Assessment Update

We have been granted permission by the US Department of Education to use our local assessments - the Star Assessment

- **ALL** grades must take the Star during the Spring Window (April 12-May 25)
- We need to have a 95% participation rate - it's the only measure that our families, boards, and authorizers will have to determine academic achievement for our schools for the 2020-2021 school year
- Students **CAN** still take the CAASPP/CAST **in addition** to the Star Assessment

Assessment Update

Although it is optional, we are advising that 11th graders still take the CAASPP **in addition** to the Star for the following reasons:

- College course placement for both Community Colleges and CSU
- The CAASPP affects our CCI on the CA State Dashboard - we aren't sure if they will allow local assessments for those yet
- Currently, local assessments will **not** be accepted for the State Seal of Biliteracy for grade 11 students (Class of 2022). The CAASPP assessment results are the **only** results that can be used for this program.
- Students are not required to take the CAA or the CAST, as it is not a "viable option" at this time for our schools

Sara Rose Bonetti
Board Treasurer

A quick introduction...

- **Former Lake View board member**
- **Homeschool parent of two kiddos age 5 and 6**
- **Chico Native - 3rd generation**
- **I love being creative my favorite form is fabric and sewing machine**

What's happening in the Grove...

- **Currently the SGCA Board meets twice per month**
- **One major focus the past few months has been staffing**
 - Currently 90% classified staff hired for a July 1 start date
- **The SGCA team is excited about the school's adopted "growth budget"**
 - SGCA is currently exploring increased staffing to meet that added demand and provide the excellent service we all expect.

Also in the Grove...

- **Working closely with the schools, SGCA is currently budgeting at just 9% to the schools!**
 - The original budget was based on the 10.25% that we are currently paying
- **The SGCA tech department is already working on Google account migration and establishing our new fresh online presence.**

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;

however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Lake View Charter School (LVCS) opened in the fall of the 2019-20 school year. Lake View Charter School is a WASC accredited, non-classroom based public charter school authorized by Lake Elementary School District in Glenn County serving approximately 500 students in Glenn, Colusa, Butte, Lake, Mendocino, and Tehama Counties from transitional kindergarten through 12th-grade. Families select the combination of systems that best suit student learning needs and interests, including Place-Based Learning that immerses students in local cultures, landscapes, and resources to contextualize our curriculum. We take great pride in being able to offer our students flexible personalized learning experiences through our many unique and dynamic programs led by credentialed teachers (when appropriate based on COVID restrictions). Of our approximately 500 students, 50% are socioeconomically disadvantaged, one percent are English Learners, and 2.5% are homeless or foster youth. About 9% of our students have exceptional learning needs. Further, 77% of our students are White, 11% are Hispanic or Latino, 7% are Two or More Races, and 1% are Black.

LVCS Home School Teachers (HST's) are California credentialed teachers who partner with families to nurture, guide and enhance a student's educational needs. A focus of collaboration with academic achievement and the development of the whole child with personalized learning is pivotal.

Since Lake View is a charter school opened in 2019-20 school year it does not have 2018 California Dashboard. However, based on internal data, stakeholders would like to use LCFF and federal funds to focus on expanding our math academic support and providing targeted support to identified subgroups in ELA and Math (LCAP Goal 2.C and 2.D in our 2021-22 LCAP). Using federal funds, we seek to increase student participation and interest in math (LCAP 2.C). Finally, our strategy is to use federal funds to provide academic support to identified student subgroups in ELA and Math (LCAP Goal 2.D in our 2021-22 LCAP). We will do this by broadening our analysis of our assessment data and school performance reports and using our curriculum and intervention coordinators to support our teachers and students.

To improve student performance, we will use federal funds to implement the following strategies:

Title I, Part A:

- 1) We will supplement our mathematics curriculum and instruction. As described in the previous paragraph, we are keenly aware of our math performance on the Dashboard for all subgroups. For example, we will increase the amount of teacher professional development focused on understanding state academic standards, teacher resources, instructional material, and educational support. Professional development will focus on the standards for mathematical practice, appropriate instructional support, and formative assessments. We will focus on low-income students who are not performing At Standard in math.
- 2) We will supplement our English Language Arts (ELA) curriculum. As described in the previous paragraph, we need to improve our ELA performance, particularly for English Learners. Given the integration of ELA and English Language Development (ELD) standards, we will increase teacher professional development focused on understanding this overlap. Professional development will focus on the standards for ELA and ELD, appropriate instructional support, and formative assessments. We will focus on low-income students who are not performing At Standard in ELA.
- 3) We will supplement strategies intended to facilitate college and career readiness, including partnerships with local colleges and employers. Supplemental strategies include exploring the possibility of establishing work-based internships and establishing agreements for dual enrollment courses.
- 4) Establish a digital library program to provide students an opportunity to develop digital literacy skills and improve academic achievement. A digital library will emulate college approaches to creating centers of technology and information literacy, allowing students to access a vast array of books online and includes English Learner supports such as audiobooks and those written in their native language.

Title II, Part A

To improve our professional growth and improvement systems for teachers and administrators, we will provide staff training related to formative, diagnostic, and interim assessments. To optimize data produced by diagnostic and interim assessments, it is vital that staff fully understand how to interpret results and modify curriculum and instructional appropriately.

Title III, Part A

To supplement professional learning to guide and support administrators, coordinators, and teachers in addressing English Learners' academic needs to ensure they gain academic content knowledge and English language proficiency.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

We use our LCAP as the foundation for schoolwide (we are a single school charter) conversation and reflection to ensure our goals and state priorities are aligned and guide our focus. Our LCAP includes actions paid with Title I, II, and III funds. Specifically, LCAP actions that address Local Control

Funding Formula (LCFF) priorities 1, 2, 4, 7, and 8 are aligned with monitoring student performance and achievement outcomes. LCAP actions aligned with LCFF priorities 2,4 and 7 are aligned with career technical and work-based opportunities. Further, we align funding sources such that federally funded actions supplement our state-funded base programs. By integrating addressing state priorities in our LCAP and including both state and federal-funded actions, we build upon success while simultaneously address areas of concern.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

TITLE I, PART A

Monitoring Student Progress Towards Meeting Challenging State Academic Standards

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(1) (A–D)	1, 2, 4, 7, 8 <i>(as applicable)</i>

Describe how the LEA will monitor students' progress in meeting the challenging state academic standards by:

- (A) developing and implementing a well-rounded program of instruction to meet the academic needs of all students;
- (B) identifying students who may be at risk for academic failure;
- (C) providing additional educational assistance to individual students the LEA or school determines need help in meeting the challenging State academic standards; and
- (D) identifying and implementing instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

Overuse in Discipline Practices that Remove Students from the Classroom

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(11)	6 <i>(as applicable)</i>

Describe how the LEA will support efforts to reduce the overuse of discipline practices that remove students from the classroom, which may include identifying and supporting schools with high rates of discipline, disaggregated by each of the student groups, as defined in Section 1111(c)(2).

Career Technical and Work-based Opportunities

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(12)(A–B)	2, 4, 7 <i>(as applicable)</i>

If determined appropriate by the LEA, describe how such agency will support programs that coordinate and integrate:

- (A) academic and career and technical education content through coordinated instructional strategies, that may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State; and
- (B) work-based learning opportunities that provide students in-depth interaction with industry professionals and, if appropriate, academic credit.

TITLE II, PART A

Title II, Part A Activities

ESSA SECTION	STATE PRIORITY ALIGNMENT
2102(b)(2)(A)	1, 2, 4 (<i>as applicable</i>)

Provide a description of the activities to be carried out by the LEA under this Section and how these activities will be aligned with challenging State academic standards.

TITLE III, PART A

Parent, Family, and Community Engagement

ESSA SECTION	STATE PRIORITY ALIGNMENT
3116(b)(3)	3, 6 (<i>as applicable</i>)

Describe how the eligible entity will promote parent, family, and community engagement in the education of English learners.

ESSA Provisions Addressed in the Consolidated Application and Reporting System

An LEA addresses the following ESSA provision as part of completing annual reporting through the Consolidated Application and Reporting System (CARS).

TITLE I, PART A

Poverty Criteria

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(4)	N/A

Describe the poverty criteria that will be used to select school attendance areas under Section 1113.

ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed**, unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2)

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

THIS ESSA PROVISION IS ADDRESSED BELOW:

N/A

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe how the LEA will carry out its responsibility under Section 1111(d).

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We consider parents/guardians as partners in educating our students. We ensure all school information and reports are provided in a format and language that parents/guardians understand via a digital format that can be translated with the use of technology. We also provide translation as appropriate. We use Zoom, email, phone, and instant messaging to communicate regularly with parents and families regarding school events and student academic progress.

During the 2019-2020 school year, we initiated significant outreach and engagement with families, including surveys and virtual town hall meetings. Our communication with families yielded vital information related to COVID-19 challenges. We continued to proactively engage families during the 2020-2021 school year serving as the foundation of our LCAP. Although we did not receive Title 1 funding last year, we nonetheless ensure that parents/guardians of students who qualify for Title 1

funding are aware of opportunities to participate in advisory, decision-making, and advocacy roles. For example, we proactively and appropriately advertise opportunities to serve on our single-school DELAC. In 2021-22, the parents and guardians of Title I students will continue to be apprised of opportunities to participate in an organized and consistent manner responsive to their demanding schedules. For example, parents/guardians will be invited to plan, review, and improve Title I programs and the Title I parental involvement policy. The Title I policy will be annually distributed in the Parent-Student Handbook and included in the board policy. It will be available on the school website, with hard copies available as needed from the school office. The Parent Involvement Policy is based upon Board Policy and Administrative Regulations to ensure compliance with federal and state regulations. The policy will be updated annually based on the feedback received from our parent advisory group, School Site Council, and ESSA updates.

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Targeted Support Program:

Title I funds are utilized to supplement funds used to support students in meeting our challenging academic standards. A comprehensive needs assessment based on State and local data is used to determine the appropriate use of Title I funds. Each year, we conduct a comprehensive data analysis of student achievement, including multiple student performance measures. At the end of the year, we use the California Assessment of Student Performance and Progress (CAASPP) data to analyze student achievement. To assess student achievement needs on an ongoing, formative basis, the administrators and teachers use benchmark common core standards-based assessments and teacher diagnostics to assess students' mastery of the Common Core Content Standards taught. The needs assessment is included in our charter's process for the cycle of continuous improvement. This process consists of the following elements:

- Analyzing data from the California Dashboard, benchmark, and local assessments
- Identifying evidence-based actions/strategies to impact student outcomes
- Identifying measurable outcomes as a means to evaluate progress toward accomplishing the goal.
- Plan differentiate supports for our students.
- Identify the gaps in performance across student groups, allowing for narrowing gaps and accelerating academic performance.
- Strategies are targeted intensive supports, including academic intervention and support, parent and community engagement, and social-emotional intervention and support.

