors. If an individual team member receives a request from an outside party for either paper or electronic copies of EBIA documents, that individual should direct the request to the Executive Director or their Supervisor before disseminating documents.

CONFIDENTIAL INFORMATION

Confidential information is any EBIA information that is not known generally to the public or the industry. Student lists, student cumulative files, student health files, student Individual Education Plans, personnel files, computer records, financial and marketing data, process descriptions, research plans, formulas, and trade secrets are examples of confidential information. In addition, in the case student information, federal law provides that information may not be disseminated except under certain limited conditions. (Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. §1232g, 34 CFR Part 99). Personal information, including salary, history of employment or reasons for departure, is also confidential and may not be discussed with anyone other than one's Supervisor or the Executive Director. Team members will be subject to appropriate disciplinary action, up to and including termination for knowingly or unknowingly revealing information of a confidential nature.

SECURITY

To avoid loss of EBIA property, EBIA has safety plans, which specifically set out rules and procedures for maintaining control of entrances, exits, restricted areas, and other related security issues. Team members are expected to abide by these regulations. A copy of the school safety plan can be found in the administrative office.

All team members must observe good security practices. Team members are expected to take reasonable precautions to keep proprietary and confidential information secure from all persons who do not have legitimate reason to see or use such information. Failure to adhere to EBIA policies regarding proprietary and confidential information will be considered grounds for discipline, up to and including dismissal.

OBLIGATIONS ON TERMINATION

On termination of employment, whether voluntary or involuntary, all EBIA documents, computer records, and other tangible EBIA property in the team member's possession or control must be returned to EBIA. This includes but not limited to EBIA-issued laptops. In addition, any and all school supplies purchased with EBIA funds (including private grants, federal and state funding designated for the use of the organization, the school, and/or its students) are EBIA property and must be returned to EBIA. These items may include, but are not limited to, the following: computer equipment, software, professional books and binders received during training, dictionaries and other reference materials, bulletin boards, textbooks, leveled books, classroom books, library books, posters, consumable workbooks, office supplies, etc. This is true regardless of purchase method; that is, furniture, equipment and supplies are EBIA property regardless of whether they were purchased directly using a purchase order or credit card, or purchased by the team member but later reimbursed by EBIA through its expense reimbursement process.

TECHNOLOGY USE AND PRIVACY

EBIA provides various Technology Resources to authorized team members to assist them in performing their job duties for EBIA. Each team member has a responsibility to use EBIA's Technology Resources in a manner that increases productivity, enhances EBIA's public image, and is respectful of other team members. Failure to follow EBIA's policies regarding its Technology Resources may lead to disciplinary measures, up to and including termination of employment.

Technology Resources consist of all electronic devices, software, and means of electronic communication including, but not limited to, the following: personal computers and workstations; laptop computers; mini and mainframe computers; computer hardware such as disk drives and tape drives; peripheral equipment such as printers, modems, fax machines, and copiers; computer software applications and associated files and data, including software that grants access to external services, such as the Internet; electronic mail; telephones; cellular phones; pagers; and voicemail systems.

Access to EBIA's Technology Resources is within the sole discretion of EBIA. Generally, team members are given access to EBIA's various technologies based on their job functions. Only team members whose job performance will benefit from the use of EBIA's Technology Resources will be given access to the necessary technology. Additionally, team members may be required to successfully complete EBIA-approved training before being given access to EBIA's Technology Resources.

EBIA team members are responsible for knowing and implementing student accountability procedures to protect Technology Resources. This includes the retention and maintenance of classroom devices, tracking of devices issued or loaned to a team member's students, and communicating damaged or lost devices to administration and families.

EBIA's Technology Resources are to be used by team members only for the purpose of conducting EBIA business. Team members may, however, use EBIA's Technology Resources for the following incidental personal uses so long as such use does not interfere with the team member's duties, is not done for pecuniary gain, does not conflict with EBIA's business, and does not violate any EBIA policy: (1) To send and receive necessary and occasional personal communications; (2) To prepare and store incidental personal data (such as personal calendars, personal address lists, and similar incidental personal data) in a reasonable manner; (3) To use the telephone system and cell phones for brief and necessary personal calls; and (4) To access the Internet for brief personal searches and inquiries during meal times or other breaks, or outside of work hours, provided that team members adhere to all other usage policies.

EBIA assumes no liability for loss, damage, destruction, alteration, disclosure, or misuse of any personal data or communications transmitted over or stored on EBIA's Technology Resources. EBIA accepts no responsibility or liability for the loss or non-delivery of any personal electronic mail or voicemail communications or any personal data stored on any EBIA property. EBIA strongly discourages team members from storing any personal data on any of EBIA's Technology Resources.

EBIA is aware that team members use electronic mail for correspondence that may be less formal than written memoranda. Team members must take care, however, not to let informality degenerate into improper use. As set forth more fully in the Harassment section of this Handbook, EBIA does not tolerate discrimination or harassment based on race, ethnic group, color, sex (including pregnancy, childbirth, or related medical conditions), national origin, ancestry, religion, creed, physical or mental disability, marital status, registered domestic partner status, medical condition, sexual orientation, veteran status, age, and any other basis protected by federal, state, or local law. Under no circumstances may team members use EBIA's Technology Resources to transmit, receive, or store any information that is discriminatory, harassing, or defamatory in any way (e.g., sexually-explicit or racial messages, jokes, cartoons).

Team members also must not use EBIA's Technology Resources to copy, retrieve, forward or send copyrighted materials unless the team member has the author's permission or is accessing a single copy only for the team member's reference. In addition, team members may not use any of EBIA's Technology Resources for any illegal purpose, violation of any EBIA policy, in a manner contrary to the best interests of EBIA, in any way that discloses confidential or proprietary information of EBIA or third parties, or for personal or pecuniary gain.

Any team member using EBIA Technology resources to view or download indecent or inappropriate material will be ground for disciplinary action.

All messages sent and received, including personal messages, and all data and information stored on EBIA's electronic-mail system, voicemail system, or computer systems are EBIA property regardless of the content. As such, EBIA reserves the right to access all of its Technology Resources including its computers, voicemail, and electronic-mail systems, at any time, in its sole discretion.

