AB1505

- Charter renewal for middle track schools is based on:
 - State and local indicator data, along with other data sources, to determine academic achievement: post-secondary outcomes, and/or verified data
 - Verified data: AB 1505 requires authorizers to consider “verified data” for renewals of charter schools that fall within the low-performing and middle-performing categories. The STAR Assessment is a verified data source
 - Post-secondary outcomes: includes data collected through a source such as the National Student Clearinghouse, graduate surveys, student interviews
- Renewal will more explicitly align charter goals and outcomes to state dashboard priorities

Multicultural Diversity and Inclusion Perspectives Team

MDIP

Why We Exist

- Our team was born from an overwhelming sense of disempowerment as we recognized the need for change in the way we deal with issues of race in our nation. We also knew that we needed to address these issues and not hide from them.
- Recognizing that as educators we could play an important part in influencing student's hearts, we developed a plan to create spaces for safety and greater understanding in order to grapple with hard issues and see things from another's point of view.
- We committed to lifting the voices of marginalized groups that have been historically minimalized throughout this process.

Our Mission Statement

The MDIP (Multicultural Diversity and Inclusion Perspectives) team is committed to highlighting diversity amongst people and cultures in our nation, lifting the voices of those who may not have historically been recognized or valued, and providing diverse perspectives on both historical and current events. We desire to help students develop their critical thinking skills by teaching them how to think and not what to think, while providing the tools to help them celebrate the diversity of culture and thought within our country. Within this framework our objective is to create opportunities for conversation and understanding as well as supply tools to help staff and families take actionable steps towards positive change.

Empathy is not simply a matter of trying to imagine what others are going through, but having the **will to muster enough courage to do something** about it. In a way, empathy is predicated upon hope.

— *Cornel West*

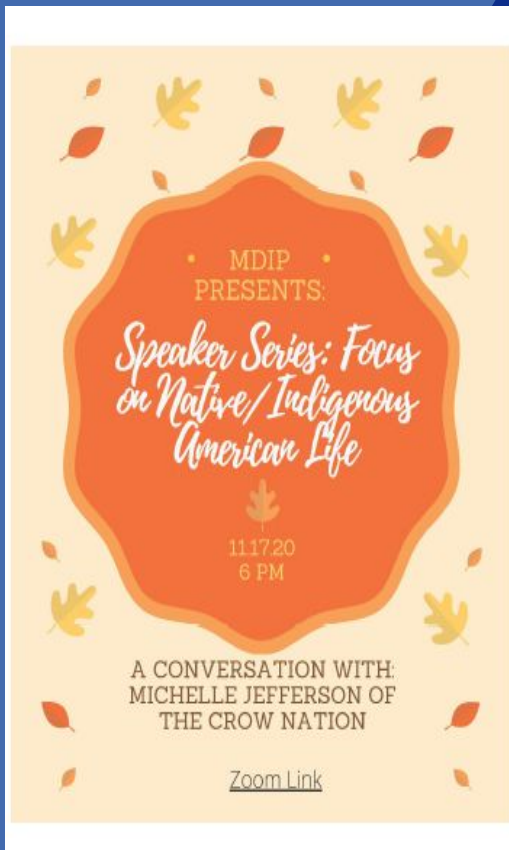

What We're Doing About It

- Using the Social Justice Standards outlined by the Teaching Tolerance team we're engaging in the following:
- Identity- Identifying and learning about marginalized racial groups within our country from their perspective/voice.
- Diversity- Celebrating the diversity of our nation and highlighting the idea that our differences make us stronger if we choose to learn from one another.
- Justice-asking what justice looks like for those who have been marginalized.
 - Action-finding ways to use our voice and our resources to be an ally to those who have been oppressed.

What This Looks Like

- Optional Staff Book Clubs dealing with issues of race
 - Live sessions with students addressing issues of identity/diversity and celebrating differences
 - Hearing from marginalized groups through a Guest Speaker Series
- Parent Education opportunities for those parents who need tools to talk about race with their students
- Future Staff trainings around racial issues and how it should inform their pedagogy
- Future student book clubs geared towards understanding and social justice issues
- Future field trips looking at local historical sites through the lens of marginalized groups

II. THE BUDGET PROCESS

Development, Approval, Monitoring and Forecast Updates

Developing the Budget Draft

January - April

- Charter Impact reviews Governor's proposed state budget for the upcoming fiscal year and identifies the likely range of revenues for the school's upcoming fiscal year (July 1 - June 30) based on projected enrollment.
- Once the revenue estimates are complete, Charter Impact and the Principal develop the remainder of the budget including:
 - staffing levels,
 - instructional funds,
 - fixed costs, and
 - discretionary spending
- Then a five-year budget projection is developed in accordance with the schools' established strategic and growth plans.

Budget Approval

May - June

- Charter Impact and the Principal reviews revenue projections subsequent to the Governor's annual "May Revise" that is released in early May. This is the last estimate that the school receives prior to approval.
- The budget is then fine-tuned for the upcoming fiscal year to accommodate any changes. Typically changes are not large, FY20-21 was an exception due to the COVID-19 pandemic.
- The Board reviews and formally adopts a budget for upcoming fiscal year before June 30. A copy of the final budget is provided to the charter-granting agency.

Monitoring and Forecasting

July - December

- The budget is reviewed subsequent to the adoption of the state Budget Act and necessary adjustments are made.
- At the end of the first full week of school, the Principal reviews the Charter School's actual enrollment figures and notifies Charter Impact if changes are needed to the financial projections.
- On a monthly basis, the Principal and Board reviews current year actual versus budgeted revenues and expenditures, updated forecast based on current enrollment and spending trend and other financial reports as presented by Charter Impact.

HOW DOES FUNDING WORK?

Receivables Purchase/Flexible Funding Line

Charter School Capital purchases state aid payments due to the charter school from the state and, in exchange, provides funding to the school in advance of the state payment distribution date.

The state payment remains with the state until the scheduled distribution date arrives.

Charter School Capital assumes the timing risk if the state delays the distribution of the payments due to the school. There are no additional costs to the charter school in the event the state delays payments.

Learn more at <https://charterschoolcapital.org/resources/benefits-of-selling-receivables/>

How does the receivable sales program work?
 Charter School Capital and the charter school enter into a receivables purchase agreement and execute a bill of sale. Executing these agreements transfers ownership of the state payment to Charter School Capital and the school receives the agreed-upon funding. When the state distributes the payment to Charter School Capital, the funds are then distributed as outlined in the bill of sale.

WHAT OUR CLIENTS ARE SAYING
 Charter School Capital has helped us...

What are the costs associated with the sale of receivables?

- The costs are determined by market-related factors including, but not limited to: the type of receivable being sold, the time the receivable is outstanding, the credit-risk profile of the school, and market rates for similar investments.

Why choose receivable sales as a financing option?

- Selling attendance-based and other qualified receivables helps accelerate a charter school's ability to grow by allowing schools to access funds more quickly and in greater quantity.
- Our qualification process is streamlined and more than 95 percent of schools that apply qualify.
- Schools often have the ability to adjust funding levels to align with cash flow needs for existing operations and growth.
- The sale of receivables is a reliable and flexible option for raising much-needed capital for charter schools.

Why are Receivable Sales Beneficial to Charter Schools?
 Charter schools often have difficulty accessing capital from traditional sources for operations and growth. One method of financing widely used by many industries is receivable sales. This reliable and flexible transactional process, pioneered by Charter School Capital for charter schools, provides access to capital needed to support operations, facilities, programmatic expenses, or other obligations.

What is a receivable sales transaction?
 In a receivable sales transaction, Charter School Capital purchases state aid payments due to the charter school from the state and, in exchange, provides funding to the school in advance of the state payment distribution date. The state payment remains with the state until the scheduled distribution date arrives. Charter School Capital assumes the timing risk if the state delays the distribution of the payments due to the school. There are no additional costs to the charter school in the event the state delays payments.

How are the amounts available to the charter school calculated?
 Amounts available for a charter school to sell to Charter School Capital are typically established by attendance-based entitlements or eligible grants owed to the charter school. Selling attendance-based entitlements and grants gives the charter school community access to much-needed capital when they need it, so schools are able to focus on educating students.

NOW, THEREFORE, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. Shared Personnel. During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“**Shared Personnel**”) to perform the educational services described in Attachment A (the “**Services**”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. No third party shall have the authority to unilaterally impose the sharing of personnel between the Parties.

2. Lessor and Lessee Schools. The Parties acknowledge each School may both (i) employ an individual who will provide Services to another School; and (ii) receive Services from an individual employed by another School. The term “**Lessor**” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “**Lessee**” refers to a School receiving Services from another School’s employee(s) pursuant to the terms of the MOU. Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessor and its governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this MOU shall not

terminate the Shared Personnel's employment relationship with Lessor. Lessees are not, and nothing in this MOU shall cause Lessees to become, third party beneficiaries to Lessor's employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. Allocation. Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time. The Allocation shall be assessed at the intervals set forth in Attachment A for each year of this MOU and upon termination as set forth in Section 8.

4. Allocation of Services. Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party's Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. Allocation of Fees and Expenses. As consideration for the Services provided by Shared Personnel, each Lessee shall pay to Lessor the fees and expenses set forth herein.

a. Fees. Each Lessee shall pay to Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the Shared Personnel as set forth in Attachment C (including total gross wages, benefits, workers' compensation costs, statutory benefits, retirement benefit system contributions, and employment taxes). The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

b. Expenses. Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be divided by relative Allocation between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000.00 must be approved in advance by the affected Parties. To the extent such expenses are not incorporated in the total costs outlined in Attachment C, invoices for expenses shall be sent within thirty (30) days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts).

c. Invoicing. Each Party shall invoice the other Parties monthly for all fees and expenses incurred ("Monthly Invoice"). Each Monthly Invoice shall contain a brief description of the method by which the fees and expenses were calculated.

d. Payment Terms. Payment is due thirty (30) days from the date of delivery of the Monthly Invoice.

Lessee agrees to timely report to Lessor any non-compliant meal or rest periods and any overtime worked by non-exempt Shared Personnel while working on behalf of Lessee.

8. Term and Termination.

- a. Term. The MOU is effective as of July 1, 2020 and shall remain in effect until June 30, 2021 (the "**Term**"). This MOU shall automatically terminate unless renewed in writing by the Parties. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination of participation by any Party(ies) shall not terminate the MOU as to any other Party.
- b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.
 - i. Material Breach. Any Party may terminate this MOU in the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. If termination pursuant to this section is based upon a failure to pay an invoice in a timely fashion as outlined in Section 5(d) then the nonpaid Party may terminate the agreement with the nonpaying Party if that material breach has not been remedied within ten (10) business days of written notification of the material breach.
 - ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate its participation in the MOU effective upon the winding up of that charter's business, as set forth in any closure resolution. Notice of any such revocation or non-renewal shall be provided as soon as possible.

- iii. Duty to Pay Severance to Shared Personnel Upon Termination. In the event termination of this MOU results in termination of Shared Personnel's employment without cause thereby triggering a requirement to pay severance to Shared Personnel under their employment agreement with Lessor, the terminating party shall be responsible for paying for any severance, if any in the Shared Personnel's contract, up to two weeks of salary, or in the event of a termination by more than one Party, any such severance shall be paid according their relative Allocation.
- iv. Termination of Shared Personnel Arrangements. Any Lessor or Lessee may terminate a Shared Personnel arrangement for teachers or other instructional staff who directly support students at any time, with or without cause or advance notice. If a Lessor or Lessee seeks to terminate a Shared Personnel arrangement for an administrative staff position who does not typically directly serve students, Lessee and Lessor shall provide sixty (60) days' written notice to other Parties before such termination. If there any disputes concerning termination of Shared Personnel arrangements, the Parties agree to meet and confer to seek a resolution in good faith.

9. Intellectual Property; Work Product. Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

10. Confidentiality. Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. **"Confidential Information"** means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 11 shall survive termination of this MOU.

11. Student Information. Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

12. Insurance. Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

a. California Workers' Compensation Insurance, insurance as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator’s Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “*Additional Insureds*”) under the General Liability, Workers’ Compensation, and Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds

shall be excess to Lessor's insurance and shall not contribute to it.

f. Except for Workers' Compensation and Professional Liability coverages, Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor's obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work if possible.

13. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party's obligations under this MOU.

14. Indemnification. Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing, or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for the other Party's sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

15. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

16. Fiduciary Obligations. The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

17. Dispute Resolution. If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

18. Notice. All notices, requests, demands, or other communications (collectively “*Notice*”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

Comprehensive School Safety Plan

Lake View Charter School
Section A: General Information – School Safety - Includes Employee Fingerprint/Background Check - Ed Code 44237
Part 1: District Commitment to School Safety

Lake View Charter School is committed to ensuring that all enrolled students and all employees are safe and secure. Lake View Charter School believes that a beginning step toward safer schools is the development of a comprehensive plan for school safety by every school. Lake View Charter School intends that parents, students, teachers, administrators, counselors, classified personnel, and community agencies develop safe school plans as a collaborative process. The plan will be reviewed and updated on an annual basis and proposed changes will be submitted to the Board for approval.

Section A: General Information – School Safety - Includes Employee Fingerprint/Background Check - Ed Code 44237
Part 2: Legislative Requirements

The California Education Code (sections 35294-35294.9) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

This requirement was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 187/SB 334 to contain the following elements:

Plans for Charter Schools must “identify appropriate strategies and programs that provide and maintain a high level of school safety and address the school’s procedures for complying with existing laws related to school safety, *including but not limited to*” the following:

- A. Employee Fingerprint/Background Check – Ed Code 44237
- B. Child Abuse Reporting Procedures - Penal Code 11165.5 & .6
- C. Emergency/Disaster Plans – Ed Code 32287; CCR Title 8, Sec 3220; ADA
- D. Suspension/Expulsion policies and procedures – Ed Code 48915
- E. Procedures to notify teachers of dangerous pupils – Ed Code 49079
- F. Discrimination and Harassment Policy (include hate crime reporting procedures and policies)*
- G. Schoolwide Dress Code (if it exists - including prohibition of gang-related apparel)
- H. Procedures for safe ingress and egress of pupils, parents, and school employees to and from school site (pick-up, drop-off, maps, etc.)
- I. A safe and orderly environment conducive to learning at the school

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

Part 3: Maintaining a Safe and Orderly Environment

It is a priority of the administration and staff at Lake View Charter School that every student who attends our school will be provided with an environment in which the students not only feel physically safe, but that there is also a positive school climate in all activities.

Our administration and staff desire to provide an orderly, caring, and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements.

Our administration encourages staff to teach students the meaning of equality, human dignity, and mutual respect, and to employ cooperative learning strategies that foster positive interactions among students from diverse backgrounds.

Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school. Staff shall encourage and reward success and achievement, participation in community projects, and positive student conduct.

Our school network promotes nonviolent resolution techniques in order to encourage attitudes and behaviors that foster harmonious relations. Staff shall receive training which implements and supports conflict resolution (California Education Code Sections 32230-32239, 35160, 35160.1, 44806).

Lake View Charter School remains in compliance with existing laws related to school safety. This plan outlines several elements critical to maintaining a safe school environment.

Part 4: Criminal Background Check

CRIMINAL BACKGROUND CHECK

Lake View Charter School recognizes the importance of maintaining a safe workplace with employees who are honest, trustworthy, qualified, reliable, and nonviolent, and do not present a risk of harm to students, coworkers or others. Lake View Charter School will perform applicant background checks and employee investigations as required by Education Code section 47605 [b][f], which requires that “each employee of the school furnish the school with a criminal record summary”.

All employees must have Live Scan fingerprint results on file with Lake View Charter School. Proof of Live Scan fingerprinting is a requirement of employment and the results must be provided to Lake View Charter School prior to the first day of work. Live Scan fingerprinting will be required of all job applicants, employees, and volunteers as required by California and federal law. Background checks may also be required of employees whose job duties involve care of students, handling of money, valuables or confidential information, or as otherwise deemed prudent by the school. These background checks are performed through a fingerprinting service coordinated by the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Any and all information obtained by Lake View Charter School may be taken into consideration in evaluating one’s suitability for employment, promotion, reassignment, or retention as an Employee.

Lake View Charter School shall also request subsequent arrest notification from the Department of Justice and take all necessary action based upon such further notification.

