III. WLPCS Board Of Governors Fall Retreat At 2nd St

A. Welcome And Framing

Ken Merritt welcomed everybody to the WLPCS fall retreat at 2nd St. Brendan Williams-Kief was the time keeper and Carl McFadgion was the norms monitor.

All board members who were present during the optional portion (lunch/seminars/walk-through) of the fall retreat shared their "The Latin Way" experiences. The board members observed that the WLPCS community is diverse and inclusive and caring. The self confidence of the students (during lunch, during the seminars, during the walk-through) was highlighted. Faculty classroom management and student time management were also praised.

B. Consent Agenda

Peter Anderson (re)introduced and explained the Consent Agenda which will be used for all future board meetings. When financial information is part of the Consent Agenda, it might be useful to include a "financial" one pager.

E. Paisner arrived.

C. Deep Dive Topic - Schools Program And Performance

Caroline Gifford gave an update on the academics of the two campuses. One of the (adjusted) academic goals is to focus on both ends of the learning spectrum - students below grade level and students above grade level. A priority is to challenge all students, with an emphasis on the following:

- . vertical alignment in English
- . define/codify best practices re DBQ and socratic seminar

Year 1 of the strategic plan - goal setting process

Year 2 of the strategic plan - implementation phase (current)

James Kelly highlighted the success of the AP program at 2nd St.

Anaka Osborne talked about the academic data for AJC.

NOTE: The Oct 17 Thu Academic Committee meeting is cancelled.

L. Ballenger arrived.

Instead of a(nother) 5 hour long combined engagement and meeting retreat, there was a suggestion to separate engagement from meeting to hopefully allow more participation from board members. Board members were asked to fill out a survey re a second board retreat.
