Item: B. AB 361 Report of Findings
Purpose: Vote
Submitted by:

BACKGROUND:

AB 361 provides that if a state of emergency remains in place, a local agency must make the following findings by majority vote every 30 days, in order to continue using the bill's exemption to the Brown Act teleconferencing rules:

(B) Either of the following circumstances exists:

1. the state of emergency continues to directly impact the ability of board members to meet safely in person, or
2. State or local officials continue to impose or recommend social distancing measures.

Charter school boards are required to vote every 30 days to make the required findings regarding the continuing emergency and vote to continue using the law's exemptions.

RECOMMENDATION:

The School Board has met the finding that a state of emergency continues to directly impact the ability of the members to meet safely in person. Motion to continue the School Board meetings virtually pursuant to AB 361.

DIG (Diversity, Inclusion, and Growth)

Did you know it is Hispanic Heritage month? Are you looking for resources to incorporate into your homeschool routine to learn more about the Hispanic culture? If so, or if you are simply curious to know more, then check out the new Diversity and Inclusion page on the [Homeschool Helper](#). The DIG (Diversity, Inclusion, and Growth) team has put together some great tools to help support you as you teach your children about the Hispanic community, culture, and heritage.

“

When you are diving into new cultures and discussing the experiences of people you don't have a lot of experience with, mistakes are going to happen. This is something that just needs to be accepted. It should not be used as an excuse to avoid the work. With the world at our fingertips, thanks to technology, we can expose ourselves to more, connect more with people all over the world, and do better for our students.

MEMORANDUM OF UNDERSTANDING FOR SHARED PERSONNEL SERVICES

This Memorandum of Understanding for Shared Personnel Services and Resources (“*MOU*”) is entered into as of July 1, 2021 (“*Effective Date*”) by and between the following California nonprofit public benefit corporations, which may each be referred to herein as a “*Party*” or collectively as the “*Parties*” to this MOU: Winship Community School, Feather River Charter School, Clarksville Charter School, and Lake View Charter School.

WHEREAS, Winship Community School operates a public charter school named Winship Community School, Feather River Charter School operates a public charter school named Feather River Charter School, Clarksville Charter School operates a public charter school named Clarksville Charter School, and Lake View Charter School operates a public charter school named Lake View Charter School (each a “*School*” or collectively the “*Schools*”);

WHEREAS, Schools are nonclassroom-based public charter schools using the same educational model dedicated to providing students with a flexible personalized learning experience that empowers families to tailor a program designed around the specific needs of each student;

WHEREAS, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a);

WHEREAS, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

WHEREAS, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

NOW, THEREFORE, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. **Shared Personnel.** During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“*Shared Personnel*”) to perform the educational services described in Attachment A (the “*Services*”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. No third party shall have the authority to unilaterally impose the sharing of personnel between the Parties.

2. **Lessor and Lessee Schools.** The Parties acknowledge each School may both (i) employ an individual who will provide Services to another School; and (ii) receive Services from an individual employed by another School. The term “*Lessor*” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “*Lessee*” refers to a School receiving Services from another School’s employee(s) pursuant to the terms of the MOU. Each Party may serve as a Lessor and Lessee under this MOU, and shall meet the obligations set forth in this MOU depending on their role as a Lessor and/or Lessee. Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessor and its governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this

MOU shall not terminate the Shared Personnel's employment relationship with the Lessor. Lessees are not, and nothing in this MOU shall cause Lessees to become third party beneficiaries to Lessor's employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. **Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time by written agreement of the Parties. The Allocation shall be assessed at the intervals set forth in Attachment A during the Term of this MOU and upon termination as set forth in Section 8.

4. **Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party's Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. **Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to Lessor the fees and expenses set forth herein.

a. **Fees.** Each Lessee shall pay to Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the Shared Personnel as set forth in Attachment C (including total gross wages, benefits, workers' compensation costs, statutory benefits, retirement benefit system contributions, and employment taxes). The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

b. **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be divided by relative Allocation between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000.00 must be approved in advance by the affected Parties. To the extent such expenses are not incorporated in the total costs outlined in Attachment C, invoices for expenses shall be sent within thirty (30) days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts).

c. **Invoicing.** Each Party shall invoice the other Parties monthly for all fees and expenses incurred ("Monthly Invoice"). Each Monthly Invoice shall contain a brief description of the method by which the fees and expenses were calculated.

d. **Payment Terms.** Payment is due thirty (30) days from the date of delivery of the Monthly Invoice.

e. **Disputes.** Any disputes concerning invoices must be directed to the Lessor in writing within thirty (30) days after receipt of the Monthly Invoice. Lessor shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

6. Lessor Responsibilities: In addition to any other promises and covenants identified herein, Lessor shall have the following responsibilities under this MOU:

a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Timely pay Shared Personnel consistent with applicable law and their employment agreements, if any.

a. Work cooperatively with Lessee to ensure compliance with all applicable wage and hour laws for nonexempt Shared Personnel, including, but not limited to, providing work schedules (including compliant scheduled meal and rest periods) to Shared Personnel and timely paying Shared Personnel for all overtime and meal and rest period premiums, if applicable, and providing accurate wage statements.

b. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

5. Confidentiality. Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. ***"Confidential Information"*** means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 10 shall survive termination of this MOU.