Lake View Charter School may occasionally find it necessary to investigate current employees, where behavior or other relevant circumstances raise questions concerning work performance, reliability, honesty, trustworthiness, or potential threat to the safety of coworkers, students or others. Employee investigations may, where appropriate, include credit reports and investigations of criminal records, including appropriate inquiries about any arrest for which the employee is out on bail. In the event that a background check is conducted, Lake View Charter School will comply with the federal Fair Credit Reporting Act and applicable state laws, including providing the employee with any required notices and forms. Employees subject to an investigation are required to cooperate with Lake View Charter School’s lawful efforts to obtain relevant information, and may be disciplined up to and including suspension without pay and/or termination for failure to do so.

Employees with adverse background information (such as certain specific criminal conviction) may be ineligible for employment with Lake View Charter School.

Section B: Child Abuse Reporting Procedures - Penal Code 11165.5 &.6
Part 1: Child Abuse Reporting Procedures

Child abuse reporting law (Penal Code Section 11166) requires that a Lake View Charter School employee who has reason to believe that a child has been subjected to abuse, report the incident to the proper authorities.

At Lake View Charter School, protecting children from child abuse is a major priority. Each year the administration sets aside time to meet with staff to discuss child abuse indicators and to remind teachers of the procedures to follow when abuse is suspected.

Employees of Lake View Charter School are familiar with Penal Code Section 11166 and understand the requirement that certificated and classified personnel report suspected child abuse immediately or as soon as practically possible to Children's Protective Services by telephone. They are aware that a call must be followed within at least 36 hours by a written report to the child protective agency.

All staff is aware of the location of a Child Abuse Information Folder that is kept on file and updated regularly. It includes informational literature, guidelines for recognizing abuse and specific directions for reporting it.

The determination as to who should be contacted will depend greatly upon the situation at hand. The local law enforcement agency will dispatch a unit to the school as soon as possible. Children's services may take much longer to respond. School personnel should always take into consideration the severity of the abuse and the extent to which the student's safety is at risk.

Section B: Child Abuse Reporting Procedures - Penal Code 11165.5 &.6
Part 1: Child Abuse Reporting Procedures

The requirements of school personnel and the identification and reporting of known or suspected child abuse to a protective agency is mandated by the State of California Penal Code. In fact, failure to do so on the part of school personnel could lead to penalties which might be imposed on these individuals. Lake View Charter School board policies are continually updated to reflect appropriate legislation. Excerpts from the California Penal Code and Lake View Charter School Board Policy are presented below.

From California Penal Code Section 11166

...any child care custodian, health practitioner, or employee of a child protective agency who has knowledge or observes a child in his or her professional capacity within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

Lake View Charter School
– Child Abuse Prevention Programs

Recognizing that our responsibility to students includes the protection of their physical and mental well-being, the Governing Board desires to provide whatever opportunities or resources may be available for the prevention of child abuse.

The Board agrees with the Legislature that:

1. Child abuse and neglect is a severe and increasing problem in California.
2. School districts and preschools are able to provide an environment for training of children, parents, and all school district staff.
3. Primary prevention programs in the school districts are an effective and cost-efficient method of reducing the incidence of child abuse and neglect and for promoting healthy family environments.

At the time the verbal report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Within thirty-six (36) hours of making the telephone report, the mandated reporter will complete and mail a written report to the local child protective agency.

The written report shall include completion of the required standard Department of Justice form (DOJ SS 8572).

The mandated reporter may request and receive copies of the appropriate form either from the school district or directly from the local child protective agency.

Detailed instructions for completion of the form are on the back sheet of the form. Reporters may request assistance from the site administrator in completing and mailing the form; however, the mandated reporter is still responsible for ensuring that the written report is correctly filed.

3. Employees reporting child abuse to a child protective agency are encouraged, but not required, to notify the site administrator or designee as soon as possible after the initial verbal report by telephone. The site administration, when notified, shall inform the Executive Director.

Administrators so notified shall provide the mandated reporter with any assistance necessary to ensure that the verbal or written reporting procedures are carried out according to state law and district regulations. If requested by the mandated reporter, the Executive Director may assist in the completion and filing of these forms.

Legal Responsibility and Liability

1. Mandated reporters have absolute immunity. School employees required to report are not civilly or criminally liable for filing a required or authorized report of known or suspected child abuse.

2. A mandated reporter who fails to report an instance of child abuse, which he/she knows to exist or reasonably should know to exist, is guilty of a misdemeanor and is punishable by confinement in jail for a term not to exceed six (6) months or by a fine of not more than one thousand dollars (\$1,000) or both. The mandated reporter may also be held civilly liable for damages for any injury to the child after a failure to report.
3. When two (2) or more persons who are required to report jointly, have knowledge of suspected instance of child abuse, and when there is agreement, and a single report may be made and signed by the person selected. However, if any person who knows or should know that the person designated to report failed to do so, that person then has a duty to make the report.
4. The duty to report child abuse is an individual duty and no supervisor or administrator may impede or inhibit such reporting duties. Furthermore, no person making such a report shall be subject to any sanction.

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse, the Executive Director shall not notify the parent or guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer with the address and telephone number of the child's parent or guardian.

It is the responsibility of the peace officer to notify the parent or guardian of the situation. Peace officers will be asked to sign an appropriate release or acceptance of responsibility form (cf. 5145.11 – Questioning and Apprehension).

Part 1: Child Abuse Reporting Procedures

Lake View Charter School

When School Employees are Accused of Child Abuse

Regardless of who child abusers may be, the major responsibilities of mandated reporters are to (1) identify incidents of suspected child abuse, and (2) comply with laws requiring reporting of suspected abuse to the proper authorities. Determining whether or not the suspected abuse actually occurred is not the responsibility of the school employee. Such determination and follow-up investigation will be made by a child protective agency.

Parent/guardians or members of the public accusing school employees of child abuse should be made aware of the ramifications of making false reports and should be provided with information regarding child abuse and child abuse reporting.

Pending the outcome of an investigation by a child protective agency and prior to the filing of formal charges, the employee may be subject to reassignment or a paid leave of absence.

Disciplinary action resulting from the filing of formal charges or upon conviction shall be in accordance with district policies, regulations and/or collective bargaining agreements. The Executive Director or designee should consult with legal counsel in implementing either suspension or dismissal.

Section C: Emergency/Disaster Plans - Ed Code 32287; CCR Title 8, Sec 3220 ADA
Part 1: General Information – Disaster

Lake View Charter School will take all necessary measures to keep students, staff and visitors safe in the event of a disaster. The following sections of this plan outline basic responsibilities for all staff for specific incidents

The Lake View Charter School has developed a Standardized Emergency Management System (SEMS) Plan that outlines in more detail, specific responsibilities for Emergency Response Teams at this school.

This Emergency Action Plan is being developed to provide information to the staff at Lake View Charter School to ensure pertinent information is available in the case of an incident that warrants a response. It is written in accordance with California Code of Regulations, Title 8, Section 3220 which outlines the components required for a plan. There are also components of the Standardized Emergency Management System (SEMS) and National Incident Management System (NIMS), including the Incident Command System incorporated in this plan. The purpose for the inclusion is that while Lake View Charter School may not have students on site, it will serve as an Emergency Operations Center if a multi-site incident occurs and support is needed for school or local community. At that time, the role of Lake View Charter School would be to serve as a resource and clearinghouse for information.

The plan is developed with a multi-hazard perspective to make it applicable to the widest range of emergencies and disasters, both natural and human caused. However, Administrators retain the flexibility to modify procedures and/or organization structure as necessary to accomplish the emergency response and recovery missions in the context of a particular hazard scenario.

INTRUSION AND/OR FIRE ALARMS

Students learn primarily at home. 9-1-1 should be called in an emergency.

PLAN IMPLEMENTATION

A key component to this plan is the Incident Command System (ICS). The five basic functions of: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration must remain consistent, but the formation of the teams within those sections can be flexible to meet each school's needs.

To properly complete the EOP, the school needs to: (1) Assign roles for Management staff and Section Chiefs (2) form the site emergency teams, (3) provide the appropriate training for all staff (4) conduct exercises to test the plan, and (5) update the plans as needed.

Employees shall be offered training on the specifics of this plan when it is initially developed and when new employees are hired. Employees should be retrained when the plan changes due to a change in the layout or design of the facility, when new equipment, hazardous materials, or processes are introduced that affect evacuation routes, or when new types of hazards are introduced that require special actions. It would also be helpful to provide annual awareness training as a reminder. General training for employees should address the following:

- Individual roles and responsibilities.
- Threats, hazards, and protective actions.
- Notification, warning, and communications procedures.
- Emergency response procedures.
- Evacuation, shelter, and accountability procedures.
- Location and use of common emergency equipment.
- Emergency shutdown procedures.

Additional training may also need to be provided (i.e. first-aid procedures, portable fire extinguisher use, etc.) depending on the responsibilities allocated employees in the plan.

Once the emergency action plan has been reviewed with employees and everyone has had the proper training, it is a good idea to hold practice drills as often as necessary to keep employees prepared. Include outside resources such as fire and police departments when possible. After each drill, gather management and employees to evaluate the effectiveness of the drill. Identify the strengths and weaknesses of your plan and work to improve it.

ABOUT EMERGENCY MANAGEMENT SYSTEMS

Through the years, those agencies responsible for disaster response have come up with several different models for coordinating that response. Although these models differ, they share a common background: The Incident Command System (ICS). As a member of your school's emergency response team, you will need to be familiar with ICS and the emergency management systems used in California.

Incident Command System (ICS) Developed in the 1970's by Southern California Fire Protection Agencies, this system was designed to coordinate multi-jurisdictional response. The beauty of ICS is that it is based upon common terminology and on the division of response activities into five functional units that essentially eliminates the possibility of the duplication of efforts. ICS became the model for the state's system.

Standardized Emergency Management System (SEMS) Developed in response to the lack of agency and multi-jurisdictional coordination during the Oakland Fires of 1991, SEMS became the state-wide standard for coordinated emergency response. All agencies involved in emergency response are legally required to use SEMS. In fact, the **STATE** reimbursement of local costs incurred for emergency response/recovery is tied to the use of SEMS.

National Incident Management System (NIMS) After the national tragedy on September 11, 2001, it became clear that the country needed an emergency response system to address incidents that affected the entire nation. The national government looked at the system used in California and used it as a model to develop a national response system called NIMS. It is a FEMA approved emergency response system and will become the national model. National compliance was expected by 2006 but is still in progress. **FEDERAL** funding for emergency response/recovery grants is tied to the use of NIMS.

SCHOOL RESPONSE

In 1994 the State of California legislators passed the Petris Bill. This bill **requires** schools (who are considered to be special districts) to use the SEMS model in planning for, and responding to, school emergencies and disasters. HOMELAND SECURITY PRESIDENTIAL DIRECTIVE HSPD-5, which mandated the development and implementation of NIMS, now requires schools to integrate that system into their plans as well.

WHAT SPECIFIC LAWS* APPLY TO SCHOOLS

THE FIELD ACT

(Garrison Act and Riley Act)

Sets building code standards for construction and remodeling of public schools and assigns the responsibility for assuring building code compliance to the Division of the State Architect.

THE KATZ ACT

Requires schools to establish an earthquake emergency system:

- Develop a disaster plan
- Conduct periodic drop and cover drills, evacuation procedures and emergency response actions—once each quarter in elementary schools and once each semester in secondary schools
- Provide training to students and staff in emergency response procedures
- Be prepared to have your school serve as a possible public shelter
- Take mitigation measures to ensure the safety of students and staff—such as securing equipment and furniture.

PUBLIC EMPLOYEES ARE DISASTER SERVICE WORKERS

California Government Code Section 3100

All school employees are considered disaster service workers when:

- A local emergency has been proclaimed
- A state emergency has been proclaimed
- or,**
- A federal disaster declaration has been made

NOTE: During a declared disaster, school employees are required, by law, to serve as disaster service workers and cannot leave their school site until formally released.

- Certificated employees risk losing their teaching credentials
- Classified employees may be charged with a misdemeanor

*This is not a legal opinion, confirmation is required determine if your organization is exempt from any regulations targeting schools. The assumption is that the laws apply to all public schools.

POST-DISASTER SHELTERS

Schools are required by both federal statute and state regulation to be available for shelters following a disaster.

- The American Red Cross has access to schools to set up shelters
- Local governments have access to schools to set up shelters
- Plan and make arrangements in advance to assure that you are prepared.

THE PETRIS BILL

California Government Code Section 8607

Requires schools to respond to disasters using the Standardized Emergency Management System (SEMS) by December 1996.

- ICS - (Incident Command System) organizing response efforts into five basic functions: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration
- EOC - (Emergency Operations Center) setting up a central area of control using the five basic functions
- Coordinate all efforts with the operational area (county) EOC, city EOC and county office of education EOC
- Incorporation of SEMS into all school plans, training and drills
- Documentation of the use of SEMS during an actual emergency

HOMELAND SECURITY PRESIDENTIAL DIRECTIVE HSPD-5

February 28, 2003

On February 28, 2003, President George W. Bush issued Homeland Security Presidential Directive 5 (HSPD-5). HSPD-5 directed the Secretary of Homeland Security to develop and administer a National Incident Management System (NIMS).

HSPD-5 requires Federal departments and agencies to make the adoption of NIMS by state and local organizations a condition for Federal preparedness assistance (grants, contracts and other activities) by Fiscal Year 2005.

NIMS training requirements: All school employees (as designated Disaster Services Workers) are to complete ICS100, ICS200 and IS700.)

USING SEMS AND NIMS IN YOUR SCHOOL - AN OVERVIEW

Within SEMS and NIMS, an emergency response organization, known as the Incident Command System, consists of five Sections:

Management: responsible for policymaking with respect to disaster planning and preparedness and for the overall coordination of emergency response and recovery activities. This section has four members, the EOC Director/Incident Commander (IC), the Public Information Officer (PIO), the Safety Officer, and the Liaison Officer (LO). In short: they are *the leaders*.

Planning/Intelligence: responsible for creating the action plans and checklists that will be used by all of the sections during crisis response and recovery. The section is comprised of two teams: the Situation Status Team and the Documentation Team. During an emergency, these teams gather, analyze, disseminate, and record information critical to the functioning of the Management Section. Planning/Intelligence are often referred to as *the thinkers*.

Operations: responsible for response preparedness of the Assembly/Shelter, Communications, Crisis Intervention, Light Search and Rescue, First Aid, Student Release/Staff Accounting, and Maintenance/Fire/Site Security Teams. During a disaster, this section directs response activities of all of these teams and coordinates that response with the Management Section. These folks represent *the doers*.

Logistics: prior to a disaster, this section is in charge of creating a transportation plan, and ensuring that there are adequate supplies of food, water, and equipment for crisis response. During an emergency, the section's two teams, the Supplies/Staffing Team and the Transportation Team provide services, personnel, equipment, materials, and facilities, as needed. They are *the getters*.

Finance/Administration: in charge of creating policies and procedures for documenting costs associated with emergency response. This section has one team, called the Recordkeeping Team. During a disaster, they activate contracts with vendors, keep time records, track receipts, and account for expenditures. Their efforts make it possible for schools to reclaim costs associated with response and recovery activities from the state. They also gather all paperwork and

documentation at the end of the incident for inclusion in the After Action Report (AAR). They are called ***the payers***.

THE EMERGENCY OPERATIONS CENTER

During an emergency, the Management Section gathers together in an area/room to set-up a “command center” also known as the Emergency Operations Center (EOC). In the EOC, the Management Section makes decisions affecting response activities based upon information coming in from the Section Chiefs.

A Word About Unified Command

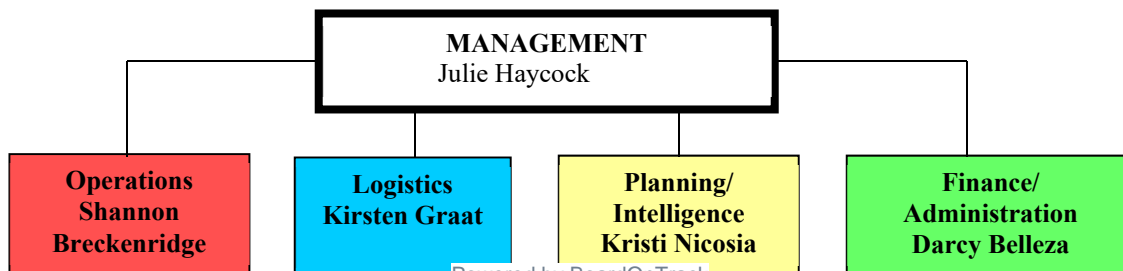

The control of and response to emergencies is the sole responsibility of the site teams *until* first responders arrive. Once they arrive, incident command transitions to **“Unified Command.”** This transition is immediately facilitated by an on-site briefing of first responders by the Management Staff and Section Chiefs. Following the initial briefing, the site’s Incident Commander will begin to work closely with representatives of each response agency to plan and carry out response activities. Other employees may be asked to participate as well, depending upon the incident at hand and the available staffing of emergency responders. All staff should be prepared to participate if necessary.