The school's academic support program includes opportunities for low-performing students to meet academic standards. Our students have access to tutoring services, personalized educational plans, personalized curriculum selections, intervention instructors, virtual academy instructors, Instructional

Administrators, online academic support and instructional materials, technology, curriculum development, academic incentive programs, Career & Technical Education (CTE) Pathways, and college and career preparation, and other evidence-based intervention programs. Parent engagement strategies meet the needs of all students in the school with a specific focus on the lowest-achieving students and student groups who are at risk of not meeting grade-level proficiency. Parent and Community Engagement are provided in our community connections opportunities, parent education meetings, workshops and classes, multiple communication methods, and incentives for engagement. These strategies include counseling, additional teacher Professional Development, parent engagement opportunities, and supplemental curricular materials. Social-Emotional Learning (SEL) classes are provided for students weekly, curriculum development, professional development, parent meetings and training, SEL specialists, and psychologists. Title 1 funding is used to provide more intensive targeted support to close the achievement gap of the students who are considered unduplicated, high need students. Based on the California Longitudinal Pupil Achievement Data System (CALPADS), Home Language Surveys (HLS), Household Data Collection (HDC) forms, and Housing Questionnaires, we can identify students in the greatest need of support. Our identified socioeconomically disadvantaged, English Learners, and Foster youth students are not making adequate progress towards achieving grade-level academic standards. We believe that providing these students with targeted supports will help these students meet academic goals. Targeted intensive supports include academic intervention and support, social-emotional intervention and support, and parent and community engagement.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

THIS ESSA PROVISION IS ADDRESSED BELOW:

About two percent of Lake View's student population are homeless or foster youth. We are careful to ensure that none of our homeless students or foster youth experience enrollment delays in school or classes or any other services. When a family is identified as homeless/foster youth, we do not require anything substantive to enroll. Homeless/Foster Youth students will be enrolled and provided a full and equal opportunity to succeed in school and various programs. Enrollment disputes are mediated in accordance with the law, Board policy, and procedure. Further, any family who identifies as homeless/foster youth may continue to enroll in our school should they move out of our district. Our McKinney-Vento Homeless Liaison, in collaboration with school administrators, teachers, and paraprofessionals, will coordinate to monitoring the attendance/engagement of homeless/foster youths, including their academic, behavioral, and social/emotional progress and needs. We will use Title I funds to supplement programs and supports aligned with the McKinney-Vento Homeless Act provisions and ensure that each child of a homeless individual and homeless/foster youth has equal access to the same free, appropriate public education provided to other children and youths. We will provide specific information in outreach materials, websites, and social media platforms notifying parents that the school is open to enroll and provide services to all students, including contact numbers to access additional enrollment information. Our McKinney-Vento Homeless/Foster Youth liaison coordinates with all staff to ensure homeless students are provided with technology, supplies, and counseling to support them academically and social-emotionally. These needs could include academic, attendance, or social-emotional support. In particular, our liaison ensures families of

homeless students are aware of opportunities to adjust graduation requirements (including the impact on college enrollment requirements). In coordination with services provided under the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.), we provides services for homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support 1) Enrollment: Identification of homeless students; enrollment support services for parents and students; immediate enrollment; records retrieval; referrals to immunization clinics & other local services; collaboration with shelters and community agencies; other related services; 2) Attendance: Outreach services to parent/students to promote attendance and reduce chronic absenteeism; coordination with parents and students on attendance issues; 3) Success of homeless children and youths: Access and referrals to Title 1 services and other state and federal programs; coordination with departments to ensure students are receiving comparable services and services for which they are eligible; coordination with parents and students to address attendance, academic, and behavior issues; outreach services and referrals for basic needs and community resources; school and hygiene supplies; and other education support services.

Student Transitions

ESSA SECTIONS 1112(b)(8) and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

- (A) through coordination with institutions of higher education, employers, and other local partners; and
- (B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We do not plan to use Title 1, Part A funds to support student transitions. Actions related to student transitions are outlined in our LCAP and funded with state LCFF funds. Pertinent LCAP actions ensure all students transition successfully from elementary school to middle school, from middle school to high school, and from high school to postsecondary education and careers. For example, our LCAP actions including increasing the number of Career Technical Education (CTE) Pathways.

Additional Information Regarding Use of Funds Under this Part

ESSA SECTION 1112(b)(13) (A–B)

Provide any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will:

- (A) assist schools in identifying and serving gifted and talented students; and
- (B) assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We will use Title I, Part A funds to establish a digital library program to provide students an opportunity to develop digital literacy skills and improve academic achievement. A digital library will emulate college approaches to creating centers of technology and information literacy, allowing students to access a vast array of books online and includes English Learner supports such as audiobooks and those written in their native language.

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Title II funds supplement school funds used for professional development for teachers and other school leaders. Professional development is currently focused on closing the achievement gap and improving the performance of underperforming student groups: improving our Multi-Tiered Systems of Support; Universal Design for Learning to help teachers design lessons that engage students of all performance levels; Positive Behavioral Interventions and Supports to decrease disciplinary incidents and increase the amount of time students spend learning; Professional development training for intervention specialists and special education teachers to support students who are not successful in learning to read and current intervention programs; trauma-informed practice to build teacher understanding of how to support students in crisis; professional learning communities where teachers analyze data and plan instructional improvements to increase student success; and new teacher induction to help teachers new to the profession become effective as quickly as possible. We use Title II to support PBIS work in our school, where data shows more support is needed. Some of our staff members are struggling with an effective response to trauma-affected students. We provide PBIS (Positive Behavior Intervention & Supports)/MTSS (Multi-tiered Systems of Support) training with county offices of education and in-house offerings.

Data used for Planning:

Our professional development planning begins with analyzing student performance and needs, educators' capabilities and needs, progress in our school, and data about current professional development effectiveness.

Our focus is on equity.

We use internal benchmark data to identify individual students and student groups not meeting expectations in English language arts, mathematics, socio-emotional development, behavior, and progression toward college and career success. Surveys of teachers, conversations with leadership, and observations help us identify areas in which professional development would help teachers meet student needs. We identify needs for our leaders as we analyze school data and identify focus areas for improvement. Our professional development (PD) can be divided into two primary categories: academic/pedagogical/technical and socio-emotional/behavioral. It is important to us to address both areas. Our data shows that it is often socio-emotional factors, not just academic factors, that are interfering with some students' ability to master academic standards and thus our ability to close the achievement gap. An example is our current focus on inclusion, which includes supporting PD in Universal Design for Learning and training in meeting students' socio-emotional needs. Multiple areas must be addressed if our students are to be successful. PD is a work in progress, with more data being made available. We realize that we need to narrow our PD focus and become more systematic and deliberate with implementation to achieve lasting results.

Content and pedagogy:

We use teacher surveys to measure our progress in implementing state standards, including the Common Core ELA and math standards, ELD standards, Next Generation Science Standards (NGSS), other California standards. These survey results are reported to the Executive Director and discussed in our leadership meetings. Examples: In math, instructional strategies need work. In NGSS, some teachers have implemented the new standards effectively, but other teachers still need PD on the standards we have planned for the next school year. Additional growth areas that emerge from the data are differentiated instructional approaches such as UDL (Universal Design for Learning). On the socio-emotional side, the staff is learning how to support students in crisis. We are providing training in EverFi and ways to help students calm themselves. We have reviewed the data of our students who are not reading proficiently by the end of second grade, which has led to PD on multi-sensory reading approaches and evidence-based programs to help students before they fall behind begin to think reading is not for them. Design and Structure the school provides our teachers

with a range of learning options. EverFi, our socio-emotional curriculum, has online training that based on teacher feedback and implementation observations is very effective. We provide virtual training sessions and send staff to workshops and conferences when it is safe and available. For our teacher induction program, CTI, the Riverside County Office of Education teacher induction program. CTI is focused on teachers' most essential needs, with embedded structures to help our new teachers focus on high-leverage learning that will have a broad impact on their practice. Collaboration and shared accountability

Prioritizing Funding

ESSA SECTION 2102(b)(2)(C)

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

THIS ESSA PROVISION IS ADDRESSED BELOW:

We are single school charter.

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Professional Development Teacher training is differentiated and matched to career stages. Training for teachers participating in induction might focus on routines and procedures and classroom management at the beginning of the year. More experienced teachers might be focused on practice problems, such as helping all students master operations with fractions in fourth grade. The most significant number of teacher training hours were focused on mathematics, technology, mindfulness, working with trauma-affected students, social emotional support, and PBIS. Mathematics continue to be a significant area of focus for students, along with ELA. There was also a great deal of training for Special Education teachers and general education teachers to develop all students' inclusion. Staff that is new to leadership receives coaching through an administrator coach. The coach supports the new administrator in setting both school and professional growth goals, the pair meets periodically for check-ins. We believe there is excellent value in administrators participating in training alongside their teachers, which frequently happens. Administrators who participate in training are better equipped to support and coach implementation, making the training more effective. Our administrative team acts as a PLC, using executive meetings to analyze our schools and student group data. These sessions also allow the Executive Director to share information about the state's evolving accountability system with school leadership. The process for using data to analyze professional development effectiveness is described in detail above. Our consultation structure is the LCAP process, where we consult with all stakeholders as we develop our plan. Consultation with parents often leads to areas of focus for professional development. An example is a recent meeting of our Parent Advisory Group, where parents talked about wanting information about the path to college earlier. Our families expressed that they value the high school's FAFSA and college applications workshops but think disseminating

that information should start earlier. LCAP and Title I consultation with staff (principal, all teachers, paraprofessionals) and all stakeholders (parents, community members) also adds PD topics to the list. Our team is very open about sharing their struggles and their ideas for training that would be helpful, and the information is beneficial. Our analysis of PD data yields information about what was effective, what was ineffective, and the changes we need to make for the subsequent year. We use that information to plan the PD activities for the next school year. Through the professional learning for teachers described above, both our leadership and training specialists work with groups of teachers using improvement science methods and tools. Each team identifies data sources for the short, medium, and long term. As an example, a long-term measure could be CAASPP or ELPAC results; a medium-term measure could be a unit assessment project-based learning objective. Lastly, a short-term measure could be the specific change idea that teachers decided to try, such as how many students draw a picture to help solve a math problem. Each of these measures is agreed upon by the teacher team trying out the change. The teacher team can then use the data to adapt their plans as needed. We have put most of our staff development into our LCAP, which helps manage funds while also creating a natural place to include a report of PD effectiveness in our Annual Report for that LCAP area. We believe in collaboration as an important strategy. We will invite all stakeholders (school staff (certificated-teachers and classified-paraprofessionals), administrative staff, parents, as well as community partners) and encourage them to participate in various forms of governance and events in our school. Parent leaders assume essential roles in our school as volunteers supporting school programs or different governance structures. All stakeholder groups will be given an opportunity to participate in the monthly District English Learner Advisory Committee (DELAC) and Parent Advisory Committee (PAC). These school groups will provide input into programs and expenses related to federal categorical funding. Our parents' consistent and informed participation will enable meaningful consultation with them as stakeholders. Efforts will be made to encourage the parents of underrepresented and underserved families, like the families of special needs students and homeless students, on the DELAC, and Parent Advisory Committee. In partnership with school staff, parent leaders will develop and approve our school's Title I Parent and Family Engagement Policy and LCAP.

