BEST ACADEMY

FIXED-TERM EMPLOYMENT AGREEMENT

Executive Director

This Employment Agreement (the “Agreement”) is entered into by and between Alejandro Soriano (“Employee”) and Barker Blue Dog dba Brookfield Engineering Science Technology Academy or “BEST Academy” (“Employer” or “School”), a California nonprofit public benefit corporation, as of July 1, 2025 (the “Effective Date”).

1. RECITALS

WHEREAS, Employer’s Board of Directors (“Board”) desires to secure the services of Employee as Executive Director and to provide certain benefits, to establish certain conditions of employment, and to set working conditions for Employee;

WHEREAS, the Board finds the compensation, including benefits, proposed herein is just and reasonable based on Employee’s job duties, expectations, and responsibilities, and is competitive with market rate compensation for similarly situated executives at similarly situated schools; and

WHEREAS, Employee desires to perform such services for the Employer, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the promises and of the mutual agreements set forth herein, the parties hereto agree as follows:

2. AGREEMENT

3.

A. EMPLOYMENT TERMS AND CONDITIONS

4.

1. Employment

2.

3. Employee hereby accepts employment with Employer upon the terms and conditions set forth herein in exchange for Employer’s offer to make Employee eligible for the compensation, benefits, and other consideration herein described, which Employee acknowledges is sufficient.

4.

2. Term

5.

6. The Term of this Agreement of Employee’s employment as Executive Director shall be 225 contracted days from July 1, 2025 through June 30, 2027 (the “Term”), unless terminated earlier by either party pursuant to Section 15 of this Agreement.

7.

3. Duties

Employee is hired for the position of Executive Director and shall perform the job duties described in the Job Description (attached as Attachment “A” and

incorporated herein, which may be modified by time to time in the sole discretion of the Board) as well as such other duties that the School may assign from time to time in its sole discretion. Employee will devote his or her utmost knowledge and best skill to the performance of his or her duties. Employee shall comply with all Employer policies and procedures, including those specified in the Employee Handbook and Charter(s), as adopted, amended, or modified from time to time. If the terms of this Agreement differ from any such policies and procedures, this Agreement shall prevail.

8. Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during scheduled work hours with the School. While employed by School, Employee may not engage in any outside activity, including paid employment, which would be a conflict of interest and/or would conflict with his or her responsibilities to School or under this Agreement without first obtaining School's written approval.

9.

4. Work Schedule

This position is a full-time, 225 contracted days position. As a minimum performance requirement, the work schedule for the Employee shall be Monday through Friday, during regular school hours. As this position is a senior-level position and exempt from overtime, it is Employer's expectation that the actual hours required to carry out the duties and responsibilities of the position in a satisfactory manner will materially exceed the regular school hours. 5. Compensation

5.1 Base Salary. The annual salary for this position is \$189,024, less all applicable withholdings and deductions. Employee's salary will be paid in accordance with Employer's regular payroll practices. Employee's compensation may be prorated depending on whether Employee remains employed or is in active work status for all scheduled work days of the position. Employee is an exempt employee and therefore is not eligible for overtime pay.

5.2 Base Salary Adjustment. 6. Employee Benefits

Employee will be entitled to participate in designated employee benefit programs and plans established by the Employer (subject to program and eligibility requirements) for the benefit of employees, which from time to time may be amended and modified by the Employer in its sole discretion. Such benefits include, but are not limited to, the following:

6.1 Sick Leave. Employee shall be allotted **ten (10) days** of paid sick leave per year. A maximum of fourteen (14) days of paid sick leave may accrue. 6.2 Holidays. Employee shall be entitled to **thirteen (13)** federal holidays as set forth in the employee handbook.

7. Expenses Reimbursements

Employer will reimburse Employee for all necessary and reasonable business expenses incurred in connection with the performance of his or her job duties in accordance with School's policies and practices. Employee shall provide original documentation verifying each expense prior to obtaining reimbursement.

8. Qualifications

10.

11. Employee represents that Employee has and will maintain throughout the course of this Agreement all requirements and qualifications established by the Employer for this position. Employee understands that employment is contingent upon verification and maintenance of any applicable licensure credentials or other requirements. Failure to maintain the credentials and qualifications for Employee's position and/or satisfy other requirements may result in immediate termination from the Executive Director position.

12.

9. Confidential Information & Ownership of Materials

All School Confidential Information to which Employee has knowledge or access shall be the exclusive property of School both during and after Employee's employment. For the purposes of this Section, Confidential Information shall mean all information, data or knowledge regarding School, its operations, students, employees, contractors or vendors not known generally to the public, including, but not limited to trade secrets, existing or proposed programs, purchases, fundraising strategies, financial and marketing data, lesson plans, student information, private employee information or benefits information. Employee shall hold such information in the strictest confidence and shall not use or disclose Confidential Information to any person or entity without the prior written consent of School, except to the extent such use or disclosure is made by reason of Employee's job responsibilities.

Employee shall not take any Confidential Information that is in written form, computerized, machine readable, model, sample, or other form capable of physical delivery, upon or after termination of Employee's employment with School without the prior written consent of School. Upon the termination of Employee's employment with School, Employee shall deliver promptly and return to School all such materials in the Employee's possession, custody or control.

Materials developed by Employee for purposes of his or her employment with School shall be the property of School. Upon the termination of Employee's employment with School, Employee shall promptly return such materials to School.

Employee shall refer to and agree to abide by all School policies relating to confidentiality and Confidential Information.

10. Conflict of Interest

5.

6. The Employee understands that, while employed at the School, he will have access to confidential and proprietary information. The Employee therefore, shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with the Employee's employment with School.

7.

11. Outside Professional Activities

8.

9. Upon obtaining prior written approval of the Board, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. School shall in no way be responsible for any expenses attendant to the performance of such outside activities.

10.

12. Child Abuse and Neglect Reporting

1.