In the EOC, this means that first responder representatives will essentially be running response activities in consultation with the organization’s Management Staff and Section Chiefs. In the field, Team Leaders and Team Members will work alongside first response teams, *unless* the EOC Director/Incident Commander has deemed it is too dangerous or unsafe for them to do so. *Remember*, first responders are professionals. Work with them and take your cues from them.

The Dual Role of the School Office

- The School must organize to respond to incidents that occur at their location
 - Ensure that the School has a functional Emergency Action Plan
 - Ensure that School staff are trained and well prepared
- The School office must also organize to provide support when the incident happens at school sites within the organization
 - Provide leadership
 - Provide assistance with response and recovery, when needed
 - Ensure that school staff are trained and well prepared
 - Ensure that each school has a functional Emergency Operations Plan

INCIDENT COMMAND SYSTEM AND DIVISION OF LABOR

Divisions of Labor

Each one of the five functions have certain roles and responsibilities during a disaster or school emergency. The Management Section oversees response activities in consultation with the Chiefs of the Operations, Logistics, Planning/Intelligence, and Administration/Finance Sections. Each of these sections in turn, has a team or teams tasked with implementing very specific components of the emergency response plan.

Students primarily learn at home. No learning center/resource center.

The following Standard Operating Procedures have been developed to address a multitude of incidents that could occur at a school office or student location. This is a living document that should be updated and modified as additional information is acquired. A hazard assessment should be conducted to identify specific areas of concern for your location in order to maximize the number of response situations included in this plan.

EVACUATION PROCEDURES

Earthquakes, fire, bomb threats, hazardous chemical spill, or an incident on or near campus are just a few examples of an emergency incident situation that may require that portions of a building or an entire school building be evacuated.

The building Emergency Preparedness Committee should identify evacuation areas on site and alternative off-sites areas should it be necessary to evacuate.

A safe evacuation route must be able to accommodate moving a large number of people, while not exposing employees to danger. The location and type of emergency necessitates evaluation and possible adjustments to the usual evacuation routes. This evaluation will determine if the building should be evacuated in segments or if stationing a person at certain exits is necessary so that staff can be re-routed away from danger.

The movement of staff out of buildings requires accounting for every employee. In order to account for staff, work area supervisors must have available employee lists so that missing or extra staff can be reported immediately to the Command Posts (school; law enforcement; fire). When evacuating their work area, work site supervisors must bring with them the location roster and emergency supplies.

During an evacuation, the following procedures must be followed:

- ✓ Move staff to the designated Evacuation Area.
- ✓ Take roll by completing Staff Accountability Form
- ✓ Runners collect Staff Accountability Report from classroom or work areas.
- ✓ If employee has an assignment on Emergency Management Team Organizational Chart, report to the Command Post (CP) and sign in.
- ✓ Report to Incident Commander (IC) for briefing and assignment.

LOCKDOWN/REVERSE EVACUATION PROCEDURES

Some emergencies may prevent safe evacuation and require steps to isolate staff from danger by instituting a lockdown. Other emergencies may occur prior to the work day, during break or lunch periods, or after the work day. When staff may be outside the school building or work site, a reverse evacuation should be initiated.

All employees and must be familiar with the specific actions they must take during a lockdown or reverse evacuation. Discussions, training, and practice drills are essential to make these procedures workable.

In the event of a lockdown or reverse evacuation, work area supervisors must utilize the following procedures:

- ✓ If outside, move to the nearest building or room providing it is a safe route and that you are not moving in the direction of danger.
- ✓ If inside, stay inside.
- ✓ Lock door(s) to buildings and or work areas.
- ✓ If possible, quickly close all windows and then move away from the windows.
- ✓ Use caution when allowing late reporting staff to enter into a classroom.
- ✓ Have staff hide, if appropriate.
- ✓ Take roll using Staff Accountability Form.

Report any “extra” staff that sought cover in your work area. Take this form with you if you are directed by the Incident Commander to evacuate your work area at a later time.

- ✓ Await further instructions from the Incident Commander via public address system, phone or an e-mail notification to all staff.
- ✓ **DO NOT** use the telephone to call out as all lines must be kept open, unless there is a dire emergency in your work area.
- ✓ Remain in the room/office until a member of the Emergency Management Team or a law enforcement officer arrives with directions.

PROCEDURES FOR CONDUCTING A “SIZE-UP”

A “**SIZE-UP**” is a nine-step continual data gathering process that determines if it is safe to perform a certain emergency task, whether fire suppression, search and rescue, facilities assessment, etc. A size-up enables first responders to make decisions and respond appropriately in the areas of greatest need. The nine steps in a “**size-up**” are:

1. Gather Facts:

- What has happened?
- How many people are involved?
- What is the current situation?
- Does the time of day or week affect this situation?
- Do weather conditions affect the situation (e.g. forecast, temperature, wind, rain)?
- What type(s) of structures are involved?
- Are buildings occupied? If yes, how many?
- Are there special considerations involved (e.g. children, elderly, disabled)?
- Are hazardous materials involved at or near the situation?
- Are other types of hazards likely to be involved?

2. Assess and Communicate the Damage:

- Take a lap around each building and try to determine what has happened, what is happening now, and what may happen next.
- Are normal communications channels functioning (e.g. ICS, radios, e-mail, phones)?

3. Consider Probabilities:

- What is likely to happen?
- What is the worst-case scenario?

4. Assess Your Own Situation:

- Are you in immediate danger?
- Have you been trained to handle this situation?
- What resources are available which can assist with your current situation?

5. Establish Priorities:

- Are lives at risk? Remember, life safety is the first priority!
- Can you and available resources handle this situation SAFELY without putting others at risk?
- Are there more pressing needs at the moment? If yes, what are they?

6. Make Decisions:

- Base decisions on the answers to Steps 1 through 3 and the priorities that your team has established.
- Where will deployment of resources do the most good while maintaining an adequate margin of safety?

7. Develop an INCIDENT ACTION PLAN:

- Develop a plan that will help you accomplish your priorities.
- Simple plans may be verbal, but more complex plans should always be written.
- Determine how personnel and other resources should be deployed.

8. Take Action:

- Execute your plan, documenting deviations and status changes so that you can accurately report the situation to first responders, the Incident Command Post, the EOC, or other agencies that respond to the scene (e.g. fire, law enforcement, medical, media, coroner, parents).

9. Evaluate Progress:

- At reasonable intervals, evaluate progress in accomplishing the objectives in the plan of action (Incident Action Plan) to determine what is working and what changes you may have to make to stabilize the situation

BOMB THREAT

TELEPHONE BOMB THREAT

- During the call, complete the bomb threat checklist found on the next page.
- Stay on the line with the caller as long as possible, continuing to try and obtain more information about the threat.
- Have someone else call **911** (dial 9 is to obtain outside line) and notify the School office.
- Without using portable radios or cell phones, organize a meeting with the school's Emergency Management Team (EMT). Radio and cell phone usage can resume once you are 300 feet away from school premises as a bomb could be hidden outside.
- If necessary, implement the ICS with only those positions deemed necessary.
- Assign a recorder to document events as they take place.
- Any search of the site should be done under the direction of law enforcement.
- The decision to evacuate the location is the responsibility of the Executive Director or his/her designee.
- If an evacuation is ordered, do not touch anything while leaving the building. Report any suspicious items to the Incident Commander.
- Follow off-site evacuation procedures.
- If the caller identifies a location where the device has been placed, avoid evacuating through the identified area.
- EMT members responsible for off-site evacuation and student accounting should begin making preparations for an orderly transition of the students/staff to the evacuation site.
- If an announcement is made over the school PA to evacuate, remind teachers and site supervisors to bring their class or work area rosters and emergency supplies.
- When the off-site evacuation location is reached, account for all students and staff. Report missing students/staff to the Incident Commander. The Incident Commander will report missing students/staff to the law enforcement agency assisting with the evacuation.
- Re-entry onto the school campus can only take place at the direction of Incident Commander.

E-MAIL BOMB THREAT

- Save the e-mail message.
- Print a copy of the message and give to the Executive Director, law enforcement, and the Technology Department.
- Follow applicable procedures from above.

FIRE/EXPLOSION

Apart from arson, major causes of fires include improper handling and storage of flammable liquids, overloaded electrical outlets, and excessive accumulation of rubbish.

FIRE DRILL PROCEDURES

- NO advance notice of fire drills should be given to building occupants.
- All drills shall be conducted using the same procedures that would be followed in case of an actual fire.
- Fire drills should be conducted at different hours of the day.
- An appropriate number of staff members should know how to reset the fire alarm.
- Immediately after the alarm has sounded for the drill, call the Fire Department non-emergency number to advise that this is only a drill.
- Keep documentation for each drill and record notable events for future consideration/improvement.

POSTING OF EVACUATION ROUTES

- A map, showing the primary and secondary evacuation routes shall be posted inside each room. The evacuation map shall have the office location highlighted and be placed on the wall so that an arrow indicating the exit route is pointing in the direction of the exit from the room.
- The map shall be labeled “**EVACUATION PLAN**” in bold letters and prominently posted in hallways, offices, bathrooms, cafeterias, lounges.

FIRE/EXPLOSION CHECKLIST

- If fire or smoke is detected, or a burning odor is sensed, pull the closest fire alarm to initiate building evacuation procedures.
- Call **911** to report all known information about the incident.
- Site administration should assign a recorder to begin documentation of the event.
- Before leaving a work area, the work area supervisor or their designee should make sure all windows are closed.
- Procedures for anyone with special-needs should be planned in advance and practiced.
- Administration should initiate the Incident Command System (ICS) and the designee assumes the role of the Incident Commander (IC) and establishes a Command Post staging area.
- Supervisors are to complete the Staff Accountability Report.
- Data collected from the **Staff Accountability Form** will determine if the Incident Commander needs to activate additional portions of the ICS, such as First Aid, Medical, Search and Locate/Rescue, etc.
- Establish contact with fire and law enforcement agencies.
- The fire department will give clearance to site administration when it is OK for staff to re-enter the building or an alternative plan if the building will not be able to be occupied.

EARTHQUAKE

An earthquake’s effect on facilities will vary from building to building. Fire alarm or sprinkler systems may be activated by the shaking. Elevators and stairways will need to be inspected for damage before they can be used. Another major threat during an earthquake is from falling objects and debris. Injuries may be sustained during the earthquake while evacuating the building(s) or upon re-entry. Use the following guidelines/procedures to manage the incident:

IF INDOORS

- **DROP, COVER AND HOLD ON** by getting under a desk or table. Protect eyes, head and neck.
- Move away from windows and objects that could fall.
- Stay under desk or table until shaking stops.
- Listen for emergency instructions.

- Evacuate building if necessary and stay away from buildings, utility poles and large objects while transferring to the assembly area.
- Account for all staff using Staff Accountability Report.

IF OUTDOORS

- Move away from buildings, utility poles and large objects.
- Avoid all downed electrical lines.
- Do not touch any wire or any metal objects.
- Sit down in a safe area.
- Move to assembly area and begin accounting for all staff.

IN VEHICLE:

- Stop vehicle in a safe location away from power lines, overpasses or buildings.
- Stay in vehicle and establish radio contact with School office.

GENERAL GUIDELINES (AFTER THE QUAKE):

- Be prepared for aftershocks and ground motion.
- Evaluate immediate area for earthquake related hazards (fire, building collapse, gas leaks, downed electrical lines, wires, etc.).
- Account for all staff.
- Activate necessary portions of the ICS in collaboration with the site emergency team.
- Determine injuries and provide basic first aid via Medical/First Aid Group.
- Call **911** if there is a major emergency that is life threatening. You may not get a response from **911** if a major disaster has occurred affecting a large local area. **As we have been warned, we may be on our own for several hours or days.**
- Establish communication with your Supervisor and Incident Commander
- Assist any law enforcement or fire units that may respond to your site.
- Control internal and external communications, including contact with school sites and city agencies by use of telephones, cell phones, radios, runners, e-mail, text messages, or other means.
- Refer all media inquiries to the PIO.
- In communication with the school sites, assess the overall situation, how long students and staff might be at school, how supplies might be distributed and sheltering of students and staff.

SHOOTING/STABBINGS

No single warning sign can predict that a dangerous act will occur; however, certain warning signs may indicate that someone is close to behaving in a way that is potentially dangerous to self and/or others. Imminent warning signs usually are present as a sequence of overt, serious, or hostile behaviors or threats directed at peers, staff (usually more than one staff member), as well as the person's immediate family.

IMMINENT WARNING SIGNS REQUIRE AN IMMEDIATE RESPONSE AND MAY INCLUDE THE FOLLOWING

- Physically fighting with peers or family members.
- Hostile interactions with law enforcement that involve a number of recorded incidents.
- Hostile interactions with staff and administration.
- Destruction of property (school, home, community).
- Severe rage for seemingly minor reasons.
- Detailed (time, place and method) threats (written and/or oral) to harm or kill others.

- Possession and/or use of firearms and other weapons.
- Self-injurious behaviors or threats of suicide.
- Is carrying a weapon, particularly a firearm, and has threatened to use it.

WHAT TO DO IF A SHOOTING/STABBING OCCURS AT THE SCHOOL OFFICE

- The first indications of a shooting may include: sound of gunfire, loud cracking sounds, banging noises, windows shattering, glass exploding, bullets ricocheting or a report of a stabbing incident on campus.
- Call **911**. Identify your address, and succinctly explain the emergency incident and exact location. Stay on the line until the **911** dispatcher has all the information needed to respond to the situation.
- Activate Incident Command System (ICS) with Emergency Management Team.
- Establish Command Post and appoint Incident Commander and communicate location to law enforcement and fire/rescue units.
- Notify appropriate individuals, i.e. Administrators, Policy Group.
- Provide information, when practicable, about the incident to staff via PA system, e-mail or by phone.
- Account for all staff members by using phone or e-mail or other communication means. Attempt to determine if the shooter/stabber is still on the work site.
- Attempt to determine if the weapon has been found or secured.
- Attempt to determine if the shooter/stabber has been identified.
- Assign a liaison (preferably an administrator) to interface with law enforcement and fire department.
- Liaison can supply law enforcement with radio or phone communication, phone numbers, maps, keys, and other information deemed pertinent to the safe operation of the incident.
- Gather witnesses in secure room for law enforcement questioning. DO NOT allow witnesses to talk to one another (to protect the investigation). Assign staff to stay with witnesses until law enforcement arrives.
- Develop plan to evacuate staff to an off-site or alternate evacuation area should it be necessary to evacuate the building.
- Gather information of staff members involved in the incident.
- Prepare written statements for telephone callers and media in cooperation with law enforcement and the Executive Director. Can a message be placed on the website?
- Provide a liaison representative for family members for any injured staff members.
- Provide Crisis Response Team to provide counseling and to help deal with any psychological factors.

IF STAFF ARE OUTSIDE, THEY SHOULD BE TRAINED AND/OR INSTRUCTED TO

- Move or crawl away from gunfire, trying to put barriers between you and the shooter.
- Understand that many barriers may visually conceal a person from gunfire but may not be bulletproof.
- Try to get behind or inside a building. Stay down and away from windows.
- When reaching a relatively safe area, stay down and do not move. Do not peek or raise head.
- Listen for directions from law enforcement.
- Provide your name to work area supervisor who is accounting for all staff.
- Help others by being calm and quiet.
- Provide law enforcement with as much information as possible, such as:
 - ✓ Is suspect still on site and do you know current location?
 - ✓ Where was the specific location of occurrence?
 - ✓ Are there wounded staff members? How many?

- ✓ Description of all weapons (hand gun, shotgun, automatic, dangerous objects, explosive devices, other).
- ✓ Describe sound and number of shots fired.

SCENE OF INCIDENT

- The scene of an incident/crime shall be preserved.
- With the exception of rescue and law enforcement personnel, no one is allowed to enter the immediate area or touch anything.
- Any witnesses, including staff members, should be held near the area of the incident and be made available to law enforcement for questioning.
- Law enforcement responding to the incident will coordinate activities at the scene of the incident and finished, release the area to school officials when finished.

DEATH AND/OR SUICIDE

Death at a workplace is rare; however, you should be prepared in the event of a death whether it be caused by earthquake, explosion, building collapse, fire, choking, heart attack, seizure, or an incident such as a shooting/stabbing, fight, suicide, etc.