On occasion, EBIA may need to access its Technology Resources including computer files, electronic-mail messages, and voicemail messages. Team members should understand, therefore, that they have no right of privacy with respect to any messages or information created or maintained on EBIA's Technology Resources, including personal information or messages. EBIA may, at its discretion, inspect all files or messages on its Technology Resources at any time for any reason. EBIA may also monitor its Technology Resources at any time in order to determine compliance with its policies, for purposes of legal proceedings, to investigate allegations of misconduct, to locate information, or for any other business purpose.

Certain of EBIA's Technology Resources can be accessed only by entering a password. Passwords are intended to prevent unauthorized access to information. Passwords do not confer any right of privacy upon any team member of EBIA. Thus, even though team members may maintain passwords for accessing Technology Resources, team members must not expect that any information maintained on Technology Resources, including electronic-mail and voicemail messages, are private. Team members are expected to maintain their passwords as confidential. Team members must not share passwords and must not access coworkers' systems without express authorization.

Employees should not use personal devices or email accounts for School-related communications as these communications may nevertheless be considered public records subject to disclosure under the California Public Records Act. Such communications should only take place using School-issued devices and via the employee's EBIA email account.

EBIA PROPERTY AND INFORMATION

All software in use on EBIA's Technology Resources is officially licensed software. No software is to be installed or used that has not been duly paid for and licensed appropriately for the use to which it is being put. No team member may load any software on EBIA's computers, by any means of transmission, unless authorized in writing in advance by the Executive Director. Authorization for loading software onto EBIA's computers should not be given until the software to be loaded has been thoroughly scanned for viruses.

EBIA is very sensitive to the issue of protection of confidential and proprietary information of both EBIA and third parties ("Confidential Information"). Therefore, team members are expected to use good judgment and to adhere to the highest ethical standards when using or transmitting

Confidential Information on EBIA's Technology Resources. Confidential Information should not be accessed through EBIA's Technology Resources in the presence of unauthorized individuals. Similarly, Confidential Information should not be left visible or unattended. Moreover, any Confidential Information transmitted via Technology Resources should be marked with the following confidentiality legend: "This message contains confidential information. Unless you are the addressee (or authorized to receive for the addressee), you may not copy, use, or distribute this information. If you have received this message in error, please advise the Executive Director or return it promptly by mail."

Before transferring or copying any software from an EBIA Technology Resource to another computer, team members must request permission and receive written authorization from the Executive Director.

EBIA has installed a variety of programs and devices to ensure the safety and security of EBIA's Technology Resources. Any team member found tampering or disabling any of EBIA's security devices will be subject to discipline up to and including termination.

EBIA may perform auditing activity or monitoring to determine compliance with these policies. Audits of software and data stored on EBIA's Technology Resources may be conducted without warning at any time.

WHISTLEBLOWER POLICY

EBIA is committed to maintaining a workplace where team members are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of EBIA policy, specifically the policies contained in EBIA Team Member Handbook.

A team member who wishes to report a suspected violation of law or EBIA policy may do so confidentially by contacting the Board of Directors.

EBIA expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against team members who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of EBIA. Any team member who engages in retaliation will be subject to discipline, up to and including termination.

Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or

correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Any team member who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: Executive Director and Director of Operations. Any supervisor, manager, or staff that receives complaints of retaliation must immediately inform Executive Director and the Director of Operations.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality, consistent with a full and fair investigation. The Executive Director and a member of EBIA management will conduct or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings directly.

EMPLOYMENT CONDITIONS

IMMIGRATION LAW COMPLIANCE

EBIA will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, EBIA will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (e.g., threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant.

CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, transcripts, and test scores each fall prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your principal and the School with verification of renewals. Failure to provide these updated documents to the school may result in suspension without pay until such time as the necessary documentation has been provided.

If you allow a credential, certificate, registration, or required course deadline to expire, or if you fail re-certification, training, or testing, EBIA is required to remove you from the work schedule until you meet the requirements or renew your credential.

TUBERCULOSIS TEST

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

CRIMINAL BACKGROUND CHECKS

As a condition of employment, EBIA requires all applicants for employment to submit fingerprints via LiveScan to the Department of Justice for the purpose of obtaining criminal record summary information from the Department of Justice and Federal Bureau of Investigation. EBIA will not employ a person who has been convicted of a violent or serious felony or a sex or controlled substance offense or any person who would be prohibited from employment by a public school

district because of his or her conviction for any other crime, unless an applicable exception applies. EBIA will not employ any applicant until the Department of Justice completes its check of the state criminal history file as provided by law. EBIA shall also request subsequent arrest notification from the Department of Justice and take all necessary action based upon such further notification.

All fingerprint and background information must be completed and in the possession of EBIA before the first day of employment. Failure to complete this process will delay the team member's ability to begin work.

SUBSEQUENT ARREST NOTIFICATION SERVICE

All team members are subject to "Subsequent Arrest Notification Service" by the DOJ once they have been fingerprinted for EBIA. Any time a team member is arrested after his or her initial background clearance for the School, the DOJ will notify the school Human Resources contact and send the School the new CORI information. The Director of Operations will evaluate the new information and determine whether it justifies suspension or termination of the individual's employment. At the discretion of the Executive Director, he or she can seek counsel from the Board of Directors and/or legal counsel, in closed session, in determining suitability for continued employment. After the evaluation has taken place and a decision has been made regarding the individual's suitability to continue employment, the CORI records received from the DOJ will be destroyed. Applicants will receive confidential notification of their suspension or termination. Those individuals who are suspended or terminated can make a one-time appeal to the Executive Director for reconsideration if he or she feels there has been an error in the review of their record. The decision of the Executive Director is final.

Notwithstanding the above, should an employee, during his/her employment with the School, be charged or convicted of any offense, the employee must immediately report the charge or conviction to the Executive Director.

CHILD ABUSE AND NEGLECT REPORTING

Since our team members work directly with children, they are in a position to detect instances of child abuse and neglect. It is EBIA's policy that all employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

"Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency

immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.”