2. Employee understands and acknowledges that Employee is a mandated reporter as defined by California Penal Code section 11165.7. As a mandated reporter, Employee is responsible for reporting to an appropriate agency whenever Employee, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom Employee knows or reasonably suspects to have been the victim of child abuse or neglect. Employee understands and acknowledges that s/he must follow up on his or her initial report by filing a written report with the same agency within 36 hours of receiving the information concerning, or observing, the incident.

3.

4. Employee acknowledges that s/he has reviewed and is familiar with California Penal Code sections 11165.7, 11166, and 11167 and will comply with these provisions.

5.

13. Evaluations

Employee may receive periodic performance reviews. Employer anticipates evaluating Employee's performance at least one time per year, but may perform evaluations more frequently. Failure to evaluate Employee shall not impair the Board's right to terminate this Agreement pursuant to Section 15.

14. Arbitration

Employee and Employer mutually agree that any and all existing and future disputes, claims or controversies arising out of or relating to Employee's employment, the termination thereof, or otherwise arising between Employee and the School shall, in lieu of a jury trial or other civil action, be resolved by final and binding arbitration pursuant to the Federal Arbitration Act as set forth in **Attachment B**.

15. Termination

6.

7. The Employee's position as Executive Director may be terminated by any of the following events.

8.

15.1 Termination For Cause. Employer may discharge Employee for cause. Cause includes but is not limited to the following: breach of this Agreement, Employee's failure to satisfactorily perform his job duties as set forth in this Agreement, or as specified in the above-mentioned and incorporated by reference job description, inefficiency, dishonesty, discourteous treatment of the public, staff or pupils, disclosure of confidential information, unprofessional conduct, misconduct, insubordination, violation of law or conviction of any felony or other criminal offense, failure to possess or keep in effect the appropriate credential, any failure of good conduct tending to adversely affect Employer, or any ground enumerated in the Employee Handbook.

9.

10. In the event of termination by Employer for "cause" Employee shall not be entitled to receive any compensation or benefits past the date of termination, except as required by law.

11.

15.2 Early Termination Without Cause. The Board may unilaterally and without cause terminate this Agreement. In consideration of the Board's right to terminate this Agreement without cause, the Board shall pay Employee compensation equivalent to the lesser of six (6) months' salary or salary owed for the remaining Term of the Agreement ("Severance"), provided that Employee signs a release of all claims against Employer in a release agreement, the terms and form of which are acceptable to Employer. Any such Severance shall be paid at Employee's then-current base salary. No severance payment is due unless Employee has executed a release agreement in a form satisfactory to Employer. Employee's failure to execute a release agreement in a form acceptable to Employer shall not preclude Employer from terminating Employee's employment without cause in accordance with this section.

15.3 Non-Renewal. The Board may elect not to offer future employment agreements to the Employee at its sole discretion, without cause, and this Agreement will lapse by its own terms.

15.4 Mutual Agreement. Employee may be terminated by mutual written agreement of the parties.

15.5 Permanent Disability or Death. In the event of Employee's permanent disability or death (permanent disability shall exist when Employee suffers from a condition of mind or body that indefinitely prevents Employee from further performance of Employee's essential duties, with or without reasonable accommodation), the Board may terminate this Agreement.

15.6 Revocation of the Charter. In the event School's charter is either revoked

or nonrenewed, this Agreement shall terminate immediately upon the effective date of the revocation/nonrenewal of the charter, and without the need for the process outlined in Sections 15.1 or 15.2 or above.

B. GENERAL PROVISIONS

12.

1.1 Limitations on Cash Settlement. In no case upon termination of this Agreement shall the maximum cash settlement exceed an amount equal to the monthly salary of the Employee multiplied by twelve (12).

13.

1.2 Required Reimbursements. The Employee shall be required to reimburse School for any salary or fees received from School in relation to the Employee's placement on paid administrative leave pending criminal charges if the Employee is convicted of a crime involving the abuse of office/position. Regardless of the term of this Agreement, if the Agreement is terminated, the Employee must reimburse School for any cash settlement received in relation to the Employee's termination if the Employee is convicted of a crime involving the abuse of office/position.

14.

Additionally, the parties expressly grant to any jurisdictional entity interpreting this Agreement (i.e., arbitrator) the power and authority to modify the terms of this Agreement to extent necessary to allow enforcement of this Agreement to the fullest extent allowed by law.

5. Governing Law

The Parties agree, where practicable, to permit the use of DocuSign, or another electronic signature technology.

8. Waiver

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach. No waiver or consent shall be implied from the silence or from the failure of any party to act, except as otherwise specified in this Agreement.

9. Interpretation and Opportunity for Counsel.

The parties hereto acknowledge and agree that each has been given an opportunity to independently review this Agreement with legal counsel. ARBITRATION AGREEMENT

ARBITRATION AGREEMENT

This ARBITRATION AGREEMENT (“Agreement”) is made by and between Barker Blue Dog Brookfield Engineering Science Technology Academy, a California nonprofit public benefit corporation (“Employer”), and **Alejandro Soriano** (“Employee”).

The purpose of this Agreement is to establish final and binding arbitration for all disputes arising out of Employee’s relationship with Employer from the inception of the employment relationship, including, but not limited to, Employee’s employment or the termination of Employee’s employment. Employee and Employer desire to arbitrate their disputes on the terms and conditions set forth below to gain the benefits of a speedy, impartial dispute-resolution procedure, and pursuant to the Federal Arbitration Act (“FAA”). Employee and Employer agree to the following:

Claims Covered by the Agreement.