Organizations should also be prepared for the sudden, unexpected death of a staff member or a family member that does not occur on the school campus (automobile accident, sudden death, drive by shooting, gang violence, etc.).

Guidelines to utilize in the event of a death are outlined below.

DEATH OCCURS AT SCHOOL (student's learn primarily at home)

- Call **911**. Identify your address and briefly outline the emergency and location on campus.
- Notify the school administration.
- Activate the Incident Command System if necessary and contact the school Emergency Management Team. Assign staff as needed.
- Notify the Managing Director's office.
- Isolate other staff from scene.
- If there is a death, do not move body. Law enforcement will contact the coroner's office so that the body can be removed, and any personal items of the victim can be returned to family or secured as evidence.
- DO NOT disturb or touch anything if the event is declared a crime scene.
- Secure area with yellow caution tape and assign staff to guard area.
- Gather all witnesses and place them in a secure location. Tell witnesses not to discuss any part of their observations until law enforcement arrives to interview or release them. Assign staff to monitor witnesses.
- Consider impact on staff. Activate the Crisis Response Team as appropriate.
- If the deceased is an employee, the Executive Director must notify Cal-OSHA within the 8-hour time requirement. Law enforcement or fire department may inform you they will contact Cal-OSHA; however, the School still must make certain it calls Cal-OSHA.
- Monitor staff emotional responses. Following a death there may be:
 - ✓ Self-referrals
 - ✓ Parent referrals
 - ✓ Reports and concerns expressed by relatives or good friends
 - ✓ Students who have experienced a recent loss.
- Develop a list of students and staff members that are having emotional symptoms.

HOSTAGE SITUATIONS

In any hostage situation, the primary concern must be the safety of staff.

Individuals who take hostages are frequently disturbed and the key to dealing with them is to make every attempt to avoid antagonizing them. Communication and demeanor with a hostage taker must be handled in a non-threatening, non-joking manner, always remembering that it may take very little to cause an individual to become violent.

IF THE OFFICE IS TAKEN HOSTAGE

- Do not use words such as “hostage,” “captives,” or “negotiate.”
- Stay calm.
- No heroics, challenges or confrontation.
- Obey all commands.
- When safe, call **911**. Identify your work site and give the exact location in the building of the incident. Stay on the phone until law enforcement arrives to assume control of the situation.
- If possible, assign another staff member to notify the Site administrator.
- If possible, initiate a work site lockdown to stabilize areas around the incident and make for an easier evacuation.
- The work site emergency team shall activate the Incident Command System and make needed assignments including staging a Command Post (CP) and appointing an Incident Commander (IC).
- If possible, the emergency team should provide law enforcement with a liaison from the work site. The liaison can assist in providing name of IC, location of CP and obtaining maps, keys, radio and phone numbers, etc.
- Keep all radios, television sets, and computers turned off to minimize any possibility that suspect can hear or see “NEWS REPORTS.”
- Make an effort to establish rapport with suspect. Provide your first name. Find out his/her first name and use first names, including those of other staff members involved in the situation. If you do not know first names, refer to the hostages(s) as men, and women.
- Be calm and patient and wait for help. Keep in mind that the average hostage incident lasts approximately six (6) to eight (8) hours, and the average barricade incident lasts approximately three (3) hours. **TIME IS ON YOUR SIDE.**
- Anticipate a point of law enforcement entry, rescue and how suspects will be apprehended.

WHEN THE HOSTAGE LOCATION IS OTHER THAN AN OFFICE

- Immediately call **911**. Identify your address and the situation, providing the exact location of the incident. **STAY ON THE LINE UNTIL LAW ENFORCEMENT ARRIVES.**
- While on the phone with the **911** dispatcher report the following if known:
 - ✓ Number of suspect(s)
 - ✓ Names(s) of suspect(s) (if known)
 - ✓ Description of suspect(s):
 - Male or Female
 - Race
 - Weight (Light; Lean; Heavy; Obese) stay away from using lbs.
 - Height (short; medium; tall) avoid using feet/inches
 - Hair
 - Eyes

- Approximate age
- Description of clothing
- Anything special or unusual, like:
 - Scars
 - Tattoos
 - Burn marks
 - Birthmarks
 - Pierced body parts
 - Jewelry
- ✓ Exact location of suspect (building, room) and include North, South, East or West in your directions.
- ✓ Approximate number of staff in hostage area.
- ✓ Are weapons or explosive devices involved?
- ✓ Have any shots been fired? If yes, describe sound and number of shots fired.
- ✓ Are there reports of any injuries or emergency medical needs (medication)? Describe exact location and condition of victim(s).
- ✓ Are there any demands the suspect has made?
- ✓ Is there any other background information, past problems with suspect, demeanor, possible motive, or vendettas against staff or particular staff member?

If the hostage situation is on one side of the building, law enforcement will likely want to enter from the other side. Inform law enforcement exactly where the “Hostage Situation” is located and advise law enforcement what you consider to be the best “other side” entrance for law enforcement response.

- If possible, assign another staff member to notify the Site Administrator.

WHILE WAITING FOR LAW ENFORCEMENT

- If you can safely communicate to other offices by phone, implement lockdown procedures. For this situation, **DO NOT** set off any alarms as the bell may cause staff to panic and rush into a dangerous area.
- **DO NOT EVACUATE** until instructed or escorted by law enforcement.
- Complete Staff Accountability Report.

ONCE LAW ENFORCEMENT ARRIVES

- Law enforcement will need assistance in identifying witnesses. Gather witnesses in a secure location but do not let them talk with one another (to protect the investigation).

THE SITE EMERGENCY TEAM SHOULD MAKE PLANS TO

- Establish their Command Posts and assignment of necessary personnel.
- Record all events.
- Account for all staff.
- Prepare for a possible off-site evacuation route and location.
- Establish a media staging area.
- Alert Crisis Response Team for possible counseling of staff.

HOSTILE VISITOR

A hostile visitor could be an irate parent, a staff member, a neighbor, or an acquaintance of a staff member. The situation may begin in the front office; however, the individual may bypass the office and go directly to the target of his/her hostility. It is the responsibility of staff to protect staff, attempt to defuse the situation, and, if necessary, notify law enforcement.

UNDERSTANDING NONVERBAL MESSAGES

Body language plays a role in communication. Nonverbal cues are especially crucial when dealing with a person who is upset and potentially violent. Pay attention to signs that a person is angry or frightened. These include:

- Trembling
- Sweating
- A red face
- Crossed arms
- Clenched jaw or fists
- Shallow breathing
- Glaring or avoiding eye contact
- Pacing the floor
- Sneering
- Crying
- Ranting

SEND THE RIGHT NONVERBAL MESSAGES

Don't get too close. An angry or upset person feels threatened by someone who stands too close. Give the person two to four feet distance from you.

Avoid doing any of the following:

- Glaring or staring at the visitor
- Threatening mannerisms such as clenched fists and a raised voice.
- Getting angry

Consider doing the following:

- Be courteous and confident
- Do not touch the individual
- Protect yourself at all times
- Find another staff member to join you or keep the meeting in an open area
- Listen to the visitor, giving him/her the opportunity to vent
- Do not disregard the person's opinion or blame the person.

ATTEMPT TO USE PHRASES SUCH AS:

- What can we do to make this better?
- I understand the problem and I am concerned.
- We need to work together on this problem.

WHAT TO DO:

- As soon as possible, call **911** and stay on the line. State your address, and exact location of hostile visitor. Identify building by letter (A, B, C, D, etc.) or number and use directions (North, South, East or West) for law enforcement as they enter the grounds. Give a description of the hostile visitor.
- If possible, assign a staff member to meet law enforcement and direct them to the location.
- The staff member should unlock any gate that makes access to campus easier and faster.
- If possible, notify the Site Administrator.
- If necessary, activate the Incident Command System, using only those parts of ICS as determined by the information at hand. Expand ICS as needed.
- Use staff members to keep staff away from the location of the hostile visitor.

CHEMICAL RELEASE/ HAZARDOUS MATERIAL SPILL

A chemical release or hazardous material spill could affect one classroom, an entire worksite or larger area.

HOW SHOULD THE SCHOOL OFFICE PREPARE?

- The Emergency Management Teams should discuss and review plans to “Shelter in Place” or to “Evacuate the Area” using an alternative evacuation staging area.
- Staff should be trained to know what type of Personal Protective Equipment (PPE) and clothing to wear when handling hazardous material. The type of PPE to be worn, if any, is contained in the Safety Data Sheet (SDS).
- Staff utilizing or handling any hazardous material, should know the symptoms of exposure, emergency first aid and treatment for exposure.
- All hazardous materials should be stored in a manner prescribed on the SDS.

HOW SHOULD THE SCHOOL OR DISTRICT RESPOND?

- If a hazardous spill or chemical release occurs within any area of the School office, immediately notify **911**. Inform the dispatcher of your school/address and a brief summary of the problem including the name of the hazardous material/chemical, location of the spill and a report of any injuries, illnesses, fire, explosion, etc.
- Approach incident from upwind.
- Stay clear of all spills (vapors, fumes, smoke, fire, possibility of explosion, other).
- Notify Site Administrator.
- Activate necessary portions of Incident Command System (ICS) and appoint Incident Commander. Expand ICS as needed and make necessary assignments appropriate to incident.
- Begin documentation of events.
- The situation or advice from law enforcement, fire department or a hazardous materials unit deployed to the scene of the spill will determine whether to “Shelter-In-Place” or to “Evacuate” the building. If evacuation is ordered, instruct staff to always move crosswind and upwind. Never move downwind into a chemical. To check wind direction, look at movement of trees or flag.
- If “Sheltering-In-Place” and, if possible, shut off all air-conditioning and heating units. Close all windows and door openings and try to seal gaps under doorways and windows with wet cloth or towels.
- Close all shades or drapes. Instruct staff to stay away from windows.
- If gas or vapors have entered the building, take shallow breaths through a cloth or towel.
- Keep telephone lines clear for emergency calls.
- If an evacuation is ordered, follow all instructions.
- Upon reaching alternative evacuation area, take head count and report missing or ill staff to Incident Commander and/or law enforcement.

MEDICAL EMERGENCY

Occasionally a medical emergency will occur, and personnel must be prepared to respond quickly, effectively, and efficiently.

SOME EMERGENCY PREVENTION/PREPAREDNESS GUIDELINES

- Insist that all accidents be reported, even if no visible harm or injury occurred.
- Follow established procedures for issuing medication.

WHAT TO DO IF A MEDICAL EMERGENCY OCCURS

- Assess seriousness of injury and/or illness by doing START (Simple Triage and Rapid Treatment, commonly called Thirty-Two-Can Do). If a staff member fails any of the three simple tests (Respirations, Perfusion, and Mental), their medical status is IMMEDIATE (RED). Administer first aid or CPR as needed.
- Call **911** and be prepared to provide:
 - ✓ Your address, building letter (A, B, C, D, etc.), room or floor number
 - ✓ Describe illness or type of injury
 - ✓ How the illness or type of injury occurred
 - ✓ Age of ill or injured staff member
 - ✓ Quickest way for ambulance to enter location on site
- Notify the Executive Director.
- Assign a staff member to meet and direct rescue services to location of injured party.
- Notify staff member's family of situation, including type of injury/illness, medical care being given and location where staff has been transported.
- When appropriate, advise other staff of situation.
- Follow-up with staff member's family.

GAS ODOR/LEAK

Natural gas has an additive that gives off a distinct odor allowing you to detect (smell) a leak. In most cases, handling a gas leak involves:

- Isolating the area and moving staff to safety.
- Eliminating potential ignition sources.
- Securing the leak.

The primary responsibility of the worksite staff is to determine how to safely house or evacuate staff and to protect property. The following agencies should be contacted:

- Fire Department (Call **911**)
- Site Administrator. Have a phone number for a point of contact if a leak is detected after business hours. (see emergency contact list)
- Local Gas Company

GAS ODOR OR LEAK INSIDE A BUILDING

- Evacuate the building(s) and move to a safe assembly area as far away as possible from the targeted building.
- Assign Emergency Management Team members to direct staff evacuating other buildings to stay away from the building with odor/leak.
- If necessary, activate the Incident Command System and establish Command Post.
- Begin completing Staff Accountability Report.
- Report any missing students and staff to Command Post.
- Assign a liaison to interact with Fire Department, Gas Company or law enforcement.

IF GAS ODOR OR LEAK IS DETECTED OUTSIDE THE BUILDING

- It may not be necessary to evacuate the building. Evacuation is called for only if odor seeps into a building.

SHELTER-IN-PLACE PROCEDURES

Why You Might Need to Shelter-In-Place

Chemical, biological, or radiological contaminants may be released accidentally or intentionally into the environment. Should this occur, information will be provided by local authorities, TV or radio on how to protect staff. Because information will most likely be provided on television and radio, it is important to keep a TV or radio on, even during the workday or instructional time. The important thing is for you to follow instructions of local authorities.

Following Are Actions to Follow at Your Worksite:

- Follow reverse evacuation procedures to bring students and staff indoors.
- If there are visitors in the building, provide for their safety by asking them to stay. When authorities provide directions to “shelter-in-place”, they want everyone to take those steps now, where they are, and not drive or walk outdoors.
- Provide for answering telephone inquiries by having at least one telephone available in the room selected to provide shelter for the Office Manager, or the person designated to answer these calls. This room should also be sealed. There should be a way to communicate among all rooms where staff are sheltering-in-place.
- Ideally, provide a way to make announcements over the public address system from the room where the site administrator takes shelter.
- Provide directions to close and lock all windows, exterior doors and any other openings to the outside.
- If there is danger of an explosion, direct that window shades, blinds, or curtains be closed.
- Have employees familiar with the building’s mechanical system turn off all fans, heating and air conditioning systems. Some systems automatically provide for exchange of inside air with outside air – these systems, in particular, need to be turned off, sealed, or disabled.
- Gather essential disaster supplies, such as nonperishable food, bottled water, battery-powered radios, first aid supplies, flashlights, batteries, duct tape, plastic sheeting and plastic garbage bags.
- Designate interior rooms(s) above the ground floor with the fewest windows or vents. The room(s) should have adequate space for everyone to be able to sit in. Avoid overcrowding by selecting several rooms if necessary. Large storage closets, utility rooms, meeting rooms, or conference room without exterior windows will also work well.
- Call emergency contacts and have the phone available if you need to report a life-threatening condition.
- Bring everyone into the rooms that have been designated. Shut and lock the door.
- Use duct tape and plastic sheeting (heavier than food wrap) to seal all cracks around the doors and any vents into the room. Consider precutting plastic sheeting to seal windows, doors, and vents. Each piece should be several inches larger than the space you want to cover so that it lies flat against the wall or ceiling/. Label each piece with the location of where it fits.

EXTENDED POWER LOSS

In the event of extended power loss to a facility certain precautionary measures should be taken depending on the geographical location and environment of the facility:

- Unnecessary electrical equipment and appliances should be turned off in the event that power restoration would surge causing damage to electronics and effecting sensitive equipment.
- Facilities with freezing temperatures should turn off and drain the following lines in the event of a long-term power loss.
 - Fire sprinkler system
 - Standpipes
 - Potable water lines
 - Toilets
- Add propylene-glycol to drains to prevent traps from freezing
- Equipment that contain fluids that may freeze due to long term exposure to freezing temperatures should be moved to heated areas, drained of liquids, or provided with auxiliary heat sources.

Upon Restoration of heat and power:

- Electronic equipment should be brought up to ambient temperatures before energizing to prevent condensate from forming on circuitry.
- Fire and potable water piping should be checked for leaks from freeze damage after the heat has been restored to the facility and water turned back on.

GUIDELINES FOR SPEAKING TO THE MEDIA

When speaking to the media about emergencies, it is extremely important to adhere to the following guidelines:

- **Executive Director READ** all press statements
- **Re-state** the nature of the incident; its cause and time of origin
- **Describe** the size and scope of the incident
- **Report on** the *current* situation
- **Speak about the resources** being utilized in response activities
- **Reassure** the public that everything possible is being done
- **DO NOT release any names**
- **When answering questions** be truthful; but consider the emotional impact the information could have upon listeners
- **Avoid speculation**; do not talk “off the record”
- **Do not use** the phrase “no comment”
- **Set up** press times for updates
- **Control** media location

Section D: Suspension/Expulsions policies and procedures - Ed Code 48915
Part 1: Definitions/Due Process/Rules and Procedures of School Discipline/Process and Procedures

Process and Procedures

Level I - Immediate Redirection and Verbal Reprimand

Minor issues that are resolved by the supervising adult; behavior is seen as a learning opportunity and is expected to be corrected with no additional interventions; office referral is only needed if the student fails to correct behavior (mostly classroom managed behavior)

Level II - Learning Opportunity Office Referral, Parent contact, Counselor

Common misbehaviors needing redirection; again seen as a learning opportunity to be handled between The student and supervising adult; in some cases office referral and parent notification is required (mostly managed with teacher)

Level III – Immediate Administrative referral; Parent Contact/Written Documentation, suspensions, Law Enforcement

Severe misbehaviors with potentially strong consequences including school suspensions and legal involvement; supervising adult is not expected to engage in any learning, but rather immediately refer student to the office and insure the safety of staff and students (managed by director)

Administrative Referral

In some cases, student behaviors do not get corrected, or are so severe that they do not allow for a safe and purposeful learning environment. By referring a student to an administrator, the teacher is seeking additional resources to assist in the correction of the behavior. At this point, parents and school administration join the teacher in attempts to meet the behavioral needs of the student.

