RECITALS

WHEREAS, LVCS, WCS, CCS, and FRCS are each nonprofits that operate California public charter schools;

WHEREAS, LVCS entered into an employment agreement effective as of July 1, 2021, with Julie Haycock (“Haycock”) as the Executive Director of LVCS. As part of the terms of Haycock’s Employment Agreement and addendum effective as of July 1, 2021, Haycock and LVCS agree that LVCS may be on loan to WCS, CCS and FRCS in the roles designated herein.

WHEREAS, CCS entered into an employment agreement effective as of July 1, 2021, with Jenell Sherman as the Executive Director of CCS. As part of the terms of Sherman’s Employment Agreement and addendum effective July 1, 2021, Sherman and CCS agree that Sherman may be on loan to LVCS, WCS and FRCS in the roles designated herein.

WHEREAS, the Parties seek to share the services of: (i) Haycock as an Executive Director for LVCS and WCS and as Vice Principal for CCS and FRCS; and (ii) Sherman as an Executive Director for CCS and FRCS and Vice Principal for LVCS and WCS (collectively, the “Shared Personnel”) among them cooperatively in order to achieve cost savings and other benefits for each Party, so that each Party may have access to additional, valuable and/or specialized personnel services that might otherwise not be available to them;

WHEREAS, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

WHEREAS, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

NOW, THEREFORE, in consideration of their mutual promises set forth in this MOU, the sufficiency of which is acknowledged, the Parties hereby agree as follows.

AGREEMENT

1. **Shared Personnel Services.** During the term of this MOU, the Parties shall coordinate with each other for the Shared Personnel to perform the services described in **Attachment A** (the “Services”) under the terms and conditions set forth herein.

2. **Relationship of Parties.** The Parties acknowledge that Shared Personnel are and shall remain employees of LVCS and CCS (as set forth in the above Recitals), which shall constitute the sole employers and “Lessors” of Services performed by Shared Personnel under this MOU. The non-Lessor

Parties entitled to receive Services from Shared Personnel pursuant to the terms of the MOU shall constitute the “Lessees.” Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessors and their respective governing boards, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this MOU shall not terminate the Shared Personnel’s employment relationship with their respective Lessors. Lessees are not, and nothing in this MOU shall cause Lessees to become, third party beneficiaries to the Lessors’ respective employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. **Allocation.** Each Party’s right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formula set forth in **Attachment B (the “Allocation”).**

4. **Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party’s Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. **Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to the Lessors the fees and expenses set forth herein.

a. **Fees.** Each Lessee shall pay to the Lessors a fee that is calculated based on their Allocation of the annual total cost incurred by Lessors in employing the respective Shared Personnel as set forth in **Attachment B**. The total cost shall be fixed as of July 1 for each year of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by Lessors in **Attachment B**.

b. **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be split evenly between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000 must be approved in advance by the affected Parties. Invoices for expenses shall be sent by Lessors within [thirty (30)] days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts). If the reasonable and necessary expense is incurred by Shared Personnel by one Party, that Party shall be responsible for the full cost of the expense.

6. **Monthly Payment.** Lessors shall provide monthly statements to the non-Lessor parties which shall include the billing period, the fees and any expenses owed and a description of the method by which the fees and expenses were calculated. Each non-Lessor Party shall submit payment to Lessors within thirty (30) days after receipt of the invoice. Any disputes concerning invoices must be directed to Lessors in writing within thirty (30) days after receipt of the invoice. Lessors shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

7. **Lessor Responsibilities.** In addition to any other promises and covenants identified herein, Lessors shall have the following responsibilities under this MOU as it pertains to their respective employee:

a. Comply with all applicable federal, state and local laws and regulations,

including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Timely pay Shared Personnel consistent with applicable law and their employment agreements, if any.

d. Ensure that Shared Personnel maintain the qualifications and competency necessary to provide the Services, including but not limited to: (i) complete all required training, including, but not limited to initial and annual training on mandated child abuse and neglect reporting; (ii) are free from active tuberculosis; (iii) have passed a criminal background check through the Department of Justice; (iv) have not been convicted of a serious or violent felony (as defined by Penal Code §§ 667.5 and 1192.7); (v) are eligible to work in the United States; and (vi) maintain in good standing all applicable licenses and credentials.

f. Administer trainings, leaves of absence, disability accommodations and other duties of an employer as required by applicable law.

8. Lessee Responsibilities. In addition to any other promises and covenants identified herein, each Lessee shall have the following responsibilities under this MOU:

a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Provide to Shared Personnel, in writing, copies of any of Lessee's policies and procedures applicable to the Services.

d. Provide a safe working environment for Shared Personnel.

e. Supervise and direct Shared Personnel when providing Services on behalf of the Lessee in order to ensure that Shared Personnel meet their performance obligations and comply with all of Lessee's applicable policies and procedures.

f. Provide feedback to Lessors regarding the performance of Shared Personnel.

9. Term and Termination.

a. Term. The MOU is effective as of July 1, 2021 and shall remain in effect until June 30, 2022 (the "Initial Term"). This MOU shall automatically renew for consecutive additional one (1) year terms unless a Party provides written notice of non-renewal to the other at least ninety (90) days prior to the expiration of the then-current term (each, a "Renewal Term"). The Initial Term and any Renewal Term(s) are referred to as the Term. Termination under this subsection shall not relieve the terminating

Party of any of its obligations under this MOU prior to the effective date of such termination. Termination by a Lessee will not automatically terminate this MOU as to the remaining Parties. In the event a Lessee's participation in this MOU is terminated, the remaining Parties' Allocation shall be re-assessed consistent with Section 3 of this MOU.

b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.

- i. Material Breach. Any Party may terminate this MOU the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice is provided to all Parties. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. Following termination under this subsection, the breaching Party remains responsible for paying its Allocation of fees through the last day of the month in which the MOU is terminated.
- ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate their participation in the MOU. Notice of any such revocation or non-renewal shall be provided as soon as possible.
- iii. Termination for Change in Shared Personnel. Any Party may terminate this MOU upon a change in the employment status of Shared Personnel. A legally protected leave of absence taken by Shared Personnel shall not constitute a change in employment status under this subdivision and shall not give cause for termination of this MOU. In the event Shared Personnel are on an extended leave of absence or are no longer employed by the respective Lessor, that Lessor and applicable Lessees may mutually agree upon a replacement. In the event Shared Personnel are terminated which results in a severance, the terminating party shall be responsible for paying for any severance required by that contract

c. Termination by Agreement of All Parties. This MOU may be terminated at any time upon a written agreement of all Parties.

10. Intellectual Property; Work Product. Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

11. Confidentiality. Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to

Confidential Information shall survive termination of this MOU.

a. **Scope.** “Confidential Information” means non-public information marked either “confidential” or “proprietary,” or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, closed session records and communications, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising and marketing strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. **Notice.** If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including through a subpoena or request under the California Public Records Act, but excluding requests in connection with routine supervisory examination by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement), the Party to which the request for disclosure is made shall provide the Party(ies) whose Confidential Information is requested with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the affected Party(ies) to seek a restraining order or other appropriate relief.

c. **Return.** Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned.

12. Student Information. Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“FERPA”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessors shall be designated as having a legitimate educational interest in accessing each Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Shared Personnel to access personally identifiable information from student education records from the Lessees as needed to perform the Services. For purposes of this MOU, the term “personally identifiable information” (“PII”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessors shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessees. Lessors shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessors shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

13. Conflicts. In the event an actual or potential conflict arises between the Parties, the affected Parties shall seek to resolve the conflict, while taking reasonable measures to protect from disclosure any Confidential Information.

14. Insurance. Lessors shall procure and maintain in full force and effect for the duration of

this MOU, the following insurance in connection with Lessors' performance under this MOU and the provision of Services by Shared Personnel.

a. California Workers' Compensation Insurance, as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator's Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessors will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the "Additional Insureds") under the General Liability and Employment Practices policies. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessors' insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessors' insurance and shall not contribute to it.

f. Lessors hereby agree to waive rights of subrogation which any insurer of Lessors may acquire from Lessors by virtue of the payment of any loss. Lessors agree to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. Upon request at any time, Lessors shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language affecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessors' obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessors will provide 30 days prior written notice to applicable Lessees in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessors shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis, then the following terms shall be provided to the extent possible: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the

contract effective date, the Lessors must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

15. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

16. Indemnification. Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, and agents, from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence or willful misconduct of that Party, including its employees, officers directors and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence or willful misconduct.

17. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

18. Fiduciary Obligations. The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

19. Dispute Resolution. If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

20. Notice. All notices, requests, demands, or other communications (collectively “Notice”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

22. Amendments. This MOU may be amended by the mutual written consent of all Parties.

23. Entire MOU. This MOU constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations and understandings of the Parties with respect to such subject matter made or entered into prior to the date of this MOU.

24. Arm's Length and Independent Counsel. This MOU has been negotiated at arm's length and between persons (or their representatives) sophisticated and knowledgeable in the subjects in this MOU. Accordingly, any rule of law or legal decision that would require interpretation of any ambiguities against the Party that has drafted it is not applicable and is waived. Each Party has been advised by, or had opportunity to seek advice from, its independent counsel regarding this MOU.

25. No Waiver. No waiver of any provision of this MOU shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

26. Severability. If any provision of this MOU is invalid or contravenes California law, such provision shall be deemed not to be a part of this MOU and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this MOU.

28. Authority to Contract. Each Party warrants to the others that it has the authority to enter into this MOU, that it is a binding and enforceable obligation of said Party, and that the undersigned has been duly authorized to execute this MOU.

A faxed, .pdf, or other electronic copy of the fully executed original version of this MOU shall have the same legal effect as an executed original for all purposes.

BACKGROUND:

The Shared Staff MOU is between the four schools, Winship Community School, Feather River Charter School, Lake View Charter School and Clarksville Charter School. The agreement addresses the sharing of services by the Shared Personnel and also appropriate cost sharing.

RECOMMENDATION:

Recommended for Board approval.

MEMORANDUM OF UNDERSTANDING FOR SHARED PERSONNEL SERVICES

This Memorandum of Understanding for Shared Personnel Services and Resources (“**MOU**”) is entered into as of July 1, 2021 (“**Effective Date**”) by and between the following California nonprofit public benefit corporations, which may each be referred to herein as a “**Party**” or collectively as the “**Parties**” to this MOU: Winship Community School, Feather River Charter School, Clarksville Charter School, and Lake View Charter School.

WHEREAS, Winship Community School operates a public charter school named Winship Community School, Feather River Charter School operates a public charter school named Feather River Charter School, Clarksville Charter School operates a public charter school named Clarksville Charter School, and Lake View Charter School operates a public charter school named Lake View Charter School (each a “**School**” or collectively the “**Schools**”);

WHEREAS, Schools are nonclassroom-based public charter schools using the same educational model dedicated to providing students with a flexible personalized learning experience that empowers families to tailor a program designed around the specific needs of each student;

WHEREAS, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a);

WHEREAS, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

WHEREAS, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

NOW, THEREFORE, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. **Shared Personnel.** During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“**Shared Personnel**”) to perform the educational services described in Attachment A (the “**Services**”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. No third party shall have the authority to unilaterally impose the sharing of personnel between the Parties.

2. **Lessor and Lessee Schools.** The Parties acknowledge each School may both (i) employ an individual who will provide Services to another School; and (ii) receive Services from an individual employed by another School. The term “**Lessor**” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “**Lessee**” refers to a School receiving Services from another School’s employee(s) pursuant to the terms of the MOU. Each Party may serve as a Lessor and Lessee under this MOU, and shall meet the obligations set forth in this MOU depending on their role as a Lessor and/or Lessee. Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessor and its governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this

MOU shall not terminate the Shared Personnel's employment relationship with the Lessor. Lessees are not, and nothing in this MOU shall cause Lessees to become third party beneficiaries to Lessor's employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. **Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time by written agreement of the Parties. The Allocation shall be assessed at the intervals set forth in Attachment A during the Term of this MOU and upon termination as set forth in Section 8.

4. **Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party's Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. **Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to Lessor the fees and expenses set forth herein.

a. **Fees.** Each Lessee shall pay to Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the Shared Personnel as set forth in Attachment C (including total gross wages, benefits, workers' compensation costs, statutory benefits, retirement benefit system contributions, and employment taxes). The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

b. **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be divided by relative Allocation between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000.00 must be approved in advance by the affected Parties. To the extent such expenses are not incorporated in the total costs outlined in Attachment C, invoices for expenses shall be sent within thirty (30) days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts).

c. **Invoicing.** Each Party shall invoice the other Parties monthly for all fees and expenses incurred ("Monthly Invoice"). Each Monthly Invoice shall contain a brief description of the method by which the fees and expenses were calculated.

d. **Payment Terms.** Payment is due thirty (30) days from the date of delivery of the Monthly Invoice.

e. **Disputes.** Any disputes concerning invoices must be directed to the Lessor in writing within thirty (30) days after receipt of the Monthly Invoice. Lessor shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

6. Lessor Responsibilities: In addition to any other promises and covenants identified herein, Lessor shall have the following responsibilities under this MOU:

a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Timely pay Shared Personnel consistent with applicable law and their employment agreements, if any.

b. Ensure that Shared Personnel maintain the qualifications and competency necessary to provide the Services, including but not limited to: (i) complete all required training, including, but not limited to initial and annual training on mandated child abuse and neglect reporting; (ii) are free from active tuberculosis; (iii) have passed a criminal background check through the Department of Justice; (iv) have not been convicted of a serious or violent felony (as defined by Penal Code §§ 667.5 and 1192.7), sex offense as defined by Education Code § 44010, or a controlled substance offense (as defined by Education Code § 44011); (v) are eligible to work in the United States; and (vi) maintain in good standing all applicable licenses and credentials.

d. Administer trainings, leaves of absence, disability accommodations and other duties of an employer as required by applicable law.

e. Assuming Lessor participates in CalSTRS or CalPERS, the Parties acknowledge Shared Personnel are employees of the Lessor for CalSTRS or CalPERS purposes.

f. If Lessee reports Shared Personnel misconduct to Lessor that violates Lessor or Lessee policies or procedures or law, Lessor shall promptly take corrective action which may include, but is not limited to, conducting an investigation, disciplining the individual, or terminating the individual and making good faith efforts to hire a replacement in accordance with Section 6(j).

g. If a Shared Personnel's employment ends with Lessor, Lessor shall make good faith efforts to replace the individual within thirty (30) days of termination, unless the other Parties provide written consent that a replacement for such individual is not necessary.

2. Lessee Responsibilities: In addition to any other promises and covenants identified

herein, each Lessee shall have the following responsibilities under this MOU:

- a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.
- b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.
- c. Provide to Shared Personnel, in writing, copies of any of Lessee's policies and procedures applicable to the Services.
- d. Provide a safe working environment for Shared Personnel.
- e. Supervise and direct Shared Personnel when providing Services on behalf of the Lessee in order to ensure that Shared Personnel meet their performance obligations and comply with all of Lessee's applicable policies and procedures.
- f. Provide feedback to Lessor regarding the performance of Shared Personnel, including, but not limited to, reporting misconduct to Lessor by a Shared Personnel that violates Lessee policies or procedures or law.
- g. Work cooperatively with Lessor to ensure compliance with all applicable wage and hour laws for nonexempt Shared Personnel, including, but not limited to, ensuring that nonexempt Shared Personnel adhere to their schedule as provided by Lessor, including taking meal and rest periods, and ensuring nonexempt Shared Personnel accurately record/track all hours worked for Lessee. Lessee agrees to timely report to Lessor any non-compliant meal or rest periods and any overtime worked by nonexempt Shared Personnel while working on behalf of Lessee.

3. Term and Termination.

- a. Term. The MOU is effective as of July 1, 2021 and shall remain in effect until June 30, 2022 (the "**Term**"). This MOU shall automatically terminate unless renewed in writing by the Parties. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination of participation by any Party(ies) shall not terminate the MOU as to any other Party.
- b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.
 - i. Material Breach. Any Party may terminate this MOU in the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. If termination pursuant to this section is based upon a failure to pay an invoice in a timely fashion as outlined in Section 5(d) then the nonpaid Party may terminate the agreement with the non paying Party if that material breach has not been remedied within ten (10) business days of written notification of the material breach.

- ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate its participation in the MOU effective upon the winding up of that charter's business, as set forth in any closure resolution. Notice of any such revocation or non-renewal shall be provided as soon as possible.
- iii. Duty to Pay Severance to Shared Personnel Upon Termination. In the event termination of this MOU results in termination of Shared Personnel's employment without cause thereby triggering a requirement to pay severance to Shared Personnel under their employment agreement with Lessor, the terminating party shall be responsible for paying for severance, if any in the Shared Personnel's contract, up to two weeks of salary, or in the event of a termination by more than one Party, any such severance shall be paid according their relative Allocation.
- iv. Termination of Shared Personnel Arrangements. Any Lessor or Lessee may terminate a Shared Personnel arrangement for teachers or other instructional staff who directly support students at any time, with or without cause or advance notice. If a Lessor or Lessee seeks to terminate a Shared Personnel arrangement for an administrative staff position who does not typically directly serve students, Lessee and Lessor shall provide sixty (60) days' written notice to other Parties before such termination. If there are any disputes concerning termination of Shared Personnel arrangements, the Parties agree to meet and confer to seek a resolution in good faith.

4. Intellectual Property; Work Product. Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

5. Confidentiality. Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. ***"Confidential Information"*** means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 10 shall survive termination of this MOU.

6. Student Information. Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

7. Insurance. Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

a. California Workers' Compensation Insurance, insurance as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educators Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “**Additional Insureds**”) under the General Liability, Workers’ Compensation, Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects to Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers’ Compensation and Professional Liability coverages Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor’s obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work if possible.

8. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

9. Indemnification. Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall

any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

10. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

11. Fiduciary Obligations. The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

12. Dispute Resolution. If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

13. Notice. All notices, requests, demands, or other communications (collectively “**Notice**”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator’s Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “***Additional Insureds***”) under the General Liability, Workers’ Compensation, and Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers’ Compensation and Professional Liability coverages, Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language affecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor’s obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work if possible.

13. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

14. Indemnification. Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing, or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for the other Party’s sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are

separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

15. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

16. Fiduciary Obligations. The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

17. Dispute Resolution. If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

18. Notice. All notices, requests, demands, or other communications (collectively “**Notice**”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

21. Amendments. This MOU may be amended by the mutual written consent of all Parties.

22. No Waiver. No waiver of any provision of this MOU shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

23. Severability. If any provision of this MOU is invalid or contravenes California law, such provision shall be severed and deemed not to be a part of this MOU and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this MOU.

ADMINISTRATIVE SUPPORT SERVICES AGREEMENT

This Administrative Support Services Agreement (“**Agreement**”) is entered into as of July 1, 2021 (“**Effective Date**”) by and between Sequoia Grove Charter Alliance, a California nonprofit public benefit corporation (“**SGCA**”) and Lake View Charter School, a California nonprofit public benefit corporation (“**School**”), each of which may be referred to herein as a “**Party**” or collectively as the “**Parties**”, with respect to the following:

WHEREAS, SGCA formed to serve as a supporting organization pursuant to Internal Revenue Code Section 501(c)(3) by providing task-related administrative support services and goods to the public charter schools operated by its members, and under the supervision and ultimate decision-making authority of the governing body of its members.

WHEREAS, School is a member of SGCA pursuant to Corporations Code Section 5056 and the Bylaws of SGCA. School operates a California public charter school by the same name, Lake View Charter School, pursuant to a charter authorized by the Lake Elementary School District for a term of five years from July 1, 2019 through June 30, 2024 (“**Charter**”).

WHEREAS, School desires to contract with SGCA for administrative support services pursuant to the terms and conditions of this Agreement.

WHEREAS, the Parties acknowledge and intend that the terms of this Agreement shall at all times be consistent with the terms of the School’s Charter, and that this Agreement provides for SGCA to deliver task-related services that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority.

NOW, THEREFORE, in consideration of their mutual promises set forth in this Agreement, the Parties agree as follows:

1. Relationship of the Parties; Scope of Authority. SGCA will deliver task-related services and goods pursuant to this Agreement that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority. The Parties understand and agree as follows:

a. The governing body of the School shall at all times retain its duty to exercise its statutory, contractual, and fiduciary responsibilities governing the operation of the School. The governing body of the School, and not SGCA, has fiduciary responsibility for the School. The governing body of the School is ultimately responsible for ensuring that the School adheres to all applicable law and is accountable to its authorizer pursuant to the Charter.

b. School shall at all times remain an independent, self-governing public body that shall comply with applicable laws, including but not limited to the California Brown Act, Public Records Act, Political Reform Act, and the provisions of Government Code section 1090, *et seq.*

c. To the extent not otherwise specified as a duty of SGCA pursuant to the scope of Services, all duties applicable to the proper operation of the School’s public charter schools and maintenance of applicable academic standards shall remain the responsibility of School.

d. While SGCA may make recommendations to the governing body of the School

regarding any arrangements for legal services for School pursuant to the scope of Services, School and its governing body may hire legal counsel as School may deem appropriate and necessary.

e. SGCA will not be required to provide any service set forth in this Agreement to the extent that it is or becomes impracticable, in any material respect, as a result of a cause or causes outside SGCA's and/or School's reasonable control, would require SGCA or School to violate applicable law, or cause SGCA to be considered an "entity managing a charter school" pursuant to the Charter Schools Act.

f. SGCA will use, pursuant to the terms and conditions described in this Agreement, best efforts to provide all Services in a manner it believes to be in the best interests of School and with due care, in good faith, and in exchange for reasonable compensation taking into account that SGCA is a nonprofit that is exempt from income taxation pursuant to Internal Revenue Code Section 501(c)(3).

g. To the extent there are any conflicts between the terms of the School's Charter and the terms of this Agreement, the terms of the Charter shall control.

h. SGCA will not have the authority to enter into or bind the School in any contract or other obligation absent express written authority from School.

2. Independent Service Provider. The Parties acknowledge that School is a member of SGCA pursuant to California Corporations Code Section 5056. The relationship created by this Agreement is that of SGCA as a service provider to School, it does not create a partnership, joint venture, or employment relationship. Nothing in this Agreement shall confer upon any SGCA or School employee any rights or remedies, including any right to employment, as an employee of the other Party. The Parties agree as follows:

a. All SGCA employees providing services to School shall be and remain employed by SGCA and shall at all times be subject to the direction, supervision and control of SGCA. All School employees shall be and remain employed by School and shall at all times be subject to the direction, supervision and control of School.

b. School shall not have any right to terminate the employment of any SGCA employee providing services to the School. SGCA shall not have any right to terminate the employment of any School employee.

c. The Parties agree that SGCA shall not lease its employees to the School. School shall employ all of its personnel, including certificated personnel responsible for the delivery of instruction. School shall determine and manage compensation (salary and benefit) plans for its employees; provided, however, that School shall oversee and may consult with SGCA and SGCA will assist with providing payroll and related services pursuant to the scope of Services.

d. SGCA certifies that any of its employees who perform school-site services or transportation services for School, or who may have substantial contact with students at School as determined by School in its reasonable discretion, shall be screened in compliance with Education Code section 45125.1 and SGCA shall otherwise comply with that statute.

3. Services Provided by SGCA. During the term of this Agreement, SGCA shall provide to School the goods and services, including the staff necessary to provide the services, listed in Attachment A to this Agreement (the "**Services**"). SGCA is not obligated to devote all of its time or efforts to School, but shall devote the time, effort, and skill reasonably necessary to provide the Services to School. SGCA

reserves the right to subcontract with third parties for the provision of the Services. The Parties may mutually agree to modify the Services at any time by amending Attachment A in writing; provided, however, the Parties will also adjust the Annual Fee commensurately pursuant to Section 5, if necessary, and SGCA shall only deliver task-related services that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority.

4. Term. The term of this Agreement shall commence on July 1, 2021 and continue through June 30, 2022 and shall automatically renew for consecutive one (1) year terms unless otherwise terminated pursuant to section 14, subject to any amendments to the Services or Annual Fee in accordance with Sections 3 and 5. This Agreement may be amended in accordance with Section 22 or terminated in accordance with Section 14.

5. Annual Fee. As compensation for the Services during the first year of the Term (the 2021- 22 fiscal year), School shall pay SGCA an annual fee of nine percent (9%) of the School's annual "**Revenue**" while the Parties determine SGCA's actual costs for performing such Services. For purposes of this Agreement, Revenue shall mean the amount received in the current fiscal year from the local control funding formula calculated pursuant to Education Code Section 42238.02 and implemented by Section 42238.3. Revenue shall not include charitable contributions made to the School, one-time or federal restricted grant funds such as PCSGP grants, or other federal funding programs.

a. The Annual Fee shall be paid by School to SGCA in twelve (12) monthly installments per fiscal year with each payment being due no later than the tenth (10th) day of each month in which a payment is due.

b. At the end of each fiscal quarter and annually no later than June 30, SGCA shall reconcile its actual expenses to provide the Services to its four (4) members per quarter and in said year. In the event that the total revenue that SGCA receives exceeds its actual expenses, SGCA shall refund the school's proportionate share of said overpayment to School within thirty (30) days of the end of the fiscal year. In the event that the total amount of the Annual Fee paid by School for the subject year is less than the school's share of SGCA's actual expenses based on the third quarter financials, SGCA will request the governing board of the school to approve an additional payment by the end of the fiscal year.

c. The Annual Fee shall be reviewed and renegotiated by the SGCA and its members at the end of each fiscal year based on SGCA's projected annual costs to provide the Services for the coming fiscal year. In addition, any member or SGCA may propose at any time during the term adjustments to increase or decrease the Annual Fee, taking into account that SGCA is organized as a 501(c)(3) tax-exempt supporting organization. The SGCA and its members shall negotiate any such adjustments in good faith, and any adjustment of the Annual Fee shall be documented in writing approved by both Parties' governing bodies.

6. Costs. In addition to the Annual Fee, School shall reimburse SGCA for direct "pass through" costs and expenses, according to the pass through agreement, incurred in performing the Services specifically for School with prior approval of the school consistent with school fiscal policies and procedures, including, but not limited to: equipment, materials, or supplies purchased from third parties at the request of the School; platform subscription or license fees; filing or corporate fees; marketing communication, and development costs (e.g. print materials, postage for mailers, and costs of newspaper, radio, television, billboard or other broadcast

advertisements); and fees of other third parties consulted by SGCA at the request of the School. However, no pass-through costs will be owed for expenses that are built into SGCA's Annual Fee, including services

provided by subcontractors.

a. In the event that SGCA purchases equipment, materials, or supplies at the request of the School pursuant to this Agreement, SGCA shall be responsible for compliance with the procurement policies and processes approved by the governing body of the School and shall not include any mark-up, added fees or charges with the cost of equipment, materials, and supplies purchased from third parties. Any equipment, materials, or supplies that SGCA purchases on behalf of the School shall be and remain the property of the School.

b. Marketing, communication and development costs charged to School with prior approval shall be limited to those costs specific to the School's program, and shall not include any costs for the marketing of the Sequoia Grove Charter Alliance brand or development of SGCA goods, service or intellectual property.

c. All reimbursable costs of SGCA charged to School shall be itemized on SGCA invoices, with reference to specific dollar amounts and with backup documentation for such costs (e.g. copies of receipts or purchase orders).

7. Annual Notice. As a supporting organization for its members, SGCA shall, at least annually, provide School with a copy of its most recent Form 990, a description of the support, in services and otherwise, provided to its members, and its most current articles and bylaws, not later than the 5th day of the 5th month after the close of the year for which the Form 990 is filed.

8. Cooperation. School shall make available to SGCA, in a timely manner, all data, files, documents, and other information and records necessary or appropriate for SGCA to provide the Services under this Agreement. School staff, and the governing body of the School as necessary, shall work closely and cooperatively with SGCA to facilitate SGCA's effective performance and delivery of the Services.

9. Conflicts of Interest. The Parties recognize that it is important that School be assured that SGCA staff acts at all times with integrity. School has adopted a conflict of interest code under the California Political Reform Act. SGCA acknowledges that School may require certain SGCA staff to file annual financial interest disclosures as consultants under that code and abide by the disclosure and disqualification provisions of that act.

10. Intellectual Property. The intellectual property, including any work product, materials, products, inventions, works, and deliverables ("**Intellectual Property**"), developed or prepared by SGCA pursuant to this Agreement is and shall remain the exclusive property of SGCA. Similarly, any Intellectual Property owned by School, or another member of SGCA, and used by SGCA related to this Agreement is and shall remain the property of School, or the other member of SGCA. No Party shall have the right to grant a license, sublicense, or any other use or rights to the Intellectual Property of the other Party. Upon expiration or termination of this Agreement, the Intellectual Property of each Party in the possession of the other Party shall be returned and/or destroyed, as applicable.

11. Confidentiality. Each Party acknowledges that during the term of this Agreement, it will have access to certain Confidential Information of the other Party, as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards to reasonably protect the confidentiality of the other Party's Confidential Information.

Page 4 of 10

a. "**Confidential Information**" means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information does not include any information which (i) is

rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this Agreement or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to School under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the other Party with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the other Party to seek a restraining order or other appropriate relief.

c. The Parties understand and acknowledge that School's financial, educational, and student records are School property and may be subject to the California Public Records Act. SGCA shall make all School records physically or electronically available to School, upon School's request.

d. The finance and other records of the School maintained by SGCA shall be made available to the School's independent auditor upon request.

e. Upon the termination or expiration of this Agreement, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed.

12. Student Information. The Parties will each comply with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) ("**FERPA**"), federal Children's Online Privacy and Protection Act (15 U.S.C. §§ 6501–6506) ("**COPPA**"), and other applicable state and federal laws pertaining to student information and privacy. SGCA is a "third party" which may receive pupil records under California Education Code Section 49073.1(d)(6).

a. SGCA shall be designated as having a legitimate educational interest in accessing School's student education records, as that term is defined by and for purposes of FERPA, thereby allowing SGCA to access personally identifiable information from student education records from School in order to provide its services. For purposes of this Agreement, the term "personally identifiable information" ("PII") means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. SGCA shall not use or disclose pupil records, including personally identifiable information, received from or on behalf of School except as necessary to provide the Services, as

Page 5 of 10

required by law, or as otherwise authorized in writing by School. SGCA shall protect the pupil records it receives from or on behalf of School in full compliance with state and federal law. SGCA will designate and train responsible individuals to ensure the security and confidentiality of pupil records. SGCA shall develop, implement, maintain and use reasonable administrative, technical and physical security measures to preserve the confidentiality and availability of all electronically transmitted pupil records received from or on behalf of School. In the event of an unauthorized disclosure of PII, SGCA shall notify School as soon as practicable, and shall, upon School's request, notify affected parents, legal guardians and eligible pupils using reasonably available

technological means such as electronic mail.

c. SGCA shall not use PII in pupil records to engage in targeted advertising contrary to California law.

d. Within 60 days of the termination or expiration of this Agreement, SGCA shall certify in writing that protected student information in the possession of SGCA shall be returned and/or destroyed.

13. Insurance.

a. School shall maintain customary and reasonable insurance coverage, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. School shall name SGCA as an additional insured under all School's policies.

b. SGCA shall maintain customary and reasonable insurance coverage, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. SGCA shall name School as an additional insured under all SGCA's policies.

c. Each Party shall be responsible for obtaining and maintaining workers' compensation coverage and unemployment insurance for its employees.

d. The Parties' insurance coverages shall take into consideration that staff at the School are employees of the School, and not employees of SGCA.