1.1 Employee and Employer both agree to exclusively and finally resolve by binding arbitration **any and all claims or controversies** (“claims”) that Employer may have against Employee or that Employee may have against Employer or against its past, present, or future predecessors, successors, assigns, affiliates, parent and subsidiary companies, joint ventures, pension or benefit plans, administrators, vendors, contractors, and their respective past, present, or future officers, directors, employees, stockholders, representatives, managers, members, partners, partnerships, agents, guests, parents, students, clients, suppliers, vendors, educational advisors, business advisors, financial advisors, attorneys, and accountants, insurers, and indemnitees (collectively, “Employer”), relating to, resulting from, or in any way arising out of this Agreement or the enforcement, interpretation or validity of this Agreement, including the determination of the scope or applicability of this Agreement, any aspect of Employee’s relationship with Employer, any aspect of Employee’s employment relationship with Employer (pre-hire through post-termination), and/or the termination of Employee’s employment relationship with Employer, and/or any act or omission between Employee and Employer to the extent permitted by law. This Agreement does not cover any claim, cause of action, or actions pursuant to workers’ compensation laws, unemployment insurance benefits with the Employment Development Department, or any other dispute if an agreement to arbitrate such a dispute is prohibited by law. Further, nothing in this Agreement precludes Employee from pursuing any administrative agency claims, including, but not limited to, claims with the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the Division of Labor Standards Enforcement, the Department of Labor, and/or the California Public Employment Relations Board.

1.2 The scope of this Agreement is intended to be broad and comprehensive and includes, without limitation, claims for wages or other compensation, including reimbursements, due; claims for penalties or premiums; claims for violations of the California Labor Code; claims for breach of any contract or covenant (express or implied); tort claims (including, but not limited to, those relating to performance or reputation); claims for discrimination, harassment, and/or retaliation (including, but not limited to, race, religious creed (which includes religious dress and grooming practices), color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state or local laws, ordinances, or regulations); claims for violation of any leaves of absence or accommodations laws; claims for wrongful termination or whistleblowing; claims for benefits (except where an employee benefit or pension plan specifies that its claims procedure shall culminate in an arbitration procedure different from this one); claims for violation of trade secret, proprietary, or confidential information laws; claims for unfair business practices; claims for invasion of privacy; and claims for violation of any public policy, federal, state, or other governmental law, statute, regulation, or ordinance.

1.3 To the fullest extent permitted by law, Employer and Employee agree that for any claim brought on an individual basis, including under the Private Attorneys General Act of 2004, California Labor Code § 2698, et seq. (“PAGA”), any such dispute shall be resolved in arbitration on an individual basis (i.e., to resolve whether Employee has personally been aggrieved or subject to any violations of law). To the extent there are any PAGA claims to be litigated in a court of competent jurisdiction, including any representative claims, the Employer and Employee agree that litigation of those claims shall be stayed pending the outcome of any individual claims in arbitration, regardless of which claims or actions were filed first. If any provision of this section is found to be unenforceable or unlawful for any reason, the unenforceable provision shall be severed from this arbitration provision and severance of the unenforceable provision shall have no impact whatsoever on the Agreement as a whole, which shall remain enforceable as to all other terms.

2. **Arbitration Procedures.**

2.1 Required Notice of Claims and Statute of Limitations. Employee may initiate arbitration by serving or mailing a written notice to the Executive Director of Employer at Employer’s principal place of business. Employer may initiate arbitration by serving or mailing a written notice to Employee at the last address recorded in Employee’s personnel file. The written notice must specify with reasonable particularity the claims asserted against the other party. Notice of any claim sought to be arbitrated must be served within the limitations period established by applicable federal or state law. After demand for arbitration has been made by serving written notice, the party demanding arbitration shall file a demand for arbitration with the Office of JAMS located within 50 miles of (i) the last address recorded in Employee’s personnel file or (ii) the JAMS closest to the last Employer worksite with which Employee most regularly communicated, whichever is closer. The location of the arbitration is determined in accordance with Section 2.8. Applicable law is determined in accordance with Section 2.6.

2.2 Selection of Arbitration and Applicable Rules. The arbitrator shall be selected within sixty (60) days of the party initiating arbitration under Section 2.1 from the panel of JAMS, and the arbitration shall be conducted pursuant to JAMS policies and procedures. Except as provided herein, all rules governing the arbitration shall be the then-applicable rules set forth by JAMS. If the dispute is employment-related, the dispute shall be governed by JAMS’s then-current version of the national rules for the resolution of employment disputes, with the exception that discovery and motions for summary judgment will be governed by Sections 2.3 and 2.4 of this Agreement. JAMS’s then-applicable rules governing the arbitration may be obtained from JAMS’s website, which currently is www.jamsadr.com.

2.3 Discovery and Motions. The parties shall be entitled to engage in all types of discovery (e.g., depositions, interrogatories, request for production of documents, etc.) regarding and relevant to the subject matter of the dispute submitted to arbitration pursuant to the Federal Rules of Civil Procedure (“FRCP”), including but not limited to, FRCP 26. A copy of the FRCP may be obtained from the website of the United States Courts, which is currently <http://www.uscourts.gov/rules-policies/current-rules-practice-procedure/federal-rules-civil-procedure>. The arbitrator is authorized to rule on discovery motions brought under the FRCP. All discovery must be completed no later than twenty (20) days prior to the date set for the arbitration hearing; provided, however, that no discovery may be initiated until after the dispute has been formally submitted to arbitration and an arbitrator has been mutually agreed upon.

2.4 Dispositive Motions. Either party may file a motion for summary judgment with the arbitrator in accordance with Rule 56 of the FRCP.

2.5 Offers Of Judgment. Either party may serve an offer of judgment consistent with the FRCP.

2.6 Applicable Law and Arbitrator Authority. The arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which the claim arose, or federal law, or both, as applicable to the claim(s) asserted. **The arbitrator shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable.**

(Employee's Initials Acknowledging Arbitrator's Exclusive Authority)

2.7 Arbitration Decision. The arbitrator's decision will be final and binding. The arbitrator shall issue a written arbitration decision revealing the essential findings and conclusions upon which the decision and/or award is based within thirty (30) calendar days after the hearing's completion. A party's right to appeal the decision is limited to grounds provided under applicable federal or state law.