TITLE III, PART A

Title III Professional Development

ESSA SECTION 3115(c)(2)

Describe how the eligible entity will provide effective professional development to classroom teachers, principals and other school leaders, administrators, and other school or community-based organizational personnel.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We plan to use Title III, Part A funds to supplement professional development related to English Learner needs. The leadership team, including administrators, will engage in monthly professional learning focused on best practices that are successful with English Learners, such as effective instructional methods and strategies. Best practices are based on evidence-based successful approaches.

Teachers also engage in monthly professional development focused on analyzing data from formative and interim supports and academic support reflection. We take a Professional Learning Community (PLC) approach wherein all teachers are welcome to participate and contribute to professional learning. Teachers are empowered to provide feedback to their colleagues in supporting English

Learner success. Our PLC approach facilitates the identification of instructional successes and needs and thus the adjustment of professional development.

Enhanced Instructional Opportunities

ESSA SECTIONS 3115(e)(1) and 3116

Describe how the eligible entity will provide enhanced instructional opportunities for immigrant children and youth.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We do not receive Title III, Immigrant funding.

Title III Programs and Activities

ESSA SECTION 3116(b)(1)

Describe the effective programs and activities, including language instruction educational programs, proposed to be developed, implemented, and administered under the subgrant that will help English learners increase their English language proficiency and meet the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Our Tier 1 English Language Development (ELD) curriculum (integrated and dedicated) includes a range of information systems (e.g., graphic organizers, diagrams, videos, or other media) and improved language models (e.g., sentence frames and stems) to provide comprehensible input and structure. These instructional supports are aligned with our core instructional approach, emphasizing multiple means of engagement, representation, and expression. We use Title III, Part A funds to supplement our Tier 1 ELD curriculum, including synchronous online leveled designated ELD classes for EL students, additional dedicated ELD, twice a week in 45-minute synchronous sessions, and access to online programs such as BrainPop, MobyMax, and Babble.

English Proficiency and Academic Achievement

ESSA SECTION 3116(b)(2)(A-B)

Describe how the eligible entity will ensure that elementary schools and secondary schools receiving funds under Subpart 1 assist English learners in:

- (A) achieving English proficiency based on the State's English language proficiency assessment under Section 1111(b)(2)(G), consistent with the State's long-term goals, as described in Section 1111(c)(4)(A)(ii); and
- (B) meeting the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Achieving English proficiency:

We use various tools available to retrieve achievement data on the ELPAC and CAASPP. School Student information system's (Pathways) dashboard make relevant data available to all staff with multiple data points reported, including English learner progress. These dashboard assists us in identifying students who are not making expected progress for early identification and intervention. Each school year and throughout the year, our teachers are presented with relevant data on their students, including English learners. Our school staff reviews the data and determines the intervention levels required for students not making satisfactory growth. During collaborative meetings, teachers analyze grade-level data to collectively determine students' needs and devise strategies, including English learners' interventions. Teachers and other staff meet regularly to track student progress, including English learners, and adjustments are made in levels of instruction needed and appropriate instructional strategies. Our English Language Learner Coordinator monitors English learner student progress regularly, establishes the need(s) for direct instruction or curricular changes as needed. Communication between the Coordinator and staff is frequent and specific to English learner students who are not making progress. The Coordinator identifies English learner students who are at-risk of becoming Long term English learners (LTELs) or are already considered LTEL. In collaboration with Intervention Coordinators and ELD teachers, the Coordinator devises a plan for each LTEL and at-risk LTEL, including appropriate placement, instructional materials, supplemental materials, communication with parents, and graduation requirements for high school students. This plan is implemented and revised as needed to ensure student growth. Our expectation is that English learner students will progress by at least one level each year on the ELPAC. For EL students scoring at the lowest level, level 1, the assessment means that they should reach English proficiency and be eligible for reclassification within 4 to 5 years. Progress for English learner students on the ELPAC assessment is monitored annually with the expectation that all EL students will show at least one growth level. For those EL students who do not show growth, the Coordinator helps identify these students and collaboratively devises an individual learning plan tailored to EL student's need. The English Language Learner Coordinator has processes to monitor English learner students and ELs who have been reclassified. We examined each EL and reclassified (RFEP) student's progress three times a year. Data (grades, CAASPP scores, benchmark scores, ELD assessment data) and feedback are gathered from teachers, Intervention Coordinators, Special Education staff, and other support staff. To ensure that teachers monitor their EL student's progress, the EL Coordinator reviews the progress monitoring reports. This review process provides the school leadership with information about which ELs are not making progress and require modifications in instruction, in materials used, and other interventions that might be needed. Progress monitoring forms are provided to parents also to support at-home activities to assist EL students. The progress monitoring forms, when completed, are forwarded to the Coordinator, who reviews each one and then collaborates with staff to modify instruction and interventions to ensure EL student success as necessary. Of particular importance in this process are long-term English learners (LTEL). Frequent monitoring of long-term ELs by the school helps LTEL students make satisfactory English progress to be eligible for reclassification. English learner students who become LTELS present a tough challenge in determining how we can move these students to English proficiency. The effects of being an LTEL are far-reaching as they affect these students through high school and beyond. Teachers frequent monitoring LTEL students and we have data-driven monitoring meetings at least three times or more per year to focus on our LTEL students. The result is a comprehensive plan to move LTEL students toward English proficiency.

The board will accept applications to fill available vacancies. The board is not obligated to select any applicant if, in the board's sole discretion, it does not believe the applicant possesses the requisite skills, availability, demeanor, etc., suitable for the director position even if that means the position will remain vacant. At least one member of the board of directors will be a community member or a parent of Lake View Charter School student.

Section 6. RESIGNATION OF DIRECTORS. Except as provided below, any director may resign by giving written notice to the chairman of the board, if any, or to the president, or the secretary, or to the board of directors. If a director's resignation is effective at a later time, the board may designate a successor to take office as of the date when the resignation becomes effective. Except upon notice to the Attorney General of California, no director may resign if the corporation would then be left without a duly elected director or directors in charge of its affairs.

Section 7. REMOVAL OF DIRECTORS. Any director may be removed at any time by a majority vote of directors then in office, with or without cause.

Section 8. VACANCIES. Vacancies on the board shall be filled by the vote of a majority of directors then in office. Each director so elected shall hold office until expiration of the term of the replaced director, if mid-term, and for the term if voted in at the beginning of a new term.

Section 9. PLACE OF MEETINGS AND MEETINGS BY TELEPHONE. Any meeting of the board of directors may be held at any place within the county in which the greatest number of pupils who are enrolled in the School reside that has been designated from time to time by resolution of the board or in the notice of the meeting. In the absence of such designation, meetings shall be held at the principal executive office of the corporation. Any meeting, annual, regular or special, may be held by conference telephone or similar communication equipment, so long as all directors participating in the meeting can hear one another and a majority of the members are within the county in which the greatest number of pupils who are enrolled in the School reside. All such directors shall be deemed to be present in person at such telephonic meeting. Prior written notice of any and all such meetings of the board of directors shall be provided to the directors at least seventy-two (72) hours prior to the time of the holding of the meeting.

Section 10. ANNUAL AND REGULAR MEETINGS. The annual meeting of the board of directors shall be held each year on the date and time as may be fixed by the board of directors. At such annual meeting, officers shall be elected and any other proper business may be transacted. Other regular meetings of the board of directors shall be held at such time as shall from time to time be fixed by the board of directors.

All meetings of the Board of Directors shall be called, held and conducted in accordance with the terms and provisions of the Ralph M. Brown Act California Government Code sections 54950, *et seq.*, as said chapter may be modified by subsequent legislation. This Act requires that at least 72 hours before a regular meeting, and 24 hours before a special meeting, the Board of Directors or its designee shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting.

Section 11. SPECIAL MEETINGS. Special meetings of the board of directors for any purpose or purposes may be called at any time by the chairman of the board or a board majority.

Notice of the time and place of special meetings shall be delivered to each director personally or by telephone or sent by first-class mail, postage prepaid, or telegram, charges prepaid, or electronic transmission, addressed to each director at his or her address as it is shown on the records of the corporation. In case the notice is mailed, it shall be deposited in the United States mail at least four days prior to the time of the holding of the meeting. In case such notice is delivered personally or by telephone or telegraph, it shall be delivered personally or by telephone or to the telegraph company at least twenty-four (24) hours prior to the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the director or to the person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director.

Section 12. QUORUM. A majority of the authorized number of directors shall constitute a quorum for the transaction of business, except to adjourn as provided in Section 13 below. Every act or decision done or made by the board of directors requires a vote of the majority of the acting board of directors subject to the provisions of Section 5212 of the Code (appointment of committees), Section 5233 of the Code (approval of contracts or transactions in which a director has a direct or indirect material financial interest), Section 5234 of the Code (approval of certain transactions between corporations having common directorships), Section 5235 (compensation of directors or officers), and Section 5238(e) of the Code (indemnification of directors).