14. Termination.

a. Either Party may terminate this Agreement without cause or a financial penalty upon at least sixty (60) days' written notice to the other Party, and such termination shall be

Page 6 of 10

effective as of the end of the then-current school year to minimize disruptions to the School's operations and the other members of SGCA.

b. Either Party may terminate this Agreement for breach of a material term or condition of this Agreement upon sixty (60) days' written notice to the other Party. Such written notice shall identify the breach and provide thirty (30) days for the other Party to cure.

c. In the event that any new enactment, repeal, or change of any federal, state, or local law, regulation, or court or administrative decision or order materially affects the performance of the Parties in conformity with this Agreement, the Parties shall promptly commence negotiations in good faith regarding a mutually agreeable approach (including without limitation, an amendment to the Agreement) to address the changes. If, despite such good faith negotiations, the Parties are unable to agree upon an acceptable approach, then either Party may elect to terminate the Agreement without further obligation or liability to the other, by delivering written notice of termination to the other at least ninety (90) days in advance of the effective date of such termination, or in such lesser time as is reasonable under the circumstances.

d. In the event of termination for any reason, the following conditions shall apply:

i. School shall pay SGCA any due and unpaid portion of the Annual Fee and costs for Services performed by SGCA through the effective date of termination.

ii. SGCA shall provide reasonable assistance to School to transition to another service provider, during which time School shall reimburse SGCA for all reasonable expenses incurred by SGCA in providing such transition assistance.

iii. SGCA shall work with schools to assign any equipment, vehicle or facility leases used solely by or for the benefit of or use by School.

iv. As soon as practicable, SGCA shall return to School and destroy all student-related, fiscal, human resources data, and all other records of School maintained by SGCA, whether held in electronic or physical form. SGCA shall additionally: complete a full data migration of the School's data and records in a disaggregated and accessible/usable format; migrate Google accounts from current domain to a new domain, if applicable; configure new G-Suite domains, if applicable; any transfer any ownership rights in the School's Intellectual Property, including domain name(s), website (including information on and from the website), logos, mascots, etc.

15. Liability. Each Party shall remain and be responsible for its own debts and obligations. Nothing in this Agreement shall be construed as imposing on a Party any liability arising out of the operations of the other Party, except as such liability may result from the performance of the first Party's obligations under this Agreement.

16. Indemnification. The Parties shall defend, indemnify, and hold each other, their employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of their obligations under this Agreement, except for such loss or damage caused solely by the negligence or willful misconduct of the other Party.

17. Fiduciary Obligations. The governing bodies for both Parties have reviewed the scope of Services and compensation provided in this Agreement in good faith, and in a manner in which they

believe to be in the best interests of their respective organizations, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and have determined that the Services contained herein are in the best interests of their respective organizations, and that the compensation to be paid is fair and reasonable.

18. Assignment. No Party shall assign this Agreement, any interest in this Agreement, or its rights or obligations under this Agreement without the express prior written consent of the other Party. This Agreement shall be binding on, and shall inure to the benefit of, the Parties and their respective permitted successors and assigns.

19. Dispute Resolution. If a dispute arises out of, or in connection with this Agreement, and the Parties do not resolve some or all of the dispute through negotiation, then the Parties agree to attempt to resolve the matter through mediation prior to the filing of any litigation. Following negotiations, either Party may submit a notice of intent to mediate. This notice shall be in writing and shall specify the issue(s) in dispute. The Parties agree to jointly select a mediator. Each Party

shall be responsible for its own costs and expenses related to participation in mediation. Each Party shall cooperate fully and fairly with the mediator and shall attempt to reach a mutually satisfactory compromise of the matter in dispute.

20. Notice. All notices, requests, demands, or other communications (collectively "Notice") given to or by the Parties under this Agreement shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party to whom Notice is to be given, at such Party's address set forth below:

21. Headings. The descriptive headings of the sections and/or paragraphs of this Agreement are inserted for convenience only, are not part of this Agreement, and do not in any way limit or amplify the terms or provisions of this Agreement.

22. Amendments. No supplement, modification, or amendment of this Agreement shall be binding unless in writing and executed by both Parties. The Parties anticipate additional and/or revised services to be provided through amendments to Attachment A and commensurate adjustment of the Annual Fee, if necessary. Such amendments may be negotiated directly by staff of School and SGCA at any time, and shall be brought to the governing body of each Party to approve, if necessary.

23. Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations and understandings of the Parties with respect to such subject matter made or entered into prior to the date of this Agreement. If School seeks to enter into a lease, promissory notes or other negotiable instruments, other agreement, or to enter into a lease-purchase agreement or other financing relationships with SGCA, such agreements shall be separate documents and not be incorporated into this Agreement or any amendments thereto. 24. Arm's Length and Independent Counsel. This Agreement has been negotiated at arm's length and between persons (or their representatives) sophisticated and knowledgeable in the subjects in this Agreement. Accordingly, any rule of law or legal decision that would require interpretation of any ambiguities against the Party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to affect the purpose of the Parties and this Agreement. Each Party has been advised by, or had opportunity to seek advice from, its independent counsel regarding this Agreement.

25. No Waiver. No waiver of any provision of this Agreement shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver

shall be binding unless executed in writing by the Party making the waiver.

26. Severability. If any provision of this Agreement is invalid or contravenes California law, such provision shall be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this Agreement.

27. Governing Law. This Agreement shall be governed by and interpreted under California law.

28. Authority to Contract. Each Party warrants to the other that it has the authority to enter into this Agreement, that it is a binding and enforceable obligation of said Party, and that the undersigned has been duly authorized to execute this Agreement.

29. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument. A faxed, .pdf, or other electronic copy of the fully executed original version of this Agreement shall have the same legal effect as an executed original for all purposes.

IN WITNESS WHEREOF, the Parties execute this Agreement as of the Effective Date above.

Re: Informed Consent and Waiver with Regard to Conflicts of Interest

Dear Board Members:

Procopio, Cory, Hargreaves & Savitch, LLP (the "Firm") currently provides legal counsel to Feather River Charter School, Clarksville Charter School, Lake View Charter School and Winship Community School (collectively, the "Schools"), including to assist with the formation and operation of Sequoia Grove Charter Alliance ("Sequoia Grove"). We understand that the Schools currently provide shared services and resources to each other, including shared staff resources, and that many administrative tasks and resources will be undertaken by Sequoia Grove and performed by Sequoia Grove and its staff pursuant to services agreements with the Schools. Each of the Schools serves as a corporate member of Sequoia Grove, with the authority to designate a representative on Sequoia Grove's governing board, to approve Sequoia Grove's chief administrator, and to oversee Sequoia Grove's services to the Schools.

procopio.com

We have been asked to represent Sequoia Grove with respect to its operations, such as to develop employment contracts for staff hired by Sequoia Grove who would ultimately perform the administrative tasks that support the Schools, to develop the agreements by which Sequoia Grove would provide administrative tasks and resources to the Schools and other agreements between the Schools and Sequoia Grove, and to assist with Sequoia Grove's ongoing operations.

Our joint and continued representation of the Schools and Sequoia Grove may create certain conflicts of interest, in that the interests and objectives of each client individually on certain issues may become inconsistent with the interests and objectives of the others. The joint representation of multiple clients may result in economic and/or tactical advantages. However, you should be aware that multiple representation also involves significant risks. First, it may result in divided, or at least shared, attorney-client loyalties. It may also limit the lawyer's ability to recommend or advocate all possible positions that each client might take because of the lawyer's duty of loyalty to the other clients. Also, the lawyer might not be able to offer alternatives that would otherwise be available to each of the clients absent the joint representation.

Although we are not currently aware of any actual or reasonably foreseeable adverse effects of such divided or shared loyalty, it is possible that issues may arise as to which our representation of any of you individually may be materially limited by our representation of all of you. As an example, Sequoia Grove may seek to hire employees of the Schools pursuant to the terms and conditions of the employment contracts we would develop and, in turn, the services and support that Sequoia Grove provides to the Schools pursuant to the services agreement would be based, in part, by those hired employees and the terms of their employment. The interests of the Schools, individually or collectively, may potentially or actually conflict with the interests of Sequoia Grove in developing the employment contracts or services agreements, resulting in our divided or shared loyalty.

Furthermore, because we will be jointly retained by each of you, in the event of a dispute among you, the attorney-client privilege generally will not protect communications that have taken place between each of you and attorneys in our firm. Moreover, pursuant to this joint client arrangement, anything any of you discloses to us may be disclosed by us to the others. You may not communicate to us any information which you do not wish to be communicated to any other client whom we are representing pursuant to this arrangement.

In the event of a dispute or conflict between the Schools and Sequoia Grove, there is a risk that we may be disqualified from representing you absent written consent from you at that time. We anticipate that if such a conflict or dispute were to arise, we would continue to represent the Schools, notwithstanding any adversity between you. Accordingly, we are asking that you consent to our continued and future representation of the Schools and agree not to assert any conflict of interest or seek to disqualify us from representing the Schools, notwithstanding any adversity that may develop. By signing and returning to us the agreement and consent set forth at the end of this letter, you are consenting to such arrangement and are waiving any conflicts regarding that arrangement. Notwithstanding such waiver and consent, depending on the circumstances, there remains some degree of risk that we could be disqualified from representing any of you in the event of a dispute.

As attorneys, we are governed by specific rules relating to our representation of clients when actual or potential conflicts of interest exist, or where there is a significant risk that our representation of each of you may be materially limited by our duties to other clients we are representing in the

engagement. In particular, Rule 1.7 of the Rules of Professional Conduct of the State Bar of California provides in relevant part:

- (a) A lawyer shall not, without informed written consent from each client and compliance with paragraph (d), represent a client if the representation is directly adverse to another client in the same or separate matter.
- (b) A lawyer shall not, without informed written consent from each affected client and compliance with paragraph (d), represent a client if there is a significant risk the lawyer's representation of the client will be materially limited by the lawyer's responsibilities to or relationships with another client, a former client, a third person or by the lawyer's own interests.

- (d) Representation is permitted under this rule only if the lawyer complies with paragraphs (a) [and] (b) ..., and:
 - (1) the lawyer reasonably believes that the lawyer will be able to provide competent and diligent representation to each affected client;
 - (2) the representation is not prohibited by law; and
 - (3) the representation does not involve the assertion of a claim by one client against another client represented by the lawyer in this same litigation or proceeding before a tribunal.
- (e) For purposes of this rule, "matter" includes any judicial or other proceeding, application, request for a ruling or other determination, contract, transaction, claim, controversy, investigation, charge, accusation, arrest or other deliberation, decision or action that is focused on the interests of specific persons, or a discrete and identifiable class of persons.

Under the Rules of Professional Conduct, "Informed consent" means a person's agreement to a proposed course of conduct after the lawyer has communicated and explained (i) the relevant circumstances and (ii) the material risks, including any actual or reasonably foreseeable adverse consequences of the proposed course of conduct. "Informed written consent" means that the disclosure and the consent required must be in writing.

Notwithstanding these risks, you have advised us that in this matter at the present time you do not desire to seek other counsel but instead you desire that we represent your multiple interests. Because the interests of any one of you may become inconsistent with the interests of the others, under the ethical standards discussed above, we are required to bring this matter to your attention and to obtain your consent before representing you in this matter.

Accordingly, we request that you signify your informed written consent to this representation by signing this letter below. We encourage you to seek independent counsel regarding the import of this consent, if you so desire, and we emphasize that you remain completely free to seek independent counsel at any time even if you decide to sign the consent set forth below. If these conditions are

acceptable, please sign where indicated below and return a copy to me. If you have any questions, please contact me. Thank you very much for your cooperation.

Sincerely,

Kevin M. Davis

INFORMED CONSENT AND WAIVER

Procopio, Cory, Hargreaves & Savitch LLP has explained to each of the undersigned that there exist potential conflicts of interest in the joint representation of the undersigned in connection with the above-described matter and has informed each of the undersigned of the possible consequences of such.

Each of the undersigned will immediately notify Procopio, Cory, Hargreaves & Savitch LLP in writing if you believe any issues arise where your interests diverge with the other clients listed below and a conflict may exist.

Each of the undersigned understands that it has the right to, and has been encouraged to, consult with independent counsel before signing this agreement.

Each of the undersigned consents to the joint representation of the undersigned by Procopio, Cory, Hargreaves & Savitch LLP on the terms outlined above.

Safe Return to In-Person Instruction Plan

Section: III. Operations

Purpose: FYI
Submitted by:
Related Material:
COVID_19_Model_Prevention_Program__LVCS_v1_1.21.21_-_signed (1).pdf
returnplantemplate (1).pdf

BACKGROUND:

The Interim Final Requirements issued by U.S. Department of Education outlines several requirements for all LEAs that receive ESSER III funds, including that LEAs have in place a plan for ensuring safety during in-person instruction (either in-progress or planned) as well as ensuring continuity of services should the LEA be required to close temporarily for COVID-19-related public health reasons in the future.

This template has been created to assist LEAs in the creation of these plans and to ensure all required elements are met.

COVID-19 Prevention Program (CPP) for Lake View Charter School

This CPP is designed to control exposures to the SARS-CoV-2 virus that may occur in our workplace. Lake View Charter School does not have a resource center being a non-classroom based charter.

Date: January 22, 2021

Authority and Responsibility

Julie Haycock has overall authority and responsibility for implementing the provisions of this CPP in our workplace. In addition, all certificated and classified employees are responsible for implementing and maintaining the CPP in their assigned work areas.

All employees are responsible for using safe work practices, following all directives, policies and procedures, and assisting in maintaining a safe work environment.

Identification and Evaluation of COVID-19 Hazards

We will implement the following in our workplace:

- Conduct workplace-specific evaluations using the **Appendix A: Identification of COVID-19 Hazards** form.
- Evaluate employees' potential workplace exposures to all persons at, or who may enter, our workplace.
- Review applicable orders and general and industry-specific guidance from the State of California, Cal/OSHA, and the local health department related to COVID-19 hazards and prevention.
- Evaluate existing COVID-19 prevention controls in our workplace and the need for different or additional controls.
- Conduct periodic inspections using the **Appendix B: COVID-19 Inspections form** as needed to identify unhealthy conditions, work practices, and work procedures related to COVID-19 and to ensure compliance with our COVID-19 policies and procedures.

Employee participation

Employees and their authorized employees' representatives are encouraged to participate in the identification and evaluation of COVID-19 hazards by attending mandatory training offered by county or state agencies or representatives. All employees must complete this training to its completion and provide evidence that such training has been accomplished.

Family Education

Families will view the COVID-19 Reopening Plan on the school's website and receive a letter from administration with COVID-19 related safety plans for both students and staff.

Employee Screening

We screen our employees by directly screening employees when they come to work, and having them self-screen according to CDPH guidelines prior to leaving for work. We ensure that face coverings are used during screening by both screeners and employees and we measure temperatures with a non-contact thermometer.

Student Screening

Students will have their temperature checked at the front of the school, and/or at the staff parking lot entrance. There will be spaces marked for students to wait to be checked in order

to maintain social distancing. If they have a fever of 100.4 F or higher, they will not be allowed to attend school that day. If their parent is not on campus, the student will go to the isolation area and parent/guardian will be contacted for immediate pick up.

Correction of COVID-19 Hazards

Unsafe or unhealthy work conditions, practices or procedures will be documented on the **Appendix B: COVID-19 Inspections** form, and corrected in a timely manner based on the severity of the hazards, as follows:

Commonly used areas such as restrooms, staff rooms, dining areas, and recreation areas will be cleaned and disinfected immediately after use. Cleaning and disinfecting materials will be accessible at all areas used by staff. The onsite custodian (if available) will perform such duties. If one is not available, it is the responsibility of the staff member to perform the duty of disinfecting the area(s) used.

Control of COVID-19 Hazards

Physical Distancing

Where possible, we ensure at least six feet of physical distancing at all times in our workplace by:

- Reducing the number of persons in an area at one time, including visitors.
- Visual cues such as signs and floor markings to indicate where employees and others should be located or their direction and path of travel.
- Staggered break times.
- Reference section [3205\(c\)\(6\)](#) for details

Individuals will be kept as far apart as possible when there are situations where six feet of physical distancing cannot be achieved.

Entrance, Egress and Movement Within the School

- Students will enter the resource center and will be separated at least 6 feet apart and wearing masks.
- Students will have their temperature checked at the front of the resource center, and/or at the staff parking lot entrance. There will be spaces marked for students to wait to be checked in order to maintain social distancing. If they have a fever of 100.4 F or higher, they will not be allowed to attend school that day. If their parent is not at the resource center, the student will go to the isolation area and parent/guardian will be contacted for immediate pick up.
- Resource center access will be limited to staff, students, and parents/guardians on official business ONLY. (No volunteers and visitors on campus.)

Face Coverings

We provide clean, undamaged face coverings and ensure they are properly worn by employees over the nose and mouth when indoors, and when outdoors and less than six feet away from another person, including non-employees, and where required by orders from the California Department of Public Health (CDPH) or local health department. If a student or staff member is in need of a face covering, WCS will provide one. In case of loss, a replacement face cover will be available.

