II. Growth

A. Discuss Long-term Vision

1. Discuss Vision:

Original vision was a focus on K-2 intentionally to help close the gap between low income students and their more affluent peers.

Our kinder students are already coming in far behind whether they should be. This can be addressed through a Pre-K program.

We want to give our scholars the opportunity to get a quality education beyond 2nd grade.

Because of this, we want to become a continuum - develop our youngest learners and sustain their learning (Pre-K through 8).

We want a welcoming building (e.g., signage, playground, gym, etc.)

We want loving, long-term teachers.

We want to do things right, so we understand growth will be slow.

By 2025, be Pre-K through 8. Pre-K being added in 2023.

2. Discuss following updates:

a. Pre-K Options

- Funding is a challenge; fundraising will be essential
- A whole different ballgame (compliance, health code, regulations, etc.)

b. Potential Partnerships discussed

c. Facilities

3. Call to action:

a. Milestones/Planning

- Create a master to do list (high-level steps that must occur and determine approximate timelines for them (i.e. compliance, charter board, etc.)

b. Funding - research different funding options

c. Facilities

B. Areas of focus sign-up

Discussion regarding who is interested in (1) milestones / planning, (2) funding, (3) facilities.

Discussions regarding dissolving the growth committee.
