The Anchor School is a village of educators, families, and community members that partners with 6th through 12th-grade students* who are developing the knowledge, skills, and confidence they need to thrive in school and beyond. Through our commitment to excellent instruction, community partnerships, and holistic student development, we cultivate anchors that build a more just and equitable future.

**In August 2022, the SCSC authorized TAS as a GA Charter School with approval to enroll students who will be in the 6th grade in the fall of 2023.*