6. Student Information. Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

7. Insurance. Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects to Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers’ Compensation and Professional Liability coverages Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor’s obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work if possible.

8. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

9. Indemnification. Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall

any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

10. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

11. Fiduciary Obligations. The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

12. Dispute Resolution. If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

13. Notice. All notices, requests, demands, or other communications (collectively “*Notice*”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

PROPOSED_Lake View_COVID-19_Schoolwide_Health___Safety_Policy_21-22_v.3.docx - Google Docs.pdf

BACKGROUND:

- Simplified Policy to continue to be up to date with local, state and federal guidelines

The Decision Forest provides general guidance for common scenarios, but can not account for every possible situation

RECOMMENDATION:

Recommended for Board approval

Introduction

It is the policy of Lake View Charter School (“Charter School”) to take all reasonable measures necessary to prevent the spread of the novel coronavirus disease (“COVID-19”) among students and staff in school-sponsored activities. In accordance with this COVID-19 Schoolwide Health & Safety Policy (“Policy”), the Charter School is implementing health and safety measures to mitigate the spread of COVID-19 at school-sponsored and staffed in-person activities consistent with federal, state, and local guidance.

Although Charter School is a non-classroom-based program, the school recognizes that there are circumstances when staff, students, and parents/guardians may interact in-person as part of the educational program. This can include in-person instruction between staff and students, parent teacher meetings, field trips, park days, and individualized services (“in-person activities”).

This Policy recognizes that these safety measures are each designed to provide some protection against COVID-19. While there may be times when one measure may not be feasible, implementing alternative measures can provide backup layers of safety. This Policy includes both mandatory measures (using terms “shall” or “will”) as well as recommended measures intended to guide decisions in light of practical limitations.

This Policy is based on guidance provided by the U.S. Centers for Disease Control and Prevention (“CDC”), the California Division of Occupational Safety and Health Administration (“Cal/OSHA”), the California Department of Education (“CDE”), and the California Department of Public Health (“CDPH”). Charter School will, as necessary, consult with the respective county health officer, or designated staff, to monitor and provide advice on local conditions to individually determine whether more or less stringent measures are necessary to align with the applicable public health guidelines.

Charter School will fully cooperate with county public health officials regarding the screening, monitoring, and documentation that will be required to permit careful scrutiny of health outcomes associated with conducting in-person activities. To the extent any mandatory public health guidance is revised to materially conflict with this Policy, Charter School will follow such guidance and not this Policy.

As COVID-19 Guidance is continually evolving, please refer to CDPH for the latest guidance.

COVID-19 Compliance Officer

State and local public health orders require that schools designate a liaison to be responsible for receiving and sharing information on COVID-19 policies, positive cases, and exposures.

The following individual is designated as the Charter School’s COVID-19 Compliance Officer:

The COVID-19 Compliance Officer acts as a liaison between the local county public health department and the Charter School. The COVID-19 Compliance Officer shall be the point of contact responsible for sharing information on positive cases and exposures to relevant state and local health departments. If you have any questions about this Policy, please use the contact information above.

COVID-19 Testing

Pursuant to the CDPH Order mandating that all public and private schools serving students in transitional kindergarten through grade 12 verify the vaccination status of school workers and establish diagnostic screening testing of unvaccinated workers to minimize the risk that they will transmit COVID-19 while on school facilities (“CDPH Order”), Charter School has adopted the COVID-19 employee testing policy (“Testing Policy”) which is included as **Appendix A**. Per the Charter School’s COVID-19 Testing policy, Charter School will provide diagnostic screening testing to workers who are not fully vaccinated.

Per Cal/OSHA Emergency Temporary Standards, the Charter School will also provide testing at no cost to employees during paid time for:

- Symptomatic unvaccinated employees, regardless of whether there is a known exposure
- Unvaccinated employees after an exposure
- Vaccinated employees after an exposure if they develop symptoms
- Unvaccinated employees in an outbreak (three or more employee cases)
- All employees in a major outbreak (20 or more employee cases)

Requests for Accommodations

Employees who are unable to comply with the testing requirement under the Testing Policy due to a qualifying disability or sincerely held religious belief must contact the HR Department (shell.ninke@sequoiagrove.org) to request a reasonable accommodation in writing. If requested, Charter School will engage in an interactive process with that individual, and work to identify any possible accommodations as appropriate (e.g., unpaid leave of absence). Charter School cannot guarantee the availability of either remote work as an accommodation and will process all requests for accommodation consistent with its policies and applicable law. Charter School may not provide an accommodation should it result in a direct threat to health and safety of others or to the individual, and/or if the accommodation will cause an undue hardship for the Charter School.

