## **III. Executive Report**

### **A. LEA Overview**

Peter Anderson informed the board about the following issues.

- SPED audit
- OSSE issue
- Concern from the family of a former student

Security issues at 4301 HAREWOOD were raised.

Caroline Gifford explained in detail the "Science of Reading" standards (for K-5) being implemented by OSSE starting SY25/26. Caroline Gifford and two other WLPSCS faculty members will be helping to develop the middle school standards.

### **B. TITLE VI**

Schools are being asked to recertify their Title VI compliance by tomorrow on Apr 23 Wed. Peter Anderson mentioned OSSE has agreed to sign this recertification on behalf of the "state". Individual LEAs have the option to join OSSE. WLPSCS plans to also sign and include an accompanying letter clarifying our understanding of the attestation. A board member commented that the letter attached to the signed attestation would be for context only.

### **C. CHARTER REVIEW**

Peter Anderson highlighted and elaborated on the charter review process that is due every 5 years. The next charter review for WLPSCS is SY25/26.

A. Jesseman arrived.

L. Ballenger arrived.

#### **IV. Deep Dive: Academic Performance and Accountability**

##### **A. School Program and Performance Committee**

Caroline Gifford shared details of the evaluations of our three schools (2nd St US and MS and AJC MS) according to the ASPIRE FRAMEWORK, and elaborated on how schools are scored/tiered.

For middle schools, the focus is on growth.

For high schools, the focus is on proficiency.

#### **V. Finance**

##### **A. February financials**

Geovanna Izurieta reported that WLPSCS has been managing resources well so far. An increase in student enrollment is another factor contributing to a good year financially.

##### **B. 990**

Board members were requested to review the 990 documents and acknowledge receipt by May 15 Thu.

##### **C. Budget modeling**

WLPSCS received the DC FY25 Q4 payment from the DC government, despite the uncertainty about the DC budget. There has been no cuts in education so far.

The DC FY26 Q1 payment from the DC government might be in jeopardy.

Geovanna Izurieta presented a few budget scenarios in light of the uncertainty:

- Cautiously Optimistic
- Extremely Conservation (Per Pupil Funding at 0)
- Pessimistic
- Doomsday

For the "Extremely Conservative" scenario, WLPSCS is looking at a significant cut in expenses to balance the budget.

A. Jesseman left.

C. McFadgion left.  
J. Osgood left.