Section 13. WAIVER OF NOTICE; CONSENT. Notice of a meeting required by the Corporations Code need not be given to any director who, either before or after the meeting, signs a waiver of notice, a consent to holding the meeting, or an approval of the minutes of the meeting. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of meeting shall also be deemed given to any director who attends the meeting without protesting, before or at the commencement of the meeting, the lack of notice to that director. Notice of all meetings shall be given in accordance with the requirements of the Ralph M. Brown Act, California Corporations Code sections 54950, *et seq.*

Section 14. ADJOURNMENT. A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting shall be given in the same manner as provided for special meetings, unless notice is waived as provided for special meetings. A copy of the notice of adjournment shall be conspicuously posted on or near the door of the place where the adjourned meeting was held within 24 hours after the time of the adjournment.

Section 15. FEES AND COMPENSATION. Directors and members of committees shall receive no compensation for their services; provided however, that directors and members of

committees may receive reimbursement of out-of-pocket expenses, as determined by resolution of the board of directors. Nothing contained herein shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation for such services if compensation is awarded by the board of directors.

ARTICLE VII COMMITTEES

Section 1. **COMMITTEES OF DIRECTORS.** The board of directors may, by resolution adopted by a majority of the directors then in office, designate one or more committees, each consisting of two or more directors, to serve at the pleasure of the board. Appointments to such committees shall be by a majority vote of the directors then in office. The board may designate one or more directors as alternate members of any committee, who may replace any absent member at any meeting of the committee. Any such committee, to the extent provided in the resolution of the board, shall be advisory only.

Section 2. **MEETINGS AND ACTION.** Meetings and action of committees of the board shall be governed by, and held and taken in accordance with, the provisions of Article VI of these bylaws, Sections 8 (place of meetings and meetings by telephone), 9 (annual and regular meetings), 10 (special meetings), 11 (quorum), 12 (waiver of notice), 13 (adjournment) and 14 (action without meeting), with such changes in the context of those bylaws as are necessary to substitute the committee and its members for the board of directors and its members, except for the following: (a) the time of regular and annual meetings of committees may be determined by resolution of the board of directors as well as the committee; (b) special meetings of committees may also be called by resolution of the board of directors; and (c) notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. Minutes of each meeting of any committee shall be kept and filed with the corporate records. The board of directors may adopt rules for the government of any committee not inconsistent with the provisions of these bylaws. If required by law, committee meetings shall be held in accordance with the Ralph M. Brown Act, California Government Code sections 54950, *et seq.*

ARTICLE VIII OFFICERS

Section 1. **OFFICERS.** The officers of the corporation shall be a president, a secretary, and a chief financial officer. The corporation may also have, at the discretion of the board of directors, a chairman of the board, one or more vice presidents, one or more assistant secretaries, one or more assistant treasurers, and such other officers as may be appointed in accordance with the provisions of Section 3 of this Article VIII. Any number of offices may be held by the same person, except that neither the secretary nor the chief financial officer may serve concurrently as the president or the chairman of the board.

Section 2. ELECTION. The officers of the corporation, except such officers as may be appointed in accordance with the provisions of Section 3 or Section 5 of this Article VIII, shall be chosen by the board of directors, and each shall serve at the pleasure of the board, subject to the rights, if any, of an officer under any contract of employment.

Section 3. OTHER OFFICERS. The board of directors may appoint, and may empower the president to appoint, such other officers as the activities of the corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in the bylaws or as the board of directors may from time to time determine.

Section 4. REMOVAL AND RESIGNATION. Subject to the rights, if any, of any officer under any contract of employment, any officer may be removed, either with or without cause, by the board of directors or, except in case of an officer chosen by the board of directors, by any officer upon whom such power of removal may be conferred by the board of directors.

Any officer may resign at any time by giving written notice to the corporation. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any such resignation is without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party.

Section 5. VACANCIES. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these bylaws for regular appointments to such office.

Section 6. CHAIRMAN OF THE BOARD. The chairman of the board, if such an officer be elected, shall, if present, preside at meetings of the board of directors and exercise and perform such other powers and duties as may be from time to time assigned to him or her by the board of directors or prescribed by the bylaws. If there is no president, the chairman of the board will in addition be the chief executive officer of the corporation and shall have the powers and duties prescribed in Section 7 of this Article VIII.

Section 7. PRESIDENT. Subject to such supervisory powers, if any, as may be given by the board of directors to the chairman of the board, if there be such an officer, the president shall be the chief executive officer of the corporation and shall, subject to the control of the board of directors, have general supervision, direction, and control of the activities and the officers of the corporation. He or she shall preside, in the absence of the chairman of the board, or if there be none, at all meetings of the board of directors. He or she shall have the general powers and duties of management usually vested in the office of president of the corporation and shall have such other powers and duties as may be prescribed by the board of directors or the bylaws.

Section 8. VICE PRESIDENTS. In the absence or disability of the president, the vice presidents, if any, in order of their rank as fixed by the board of directors or, if not ranked, a vice president designated by the board of directors, shall perform all the duties of the president, and

when so acting shall have all the powers of, and be subject to all the restrictions upon, the president. The vice presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the board of directors or the bylaws and the president or the chairman of the board.

Section 9. SECRETARY. The secretary shall keep, or cause to be kept, at the principal executive office or such other place as the board of directors may direct, a book of minutes of all meetings and actions of directors, and committees of directors, with the time and place of holding, whether regular or special, and, if special, how authorized, the notice thereof given, the names of those present at directors and committee meetings, and the proceedings thereof.

The secretary shall give, or cause to be given, notice of all meetings of the board of directors required by the bylaws or by law to be given, and he or she shall keep the seal of the corporation, if one be adopted, in safe custody, and shall have such other powers and perform such other duties as may be prescribed by the board of directors or by the bylaws.

Section 10. CHIEF FINANCIAL OFFICER. The chief financial officer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings, and other matters customarily included in financial statements. The books of account shall at all reasonable times be open to inspection by any director.

The chief financial officer shall deposit, or cause to be deposited, all monies and other valuables in the name and to the credit of the corporation with such depositories as may be designated by the board of directors. He or she shall distribute, or cause to be disbursed, the funds of the corporation as may be ordered by the board of directors, shall render to the president and directors, whenever they request it, an account of all financial transactions and of the financial condition of the corporation, and shall have such other powers and perform such other duties as may be prescribed by the board of directors or the bylaws.

If required by the board of directors, the chief financial officer shall give the corporation a bond in the amount and with the surety or sureties specified by the board for faithful performance of the duties of his or her office and for restoration to the corporation of all of its books, papers, vouchers, money, and other property of every kind in his or her possession or under his or her control on the death, resignation, retirement, or removal from office of the chief financial officer.

ARTICLE IX INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES

Section 1. DEFINITIONS. For the purposes of this Article IX, the definition of the terms “agent”, “proceeding”, and “expenses” shall be governed by Section 5238 of the Code.

Section 2. INDEMNIFICATION IN ACTIONS BY THIRD PARTIES. The corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor, an action brought under Section 5233 of the Code, or an action brought by the Attorney General of California or a person granted relator status by the Attorney General of California for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

Section 3. INDEMNIFICATION IN ACTIONS BY OR IN THE RIGHT OF THE CORPORATION. The corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the corporation, or brought under Section 5233 of the Code, or brought by the Attorney General of California or a person granted relator status by the Attorney General of California for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that such person is or was an agent of the corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of the corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 3 for any of the following:

(a) Any claim, issue, or matter as to which such person shall have been adjudged to be liable to the corporation in the performance of such person's duty to the corporation, unless and only to the extent that the court in which such action was brought shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

(b) Amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

(c) Expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval, unless it is settled with the approval of the Attorney General of California.

Section 4. INDEMNIFICATION AGAINST EXPENSES. To the extent that an agent of the corporation has been successful on the merits in defense of any proceeding referred to in Sections 2 or 3 of this Article IX or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 5. REQUIRED DETERMINATIONS. Except as provided in Section 4 of this Article IX, any indemnification under this Article shall be made by the corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Sections 2 or 3 of this Article IX by:

(a) A majority vote of a quorum consisting of directors who are not parties to such proceeding; or

(b) The court in which such proceeding is or was pending upon application made by the corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the corporation.

Section 6. ADVANCE OF EXPENSES. Expenses incurred in defending any proceeding may be advanced by the corporation prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article IX.

Section 7. OTHER INDEMNIFICATION. No provision made by the corporation to indemnify its directors or officers for the defense of any proceeding, whether contained in the articles of incorporation, bylaws, a resolution of directors, an agreement, or otherwise, shall be valid unless consistent with this Article IX. Nothing contained in this Article IX shall affect any right to indemnification to which persons other than such directors and officers may be entitled by contract or otherwise.

Section 8. FORMS OF INDEMNIFICATION NOT PERMITTED. No indemnification or advance shall be made under this Article IX, except as provided in Section 4 or Section 5(b), in any circumstance if it appears that:

(a) It would be inconsistent with a provision of the articles of incorporation, bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) It would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 9. INSURANCE. The corporation shall have the power to purchase and maintain insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the corporation would have the power to indemnify the agent against such liability under the provisions of this Article IX; provided, however, that the corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the corporation for a violation of Section 5233 of the Code.

ARTICLE X RECORDS AND REPORTS

Section 1. MAINTENANCE OF CORPORATE RECORDS. (e) Any information required by Section 5 of this Article X.

The annual report shall be accompanied by any report thereon of independent accountants or, if there is no such report, by the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

Section 5. ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS. As part of the annual report to all directors, the corporation shall annually prepare and mail or deliver to each director within 120 days after the corporation's fiscal year end, a statement (described below) of any transaction or indemnification (i) in which the corporation was a party and (ii) in which an "interested person" had a direct or indirect material financial interest, if any such transaction occurred. For this purpose, an "interested person" is any director or officer of the corporation.

The statement shall include the following information:

(a) A brief description of any transaction during the previous fiscal year that involved more than \$50,000, or was one of a number of transactions in which the same interested person had a direct or indirect material financial interest involving, in the aggregate, more than \$50,000;

(b) The names of interested persons involved in such transactions described in the preceding paragraph (a), their relationship to the corporation, the nature of their interest in the transaction and, if practicable, the amount of that interest; provided, however, that if the transaction was with a partnership in which the interested person is a partner, only the interest of the partnership need be stated; and

(c) A brief description of the amount and circumstances of any indemnifications or advances aggregating more than \$10,000 paid during the fiscal year to any officer or director of the corporation under Article IX of these bylaws, unless that indemnification already has been approved by the directors under Section 5238(e)(2) of the Code.