The following process will be used for all office referrals:

- Student is referred to Administration by supervising adult
- Student completes reflection questions related to incident
- Referral form is returned to the teacher for comments
- Parental contact is made by the student or staff member to explain incident and schedule detention
- Referral form is returned to the Executive Director or designee
- Student conference with the Executive Director is scheduled

Parental Conference- Sharing the dangers of bully/harassing behaviors for both parties.

Suspension- To insure the safety of staff and students, various forms of suspension may be used in efforts to correct student behavior.

Expulsion- If bullying/harassment continues or if any given incident is so severe that a safe learning environment cannot exist, the Executive Director will recommend the expulsion of the offending student.

her defense. This conference shall be held within two school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure of the student’s parent or guardian to attend a conference with Lake View Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student’s parent or guardian at the conference.

Notice to Parents/Guardians: At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Feather River Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

- Suspension Time Limits/Recommendation for Expulsion: Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Director or Director’s designee, the student and the student’s guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Director or designee upon either of the following: 1) the student’s presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student’s suspension will be extended pending the results of an expulsion hearing.
5. **Authority to Expel:** A student may be expelled either by the Lake View Charter School Board following a hearing before it or by the Lake View Charter School Board upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the student or a Board member of the Lake View Charter School’s governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the Student has committed an expellable offense.

Written notice of the hearing shall be forwarded to the student and the student’s parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

7. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses:

Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Lake View Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days’ notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

- The Lake View Charter School must also provide the victim a room separate from the hearing room for the complaining witness’ use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.

If one or both of the support persons is also a witness, the Lake View Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Lake View Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

8. **Record of Hearing:** A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

9. **Presentation of Evidence:** While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to his/her educational program.

3. The Mental Health Team and Student Support Team will contact the reporting school staff, as well as the student’s parent or guardian, and will provide community-based resources and recommendations. When appropriate, this may include calling emergency services or bringing the student to the local hospital emergency department.

Designated members of the Mental Health Team should conduct a suicide risk assessment. The purpose of the assessment is to determine the level of risk and to identify the most appropriate actions to ensure the immediate and long-term safety and well-being of the student. This should be done by a team that includes a school-employed mental health professional.

Caregiver notification is a vital part of suicide prevention. The appropriate caregiver(s) must always be contacted when signs of suicidal thinking and behavior are observed. Typically this is the student's parent(s); however, when child abuse is suspected protective services should be contacted. Even if a child is judged to be at low risk for suicidal behavior, schools may ask caregivers to sign a form to indicate that relevant information has been provided. Regardless, all caregiver notifications must be documented. Caregivers also provide critical information in determining level of risk. Whether a student is in imminent danger or not, it is strongly recommended that lethal means are (i.e. guns, poisons, medications, and sharp objects) are removed or made inaccessible.

Refer to community services if warranted. Referral options to 24 hour community-based services should be identified in advance. It is best to obtain a release from the primary caregiver to facilitate the sharing of information between the school and community agency.

Risk Level I (Low):

Definition: Does not pose imminent danger to self; insufficient evidence for suicide potential.

Indicators: Passing thoughts of suicide; no plan; no previous attempts; no access to weapons or means; no recent losses; support system is in place; no alcohol/substance abuse; some depressed mood/affect; evidence of thoughts found in notebook, internet postings, drawings; sudden changes in personality/behavior (e.g., distracted, hopeless, academically disengaged)

Risk Level II (Moderate)

Definition: May pose imminent danger to self, but there is insufficient evidence to demonstrate a viable plan of action to do harm.

Supporting Students after a Mental Health Crisis

It is crucial that careful steps are taken to help provide the mental health support for the student and to monitor their actions for any signs of suicide. The following steps should be implemented after the crisis:

Treat every threat with seriousness and approach with a calm manner; make the student a priority. Listen actively and non-judgmental to the student. Let the student express his or her feelings.

Acknowledge the feelings and do not argue with the student.

Offer hope and let the student know they are safe and that help is provided. Do not promise confidentiality or cause stress.

Explain calmly and get the student to a trained professional, school psychologist, school counselor, or designated staff to further support the student.

Keep close contact with the parents/guardians/caregivers and mental health professionals working with the student.

Students

Each school site and program within shall identify, disseminate and prominently display a process for students to safely notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they suspect or have knowledge of another student's emotional distress, suicidal ideation, or attempt.

Parental Notification and Involvement

Each school within shall identify a process to ensure continuing care for the student identified to be at risk of suicide. The following steps should be followed to ensure continuity of care:

After a referral is made for a student, school staff shall verify with the Parent/guardian/caregiver that follow-up treatment has been accessed. Parents/guardians/caregivers will be required to provide documentation of care for the student prior to returning to school.

If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at-risk for suicide or in emotional distress, the suicide prevention coordinator, administrator or other mental health professional will meet with the parents/guardians/caregivers to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the

importance of care. If follow-up care for the student is still not provided, school staff should consider contacting Child Protective Services (CPS) to report neglect of the youth.

A written authorization to exchange/release information should be completed by the parents/guardians/caregivers and appropriate school staff (e.g., school psychologist, school counselor and/or nurse) should consult with outside mental health or medical treatment team.

Action Plan for In-School Suicide Attempts

Each school site and program within shall follow the following action plan to immediately address in school suicide attempts. If a suicide attempt is made during the school day on campus, it is important to remember that the health and safety of the student and those around him/her is critical. The urgency of the situation will dictate the order and applicability in which the subsequent steps are followed:

Remain calm, remember the student is overwhelmed, confused, and emotionally distressed.

Move all other students out of the immediate area.

Immediately contact the administrator and suicide prevention coordinator.

Call 911 and give them as much information about the situation as possible.

If needed, provide medical first aid until a medical professional is available.

Parents/guardians/caregivers should be contacted as soon as possible.

Do not send the student away or leave them alone, even if they need to go to the restroom.

Listen and prompt the student to talk.

Review options and resources of people who can help.

Be comfortable with moments of silence as you and the student will need time to process the situation.

Provide comfort to the student.

Promise privacy and help, and be respectful, but do not promise confidentiality.

Student should only be released to parents/guardians/caregivers or to a person who is qualified and trained to provide help.

Follow procedures for re-entry to School After a Suicide Attempt.

Action Plan for Out-of-School Suicide Attempts

If a suicide attempt by a student is outside of property, it is crucial to protect the privacy of the student and maintain a confidential record of the actions taken to intervene, support, and protect the student. The following steps should be implemented:

Contact the parents/guardians/caregivers and offer support to the family.

Discuss with the family how they would like the school to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.

Obtain permission from the parents/guardians/caregivers to share information to ensure the facts regarding the crisis is correct.

Designate a staff member to handle media requests.

Provide care and determine appropriate support to affected students.

Follow procedures for re-entry to School After a Suicide Attempt.

Re-Entry to School After a Suicide Attempt

A student who threatened or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

A student returning to school following hospitalization, including psychiatric and drug or alcohol inpatient treatment, must have written permission by the health care provider in order to attend school.

A written authorization to exchange/release information should be completed by the parents/guardians/caregivers and appropriate school staff (e.g., school psychologist, school counselor and/or nurse) should consult with the outside mental health or medical treatment team.

Comprehensive School Safety Plan

Lake View Charter School
Section J: Mental Health Guidelines
Part 2: Suicide Prevention, Intervention and Postvention Protocol

If the student has been out of school for any length of time, including mental health hospitalization, the school site administrator or designee should hold a re-entry meeting with key support staff, parent/guardian/caregiver and student to facilitate a successful transition back into school.

The re-entry meeting should include a review of the authorization for return and documentation provided by the outside mental health or medical treatment team.

The documentation provided should be considered in the development of a student safety plan for re-entry.

The school team should confer with student and parents/guardians/caregivers about any specific requests on how to handle the re-entry.

Inform the student's teachers about possible days of absences.

Allow accommodations for student to make up work (be understanding that missed assignments may add stress to student).

Mental health professionals or trusted staff members should maintain ongoing contact to monitor student's actions and mood as part of the student safety plan.

Work with parents/guardians/caregivers to involve the student in an aftercare plan.

POSTVENTION

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on students and staff. Therefore, it is vital to be prepared ahead of time in the event of such a tragedy. The following are general procedures for the school administrator/ Executive Director in the event of a completed suicide:

Gather pertinent information

Confirm cause of death is the result of suicide, if this information is available.

Identify staff member to be the point of contact with the family of the deceased.

Information about the cause of death should not be disclosed to the school community until the family has been consulted and has consented to disclosure.

Part 2: Suicide Prevention, Intervention and Postvention Protocol

Assemble district crisis response team

District crisis response team to determine initial response procedures and obtain consultation regarding number of personnel needed for initial response. It is helpful to have the following information available for consultation:

- Demographic information
- Siblings (If any within)
- School Profile
- Known friends/groups
- Identification of additional high risk students

Staff notification

Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:

Assess the extent and degree of psychological trauma and impact to the school community

Establish a plan to notify staff of death, once consent is obtained by the family of the deceased.

Notification of staff is recommended as soon as possible (In person if possible).

To dispel rumors, share accurate information and all known facts about the death.

Emphasize that no one event is to blame for suicide. Suicide is complex and cannot be simplified by blaming individuals, drugs, music and/or school.

Allow staff to express their own reactions and grief; identify anyone who may need additional support and provide resources.

Student notification and support

Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:

Part 2: Suicide Prevention, Intervention and Postvention Protocol

Notification of students should be done in small group settings, such as in the classroom. Do not notify students using a public announcement system.

To the extent possible, students should be notified in the same time period to minimize rumors.

When possible, the news should be delivered by staff with whom the students are most familiar and comfortable.

Provide staff with a scripted notification of death for students and

Prepare staff for potential reactions and questions. Review student support plan making sure to clarify procedures and locations for crisis counseling.

Define triage procedures for students and staff who may need additional support in coping with the death.

Identify a lead crisis response staff member to assist with coordination of crisis counseling and support services.

Identify locations on campus to provide crisis counseling to students, staff and parents, as needed.

Identify a mental health professional (School psychologist or school counselor) to check in with students previously identified to be at risk for suicide.

Request substitute teachers, as needed.

Maintain sign-in sheets and documentation on individual's services for follow up, as needed.

Provide students, staff or parents/guardians/caretakers with after-hours resource numbers such as the 24/7 Suicide Prevention Crisis Line.

Refer students or staff who require a higher level of care for additional services such as a community mental health provider, or their health care provider. Indicators of students and staff in need of additional support and/or referral may include the following:

Persons with close connections to the deceased.

Persons who have experienced a loss over the past six months to a year, a traumatic event, have witnessed acts of violence, or have a history of suicide (Self or family member).

Persons who appear emotionally over-controlled (e.g., a student who was very close to the deceased but who is exhibiting no emotional reaction to the loss) or those who are angry when majority are expressing sadness.

Persons unable to control crying

Persons with multiple traumatic experiences may have strong reactions that require additional assistance.

Document

School administration shall maintain records and documentation of actions taken at the school site.

Monitor and manage

School administration with support from the district crisis team should monitor and manage the situation as it develops to determine follow up actions and continued support plans.

Communicate with the larger school community about the suicide death;

Consider funeral arrangements for family and school community;

Respond to memorial requests in respectful and non-harmful manner; responses should be handed in a thoughtful way and their impact on other students should be considered. Memorials or dedications to a student who has died by suicide should not glamorize or romanticize either the student or the death.

Identify and monitor social media platforms students are using to respond to the suicide. Encourage parents to monitor internet postings regarding the death, including the deceased personal profile pages.

Employees are expected to read this handbook thoroughly upon receipt, to know and abide by the policies outlined herein, and as revised over time, throughout their employment. No LVCS guideline, practice, manual or rule may alter the “at-will” status of your relationship with LVCS.

In order to retain necessary flexibility in the administration of its policies, procedures and benefits, LVCS reserves the right to change, deviate from, eliminate, or revise the handbook, except for the at-will provisions, at any time, without notice, whenever LVCS determines that such action is warranted. For these reasons, we urge you to check with your supervisor to obtain current information regarding the status of any particular policy, procedure or practice. This handbook supersedes and replaces all previous personnel policies, practices and procedures.

We welcome you and wish you great success and fulfillment at LVCS.

For that reason, if you have any questions concerning eligibility for a particular benefit, or the applicability of a policy or practice to you, you should address your specific questions to your supervisor or Human Resources. You are responsible for reading, understanding, and complying with the provisions of this handbook. Our objective is to provide you with a work environment that is constructive to both personal and professional growth.

LVCS prohibits any such discrimination or harassment. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to LVCS (e.g. an outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

What is Harassment?

Harassment can take many forms. As used in this Employee Handbook, the terms "discrimination" and "harassment" includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

- Offensive remarks, comments, jokes or slurs pertaining to an individual's race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national

origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages

- Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors regardless of the gender of the individuals involved and whether verbally or by electronic means
- Offensive physical conduct, including, but not limited to, touching, blocking normal movement or interfering with another's work regardless of the gender of the individuals involved, including, but not limited to threats of harm, violence or assault
- Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication
- Holding work functions in inappropriate venues, such as a strip-club
- Sex or gender based practical jokes, sexual favoritism
- Threatening reprisals due to an employee's refusal to respond to requests for sexual favors or for reporting a violation of this policy
- Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
 - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
 - Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment.

What is abusive conduct/workplace bullying?

- Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer's legitimate business interests.
 - Use of derogatory remarks, insults and/or epithets.
 - Verbal or physical conduct that sabotages or undermines a person's work performance that is threatening, humiliating or intimidating.
- Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others.

What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, abusive conduct or for participating in an investigation of a claim of such is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately to Human Resources and will be promptly investigated and addressed.

As used in this policy, "retaliation" means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected

activity may include, but is not necessarily limited to, opposing a practice or conduct the employee reasonably believes to be unlawful, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an “adverse employment action” means conduct or an action that materially affects the terms and conditions of the employee’s employment status or is reasonably likely to deter the employee from engaging in further protected activity. An adverse employment action may include, but is not limited to, the following: demotion, suspension, reduction in pay, denial of merit salary increase, failure to hire, refusing to promote, denying employment opportunities, changing work assignments or otherwise treating an employee differently.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

Responsibility

All LVCS employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

Reporting

LVCS encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender’s identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, Executive Director or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, LVCS encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. LVCS recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. LVCS is serious about enforcing its policy against harassment; however, LVCS cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to LVCS’ attention so it can take whatever steps are necessary to correct the problems.

Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Executive Director or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

Investigation/Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated.

LVCS encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

LVCS' investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

All employees are required to fully cooperate with LVCS' investigation, which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

During the investigation, LVCS will provide regular progress updates, as appropriate, to those directly involved. LVCS will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

LVCS may investigate conduct in the absence of a formal complaint if LVCS has reason to believe that an individual has engaged in conduct that violates LVCS policies or applicable law. Further, LVCS may continue its investigation even if the original complainant withdraws his or her complaint during the course of the investigation.

Any conduct which LVCS believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as LVCS believes appropriate under the circumstances. Due to privacy protections, LVCS may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

Conclusion

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination, abusive conduct and retaliation. LVCS will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Executive Director. Finally, these policies should not, and may not, be used as a basis for excluding or

separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of LVCS prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If you believe you have experienced discrimination, harassment, or abusive conduct you may file a Department of Fair Employment and Housing (“DFEH”) or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC. You may find their phone numbers in the phone directory.

Training Requirements

LVCS requires all employees to abide by California’s training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

AT WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and LVCS will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, LVCS may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called “employment at will,” and no one other than the Executive Director of LVCS with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict LVCS’ right to terminate at-will.