2.8 Place of Arbitration. The arbitration shall take place at a mutually convenient location (preference shall be provided to a JAMS office) that must be within fifty (50) miles of Employee's last known address with Employer. If the parties cannot agree upon a location, or if a JAMS office is not within fifty (50) miles of Employee's last known address with Employer, then the arbitration shall be held at the JAMS office closest to the last Employer worksite with which Employee most regularly communicated. If Employee worked remotely, then the arbitration shall be held at the JAMS office closest to Employer's worksite where Employee was "assigned," even though Employee did not physically work at the worksite.

3. Application for Emergency Injunctive and/or Other Equitable Relief. Claims by Employer or Employee for emergency injunctive and/or other equitable relief relating to unfair competition and/or the use and/or unauthorized disclosure of trade secrets or confidential information shall be submitted to JAMS for emergency treatment. The parties agree that the JAMS administrator may select a neutral hearing officer (subject to conflicts) to hear the emergency request only. The hearing officer should be experienced in considering requests for emergency injunctive and/or other equitable relief. The hearing officer shall conform his/her consideration and ruling with the applicable legal standards as if this matter were heard in a court of law in the applicable jurisdiction for such a dispute.

4. Severability. Should any portion of this Agreement be found unenforceable, such portion will be severed from this Agreement, and the remaining portions shall continue to be enforceable.

5. Effective Date. This Agreement is retroactively effective to the date that Employee's employment with Employer initially began. This Agreement to arbitrate shall survive the termination of Employee's employment.

6. Construction. This Agreement shall be construed and enforced pursuant to the FAA. The Arbitrator, and not any federal, state, or local court or agency, shall have the exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable. Any disputes regarding the enforceability or validity of this Agreement or any of its provisions shall be resolved as if the arbitrator or other decision-maker, if any, is acting as a federal district court judge applying the FAA and its precedent.

(Employee's Initials Acknowledging the FAA)

7. Consideration. For employees who are currently employed, Employer's offer to make Employee eligible for promotions, raises, bonuses, gifts and prizes in the future, and the promises by Employer and Employee to arbitrate differences, rather than litigate them before courts or other bodies, provide consideration for each other to enter into this Agreement. For newly hired employees, Employer and

Employee agree that in addition to the above consideration, Employer's offer of employment (at-will or otherwise) provides adequate consideration for each other to enter into this Agreement.

8. Signatures. A facsimile, scanned, copy, digital, or photographic signature shall have the same force and effect as an original signature.

9. Representation, Fees, and Costs. Each party may be represented by an attorney or other representative selected by the party. Each party shall be responsible for its own attorneys' or representative's fees. However, if any party prevails on a statutory claim that affords the prevailing party's attorneys' fees, or if there is a written agreement providing for fees, the arbitrator may award reasonable fees to the prevailing party, subject to written evidence of such fees and applicable law. Employer shall be responsible for the arbitrator's fees and costs to the extent they exceed any fee or cost that Employee would be required to bear if the action were brought in court.

10. Waiver of Jury Trial/Exclusive Remedy. **EMPLOYEE AND EMPLOYER KNOWINGLY WAIVE ANY CONSTITUTIONAL RIGHT TO HAVE ANY DISPUTE BETWEEN THEM DECIDED BY A COURT OF LAW AND/OR BY A JURY IN COURT.**

(Employee's Initials Acknowledging Waiver of Jury Trial)

11. Waiver of Representative/Class Action Proceedings. **TO THE FULLEST EXTENT PERMITTED BY LAW, EMPLOYEE AND EMPLOYER KNOWINGLY AGREE TO BRING ANY CLAIMS GOVERNED BY THIS AGREEMENT IN HIS/HER/ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF, CLASS MEMBE, OR REPRESENTATIVE IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION. THEY FURTHER AGREE TO WAIVE ANY RIGHT TO PARTICIPATE IN ANY REPRESENTATIVE OR CLASS ACTION PROCEEDING RELATED TO ANY CLAIMS GOVERNED BY THIS AGREEMENT. EMPLOYER AND EMPLOYEE ALSO AGREE THAT THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE INDIVIDUAL'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF REPRESENTATIVE OR CLASS ACTION PROCEEDING, INCLUDING, BUT NOT LIMITED TO, ANY REPRESENTATIVE ACTION UNDER CALIFORNIA BUSINESS AND PROFESSIONS CODE SECTIONS 17200 ET SEQ. THIS SECTION DOES NOT APPLY TO ANY REPRESENTATIVE ACTIONS BROUGHT UNDER PAGA, AS ADDRESSED IN SECTION 1.3 ABOVE.**

(Employee's Initials Acknowledging Waiver of Representative/Class Action)

12. Sole and Entire Agreement. This Agreement expresses the entire Agreement of the parties concerning the subject matter contained herein and shall supersede any and all other agreements, oral or written, concerning arbitration. This Agreement is not, and shall not be construed to create, any contract of employment, express or implied.

13. Acknowledgment. Employee acknowledges that Employee has carefully read this Agreement, understands its terms, and agrees that all understandings and agreements between Employer and Employee relating to the subjects covered in the Agreement are contained in it. Employee has knowingly entered into the Agreement without reliance on any provisions or representations by Employer, other than those contained in this Agreement. Employee further acknowledges that Employee has been given the opportunity to discuss this Agreement with Employee's private legal counsel and Employee has utilized that opportunity to the extent desired.

FIXED-TERM EMPLOYMENT AGREEMENT

Executive Director

This Employment Agreement (the “Agreement”) is entered into by and between James Mays (“Employee”) and Barker Blue Dog dba Brookfield Engineering Science Technology Academy or “BEST Academy” (“Employer” or “School”), a California nonprofit public benefit corporation, as of July 1, 2025 (the “Effective Date”).

1. RECITALS

WHEREAS, Employer’s Board of Directors (“Board”) desires to secure the services of Employee as Executive Director and to provide certain benefits, to establish certain conditions of employment, and to set working conditions for Employee;

WHEREAS, the Board finds the compensation, including benefits, proposed herein is just and reasonable based on Employee’s job duties, expectations, and responsibilities, and is competitive with market rate compensation for similarly situated executives at similarly situated schools; and

WHEREAS, Employee desires to perform such services for the Employer, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the promises and of the mutual agreements set forth herein, the parties hereto agree as follows:

2. AGREEMENT

3.

