III. Deep-Dive Discussion

A. Athletic Program at Washington Latin

Peter Anderson and Bob Eleby EI talked about athletics at WLPCS.

Peter Anderson prefaced the presentation by highlighting the WLPCS athletics philosophy.

1. We want to be inclusive
2. We value competition
3. We value physical development and wellness as an element of human flourishing
4. We want students to be exposed to a wide variety of athletic options/experiences

Bob Eleby EI elaborated on the current state of athletics at WLPCS and the possible sports options at 2nd St and at AJC @ KIROV.

Peter Anderson presented a SWOT (Strengths/Weaknesses/Opportunities/Threats) analysis of the WLPCS athletic program.

One of the issues discussed was the 2nd St field, whether to upgrade the sod or change to turf.

As an extension of the classical mission of the school, Diana Smith emphasized that WLPCS should continue the commitment to have "no cut" sports.

B. MSAP Grant

Peter Anderson and Kate Cromwell proposed that WLPCS apply for MSAP, a federal Department of Education grant program.

A primary goal of MSAP is to reduce, eliminate, or prevent "minority group isolation" in schools.

Each MSAP application must include either a required or a voluntary desegregation plan.

The implications of a desegregation plan for WLPCS and the benefits vs the risks were discussed.

A. Graham arrived.

J. Osgood made a motion to approve the WLPCS voluntary desegregation plan.
