Establishing Retirement Plan - 401 K

On May 18th the board has approved that the school signs the contract with Paychex to become part of their PEO. The reason for the switch was to save money on health insurance and pass saving on to employees in the form of matching contributions toward retirement plans. The school currently has a 403b plan, but the Paychex was not able to accommodate 403b plan. As a result, the new 401k plan had to be established. Mr. Goncharov suggested the school to offer 25 cents matching contribution on every dollar employee puts into 401k up to 3% of the salary. The contribution rate can be increased or decreased at any time. The board needs to approve the establishment of 401k retirement plan and contribution amount.

- The board members asked if 3 bids needs to be solicited before establishing a 401k plan.

- Mr. Goncharov advised that the school requires bids on contracts which will exceed \$10,000. The cost of maintaining the plan will not cost more than a \$1,000, and the matching contribution does not need to be included in this amount.

- The board members asked to run this question by our school lawyer for clarification.

B. Florida Substitute Staffing, LLC contract

- Mr. Ilya discussed the benefits of hiring the Florida Substitute Staffing, LLC company.
- Kelly services was an alternative company to have substitutes, however, GOCA did not meet the requirements for that contract, and Florida Substitute Staffing was the latter choice.

C. Managed Services Agreement - "Hard and Soft Consulting"

- Mr. Soroka discussed on continuing services with the "Hard and Soft Consulting". The contract remains the same from the previous school year, and no monetary adjustments were made to the contract.
- The board agreed that it is best to continue services with the consulting company.

D. GOCA Cultural Exchange Experience: May-June 2019

- Mr. Soroka presented an international field trip opportunity for the students and their parents to visit several countries in the month of April and May 2019.
- This will serve as a cultural experience for GOCA students where they can see historic sites, as well as learn about new cultures.
- The advertisement for this trip will begin in December, upon approval by the board.