While each team member has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the team member is not to verify the suspicion or prove that abuse has occurred. Classroom teachers who become aware of suspected child abuse should request class coverage from the Main Office immediately and must immediately make reports to the administrators.

It is extremely important that EBIA team members comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

EBIA will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee’s employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

The Director of Operations is available to answer any questions team members may have about their responsibilities under CANRA, or to assist a team member in making a report under CANRA. If a team member makes a report pursuant to CANRA without EBIA’s assistance, he or she is required to notify EBIA of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with EBIA.

FIRST-AID AND CPR TRAINING

All individuals working unsupervised with children or in a classroom setting (i.e. core teachers, advisors, coaches, non-core teachers, administrators) are encouraged to receive, renew, and

maintain basic first-aid and CPR certification. EBIA will periodically host First Aid and CPR training for teachers, assistants and staff; the class may take place outside of normal working hours

For additional information on these trainings, please contact the Director of Operations.

TEAM MEMBER VOICE AND INTERNAL COMMUNICATIONS

EBIA encourages open, honest and direct communication. Candid and frequent communication is the best way to ensure we serve all our constituents – including students, parents, community members and teammates – in the best way possible. EBIA has developed a number of ways to keep the lines of communication open.

OPEN DOOR POLICY

EBIA has an Open Door Policy that encourages team member participation in decisions affecting them and their daily professional responsibilities.

Teammates are encouraged to discuss their job-related concerns or complaints with the Executive Director. Concerns can be raised in person, via mail, email, or telephone. EBIA believes that teammate concerns are best addressed through this type of informal and open communication. EBIA will also attempt to keep all such expressions of concern, the results of its investigation, and the terms of the resolution confidential to the extent possible and reasonable. In the course of investigating and resolving the matter, however, some dissemination of information to others may be appropriate. No team member will be disciplined or otherwise penalized for raising a good-faith concern.

STAKEHOLDER SATISFACTION SURVEYS

EBIA will use an independent external company to administer Satisfaction surveys of teammates, parents, and students. These anonymous surveys provide an opportunity for constituents to inform the organization about what works well and what could be improved. The Teammate Satisfaction survey gives EBIA team members the opportunity to evaluate the school environment as well as rate their school Executive Director. The results of this survey are factored into annual performance reviews and compensation decisions. Similarly, parents and students receive the opportunity to grade their Executive Director and teachers.

OTHER SURVEYS

Teammates may occasionally be asked for input on other topics during the course of the year through other surveys, focus groups or interviews. The results of these surveys are used to guide

management decisions, and sometimes provide additional information related to concerns raised during the annual survey.

PERFORMANCE MANAGEMENT

EBIA is committed to being a world-class educational institution, which means achieving high levels of student academic performance through the work of effective educators. As a result, EBIA's practices related to performance management are a combination and balance of accountability and support. EBIA believes that all teammates should be held accountable for objectives and outcomes that they can influence – including, for educators and school Executive Directors, growth in student achievement. At the same time, EBIA has a responsibility to provide extensive support to help individuals meet their objectives and enhance their own professional efficacy – by building capacity, offering guidance, and providing resources. EBIA's teammates are expected to actively participate in continuous improvement by being open to feedback and by using the resources and tools that EBIA provides, thereby modeling the learning process. EBIA's collaborative (rather than punitive) environment is ideal for striking this blend and balance of accountability and support.

PROFESSIONAL DEVELOPMENT

EBIA is committed to the professional development of all of its team members. For educators, EBIA provides training before the start of the school year, on-site coaching and modeling throughout the school year by the school Executive Director and the Directors of Innovative Instruction, as well as access to external workshops to cultivate teaching skills. EBIA may cover the cost of this professional development. Team members should talk with the Executive Director about additional development opportunities and specific career paths.

PERFORMANCE REVIEW

EBIA provides a culture in which communication is encouraged. In a similar fashion, performance expectations and reviews are part of an ongoing, year-round process in which a team member will discuss these issues with his or her Supervisor. Such performance reviews may be formal or informal, and verbal or written. Examples of such ongoing review can include walkthroughs at the school, peer review, lesson observations and/or ongoing 360 degree feedback.

In addition, EBIA conducts periodic performance reviews for team members. Team members generally receive written performance evaluations at least once every year. As part of the process are also asked to provide self-evaluations. Performance ratings include feedback obtained through surveys of the community regarding both school and individual employee performance.

The purpose of the review is to support the team member to become a stronger member of the team. Specifically, the review will evaluate the team member's current level of performance, to examine the progress made since the last review, and to establish goals for the team member's next review. Further, the review helps ensure that both the team member and his/her Supervisor understand their respective roles in helping the team member achieving his or her career goals. During their performance reviews, team members are encouraged to discuss any issues raised, as well as any opportunities for advancement or career development within EBIA. A performance-based pay raise may occur within the annual appraisal process.

Teaching staff is evaluated consistent with the applicable collective bargaining agreement.

CORRECTIVE REVIEW/DISCIPLINARY ACTION

In light of EBIA's balanced approach of both accountability and support, under normal circumstances, Supervisors first informally coach and support team members to help increase performance before instituting any formal Corrective Review or disciplinary action. This increases an individual's likelihood of success in his or her position. In other words, a team member with a performance or behavior issue is typically given a warning so that he or she has an opportunity to correct the problem. If further coaching is necessary, a Supervisor may elect to develop a written plan in order to help the team member correct the behavior. Should a Supervisor's coaching be unsuccessful, a formal written warning of disciplinary action may be necessary. None of the foregoing limits, or is to be construed to limit, EBIA's "at-will" employment policy in any way whatsoever.

Team members may be disciplined for poor job performance and/or misconduct, including but not limited to the following:

- Unsatisfactory work quality or quantity
- Sleeping on the job or leaving the job without authorization
- Insubordination
- Excessive absenteeism, tardiness, abuse of break/lunch privileges, or failure to notify Supervisor in advance of anticipated tardiness or absence
- Dishonesty
- Disparaging, intentionally insensitive or hurtful behavior towards others.
- Failure to follow instructions or EBIA's policies and procedures
- Disclosing or using confidential or proprietary information without authorization

- Falsifying or altering EBIA records, including the application for employment
- Harassing, including sexually harassing, team members or students
- Possessing a firearm or other dangerous weapon on EBIA property or while conducting EBIA business or any other criminal act.