ARTICLE XI GENERAL MATTERS

Section 1. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts, or other orders for payment of money, notes, or other evidences of indebtedness, issued in the name of or payable to the corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the board of directors.

Section 2. CORPORATE CONTRACTS AND INSTRUMENTS; HOW EXECUTED. Except as otherwise provided in these bylaws, the board of directors may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the corporation, and such authority may be general or confined to specific instances; and, unless so authorized or ratified by the board of directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

Section 3. REPRESENTATION OF SHARES OF OTHER CORPORATIONS. The chairman of the board, the president, or any vice president, or any other person authorized by resolution of the board of directors or by any of the foregoing designated officers, is authorized to vote on behalf of the corporation any and all shares of any other corporation or corporations, foreign or domestic, standing in the name of the corporation. The authority granted to said officers to vote or represent on behalf of the corporation any and all shares held by the corporation in any other corporation or corporations may be exercised by any such officer in person or by any person authorized to do so by a proxy duly executed by said officer.

Section 4. CONSTRUCTION AND DEFINITIONS. Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the Law shall govern the construction of these bylaws. Without limiting the generality of the foregoing, the singular number includes the plural, the plural number includes the singular, the masculine gender includes the feminine and neuter, and the term "person" includes both a corporation and a natural person. All references in these bylaws to the Law, the Law, or to the Code shall be deemed to be those in effect from time to time.

ARTICLE XII AMENDMENTS

The board may adopt, amend, or repeal bylaws unless doing so would be a prohibited amendment under the California Corporations Code. Any amendment to these bylaws will require a majority vote of the directors then in office; provided, however, that if the articles of incorporation of the corporation set forth the number of authorized directors of the corporation, the authorized number of directors may be changed only by an amendment of the articles of incorporation.

CERTIFICATE OF SECRETARY

Master Plan for Services to English Learners

2020-2021

Lake View Charter School aims for outstanding programs for all our students. English Learners have enormous challenges but also have the opportunity to develop the asset of bilingualism within a global community. They face the double task of learning the challenging state standards and mastering a new language.

To make sure we reach optimal results for English Learners we developed this Master Plan to ensure that they learn English, have full access to a challenging academic curriculum, and that they build the multicultural proficiency that is necessary in today's complex and challenging world. This plan is a practical guide for all staff to ensure that we provide consistent, coherent services to each and every English Learner in our school. We are all expected to follow the plan, and it provides specific ways for us to hold ourselves accountable for obtaining optimal results.

This plan describes how we identify, serve and support students who initially enroll in our school with limited proficiency in the English language. The plan sets forth six goals for this work:

1. English Learner (EL) programs will be fully implemented.
2. Parents of English Learners and Reclassified Fluent English Proficient Students (RFEPs) will participate meaningfully in their children's education.
3. English Learners will master the English language as efficiently and effectively as possible.
4. English Learners will achieve academic success comparable to English Only (EO) students.
5. English Learners and Reclassified Fluent English Proficient Students will be at no greater risk for school failure than English Only Students.
6. Form an English Learners Advisory Committee to foster a better involvement of EL parents, thereby increasing academic achievement of the EL population, advise the School Board, principal, and EL Coordinator, on issues pertaining to English Learners (ELs), assist in the development of the school's needs assessment and Language Census Report, and provide input on formal school plans, such as WASC self study and LCAP.

Identification Tools:

- Home Language Survey upon enrollment
- Additionally, look in CALPADS and cumulative folders

Step 1: Registration, including Completion of the Home Language Survey

Upon enrollment, parents complete a Home Language Survey or HLS as required by state law. This survey is completed the first time the parent enrolls the child in Lake View Charter School and the results are maintained thereafter in the charter school’s student information system and the English Learner folder in the child’s cumulative record (CUM).

If the answers to Items 1, 2, 3 on the HLS are “English”, the child is classified as English Only or EO. The parent is notified of the result and is given an explanation of the placement options open to the student. The default option is Mainstream English.

If Item 1, 2, or 3 on the Home Language Survey is answered with a language other than English, the child is tested for English proficiency. (Continue to Step 2)

However, if the parent’s response to the first three questions on the HLS is English, and the response to the fourth question is other than English, then reasonable doubt may exist as to the student’s home language. If there is evidence of significant non-English exposure, then the pupil must be administered the state English language proficiency assessment, currently known as the English Language Proficiency Assessments for California (ELPAC). The parent will be consulted by a certificated staff member regarding the need to administer the assessment, the results, and the subsequent program placement of the child.

NOTE: When reasonable doubt is established, the school must annotate the HLS to document the reasons for ELPAC administration. The school administrator/designee must sign and date the annotations provided.

The parent has the right to amend the HLS at any time. However, if the student has already been administered the initial ELPAC, any changes to the HLS will not affect the student’s official language classification. If the parent amends the HLS prior to initial ELPAC administration, the school must honor the changes made while continuing to take reasonable doubt into consideration, given the probable impact of the change relative to the parent’s or student’s observed linguistic behavior.

Parents who enroll their child in Pre-Kindergarten must complete the HLS as part of the enrollment process. The first HLS (e.g., Pre-K) on file for a student supersedes all HLS forms completed at later times. Therefore, the answers provided on the **initial** HLS are documented permanently in CALPADS.

Assessment		
Initial ELPAC	Within 30 days of enrollment: pending possible extension from the state.	July 1-May 30
Initial ELPAC score report and Notification Letter will be mailed, after testing. See Appendix 1		
Summative ELPAC	Given to current EL students	Feb 1- May 30

Step 2: English Language Proficiency Assessment

State regulations require that if the student’s Home Language Survey indicates that a language other than English is used at home in Item 1, 2, or 3, the student’s English language

proficiency level must be assessed and given the results (pending an extension from the state) within 30 calendar days of initial enrollment.

The ELPAC is a standardized language proficiency test designed to measure the English proficiency of non-native speakers in four areas: Listening, Speaking, Reading and Writing. The child receives a score for each part of the test that is taken (Listening, Speaking, Reading, and Writing) as well as an overall score. The score types include scale scores and proficiency levels.

School staff calculates a preliminary score for the purpose of determining the default program and placement options. These results, including proficiency level results for each subtest, are communicated to the parent on the Parent Notification of English Language Testing Form. The assessment is also forwarded by the EI Coordinator for official scoring. These official results override the informal scoring if the scores differ. The official results are sent to the parent within 30 days of receipt by the school. ELPAC results are maintained in the student’s English Learner folder inside the cumulative folder, and in the school’s student information system for future use in the monitoring of student progress and in the program evaluation.

If an Individual Education Plan (IEP) team has determined that a student is unable to take all or part of the ELPAC, the student will be given a California Department of Education (CDE) approved alternative assessment.

The School will annually assess the ELP and academic progress of each English learner. The School shall administer the ELPAC summative assessment during the annual summative assessment window.

When administering an initial or summative ELPAC assessment to a pupil with a disability, the School shall provide designated supports or accommodations, in accordance with the student’s individualized education plan (IEP) or Section 504 plan. When a student’s IEP or Section 504 plan specifies that the student has a disability that precludes assessment such that there are no appropriate accommodations for assessment in one or more of the listening, speaking, reading, and writing domains, the student shall be assessed in the remaining domains in which it is possible to assess the student.

When a student’s IEP team determines that the student has a significant cognitive disability such that the student is unable to participate in the initial or summative assessment, or a Section of either test, even with resources, the student shall be assessed as specified in the student’s IEP.

On the basis of the English language assessment, students are classified as either English Learner (EL) or Initially Fluent English Proficient (IFEP).

Criteria for reasonable fluency in English

Level	Description
-------	-------------

<p>Initial Fluent English Proficient [IFEP]</p>	<p>Students at this level have well developed oral (listening and speaking) and written (reading and writing) skills. They can use English to learn and communicate in meaningful ways that are appropriate to different tasks, purposes, and audiences in a variety of social and academic contexts. They may need occasional linguistic support to engage in familiar social and academic contexts; they may need light support to communicate on less familiar tasks and topics. This test performance level corresponds to the upper range of the “Bridging” proficiency level as described in the <i>2012 California English Language Development Standards, Kindergarten Through Grade Twelve (2012 ELD Standards)</i>.</p>
<p>Intermediate English Learner</p>	<p>Students at this level have somewhat developed to moderately developed oral (listening and speaking) and written (reading and writing) skills. This level captures a broad range of English learners, from those who can use English only to meet immediate communication needs to those who can, at times, use English to learn and communicate in meaningful ways in a range of topics and content areas. They may need some degree of linguistic support to engage in familiar social and academic contexts (depending on the student, the level of support needed may be moderate, light, or minimal); they may need substantial-to-moderate support to communicate on less familiar tasks and topics. This test performance level corresponds to the entire “Expanding” proficiency level and to the lower range of the “Bridging” proficiency level as described in the <i>2012 ELD Standards</i>.</p>
<p>Novice English Learner</p>	<p>Students at this level have minimally developed oral (listening and speaking) and written (reading and writing) English skills. They tend to rely on learned words and phrases to communicate meaning at a basic level. They need substantial-to-moderate linguistic support to communicate in familiar social and academic contexts; they need substantial linguistic support to communicate on less familiar tasks and topics. This test performance level corresponds to the “Emerging” proficiency level as described in the <i>2012 ELD Standards</i>.</p>

NOTE: Students classified as IFEP are not eligible to receive EL services and will receive grade-level instruction in an instructional program designed for Native-English and Fluent-English speakers.

IFEP Students - The parents of IFEP students are informed of the results and given the same program options as those given EO students- the default program is Mainstream English. Placement is made on the same basis as for EOs.

English Learners proceed to primary language assessment. Parents of ELs will be notified each year of their child's current language classification along with the annual assessment results. A student will remain an EL until he or she has met the criteria for reclassification.