OPEN COMMUNICATION POLICY

We want to hear from you. LVCS strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. LVCS is interested in all our employee’s success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor or the Executive Director. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause concern. LVCS will attempt to keep the employee's concerns and complaints and any resulting investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

LACTATION ACCOMMODATION POLICY

LVCS provides a reasonable amount of break time to accommodate a female employee's need to express breast milk for the employee's infant child. The School will also make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee's work area for the employee to express milk in private.

The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations.

Employees requesting an accommodation under this policy should comply with the following requirements:

1. The employee should complete an accommodation request form and contact the employee's supervisor or Human Resources to request designation of a location and time to express breast milk under this policy.
2. The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes she has been retaliated against it should be reported immediately to her supervisor, Human Resources or Executive Director. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at LVCS and will be handled in accordance with LVCS' policy on discrimination and harassment.

PUBLIC RELATIONS

The success of a school depends upon the quality of the relationship among the school, its employees, students, parents and the general public. The public impression of LVCS and its interest in our school will be formed in part, by LVCS employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, LVCS and our School's services.

Below are several things employees can do to help leave people with a good impression of LVCS.

These are the building blocks for our continued success:

- Communicate with parents regularly

- Act competently and deal with others in a courteous and respectful manner.
- Communicate pleasantly and respectfully with other employees, families and students at all times.
- Follow up on requests and questions promptly, provide professional and personable replies to inquiries and requests, and perform all duties in an orderly manner.
- Respond to email and voicemail within 24 hours during the workweek.
- Take great pride in your work and enjoy doing your very best.

WHISTLEBLOWER POLICY

LVCS is committed to maintaining a workplace where employees are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of LVCS policy, specifically the policies contained in LVCS' Employee Handbook.

An employee who wishes to report a suspected violation of law or LVCS Policy may do so by contacting the Executive Director, Assistant Director or Human Resources.

LVCS expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of LVCS policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: the Executive Director, Assistant Director or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Executive Director or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although confidentiality cannot be guaranteed) and consistent with a full and fair investigation. Human Resources and a member of LVCS' administration will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.

SECTION 5 – THE EMPLOYMENT PROCESS

EMPLOYEE STATUS AND CLASSIFICATIONS

Each LVCS employee is either a “full-time,” “part-time,” or “temporary” employee and either an “exempt” or “non-exempt” employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 30 or more hours or more each week. Part-time employees are those regularly scheduled to work less than 30 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. Temporary employees are not eligible for employee benefits, except those mandated by applicable law.

Every member of the team is designated as a “Certificated employee” or “Classified employee.” Some of the policies and benefits described in this handbook depend on how the employee is designated.

Exempt

This category includes all regular employees who are determined by the School to be exempt from certain wage and hour provisions of state and federal laws. Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Exempt employees will be expected to work the number of hours necessary to complete their assigned responsibilities. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work. Typically, full-time Teachers and Administrators are exempt employees.

Non-Exempt

This category includes all regular employees who are covered by certain wage and hour provisions of state and federal laws. Non-exempt employees are entitled to overtime and doubletime pay as well as meal and rest breaks, as prescribed by law. Typically, all part-time and temporary employees are non-exempt. Additionally, most Classified staff are typically non-exempt employees.

Certificated Employee

Certificated Employees are teachers and administrators. Teachers are B-Basis (11 Months) or C-Basis (10 Months) employees. Administrators are A-Basis (12 Months).

Classified Employee

Classified Employees include those employees hired by LVCS that do not primarily instruct students, nor require state certification, such maintenance, assistants and other operational employees. Full-time Classified employees are A-Basis (12 Months), B-Basis (11 Months), D-Basis (11 months) or C-Basis (10 Months) employees.

WORK SCHEDULES

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an annual basis. The Executive Director or your supervisor will assign your individual work schedule. In order to accommodate the needs of our business, it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Executive Director.

LVCS reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Non-exempt employees are not allowed to work “off the clock.” Attendance at School-sponsored functions is not compensated unless the supervisor has required you to attend. Employees violating these rules may be subject to disciplinary action up to and including termination.

ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If you are unable to report for work on any particular day, you must call your supervisor at least one hour before the time you are scheduled to begin working for that day. If you call in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider's order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify your supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of the reason or documentation for your absence.

More than three instances of tardiness by a non-exempt employee or instructional employee during any twelve-month period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to your supervisor and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

PROFESSIONAL DEVELOPMENT

Employees are expected to attend and participate in all professional development sessions and other school sponsored trainings that may be scheduled. While we understand that scheduling conflicts may arise, consistent tardiness, absenteeism or early departures may result in disciplinary action.

When an employee attends a school sponsored professional development and/or training, the time spent in attendance shall be counted as time worked. For virtual attendance, zoom registration/chat or signing in on a Google Doc will serve as attendance. For in-person meetings, either online document or paper documentation will be required for the purpose of record keeping. These records will serve as the official roster of attendance.

LVCS will pay hourly employees for attendance at mandatory trainings, lectures and meetings outside of regular working hours at the employee's hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of LVCS' normal business hours with no additional pay.

In the event that an employee must leave early or is unable to attend a scheduled training (i.e. Professional Development sessions), during their normal work hours, an employee MUST put in a time-off request according to the time-off policy. Employees may also be required to attend make-up sessions of any missed training.

Failure to comply with this policy may result in disciplinary action.

TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and employee signature. Absences and overtime must be accurately identified on your time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. You cannot record time and/or submit a time record for another employee. Each employee must sign and submit his or her own time record. Employees must record all time actually worked.

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or double-time. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

OFF THE CLOCK WORK

LVCS prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

Meal Periods

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a “Meal Period Waiver” form.

If an employee’s day exceeds ten hours of work time, the employee is entitled to an additional 30-minute duty-free meal break. The employee only may waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and complete a “Second Meal Period Waiver” form.

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days’ time record and to the employee’s supervisor immediately. The meal period must be accurately recorded on the employee’s time sheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

Rest Periods

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

<u>Hours Worked</u>	<u>Number of Rest Periods</u>
----------------------------	--------------------------------------

3.5 hours to 6 hours	1, 10-minute rest period
Over 6 hours to 10 hours	2, 10-minute rest periods
Over 10 hours to 14 hours	3, 10-minute rest periods

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

Any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period – for any reason – must immediately report this issue in writing (via email) to Human Resources on the same workday that he or she experienced the non-compliant meal or rest period. The employee must include a description providing a thorough explanation for the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by LVCS), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the non-compliant meal or rest period to Human Resources.

PAYDAYS

Employees are paid semi-monthly in accordance with the School’s payroll schedule. The Payroll Coordinator or his or her designee will distribute checks to those who do not have direct deposit. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be distributed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual “payday,” the School is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

If a wage garnishment order is received by LVCS for one of our employees, we are obligated by law to comply with the demand. The affected employee will receive notice from his or her supervisor or Human Resources as soon as possible.

PAYROLL WITHHOLDINGS

LVCS is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each employee’s paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, LVCS must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in his or her pay or deductions LVCS will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or his or her designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee’s paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to

claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 form and submitting it to Human Resources.

SECTION 6 - CONDITIONS OF EMPLOYMENT

IMMIGRATION LAW COMPLIANCE

LVCS employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms. Former employees who are rehired must also complete the form if they have not completed an I-9 with LVCS within the past three years or if their previous I-9 is no longer retained or valid.

CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, official transcripts, and/or test scores prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your Executive Director and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If a teacher fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails re-certification, training, or testing, the School reserves the right to suspend the teacher without pay until the teacher's credential is cleared, or release the teacher from at-will employment as necessary.

RESIDENCY REQUIREMENTS

All employees of Lake View Charter School with in-person requirements as part of their job description are required to live and reside in California, in the region where students are served. Employees are not permitted to work for Lake View Charter School while out of the state of California, unless on a pre-approved basis.

TUBERCULOSIS TEST

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of your ability to begin work or termination.

TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the School has a valid certificate on file.

CRIMINAL BACKGROUND CHECK

As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation.

The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

CHILD ABUSE AND NEGLECT REPORTING ACT

Since our employees work directly with children, they are in a position to detect instances of child abuse and neglect. It is LVCS' policy that all School employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

“Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.”

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required.

It is extremely important that LVCS' employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without LVCS' assistance, he or she is required to notify LVCS of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with LVCS.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice

to Human Resources. All requests should be put in writing preferably on the form maintained by LVCS. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee's personal information and changes affecting the employee's status (ex. name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

SECTION 7 – PERFORMANCE

PERFORMANCE EVALUATIONS

Performance evaluations generally are conducted annually to provide both employees and supervisors with the opportunity to discuss the employee's position, tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss methods for improving performance. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee an increase in salary or promotional opportunities, or even continued employment. Salary increases and promotions are solely within the discretion of LVCS and depend upon many factors in addition to performance.

Teachers:

At the start of each academic year, each Teacher will meet with their Supervisor to establish Performance Objectives or SMART Goals for that school year. The Teacher will put these objectives in writing in accordance with a template to be provided by their Supervisor

The Supervisor will generally evaluate the Teacher's performance at least once a year formally and on an ongoing basis informally. The evaluation will be based on factors including the Teacher's job description, accomplishment of the Performance Objectives, the LVCS' charter, and standards for teaching performance developed by the Executive Director, the LVCS Board of Directors, and/or other LVCS staff.

In addition to these more formal performance evaluations, LVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.

LVCS' provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit LVCS' right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and LVCS. Accordingly, either the employee or LVCS can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

Classified Staff:

Formal evaluations are generally held once each year. You will be provided a copy of the evaluation tool and as part of the process you will do a self-evaluation. Your supervisor may schedule your evaluation time in advance so that you are prepared for the process.

In addition to these more formal performance evaluations, LVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.

SECTION 8 – LEAVES

FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT¹

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the School within 75 miles ([for FMLA](#)).

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as possible. You should use the School’s request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee’s child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee’s spouse, child, parent, or registered domestic partner with a “serious health condition” [for FMLA/CFRA](#);
3. [The care of the employee’s siblings, grandparents, grandchildren with a “serious health condition” for CFRA only](#);
4. The “serious health condition” of the employee;
5. The care of the employee’s spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
6. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee’s spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A “serious health condition” is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave

¹ Employees may qualify for ~~FMLA/CFRA~~ Leave only if the School has 50 or more employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Human Resources to determine whether you are eligible for FMLA/CFRA leave.

under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any available PTO during unpaid family and medical leave. You will also be required to use any available paid sick leave during unpaid family and medical leave that is due to your own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any "key" employee who is not eligible for reinstatement.

If you have any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.

NEW PARENT LEAVE ACT²

Pursuant to the California New Parent Leave Act (“NPLA”), eligible employees may request a new parent leave of absence pursuant to this policy. Eligible employees are those who have been employed by the School for at least 12 months, have worked at least 1,250 hours during the 12 months immediately prior to the new parent leave of absence, and are employed at a worksite where there between 20 and 49 employees of the School within 75 miles.

If an employee is employed at a worksite where there are 50 or more employees of the School within 75 miles, and is otherwise eligible for leave pursuant to the federal Family and Medical Leave Act (“FMLA”) and the California Family Rights Act (“CFRA”), the employee will be eligible for leave pursuant to FMLA and CFRA in lieu of being eligible for leave pursuant to NPLA. In other words, an employee cannot be eligible for leave under both NPLA and FMLA/CFRA. While the School is subject to compliance with FMLA and CFRA, it is the School’s belief that none of its employees are currently eligible for FMLA/CFRA pursuant to the qualifying conditions set forth in applicable statutes/regulations. If an employee has questions about eligibility under NPLA, FMLA, or CFRA, please contact Human Resources.

An employee may request leave under this policy for the following baby-bonding reasons: the birth of an employee’s child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child. This leave may be taken for up to 12 workweeks during the designated 12-month period, which will be defined as a “rolling twelve months” looking backward over the preceding 12 months to calculate how much leave time has been taken and therefore determine the amount of leave that is available. This leave may be taken in addition to the Pregnancy Disability Leave set forth below, subject to those terms and conditions.

Notwithstanding the previous paragraph, if both of the child’s parents work for the School, the parent-employees dually share the 12-week leave entitlement under NPLA. In other words, each parent-employee is not separately entitled to 12 weeks of leave. Each parent does not get 12 weeks of leave. The School may grant simultaneous leave to both parents.

Ordinarily, you must request a planned new parent leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the School’s request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

When an approved new parent leave ends, the employee will be reinstated to the same position or a comparable position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and

² Employees may qualify for NPLA Leave only if the School has between 20 and 49 employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Human Resources to determine whether you are eligible for NPLA leave.

conditions of employment than if the employee had been continuously employed in this position during the new parent leave. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

New parent leave is unpaid. However, you may utilize any available PTO and PSL during your leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available PTO/PSL. The use of such benefits does not extend the length of the leave.

Benefit accrual, such as PTO and holiday pay, if any, will be suspended during new parent leave and will resume upon return to active employment. Group health benefits will be maintained during the approved new parent leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

For more information on new parent leave, please contact Human Resources.

PREGNANCY DISABILITY LEAVE

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to Human Resources. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any unused allotted sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any available PTO during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as

California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact Human Resources.

ADDITIONAL LEAVES

Some of the following leaves are designated with asterisks, which means that application and employee eligibility requirements of the leave (either in part or in whole) depends on whether the School employs the minimum number of employees indicated below. Policies without an asterisk apply regardless of the number of School employees.

*The School has 15 or more employees

**The School has 16 or more employees

***The School has 25 or more employees

Should you have any questions as to eligibility requirements of any leave policy, please contact Human Resources.

MILITARY SPOUSE LEAVE***

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict.

An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use available PSL or PTO for this leave.

WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration leave will depend upon the rate of recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e. FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

BEREAVEMENT LEAVE

LVCS provides regular full-time employees up to three (3) days of paid bereavement leave, beyond sick or personal time, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent or grandchild. If a funeral is more than 500 miles from your home, you may receive paid leave for five (5) days with prior approval from your supervisor.

JURY DUTY LEAVE

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any available PTO during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay.

TIME OFF TO VOTE

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever

allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise. The employee may be required to prove he or she is a registered voter.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off.

SCHOOL ACTIVITIES LEAVE***

The School encourages employees to participate in the school activities of their child(ren). If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed daycare facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll your child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

The leave is subject to all of the following conditions:

- The time off for school activity participation cannot exceed eight (8) hours in any calendar month, or a total of forty (40) hours each year;
- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor;
- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;
- Employees must use existing PTO in order to receive compensation for this time off;
- Employees who do not have paid time off available will take the time off without pay.
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed child care/day care facility.

SCHOOL APPEARANCE/SUSPENSION LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose.

This leave is unpaid but the employee may choose to use available PTO. You will not be discharged or discriminated against because of an absence protected by this law.

CRIME VICTIM LEAVE

Employees are allowed to be absent from work to attend judicial proceedings related to a violent felony, serious felony (as defined by the California Penal Code) or felonies related to theft or embezzlement if they are:

- A victim of such a crime;
- An immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, step-parent, or the child or a registered domestic partner) is a victim of such a crime.

An employee must give reasonable advanced notice to the School by providing documentation of the proceeding. Documentation may be from any of the following:

- Notice from the court or government agency setting the hearing;
- The district attorney or prosecuting attorney's office; or
- The victim/witness assistance office advocating on the victim's behalf.

This leave is unpaid but the employee may choose to use available PSL or personal time off (PTO). You will not be discharged or discriminated against because of an absence protected by this law.

DOMESTIC VIOLENCE LEAVE/SEXUAL ASSAULT LEAVE***

If you are a victim of domestic violence, you may take unpaid time off to obtain or attempt to obtain judicial relief, such as obtaining restraining orders, to help insure your health, safety or welfare or that of your child(ren). Employees may use available PTO (if applicable) or PSL. Otherwise, the time off is unpaid. All employees can take time off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling, or safety planning related to domestic violence, sexual assault, or stalking.

You must give the School reasonable notice unless advance notice is not feasible, and provide certification that you are seeking such assistance.

Certification may be sufficiently provided by any of the following:

- A police report indicating that you were a victim of domestic violence or sexual assault;
- A court order protecting or separating you from the perpetrator of an act of domestic violence or sexual assault, or other evidence from the court or prosecuting attorney that you appeared in court; or
- Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that you are undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence or sexual assault.

Employees have the right to ask the School for help or changes in their workplace to make sure they are safe at work. The School will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. The School may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation. The School will maintain confidentiality to the extent possible regarding any requests for accommodations under this policy.