A. EMPLOYMENT TERMS AND CONDITIONS

4.

1. Employment

2.

3. Employee hereby accepts employment with Employer upon the terms and conditions set forth herein in exchange for Employer’s offer to make Employee eligible for the compensation, benefits, and other consideration herein described, which Employee acknowledges is sufficient.

4.

2. Term

5.

6. The Term of this Agreement of Employee’s employment as Executive Director shall be 225 contracted days from July 1, 2025 through June 30, 2027 (the “Term”), unless terminated earlier by either party pursuant to Section 15 of this Agreement.

7.

3. Duties

Employee is hired for the position of Executive Director and shall perform the job duties described in the Job Description (attached as Attachment “A” and

incorporated herein, which may be modified by time to time in the sole discretion of the Board) as well as such other duties that the School may assign from time to time in its sole discretion. Employee will devote his or her utmost knowledge and best skill to the performance of his or her duties. Employee shall comply with all Employer policies and procedures, including those specified in the Employee Handbook and Charter(s), as adopted, amended, or modified from time to time. If the terms of this Agreement differ from any such policies and procedures, this Agreement shall prevail.

8. Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during scheduled work hours with the School. While employed by School, Employee may not engage in any outside activity, including paid employment, which would be a conflict of interest and/or would conflict with his or her responsibilities to School or under this Agreement without first obtaining School's written approval.

9.

4. Work Schedule

This position is a full-time, 225 contracted days position. As a minimum performance requirement, the work schedule for the Employee shall be Monday through Friday, during regular school hours. As this position is a senior-level position and exempt from overtime, it is Employer's expectation that the actual hours required to carry out the duties and responsibilities of the position in a satisfactory manner will materially exceed the regular school hours. Employee may need to perform additional duties outside of the minimum daily work schedule.

5. Compensation

5.1 Base Salary. The annual salary for this position is \$189,024, less all applicable withholdings and deductions. Employee's salary will be paid in accordance with Employer's regular payroll practices. Employee's compensation may be prorated depending on whether Employee remains employed or is in active work status for all scheduled work days of the position. Employee is an exempt employee and therefore is not eligible for overtime pay.

5.2 Base Salary Adjustment. If the Board does not take any action with regard to the compensation of the Employee on or before July 1, the compensation shall remain unchanged in the subsequent fiscal year, except that Employee shall be entitled to any cost-of-living increase given to Employer's certificated staff.

6. Employee Benefits

Employee will be entitled to participate in designated employee benefit programs and plans established by the Employer (subject to program and eligibility requirements) for the benefit of employees, which from time to time may be amended and modified by the Employer in its sole discretion. Such benefits include, but are not limited to, the following:

6.1 Sick Leave. Employee shall be allotted **ten (10) days** of paid sick leave per year. A maximum of fourteen (14) days of paid sick leave may accrue. No further paid sick leave shall accrue unless and until Employee uses paid sick leave and the total accrued sick leave is below fourteen (14) days.

6.2 Holidays. Employee shall be entitled to **thirteen (13)** federal holidays as set forth in the employee handbook.

7. Expenses Reimbursements

Employer will reimburse Employee for all necessary and reasonable business expenses incurred in connection with the performance of his or her job duties in accordance with School's policies and practices. Employee shall provide original documentation verifying each expense prior to obtaining reimbursement.

8. Qualifications

10.

11. Employee represents that Employee has and will maintain throughout the course of this Agreement all requirements and qualifications established by the Employer for this position. Employee understands that employment is contingent upon verification and maintenance of any applicable licensure credentials or other requirements. Failure to maintain the credentials and qualifications for Employee's position and/or satisfy other requirements may result in immediate termination from the Executive Director position.

12.

9. Confidential Information & Ownership of Materials

All School Confidential Information to which Employee has knowledge or access shall be the exclusive property of School both during and after Employee's employment. For the purposes of this Section, Confidential Information shall mean all information, data or knowledge regarding School, its operations, students, employees, contractors or vendors not known generally to the public, including, but not limited to trade secrets, existing or proposed programs, purchases, fundraising strategies, financial and marketing data, lesson plans, student information, private employee information or benefits information. Employee shall hold such information in the strictest confidence and shall not use or disclose Confidential Information to any person or entity without the prior written consent of School, except to the extent such use or disclosure is made by reason of Employee's job responsibilities.

Employee shall not take any Confidential Information that is in written form, computerized, machine readable, model, sample, or other form capable of physical delivery, upon or after termination of Employee's employment with School without the prior written consent of School. Upon the termination of Employee's employment with School, Employee shall deliver promptly and return to School all such materials in the Employee's possession, custody or control.

Materials developed by Employee for purposes of his or her employment with School shall be the property of School. Upon the termination of Employee's employment with School, Employee shall promptly return such materials to School.

Employee shall refer to and agree to abide by all School policies relating to confidentiality and Confidential Information.

10. Conflict of Interest

5.

6. The Employee understands that, while employed at the School, he will have access to confidential and proprietary information. The Employee therefore, shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with the Employee's employment with School.

7.

11. Outside Professional Activities

8.

9. Upon obtaining prior written approval of the Board, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. School shall in no way be responsible for any expenses attendant to the performance of such outside activities.

10.

12. Child Abuse and Neglect Reporting

1.

2. Employee understands and acknowledges that Employee is a mandated reporter as defined by California Penal Code section 11165.7. As a mandated reporter, Employee is responsible for reporting to an appropriate agency whenever Employee, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom Employee knows or reasonably suspects to have been the victim of child abuse or neglect. Employee understands and acknowledges that s/he must follow up on his or her initial report by filing a written report with the same agency within 36 hours of receiving the information concerning, or observing, the incident.

3.

4. Employee acknowledges that s/he has reviewed and is familiar with California Penal Code sections 11165.7, 11166, and 11167 and will comply with these provisions.

