III. Discussion Items

A. Grizzly Field Completion Budget

Two years ago, when the budget for a Grizzly field construction was done, it was unknown if the government would even allow to build a field there. The regulatory and design expenses ended up much higher than originally anticipated. In addition, the prices over the last two years went up significantly. In addition, the school asked for field features that were not originally supposed to be, which brought the cost of construction higher. As a result, the school will need to invest an additional approximately \$700,000. See attached budget.

C. Hearn made a motion to approve the Grizzly Field completion budget as presented. The original general contractor (Om Innovation Construction LLC) will continue to manage the work. Also, the board approved Global HS will pay additional rent to GOCA Properties LLC \$100,000 for the HS students to use the field through June 2027. The board also approved to transfer \$500,000 from Discovery school to GOCA Properties LLC.

V. Budnik seconded the motion.

The board **VOTED** to approve the motion.

IV. Board Comments

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:44 PM.

Respectfully Submitted,
L. Williams