The School will also, to the extent allowed by law, maintain the confidentiality to the extent possible of an employee requesting leave under this provision. The School will not discharge, discriminate, or retaliate against an employee who exercises their rights under this law. Domestic violence, sexual assault, and stalking victim's leave for medical treatment does not exceed or add to the unpaid leave time that FMLA/CFRA allows.

LVCS is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee is a victim of domestic violence, sexual assault, or stalking.
- The employee asked for time off to get help.
- The employee asked LVCS for help or changes in the workplace to ensure safety at work.

Employers are prohibited from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence, the victim of sexual assault or stalking for taking time off to seek medical attention, obtain services from a domestic violence shelter or program or rape crisis center, obtain psychological counseling, participate in safety planning, or temporary or permanent relocation.

MILITARY LEAVE

California's military leave laws, found at Military & Veterans Code section 389 et seq. and the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), found at 38 U.S.C. Section 4301 et seq., ensure that employees are not adversely affected in their employment after taking leave for military service. Employees who serve in the military and are entitled to a military leave of absence without pay from the School under applicable laws should notify Human Resources regarding the need for military leave.

Please see Human Resources for more information regarding job reinstatement rights upon completion of military service.

ADULT LITERACY LEAVE***

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for

participation in an adult literacy education. However, you may utilize available PTO if you want compensation for this time off. If you do not have any PTO available, you will be permitted to take the time off without pay.

ORGAN DONOR / BONE MARROW DONOR LEAVE*

If you donate an organ to another person you may take up to thirty (30) days paid leave per year for this process or up to five (5) days paid leave for the donation of bone marrow.

You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to ten (10) days of any available paid leave (sick and/or PTO) for organ donation and up to five (5) days of available paid leave (sick and/or PTO) for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. The employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if he or she had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE***

LVCS will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. You may use allotted and unused sick leave. All reasonable measures to safeguard your privacy will be maintained.

This policy in no way restricts LVCS' right to discipline an employee, up to and including termination of employment, for violation of LVCS' Substance and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter, reserve police officer, or emergency rescue personnel. This is an unpaid leave, but the employee may use any earned sick, and/or PTO.

CIVIL AIR PATROL LEAVE**

LVCS provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per

calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with LVCS for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken.

Employees may use available paid time off for leave taken under this policy. The notice and eligibility requirements for any such paid time off will generally apply to an employee's request for use of PTO under this policy.

SECTION 9 – BENEFITS

SCHOOL HOLIDAYS

The School observes 12 paid holidays during the year:

- New Year's Day
- Martin Luther King Day
- Lincoln's Birthday
- Washington's Birthday
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees and teachers are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor's request/approval
- Due to closure of schools because of inclement weather
- Due to sickness with a doctor's note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave

- Due to a previously scheduled and approved time off

PAID TIME OFF (PTO) - A BASIS ONLY

Full-time A-Basis (12 Months) school based employees are entitled to paid time off (PTO) according to this policy. PTO days may be used for vacation, personal time, illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, part time employees are not eligible to receive or accumulate PTO.

PTO must be scheduled at least five (5) days in advance and approved by your supervisor, except in the case of an illness or emergency. In the case of illness or emergency you are required to contact your immediate supervisor at least one (1) hour before your shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor's release upon return to work. Your supervisor uses his/her discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor's permission.

All full-time A-Basis (12 Months) employees may be eligible to receive up to ten (10) days (i.e., 80 hours) of PTO each school year (July 1- June 30). Once an employee's PTO balance reaches twenty (20) days (i.e., 160 hours), the employee stops receiving any additional PTO until PTO is used and the employee's balance falls below the 20-day cap. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, vacation time may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday, he or she will be required to use available PTO to make up for the absence.
- In the event an employee has exhausted his or her PTO, any additional time off must be approved by their supervisor and will be taken without pay.
- Any employee who misses three (3) consecutive days of work without notice to their supervisor may be deemed to have abandoned his/her job and voluntarily resigned from employment.
- Upon separation of employment, employees will be paid their earned PTO based on their date of separation and their regular rate of pay.
- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.

SICK LEAVE

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave (“PSL”) to eligible employees.

Eligible Employees

All employees (including teachers, part-time and temporary employees) who work for the School more than 30 days within a year in California are allotted PSL as set forth in this policy.

Permitted Use

Eligible employees may use their allotted PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee’s family member. For purposes of this policy, “family member” means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. “Child” means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. “Parent” means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee’s spouse or registered domestic partner. “Spouse” means a legal spouse, as defined by California law.

Employees may also use their PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault.

Allotment

PSL days are allotted as set forth below to eligible employees:

- Full-time A-Basis, B-Basis, C-Basis, and D-Basis school based employees:

On July 1 of each year, eligible employees will be allotted ten days (80 hours) of PSL per school year (July 1 – June 30), which unused PSL days will carryover year to year subject to a cap of 18 days (144 hours). Employees hired after July 1 but before December 31 will receive ten days (80 hours) of PSL on his or her first day of employment. Employees hired after December 31 will receive five days (40 hours) of PSL on his or her first day of employment.

- All other eligible employees:

All other eligible employees will be allotted three days (24 hours) of PSL each school year (July 1 – June 30) on July 1 or on his or her first day of employment, even if hired mid-year. PSL days are “use it or lose it” and, as such, do not carry over from year to year.

Limits on Use

Eligible employees may use PSL beginning on the 90th day of employment.

PSL may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use PSL to make up for the absence.

Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable.

Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

PAID SICK LEAVE DONATION POLICY

Personal Hardship

Employees who have exhausted all paid sick leave (PSL) may request donations from co-workers through this policy. The PSL donation policy applies to employees suffering from a catastrophic illness or other medical emergency, which for the purposes of this policy, constitutes an employee's or a family member's medical condition that will require the prolonged/extended absence of the employee from duty and will result in a substantial loss of income to the employee due to the exhaustion of all PSL available.

Eligibility

Employees who are experiencing hardship due to a catastrophic illness or medical emergency are eligible to request and receive donations of PSL from other employees who have agreed to surrender leave to the School sponsored leave bank.

Requests for Donations

A written request for PSL donations that describes the specific medical emergency or medical condition must be submitted to Human Resources. Human Resources will verify the employee's eligibility, and make a written determination which will be given to the employee as soon as practical.

Donations of Paid Leave

Employees who have more than 24 hours of PSL and who wish to donate PSL to the School sponsored leave bank on behalf of an eligible employee shall complete a PSL Donation Form indicating the number of PSL hours to be donated and the employee, if any, who the employee requests receive the benefit of the donation. All such donations are voluntary and irrevocable.

1. Donating employees must maintain a minimum of 24 hours of PSL after reducing their leave balance to effect the donation.
2. In any 12-month period, no employee may donate more than 40 hours.

3. Voluntary donations of PSL are final upon submission of a signed PSL Donation Form that satisfies the conditions established by this policy. The donating employee's PSL balance account shall thereupon be reduced by the hours donated.
4. Donated hours not used by the eligible employee during the hardship period shall remain in the eligible employee's PSL account balance.
5. The names of donating employees, hours donated, and the value of such donations shall be kept confidential to the extent possible.

Valuation of Donated PSL

The value of the donated paid leave shall be determined by multiplying the number of hours donated by the donating employee's current hourly rate to determine the value of the donation in dollars ("Donation Value"). The Donation Value shall then be divided by the eligible employee's current hourly rate to determine the number of hours to be added to the eligible employee's PSL balance. Human Resources shall periodically notify the eligible employee of donations made pursuant to this policy. The eligible employee may then request to receive payment for these hours, which will be treated as taxable "wages" to such eligible employee for the payroll period utilized. No employee shall receive payment for more than 40 hours of paid leave, whether allotted or donated, during any week unless required by state or federal law.

INSURANCE BENEFITS

Full-time employees are entitled to insurance benefits offered by LVCS. These insurance benefits will include medical, dental, and vision. The School will set a defined contribution towards the employee's insurance premiums that are sponsored by LVCS. This amount will be determined on an annual basis. The employee's portion of the monthly premiums will be deducted from the employee's paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If you have any benefit related questions while on a leave of absence, please contact Human Resources.

Full-time employees will also be covered under an insurance policy that includes Life, Short-term Disability and Long-Term Disability at no cost to the full-time employee. Additional voluntary insurance plans will be offered through the School that will be the employee's responsibility to purchase and pay for.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under LVCS' health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at LVCS group rates plus an administration fee. LVCS or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under LVCS' health insurance plan. The notice contains important information about the employee's rights and obligations.

SOCIAL SECURITY/MEDICARE

If you are a full time regular employee contributing to a teacher's retirement system (PERS/STRS), your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your spouse, or former spouse, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

LVCS withholds income tax from all employees' earnings and, if elected, participates in FICA (Social Security), for temporary employees and Medicare withholding and matching programs as required by law.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to six weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption) The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under LVCS policy and applicable law.

LVCS will require you to take up to two weeks of unused PTO prior to your receipt of benefits under the PFL program.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

WORKER'S COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance.

If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

SECTION 10 – EMPLOYEE COMMUNICATIONS POLICY

COMMUNICATIONS POLICY

Every employee is responsible for using LVCS' computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee's immediate supervisor.

The Communication Systems are the property of LVCS and have been provided for use in conducting LVCS business. All communications and information transmitted by, received from, created, or stored in its LVCS' Communication Systems are records and property of LVCS. The Communication Systems are to be used for School purposes only. Employees may, however, use LVCS technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with LVCS business, and does not violate any LVCS policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies.

No Expectation of Privacy

LVCS has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email and instant messages sent and received by users and/or voicemails. Further, LVCS may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of LVCS' Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from LVCS' Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish LVCS' right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed LVCS upon request for any reason that LVCS, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email

messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though LVCS has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Executive Director.

Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on LVCS letterhead.

Offensive and Inappropriate Material

LVCS' policy against discrimination and harassment, sexual or otherwise, applies fully to LVCS' Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other classification protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in LVCS' computers. Employees encountering or receiving this kind of material should immediately report the incident to their Executive Director and Human Resources.

LVCS may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by LVCS networks. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to LVCS' blocking software.

Solicitations

LVCS' Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from the Executive Director is required before anyone can post any information on commercial on-line systems or the Internet.

Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of his/her Executive Director.

Games and Entertainment Software

Employees may not use a LVCS Internet connection to download games or other entertainment software, or to play games over the Internet.

Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to LVCS' "Confidential Information" policy, contained herein, for a general description of what LVCS deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

Copyrights and Trademarks

LVCS' Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from his/her Executive Director. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any LVCS approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of LVCS, employees posting information must include a disclaimer in that information stating, "Views expressed by the author do not necessarily represent those of LVCS."

Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to LVCS' network must do so through an approved Internet firewall. Accessing the Internet directly by modem is strictly prohibited unless the computer you are using is not connected to LVCS' network.

Files obtained from sources outside LVCS including disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by customers or vendors, may contain dangerous computer viruses that may damage LVCS' computer network. Employees should never download files from the Internet, accept email attachments from outsiders, or use disks from non-LVCS sources, without first scanning the material with LVCS approved virus checking software. If you suspect that a virus has been introduced into LVCS network, notify technology personnel immediately.

Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

Amendment and Modification of this Policy

LVCS reserves the right to modify this policy at any time, with or without notice. LVCS may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

SOCIAL MEDIA POLICY

LVCS has adopted the following policy with regard to employees' behavior on social networking sites including but not limited to Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Teachers are not to initiate "friendships" with students or parents. Employees must delete any students already on their "friends" list immediately.

With regard to social networking content, employees should not use commentary deemed to be defamatory, obscene, proprietary, or libelous with regard to any School-related business or policy, employee, student, or parent. Additionally, employees should exercise caution with regards to exaggeration, obscenity, copyrighted materials, legal conclusions, and derogatory remarks or characterizations. Employees should weigh whether a particular posting puts his/her effectiveness as a School employee at risk. LVCS encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Due to security risks, employees must be cautious when installing the external applications that work with the social networking site. At a minimum, it is recommended that all employees should have all privacy settings set to "Only Friends". The settings "Friends of Friends" and "Networks and Friends" open your content to a large group of unknown people, including students.

Personal or Professional Blogs

If you are developing a website or writing a blog that will mention LVCS, you must identify that you are an employee of the organization and that the views expressed on the blog or web site are yours alone and do not represent the views of LVCS. Unless given permission by your Executive Director, you are not authorized to speak on behalf of LVCS or to represent that you do so. If you are developing a site or writing a blog that will mention LVCS, as a courtesy to the organization, please let your Executive Director know in advance of publication. Your Executive Director may choose to visit your blog or social networking site from time to time.

You may not share information that is confidential and proprietary with regard to LVCS. This includes, but is not limited to, information about curriculum, School dynamics, School programs, future goals, or current challenges within the organization. These are given as examples only and do not cover the range of what LVCS considers confidential and proprietary. If you have any questions about whether information has been released publicly or doubts of any kind, speak with your Executive Director and Human Resources.

When writing a blog or participating in any other social networking site, employees should speak respectfully about LVCS and our current and potential employees, students, parents, and competitors. Name-calling or behavior that will reflect negatively on the organization's reputation is discouraged. Note that the use of copyrighted materials, unfounded, harassing, libelous, or derogatory statements, or misrepresentation is not viewed favorably by LVCS and can result in disciplinary action, up to, and including termination.

All employees who engage in social networking may be legally liable for anything he/she writes or presents online. Employees can be disciplined, if appropriate, by LVCS for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act.

Employees may not comment on a student's blog or a student's other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Executive Director.

Failure to comply with LVCS' social media policy will result in disciplinary action, up to, and including, immediate termination.

EQUIPMENT POLICY

LVCS attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops,

and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

Laptop Computers

Each staff member assigned a laptop for professional use shall be required to sign a laptop Agreement Form and will be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
 - Immediately report the incident to his/her immediate supervisor and IT.
 - Obtain an official police report documenting the theft or loss; and
 - Provide a copy of the police report to his/her immediate supervisor, or Executive Director and IT.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary.

Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

CELL PHONE POLICY

Personal cell phone use is not permitted while you are working, if you are required to report to a specific location. Cell phones should be turned off and stored with your other personal belongings while you are working.

If you are required to perform business on a cell phone for LVCS while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

Telephone Calls and Texting

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, LVCS has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by LVCS.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by LVCS employees is prohibited at all times in all working areas on School premises.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by LVCS.

School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. LVCS must approve any postings prior to posting.

LVCS reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

Definitions

School "premises": property owned, leased, operated, managed, or controlled by the School, including buildings, parking lots, and play areas that the School has the right to use exclusively or in common with others, vehicles owned or operated by the School.

Work time: any time when employees are engaged in or required to be performing work tasks. Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except cafeterias, employee break areas, and parking lots (non-work areas).

Employee Responsibility

If you have a need to solicit and/or distribute materials on School premises, it must be in compliance with this policy. If you have questions, talk with Human Resources. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

ANTI -NEPOTISM POLICY

Policy Statement

It is the policy of LVCS to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between a LVCS decision-maker and his or her Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all LVCS board members, employees, individual consultants hired or retained by LVCS, and School Services Providers hired or retained by LVCS.

Relationships between LVCS board members, employees, consultants, or School Services Providers are permissible under the following circumstances:

- (a) Family Members of LVCS board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.
- (b) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, in the discretion of the LVCS board of directors.
- (c) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be in the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services Provider(s), or in the case of a board member, in the discretion of the LVCS board of directors.

Definitions

“Family Members” include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law and father-in-law.

“Nepotism” describes a work-related situation in which there is the potential for favoritism toward a Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

“School Services Provider” shall mean any provider of school services to LVCS, and in the case of an organization shall mean be the responsible individual at such organization that provides school services to LVCS.

Procedures

When a Family Member of a current LVCS board member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member’s application/request must be denied if a conflict under this policy exists (*e.g.*, if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that LVCS’ best interests would be served otherwise.

When a Family Member of a current LVCS board member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within LVCS, the

Family Member's application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of LVCS, but such information may not be used as a basis for an employment decision except as stated herein.

When a relationship that creates a conflict with this policy occurs during employment, LVCS will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and LVCS. If a mutual agreement is unattainable, the Board will determine, in LVCS' best interest, which employee is to be transferred or separated.

Responsibilities

The Executive Director or designee shall coordinate with the current employee's direct supervisor to develop appropriate plans to ensure that a Family Member's employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Executive Director or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that LVCS' best interests would be served by the employment of a Family Member.

The Executive Director or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Executive Director or designee which may be covered by this policy. Supervisors may inquire about the family relationship between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Executive Director.

