The Executive Requirement policies set the parameters within which the superintendent must operate as he/she leads the district toward the expected Ends. The Governance Process policies describe how the board and its individual members shall conduct business, represent the community, and relate to each other.

North Mason School District #403 Board of Directors Meeting

Board Meeting Guidelines – How We Conduct our Meetings

Welcome to our meeting! The NMSD Board of Directors values the opinions, suggestions and thoughts of our community. We also appreciate members of our community “keeping an eye on us” by attending and observing our meetings. This notice will help you understand how the board meeting works, the roles of the Board and the superintendent, and how you might share your thoughts with the board during this meeting.

The NMSD Board of Directors and Superintendent adhere to the principles of **Policy Governance®**. The Board runs all meetings according to these principles. Under Policy Governance®, the board has intentionally delegated administrative and management decisions to the superintendent. The Board is prohibited from making management decisions such as setting staffing levels, selecting instructional materials, or initiating school programs or services. While you are invited to provide input on such matters during the meeting, such decisions are the superintendent’s to make, and we encourage you to talk directly with the superintendent.

Under Policy Governance®, the Board directs the superintendent through two sets of policies: **Ends** policies and **Executive Requirement** policies. The Ends policies specify the Board’s expectations for student learning and student growth. The Executive Requirements policies set very specific parameters for actions the superintendent may take to attain the expected results. The Board closely monitors the attainment of Ends policies and compliance with Executive Requirement policies. The superintendent’s evaluation is fully dependent on attainment of expected results and compliance with mandated procedures.

In addition to the Ends and Executive Requirement policies, the Board has also defined the relationship between the Board and Superintendent in a set of Board-Superintendent Relationship (BSR) policies, and the way the Board Members will conduct themselves in a set of Governance Process (GP) policies. We invite you to our web site, where these policies are posted, at www.northmasonschools.org.

Community Participation at Board Meetings

Again, we welcome your comments. It is important that members of the public understand how public participation at board meetings will occur.

1. Board meetings are not community hearings or public forums. They are meetings of the Board, with discussion between board members, the superintendent, and the superintendent’s designees. While the meetings are held in public, they are not open to public participation except as described in items 2-4, below.
2. There is an opportunity on the agenda for public input during the meeting to comment on specific items on the board agenda at the beginning of the meeting. For matters not on the agenda please contact the Superintendent or a board member directly.
3. Comments should be limited to THREE MINUTES. This is not an opportunity to make a formal or extended presentation to the board. If the presenter wishes the board to have more information, the presenter is invited to present written comments.
4. The board will not enter into dialogue with community members during the comment period. It is an opportunity for the board to hear from community members, but not to enter into policy or program discussions. On matters of the day to day operation of the district such as policy, curriculum, academic standards, etc. the public is invited and encouraged to meet with the Superintendent.

Welcome, and thank you for coming.

Sincerely,

Nicole Gonzalez Timmons, Board President