5.

13. Evaluations

Employee may receive periodic performance reviews. Employer anticipates evaluating Employee's performance at least one time per year, but may perform evaluations more frequently. Failure to evaluate Employee shall not impair the Board's right to terminate this Agreement pursuant to Section 15.

14. Arbitration

Employee and Employer mutually agree that any and all existing and future disputes, claims or controversies arising out of or relating to Employee's employment, the termination thereof, or otherwise arising between Employee and the School shall, in lieu of a jury trial or other civil action, be resolved by final and binding arbitration pursuant to the Federal Arbitration Act as set forth in **Attachment B**.

15. Termination

6.

7. The Employee's position as Executive Director may be terminated by any of the following events.

8.

15.1 Termination For Cause. Employer may discharge Employee for cause. Cause includes but is not limited to the following: breach of this Agreement, Employee's failure to satisfactorily perform his job duties as set forth in this Agreement, or as specified in the above-mentioned and incorporated by reference job description, inefficiency, dishonesty, discourteous treatment of the public, staff or pupils, disclosure of confidential information, unprofessional conduct, misconduct, insubordination, violation of law or conviction of any felony or other criminal offense, failure to possess or keep in effect the appropriate credential, any failure of good conduct tending to adversely affect Employer, or any ground enumerated in the Employee Handbook.

9.

10. In the event of termination by Employer for "cause" Employee shall not be entitled to receive any compensation or benefits past the date of termination, except as required by law.

11.

15.2 Early Termination Without Cause. The Board may unilaterally and without cause terminate this Agreement. In consideration of the Board's right to terminate this Agreement without cause, the Board shall pay Employee compensation equivalent to the lesser of six (6) months' salary or salary owed for the remaining Term of the Agreement ("Severance"), provided that Employee signs a release of all claims against Employer in a release agreement, the terms and form of which are acceptable to Employer. Any such Severance shall be paid at Employee's then-current base salary. No severance payment is due unless Employee has executed a release agreement in a form satisfactory to Employer. Employee's failure to execute a release agreement in a form acceptable to Employer shall not preclude Employer from terminating Employee's employment without cause in accordance with this section.

15.3 Non-Renewal. The Board may elect not to offer future employment agreements to the Employee at its sole discretion, without cause, and this Agreement will lapse by its own terms.

15.4 Mutual Agreement. Employee may be terminated by mutual written agreement of the parties.

15.5 Permanent Disability or Death. In the event of Employee's permanent disability or death (permanent disability shall exist when Employee suffers from a condition of mind or body that indefinitely prevents Employee from further performance of Employee's essential duties, with or without reasonable accommodation), the Board may terminate this Agreement.

15.6 Revocation of the Charter. In the event School's charter is either revoked

or nonrenewed, this Agreement shall terminate immediately upon the effective date of the revocation/nonrenewal of the charter, and without the need for the process outlined in Sections 15.1 or 15.2 or above.

The Employee shall be required to reimburse School for any salary or fees received from School in relation to the Employee's placement on paid administrative leave pending criminal charges if the Employee is convicted of a crime involving the abuse of office/position. Regardless of the term of this Agreement, if the Agreement is terminated, the Employee must reimburse School for any cash settlement received in relation to the Employee's termination if the Employee is convicted of a crime involving the abuse of office/position.

Additionally, the parties expressly grant to any jurisdictional entity interpreting this Agreement (i.e., arbitrator) the power and authority to modify the terms of this Agreement to extent necessary to allow enforcement of this Agreement to the fullest extent allowed by law.

5. Governing Law

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach. No waiver or consent shall be implied from the silence or from the failure of any party to act, except as otherwise specified in this Agreement.

9. Interpretation and Opportunity for Counsel.

The parties hereto acknowledge and agree that each has been given an opportunity to independently review this Agreement with legal counsel. ARBITRATION AGREEMENT

ARBITRATION AGREEMENT

This ARBITRATION AGREEMENT (“Agreement”) is made by and between Barker Blue Dog Brookfield Engineering Science Technology Academy, a California nonprofit public benefit corporation (“Employer”), and **James Mays** (“Employee”).

The purpose of this Agreement is to establish final and binding arbitration for all disputes arising out of Employee’s relationship with Employer from the inception of the employment relationship, including, but not limited to, Employee’s employment or the termination of Employee’s employment. Employee and Employer desire to arbitrate their disputes on the terms and conditions set forth below to gain the benefits of a speedy, impartial dispute-resolution procedure, and pursuant to the Federal Arbitration Act (“FAA”). Employee and Employer agree to the following:

Claims Covered by the Agreement.

1.1 Employee and Employer both agree to exclusively and finally resolve by binding arbitration **any and all claims or controversies** (“claims”) that Employer may have against Employee or that Employee may have against Employer or against its past, present, or future predecessors, successors, assigns, affiliates, parent and subsidiary companies, joint ventures, pension or benefit plans, administrators, vendors, contractors, and their respective past, present, or future officers, directors, employees, stockholders, representatives, managers, members, partners, partnerships, agents, guests, parents, students, clients, suppliers, vendors, educational advisors, business advisors, financial advisors, attorneys, and accountants, insurers, and indemnitees (collectively, “Employer”), relating to, resulting from, or in any way arising out of this Agreement or the enforcement, interpretation or validity of this Agreement, including the determination of the scope or applicability of this Agreement, any aspect of Employee’s relationship with Employer, any aspect of Employee’s employment relationship with Employer (pre-hire through post-termination), and/or the termination of Employee’s employment relationship with Employer, and/or any act or omission between Employee and Employer to the extent permitted by law. This Agreement does not cover any claim, cause of action, or actions pursuant to workers’ compensation laws, unemployment insurance benefits with the Employment Development Department, or any other dispute if an agreement to arbitrate such a dispute is prohibited by law. Further, nothing in this Agreement precludes Employee from pursuing any administrative agency claims, including, but not limited to, claims with the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the Division of Labor Standards Enforcement, the Department of Labor, and/or the California Public Employment Relations Board.