In addition, corrective review or disciplinary action may be taken if the team member is unsuccessful in meeting their deliverables or other performance expectations. These deliverables and expectations are set by the Supervisor of the team member, and for educators will include increasing student performance.

Though discharge or demotion for poor performance or attendance ordinarily will be preceded by an oral warning and a written warning, EBIA reserves the right to proceed directly to a written warning, or demotion, or termination, without resort to prior disciplinary steps, when EBIA deems such action appropriate or necessary.

A team member may be placed on investigatory leave without prior written warning or approval, usually for a period not to exceed fifteen (15) calendar days, in order to review or investigate actions, including but not limited to, insubordination, acts endangering others, or other allegations or serious misconduct.

For all represented team members, corrective review/disciplinary action shall be consistent with the applicable collective bargaining agreement.

UPWARD FEEDBACK

EBIA is committed to providing voice to all of its team members. In support of this principle, EBIA provides all team members an opportunity to engage in 360 degree feedback, in which the team member has an opportunity to reflect upon and inform management regarding the performance of his/her Supervisor.

COMPENSATION

The compensation and evaluation system used at EBIA differs from that used in traditional K-12 public school systems. It is designed to give the Executive Director the flexibility needed to attract teammates whose skills match the unique needs of the school, reward individuals who get results, and ensure EBIA's compensation levels are competitive with the marketplace. For all represented team members, compensation shall be consistent with the applicable collective bargaining agreement.

BASE SALARIES

Base salaries are set according to the Executive Director depending on:

- market rates (a range, based on an annual analysis of local district salary schedules and similar positions in other comparable organizations)
- an individual's experience and relevant expertise (e.g.: for a teacher, this may include fluency in multiple languages, experience with English language learners or Special Education, or relevant industry experience).

Individuals who may seem to have the same amount of experience on the surface may receive different base salaries because of their differing backgrounds and skills.

The Base Salary covers work done as part of an individual's job responsibilities during the regular work calendars for his/her position. Job description, work calendar and work schedules may be modified from time to time, and should be discussed with the Executive Director prior to the beginning of each school year to ensure that expectations are clear.

BASE SALARY INCREASES

Pay increases are determined according to school and individual performance as defined in EBIA's annual performance goals as set by the Executive Director and approved by the EBIA Board of Directors.

EXEMPT VS NONEXEMPT CLASSIFICATION OF TEAM MEMBERS

All team members are classified as either exempt or nonexempt, according to job duties as determined by the provisions of applicable law. Nonexempt employees are covered by the overtime provisions of applicable law and are required to fill out timesheets accounting for all time worked in a pay period. Nonexempt employees are entitled to an overtime premium in accordance with applicable law (see Overtime below). Exempt employees are salaried employees whose job duties exempt them from the overtime provisions of applicable law. Exempt employees are paid a fixed salary determined by the duties to be performed rather than the number of hours worked. All site Administrators and educators are exempt employees. Job classifications are noted on each position description that is provided with each team member's new hire paperwork. Any team member who needs a copy of his/her position description, or wishes to inquire about his/her classification should contact the Director of Operations.

FULL-TIME VS PART-TIME CLASSIFICATION OF TEAM MEMBERS

Full-time employees are those who work at least thirty (30) hours per week. Part-time employees are those who are scheduled to work less than thirty (30) hours per week. Temporary employees can be either full-time or part-time, but work for a period of ninety (90) consecutive days or less.

Temporary employees and most part-time employees are not eligible for medical, dental, vision, short- and long-term disability, or life insurance benefits.

OVERTIME

Hourly, nonexempt team members will be paid overtime for working in excess of eight (8) hours per day and in excess of forty (40) hours per week. The Executive Director/Supervisor must approve all overtime in advance and sign all time sheets to indicate agreement.

JOB DUTIES

Each team member will learn the various duties and responsibilities of his or her job during training or from his/her Supervisor as part of orientation. Each team member should also be provided with a copy of the written job description for his/her individual position. In order to adjust to changes, EBIA reserves the right to modify job descriptions, add to or remove certain duties and responsibilities, or reassign a team member to an alternate job position.

EBIA team members are required to know and implement student attendance policies and procedures, including the collection of an office late slip from students who are tardy to morning advisory. Teachers are responsible for marking students who arrive to class late with the appropriate tardy in our information system.

PAY PROCEDURES

EBIA team members are paid on a semi-monthly basis. Salaried team members are paid on the 15th day and the last working day of the month, with each paycheck including earnings for all work performed through the date of the payroll check. Hourly team members are similarly paid on the 15th day and the last working day of each month, with the payroll check on the 15th day of the month generally covering the period of time from the 25th day of the previous month to the 8th day of the month in which the payday falls, and with the payroll check on the last working day of the month generally covering the period of time from the 9th day to the 24th day of the month in which the payday falls. If a scheduled payday falls on a Saturday, Sunday or company-observed holiday, team members will be paid on the day preceding the weekend or holiday. Team members are paid for all work performed for EBIA (less withholding taxes and authorized deductions), whether or not the work is performed on premises.

TIME RECORDS (NONEXEMPT EMPLOYEES)

Nonexempt employees must accurately complete time records within the School's timekeeping system. Each time record must show the exact time work began and ended, the meal periods taken, and your signature. Absences and overtime must be accurately identified on your time

record. You cannot record time and/or submit a time record for another team member. Each team member must sign and submit his or her own time record. Team members must record all time actually worked; working off the clock is prohibited.

All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Nonexempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or makes an error on the time card, the employee must contact the Executive Director to make the correction and such correction must be initialed by both the employee and the Executive Director.

Nonexempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

No one may record hours worked on another's worksheet. Any employee who violates any aspect of this policy may be subject to disciplinary action, up to and including release from at-will employment with the School.

Exempt employees must record any absence from work of a half day or more. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact the Director of Operations with any questions concerning their pay so that inadvertent errors can be corrected.