Parent Notification

- Results of assessments
- Student Placement

Step 3: Parent Notification of Results

Parent Notification of Initial Assessment Results and Program Placement

Parents of students (ELs and IFEPs) who are administered the **initial** ELPAC will receive official notification informing them of their child's:

- Initial English language proficiency level and how it was assessed
- Official language classification
- Instructional program placement

In addition to the above, parents must also receive information regarding the:

- Various instructional program options, educational strategies, and educational materials to be used in each program
- Reclassification, or program exit, criteria
- Instructional program for ELs with a disability (with an IEP) and how such a program will meet the objectives of the IEP
- Expected rate of graduation for ELs

Parent Notification of Annual Assessment Results and Program Placement

Program Placement/Instructional

- **English Language Mainstream (ELM)**—A classroom setting for English learners who have acquired reasonable fluency in English, as defined by the school district. In addition to ELD instruction, English learners continue to receive additional and appropriate educational services in order to recoup any academic deficits that may have been incurred in other areas of the core curriculum as a result of language barriers.
- **Core Instruction in English**

- **Daily Leveled ELD** for 30 – 60 minutes based on the student need and level independently at home through BrainPop ELL program with teacher monitoring progress.
- **SDAIE** strategies/vocabulary development will be embedded in curriculum and enhanced with teacher support in person or during online sessions. (SDAIE Strategies for English Learner Intervention is attached).
- Monitor student progress and evaluate programs regularly.
- Designated ELD Direct Instruction Classes—via a virtual online platform.
- **BrainPop ELL**- brings English language learning to life in your classroom! To help you make the most of this product, explore this rich collection of support resources, from ELL-specific graphic organizers and action images to learning strategies, lesson plans, vocabulary activities, and more. Proficiency-based English language learning program appropriate for all ages, at no cost to students.
- **Reading Eggs**- provides a comprehensive range of research-based online reading lessons, activities and books that teach children aged 2–13 the literacy skills needed for a lifetime of reading success. The comprehensive reading program is grounded in solid educational research and covers the five pillars of reading – phonics, phonemic awareness, vocabulary, comprehension, and fluency. Provided with a minimal cost.
- Mathseeds/Mathletics- It is a comprehensive online mathematics program for children aged 3-13. It offers a vast range of carefully structured lessons and activities that build mathematical skills over a broad range of numbers, shapes, and measurement topics. This program can be used for intervention in math. This eligibility is dependent on their STAR360 scores and is only given to students who score in the yellow intervention or red urgent intervention categories.
- In addition, any other school-provided online programs.

Step 4: Program Placement

The following process is used to identify the most appropriate program for the English Learner. ELPAC results indicate whether the student is *reasonably fluent in English* or not.

The criteria for reasonable fluency in English are the same as the criteria for “Probably English Proficient” in the ELPAC Scoring Guide. They include:

1. Student’s *overall* proficiency level is Early Advanced or higher, *and*
2. Proficiency in *each* skill area is Intermediate or higher. The skill areas are Listening, Speaking, Reading, and Writing (Kindergarten through 12th grade).

If the child is *reasonably fluent in English* by these criteria, then the default placement is the *mainstream English program*. Additional support services may be recommended, as appropriate. The child will normally continue in this placement until reclassified. Support services in the mainstream program must include English Language Development and may include one or more of the following:

- Content instruction using SDAIE strategies

- Specialized instruction by an English Learner Development teacher
- Participation in Benchmark, Strategic, or Intensive interventions in variety of setting based on student need
- McGraw Hill Flex Curriculum (EL supports based on Level)

AT RISK EL STUDENTS & LTEL's (Long Term English Learners)

Lake View will annually run a list of the at risk ELs (4-5 years as an EL) and our LTELs (6+ years as EL) and work with HSTs to strongly encourage the following supports:

- * Automatic access to BrainPop ELL
- *Virtual Reading Comprehension virtual classes offered by qualified instructors
- *Reading Horizons option
- *ELD Support Class option
- *School's EL designee will collaborate with HSTs and parents to determine best practices to encourage and support each student to show English fluency and be able to reclassify

STAFFING

Per state and federal law all teachers of our EL students hold a valid CA teaching credential with authorization to instruct English Learners. This CLAD or English Learner authorization is met through coursework completion, passing scores on the 3 CTEL examinations. EL students are not assigned to teachers who have not yet earned this authorization, or, as in the case of a new teacher, with a preliminary credential, who is still working to clear their credential. Lake View will:

- Ensure appropriate assignments of teachers for English Learners
- Recruit qualified EL certified teachers through position postings
- Assure that teachers hold proper California Teacher Credentialing (CTC) authorizations
- Provide opportunities for teachers who do not hold appropriate certification to enroll in training

PROFESSIONAL DEVELOPMENT FOR STAFF AND ADMINISTRATORS ON INITIAL IDENTIFICATION, PLACEMENT, AND RELATED PARENTAL RIGHTS/INFORMED CONSENT

Lake View Charter School is committed to providing ongoing annual professional development for administrators and staff, including special education teachers and staff, on legal requirements and school procedures relating to the implementation of the identification and placement requirements of this *English Learner Master Plan*, including but not limited to:

- Initial identification
- Placement options and procedures
- Communicating assessment results to families effectively

- Parental rights and informed consent regarding initial identification and placement, including the parental exception waiver process.

Those who must participate in the training include but are not limited to: administrators, teaching staff, counselors, Enrichment Center staff, staff members who work with ELs' student records, office staff members responsible for registration, special education teachers, paraprofessionals and specialists, and other support staff as necessary. The training places special emphasis on sensitivity to parents, including how to make parents feel welcome, and how to ensure that they are truly informed and able to take an active role in the process of determining the appropriate instructional program for their child.

The professional development offered will be designed to improve the instruction and assessment of ELs; designed to enhance the ability of teachers, principals and other school leaders to understand and implement curricula, assessment practices and measures and instructional strategies for ELs; effective in increasing the student's English language proficiency or substantially increasing the teacher's subject matter knowledge, teaching knowledge and teaching skills as demonstrated through classroom observation.

INITIAL ELPAC-ELAS CORRECTION POLICY AND PROCESS

Local Educational Agencies are allowed to make one correction per student per lifetime to an English Language status. This process can be used if a parent/guardian or certificated employee of the LEA requests a review of the student's classification on the basis of the results of the Initial ELPAC. Typically, the process will be used if a parent/guardian or certificated employee can provide evidence that a student who was classified as English Learner (EL) after taking the Initial ELPAC should be classified as Initially Fluent English Proficient (IFEP). This process must occur before the first administration of the Summative ELPAC starting in February.

If a student was tested with the initial ELPAC and was designated EL but, based on evidence and observation, you feel that they are proficient in English, the HST can request a status correction to IFEP (Initially Fluent English Proficient).

1. HST submits the Google Survey--ELAS Correction Request for Initial ELPAC; found in the EL Resources Folder.
2. If the request is approved for further review, HST will receive an Evidence Form and info sheet.
3. HST and family review the examples of possible evidence for student's grade span.
4. HST and family gather appropriate, grade-level evidence in all domains to illustrate student's English Language Proficiency

5. Complete the Evidence Form, signed by HST and Parent, then email, along with evidence, the EL Coordinator.

RECLASSIFICATION

Lake View Charter School reclassifies EL students to Reclassified English Fluent Proficient (RFEP) at the point when specialized language and academic support services are deemed no longer needed for ELs to be successful in their educational program at a level commensurate to non-ELs. This decision is made using criteria that include assessment of English language proficiency using the ELPAC, Smarter Balanced Assessment Consortium (SBAC) or California Alternative Assessment (CAA) scores in English-Language Arts, teacher evaluation, and parent consultation.

Once ELs are reclassified, they retain RFEP status for the rest of their educational careers. However, the academic progress of RFEP students must be monitored for a minimum of four years, as required by state and federal guidelines, and if their continued linguistic and academic performance declines or stalls, interventions are provided to ensure that these students reach and maintain grade level academic proficiency. A full description of the reclassification process is detailed below.

ELPAC proficiency level, in addition, common, grade-level standards-based assessments and English language development (ELD) assessments are examined to determine if the student is able to function at a level commensurate with his or her English-speaking peers.

Reclassification Policy, Criteria, and Process:

Lake View Charter School's Director of ELD, in conjunction with teacher input, will specifically evaluate students who are potentially qualified for reclassification. This will occur upon release of ELPAC scores by the state.

Per California Department of Education recommendations and requirements, EL Reclassification will be based on the following four criteria:

- 1) ELPAC Score - Student must have an Overall Performance Level score of 4 (the statewide standardized ELP criterion), with no more than one subscore of 2.
- 2) Teacher Evaluation - Student progress as observed by the teacher, as well as student's grades/progress indicators in math and English. Grade must be a C or higher in both courses. Progress in standards must be Meeting or Exceeding Expectations.

- 3) Parent Opinion and Consultation - Parents will be invited to and are strongly encouraged to participate in a phone conference, as noted in Parent Notification Letter of Reclassification.
- 4) English Language Proficiency - EL student’s English language proficiency will be compared with that of an English Proficient Student. This will take the form of the AR STAR Assessment **or** SBAC scores. The cut score requirements/criteria are indicated in the chart below.
- ~~5) Math Proficiency- EL students should be performing at or above grade level in math- Student should perform at standard nearly met on SBAC math and/or have a Min. Math score for STAR 360 that is provided in the chart, per grade level.~~

Process

1. The ELD coordinator will complete the Reclassification Form for students who meet the first criteria. (Appendix 2).
2. Form will then be sent to the teacher for further input and completion of grades, test scores, etc.
3. If a student meets criteria 1, 2, and 4, a Parent Notification Letter of Reclassification will be sent to the parents, inviting them to a phone conference where they can consult with the Director of ELD and/or teacher, and their child. See Appendix 3
4. At this point, if everyone is in agreement, student is then redesignated RFEP.

5. If a student has not met criteria 1, 2, or 4, they will remain EL and will be reevaluated the next school year.

RECLASSIFYING ENGLISH LEARNERS WITH DISABILITIES

The reclassification criteria and process are the same for Special Education students being considered for reclassification, except in those cases where the IEP team feels that the student’s disability, more so than a language barrier, is the reason why the student is not qualifying for reclassification. In such cases, it is the responsibility of the IEP team, case carrier, or teacher to initiate contact with the Director of ELD to consider the alternative reclassification criteria and form. The IEP team, to include parent and the Director of ELD, will discuss and complete the form. If the student is found to meet these criteria, he/she will then be reclassified to RFEP and four-year monitoring will commence, as with all other RFEP students. See Appendix 4

RFEP Monitoring

Per the California Department of Education requirements, once a student is reclassified as RFEP, they are no longer required to take the summative ELPAC, but there is a requirement for four years of continued monitoring of that student.

