V.	ASSURANCE OF ORGANIZATIONAL PERFORMANCE AND POLICY REVIEW		
A.	Monitoring Reports The school board adheres to the principles of Policy Governance ©. The board has written four sets of policies: Ends, Executive Requirements, Board-Superintendent Relationships, and Governance Process. The Ends policies describe the student outcomes the superintendent is charged with achieving. The Executive Requirement policies set the parameters within which the superintendent must operate as he/she	Vote	

leads the district toward the expected Ends. The BoardSuperintendent Relationships policies describe the way in which the board will oversee the superintendent's performance and the superintendent will support the board. The Governance Process policies describe how the board and its individual members shall conduct business, represent the community, and relate to each other.

No less than once per year, the Board receives and considers evidence regarding the level of compliance with the provisions of these four sets of policies, a few at each meeting. The following are those policies to be monitored during this meeting.

B. ER-6 Facilities

A monitoring report is included in this digital board packet. The administration believes that all provisions of this policy have been following and implemented.

The administration recommends that...

... the board find the superintendent's performance to comply with ER-6.

The administration also invites comments regarding the superintendent's performance.

C. ER-7 Asset Protection

A monitoring report is included in this digital board packet. The administration believes that all provisions of this policy have been following and implemented.

The administration recommends that...

... the board find the superintendent's performance to comply with ER-7.

The administration also invites comments regarding the superintendent's performance.

D. Policy Review - Second Reading and Possible adoption of Revisions

At its August 2026 Study Session and subsequent Board meeting, the Board reviewed proposed revisions to Executive Requirement ER-2 (Organizational Continuity and Executive Succession), Ends Policy E-2 (Student Success), and Ends Policy E-5 (Responsible Citizens). The proposed revisions are intended to improve clarity, eliminate redundant language, and ensure consistency within the Board's governance framework. The Board reached consensus on the proposed revisions to ER-2 and on incorporating the key concepts of E-5 into E-2, resulting in the recommendation to eliminate E-5 as a standalone policy.

During the first reading, the Board requested additional time to consider alternative wording related to student civility and communication expectations within E-2 and to

allow Director Biehl, who was absent from the discussion, an opportunity to provide input. The revised policies are presented for a second reading, Board discussion, and possible adoption. Approval of the proposed revisions would update ER-2 and E-2 and formally retire E-5 as a separate Ends policy.

Recommended Action: Move to adopt the proposed revisions to Executive Requirement ER-2 and Ends Policy E-2 and approve the elimination of Ends Policy E-5 as a standalone policy.

E. Policy Review

As part of its ongoing policy governance responsibilities, the Board previously reviewed Executive Requirements ER-1, ER-3, and ER-4 through the monitoring process to assess compliance. This agenda item provides an opportunity for the Board to discuss whether any revisions to these policies are necessary based on the monitoring results.

During the monitoring review, the Board did not identify any concerns or revisions needed to ER-1 or ER-3. The Board recently reviewed and revised ER-4 (Budget Planning) at a study session. At this time, the Board may determine whether it wishes to schedule future study session discussions for ER-1 and/or ER-3 to consider potential policy revisions.