MEAL PERIODS (NONEXEMPT EMPLOYEES)

Nonexempt employees scheduled to work more than five (5) hours in a day are given a thirty (30)-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. The team member may waive this meal period if his/her workday will be completed within a total of six (6) hours or less. To waive a meal period, the team member must receive prior written approval from the supervisor and complete a "Meal Period Waiver" form.

An employee's supervisor must be aware of and approve scheduled meal and rest periods. Employees must immediately inform their supervisor if they are prevented from taking their meal and/or rest periods.

If a team member's day exceeds ten (10) hours of work time, the team member is entitled to an additional thirty (30)-minute duty-free meal break. The team member only may waive this second meal period if he/she has taken the required first meal break of at least thirty (30) minutes and his/her workday will not exceed twelve (12) hours. To waive the second meal period, the

team member must receive prior written approval from the supervisor and complete a “Second Meal Period Waiver” form.

Nonexempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed meal period on the day’s time record and to the team member’s supervisor immediately. The meal period must be accurately recorded on the team member’s time sheet. Meal periods are unpaid time and team members are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

REST PERIODS (NONEXEMPT EMPLOYEES)

Nonexempt employees are authorized and permitted to take a ten (10)-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Do not take more than ten (10) minutes for each rest period. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

<u>Hours Worked</u>	<u>Number of Rest Periods</u>
3.5 hours to 6 hours	1 10-minute rest period
Over 6 hours to 10 hours	2 10-minute rest periods
Over 10 hours to 14 hours	3 10-minute rest periods

Nonexempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period on the days’ time record and to the team member’s supervisor immediately. Team members are encouraged to report any concerns regarding meal or rest periods to the Director of Operations.

LACTATION ACCOMMODATION

EBIA accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the nonexempt employee shall be unpaid.

EBIA will make reasonable efforts to provide employees who need a lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Such room/location shall not be a bathroom, and shall have electricity. Employees shall also be given access to a sink with running water and a refrigerator. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

PAYROLL WITHHOLDINGS

EBIA is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each team member's paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, EBIA must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by team members, may include retirement plans, team member portion of insurance premiums, or any other benefit made available to team members.

EBIA prohibits improper deductions from the pay of any team member. If a team member believes an error has been made in his or her pay or deductions EBIA will work in good faith to resolve errors as soon as possible. The team member should notify the Director of Operations of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the team member's paycheck is explained on the check voucher/paystub. If the team member does not understand the deduction, then he or she should ask the Human Resources contact to explain it. The team member may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W-4 form and submitting it to the Human Resources contact.

BENEFITS

The benefits information in this handbook is only a summary of your benefit plans. Please understand that this general explanation is not intended to, and does not, provide you with all the details of these benefits. Therefore, this Handbook does not change or otherwise interpret the terms of the official Plan documents. If there is any conflict or difference between the information in this Handbook and the Plan documents, the Plan documents will govern. EBIA reserves the right to change or end these benefits at any time and for any reason, consistent with all laws and applicable collective bargaining agreement. If you would like additional information on any of the benefits offered, please contact the Director of Operations.

OVERVIEW OF BENEFITS

EBIA provides a benefits package to its regular team members who are scheduled to work at least thirty (30) hours per week. The benefits package includes medical, dental and vision insurance.

EBIA employees who qualify to receive the EBIA insurance package (that is, regular full-time team members who work at least thirty (30) hours per week) and can provide written proof of alternate health and welfare benefits coverage as required by applicable law shall receive a “cash in lieu of benefits” stipend of \$3,000 annually in exchange for declining EBIA coverage. The employee must decline all three medical benefits—medical, dental, and vision

EBIA believes that providing for a team member’s future is important. All team members performing creditable service (e.g. teachers, counselors, administrators, etc) as defined by law automatically contribute to the State Teacher’s Retirement System (“STRS”). Operational and Administrative salaried employees who do not qualify for STRS membership will instead be able to contribute to a 403(b) retirement plan with up to a 3% matching contribution from EBIA.

COBRA BENEFITS

When coverage under the School’s medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School’s previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee’s spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;

- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reached age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

EBIA will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, dies, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. EBIA will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- EBIA stops providing group health benefits;
- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

ATTENDANCE

Because EBIA depends heavily upon its team members to serve students and schools, it is important that team members attend work as scheduled. Dependability, attendance, punctuality, and a commitment to do the job right are essential at all times. A team member who is unavoidably detained or unable to come to work must notify his/her Supervisor prior to scheduled arrival. Team members are expected to contact their Supervisors each day they are unable to work. Any team member who is absent from work without providing sufficient explanation will be considered as having voluntarily resigned from his/her job. All hourly non-exempt employees must record PTO or Sick Time for every hour of absence during their normally scheduled workday.

SICK DAYS – FULL-TIME CERTIFICATED EMPLOYEES

Certificated team members shall be provided sick leave consistent with the applicable collective bargaining agreement.

PERSONAL TIME OFF FOR FULL-TIME EMPLOYEES

EBIA grants Personal Time Off (“PTO”) to eligible full-time team members only, to provide them with the flexibility to meet both their work and personal needs. The total amount of PTO granted, varies by position. PTO balances can be carried over year to year, with a maximum limit that varies by position. Upon separation of employment, whether voluntary or involuntary, the team member will be paid for any unused PTO at his or her base rate of pay at the time of separation. PTO can be used by eligible team members for any reason (e.g., vacation, illness, medical appointments, personal business), subject to approval by the team member’s Supervisor. A Supervisor may set “blackout dates” during which Personal Time Off would have a disproportionate adverse impact on the organization, and requests for PTO will be denied. In general, blackout periods for time off include two (2) weeks before school starts, the first two (2) weeks of school, the last week of school and State Testing weeks. Team members must record all PTO in Bamboo HR and receive written approval from his or her Supervisor in advance.

ACCRUAL OF PERSONAL TIME FOR FULL-TIME EMPLOYEES

Eligible team members accrue Personal Time Off every month, based on their regularly scheduled work week and continuous length of service, measured from the date of hire. PTO is accrued by team members at differing rates, according to their job classification. The maximum limit on amount of PTO any team member may accrue and carry over varies by position

Team members do not accrue PTO during leave of absences. Accrual recommences when the team member returns to work.