Lake View Charter School will monitor RFEP’s curriculum, interventions and assessments quarterly. RFEPs will also have a formal **yearly monitoring check** each year over the four years, using the Reclassification Monitoring form. Below is the RFEP Monitoring Schedule, based on student last name:

Annual RFEP Monitoring Schedule

Student’s Last Name	Monitoring Month, Annually for Four Years	Student’s Last Name	Monitoring Month, Annually for Four Years
A-C	October	M-O	February
D-F	November	P-R	March
G-H	December	S-V	April
I-L	January	W-Z	May

If at any point the student is scoring below grade level, intervention measures will be put in place, so as to ensure that the student is receiving as much support as possible, toward maintaining English language proficiency and academic growth. See Appendix 5

INITIAL ELPAC NOTIFICATION LETTER

To the parent(s)/guardian(s) of: <Last_Name>, <First_Name> Date: <Date_Testing_Completed>

SSID: <SSID> Date of Birth: <Date_of_Birth> Grade: <Tested_Grade>

Dear Parent(s) or Guardian(s): When your child enrolled in our school, a language other than English was noted on your child's Home Language Survey. The law requires us to assess your child and notify you of your child's proficiency level in English. In California, the name of the test is the Initial English Language Proficiency Assessments for California (ELPAC). This letter also explains the criteria for a student to exit, or reclassify out of, the English learner program. (20 United States Code Section 6312[e][3][A][i],[v],[vi])

Language Assessment Results

See enclosed Student Score Report

Based on the results of the English language proficiency assessment, your child has been identified as an <Calculated_ELAS> student.

Program Placement

If your student was identified as **IFEP**, he/she is assigned to a regular academic program, will not need to participate in an English language instructional support program, will not be designated as an English Learner (EL student), nor will he/she need to take the ELPAC exam again. Please note, that this does not change your student's homeschool teacher.

If your student was identified as an **English Learner (EL)**, he/she has been assigned to an appropriate English language instructional support program based on the results. The goal of this program is to help your child become proficient in English and succeed in the school's academic curriculum. Instructional support is added by your child's teacher as needed, according to the ELPAC results. Please note, that this does not change your student's homeschool teacher.

Exit (Reclassification) Criteria

The goal of language acquisition programs is for students to become proficient in English as rapidly as possible and to meet state academic achievement measures. This district's exit (reclassification) criteria are listed below.

(20 U.S.C. Section 6312[e][3][A][vi])

Required Criteria (California <i>Education Code</i> [EC] Section 313[f])	LEA Criteria Lake View Charter School EL Master Plan
English Language Proficiency Assessment	Overall Performance Level score of 4 (the statewide standardized ELP criterion) with no more than one subscore of 2 in the domains of reading, writing, listening and speaking.
Teacher Evaluation	Student progress as observed by teacher, as well as student's grades/progress indicators in math and English. Grade must be a C or higher in both courses. Progress in standards must be Meeting or Exceeding Expectations.
Parental Opinion and Consultation	Parents will be invited to and are strongly encouraged to participate in a phone conference, as noted in Parent Notification Letter of Reclassification.
Comparison of Performance in Basic Skills	EL student's English language proficiency will be compared with that of an English Proficient Student. This will take the form of the STAR 360 Assessment and SBAC scores.

Intervention and Support Options

In addition to the instructional support provided by your homeschool teacher, Lake View Charter School offers MTSS and other programs to help your student with their English fluency and academic achievement goals through a multi-tiered system of supports (MTSS).

Response to Instruction and Intervention through the Multi-Tiered System of Supports (MTSS)

The school will provide intervention for all students TK-12. The following descriptors provide an overview of specific interventions to support ELs. Intervention for Long Term ELs is the responsibility of the Home School Teachers as well as the entire intervention team.

Tier 1 intervention: Provided until proficiency goal is reached

- The general education teacher begins and/or provides Tier 1 level supports on a class/roster-wide basis. Additionally, the teacher ensures that the students are working in an evidence-based curriculum. To complement the evidence-based curriculum, parents and students have access to high quality, school created direct instruction video libraries. The video libraries meet the needs of academic intervention and success. Video libraries are also offered for speech production, stuttering (fluency) and spoken language. These video libraries educate the parents/learning coach on developmental milestones. They also guide the parent/learning coach or HST specifically on how to support the student within the general education program with strategies they can start using immediately.

Tier 2 Intervention: Provided for students who have not yet reached proficiency through Tier 1 interventions

- Tier 1 plus online Interventions, as well as video libraries and direct instruction offered through Tier 2.
- Long Term ELs will continue to receive intensive intervention during direct virtual English Language Development instruction.
- Students receive direct virtual instruction.

Tier 3 Interventions: Provided for students who have not reached proficiency through Tier 2 strategies

- Tiers 1 and 2 Interventions, plus
- Direct Individual virtual instruction and intervention program
- Long Term ELs receive additional small group direct virtual or one-on-one assistance during the virtual intervention instruction.
- Long Term ELs receive additional intervention through an online program

Tier 4 Intervention: Provided for students who have not reached proficiency through previously administered intervention strategies

- Students who do not show progress after a designated time will be recommended to a Student Study Team with possible recommendation for Special Education testing.

Additional Online Programs:

1. **BrainPop**—BrainPOP ELL brings English language learning to life in your classroom! To help you make the most of this pr ELL is organized in three levels, corresponding to beginning, intermediate, and advanced. Each level consists of six units, and each unit includes five movies with associated features. We recommend that absolute beginners start with the first Level 1,

Unit 1 movie. oduct, explore this rich collection of support resources, from ELL-specific graphic organizers and action images to learning strategies, lesson plans, vocabulary activities, and more.

2. **Curriculum supplemental support**—check with student’s chosen curriculum platform, as some have a built-in ELD/intervention component. For example, Edgenuity students can access MyPath.
3. **MathSeeds/Mathletics**—It is a comprehensive online mathematics program for children aged 3-13. It offers a vast range of carefully structured lessons and activities that build mathematical skills over a broad range of numbers, shapes and measurement topics. This program can be used for intervention in math. This eligibility is dependent on their STAR360 scores and is only given to students who score in the yellow intervention or red urgent intervention categories
4. **Reading Horizons**--When a student is more than 2 grade levels behind in ELA. This is also a great support for EL students
5. **Learning Ally**—this program is an audiobook program that reads books to students so that they can hear what it should sound like, as it is read by an English fluent person.
6. **Reading Eggs**--instructs students in the five core literacy areas outlined by the National Reading Panel as essential components of reading instruction. These include: Phonemic Awareness, Phonics, Fluency, Vocabulary, and Comprehension. It develops essential reading skills in a progression that will take a non-reader through to a grade 2 reading level.

Dear Parent/Guardian of _____

State and federal laws require all school districts in California to give a state assessment of English proficiency each year to every student who is identified as an English Learner. The assessment is called “English Language Proficiency Assessments for California (ELPAC).” The results of the ELPAC help to measure how each student is progressing toward proficiency in English in the areas of listening, speaking, reading, and writing.

Your child has been given the ELPAC for this year. Scores are in and based on your child’s performance on this test, your child may be Reclassified as Fluent English Proficient (RFEP). In addition to the ELPAC scores, criteria used to make this decision include:

- an evaluation of your child’s academic performance by the teacher,
- your child’s English proficiency as measured by Smarter Balance Assessment (SBAC), Star 360 and/or iReady assessment
- your opinion as the parent/guardian regarding your child’s proficiency in English and readiness to be reclassified.

You are invited to contact me on the number below for a phone conference, so that we may discuss and decide on your child’s readiness and overall qualification for reclassification. Questions regarding the ELPAC or your child’s results may be directed to me as well.

We urge you to make this contact and hold this conference as soon as possible. Together we can make decisions that are in the best interest of your child.

State Measures

Six state measures allow for comparisons across schools and districts based on information collected statewide.

- High School Graduation Rate
- Academic Performance
- Suspension Rate
- English Learner Progress
- College/Career Readiness
- Chronic Absenteeism

Results are presented for all districts, schools, and defined student groups (e.g., racial groups, low income, English learners, homeless, foster youth, students with disabilities).

Schools and districts receive one of five color-coded performance levels on each of the six state measures.

The performance level (color) is based on current and prior year data.

Goal: Improve the percentage of our students who are deemed “Prepared.”

How Is It Judged?

College/Career Readiness

The College/Career measure shows how well local educational agencies (LEAs) and schools are preparing students for likely success after graduation. Only graduates can be classified as Prepared or Approaching Prepared. For schools and LEAs to demonstrate success on this state measure, high school graduates must meet at least one of the criteria in the Prepared level.

Child Abuse Prevention and Reporting Policy

Section: IV. Academic Excellence
Item: C. Child Abuse Prevention and Reporting Policy
Purpose: Vote
Submitted by: Darcy Belleza
Related Material: Child Abuse Prevention and Reporting Policy_-_Lake_View.pdf

BACKGROUND:

The Child Abuse Prevention and Reporting Policy is currently housed within the Comprehensive Safety Plan. To ensure our stakeholders can easily have access to the policy, it is being brought forward to be placed on the Governance page of our school website.

RECOMMENDATION:

Recommending Board approval.

Child Abuse Prevention and Reporting Policy

The Lake View Charter School Governing Board is committed to supporting the safety and well-being of Lake View students and desires to facilitate the prevention of and response to child abuse and neglect. The Executive Director or designee shall develop and implement strategies for preventing, recognizing, and promptly reporting known or suspected child abuse and neglect. This policy is also in the board-approved Comprehensive Safety Plan.

The Executive Director or designee may provide a student who is a victim of abuse with school-based mental health services or other support services and/or may refer the student to resources available within the community as needed.

The purpose of the Lake View Charter School Governing Board approving the Child Abuse Prevention and Reporting Policy is to accomplish the following:

1. Summary of child abuse reporting law and requirements
2. Duty to Report
3. Definitions
4. Reporting Procedures
5. Legal Responsibility and Liability
6. Release of Child to Peace Officer

Child abuse reporting law (Penal Code Section 11166) requires that a Lake View Charter School employee who has reason to believe that a child has been subjected to abuse, report the incident to the proper authorities.

At Lake View Charter School, protecting children from child abuse is a major priority. Each year the administration sets aside time to meet with staff to discuss child abuse indicators and to remind teachers of the procedures to follow when abuse is suspected and provide annual training regarding the required procedures for mandated reporters.