STAFF:

All staff must use face coverings in accordance with CDPH guidelines unless Cal/OSHA standards require respiratory protection. If a staff member encounters a colleague not using a

face covering, they are encouraged to remind their colleague of the practice of wearing face coverings. If a staff member does not feel comfortable confronting his/her colleague or the colleague refuses to adhere to the policy, he/she may report the incident to the supervisor on site.

The following are exceptions to the use of face coverings in our workplace:

- When an employee is alone in a room.
- While eating and drinking at the workplace, provided employees are at least six feet apart and outside air supply to the area, if indoors, has been maximized to the extent possible.
- Employees who cannot wear face coverings due to a medical or mental health condition or disability, or who are hearing-impaired or communicating with a hearing-impaired person. Alternatives will be considered on a case-by-case basis.
- Persons exempted from wearing a face covering due to a medical condition, as confirmed by school district health team and therapists, must wear a non-restrictive alternative, such as a face shield with a drape on the bottom edge, as long as their condition permits it.
- In limited situations where a face covering cannot be used for pedagogical or developmental reasons, (e.g., communicating or assisting young children or those with special needs) a face shield with a drape (per CDPH guidelines) can be used instead of a face covering while in the classroom as long as the wearer maintains physical distance from others. Staff must return to wearing a face covering outside of the classroom.
- Workers or other persons handling or serving food must use gloves in addition to face coverings.
- Employers should consider where disposable glove use may be helpful to supplement frequent handwashing or use of hand sanitizer; examples are for workers who are screening others for symptoms or handling commonly touched items.

Any employee not wearing a face covering, face shield with a drape or other effective alternative, or respiratory protection, for any reason, shall be at least six feet apart from all other persons unless the unmasked employee is tested at least twice weekly for COVID-19.

STUDENTS:

Students and staff will be frequently reminded not to touch the face covering and to wash their hands frequently.

Students in all grade levels K-8 are required to wear face coverings at all times, while at school, unless exempted. A cloth face covering or face shield should be removed for meals, snacks, naptime, or when it needs to be replaced. When a cloth face covering is temporarily removed, it should be placed in a clean, safe area, clearly marked with the student's name and date, until it needs to be put on again.

In order to comply with this guidance, schools must exclude students from campus if they are not exempt from wearing a face covering under CDPH guidelines and refuse to wear one provided by the school.

Face covering policies apply on school buses and any vehicle affiliated with the LEA used to transport students, staff, or teachers to and/or from a school site.

Engineering controls

We implement the following measures for situations where we cannot maintain at least six feet between individuals: Staff members will always have the benefit of at least six feet from another staff member. If not, staff members will always wear face coverings.

We maximize, to the extent feasible, the quantity of outside air for our buildings with mechanical or natural ventilation systems by:

- Heating and air systems will be checked properly by professionals if there appears to be a malfunction.
- Ventilation systems will have filters replaced periodically in order to maintain a clean flow of filtered air.

Cleaning and disinfecting

We implement the following cleaning and disinfection measures for frequently touched surfaces:

- Adequate and appropriate state approved supplies are provided to the staff for the cleaning and disinfecting of commonly used areas. A custodian will clean and disinfect the commonly used areas immediately after use.
- Signs are located in all commonly used areas reminding staff to properly disinfect the area they used or to inform custodial staff.
- Frequently-touched surfaces at school will be cleaned daily
- Outdoor playgrounds/natural play areas only need routine maintenance. Children will wash or sanitize their hands before and after using these spaces .
 - Note: When hand hygiene is emphasized, cleaning of outdoor structures play is not required between cohorts.

Should we have a COVID-19 case in our workplace, we will implement the following procedures:

Should a COVID-19 case occur in our workplace, the custodial staff will immediately disinfect all areas in which the case was present. They will wear proper protection equipment (gloves, face covering, etc), and all staff, students, and personnel will be kept at a distance from said area(s).

Shared tools, equipment and personal protective equipment (PPE)

PPE must not be shared, e.g., gloves, goggles and face shields.

Items that employees come in regular physical contact with, such as phones, headsets, desks, keyboards, writing materials, instruments and tools must also not be shared, to the extent feasible. Where there must be sharing, the items will be disinfected between uses by our custodial staff or staff member in charge by using the cleaning materials provided. This will be done immediately after use of the equipment.

Hand sanitizing

In order to implement effective hand sanitizing procedures, we:

- Provide sanitary handwashing facilities.
- Provide hand sanitizer in all classrooms or commonly used areas.
- Encouraging and allowing time for employee handwashing.
- Providing employees with an effective hand sanitizer, and prohibit hand sanitizers that contain methanol (i.e. methyl alcohol).
- Encouraging employees to wash their hands for at least 20 seconds each time.

Personal protective equipment (PPE) used to control employees' exposure to COVID-19

We evaluate the need for PPE (such as gloves, goggles, and face shields) as required by CCR Title 8, section 3380, and provide such PPE as needed.

When it comes to respiratory protection, we evaluate the need in accordance with CCR Title 8 section 5144 when the physical distancing requirements are not feasible or maintained. **[see section [3205\(c\)\(E\)](#) of the Department of Industrial Relations for details on required respirator and eye protection use.]**

4.	Symptomatic person tests negative or a healthcare provider has provided documentation that the symptoms are typical of their underlying chronic condition.	• May return to school after 24 hours have passed without fever and symptoms have started improving. • School/classroom remain open.	• Consider school community notification if prior awareness of testing.

(†) A contact is defined as a person who is within 6 feet from a case for more than 15 minutes cumulative within a 24-hour period, regardless of face coverings. In some school situations, it may be difficult to determine whether individuals have met this criterion and an entire stable group, classroom, or other group may need to be considered exposed, particularly if people have spent time together indoors.

Investigating and Responding to COVID-19 Cases

This will be accomplished by using the **Appendix C: Investigating COVID-19 Cases** form.

Employees who had potential COVID-19 exposure in our workplace will be:

- Offered COVID-19 testing at no cost during their working hours.
- The information on benefits described in Training and Instruction, and Exclusion of COVID-19 Cases, below, will be provided to them.

System for Communicating

Our goal is to ensure that we have effective two-way communication with our employees, in a form they can readily understand, and that it includes the following information:

- If an employee is experiencing COVID-19 symptoms, they will immediately report it to their site supervisor
- That employees can report symptoms and hazards without fear of reprisal.
- Our procedures or policies for accommodating employees with medical or other conditions that put them at increased risk of severe COVID-19 illness.
- Employees will be encouraged to take COVID-19 test to ensure that the virus is not brought back to the workplace.
- In the event we are required to provide testing because of a workplace exposure or outbreak, we will communicate the plan for providing testing and inform affected employees of the reason for the testing and the possible consequences of a positive test.
- Information about COVID-19 hazards employees (including other employers and individuals in contact with our workplace) may be exposed to, what is being done to control those hazards, and our COVID-19 policies and procedures.
- If there is a positive

Training and Instruction

We will provide effective training and instruction that includes:

- Our COVID-19 policies and procedures to protect employees from COVID-19 hazards.
- Information regarding COVID-19-related benefits to which the employee may be entitled under applicable federal, state, or local laws.
- The fact that:
 - COVID-19 is an infectious disease that can be spread through the air.
 - COVID-19 may be transmitted when a person touches a contaminated object and then touches their eyes, nose, or mouth.
 - An infectious person may have no symptoms.
- Methods of physical distancing of at least six feet and the importance of combining physical distancing with the wearing of face coverings.
- The fact that particles containing the virus can travel more than six feet, especially indoors, so physical distancing must be combined with other controls, including face coverings and hand hygiene, to be effective.
- The importance of frequent hand washing with soap and water for at least 20 seconds and using hand sanitizer when employees do not have immediate access to a sink or hand washing facility, and that hand sanitizer does not work if the hands are soiled.
- Proper use of face coverings and the fact that face coverings are not respiratory protective equipment - face coverings are intended to primarily protect other individuals from the wearer of the face covering.
- COVID-19 symptoms, and the importance of obtaining a COVID-19 test and not coming to work if the employee has COVID-19 symptoms.

Appendix D: COVID-19 Training Roster will be used to document this training.

Exclusion of COVID-19 Cases

Where we have a COVID-19 case in our workplace, we will limit transmission by:

- Ensuring that COVID-19 cases are excluded from the workplace until our return-to-work requirements are met.
- Excluding employees with COVID-19 exposure from the workplace for 14 days after the last known COVID-19 exposure to a COVID-19 case.
- Continuing and maintaining an employee's earnings, seniority, and all other employee rights and benefits whenever we've demonstrated that the COVID-19 exposure is work related.
- Providing employees at the time of exclusion with information on available benefits.

Reporting, Recordkeeping, and Access

It is our policy to:

- Report information about COVID-19 cases at our workplace to the local health department whenever required by law, and provide any related information requested by the local health department.
- Report immediately to Cal/OSHA any COVID-19-related serious illnesses or death, as defined under CCR Title 8 section 330(h), of an employee occurring in our place of employment or in connection with any employment.
- Maintain records of the steps taken to implement our written COVID-19 Prevention Program in accordance with CCR Title 8 section 3203(b).
- Make our written COVID-19 Prevention Program available at the workplace to employees, authorized employee representatives, and to representatives of Cal/OSHA immediately upon request.
- Use the **Appendix C: Investigating COVID-19 Cases** form to keep a record of and track all COVID-19 cases. The information will be made available to employees, authorized

employee representatives, or as otherwise required by law, with personal identifying information removed.

Return-to-Work Criteria

- COVID-19 cases with COVID-19 symptoms will not return to work until all the following have occurred:
 - At least 24 hours have passed since a fever of 100.4 or higher has resolved without the use of fever-reducing medications.
 - COVID-19 symptoms have improved.
 - At least 10 days have passed since COVID-19 symptoms first appeared.
 - COVID-19 cases who tested positive but never developed COVID-19 symptoms will not return to work until a minimum of 10 days have passed since the date of specimen collection of their first positive COVID-19 test.
 - A negative COVID-19 test will not be required for an employee to return to work.
 - If an order to isolate or quarantine an employee is issued by a local or state health official, the employee will not return to work until the period of isolation or quarantine is completed or the order is lifted. If no period was specified, then the period will be 10 days from the time the order to isolate was effective, or 14 days from the time the order to quarantine was effective.

Appendix A: Identification of COVID-19 Hazards

All persons, regardless of symptoms or negative COVID-19 test results, will be considered potentially infectious. Particular attention will be paid to areas where people may congregate or come in contact with one another, regardless of whether employees are performing an assigned work task or not. For example: meetings, entrances, bathrooms, hallways, aisles, walkways, elevators, break or eating areas, cool-down areas, and waiting areas.

Evaluation of potential workplace exposure will be to all persons at the workplace or who may enter the workplace, including coworkers, employees of other entities, members of the public, customers or clients, and independent contractors. We will consider how employees and other persons enter, leave, and travel through the workplace, in addition to addressing fixed work locations.

Additional Consideration #1

Multiple COVID-19 Infections and COVID-19 Outbreaks

This section of CPP will stay in effect until there are no new COVID-19 cases detected in our workplace for a 14-day period.

COVID-19 testing

- We will provide COVID-19 testing to all employees in our exposed workplace except for employees who were not present during the period of an outbreak identified by a local health department or the relevant 14-day period. COVID-19 testing will be provided at no cost to employees during employees' working hours.
- COVID-19 testing consists of the following:
 - All employees in our exposed workplace will be immediately tested and then tested again one week later. Negative COVID-19 test results of employees with COVID-19 exposure will not impact the duration of any quarantine period required by, or orders issued by, the local health department.
 - After the first two COVID-19 tests, we will continue to provide COVID-19 testing of employees who remain at the workplace at least once per week, or more frequently if recommended by the local health department, until there are no new COVID-19 cases detected in our workplace for a 14-day period.
 - We will provide additional testing when deemed necessary by Cal/OSHA.

Exclusion of COVID-19 cases

We will ensure COVID-19 cases and employees who had COVID-19 exposure are excluded from the workplace in accordance with our CPP **Exclusion of COVID-19 Cases** and **Return to Work Criteria** requirements, and local health officer orders if applicable.

Investigation of workplace COVID-19 illness

We will immediately investigate and determine possible workplace-related factors that contributed to the COVID-19 outbreak in accordance with our CPP **Investigating and Responding to COVID-19 Cases**.

COVID-19 investigation, review and hazard correction

In addition to our CPP **Identification and Evaluation of COVID-19 Hazards** and **Correction of COVID-19 Hazards**, we will immediately perform a review of potentially relevant COVID-19 policies, procedures, and controls and implement changes as needed to prevent further spread of COVID-19.

The investigation and review will be documented and include:

- Investigation of new or unabated COVID-19 hazards including:
 - Our leave policies and practices and whether employees are discouraged from remaining home when sick.
 - Our COVID-19 testing policies.
 - Insufficient outdoor air.
 - Insufficient air filtration.
 - Lack of physical distancing.
- Updating the review:
 - Every thirty days that the outbreak continues.
 - In response to new information or to new or previously unrecognized COVID-19 hazards.
 - When otherwise necessary.

- Implementing changes to reduce the transmission of COVID-19 based on the investigation and review. We will consider:
 - Moving indoor tasks outdoors or having them performed remotely.
 - Increasing outdoor air supply when work is done indoors.
 - Improving air filtration.
 - Increasing physical distancing as much as possible.
 - Respiratory protection.
 - [describe other applicable controls].

Notifications to the local health department

- Immediately, but no longer than 48 hours after learning of three or more COVID-19 cases in our workplace, we will contact the local health department for guidance on preventing the further spread of COVID-19 within the workplace.
- We will provide to the local health department the total number of COVID-19 cases and for each COVID-19 case, the name, contact information, occupation, workplace location, business address, the hospitalization and/or fatality status, and North American Industry Classification System code of the workplace of the COVID-19 case, and any other information requested by the local health department. We will continue to give notice to the local health department of any subsequent COVID-19 cases at our workplace.

Additional Consideration #2

Major COVID-19 Outbreaks

This section of CPP will stay in effect until there are no new COVID-19 cases detected in our workplace for a 14-day period.

COVID-19 testing

We will provide twice a week COVID-19 testing, or more frequently if recommended by the local health department, to all employees present at our exposed workplace during the relevant 30-day period(s) and who remain at the workplace. COVID-19 testing will be provided at no cost to employees during employees' working hours.

Exclusion of COVID-19 cases

We will ensure COVID-19 cases and employees with COVID-19 exposure are excluded from the workplace in accordance with our CPP **Exclusion of COVID-19 Cases** and **Return to Work Criteria**, and any relevant local health department orders.

Investigation of workplace COVID-19 illnesses

We will comply with the requirements of our CPP **Investigating and Responding to COVID-19 Cases**.

COVID-19 hazard correction

In addition to the requirements of our CPP **Correction of COVID-19 Hazards**, we will take the following actions:

- In buildings or structures with mechanical ventilation, we will filter recirculated air with Minimum Efficiency Reporting Value (MERV) 13 or higher efficiency filters if compatible with the ventilation system. If MERV-13 or higher filters are not compatible with the ventilation system, we will use filters with the highest compatible filtering efficiency. We will also evaluate whether portable or mounted High Efficiency Particulate Air (HEPA) filtration units, or other air cleaning systems would reduce the risk of transmission and implement their use to the degree feasible.
- We will determine the need for a respiratory protection program or changes to an existing respiratory protection program under CCR Title 8 section 5144 to address COVID-19 hazards.
- We will evaluate whether to halt some or all operations at our workplace until COVID-19 hazards have been corrected
- Implement any other control measures deemed necessary by Cal/OSHA.

Notifications to the local health department

We will comply with the requirements of our **Multiple COVID-19 Infections** and **COVID-19 Outbreaks-Notifications to the Local Health Department**.

American Rescue Plan Act Elementary and Secondary School Relief Fund (ESSER III) Safe Return to In-Person Instruction Local Educational Agency Plan Template

Background on ESSER

The American Rescue Plan Act (ARP) signed into law on March 11, 2021, provided nearly \$122 billion for the Elementary and Secondary School Relief Fund (ESSER). ARP ESSER, also known as ESSER III, funds are provided to State educational agencies in the same proportion as each State received under Title I-A of the Elementary and Secondary Education Act (ESEA) in fiscal year (FY) 2020. The U.S. Department of Education (ED) published Interim Final Requirements (IFR) on April 22, 2021 requiring Local Educational Agencies (LEAs) receiving ESSER III funds to submit an LEA Plan for the Safe Return to In-Person Instruction and Continuity of Services. If an LEA had already developed a plan for safe return to in-person instruction and continuity of services prior to the enactment of ARP that meets the statutory requirements of section 2001(i) but did not address all of the requirements in the IFR, the LEA must revise and post its plan no later than six months after receiving its ESSER III funds. This applies even if an LEA has been operating full-time in-person instruction but does not apply to fully virtual schools and LEAs.