VIOLENCE IN THE WORKPLACE

LVCS has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect LVCS or which occur on LVCS property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on LVCS premises, regardless of the relationship between LVCS and the parties involved
- All threats or acts of violence occurring off LVCS premises involving someone who is acting in the capacity of a representative of LVCS

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

Violations of this policy by any individual on LVCS property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors to their Executive Director and Human Resources.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

SECTION 11 – STANDARDS OF CONDUCT

PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. Your Executive Director or immediate supervisor will inform you of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive, or reduce productivity.

Consult your supervisor if you have any questions regarding appropriate attire.

TEACHER-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres

- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed
- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities

Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any school activity (exclusive of tutorials)
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment)
- Keeping the door open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries
- Keeping parents informed when a significant issue develops about a student
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior-staff or administration if you find yourself in a difficult situation related to boundaries

- Involving your supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career

Reporting

When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, he or she must report the suspicion to their immediate supervisor, Human resources or the Executive Director promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e. our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a

A Report will be created and documentation will be filed with Human Resources.

The School prohibits audio or video recordings in the workplace, during working hours, without authorization of the School due to privacy and confidentiality concerns and protections.

The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of your employment, have access to and become familiar with various trade secrets and confidential information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of your employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During your employment with the School, you will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. You must not disclose to the School any confidential or proprietary information or material belonging to former employers or others.

Violations of this policy may result in disciplinary action, up to and including termination.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Executive Director so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

LVCS expects employees to devote their best efforts to the interests of our school. LVCS recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at LVCS or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with LVCS whether as a regular employee or as a consultant.

If you have any questions whether an action or proposed course of conduct would create a conflict of interest, you should immediately contact the Executive Director to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination.

This policy is in addition to LVCS' Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

Outside Employment

If you are a full time employee we expect that you devote your full professional effort to your position at LVCS. If you wish to participate in outside work activities you are required to obtain written approval from the Executive Director prior to starting those activities. Approval will be granted unless the activity conflicts with LVCS' interests. In general, outside work activities are not allowed when they:

- Prevent you from performing work for which you are employed at LVCS.
- Involve organizations that are doing or seek to do business with LVCS including actual or potential vendors.
- Violate provisions of law or LVCS policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave).

Your obligations to LVCS must be given priority. Full time employees are hired and continue employment with the understanding that LVCS is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the school is strictly prohibited.

POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL

Policy Statement

It is the policy of LVCS that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of LVCS. During working hours or on school premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer's or employee's outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, his or her duties as an officer of employee of LVCS if any of the following apply:

4. It affects the officer's or employee's work hours, interferes or conflicts with the officer's or employee's job duties, raise any ethical or conflict of interest concerns, or create any conditions that impact the officer's or employee's job performance.

Officers and employees may not use LVCS' name, logo, supplies, equipment or other property in connection with any outside activities.

Procedure

In the event that an officer or employee believes that an outside activity for compensation may be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of LVCS, the officer or employee shall obtain a written determination of the Executive Director or his or her designee that the outside activity is not in violation of this policy before engaging in such activity.

EXPENSE REIMBURSEMENT POLICY

LVCS will reimburse employees for certain reasonably necessary business expenses incurred in the furtherance of LVCS business. In order to be eligible for reimbursement, employees must follow the protocol set forth in the school's relevant fiscal and accounting policies and procedures. In general, the immediate supervisor must have previously approved all expenses, prior to the employee spending money. All receipts pertaining to the reimbursement must be original and detailed, and should be submitted to the appropriate supervisor for review and approval, prior to submission for final approval and payment.

POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS

Policy Statement

It is the policy of LVCS that LVCS shall not provide any funds or thing of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. LVCS does not and shall not provide, for example, "sign up bonuses" to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with LVCS in order to obtain funds or thing of value from LVCS. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with LVCS for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in LVCS, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student's education at LVCS, resulting in the individual's receipt of funds or thing of value from LVCS.

Procedures

The prior approval of the Executive Director or his or her designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

1. Any funds or thing of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would any funds or thing of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.
2. Any proposed incentive to be offered to students or parents.

In requesting approval, the educational purpose of any such funds, thing of value or incentive must be provided to the Executive Director or his or her designee.

SECTION 12 – SAFETY

SUBSTANCE AND ALCOHOL POLICY

It is the intent of LVCS to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations, or School success.

For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event;
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises;
- Refusing to submit to an inspection or testing when requested by administration;
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event.

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed marijuana) should not report to work. In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your ability to perform your job, you are required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect your safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance

may be required to present a statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee's ability to perform his or her specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in his or her possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee.

This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. As a result, employees do not have an expectation of privacy in this regard.

Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by intoxilator, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

All School buildings and facilities are non-smoking facilities. PERSONAL PROPERTY

LVCS cannot be responsible and will assume no liability for any loss or damage to employee personal property resulting from theft, fire, or any other cause on LVCS' premises, including the parking area, or away from school property while on school business. LVCS employees are prohibited from using personal property for work-related purposes unless approved in advance by the Executive Director.

SAFETY POLICY

LVCS is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor or Executive Director immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process, or business practice for which the School is responsible, bring it to the attention of your supervisor or Executive Director immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Executive Director regarding the problem.

All workplace injuries and illnesses must be immediately reported to your supervisor and Human Resources.

LVCS has in place a written Injury and Illness Prevention Program as required by law. It is located in the main office for review.

ERGONOMICS

LVCS has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our employees. You should report any ergonomic concerns to your Executive Director.

CHEMICAL EXPOSURE WARNING

Employees should be aware that work areas might contain chemicals known to the State of California to cause cancer or to cause birth defects or other reproductive harm. If you have any questions or concerns about possible chemical exposure in your work area, contact your Executive Director.

LVCS requests that employees provide at least two weeks written notice of a voluntary termination. All LVCS property must be returned immediately upon terminating employment. LVCS retains the right to accept resignation immediately and pay the amount of straight time compensation an employee would have earned in lieu of further performance.

INVOLUNTARY TERMINATION

An employee may be terminated involuntarily for, among other reasons, poor performance, misconduct or other violations of LVCS' Rules of Conduct as set forth herein. Notwithstanding the foregoing, or anything else contained in this handbook, LVCS reserves the right to terminate any employee at any time, with or without advance notice and with or without cause.

EXIT INTERVIEWS

All employees who leave employment at LVCS may be asked to take part in an exit interview with their supervisor to communicate their challenges and growth while employed at LVCS. Information shared during an exit interview will be treated as confidential to the extent possible.

All requests for employment verification, references or personal information verification or disclosures must be directed to Human Resources. Only Human Resources is authorized to provide verifications or references, or disclose personal information, pertaining to current or former employees.

With respect to verification requests, LVCS will disclose only the dates of employment and the title of the last position held. LVCS will verify or disclose additional information about the employee only if the employee provides written authorization for LVCS to provide the information. However, LVCS will provide information about current or former employees as required by law or court order. LVCS will not provide any letters of reference for current or former employees. Please refer all questions about this policy to Human Resources.

COVID-19 RELATED EMPLOYMENT LEAVE POLICIES

EMERGENCY PAID SICK LEAVE (“COVID-PSL”)

1. Purpose

Lake View Charter School (“School”) enacted this policy in accordance with the Families First Coronavirus Response Act (“FFCRA”) to provide emergency paid sick leave (“COVID-PSL”) to eligible employees.

2. Eligible Employees

All employees (including part-time and temporary employees) who work for the School are eligible to use COVID-PSL beginning on the first day of employment as set forth in this policy.

3. Definitions

For purposes of this policy, the following definitions are incorporated:

“Caring for an individual” relates to the care for an employee’s immediate family member, a person who regularly resides in the employee’s home, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person if he or she were quarantined or self-quarantined.

“Health care provider” means a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; or any other health care provider as authorized by statute.

“Seeking a medical diagnosis” for COVID-19 is limited to time the employee is unable to work or telework because the employee is experiencing symptoms such as a fever, dry cough, shortness of breath or any other symptoms identified by the U.S. Centers for Disease Control and Prevention and the employee is taking affirmative steps to obtain a medical diagnosis, such as making, waiting for, or attending an appointment for a test for COVID-19.

The definitions of “child care provider,” “school,” and “son or daughter” are the same as those set forth in the School’s E-FMLA policy below.

4. Permitted Use

Eligible employees may use COVID-PSL to take paid time off if an employee is unable to work (or telework) due to any of the six qualifying reasons set forth below:

1. The employee is subject to a Federal, State, or local quarantine or isolation order related to COVID-19.

2. The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID–19. This includes situations in which the employee has been advised to self-quarantine because the employee has COVID-19, it is believed the employee may have COVID-19 due to known exposure or symptoms or the employee is deemed particularly vulnerable to COVID-19.
3. The employee is experiencing symptoms of COVID–19 and seeking a medical diagnosis.
4. The employee is caring for an individual who is subject to an order as described in subparagraph (1) or has been advised as described in subparagraph (2).
5. The employee is caring for a son or daughter of such employee if the school or place of care of the son or daughter has been closed, or the child care provider of such son or daughter is unavailable, due to COVID–19 precautions. This may be taken if no other suitable person is available to care for the child during the period of the leave.
6. The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor.

5. **Hours of Paid Leave Received**

Full-time employees are entitled to 80 hours of COVID-PSL.

Part-time employees are entitled to the number of hours they work on average over a two-week period. For those with varying schedules, the School will determine the number of hours, which generally includes a backward looking calculation of hours worked in the previous six months.

6. **Caps on Amount of Paid Leave Received**

For qualifying reasons 1-3, the employee will receive their regular rate of pay up to \$511 daily and an aggregate total of \$5,110. For qualifying reasons 4-6, the employee will receive their regular rate of pay up to \$200 daily and an aggregate total of \$2,000.

7. **Limits on Use**

COVID-PSL is only available for use while qualifying reasons exist or through December 31, 2020, whichever is earlier. If an otherwise eligible employee received COVID-PSL from a prior employer, the employee may not be entitled to COVID-PSL under this policy.

8. **Intermittent Leave**

If the School and the employee agree, an employee may take the leave intermittently for any qualifying reason.

9. **Use Of Paid Benefits**

Employees may elect to use other accrued unused School paid leave benefits pursuant to those applicable policies before using COVID-PSL, although employees are not required to do so. If the School and the employee agree, employee's accrued unused paid benefits through applicable School policies may supplement the amount the employee receives under COVID-PSL up to the full amount of the employee's regular compensation for time taken off under this policy.

10. **Maintenance of Health Benefits**

The School will provide continued coverage under the School's group health plan if employee participates in the group health plan at the time leave is taken. The employee is responsible for paying the same portion of the premium costs the employee paid prior to COVID-PSL. Unless otherwise noted, the employee's portion of contributions will be deducted from the employee's pay.

11. **Notification**

The employee must completely fill out and submit a Request for Leave Form and provide reasonable advance notification of the need to use COVID-PSL, if foreseeable. Additional documentation supporting the need for leave may be requested. If the need to use COVID-PSL is not foreseeable, the employee must submit the Request for Leave Form as soon as practicable. However, *paid* leave may not be provided until the requested certification is submitted and approved. If you need assistance in completing or submitting your form, please contact Human Resources.

12. **Termination**

Employees will not receive pay in lieu of unused COVID-PSL. Unused COVID-PSL will not be paid out upon termination.

13. **No Discrimination or Retaliation**

The School prohibits discrimination or retaliation against employees for using their COVID-PSL.

This COVID-PSL policy may be modified, altered, or otherwise amended or deleted in the School's sole and absolute discretion.

EMERGENCY FAMILY AND MEDICAL LEAVE EXPANSION ACT ("E-FMLA")

14. **Purpose**

Lake View Charter School ("School") enacted this policy in accordance with the Families First Coronavirus Response Act ("FFCRA") to provide paid time off to eligible employees for qualifying child care reasons.

15. **Eligible Employees**

All employees (including part-time and temporary employees) who work for the School for a minimum of 30 days are eligible to use E-FMLA as set forth in this policy.

16. **Definitions**

For purposes of this policy, the following definitions are incorporated:

“Child care provider” means a provider who receives compensation for providing child care services on a regular basis, including an ‘eligible child care provider’ (as defined in section 658P of the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n).

“Public health emergency” means an emergency with respect to COVID-19 declared by a Federal, State or local authority.

“School” means an ‘elementary school’ or ‘secondary school’ as such terms are defined in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

“Son or Daughter” is the employee’s own child, which includes a biological, adopted, foster child, stepchild, a legal ward, or a child for whom you are standing in loco parentis who is under the age of 18 years of age; or 18 years or older who is incapable of self-care because of a mental or physical disability.

17. **Permitted Use**

Eligible employees may use E-FMLA if they are unable to work (or telework) due to a need for leave to care for their son or daughter if their child’s school or place of care has been closed, or the child care provider of such son or daughter is unavailable, due to a public health emergency. This may be taken if no other suitable person is available to care for the child during the period of the leave.

18. **Paid Leave Received**

Employees are entitled to up to twelve weeks of time off under E-FMLA. The first two weeks are unpaid, but may be paid if the employee elects to use COVID-PSL or other applicable School paid benefits during this time. The remaining ten weeks are paid at two-thirds of the employee’s regular rate of pay, up to a daily maximum of \$200 and an aggregate total of \$10,000. The amount paid is also based on the number of hours the employee would otherwise normally be scheduled to work.

Part-time employees are entitled to the number of hours they work on average over a two-week period. For those with varying schedules, the School will determine the number of hours, which generally includes a backward looking calculation of hours worked in the previous six months.

19. **Limits on Use**

E-FMLA is only available for use while qualifying reasons exist or through December 31, 2020, whichever is earlier. Please also note that any time off for FMLA reasons during the relevant period will count against remaining availability of E-FMLA. For instance, if an employee took

three weeks of FMLA during the relevant time period, the employee will have nine weeks available under E-FMLA for use. In this example, the first two weeks of the available nine weeks would be unpaid and the remaining seven weeks would be paid in accordance with the above calculations.

20. **Intermittent Leave**

If the School and the Employee agree, an employee who needs time off for E-FMLA, may take time off intermittently.

21. **Use Of Paid Benefits**

After the first two workweeks (10 work days), employees may elect to use, or the School may require the use of, other applicable accrued unused School's paid leave benefits concurrently with E-FMLA. If the School and the employee agree, employee's accrued unused paid leave benefits through the School may supplement the employee's two-thirds pay pursuant to E-FMLA up to the full amount of the employee's regular compensation for time taken off under this policy.

22. **Maintenance of Health Benefits**

The School will provide continued coverage under the School's group health plan if the employee participates in the group health plan at the time leave is taken. The employee is responsible for paying the same portion of the premium costs the employee paid prior E-FMLA. Unless otherwise noted, the employee's contribution portion will be deducted from the employee's pay. The School will provide instructions to employees as their payment for benefit contributions during any unpaid time off under E-FMLA.

23. **Notification**

The employee must completely fill out and submit a Request for Leave Form and provide reasonable advance notification of the need to use E-FMLA, if foreseeable. Documentation from the employee's school or child care provider regarding the closure or unavailability must be submitted with the Request for Leave Form.

If the need to use E-FMLA is not foreseeable, the employee must submit the Request for Leave Form as soon as practicable. However, *paid* leave may not be provided until the requested certification is submitted and approved. If you need assistance in completing or submitting your form, please contact Human Resources.

24. **Termination**

Employees will not receive pay in lieu of unused E-FMLA. Unused E-FMLA will not be paid out upon termination.

25. **Restoration to Position**

Generally, an employee who takes E-FMLA leave shall be entitled, upon return from such leave, to be restored either (A) to the position of employment held by the employee when the leave commenced; or (B) to an equivalent position with equivalent employment benefits, pay and other

terms and conditions of employment. In accordance with applicable law, restoration to a position may not be possible if certain conditions exist which include, but are not limited to, economic conditions or other changes in operating conditions of the School that affect employment and are caused by a public health emergency.

26. **No Discrimination or Retaliation**

The School prohibits discrimination or retaliation against employees for requesting or using E-FMLA.

27. **Other**

Please note that under certain circumstances, the School may be exempt from the requirements of E-FMLA. In addition, employees may be eligible for time off under the School's FMLA policy if the employee has a serious health condition related to COVID-19, or to care for the employee's spouse, son, daughter or parent with a serious health condition related to COVID-19.

Other terms and conditions of FMLA may apply to this leave. Please see Human Resources for additional information.

This E-FMLA policy may be modified, altered, or otherwise amended or deleted in the School's sole and absolute discretion.