Employees of Lake View Charter School are familiar with Penal Code Section 11166 and understand the requirement that certificated and classified personnel report suspected child abuse immediately or as soon as practically possible to Children's Protective Services by telephone. They are aware that a call must be followed within at least 36 hours by a written report to the child protective agency.

All staff is aware of the location of a Child Abuse Information Folder that is kept on file and updated regularly. It includes informational literature, guidelines for recognizing abuse and specific directions for reporting it.

The determination as to who should be contacted will depend greatly upon the situation at

hand. The local law enforcement agency will dispatch a unit to the school as soon as possible. Children's services may take much longer to respond. School personnel should always take into consideration the severity of the abuse and the extent to which the student's safety is at risk.

The requirements of school personnel and the identification and reporting of known or suspected child abuse to a protective agency is mandated by the State of California Penal Code. In fact, failure to do so on the part of school personnel could lead to penalties which might be imposed on these individuals. Lake View Charter School board policies are continually updated to reflect appropriate legislation. Excerpts from the California Penal Code and Lake View Charter School Board Policy are presented below.

From California Penal Code Section 11166

...a mandated reporter shall make a report to an agency...whenever the mandated reporter, in the mandated reporter's professional capacity or within the scope of the mandated reporter's employment, has knowledge or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written follow-up report within 36 hours of receiving the information concerning the incident.

Recognizing that our responsibility to students includes the protection of their physical and mental well-being, the Governing Board desires to provide whatever opportunities or resources may be available for the prevention of child abuse.

The Board agrees with the Legislature that:

1. Child abuse and neglect is a severe and increasing problem in California.
2. Charter schools, school districts and preschools are able to provide an environment for training of children, parents, and all school staff.
3. Primary prevention programs in charter schools and school districts are an effective and cost-efficient method of reducing the incidence of child abuse and neglect and for promoting healthy family environments.

The Executive Director shall explore funding and assistance available for the establishment of programs directed toward preventing the occurrence of child abuse, including physical abuse, sexual assault, and child neglect, and reducing the general vulnerability of children, including coordination with and training for parents and school staff.

Parents shall be given notice of, and may refuse to have their children participate in, prevention training program.

Duty to Report

Certificated employees and classified employees trained in child abuse identification and reporting shall report known or suspected child abuse to a child protective agency

by telephone immediately or as soon as practically possible and in writing within thirty-six hours. The reporting duties are individual and cannot be delegated to another individual.

Definitions

1. "Child Abuse," as defined by law, includes the following:
 - a. Physical abuse resulting in a non-accidental physical injury or death.
 - b. Physical neglect, including both severe and general neglect, resulting in negligent treatment or maltreatment of a child.
 - c. Sexual abuse including both sexual assault and sexual exploitation.
 - d. Emotional abuse and emotional deprivation including willful cruelty or unjustifiable punishment.
 - e. Severe corporal punishment.

2. "Mandated Reporters" are those people defined by law as "child care custodian," "medical practitioners" and non-medical practitioners" and include virtually all school employees. The following school personnel are required to report:

Teachers, administrators, supervisors of child welfare and attendance, certificated pupil personnel employees, employees of a child care institution, head start teachers, school psychologists, licensed nurses, counselors, presenters of child abuse prevention programs and those instructional aides or other classified employees trained in child abuse reporting.

3. "Child Protective Agencies" are those law enforcements and child protective services responsible for investigating child abuse reports, including the local police or sheriff department, county welfare or juvenile probation department and child protective services.

4. "Reasonable Suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. (California Penal Code 11166)

Reporting Procedures

1. To report known or suspected child abuse, any employee (as defined above) shall report by telephone to the local child protective agency.

The telephone report must be made immediately, or as soon as practically possible, upon suspicion. The verbal report will include:

- a. The name of the person making the report.
- b. The name of the child.
- c. The present location of the child.
- d. The nature and extent of any injury.
- e. Any other information requested by the child protective agency, including the information that led the mandated reporter to suspect child abuse.

At the time the verbal report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Within thirty-six (36) hours of making the telephone report, the mandated reporter will complete and mail, fax or electronically transmit a written report to the local child protective agency.

The written report shall include completion of the required standard Department of Justice form (DOJ SS 8572).

The mandated reporter may request and receive copies of the appropriate form either from the charter school or directly from the local child protective agency.

Detailed instructions for completion of the form are on the back sheet of the form. Reporters may request assistance from the site administrator in completing and mailing the form; however, the mandated reporter is still responsible for ensuring that the written report is correctly filed.

3. Employees reporting child abuse to a child protective agency are encouraged, but not required, to notify the site administrator or designee as soon as possible after the initial verbal report by telephone. The site administration, when notified, shall inform the Executive Director.

Administrators so notified shall provide the mandated reporter with any assistance necessary to ensure that the verbal or written reporting procedures are carried out according to state law and regulations. If requested by the mandated reporter, the Executive Director may assist in the completion and filing of these forms.

Legal Responsibility and Liability

1. Mandated reporters have absolute immunity. School employees required to report are not civilly or criminally liable for filing a required or authorized report of known or suspected child abuse.
2. A mandated reporter who fails to report an instance of child abuse, which he/she knows to exist or reasonably should know to exist, is guilty of a misdemeanor and is punishable by confinement in jail for a term not to exceed six (6) months or by a fine of not more than one thousand dollars (\$1,000) or both. The mandated reporter may also be held civilly liable for damages for any injury to the child after a failure to report.
3. When two (2) or more persons who are required to report jointly, have knowledge of suspected instance of child abuse, and when there is agreement, and a single report may be made and signed by the person selected. However, if any person who knows or should know that the person designated to report failed to do so, that person then has a duty to make the report.

4. The duty to report child abuse is an individual duty and no supervisor or administrator may impede or inhibit such reporting duties. Furthermore, no person making such a report shall be subject to any sanction.

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse, the Executive Director shall not notify the parent or guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer with the address and telephone number of the child's parent or guardian.

It is the responsibility of the peace officer to notify the parent or guardian of the situation. Peace officers will be asked to sign an appropriate release or acceptance of responsibility form (cf. 5145.11 – Questioning and Apprehension).

When School Employees are Accused of Child Abuse

Regardless of who child abusers may be, the major responsibilities of mandated reporters are to (1) identify incidents of suspected child abuse, and (2) comply with laws requiring reporting of suspected abuse to the proper authorities. Determining whether or not the suspected abuse actually occurred is not the responsibility of the school employee. Such determination and follow-up investigation will be made by a child protective agency.

Parent/guardians or members of the public accusing school employees of child abuse should be made aware of the ramifications of making false reports and should be provided with information regarding child abuse and child abuse reporting.

Pending the outcome of an investigation by a child protective agency and prior to the filing of formal charges, the employee may be subject to reassignment or a paid leave of absence.

Disciplinary action resulting from the filing of formal charges or upon conviction shall be in accordance with policies, regulations and/or collective bargaining agreements. The Executive Director or designee should consult with legal counsel in implementing either suspension or dismissal.

MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or “Contract”) is entered into on July 1, 2021, between _____, hereinafter referred to as the local educational agency (“LEA”), a member of the _____ SELPA and _____ (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or “CONTRACTOR” for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR’s obligation to provide all relevant services specified in the student’s Individualized Education Program (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of a student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student’s parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider’s license, certification and/or credential. A current copy of CONTRACTOR’s NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils

shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located,

or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

Such subcontractor’s insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to

be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal

or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

CONTRACTOR shall provide to each student special education and/or related services (including transition services) within the NPS/A consistent with the student’s IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student’s IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for students, as specified in the student’s IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student’s IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student’s enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student’s IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student’s parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student’s parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student’s parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student’s receipt of special education and/or related services as specified in the student’s IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All NPS/A services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.*.

CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a NPA and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

For students in grades kindergarten through 12 inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be at the same level that Ed. Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to students attending LEA schools in like grade level unless otherwise specified in the student's IEP.

When CONTRACTOR is a NPA and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated

staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a NPS, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a NPA, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is

understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment (“LRE”) options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team’s recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress (“CAASPP”), Desired Results Developmental Profile (“DRDP”), California Alternative Assessment (“CAA”), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California (“ELPAC”), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR’S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized

testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program (“IEP”) team determines that a student’s behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (“BIP”), the IEP team may conclude it is sufficient to address the student’s behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR’s pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies *require* a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student’s IEP does not contain a Behavior Intervention Plan (“BIP”) or Positive Behavior Intervention Plan (“PBIP”), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive

interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team

meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and

Accountability Act (“HIPAA”). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR’s place of business and shall be submitted to the LEA and LEA student’s parent(s) quarterly.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student’s annual or triennial review IEP team meeting for the purpose of reporting the student’s present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA’s sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional’s license, certification, or credential.

CONTRACTOR shall not charge the student’s parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil’s record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student’s school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. 60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.
- c. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

Board Letter to Families Supporting STAR Assessment Participation

Section: IV. Academic Excellence

April 23, 2021

Dear Families of Lake View Charter School,

We would like to take a moment to thank you for your continued participation in the Star Assessment benchmark testing this year. Even in the face of challenging circumstances, our school continues to come through with fantastic participation and continued academic growth.

We as a school, have been positioned well in comparison to the brick and mortar schools during this time of pandemic and distance learning. We are continuing to see academic growth, and our data shows that our students have not suffered additional learning loss. Our students are continuing to flourish, and this is something to celebrate!

And there is more good news!

Because of Covid, California has been granted permission by the U.S. Department of Education to use local assessments in place of the CAASPP test that is normally administered in the Spring. We are thrilled that we are able to utilize this option, which is already familiar to our students and families.

However we aren't quite done yet, and we need you to help us finish strong!

California State **still** requires 95% of testing age students to participate in this assessment. **This is the only data accepted by the state that we will have available to measure student growth for the 2020-2021 school year.**

Additionally, this assessment will also provide us with real-time, actionable data that will help our school plan and thoughtfully build out programs targeted at student growth and achievement -- something our authorizers look very closely at when considering charter renewals.

We cannot stress enough the importance of students in all grades making every effort to participate in the Star Assessment during this Spring testing window, or Lake View Charter School could face severe penalties on the California Dashboard - the states' measurement of school accountability. This in turn, could impact our ability to renew our charter and continue operations.

As always, we appreciate your collaborative effort to best support your child and our school as we move into the home stretch of this unprecedented school year.

Sincerely,

The Board of Lake View Charter School