The IFR and ARP statute, along with other helpful resources, are located here:

Purpose of the Template

The IFR issued by ED outlines several requirements for all LEAs that receive ESSER III funds, including that LEAs have in place a plan for ensuring safety during in-person instruction (either in-progress or planned) as well as ensuring continuity of services should the LEA or one or more of its schools be required to close temporarily for COVID-19-related public health reasons in the future. LEAs who had a plan in place by March 11, 2021, which incorporated opportunity for public comment and was posted publicly have six months from the date their ESSER III Assurances were completed to update and revise the plans to meet those requirements. Examples of previous plans that may be allowable would be a completed Cal/OSHA or Assembly Bill 86 plan, as long as it meets the requirements previously stated. LEAs which did not have a statutorily compliant plan in place as of March 11, 2021, must create and post this plan within 30 days of completing their ESSER III Assurances. If you have questions as to which category applies to your LEA, please contact EmergencyServices@cde.ca.gov. Plans are required for all LEAs, regardless of operating status, unless an LEA is fully virtual with no physical location. All plans must be reviewed, and, as appropriate, revised, at least every six months to incorporate new or revised CDC guidance and other changed factors.

This template has been created to assist LEAs in the creation of these plans and to ensure all required elements are met. The following requirements and assurances pertain to both the statutory requirements and the IFR published by ED. LEAs may provide any additional information they believe are helpful in assessing their plan. If you have any questions, please contact EmergencyServices@cde.ca.gov.

Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

In-Person Instructional Offerings

Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Expenditures associated with researching and access to virtual and access to community resources, including museum, Nature program, STEM Experiences, Aerospace Museum, Virtual, Guided Learning Experiences specifically for unduplicated students who have challenges paying for the programs	\$1,500	\$0	Y
Lake View will provide instructional materials and will ensure students have access to appropriate materials in a safe environment improving student outcomes	\$42,000	\$42,000	Y

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

LVCS anticipated costs associated in relation to In-Person Instructional Offerings. The expenditure related to virtual access to community resources lended to the families signing up for their own experiences with the given instructional amounts. With the nature of virtual resources, there was an extraordinary number of opportunities for students to tailor to personalized learning virtual experiences. The need wasn't what was anticipated with the creation of the expenditure. Students though utilized the state-aligned materials more during the 20-21 School year.

Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

Being a non-classroom-based charter, students primarily school at home. An adjustment was the inability to utilize the community partners for enrichment opportunities.

Distance Learning Program

Actions Related to the Distance Learning Program

Additional devices, including Chromebooks for English learners, students living in poverty, students placed in foster care, students experiencing homelessness, and those with exceptional needs. This will provide access to online curriculum, online community partners and other resources to support students in academic progress	\$42,075	\$42,075	Y
Lake View will continue to monitor local and state guidelines related to in-person offerings. Technology, access and training will be provided to support staff and students to increase and improve services.	\$12,570	\$12,570	Y
Costs to implement Community Connections program include hot spots for connectivity, web cameras/tripods for the Community Coordinators to host/produce the workshops	\$1,500	\$1,500	Y

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

The expenditures related to implementing distance learning planned to be as estimated when the LCP was drafted. Given the state of the State of California, we shifted the focus to Social Emotional Learning instead of trauma informed practices. With the COVID-19 Pandemic, fortunately there was a wealth of free programs and offerings to support our staff and parents with professional learning incorporating SEL into their day. Therefore, we didn't need to utilize the funds towards SEL. The other expenditures were what our school anticipated spending to be which were budgeted for.

Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

Being a non-classroom based charter school, we didn't have the traditional distance learning model as a traditional public school. Challenges that our students faced were the increased need for connectivity and usage of devices with the online options in enrichment, curriculum, online learning opportunities, and synchronous learning online with our teachers. Our staff, also continuing to work from home, needed reliable internet and resources to teach remotely.

Pupil Learning Loss

Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Homeschool Teachers to provide instruction for all students, Provide school counselors to support students in targeted services with social and academic wellness: in-person/distance learning platform, provide junior high virtual academy coordinator and lead teacher, provide high school virtual academy coordinator, special education teachers, intervention specialists, Executive Director/Assistant	\$244,632	\$244,632	Y

Principals/Specialists provide instructional coaching for teachers; lead “data talks” discussions and analysis on student assessment results, monitor and supervise services for EL; and monitor student attendance and participation schoolwide, student intervention support, school psychologists, high school success coordinator * 10% of certificated salaries will be funded with LCFF Supplemental & Concentration funds (contributing column) and the remaining 90% with LCFF Base Funds			
Staff and parent training related to understanding our MTSS, and expressly what resources are provided at each tier	\$1,500	\$0	Y
Staff and parent training related to understanding our English Language Development strategies	\$1,000	\$0	Y

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

In regard to pupil learning loss, again due to the in-staff PD that were already developed, we didn't have a need to purchase any additional training for our staff and parents. Our staff and parents did receive training understanding MTSS and ELD, but we utilized staffing, resources that were already embedded into our budget. Again, as stated above, there were additional free resources this year, unlike before, that our school was able to utilize to support these vital areas of training.

Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

As a non-classroom based independent study charter school, homeschooling students were able to continue the different modes of learning with teacher-directed, online and within the blended instructional model. Teachers communicated and met with students through digital platforms. Students chose to enroll in new direct-instruction opportunities such as HSVA and JHVA in core subjects which provided instruction at home. One challenge that the school had was the 10-15% percentage of students that participated in the benchmark diagnostic (STAR) in English language arts and mathematics. Feedback from families who took the benchmark felt they have been doing so much learning online, technology overload, COVID related life circumstances, it was another online time for their student to be on technology. With COVID there is a changed family dynamic that has made testing difficult in a student's home. Although all students have access to technology and internet access, there are a few areas where student connectivity is still in

question, due to the location of a student's home. There was an increase in our Intervention classes during 20-21, as more students needed additional support without the in-person academic enrichment opportunities normally offered.

Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

The school completed the Care backpacks for our homeless population through collaboration with the teacher and family. A Social Emotional Website was launched along with items such as Mindset Mondays, dedicated time with counselors, online SEL supports, Community Connections events to bring students together, JHVA and HSVA also provided learning and social opportunities for students to connect. The Multicultural Diversity and Inclusion Program brought new and a continued awareness of our diverse world and student population which brought a new heightened awareness for our school and community. Results from the parent survey showed 39% of parents did not find our students mental wellbeing concerning.

Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

Teachers continued to meet virtually with their students to provide continued student engagement with checks, office hours, scheduled live synchronous sessions, participation in diagnostic assessment and completion of assignments as documented in our student information system. Many families chose to attend our virtual community events that had series on different topics both educational and enrichment. Families also opted to join many of the parent education nights and Multicultural and Diversity Inclusion Program opportunities for additional connection. Families were able to connect with one another with thematic virtual events held by Community Connections. The JHVA had an online science fair. Our NHS held outreaches too for the students to engage with one another online. With connectivity being a challenge, our school provided technology and access to the Internet for students that needed this. We also provided online curriculum options for students that provided supplemental and full online curriculum options to enhance learning. Our interim benchmark assessment assisted in data collection, analysis, and planning for learning loss. With COVID-19, parent education workshops online provided much needed support. Our staff received a social emotional wellness PD from a keynote speaker in January. Based on our parent survey results 61% of our parents are not concerned in this period of uncertainty.

Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

As a non-classroom based independent study charter school, we do not have facilities to serve meals.

Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

LVCS continued with the three educational models during the 20-21 School Year. With the additional synchronous instruction options for junior high, high school, English learners, and intervention classes, this placed a foundation for students. With the dynamics of student's homes with parents working while students are schooling, more students took the opportunity to participate in the courses. The school saw a gain in student engagement and test scores with the online direct instruction and has planned to continue and increase course offerings in the future. Professional Development during the 20-21 School year was more targeted, and data driven tailored to the internal benchmark diagnostics. Building community in the virtual world along with course offerings lend to be a strength during COVID. With the increase in student engagement in academic course offerings and desire for in person activities, the

school will continue to build programs to support the elementary aged students. The continued need for the support of mental health and social-emotional well-being will continue to be on the forefront for our schools and for schools for the next three year, and most probably more. Our Student Services side developed and will continue to develop more programs, offerings, opportunities to support students and staff.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

For the 2021-24 LCAP's, as stated above, there will be a continued focus on direct instruction to address pupil learning loss for our unduplicated and students with disabilities elementary to high school students in core and enrichment subjects. Our EL students will continue to receive asynchronous English Language Development focused on grade level bans and EL levels determined by ELPAC results. Our Unduplicated students and SWD will be offered asynchronous instruction courses, as well as opportunities for intervention courses. Our staff will continue to focus on data driven practices from our benchmark assessments to deliver instructional strategies and curriculum to support students' specific learning needs. We will provide a pre and post assessment to help gauge academic progress.

Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

Student outcomes along with stakeholder feedback from the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 with a more data driven approach. Our team has utilized the Dashboard, internal benchmarks, teacher data from Learning Period Meetings, and external data analyst companies to assist in driving a focus pertaining to increasing student achievement, both individually and collectively within unduplicated student groups. As the team

reflected on data, along with stakeholder input, these components helped to guide LVCS in an approach to educate not only the academics but also the social-emotional well-being of students.

Plan Summary [2021-22]

General Information

A description of the LEA, its schools, and its students.

Lake View Charter School (LVCS) opened in the fall of the 2019-20 school year. Lake View Charter School is a WASC accredited, non-classroom based public charter school authorized by Lake Elementary School District in Glenn County serving approximately 500 students in Glenn, Colusa, Butte, Lake, Mendocino, and Tehama Counties from transitional kindergarten through 12th-grade. We take great pride in being able to offer our students flexible personalized learning experiences through our many unique and dynamic programs. Our school values and supports parent choice and personalized learning for all students. LVCS Home School Teachers (HST's) are California credentialed teachers who partner with families to nurture, guide and enhance a student's educational needs. A focus of collaboration with academic achievement and the development of the whole child with personalized learning is pivotal. LVCS teachers collaborate with parents/learning coaches to create Learning Plans for students each learning period that outlines the lessons to be completed during a specified time frame. All students have access to online all access curriculum as well as curriculum to support educational standards. Internal benchmark diagnostic assessment data gathered from a computerized adaptable test, taken each fall, winter, and spring, for grades TK-12, pinpoints the proficiency level of students across a range of subjects. The benchmark diagnostic assessments are specifically designed to provide meaningful information for gauging student progress toward mastery of the skills measured by the summative assessments. This data along with learning styles are used to build the individualized learning path for each student to target specific learning objectives and standards. Regular assessment determines the level of mastery and individualizing the Learning Plan helps students progress quickly. Teachers can provide instruction and support either in person or online through web-conference platforms. This tool allows for teacher collaboration and instruction by using video, voice, text, and shared writing space. Students have twenty-four-hour access to all curricula, and learning can take place at a variety of locations according to student and family preference, including libraries and the students' residences. LVCS's tiered level of support is robust and differentiated for different learning styles. LVCS is continuously planning and adjusting programs to meet the needs of the student population served. Lake View Charter School's leadership and staff look forward to continuing their collaboration with the district in providing an option to students looking for an Independent study/homeschool program. It is our mission at Lake View Charter School to develop the individual gifts of students in Glenn County and adjacent counties to become proficient in Common Core State Standards and become critical thinkers, responsible citizens and innovative leaders prepared for academic and real-life achievement in the 21st Century. The mission will be accomplished in a personalized environment that fosters successful achievement through quality, personalized, standards-based education, which could include online coursework, offline textbook work, and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

At Lake View Charter, we have goals for our students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our school culture: they reflect our school vision, the College and Career Readiness standards, and the education of the whole child. The Junior High Virtual Academy (JHVA) and High School Virtual Academy (HSVA) were developed this year to support students. Both programs were developed to teach live online instruction providing standards aligned courses by credentialed teachers. LVCS has also implemented an online direct instruction platform (four-to-six-week direct instruction, intervention courses for mathematics and language arts), and other programs so that all students have the critical thinking skills to be successful in college and career pathways. Lake View opened in 2019-20, the 2020 California School Dashboard would have been the first dashboard released for Lake View but due to the Senate Bill 98 which suspended the reporting of state and local indicators on the 2020 California School Dashboard we do not have any data to analyze and report in terms of state accountability measures. To monitor our students collectively we are using interim benchmark assessments to analyze and understand where our students are currently performing. Based on our interim benchmark assessments currently an average of 48% of our students are performing at standards met/exceeded for Math and an average of 73% of our students are at standards met/exceeded for ELA.

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Lake View Charter School opened in 2019-20, the 2020 California School Dashboard would have been the first dashboard released for Lake View but due to the Senate Bill 98 which suspended the reporting of state and local indicators on the 2020 California School Dashboard we do not have any data to analyze and report in terms of state accountability measures. Therefore, no areas of identified need or performance gaps are available to address.

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Lake View Charter School takes state accountability measures very seriously and understands that there are areas we need to prioritize and create new policies or procedures to address and improve to achieve student academic success. LVCS has supported SWD's need for targeted language arts instruction by adding Reading Specialists, structured multi-sensory literacy programming as well as reading programs for specialized academic instruction. We have taken steps such as providing additional support for our unduplicated students such as professional learning for families and staff focused on instructional strategies to help students reach their academic potential. We will also implement and assess formative and interim assessments to be able to monitor our students throughout the year. With the provided data, we disaggregate the information to provide the individualized support needed for each student before the administration of the state assessments. This action plan will help students improve their overall scores on the state assessments and strengthen their academic performance. The College and Career Indicator is also an area of focus. To increase the number of students who are college and career ready, we will increase the number of course offerings in college and career indicators providing students with more opportunities to meet the requirements within this state indicator. Graduation Rate Indicator is also an area of focus for LVCS, we have created new roles and procedures to be able to monitor data

regarding student dropout rates. Our school has continued to build professional development about CCI indicators and implemented an additional planning tool on our Individualized Graduation Plan for students, parent, and teacher future planning.

Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

Before developing the process of LCAP, our school initially conducted several meetings with different departments within our school. We began this process by gaining insight and perspective to what our teachers and staff felt our areas of focus should be within each department. We also sent our surveys to our stakeholders: community partners, staff, parents, and students to receive feedback regarding what they feel our school strategies, policies, or procedures should include for next year as actions items we can implement. The surveys we received from our stakeholders were analyzed thoroughly to gain insight on what overarching goals should be for our school and within those goals how we can create actions to meet the needs of our community. Our team presented to the School Board a series of LCAP presentations which consisted of information related to proposed goals and actions for the upcoming years to foster collaboration, transparency, and to gather input. Meetings occurred with the English Learners Advisory Committee which consists of parents of our English Learners. Presentations to Charter department staff were held to gather department feedback. A charter wide staff presentation was conducted at a monthly staff meeting. Lastly, we collaborated with our SELPA where we asked for any feedback regarding our proposed goals and actions for the coming years.

A summary of the feedback provided by specific stakeholder groups.