SICK LEAVE – CLASSIFIED EMPLOYEES

Sick leave is a benefit provided to employees as a cushion for incapacitation due to illness or injury. Sick leave can be used for personal illness, or to care for a child, parent, legal guardian or ward, sibling, grandparent or grandchild, spouse, domestic partner or any other designated person. If an employee has no spouse or domestic partner, the employee can designate one (1) person in lieu of spouse/domestic partner (within the first ten [10] days of each year). The designation can be only of one (1) person, annually. An employee may also take up to twenty-four (24) hours of their sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

Employees working at least two (2) hours per week are entitled to accrue one (1) hour of paid sick leave for every thirty (30) hours worked (which includes overtime hours worked by non-exempt employees). New employees shall not be permitted to utilize paid sick leave until they have completed ninety (90) days of employment at EBIA.

Accrued sick time is subject to a cap of two hundred and forty (240) hours. Once the cap is reached, no further sick time will accrue until some sick time is used. When some sick time is used, sick time will begin to accrue again. There is no retroactive grant of sick time for the period of time the accrued sick time was at the cap. Sick leave must be taken by employees in increments of one (1) hour.

Sick leave may only be used for the purposes specified in this policy. Accordingly, EBIA retains the right to request verification from a licensed health care practitioner for any absence due to illness, injury, or disability, especially for absences exceeding three (3) consecutive days. Pay for sick leave may be withheld if a satisfactory verification is not timely received.

Employees are not allowed to draw against unearned/unaccrued sick leave. EBIA does not pay employees upon separation of employment for unused sick leave.

APPROVALS FOR PTO OR SICK DAYS

Team members taking days off must notify their Supervisor as soon as practicable and, in no event, later than one hour before their scheduled starting time. Moreover, team members taking days off must advise their Supervisor of their anticipated return date and the need for work coverage. Finally, team members taking more than five (5) consecutive or ten (10) total sick days off in one year must comply with the medical certification requirements listed in the section on Family and Medical Care Leave. Team members are not permitted to borrow on expected future accrual of Sick Days.

PAID HOLIDAYS

Full Time EBIA team members observe scheduled days off on the school year calendar, as set forth by their Executive Director each year. These days off are considered paid holidays that are accrued during the course of the work year. If unused (i.e. if a teammate works on a scheduled day off) the holiday does not “convert” into Personal Time Off, and does not roll over into subsequent years. For any hourly employee who works on a Holiday they will be paid the Holiday rate (double pay), in lieu of the regular rate.

All Part Time positions are paid for hours worked only, according to timesheets, as established in advance by school year and school day calendar with the approval of the site Executive Director. Part time team members do not receive paid days off for holidays.

Team members are only eligible for holiday pay on those holidays which fall within their normal work schedule as designated by the school calendar. Team members who are uncertain about which days off are considered paid holidays should check with their Supervisors for a calendar.

Unless otherwise provided in this policy, all full-time team members will receive time off with pay at their normal base rate for each EBIA-observed holiday. Team members on a leave of absence are ineligible for holiday benefits that accrue while on leave.

Paid holidays that occur during an eligible team member's Personal Time Off will not be counted as PTO taken.

LEAVES OF ABSENCE

Team members may take a temporary disability leave of absence if necessary to reasonably accommodate a workplace injury or a qualified disability under the Americans with Disabilities Act or the Fair Employment and Housing Act. Before granting such a leave, EBIA may require a written certification from a health care provider certifying the need for the leave (this form available from the Director of Operations). Such a leave will be for a period of time consistent with applicable law, but in no event shall extend past the date on which the team member becomes capable of performing the essential functions of his or her position, with or without reasonable accommodation.

Other than compensation from outside sources, e.g., disability insurance, a leave under this section will be unpaid.

There are frequent changes in the legislation governing leaves of absence, making them considerably (and understandably!) confusing. Any team member who may need to, want to or is considering taking a leave of absence should contact the Director of Operations, or speak to his/her Supervisor.

FAMILY CARE AND MEDICAL LEAVE

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA leave in any twelve (12) month period for the purposes enumerated below. For purposes of this policy, all leave taken under FMLA or CFRA will be referred to as "FMLA leave."

- Employee Eligibility Criteria

To be eligible for FMLA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the FMLA leave and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles (except for purposes of baby-bonding where the threshold is twenty (20) employees).

- Events That May Entitle an Employee To FMLA Leave

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they will be entitled to a combined total of twelve (12) weeks of leave for this purpose.
2. Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy).
 - a. A "serious health condition" is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. "Continuing treatment" means ongoing medical treatment or supervision by a health care provider.

3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces servicemember with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of FMLA leave in a single twelve (12) month period to provide said care.
 4. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces.
- Amount of FMLA Leave Which May Be Taken
 1. FMLA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.
 2. In addition to the twelve (12) workweeks of FMLA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces servicemember shall also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.
 3. The “twelve month period” in which twelve (12) weeks of FMLA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA leave.
 4. If a holiday falls within a week taken as FMLA leave, the week is nevertheless counted as a week of FMLA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA leave entitlement. Similarly, if an employee uses FMLA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee’s leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.
 - Pay during FMLA Leave

1. An employee on FMLA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
 2. An employee on FMLA leave for child care or to care for a spouse, domestic partner, parent, or child with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA leave.
 3. If an employee has exhausted his/her sick leave, leave taken under FMLA shall be unpaid leave.
 4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA leave. Sick pay accrues during any period of unpaid FMLA leave only until the end of the month in which unpaid leave began.
- Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA leave, and these provisions may change from time to time. The health benefits of employees on FMLA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, or that of his/her dependents, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

EBIA may recover the health benefit costs paid on behalf of an employee during his/her FMLA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave, or other circumstances beyond the control of the employee.

- Seniority

An employee on FMLA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA leave will return with the same seniority he/she had when the leave commenced.

