- There has been an uptick nationally of students who receive financial aid; all but 11 seniors completed the FAFSA

 - How quickly the lasting impact of the pandemic and systemic racism will be forgotten
- Internal concerns
 - Registrar is going to the Cooper Campus
 - Lack of alumni support and engagement
 - Inconsistent communication and collaboration amongst different programs and offices across campus

C. Other Governance Matters

V. Finance

A. Auditors for SY22-23

- Switching from KBJ to another finance firm because we need a larger company that has more resources as we grow

B.

Short-Term Liquidity

- Important as we consider real estate transactions
- We have been saving over the last few years
- Plan is to invest some of our savings
- Working with Truist, our main bank, to do this investment

VI. Development and Communications

A. Convivium Recap

- Set growth goal of \$175,000 for Bacchanalia and Convivium
- Raised about \$55,000 from Convivium
- 4 new sponsors attended the event
- Exceeded fundraising goal for Bacchanalia of \$75,000
- \$250,000 have come in for the capital campaign, we are at 4.3 million out of our 12 million goal
- Fundraising would be helped by having a permanent site identified for the new campus

B. Diana E. Smith Event

Library will be dedicated to Diana Smith next week.

C. Other Matters

VII. Growth

A. Dashboard

Hiring

- Struggling to find strong math and science candidates for Cooper Campus
- Potentially a result of the compensation study
- Other schools are able to offer a higher starting salary, particularly for more experienced teachers
- This has cost us a few candidates in the process
- Potential idea to have positions outside of the regular salary scale that could be funded differently; roles that are fundamental to Washington Latin could creatively fund these positions

Equitable Access Preference

- We are working to hit our goal numbers for the preference for each grade for both campuses