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

When analyzing the feedback, we received with various stakeholders we received an immense amount of positive feedback regarding the current set policies and procedures and what we have planned for the coming years. The feedback from our parents of English Learners Advisory Committee consisted of great positivity regarding our English Language Development courses and parents felt very supported with our current program. Some suggestions the committee felt would be beneficial for the program consisted of offering more paper based English Language Development supplemental programs rather than a complete online based program. The Committee also suggested offering more afternoon zoom courses, having access to Star 360 interim benchmark assessments in the parental portal, and having the weekly newsletter contain information regarding what teachers are working on in classes. Analyzing the feedback received from our parents through the surveys we received great suggestions which we have incorporated into our LCAP as action items and almost all our parents were extremely satisfied with the current policies and procedures of our school. The feedback received consisted of adding more parent workshops related to strengthening student achievement and resuming in person activities for students, which was suspended due to COVID restrictions. The staff feedback received from the surveys was very positive regarding how the school is working collaboratively and aligning curriculum programs with state standards. When asked which state priorities the school should focus on, much of the staff felt we should prioritize the following state priorities Basic Services (Teacher credential, instructional materials), Course Access (Student access to a broad course of study), and Parent Involvement (Efforts to seek parent input and participation). We have thoroughly gone through the feedback received from each of our stakeholders and have been actively working on how we can incorporate the recommendations received to meet the needs of our community. We thank our stakeholders for their participation in the surveys.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

Lake View Charter School believes in putting the community we serve first and addressing their individual needs as action, to be able to create an optimal learning environment for the families we serve. After receiving feedback from our stakeholders, many of their recommendations regarding our programs within each department of our school were considered when proceeding with developing our planned goals, actions, and metrics for the 2020-21 LCAP. Our English Learner population is an area we are always looking to improve and create more supportive learning for our students and parents. From the feedback we received from our English Learners Advisory Committee we are implementing actions such as professional learning for families and staff which will focus on instructional strategies and being able to collaborate with parents and help support our English Learner population to reach their academic goals. The goals and actions we specifically added from our ELAC input include:

- Goal 2, Action 2: Hire and maintain certificated staff to provide online/synchronous instruction, programs, and support for our English Learners. This will contribute to our plans to offer more creative English Language Development support options available both online and paper based.

From the feedback we received from our surveys to our parents we found there was a need for additional professional development for our families to ensure they have all the information they need about our curriculum and programs for all our students and specifically our unduplicated students. To address this area of need we have specifically implemented:

- Goal 1 Action 1: Professional Learning related to student learning needs, particularly for English learners, foster youth, students who qualify for free or reduced lunch
- Goal 1 Action 2: Professional Learning related to student learning needs, particularly for Students with Disabilities.

We also received feedback from our High school graduate students for this year through our grad survey sent out by our High School department. Analyzing the responses, we received regarding our CTE program and our college and career readiness programs led us to create Goal 3: Increase the number of students who are high school, college, career, and life ready and within the goal create the following action items:

-Goal 3 Action 2: Provide College Readiness Assessments and Preparatory Workshops

-Goal 3 Action 1: Increase number of course offerings in college and career indicators

Lastly, we met with our SELPA and received feedback in terms of prioritizing the needs of our students with special needs which led us to create the following Goal and actions:

-Goal 3 Action 3: Partnership with Earn and Learn Organization and additional secondary support programs

-Goal 3 Action 4: Individualized Graduation Plan

We hope to ensure the implementation of these actions will provide us with the growth we are expecting in the coming school years and be able to optimize our student achievement data. Overall, we are very thrilled for the new changes in the coming years and how we were able to meet with each of our stakeholders, parents, and students and be able to use the feedback we receive into action items for our schools future planning.

Goals and Actions

Goal

Goal #	Description
1	<p>LVCS will continue to develop plans and utilize data to strengthen student achievement for all students.</p> <p>List priorities</p> <p>Priority 1: Basic (Conditions of Learning)</p> <p>Priority 2: State Standards (Conditions of Learning)</p> <p>Priority 7: Course Access (Conditions of Learning)</p>

An explanation of why the LEA has developed this goal.

LVCS is a strong believer in data driven decision making and how we can constantly monitor student academic data to maintain or improve current set policies and procedures. We are working on using various lenses of approach to identify areas of need and focus on implementing new strategies and techniques to increase student achievement. The actions we have initiated will directly contribute to utilizing student achievement data to progress on California State dashboard indicators. We had created these actions and metrics because we saw a performance gap for certain student groups and on specific dashboard indicators and needed to close the achievement gap. Our actions provide additional support and the tools needed to help our student groups performing at a red or orange performance level reach their higher achievement level goals.

We have utilized the STAR 360 program in order to monitor the progress of our students by conducting these interim assessments throughout the year. The administration of these assessments will allow for us to collect data in relation to where our students are performing before the state assessments and be able to provide additional individualized support where needed for our students.

Actions

Action #	Title	Description	Total Funds	Contributing
1	Professional Learning related to student learning needs, particularly for English Learners, foster youth, students who qualify for free or reduced lunch	We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain student groups such as English Learners, foster youth, and students who qualify for free or reduced lunch are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.	\$60,346	Y
2	Professional Learning related to student learning needs, particularly for Students with Disabilities	We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain groups such as our Students with Disabilities are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.	\$104,814	Y

3	Implement and assess formative and interim assessments	We will implement assessments regularly to help us determine whether and to what degree students are making progress toward expected learning outcomes. We will focus on programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will improve services for our unduplicated groups and students with disabilities because it will add to our current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support which, as a school we will be able to closely monitor with a data driven model to focus target instruction to mitigate a potential increase in student learning loss.	\$68,932	Y
4	Increase the number of live or synchronous classes/ workshops for Elementary level grades	We are creating and implementing a TK-6 academic online program with instruction from our teachers. This program will consist of online/synchronous classes and rotating workshops focusing on standards-based mathematics and language arts foundational concepts. We will target students who are working towards proficiency in ELA and Math from prior CAASPP and STAR 360 testing data. This program will increase and improve services for our unduplicated groups and is in addition to our current program offerings. It will be implemented schoolwide, however, our unduplicated student groups will benefit principally, as students in these groups are more likely to need additional academic support. These are the best use of funds because our data demonstrates that these students need additional support which can be provided by our credentialed teaching staff who can model and closely monitor student understanding.	\$0	Y
5	Purchase additional technology	We will provide mobile internet connectivity and technology for student use for connectivity at home. The goal is schoolwide and is important because most of our resources and curriculum are offered online. An example is to provide a standards-based online curriculum for our unduplicated students. Another example is providing hotspots to ensure that our unduplicated students can attend our live or synchronous classes for academic and social emotional well-being. Schoolwide, however, we know priority groups will benefit due to financial restraints of these students.	\$20,000	Y

6	Hire and maintain certificated staff to provide online/synchronous instruction, programs, and support.	We will hire certificated staff to expand our middle school direct instruction courses for English Language Arts and Math. Additionally, we will hire and maintain certificated staff to create online/synchronous instruction support programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will increase and improve services for our unduplicated groups because it will add to a current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action.	\$40,853	Y
7	Purchase of resources to support Multi-Tiered System of Support (MTSS), Student Study Team (SST), & Section 504 access, process, and compliance	We will purchase digital and paper resources, software, and workshops to assist staff, teachers and families with student services and the processes within the department. We are aware that student services have certain documents, processes and needs associated with compliance. The purchase of these will help in streamlining the process for our schools. An example of an expenditure is for our Student Study Team and Section 504 processes, Beyond SST will promote a digital manner for making referrals, scheduling, and holding meetings, creating Intervention and 504 plans as well as tracking data. Unduplicated students will benefit from the purchase of resources as some families have requested to remain off technology, therefore the ability to purchase printed materials will accommodate and support their educational requests. This will also support child find and create a continuum of supports and services for students.	\$1,374	Y

An explanation of why the LEA has developed this goal.

This goal was developed to ensure all students including unduplicated students (foster youth, English learners, and students who qualify for free or reduced lunch) are receiving the additional support they need. To monitor students and address any individualized area of need we will hire additional staff and set procedures to be able to provide any additional support. We will hire and maintain certificated staff to provide online/synchronous instruction, programs, and support for our English Learners. To ensure improvement on our English Learners reclassification, to improve these results we will fund support staff for unduplicated student support, which includes hiring a bilingual family liaison to support our non-English speaking populations. We hope these actions will contribute to improving our overall Goal to promote a safe, healthy, and engaged learning environment for all our student

1	Fund support staff for unduplicated student support	We will fund foster/homeless youth and family liaison positions to address specific needs of unduplicated and students with disabilities including augmented communication with families to receive information and support in the appropriate language. For example, we will utilize our foster/homeless youth liaison position to partner	\$30,000	Y

		with families to assist in meeting the educational, social, and emotional needs of students. We will also hire family liaisons who also speak another language besides English, to support our non-English speaking populations.		
2	Hire and maintain certificated staff to provide online/ synchronous instruction, programs, and support for our English Learners.	To improve and increase our academic support for English learners including those with disabilities, we will refine and improve our English language development curriculum and instructional delivery. Expenditures related to this action are the hiring of additional certificated staff and programs.	\$0	Y
3	Fund School Counselor/SST Coordinator	According to our parent survey 61% of our parents who participated in the survey were concerned with their child's mental health. To support our families and provide a resource we will fund the School Counselor/SST coordinator. This position will oversee and provide social-emotional and counseling services, supports and referrals. The Coordinator will work to hold virtual SST meetings. The Counselor/SST Coordinator will offer group sessions/1:1, check in with students, lead SST meetings with a whole child perspective with Social Emotional Learning, academic, suicide risk assessment, students in crisis, dedicated time with unduplicated, collecting community-based resources for families. Although this is a schoolwide support, the position will focus on our priority group of students in need of academic intervention which includes Foster youth, low SED backgrounds, special education, and English learners. This position will provide support to students clinically and educationally. For example, counselors will address social and emotional needs of students through a variety of ways including workshops, whole group practices, small group interventions, and individualized learning activities. Another example is that our counselor will provide ongoing training and support to charter staff.	\$9,380	Y
4	Fund positions for monitoring student achievement data	Focusing on priority group students such as EL, FY, or SED background, who did not re-enroll with the following school year, as well as those that leave during the school year to decrease the dropout rates in middle and high school. This will improve and increase services with a dedicated staff member to collaborate with families, High School Counselors, and the High School Department to assist our priority groups and schoolwide students. Our priority groups will benefit from this position as they will partner with our translators to assist, if needed also.	\$0	Y

Goal

Goal #	Description
3	<p>Increase the number of students who are high school, college, career, and life ready.</p> <p>List priorities:</p> <p>Priority 3: Parental Involvement (Engagement)</p> <p>Priority 5: Pupil Engagement (Engagement)</p> <p>Priority 6: School Climate (Engagement)</p>

An explanation of why the LEA has developed this goal.

This goal was developed to increase college and career readiness amongst our high school students. There is a need to increase the number of students participating and improving in college assessments. We will provide students with College Readiness Assessments and Preparatory Workshops to ensure they are supported in every way. We hope to ensure all our students in secondary education increase their performance on all college and career readiness measures with the additional support we have planned as actions for the coming school year. We are

planning to add additional AG courses to facilitate AG completion. We will collaborate with the College Board to offer onsite locations that offer PSAT, SAT and AP testing. Students have had a difficult time taking AP tests at outside institutions and this will solve that problem. We will add credentialed teacher taught CTE courses in HSVA in addition to the CTE opportunities available through eDynamic/Edmentum and at community colleges. We will offer courses through HSVA that offer more support to the struggling student to help our CAASPP scores in English, math, and science specifically. We will offer military science and leadership courses through HSVA that will help students reach the 2-year requirement for preparedness in that area. We will Contract with Earn and Learn, an organization that facilitates internship opportunities and helps students achieve the capstone course portion of the CTE pathway, making full completion more likely. Additionally, we will continue to encourage concurrent enrollment with local community colleges and seek out opportunities to partner with local colleges to offer dual enrollment to ensure we can continue to create more opportunities for our students to meet the state college and career preparedness requirements. Lastly, we will establish a contact and relationship with the Department of Rehabilitation in order to support our students with disabilities. We will also offer college and career awareness support, services, and workshops to our students with disabilities.

Actions

Action #	Title	Description	Total Funds	Contributing
----------	-------	-------------	-------------	--------------

1	Increase number of course offerings in college and career indicators	We will expand course offerings and analyze student data to find where a-g completion rates drop-off and expand course offerings. This action will increase and improve services for our unduplicated groups because it will add to a current program. The action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home and the offerings will support viable skills outside of schools. Our unduplicated students will have more opportunities for post-high school career opportunities. These are the best use of funds because our data demonstrates that these students need additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action. Expenditures associated with this action include: For example, we will add CTE course offerings to our High School Virtual Academy. We will also add more A-G course offerings for students to be able to make progress towards A-G Completion.	\$41,616	Y
2	Provide College Readiness Assessments and Preparatory Workshops	To improve on the CCI indicator we will increase the number of students participating on ACT, PSAT, SAT, and AP end of course exams. Although this is a schoolwide action, we will focus our resources and staff towards our unduplicated students and students with disabilities to provide them with more opportunities, workshops, and resources to prepare for college readiness.	\$0	Y
3	Partnership with Earn and Learn Organization and additional secondary support programs	To increase college and career readiness, we will partner with Earn and Learn, an organization that facilitates internship opportunities. This will increase and improve services for our priority groups because it will provide an additional avenue other than a university, college, or community college to gain career exploration. An example is that Earn and Learn will provide resources to support and deepen career pathways for learners including contacts to industry, tools to organize work-based learning, and a collaborative community of peers. We will also be working to develop a contact and relationship with the Department of Rehabilitation to support students with disabilities.	\$2,934	Y
4	Individualized Graduation Plan	To improve our graduation rate and performance score we have set procedures to revamp our Individualized Graduation Plan to raise awareness among our teachers so that they understand the actions	\$0	Y

that make our students classified as CCI prepared. They will be asked to choose a path that culminates in each student qualifying as prepared in a way best suited to their individual needs. We are also setting up free advisory classes, submitted to the College Board for AG credit and led by the counselor. This will assist students/families in making choices that will benefit themselves and our dashboard. We have several strategies that are foundational for the training/support offered above. This offering will contribute to CCI preparedness and is more readily accessible.

Students with disabilities will have a High School Counselor, Home School Teacher, Special Education Teacher, and parent present at their IEP to assist in developing their course of study in conjunction with their independent transition plan.

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- ✓ **Goal 1: Action 1 Professional Learning related to student learning needs**, particularly for English Learners, foster youth, students who qualify for free or reduced lunch. We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain student groups such as English Learners, foster youth, and students who qualify for free or reduced lunch are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.
- ✓ **Goal 1: Action 2 Professional Learning related to student learning needs, particularly for Students with Disabilities.** We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain groups such as our Students with Disabilities are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning. This action aligns with Feather River's Special Education Plan element 3b.
- ✓ **Goal 1: Action 3 Implement and assess formative and interim assessments.** Our dashboard shows that schoolwide our students are 27.6 points below standard for ELA and 85.9 points below standard for Math. We will implement assessments regularly to help us determine whether and to what degree students are making progress toward expected learning outcomes. We will focus on programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will improve services for our unduplicated groups and students with disabilities because it will add to our current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support which, as a school we will be able to closely monitor with a data driven model to focus target instruction to mitigate a potential increase in student learning loss. This action aligns with Feather River Special Education Plan Element 3c. Expenditures associated with this action include: Purchase of assessment(s) that is aligned with California State Standards in mathematics and English Language arts to monitor the progress of students who typically need the most academic support including special education and homeless subgroups

- ✓ **Goal 1: Action 5 Purchase additional technology:** We will provide mobile internet connectivity and technology for student use for connectivity at home. The goal is schoolwide and is important because most of our resources and curriculum are offered online. An example is to provide a standards-based online curriculum for our unduplicated students. Another example is providing hotspots to ensure that our unduplicated students can attend our live or synchronous classes for academic and social emotional well-being. Schoolwide, however, we know priority groups will benefit due to financial restraints of these students.
- ✓ **Goal 1: Action 6 Hire and maintain certificated staff to provide online/synchronous instruction, programs, and support.** Our dashboard shows that schoolwide our students are 27.6 points below standard for ELA and 85.9 points below standard for Math. We will hire certificated staff to expand our middle school direct instruction courses for English Language Arts and Math. Additionally, we will hire and maintain certificated staff to create online/synchronous instruction support programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will increase and improve services for our unduplicated groups because it will add to a current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action.
- ✓ **Goal 1: Action 7 Purchase of resources to support Multi-Tiered System of Support (MTSS), Student Study Team (SST), & Section 504 access, process, and compliance.** We will purchase digital and paper resources, software, and workshops to assist staff, teachers and families with student services and the processes within the department. We are aware that student services have certain documents, processes and needs associated with compliance. The purchase of these will help in streamlining the process for our schools. An example of an expenditure is for our Student Study Team and Section 504 processes, Beyond SST will promote a digital manner for making referrals, scheduling and holding meetings, creating Intervention and 504 plans as well as tracking data. Unduplicated students will benefit from the purchase of resources as some families have requested to remain off of technology, therefore the ability to purchase printed materials will accommodate and support their educational requests. This will also support child find and create a continuum of supports and services for students.
- ✓ **Goal 2: Action 1 Fund support staff for unduplicated student support.** We will fund foster/homeless youth and family liaison positions to address specific needs of unduplicated and students with disabilities including augmented communication with families to receive information and support in the appropriate language. For example, we will utilize our foster/homeless youth liaison position to partner with families to assist in meeting the educational, social, and emotional needs of students. We will also hire family liaisons who also speak another language besides English, to support our non-English speaking populations.
- ✓ **Goal 2: Action 3 Fund School Counselor/SST Coordinator.** According to our parent survey 46% of our parents who participated in the survey were concerned with their child's mental health. To support our families and provide a resource we will fund the School Counselor/SST coordinator. This position will oversee and provide social-emotional and counseling services, supports and referrals. The Coordinator will work to hold virtual SST meetings. The Counselor/SST Coordinator will offer group sessions/1:1, check in with students, lead SST meetings with a whole child perspective with Social Emotional Learning, academic, suicide risk assessment, students in crisis, dedicated time with unduplicated, collecting community-based resources for families. Although this is a schoolwide support, the position will focus on our priority group of students in need of academic intervention which includes Foster youth, low SED backgrounds, special education, and English learners. This position will provide support to students clinically and educationally. For example, counselors will address social and emotional needs of students through a variety of ways including workshops, whole group practices, small group interventions, and individualized learning activities. Another example is that our counselor will provide ongoing training and support to charter staff.