- Medical Certifications

1. An employee requesting FMLA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.
3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

- Procedures for Requesting and Scheduling FMLA Leave

1. An employee should request FMLA leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA leave policy.
2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her spouse, domestic partner, child, or parent. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA leave was an emergency or was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's spouse, domestic partner, parent or child, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
 5. If FMLA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
 7. The School will respond to an FMLA leave request no later than five (5) business days of receiving the request. If an FMLA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
- Return to Work
 1. Upon timely return at the expiration of the FMLA leave period, an employee (other than a "key" employee whose reinstatement would cause serious and grievous injury to the School's operations) is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA leave.
 2. When a request for FMLA leave is granted to an employee (other than a "key" employee), the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).

3. Before an employee will be permitted to return from FMLA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
 4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.
- Limitations on Reinstatement
 1. EBIA may refuse to reinstate a “key” employee if the refusal is necessary to prevent substantial and grievous injury to the School’s operations. A “key” employee is an exempt salaried employee who is among the highest paid 10% of the School’s employees within seventy-five (75) miles of the employee’s worksite.
 2. A “key” employee will be advised in writing at the time of a request for, or if earlier, at the time of commencement of, FMLA leave, that he/she qualifies as a “key” employee and the potential consequences with respect to reinstatement and maintenance of health benefits if the School determines that substantial and grievous injury to the School’s operations will result if the employee is reinstated from FMLA leave. At the time it determines that refusal is necessary, the School will notify the “key” employee in writing (by certified mail) of its intent to refuse reinstatement and will explain the basis for finding that the employee’s reinstatement would cause the School to suffer substantial and grievous injury. If the School realizes after the leave has commenced that refusal of reinstatement is necessary, it will give the employee at least ten (10) days to return to work following the notice of its intent to refuse reinstatement.
 - Employment during Leave

No employee, including employees on FMLA leave, may accept employment with any other employer without the School’s written permission. An employee who accepts such employment without the School’s written permission will be deemed to have resigned from employment at the School.

PREGNANCY DISABILITY LEAVE

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4)

months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- Employee Eligibility Criteria

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- Events That May Entitle an Employee to Pregnancy Disability Leave

The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

- Duration of Pregnancy Disability Leave

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight (48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be

effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- Pay during Pregnancy Disability Leave

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period. If an employee is receiving a partial wage replacement benefit during the leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

EBIA shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. EBIA can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy

disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's

pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:
 - a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
 - b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
3. In accordance with EBIA policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

PAID FAMILY LEAVE

The State of California offers a Paid Family Leave (“PFL”) plan, which covers all team members who are covered by State Disability Insurance. PFL pays some compensation to employees who need time off from work to care for a seriously ill child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner, or to bond with a new child. PFL offers up to six (6) weeks of wage replacement benefits in a twelve (12)-month period. There is no minimum eligibility requirement for time worked under this plan. Finally, while PFL provides benefits, it does not provide job protection or return rights.

If an employee is receiving a partial wage replacement benefit during the PFL leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.

VICTIMS OF ABUSE LEAVE

EBIA provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, or stalking. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee’s own health, safety or welfare, or that of the employee’s child or children. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide EBIA with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide EBIA one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.

3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, EBIA will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact the Executive Director.

VICTIMS OF CRIME LEAVE

A team member who is himself or herself a victim, or who is a family member or registered domestic partner of a victim of a violent felony may take time off from work under the following circumstances:

- The crime must be violent or a serious felony, as defined by law; and
- The team member must be the victim of a crime, or must be an immediate family member of a victim, a registered domestic partner of a victim, or the child of a registered domestic partner of a victim.
- An immediate family member is defined as: a spouse, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father or stepfather.
- A registered domestic partner means a domestic partner who is registered in accordance with California state law.
- The absence from work must be in order to attend judicial proceedings related to a crime listed above.

Any absence from work to attend judicial proceedings will be unpaid, unless the team member chooses to take PTO.

MILITARY AND MILITARY SPOUSAL LEAVE OF ABSENCE

EBIA shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, EBIA will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

EBIA shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

TIME OFF TO VOTE

The School will allow any nonexempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the team member's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the team member agree otherwise. The team member may be required to prove he or she is a registered voter.

A team member may also serve as an election official on Election Day without being disciplined, however the School will not pay the team member for this time off. Vacation or personal hours which have accrued but not been used may be paid to the team member for this time off

SCHOOL APPEARANCE AND ACTIVITIES LEAVE

As required by law, EBIA will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of EBIA, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

ORGAN DONOR / BONE MARROW DONOR LEAVE

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to sixty (60) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

Up to five (5) days of leave for bone marrow donation, and up to thirty (30) days of leave for organ donation, may be paid provided the employee uses five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

VOLUNTEER CIVIL SERVICE LEAVE

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter or emergency rescue personnel. This is an unpaid leave but the team member may use any earned sick, vacation and/or PTO.

BEREAVEMENT LEAVE

EBIA provides team members up to three days paid bereavement leave due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, dependent, sibling, stepsibling, grandparent or grandchild. If a funeral is more than 500 miles from a team member's home, s/he may receive paid leave for five days with prior approval from his/her Supervisor.

JURY DUTY

A leave of absence for jury duty will be granted to any team member who has been notified to serve. For up to the first ten (10) days of this leave, EBIA team members will be compensated by payment of an amount equal to their regular salary. EBIA does not provide jury duty pay after the first ten (10) days of service.

A team member on jury duty is expected to report to work any day s/he is excused from jury duty. A team member summoned for jury duty should notify his/her Supervisor immediately and provide a copy of the jury notice and a copy of the jury duty payment stub (once payment has been received).

SAFETY AND SECURITY

EBIA is committed to providing a safe environment for both its team members and the pupils who attend our schools. EBIA has numerous safety procedures in place, including sign-in procedures requiring visitors to sign in and out at the schools. In addition, all team members and volunteers are required to submit to and to pass fingerprint clearances and TB testing.

SAFE WORKPLACE

EBIA recognizes that workplace violence is a growing concern at schools and offices across the country. EBIA is, therefore, committed to providing a safe, violence-free workplace and school environment. In this regard, EBIA strictly prohibits team members, students, parents, consultants, customers, visitors, or anyone else on EBIA premises or engaging in an EBIA-related activity from behaving in a violent or threatening manner. Moreover, as part of this policy, EBIA seeks to prevent workplace violence before it begins and reserves the right to deal with behavior that suggests a propensity towards violence even prior to any violent behavior occurring.

