VI. ASSURANCE OF ORGANIZATIONAL PERFORMANCE AND POLICY REVIEW

A. Monitoring Reports Vote

The school board adheres to the principles of Policy Governance ©. The board has written four sets of policies: Ends, Executive Requirements, Board-Superintendent Relationships, and Governance Process. The Ends policies describe the student outcomes the superintendent is charged with achieving. The Executive Requirement policies set the parameters within which the superintendent must operate as he/she leads the district toward the expected Ends. The BoardSuperintendent Relationships policies describe the way in which the board will oversee the superintendent's performance and the superintendent will support the board. The Governance Process policies describe how the board and its individual members shall conduct business, represent the community, and relate to each other.

No less than once per year, the Board receives and considers evidence regarding the level of compliance with the provisions of these four sets of policies, a few at each meeting. The following are those policies to be monitored during this meeting.

B. ER-10 Academic Standards & Practices

A monitoring report is included in this digital board packet. The administration believes that all provisions of this policy have been following and implemented.
The administration recommends that...
... the board find the superintendent's performance to comply with ER-10.
The administration also invites comments regarding the superintendent's performance.

C. Policy Review - Second Reading and Possible adoption of Revisions

As part of the Board's ongoing review of its Policy Governance framework, the Board will conduct a second reading of proposed revisions to Policy ER-1 (Expectations of the Superintendent). The proposed revisions were developed through Board discussion and are intended to improve clarity, reduce redundancy, and modernize

policy language while preserving the Board's governance expectations and oversight responsibilities.
The Board will also resume discussion of proposed revisions to **P**olicy ER-3 (Treatment of Parents, Students, Staff, and the Public). Following the October meeting, the Board agreed to table further consideration of ER-3 to ensure all Board members had the opportunity to participate in the review and discussion of the proposed changes.
The Board may consider action on ER-1 and provide further direction regarding ER-3 following discussion.

D. Policy Review

This is the Board's opportunity to discuss, propose and/or make revisions to the policies. The Board reviewed these policies for compliance in its previous meeting. This is an opportunity for the board to consider any needed changes to these recently monitored policies.