- ✓ **Goal 3: Action 1 Increase number of course offerings in college and career indicators.** From our graduation survey results we found that 65.5% of our graduates were not aware of our CTE program. Our dashboard shows that schoolwide 32.4% of our students are prepared on the college and career indicator. We will expand course offerings and analyze student data to find where a-g completion rates drop-off and expand course offerings. This action will increase and improve services for our unduplicated groups because it will add to a current program. The action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home and the offerings will support viable skills outside of schools. Our unduplicated students will have more opportunities for post-high school career opportunities. These are the best use of funds because our data demonstrates that these students are in need of additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action. Expenditures associated with this action include: For example, we will add CTE course offerings to our High School Virtual Academy. We will also add more A-G course offerings for students to be able to make progress towards A-G Completion.
- ✓ **Goal 3: Action 3 Partnership with Earn and Learn Organization and additional secondary support programs.** Our Dashboard shows schoolwide that our students are 32.4% prepared in CCI. To increase college and career readiness, we will partner with Earn and Learn, an organization that facilitates internship opportunities. This will increase and improve services for our priority groups because it will provide an additional avenue other than a university, college, or community college to gain career exploration. An example is that Earn and Learn will provide resources to support and deepen career pathways for learners including contacts to industry, tools to organize work-based learning, and a collaborative community of peers. We will also be working to develop a contact and relationship with the Department of Rehabilitation to support students with disabilities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

LVCS understands the importance of equity vs. equality and how our unduplicated students require the additional support in reaching their educational goals for all our created schoolwide actions in the coming years. Our school has approximately 52.4% of our students who qualify as either foster youth, English learners, or low-income, for which we receive \$378,768 known as supplemental concentration funds as pursuant to 5 CCR 15496(a)(5). To provide the additional needed support we are increasing or improving services for our unduplicated students (Foster Youth, English Learners, and Low-Income Students) by 10.07% which is approximately \$38,142. We have planned in our LCAP as action items to specifically use these additional funds for Professional Learning, additional technology, and funds for additional staff which will help support our unduplicated student group where needed. The LCAP actions were created with the feedback from our stakeholders, parents, students, and staff ensuring we can identify the area where the additional support is required. We want to pursue being able to address and close the achievement gaps amongst all our student groups while prioritizing our unduplicated students.

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Lake View

CDS Code: 11 62596 0139550

School Year: 2021 – 22

LEA contact information: Julie Haycock

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2021 – 22 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue Lake View expects to receive in the coming year from all sources.

The total revenue projected for Lake View is \$4,644,941.00, of which \$3,985,644.00 is Local Control Funding Formula (LCFF), \$393,438.00 is other state funds, \$10,654.00 is local funds, and \$255,205.00 is federal funds. Of the \$3,985,644.00 in LCFF Funds, \$364,755.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Lake View plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Lake View plans to spend \$6,454,625.00 for the 2021 – 22 school year. Of that amount, \$435,548.00 is tied to actions/services in the LCAP and \$6,019,077.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The budgeted expenditures not included in the LCAP will be used for the following: general operating and basic services; all certificated and classified salaries, operational costs such as rent, utilities, and maintenance, and student discretionary budgets for materials/supplies and enrichment classes instructional materials, textbooks, and consumables for teachers and students; all contracted services and other operational costs associated to maintaining the basic functioning of Lake View Charter School and all Federal Title programs (Title I, II, III and IV.)

Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Lake View is projecting it will receive \$364,755.00 based on the enrollment of foster youth, English learner, and low-income students. Lake View must describe how it intends to increase or improve services for high needs students in the LCAP. Lake View plans to spend \$435,548.00 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Lake View budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Lake View estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Lake View's Learning Continuity Plan budgeted \$2,529,669.00 for planned actions to increase or improve services for high needs students. Lake View actually spent \$2,257,425.00 for actions to increase or improve services for high needs students in 2020 – 21. The difference between the budgeted and actual expenditures of \$272,244.00 had the following impact on Lake View's ability to increase or improve services for high needs students:

Due to unforeseen circumstances with the COVID-19 pandemic the total budgeted expenditures for the to increase or improve services for high need students was not all utilized. Given the state with the COVID-19 Pandemics, fortunately there was a wealth of free programs and offerings to support our unduplicated students. There was not an impact to our unduplicated students due the ability to provide free resources, virtual meetings with teachers, and the utilization of enrichment virtual opportunities to keep our students connected to support mental health.

RECOMMENDATION:

Recommended for Board approval.

Student Freedom of Speech and Expression Policy

Students attending the Lake View Charter School have the right to exercise free expression including, but not limited to the use of bulletin boards, distribution of printed materials or petitions, wearing buttons, badges and other insignia and the right of expression in official publications, whether or not the publications or other means of expression are supported financially by the school or by use of school facilities. The Governing Board (“Board”) respects students’ rights to express ideas and opinions, take stands and support causes, whether controversial or not, through their speech, their writing, their clothing, and the printed materials they choose to post or distribute.

Student liberties of expression shall be limited only as allowed by law in order to maintain an orderly school environment and to protect the rights, health and safety of all members of the School community.

Students will not be disciplined solely on the basis of speech or other communication that would be constitutionally protected when engaged in outside of school, but may be disciplined for harassments, threats, or intimidation unless constitutionally protected. Education Code § 48950.

The purpose of the Lake View Charter School Governing Board approving this Student Freedom of Speech and Expression Policy is to accomplish the following:

1. Outline Freedom of Expression Procedures by Means
2. Distribution of Procedures Governing Student Rights
3. Appeals

1. Freedom of Expression Procedures:

Circulation of Petitions and Other Printed Matter

Students shall be allowed to distribute petitions and other printed matter subject to these procedures.

The time of distribution shall be limited to the half hour before school begins, during the lunch period, and the half hour after school is dismissed.

The manner of distribution shall be such that coercion is not used to induce students to accept the printed matter or to sign petitions. Materials are not to be left undistributed or stacked for pick-up while unattended at any place in the School or on School grounds.

Buttons, Badges and Other Insignia of Symbolic Expression

Students will be permitted to wear buttons, badges, armbands, and other insignia as a form of expression.

Students will be subject to disciplinary action when expressive activities such as the distribution of materials, wearing of buttons or displays, or posting of notices or other materials:

1. Are obscene, libelous or slanderous;
2. Incite students so as to create a clear and present danger of the imminent commission of unlawful acts on school premises or of the violation of lawful School regulations or of the substantial disruption of the orderly operation of the School;
3. Express or advocate racial, ethnic or religious prejudice so as to create a clear and present danger of imminent commission of unlawful acts on School premises or of the violation of lawful School regulations or of the substantial disruption of the orderly operation of the School;
4. Are distributed in violation of the time, place and manner requirements;
5. Are in violation of current federal, state and local laws.

Unofficial School Publications

School officials may not ban the distribution of non-School-sponsored publications on School grounds. Writers and editors of unofficial student publications who violate any state or federal law may be disciplined after distribution. Students distributing or posting any materials that are obscene, libelous or slanderous, or which demonstrably incite students to commit unlawful acts on School premises, violate School rules, or substantially disrupt the School's orderly operation will be subject to disciplinary action.

The following points apply to unofficial student publications:

1. The School and its employees may disassociate themselves from the material printed inasmuch as it is not an official publication of the School.
2. School officials may reasonably regulate the time, place and manner of distribution. This distribution will be limited to:
 - a. One half hour before school begins, during the lunch period, or the half hour after dismissal.
 - b. In locations that do not obstruct the normal flow of traffic within the School or at entrances.
 - c. Without undue noise.
3. No student shall use coercion to induce students or any other persons to accept printed matter or to sign petitions.
4. "Distribution" means dissemination of a publication to students at a time and place of normal School activity, or immediately prior to or subsequent thereto, by means of

handing out free copies, selling or offering copies for sale, accepting donations for copies of the publication, or displaying the student publication in areas of the School which are generally frequented by students.

School officials cannot:

1. Prohibit the distribution of anonymous literature or require that literature bear the name of the sponsoring organization or author.
2. Ban the distribution of literature because it contains advertising.
3. Create regulations that discriminate against non-School-sponsored publications or interfere with the effective distribution of non-sponsored publications provided such publications abide by time, place and manner regulations.

Official School Publications

Pupil editors of official school publications shall be responsible for assigning and editing the news, editorial and feature content of their publications subject to the limitations identified above. It shall be the responsibility of a journalism advisor(s) of pupil publications within the School to supervise the production of the pupil staff, to maintain professional standards of English and journalism and to maintain the provisions provided in the Education Code relating to student expression.

Other Forms of Student Expression

Forms of student expression may include, but are not limited to speech, debate, assemblies, posters, bulletin board announcements, and the wearing of buttons, badges and armbands. In general, the laws pertaining to all forms of student expression are the same. The rights of students to express their opinions are recognized by law and are not limited to verbal expression. The basic guidelines listed above for publications apply to all forms of student expression. No teacher or administrator shall interfere with such expression on the grounds that the message may be unpopular with students or faculty.

In conforming to state and federal laws, student expression must obey copyright laws; for example, student posters cannot use nationally registered and copyrighted characters such as those from Walt Disney or "Peanuts" publications.

2. Distribution of Procedures Governing Student Rights:

Site administrators will distribute copies of this Administrative Procedure to all teachers who are advisors of students who produce publications or present public performances. It is the responsibility of the School and site administrators to see that these guidelines are kept up-to-date and accurate.

3. Appeals:

The pupil and a School staff member shall attempt to resolve the problem before consulting the administrative staff. If the issue cannot be resolved between the staff member and the pupil, the pupil may appeal the decision to the site administrator, and then to the Charter School Executive Director or designee. As a final step, the pupil may

MASTER CONTRACT****AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS****1. MASTER CONTRACT**

This Master Contract (or "Agreement") is entered into this ____ day of _____, 20__, between the ____ (LEA, county office of education, a charter school participating as a member of the special education local plan area, or special education local plan area), county of _____ hereinafter referred to as the local educational agency ("LEA") and _____ (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit an Individual Services Agreement (hereinafter referred to as "ISA") to CONTRACTOR within 30 days. Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and /or electronic data base for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, or by written direction of the LEA, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent evidencing the parent's agreement to the IEP. CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free

“scholarship” basis and concurrently or actively support or request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

2. **CERTIFICATIONS AND LICENSES**

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification and licensure specified by CDE certification and as defined in California Education, Code sections 56366 *et seq.* and within the professional scope of practice of each provider’s license, certification and/or credential. A current copy of CONTRACTOR’s nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract may be terminated if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to the capacity as stated on CONTRACTOR’s CDE certification.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children’s institution (hereinafter referred to as “LCI”), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

With respect to CONTRACTOR’s certification, failure to notify the LEA in writing promptly, not more than 45 days of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or termination of this Master Contract by the LEA.

3. **COMPLIANCE WITH LAWS, STATUTES, REGULATIONS**

During the term of this Master Contract unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable NPS/NPA LEA policies and procedures, unless, taking into consideration all of the surrounding facts and circumstances, a

policy/procedure or policies/procedures, or a portion of a policy/policies, does not reasonably apply to CONTRACTOR.

CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with all applicable LEA policies/procedures and shall indemnify LEA applicable policies/procedures and shall indemnify LEA under the provisions of section 16 of this contract for such failure.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. **TERM OF MASTER CONTRACT**

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract is not renegotiated by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

Both parties agree to negotiate in good faith the basic education rates that the LEA will pay the CONTRACTOR during the term of each Master Contract. The Greater Los Angeles Area SELPAs Nonpublic School Rate Consideration Process for the 2015-2016 School Year, with appropriately modified similar deadlines, will establish the preliminary steps of rate negotiation. When a final rate agreement is formally executed, the new rates will be retroactive to the start of the applicable Master Contract and paid upon receipt of properly submitted billing for the retroactive difference.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative (EC56366.4).

5. **INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement ("ISA") and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance with agreed upon rates, the new contract rates will not take effect until the newly executed Master Contract is received by LEA.

If CONTRACTOR fails to execute the new Master Contract within such 90-day period, all payments for services performed after the 90-day period shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract for services provided to LEA students authorized by the LEA.

6. **INDIVIDUAL SERVICES AGREEMENT (“ISA”)**

This Agreement shall include an ISA developed for each LEA student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to California Education Code section 56366 (a)(2)(A). When an ISA is effective beyond this contract’s expiration, and a new concurrent Master Contract is in effect, the rates on the new master contract apply to that ISA. In the event that this Master Contract expires or terminates, CONTRACTOR and LEA, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student’s educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student’s IEP by written agreement between the parent and LEA. At any time during the term of this Master Contract, a LEA student’s parent, CONTRACTOR, or LEA may request a review of a LEA student’s IEP subject to all procedural safeguards required by law. (California Education Code section 56366(a) (3)).

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the LEA student’s IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5), 56366.10 (a), and Title 5 of the California Code of Regulations Section 3062(e)). When CONTRACTOR is a nonpublic school/agency with an integrated program, CONTRACTOR shall provide all the CDE-certified related services as specified in the LEA’s ISA and student’s IEP. Lack of qualified personnel may result in proration of the basic education rate for integrated programs equal to the rate as paid to other NPS for same related service. In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within ten (10) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services by CONTRACTOR while student was served by the nonpublic school or agency. LEA shall compensate CONTRACTOR for the compensatory service hours at the rates specified by the current contract unless billed for previously or included in a bundled rate.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the Los Angeles County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

The assistive technology device or low-incidence equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school or transfers out of the LEA.

It is understood and agreed that the parent of a LEA student shall not be deemed by CONTRACTOR to be qualified as a provider for their own child. CONTRACTOR shall make available upon request to LEA a written description of the general program of instruction and/or services provided prior to the effective date of this Master Contract. 26. **DATA REPORTING**

CONTRACTOR shall agree to provide all data related to student information, billing information, and discipline information (see Section 31) requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the Special Education Information System (SEIS) or comparable system approved by the LEA and SELPA for all IEP development and progress reporting. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

The LEA shall provide the CONTRACTORS with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTORS provided forms at their discretion.

27. **LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT**

CONTRACTOR and LEA shall follow applicable LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or Dual Enrollment options for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services as well as goals and objectives as necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommendations to support the transition.

28. **STATEWIDE EXAMINATION**

When CONTRACTOR is a nonpublic school, per California Education Code 60640 et seq., CONTRACTOR shall administer all required Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines. LEA must

provide CONTRACTOR with all test protocol materials, and test administration training, for CONTRACTOR's qualified staff necessary to help fulfill LEA assessment requirements.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. **LEA MEETINGS AND TRAININGS**

CONTRACTOR shall attend LEA meetings for contracting nonpublic schools and/or agencies when applicable legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, IEP System and standardized testing. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. When CONTRACTOR serves multiple LEAs, CONTRACTOR will inform other contracting LEAs after its completion of mandated instruction on federal or state requirements at a different LEA.

