2. Virco: \$211,62.92 (delivery included) + \$241,806 with installation

3. KI : \$249, 410.17 or \$284,172.73 (fancy student desks) + delivery and installation

4. Various Vendor Option: \$166,772.58

- It is recommended to purchase furniture from various vendors to save on cost.

- A 4th option spreadsheet was shared that shows that significant savings can occur if purchase of furniture pieces are from various sources, instead of continuing with only one of the other (3) current bids.

- The board discussed all 4 options, and agree that it is best to continue with the 4th option, where furniture pieces will be purchased thru various sources.
- Board member Mrs. Hearn questioned the process of installing each furniture piece, whether they provide the services for installation. Each vendor has already been asked this question, and installation quotes are already included into the final bids.
- Mrs. Hearn recommends to continue with option 4, if the delivery is on time, and there is a place for storage. Board members agree with option 4 on Furniture options.
- Installation quotes for the furniture pieces will be presented on the next board meeting.
