If by the date on which TAS has the option to terminate the Lease (currently June 1, 2023):

1) the SCSC agrees to submit TAS to the State (supporting authorization to open in Fall '23), the option to terminate the lease will not be exercised

2) the SCSC declines to submit TAS to the State (with TAS effectively unable to open in Fall '23), the option to terminate the lease will be exercised

3) if the SCSC's authorization position on TAS opening in Fall '23 is unclear, the Governance Committee may determine appropriate course of action regarding the exercise of the lease termination option.

Board Member Joseph Anfield-El is authorized - as necessary - to engage in discussions with the lessor for the limited purposes of securing an extension to the date by which to exercise the lease termination option.