SMOKE-FREE WORKPLACE

In compliance with government regulations, EBIA prohibits smoking in the workplace. This includes e-cigarettes and “vaping”. Additional requirements dictate that EBIA schools remain smoke-free environments.

DRUG- AND ALCOHOL-FREE WORKPLACE

EBIA strictly maintains a workplace that is free of drugs and alcohol and discourages drug and alcohol abuse by its team members and students. EBIA has a vital interest in maintaining safe and efficient working conditions and school environments for its team members and students. Substance abuse is incompatible with health, safety, efficiency, and success at EBIA.

The following are strictly prohibited by EBIA:

- Possession of alcohol or any illegal drug, intoxicant, or controlled substance while on the job or while on EBIA-owned or occupied premises.
- Use or being under the influence of alcohol or an illegal drug, intoxicant, or controlled substance while on the job or while on EBIA-owned or occupied premises.
- Driving a vehicle on EBIA business while under the influence of alcohol or an illegal drug, intoxicant, or controlled substance;
- Distributing, selling, manufacturing, or purchasing – or attempting to distribute, sell, manufacture, or purchase – an illegal drug, intoxicant, or controlled substance during working hours or while on EBIA-owned or occupied premises.

Failure to abide by this policy will result in disciplinary action up to and including immediate termination.

INSPECTIONS AND SEARCHES ON EBIA PREMISES

EBIA believes that maintaining a workplace that is free of harmful materials is vital to the health and safety of its team members and students. These harmful materials include firearms, knives

or other weapons; explosives and/or hazardous materials or articles; illegal drugs or other controlled substances; drug-related paraphernalia; alcoholic beverages; and/or unauthorized possession or use of EBIA property or proprietary and confidential information that a team member is not authorized to have in his or her possession. In addition, EBIA intends to assure its access at all times to EBIA premises and EBIA property, equipment, information, records, documents, and files. Accordingly, EBIA has established this policy concerning inspections and searches, and it applies to all EBIA team members.

In order to assure access at all times to EBIA property, EBIA reserves the right to conduct a routine inspection or search at any time for EBIA property on EBIA premises. Routine searches or inspections for EBIA property may include a team member's office, desk, file cabinet, closet, computer files, voicemail, electronic mail or similar places where team members may store EBIA property or EBIA-related information, whether or not the places are locked or protected by access codes and/or passwords. Inspections or searches for prohibited materials also may include a team member's pockets, purse, briefcase, lunch box, or other item of personal property that is being worn or carried by the team member while on EBIA premises. Because even a routine search for EBIA property might result in the discovery of a team member's personal possessions, all team members are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to be subject to inspection by EBIA. In addition, EBIA always reserves the right to conduct inspections and searches based on reasonable suspicion. Further information on this policy is available from EBIA's Legal Counsel.

Team members who are found to be in possession of prohibited materials in violation of this policy or in violation of other EBIA policies contained in this Handbook, will be subject to discipline, up to and including termination, regardless of EBIA's reason for conducting the search or inspection.

TRANSITIONS

EBIA is a unique and special place to work, and one in which many team members may choose to make their careers. For a variety of professional and personal reasons, team members may make a transition – either within the organization or elsewhere. EBIA strives to make all transitions as positive as possible.

CHANGES OF STATUS

Status changes can be work related, such as:

- Position changes
- Compensation/pay changes

They can also be personal changes, such as:

- Address/phone/name changes
- Emergency contact information changes

All changes need to be recorded in Bamboo Hr or emailed to the Director of Operations.

PROMOTIONS

EBIA is committed to supporting career development for its team members, and thus actively promotes team members within the organization. All position changes are recorded as a status change (see above) and placed in the team member's personnel file.

REFERENCES

EBIA team members may receive requests to provide references for former team members, whether they were direct reports or colleagues. EBIA's policies with regard to references for former team members are designed to protect both the organization and the individual Supervisor or colleague from liability.

- *Written recommendation letters:* Because written recommendation letters are conventional in public education, it is at the discretion of the individual Executive Director, Supervisor or colleague to agree to write an honest letter of recommendation for a departing teammate. Executive Directors, Supervisors and teammates who choose to write letters of recommendation should provide the Director of Operations with a copy for the team member's file.
- *Verbal references:* Only the Executive Director and direct Managers are permitted to provide verbal references to prospective employers of former team members.
- *Information verification:* Any EBIA current team member who receives a request for reference or information about a former team member and is not the Executive Director or the former employee's direct Manager should simply refer the prospective employer to the Director of Operations. In this case, EBIA's policy is for the Director of Operations to verify only a team member's dates of employment, position(s) held and eligibility for rehire.

RESIGNATIONS

When a team member decides to leave for any reason, his/her Supervisor may use the opportunity to discuss the resignation in order to better understand the reason for departure. In

addition, it is requested that the team member provide EBIA with a written two-week advance notice period.

TERMINATIONS

A team member may be terminated involuntarily for reasons that may include poor performance, misconduct, or other violations of EBIA's rules of conduct. Notwithstanding these lists of rules, EBIA reserves the right to discharge or demote any team member for any reason with or without cause and with or without prior notice.

EXIT INTERVIEWS

As a general practice EBIA may conduct an exit interview. The purpose of the exit interview is to talk about the reason for leaving and for getting suggestions which will make EBIA a better place to work. If a team member has not already received their final paycheck or information about their benefits/continuation coverage, these will be provided as well. Prior to a team member's exit interview, all EBIA property must be returned.

Finally, nothing in this policy is intended to alter the at-will status of employment with EBIA. Either a team member or EBIA may terminate the employment relationship at any time with or without cause and with or without prior notice (although we request and try to give two weeks' notice). EBIA reserves the right to terminate any employment relationship, to demote, or to otherwise discipline any team member without resort to the above disciplinary procedures.

IN CLOSING

Many of EBIA's policies and team member benefits have been treated only briefly in this Handbook. If you have any questions or want more information, your Supervisor or the Director of Operations will be glad to answer your questions, help with problems or respond to your feedback.