LEA may invite CONTRACTOR to LEA staff development and training to implement new and revised mandated requirements, including, but not limited to, common core curriculum, state testing, and other topics related to the provision of services for LEA students.

30. **POSITIVE BEHAVIOR INTERVENTIONS**

CONTRACTOR shall comply with the requirements of Education Code Section 49005, et seq., 56521.1, and 56521.2 regarding positive behavior interventions. LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions, including prohibited behavioral interventions, and Behavioral Emergency Reports ("BERs"). CONTRACTOR shall ensure that all of its instructional staff are trained in crisis intervention, emergency procedures, and evidence-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1 CONTRACTOR shall maintain written records of the training and provide written

verification of the training annually and upon request. Training includes certification with a SELPA approved *Crisis Prevention Intervention ("CPI")* or another SELPA recognized and approved crisis intervention program. Documentation of such training shall be made available to LEA upon request.

Pursuant to Education Code section 56521.2, emergency interventions shall not be used as a substitute for a Behavior Intervention Plan ("BIP"), and instead may only be used to control behavior that is unpredictable and spontaneous. For an emergency intervention to be used, the behavior must pose a clear and present danger of serious physical harm to the individual with exceptional needs, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency intervention shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It may require a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies *require* a BER form be completed and submitted to the LEA within (1) one school day for administrative action. CONTRACTOR shall notify LEA and Parent within twenty-four (24) hours. If the student does not have a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. Within (2) two school days, CONTRACTOR and LEA shall schedule an IEP meeting.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

(1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. (*Added by Stats. 2013, Ch. 48, Sec. 43. Effective July 1, 2013.*)

31. **STUDENT DISCIPLINE**

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

A nonpublic, nonsectarian school or agency shall notify the California Department of Education and the local educational agency with which it has a master contract of any pupil-involved incident at the school or agency in which law enforcement was contacted. This notification shall be provided in writing, no later than one business day after the incident occurred.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall within 24 hours submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting held by the LEA no later than the tenth (10th) day of suspension. LEA and CONTRACTOR shall notify and invite appropriate members to the IEP team meeting where the manifestation determination will be made.

CONTRACTOR will report discipline data (Education Code Sections 48900 and 48915) according to district requirements for reporting.

32. **IEP TEAM MEETINGS**

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of California Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting (California Education Code sections 56366 (a) (2) (B) (i) and (ii)). Pursuant to California Education Code section 56345(b) (4), if an LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program.

Each LEA student shall be allowed to provide confidential input to any representative of his or her IEP team pursuant to California Education Code Section 56341.5. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. In preparation for IEPs or upon request with 30 days prior written notice CONTRACTOR shall provide to LEA academic assessments and written progress reports by service providers. It is understood that provider attendance at an IEP team meeting are part of CONTRACTOR's professional responsibility and is not a billable service under this Master Contract.

Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parents, CONTRACTOR and LEA. If no parent or guardian can attend the meeting, the CONTRACTOR with support of LEA shall use other methods to ensure parent or guardian participation, including individual or conference telephone calls. In the event a parent or guardian cannot attend the IEP team meeting either physically or through other methods, a meeting may be conducted without a parent or guardian in attendance. If the CONTRACTOR or LEA is unable to convince the parent or guardian that he or she should attend, CONTRACTOR shall maintain a record in the LEA's **INSERT** special education software (if available) of its attempts to arrange a mutually agreed-upon time and place. The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP or ISA. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the LEA student's IEP for the purposes of consideration of a change in the student's placement. The LEA student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall ensure that internet connectivity is available at their sites to access the Web based IEPs generated and modified using **LEA INSERT** or such other software as is designated by the LEA.

33. **SURROGATE PARENTS, FOSTER YOUTH, AND HOMELESS YOUTH**

Pursuant to California Government Code section 7579.5, LEA and CONTRACTOR shall comply with state and federal laws and regulations regarding surrogate parent assignments. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individual with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*.

A pupil in foster care or homeless shall be defined pursuant to California Education Code section 51225.2. The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster and homeless children. When a pupil in foster care, or a pupil that is a homeless child, is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of

the LEA unless otherwise notified in writing by the LEA that the pupil is utilizing the exemption provided by California Education Code section 51225.1. The determination of whether the exemption in Section 51225.1 is available for the pupil shall be made, and communicated to the pupil or their educational rights holder, by the LEA.

34. **DUE PROCESS PROCEEDINGS**

CONTRACTOR shall fully participate in special education due process proceedings including resolution meetings, mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and made available upon request of LEA and/or the LEA student's parent(s) quarterly.

CONTRACTOR shall gather data necessary to complete an evaluation of the LEA student's present levels of performance and progress towards IEP goals and objectives of the LEA student ten (10) school days prior to the LEA student's annual or triennial review IEP team meeting.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by the LEA unless the LEA specifies in writing a request for CONTRACTOR assessments including the approved timelines, conditions and fees. Such assessment costs may be added to the ISA and/or approved separately by the LEA at its sole discretion.

When academic assessments are required to prepare for triennial or re-evaluation IEPs, upon request CONTRACTOR may assist LEA in using a mutually agreed upon standardized academic achievement test to assess diploma track students, or a mutually agreed upon standardized alternative assessment for students on alternative curriculum.

Supporting documentation such as test protocols and data collection shall be made available to LEA upon request. CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any interviews or meetings.

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify LEA of the LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

39. **WITHDRAWAL OF LEA STUDENT FROM PROGRAM**

Failure to notify the LEA and CDE, a minimum of 45 days in advance, of any major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA, per California Education Code Section 56366.4. Additionally, CONTRACTOR agrees to notify LEA and SELPA when a school applies for relocation.

53. **ADMINISTRATION OF MEDICATION**

FINANCIAL**58. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES**

CONTRACTOR shall ensure that the school or agency has the necessary personnel and financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP for each and every LEA student. CONTRACTOR shall use the codes and rates as delineated in section 61 and Exhibit A (Rate Schedule) when preparing ISA's and submitting invoice documentation.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted, on a LEA form with an electronic signature if required.

Initial invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted invoices prepared and submitted as specified in California Education Code section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling/billing invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case should initial payment claim submission or initial rebillings/retroactive billing for any Master Contract fiscal year (July through June) extend beyond sixty (60) days after the close of the fiscal year. Invoices received for a closed fiscal year beyond the sixty (60) day period will be returned unpaid and should be removed from the Nonpublic School or Agency's accounts receivable. Exceptions to the above must be requested in writing and approved by the Special Education Administrator.

59. **RIGHT TO WITHHOLD PAYMENT**

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (c) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (d) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (e) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (f) CONTRACTOR fails to confirm a student's change of residence to another LEA or confirms the change of residence to another LEA, but fails to notify LEA within five (5) days of such confirmation; or (g) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoice that is not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a): the value of the service CONTRACTOR failed to perform; (b): the amount of overpayment; (c): the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR (d): the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e): the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (f): the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's

notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

60. **PAYMENT FROM OUTSIDE AGENCIES**

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

61. **PAYMENT FOR ABSENCES**

CONTRACTOR shall provide to LEA documentation of substitute coverage as per LEA requirement upon request. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide "Makeup" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. On an individual basis LEA may agree to partial payment to NPS CONTRACTOR when LEA has prior knowledge that student has excessive absences, as identified by the LEA, while CONTRACTOR continues to make a

program available; this agreement would be noted on the ISA. *Per Diem* rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served, if agreed to by the IEP team and indicated on the IEP and ISA. LEA shall not be responsible for payment of DIS or related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers in accordance with section 48 of this agreement. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. In the event of Provider absence for Behavior Intervention Implementation Therapy services provided at the school site, services shall not be deemed eligible for make-up. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

Unless otherwise stipulated in the LEA student's IEP, or authorized by a LEA representative, LEA shall not be responsible for the payment of services when a student is absent or refuses services and student is not eligible for makeup services. In the event services were not provided, reasons for why the services were not provided shall be included.

LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, it shall be provided in a format that is accessible and readable by current software utilized by the LEA.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as result of CONTRACTOR's overbilling and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. Any proration of the daily basic education rate will be mutually agreed upon and indicated in the ISA. When CONTRACTOR provides an integrated program, all related supports and services are included in the basic education rate. Lack of qualified DIS personnel may result in proration of basic education rate for integrated programs equal to rate as paid to other NPS for same DIS services for those students affected. CONTRACTOR shall bill all transportation services from the flat per diem rate. CONTRACTOR shall pay parent for transportation reimbursement at the LEA determined rate for one round trip from home to school from the per diem transportation rate.

BACKGROUND:

This is a copy of the current Conflict of Interest Policy. No changes are expected for 2021-22. Governing Board members will sign new Conflict of Interest Code in July 2021.

Points of discussion:

- Gained material interest
- Influence as a board member

REVISED NONPROFIT CONFLICT OF INTEREST POLICY OF LAKE VIEW CHARTER SCHOOL

Article I Purpose

Section 1.1. This Revised Nonprofit Conflict of Interest Policy (this “Policy”) has been adopted and approved by the Board of Directors of Lake View Charter School (the “Corporation”) for the purposes of (1) protecting the Corporation’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an Interested Person (as defined hereinafter) or might result in a possible excess benefit transaction; and (2) establishing policies and procedures to be adhered to and implemented by the Corporation whenever it is contemplating entering into such transactions or arrangements, and whenever determining appropriate levels of compensation, direct and indirect, including benefits and perquisites for any Interested Person. The Corporation and each director, officer, member of a committee with Board-delegated powers, and key employee intends to comply with this Policy in such a manner so as to avoid any “excess benefit transaction” that would be subject to intermediate sanctions and excise taxes under section 4958 of the Internal Revenue Code of 1986, as amended (the “Code”). This Policy also is intended to supplement, but not replace, any applicable federal or state laws governing conflicts of interest applicable to nonprofit and charitable corporations, and the Corporation shall comply with the requirements of each such federal or state law in addition to the requirements of this Policy.

Section 1.2. The Corporation is a nonprofit corporation duly organized and existing under the laws of the state of California, which shall apply for a determination by the Internal Revenue Service that the Corporation is exempt from income tax under section 501(c)(3) of the Code, and as such is organized and operated exclusively for charitable, educational, and scientific purposes, not for pecuniary profit, and no part of the net earnings of the Corporation shall inure to the benefit of any person or non-exempt entity.

Article II Definitions

Section 2.1. Interested Person

Any director, officer, member of a committee with Board-delegated powers, or key employee, as defined below, who has a direct or indirect financial interest, as defined below, is an interested person (“Interested Person”).

Section 2.2. Financial Interest

A person has a “financial interest” if the person has, directly or indirectly, through business, investment or family, any of the following:

- a. an ownership or investment interest in any entity with which the Corporation has a transaction or arrangement, or
- b. a compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or

c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

“Compensation” includes direct and indirect remuneration, as well as gifts or favors that are not insubstantial, benefits, perquisites, reimbursements for personal expenses, or entitlements relating to personal uses of property or service rights of the Corporation.

A financial interest is not necessarily a conflict of interest. Under Section 3.2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Section 2.3. Key Employee

A person is a “key employee” if he or she meets the three tests set forth for that term in the Glossary to the Instructions to Form 990 Return of Organization Exempt from Income Tax. Those tests generally provide that a key employee is an employee who has (i) reportable compensation from the Corporation and all related organizations, for the calendar year, in excess of \$150,000; (ii) responsibilities similar to officers and directors or manages a discrete segment of the Corporation that represents at least 10% of its activities, assets, income, expenses, or capital budget; and (iii) is one of the 20 employees with the highest reportable compensation from the organization and related organizations for the calendar year.

Article III Conflict Procedures

Section 3.1. Duty to Disclose

In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of his or her financial interest and all material facts to the Board of Directors of the Corporation (the “Board”) or to any special committees with Board-delegated powers (e.g., conflicts or compensation committees) considering the proposed transaction or arrangement.

Section 3.2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the Interested Person, he/she shall excuse himself/herself from the Board or committee meeting while the determination of whether a conflict of interest exists is discussed and voted upon. The remaining Board or committee members shall determine whether a conflict of interest exists.

Section 3.3. Procedures for Addressing the Conflict of Interest

a. An Interested Person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the possible conflict of interest.

b. The Board or the committee shall undertake, or appoint a disinterested person or committee to undertake, an appropriate due diligence investigation, including an

analysis of all material facts related to the possible conflict of interest, collection of data on comparable arrangements or transactions, and the development and investigation of alternatives to the proposed transaction or arrangement.

c. After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest and for its own benefit and charitable, educational, and scientific purposes and whether the transaction is fair and reasonable to the Corporation, and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determinations.

e. Compliance with California Corporations Code section 5233 regarding self-dealing transactions in applicable circumstances shall constitute compliance with the requirements of this policy.

Section 3.4. Violations of the Conflict of Interest Policy

a. If the Board or committee has reasonable cause to believe that a director, officer, or key employee has failed to disclose an actual or possible conflict of interest, it shall inform such person of the basis for such belief and afford such person an opportunity to explain the alleged failure to disclose.

b. After hearing the response of such person and making such further investigation as may be warranted under the circumstances, if the Board or committee determines that the director, officer, or key employee is an Interested Person and has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action. Prompt corrective action must be required in order to avoid the second-tier penalty tax under section 4958 of the Code and other additional liability and must include full restitution to the Corporation.

Article IV Records of Proceedings

Section 4.1. The minutes of the Board and any special committee with Board-delegated powers shall contain the following:

a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the decision of the Board or committee as to whether a conflict of interest exists.

b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

Article V Compensation Procedures

Section 5.1. No Interested Person shall vote on any matter relating to his or her compensation, irrespective of whether said compensation is received directly or indirectly from the Corporation. No Interested Person, however, is prohibited from providing information to the Board or a committee regarding compensation, including factual data on comparable compensation for comparable services or the reasonableness of the proposed compensation.

Section 5.2. The Corporation shall endeavor to ensure that all compensation arrangements affecting Interested Persons are objectively reasonable, based on the relevant market for persons of comparable skills, training, education and experience and performing similar duties for comparable organizations under similar conditions and circumstances. The Corporation shall consider and give due weight to studies published by third parties regarding rates of compensation whenever and, to the extent that, such studies are reliable, comparable and available.

Article VI Annual Statements

Section 6.1. Each director, officer, member of a committee with Board-delegated powers, and key employee shall annually sign a statement which affirms that such person:

- a. has received a copy of this Policy of the Corporation,
- b. has read and understands this Policy,
- c. has agreed to comply with this Policy, and
- d. understands that the Corporation is a charitable organization and that in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its stated charitable, educational, and scientific purposes and do not result in private inurement or unreasonable or excessive economic benefit to private individuals or entities.

Article VII Periodic Reviews

Section 7.1. To ensure that the Corporation operates in a manner consistent with its charitable, educational, and scientific purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, the Corporation shall conduct periodic reviews of its compensation arrangements and any other transactions or arrangements that may provide a financial interest to any Interested Person. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements are reasonable, based on competent survey information, and the result of arms-length bargaining,
- b. Whether transactions of the Corporation result in private inurement or impermissible private benefit,

c. Whether transactions and arrangements with third parties conform to written policies, including this Policy, are properly recorded, reflect reasonable payments for goods and services, further the Corporation's charitable, educational, and scientific purposes, and do not result in private inurement, impermissible private benefit or in an excess benefit transaction, and

d. Whether the Corporation's expense reimbursement procedures are adequate in terms of required documentation, whether persons seeking reimbursement are complying with these procedures, and whether such expenses relate to furthering the Corporation's charitable, educational, and scientific purposes and do not result in private inurement or impermissible private benefit.

Article VIII

Use of Outside Experts

Section 8.1. In determining whether a conflict of interest exists, determining compensation or conducting the periodic reviews required by this Policy, the Corporation may, but need not, use outside advisors and consultants. If outside experts are used, their use shall be documented, but shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted in accordance with this Policy.

Article IX

California Government Code section 1090

Section 9.1. To the extent required by law, the Corporation shall comply with Article 4 (commencing with section 1090) of Chapter 1 of Division 4 of Title 1 of the California Government Code as applicable and with regard to its charter school operations.
