## I. Opening Items

### A. Record Attendance/Recognize Quorum

### B. Call the Meeting to Order

M. Levasseur called a meeting of the board of trustees of Girls Global Academy to order on Monday Mar 29, 2021 at 6:34 PM.

## II. Internal Business - Part One

### A. Approval of Minutes from February 2021 General Meeting

B. Blaufuss made a motion to approve the minutes from GGA Board General Meeting on 02-22-21.

M. Dunn seconded the motion.

The board **VOTED** unanimously to approve the motion.

### B. GGA Board "World" Recognition

MAX

Max conducted a real time poll.

First recipient of the **World** recognition- Scott Ganske.

Scott will recognize the next recipient of the **World**. Max will plant names on the globe.

And the 'ritual' will continue.

We will continue to encourage each other and support the mission of GGA.

Miscellaneous: Send head shots to Karen, if you haven't already. Use GGA email. Log into Board on Track to check meeting announcements, prepare for the ED evaluation, etc.

## III. Governance Committee

### A. Open Seats on GGA Board

CHRISTINE:

We were out of compliance with the loss of Catalina. Governance was looking for a replacement- someone with her skill sets, other complements to the Board, diversity. With Donna's departure, we are now at an odd number again, so back in compliance.

Governance will look at the criteria for the next 2 board members that will be nominated. The maximum number of board members is 15.

Looking to elect officers at the annual meeting in June. As we're thinking about roles, reach out to Christine. She will send out info on those positions- officers and committee chairs.

There's one quarter left in the fiscal year.

## **B. Addressing Conflict of Interest**

The audit surfaced that there was no conflict of interest policy. The goal is to identify any fiduciary benefit or perceived benefit that a board member or trustee may receive. This shows active avoidance. Christine sent a draft policy with standard language, IRS-based. This will be processed by Governance, then a final version presented to the Board next month. Board members will read and sign it, agree to adhere and disclose any conflicts. When an issue comes up for vote that represents a conflict, recusal is appropriate. Final product will meet the needs of GGA.

Annual routine review will be put in place.

As an example of conflict of interest, Christine is an elected official which she had to disclose.

## **C. Targeted Updates to Bylaws**

Governance has a flowchart for Compliance and Best Practices for the Open Meetings Act.

Bylaws have to be updated to reflect the Open Meetings Act.

Terms of Service for Board Members and Officers needs to be reviewed. Board members commit to a 3 year term. Three year parent terms have to be evaluated as parents who came on as juniors would need to resign as you need to be the parent to a current student to be a board member.

## **D. Officer Elections**

Officers are elected on a 1 year rotation (annual meeting to annual meeting), but governance will be looking at the possibility of extending this to 2 years. If this is instituted, it will start with the next cycle.

Committee chairs are also selected on a 1 year basis.

## **IV. Development Committee**

## A. Circulation and Intended Use of Development Plan

KEVIN

The development report was distilled from 70+ pages

Individual giving plus corporate and events exceeded the \$30,000 target.

FY22 is projected to be at similar levels.

Foundation grants are largely targeted to start ups, so some shrinkage is expected in this category for FY 2022.

Government grant revenues are expected to increase for FY2022.

Events: many would be taxing, so focused on 2 per year.

An event could be part of a campaign. Tried to keep those separate.

ELAINE

Explanation of expenses

The biggest FY 2022 increase is the proposed addition of a Development and Communications coordinator- planned as a contractor hire for the fall or a full time hire.

Expenses are shown as flat, though if events are in-person, the \$2500 estimate may be a little low.

KAREN

The strategy was developed by FundEd and the Development Committee evaluated its practicality

Individual giving, the signature event (Sisterhood Summit), corporate support and additional grants are being sought

The FY 2022 development strategy hinges on:

**Individual Giving** (individual and major gift 'friendraising') leveraging board support, expanding the Trailblazer volunteer program (Christine and Marilyn are part of the original group), and point of entry events.

**Corporate Partnerships and Events** (The Sisterhood Summit is GGA's signature events and can attract corporate sponsors). Would like to continue to raise \$30,000 from corporate partners

**Foundation Grants** (Unrestricted revenue from non-governmental sources is being sought)

The plan is to submit 15 grant requests annually, and get approved on 25% or better. A Foundation report already has some of these targets identified. Dana researches and

Kevin sends information. Kevin and Jason screen possibilities. Not all grants are created the same. Some have reporting structures that GGA can't meet.

## **B. What's Coming Next for Development**

### **V. Student Recruiting Committee**

#### **A. Review Progress Metrics**

SCOTT

Recruitment review

April 2 is Match Day.

There are 228 applications, 105 have designated GGA in their top 3!

Wellness calls are a highlight.

Julie has been doing an amazing job- getting good feedback about how she's connecting

Thank you to board members who have been doing calls

One applicant is the child of an ambassador to the US (Beth)

Going forward may ask how the parent/child has heard about GGA

**Board Members:** Still need more organizational leads. Add to the existing Google sheet. Targeting 50. Attend recruiting events- open houses.

63 current students are continuing, 6 applied out

Last year 76% of those who designated GGA in the top applied

Want to get to 180

There's a lot of engagement via emails and outreach

Social media is being designed to enable students to share

All board members should be supporting recruiting. Attend GGA events. Cultivate the habit of being GGA evangelists. Should be targeting 300 applications.

## **B. Update on Next Recruiting Activities**

## **VI. Risk/Audit Committee**

### **A. Approval of SY20 Audit Report**

BETH

Page 16 from auditor report (SB and Company) stated that there were no material weaknesses. Shalini and Maura framed the process. Karen and Jason fully supported the process and provided background documents requested.

B. Blaufuss made a motion to Accept the audit report.

S. Benson seconded the motion.

SB and Company made management recommendations. Karen and Jason have been responsive. Conflict of interest was one of those follow ups.

The board **VOTED** unanimously to approve the motion.

## **VII. Executive Director's Report**

## **B. Other Highlights**

### **VIII. Finance**

#### **A. Approval of High Level SY22 Budget**

MAURA

Reflected in the SY21 forecast through the end of June:

\$30,000 in additional for recruiting expenses

Increased projected computer expenses by \$40K

Need to understand how to account for a deposit on FY 2022 computers which needs to be made in FY 2021

Will end up with a slightly higher net income

Spending is as expected against the budget

MAURA:

SY 22

Budget timing:

Voting tonight is on the high level budget

School is moving on goals and values.

Budget is based on 153 by Count Day, which meets the rent floor

GGA and recruiting are confident in that number

Big bucket expenses were to have been accounted for in preparation for high level budget

Tonight we need to approve the full top line for recruiting

A detailed budget will be presented in April

May is when we'll take the final vote

Based on recruitment projection- the target is 143- 163 for Match Day.

If lower than 143, will need a reduced budget. Contingency budget means unsure.

If greater than 163 (like 180) will need a different revised (upward) budget

Than the budget won't be reviewed again until October.

The Finance Committee recommends approval of the budget and authorization of GGA leadership team to go forward with hiring.

M. Dunn made a motion to Approve top line budget as presented, Karen and Jason to proceed.

B. Blaufuss seconded the motion.

143 on match day is the target (80)

Final budget due in April

The board **VOTED** unanimously to approve the motion.

## **B. Move to Close Session for Personnel Matters Related to ED**

M. Levasseur made a motion to Move to Executive Session.

M. Dunn seconded the motion.

Preview policy of ED evaluation

The board **VOTED** unanimously to approve the motion.
