The board **VOTED** unanimously to approve the motion.

### **B. GGA Board "World" Recognition**

Mary holds the globe and selected Maura Dunn as the next recipient.

"She does so many of the things I don't enjoy. It's stuff that is so important.

All the background work that keeps GGA in compliance."

She is the Treasurer and leads the Finance committee. She works tirelessly.

Pink tab selected.

### **C. Recap of Executive Committee Meeting**

#### **Max**

Addressed staggered term issue.

Governance committee came up with a resolution and it was handled at the already scheduled Executive Committee meeting.

At the crux was a records keeping issue.

The Executive Committee retroactively approved the relevant documents into the record.

The most recent record was considered the one to follow.

All impacted were contacted prior to the vote last Saturday.

In keeping with the objective of staggered term- being fair to all board members and completely traceable, some board members will be up for a vote to re-up in the June meeting.

Contact Max with any questions.

Reviewed ED survey (evaluation) results from all respondents. Discussed the process and substance. Next steps are to draft a memo that will comprise the collective feedback. Goals for the ED are being drafted. At the June meeting, there will be one more update before the evaluation process is completed.

Thank you to everyone who responded to the survey. If people didn't respond, please review the ED evaluation. Feel free to write an email to Max with any questions or points to take into consideration.

The Executive Committee approved a max amount to be included in the FY 22 budget for employee salary increases.

##### **JUNE MEETING PREVIEW**

Last year when coming up with the meeting calendar, prior to OMA, it was recommended to make some of the meetings public. We voted on having two meetings, and did one meeting (to meet the board). Now all meetings are open but it's not the same as actively engaging the public.

There was insufficient time to extend a special invitation for this month, so it will be moved to the June meeting. Will probably allocate up to 30 minutes. Would like to prepare as much as possible. Contact attendees in advance. Engage at the beginning of the meeting.

Will work with Karen on this.

Need 2 board members to volunteer to organize the community engagement piece for next month. Would like one volunteer to be a parent. Between Lakisha and Janice- decide which one will represent. Beth will help prepare. We want real engagement so if we can't be ready in June, can push the timing back. It's important to do this right.

For June, we will have a number of votes:

- Officer seats
- Chairs of standing committees
- Targeted bylaws changes
- Re-upping for a few members

Christine will talk about nominations later in the meeting.

##### **BOARD RETREAT**

We tentatively have a date for the next board retreat. Current officers discussed it. At end of October last year, we were already 1/3 of the way through the year from a planning perspective. We don't want to disrupt the start of school, so came up with September 18th. If this date presents a problem, let Max know.

Need two volunteers to work on the meeting.

Would be good to have Shalini work on this. Representation from Risk/Audit is good.

Max will reach out to Shalini and will poll around. It will be good to start planning earlier.

#### COMPLETE PROFILE SECTION IN BOARD ON TRACK

Please complete the profile section in Board on Track: e-mail, what you do, etc. Board assessment is coming up. We want to take advantage of the tool and do advanced planning. Coming soon we will need to look at our skills- what's recommended, what's needed. The board assessment will be a survey with activity and participation type questions. Profile info is helpful- especially skills.

#### OTHER

Support for the school

How best to fill open seats, keep everyone balanced

Continue to build engagement

Any ideas about capacity, engagement, interest- all input and feedback will be helpful

### III. Student Recruiting

#### A. Review Progress Metrics

Karen

New student enrollment- 78 have completed paperwork

36 are in process

19 were offered admission and declined

Re-enrollment- expecting 63 of 70 to return- 90% retention

32 students automatically completed through OSSE for 10th grade returning students

12 more returning need to complete

110 completely confirmed

67 are working to finish

Could have as many as 177

Could still have up to 24 reject and would still meet the baseline budget based on 153

#### B. Update on Next Recruiting Activities

Karen- continued

Working with new families- goal is 180- 1 to 1 engagement is needed to build relationships and complete paperwork.

Beth: Is there a scenario where we should go over 180- if there's no negative impact on programming and can keep small classes?

Karen- Above 180 would not get funding.

If they are on the waitlist, would be able to go over

Willing to go 15 over because of potential loss. Can work with MySchoolDC numbers real time.

Lost 7 between acceptance and start of school in the first year.

Thank you to Jason, Karen, Scott and Julie!!

#### **IV. Audit/Risk**

##### **A. Acceptance of Engagement with Selected Accounting Firm**

Beth

The audit committee recommends re-engaging SB & Co for FY 20- 21 and FY 21-22

B. Blaufuss made a motion to Re-engage SB & Co for auditing for FY20-21 and FY 21-22.

S. Benson seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **V. Governance**

##### **A. Officer Elections in June**

Christine

In June we will vote for both officers and standing committee chairs

We will vote on a slate: Chair, Vice chair, Secretary, Treasurer

Max is speaking to people about maintaining their roles.

Christine is happy to talk to anyone who may want to change roles.

Bylaws- amendments and changes will be circulated. Let Christine know about anything that we can improve.

Bylaws will be circulated this Friday. Mark ups are done, so looking for other thoughts.

Biggest change- term limits for parents and officers to accommodate changeover and representation for parents

The staggered terms are broken out as follows:

- The initial three (3) Trustees: Shalini Benson, Beth Blaufuss and Marilyn Edmunds.

- The next three (3) Trustees who will serve for two (2) years: Scott Ganske, Max Levasseur, and Christine Miller.
- One (1) additional Trustees to serve one (1) year term: Donna Tymus

Proposed 2 year terms for officers

Taking care of loose ends in record keeping

Parents can serve 2 consecutive terms.

Shalini: Can parents still have an opportunity to be officers?

Do 2 year officer terms preclude parents having the opportunity?

Have 1 month to figure it out.

Can discuss further offline

Christine will talk to Janice about language.

Could encourage parent to apply and deal with on a case by case basis

Christine will talk to Janice and Lakisha

How we tap each other's talent and engage with each other is as important as what's in the bylaws.

Need to rotate new people in

It takes several months to learn the job of officers. It's hard to get it all right in the first year.

Please take a look at the bylaws!

Don't want to be overly prescriptive, but rather provide guidance around system where people can operate effectively.

Next month's election will be under old terms. New terms will take place next year.

## **B. Electing Chairs of Standing Committees**

Standing committee chairs to be voted on in June:

- Finance
- Risk and Audit

## **VI. Finance**

### **A. Outstanding Questions on SY22 Budget**

Maura

Almost to the end of the budget process.

We've made it through 4 steps

Approved 1.0

When we have the final count, we can entertain an amendment

Karen and Jason have done a huge amount of work on the budget

Over 45 days of cash on hand from PCSB

In April, we talked about adding a small increase that could go to staff. That is included and we still have the cash on hand and all the other metrics we need.

Beth: Will we need to vote on a new budget if we go above 153

Karen: Would take care of safety and wellness and address IEP students as a priority for staff

Not expecting to do a change over during the summer, but planning to wait until October

## **B. Approval of SY22 Budget**

M. Dunn made a motion to Approve the baseline budget with background documentation on development, recruitment, staffing, and strategic goals.

M. Colburn seconded the motion.

Per pupil allocation number went up so revenue went up. Went from a 1 to a 3.6% increase. Corporate, individual, and foundation giving has all been included. Everyone received the April and May versions. Extra staffing dollars were included in both. Thank you to Jason and Karen.

The board **VOTED** unanimously to approve the motion.