1.2 The scope of this Agreement is intended to be broad and comprehensive and includes, without limitation, claims for wages or other compensation, including reimbursements, due; claims for penalties or premiums; claims for violations of the California Labor Code; claims for breach of any contract or covenant (express or implied); tort claims (including, but not limited to, those relating to performance or reputation); claims for discrimination, harassment, and/or retaliation (including, but not limited to, race, religious creed (which includes religious dress and grooming practices), color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state or local laws, ordinances, or regulations); claims for violation of any leaves of absence or accommodations laws; claims for wrongful termination or whistleblowing; claims for benefits (except where an employee benefit or pension plan specifies that its claims procedure shall culminate in an arbitration procedure different from this one); claims for violation of trade secret, proprietary, or confidential information laws; claims for unfair business practices; claims for invasion of privacy; and claims for violation of any public policy, federal, state, or other governmental law, statute, regulation, or ordinance.

1.3 To the fullest extent permitted by law, Employer and Employee agree that for any claim brought on an individual basis, including under the Private Attorneys General Act of 2004, California Labor Code § 2698, et seq. (“PAGA”), any such dispute shall be resolved in arbitration on an individual basis (i.e., to resolve whether Employee has personally been aggrieved or subject to any violations of law). To the extent there are any PAGA claims to be litigated in a court of competent jurisdiction, including any representative claims, the Employer and Employee agree that litigation of those claims shall be stayed pending the outcome of any individual claims in arbitration, regardless of which claims or actions were filed first. If any provision of this section is found to be unenforceable or unlawful for any reason, the unenforceable provision shall be severed from this arbitration provision and severance of the unenforceable provision shall have no impact whatsoever on the Agreement as a whole, which shall remain enforceable as to all other terms.

2. **Arbitration Procedures.**

2.1 Required Notice of Claims and Statute of Limitations. Employee may initiate arbitration by serving or mailing a written notice to the Executive Director of Employer at Employer’s principal place of business. Employer may initiate arbitration by serving or mailing a written notice to Employee at the last address recorded in Employee’s personnel file. The written notice must specify with reasonable particularity the claims asserted against the other party. Notice of any claim sought to be arbitrated must be served within the limitations period established by applicable federal or state law. After demand for arbitration has been made by serving written notice, the party demanding arbitration shall file a demand for arbitration with the Office of JAMS located within 50 miles of (i) the last address recorded in Employee’s personnel file or (ii) the JAMS closest to the last Employer worksite with which Employee most regularly communicated, whichever is closer. The location of the arbitration is determined in accordance with Section 2.8. Applicable law is determined in accordance with Section 2.6.

2.2 Selection of Arbitration and Applicable Rules. The arbitrator shall be selected within sixty (60) days of the party initiating arbitration under Section 2.1 from the panel of JAMS, and the arbitration shall be conducted pursuant to JAMS policies and procedures. Except as provided herein, all rules governing the arbitration shall be the then-applicable rules set forth by JAMS. If the dispute is employment-related, the dispute shall be governed by JAMS’s then-current version of the national rules for the resolution of employment disputes, with the exception that discovery and motions for summary judgment will be governed by Sections 2.3 and 2.4 of this Agreement. JAMS’s then-applicable rules governing the arbitration may be obtained from JAMS’s website, which currently is www.jamsadr.com.

2.3 Discovery and Motions. The parties shall be entitled to engage in all types of discovery (e.g., depositions, interrogatories, request for production of documents, etc.) regarding and relevant to the subject matter of the dispute submitted to arbitration pursuant to the Federal Rules of Civil Procedure (“FRCP”), including but not limited to, FRCP 26. A copy of the FRCP may be obtained from the website of the United States Courts, which is currently <http://www.uscourts.gov/rules-policies/current-rules-practice-procedure/federal-rules-civil-procedure>. The arbitrator is authorized to rule on discovery motions brought under the FRCP. All discovery must be completed no later than twenty (20) days prior to the date set for the arbitration hearing; provided, however, that no discovery may be initiated until after the dispute has been formally submitted to arbitration and an arbitrator has been mutually agreed upon.

2.4 Dispositive Motions. Either party may file a motion for summary judgment with the arbitrator in accordance with Rule 56 of the FRCP.

2.5 Offers Of Judgment. Either party may serve an offer of judgment consistent with the FRCP.

2.6 Applicable Law and Arbitrator Authority. The arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which the claim arose, or federal law, or both, as applicable to the claim(s) asserted. **The arbitrator shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable.**

(Employee's Initials Acknowledging Arbitrator's Exclusive Authority)

2.7 Arbitration Decision. The arbitrator's decision will be final and binding. The arbitrator shall issue a written arbitration decision revealing the essential findings and conclusions upon which the decision and/or award is based within thirty (30) calendar days after the hearing's completion. A party's right to appeal the decision is limited to grounds provided under applicable federal or state law.

2.8 Place of Arbitration. The arbitration shall take place at a mutually convenient location (preference shall be provided to a JAMS office) that must be within fifty (50) miles of Employee's last known address with Employer. If the parties cannot agree upon a location, or if a JAMS office is not within fifty (50) miles of Employee's last known address with Employer, then the arbitration shall be held at the JAMS office closest to the last Employer worksite with which Employee most regularly communicated. If Employee worked remotely, then the arbitration shall be held at the JAMS office closest to Employer's worksite where Employee was "assigned," even though Employee did not physically work at the worksite.

3. Application for Emergency Injunctive and/or Other Equitable Relief. Claims by Employer or Employee for emergency injunctive and/or other equitable relief relating to unfair competition and/or the use and/or unauthorized disclosure of trade secrets or confidential information shall be submitted to JAMS for emergency treatment. The parties agree that the JAMS administrator may select a neutral hearing officer (subject to conflicts) to hear the emergency request only. The hearing officer should be experienced in considering requests for emergency injunctive and/or other equitable relief. The hearing officer shall conform his/her consideration and ruling with the applicable legal standards as if this matter were heard in a court of law in the applicable jurisdiction for such a dispute.

