About Oakland Promise

In 2016, Oaklanders came together to make a promise to every child in our city, offering them the resources, support, coaching, and incentives they need from birth and throughout their school years to empower them to seek out and thrive in the higher education and career of their choosing. In 2019, Oakland Promise and East Bay College Fund (which has been supporting college students since 2003) merged into one unified organization named Oakland Promise (OP). OP is a founding partner of the **Northern California College Promise Coalition (NCCPC)**. Oakland Promise engages the Oakland community to advance equity and economic mobility through cradle-to-college and career achievement. OP is a 501c3 nonprofit organization.
