

EBIA

SY 2023-2024

Highlights and the Future

Meet the NEW Director of College & Career Readiness

Kayla Jackson

SFSU Graduate GO GATORS

Experience:

SFSU Admissions- 1 year

METRO @ SFSU- 2/2 years

College Track SF - 4yrs

FY24 SYLLABUS

Senior Seminar is a designated weekly time, merged with CSDI 4, to work through the (complicated and messy) college, scholarship, and financial aid application processes. Lessons are offered to help prepare students to arrive on their college campus ready for success.

- BRAG SHEETS & LOR
- CSU APP LAB
- UC APP LAB
- PRIVATE SCHOOL APP LAB
- FAFSA/CADA WORKSHOP
- CSS PROFILE WORKSHOP
- COLLEGE TOURS/VISITS
- SCHOLARSHIPS
- POSSE, QUESTBRIDGE

Things I've Noticed

East Bay Innovation Academy College Matriculation

EBIA students are admitted into and matriculate at some of our nation's finest institutions. In 2023, 51% of students opted to matriculate directly into a 4-year college or university, 27% opted for Community College, 22% opted for a gap year or Career Technical Education.

Of the 4 year universities:

~11% were UC's

The remaining were CSU and Privates

Graduation:

- Because of high standard, UCs will be a very hard reach
- Once a student falls behind, it's too hard to pick back up
- Students who do everything expected of them, still have to go BEYOND to stand apart
 - More than 2 college classes
 - Internships
 - Programs like Genesys works & UC Scout

Let's continue to set EBIA apart!

Goal: To increase application submission, admissions and acceptances

Possible ways:

- Deep dive into the EBIA graduation standards
 - Required vs Requested = Same vs Stand out
 - Increase acceptances of UCs
 - More scholarship opportunities
 - Students WANT the rigor instead of forced with grades to show
- 2 Paid College Apps
 - Local affordable colleges
 - CSU East Bay & SFSU
 - Tuition ~\$7k full year
 - Based on EFC, both may be close to FREE