4. Severability. Should any portion of this Agreement be found unenforceable, such portion will be severed from this Agreement, and the remaining portions shall continue to be enforceable.

5. Effective Date. This Agreement is retroactively effective to the date that Employee's employment with Employer initially began. This Agreement to arbitrate shall survive the termination of Employee's employment.

6. Construction. This Agreement shall be construed and enforced pursuant to the FAA. The Arbitrator, and not any federal, state, or local court or agency, shall have the exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable. Any disputes regarding the enforceability or validity of this Agreement or any of its provisions shall be resolved as if the arbitrator or other decision-maker, if any, is acting as a federal district court judge applying the FAA and its precedent.

(Employee's Initials Acknowledging the FAA)

7. Consideration. For employees who are currently employed, Employer's offer to make Employee eligible for promotions, raises, bonuses, gifts and prizes in the future, and the promises by Employer and Employee to arbitrate differences, rather than litigate them before courts or other bodies, provide consideration for each other to enter into this Agreement. For newly hired employees, Employer and

Employee agree that in addition to the above consideration, Employer's offer of employment (at-will or otherwise) provides adequate consideration for each other to enter into this Agreement.

8. Signatures. A facsimile, scanned, copy, digital, or photographic signature shall have the same force and effect as an original signature.

9. Representation, Fees, and Costs. Each party may be represented by an attorney or other representative selected by the party. Each party shall be responsible for its own attorneys' or representative's fees. However, if any party prevails on a statutory claim that affords the prevailing party's attorneys' fees, or if there is a written agreement providing for fees, the arbitrator may award reasonable fees to the prevailing party, subject to written evidence of such fees and applicable law. Employer shall be responsible for the arbitrator's fees and costs to the extent they exceed any fee or cost that Employee would be required to bear if the action were brought in court.

10. Waiver of Jury Trial/Exclusive Remedy. **EMPLOYEE AND EMPLOYER KNOWINGLY WAIVE ANY CONSTITUTIONAL RIGHT TO HAVE ANY DISPUTE BETWEEN THEM DECIDED BY A COURT OF LAW AND/OR BY A JURY IN COURT.**

(Employee's Initials Acknowledging Waiver of Jury Trial)

11. Waiver of Representative/Class Action Proceedings. **TO THE FULLEST EXTENT PERMITTED BY LAW, EMPLOYEE AND EMPLOYER KNOWINGLY AGREE TO BRING ANY CLAIMS GOVERNED BY THIS AGREEMENT IN HIS/HER/ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF, CLASS MEMBE, OR REPRESENTATIVE IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION. THEY FURTHER AGREE TO WAIVE ANY RIGHT TO PARTICIPATE IN ANY REPRESENTATIVE OR CLASS ACTION PROCEEDING RELATED TO ANY CLAIMS GOVERNED BY THIS AGREEMENT. EMPLOYER AND EMPLOYEE ALSO AGREE THAT THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE INDIVIDUAL'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF REPRESENTATIVE OR CLASS ACTION PROCEEDING, INCLUDING, BUT NOT LIMITED TO, ANY REPRESENTATIVE ACTION UNDER CALIFORNIA BUSINESS AND PROFESSIONS CODE SECTIONS 17200 ET SEQ. THIS SECTION DOES NOT APPLY TO ANY REPRESENTATIVE ACTIONS BROUGHT UNDER PAGA, AS ADDRESSED IN SECTION 1.3 ABOVE.**

(Employee's Initials Acknowledging Waiver of Representative/Class Action)

12. Sole and Entire Agreement. This Agreement expresses the entire Agreement of the parties concerning the subject matter contained herein and shall supersede any and all other agreements, oral or written, concerning arbitration. This Agreement is not, and shall not be construed to create, any contract of employment, express or implied.

13. Acknowledgment. Employee acknowledges that Employee has carefully read this Agreement, understands its terms, and agrees that all understandings and agreements between Employer and Employee relating to the subjects covered in the Agreement are contained in it. Employee has knowingly entered into the Agreement without reliance on any provisions or representations by Employer, other than those contained in this Agreement. Employee further acknowledges that Employee has been given the opportunity to discuss this Agreement with Employee's private legal counsel and Employee has utilized that opportunity to the extent desired.

The Employee's salary is dependent on ongoing enrollment, and BEST Academy expenses, and may be adjusted or deferred by mutual written agreement of the parties. The Employee's compensation may be prorated depending upon whether he remains employed, or in active work for all scheduled workdays of the position.
6. BENEFITS:

The Board shall also buyout all accrued Vacation Leave at the Employees salary rate at the time of termination.

BEST Academy

Policy Regarding the Assignment of Teachers in Transitional Kindergarten Classes

This policy sets forth the requirements for credentialed teachers at BEST Academy who are first assigned to a transitional kindergarten classroom after July 1, 2015.

Beginning August 1, 2025, each teacher who is assigned to a transitional kindergarten classroom must possess a valid and appropriate credential issued by the Commission on Teacher Credentialing, and satisfy at least one of the following:

1. At least 24 units in early childhood education, child development, or both.
2. Professional experience in a classroom setting with preschool age children that is comparable to the 24 units of education described above.
3. A child development teacher permit or an early childhood education specialist credential issued by the Commission on Teacher Credentialing.

Qualification Based on Professional Experience

The Co-Directors or designee may approve a teacher for assignment as a transitional kindergarten teacher based on documentation verifying that the teacher has at least **one school year** of experience as a full-time teacher in a classroom serving students in preschool because that professional experience is comparable to the 24 units of education otherwise required. BEST Academy finds that **one school year** of full-time employment working with preschool age children is comparable to 24 units of study in early childhood education and child development because 24 units equate to approximately one year of full-time study.

All documentation related to the teacher's qualifications and performance demonstrating satisfactory professional experience will be maintained in the employee's personnel file.