General Rules of Attendance for In-Person Activities

Charter School recognizes that participation in in-person activities provides various benefits, including engagement in the educational program.

When engaging in in-person activities, the Charter School wants to promote the health and safety of its students, staff, and accompanying family members. **Please refer to the Decision Forest on the CDPH website for updated guidance.**

~~As such, any staff member, student, or accompanying family member **must not** participate in an in-person activity or **must leave** an in person activity if any of the following occur: ¶~~

- ~~1. The individual exhibits COVID-19 symptoms within 10 days of in-person activity or at an in-person activity; ¶~~

- ~~2. The individual was in “close contact” with an individual who tested positive for COVID-19 and has not completed the required quarantine/isolation requirements; OR ¶~~
- ~~3. The individual has tested positive for COVID-19 and has not completed the required isolation requirements. ¶~~

Reporting symptoms, close contact status, COVID-19 positive tests, and similar information is critical to promote health and safety and reduce risk of COVID-19 transmission. Guidance about family and staff reporting is provided below.

Charter School encourages families and staff to contact their healthcare provider if they have health care questions regarding COVID-19 or otherwise.

COVID-19 Symptom Screening

All staff, students, and/or accompanying family members who will be participating in in-person activities must conduct a symptom self-screening for COVID-19 before participating in any in person activity (e.g., conduct temperature check). An individual must not attend any in-person activity if they are experiencing any of the following symptoms within 10 days of the in-person activity: If a student has a medical condition or alternate diagnosis or chronic illness that would exhibit COVID-19 like symptoms, please refer to the Medical Letter **(Appendix AB)** for medical conditions for alternate diagnosis/chronic illness. Once completed, please submit the letter to the COVID-19 Compliance Officer.

This list does not include all possible symptoms. CDC regularly updates this list, so please visit the following website to confirm whether your symptoms may be symptoms of COVID-19:

- Fever over 100 degrees or Chills
- Persistent cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.

Staff, students, or accompanying family members who exhibit COVID-19 symptoms **must refer to the CDPH Decision Forest for guidance on attending an in-person activity.**
~~must not attend an in person activity unless all of the following criteria are met: ¶~~

- ~~1. At least 24 hours have passed since resolution of fever without the use of fever-reducing medications; ¶~~
- ~~2. Other symptoms have improved; AND ¶~~
- ~~3. One of the following is true: ¶~~
 - ~~a. The individual has a negative test for COVID-19; ¶~~
 - ~~b. At least 10 days have passed since symptom onset; ¶~~

~~c. A healthcare provider has provided documentation that the symptoms are typical of their underlying chronic condition (e.g., allergies or asthma); OR ¶~~

~~d. A healthcare provider has confirmed an alternative named diagnosis (e.g., Streptococcal pharyngitis, Coxsackie virus). ¶~~

Charter School encourages individuals to get tested for COVID-19 when they exhibit symptoms consistent with COVID-19. COVID-19 testing is available for free at multiple locations throughout California. Please contact your healthcare provider, local county public health department, or the Charter School for more information.

Reporting COVID-19 Symptoms

- If a student or accompanying family member cannot attend an in-person activity due to experiencing the symptoms described above within 10 days of the in-person activity, please ~~notify~~ **contact** your Homeschool Teacher. ~~Charter School may be able to help determine if the individual can attend the in person activity (e.g., student provides proof of negative test as described above). ¶~~
- Staff members who are scheduled to participate in an in-person activity, but have symptoms on the day of the activity or within 10 days of the activity must contact their direct supervisor, complete the Covid Exposure Report, and then await further instruction.

Exposure to COVID-19 (Close Contacts)

An individual who is a “close contact” of an individual who tested positive for COVID-19, regardless of whether the individual has COVID-19 symptoms or not, generally must not attend any in-person activity until at least 14 days have passed since the last contact with the positive COVID-19 case and the individual is fever-free and symptom free. There are some exemptions to this rule, described below.

A person is considered a “close contact” if he/she was within 6 feet of someone who has COVID-19 for a total of 15 minutes or more over a 24-hour period.

~~Quarantine Requirements for Close Contacts: Quarantine requirements for close contacts will depend on whether the individual is fully vaccinated. An individual may participate in an in-person activity if the requirements below are met: ¶~~

~~1. Vaccinated Individuals: If the individual who is a close contact is fully vaccinated OR has recovered from COVID-19 within the last 90 days with evidence of lab-confirmed diagnosis, the individual may participate in in-person activities and does not need to quarantine. These individuals are recommended to get a COVID-19 test on Day 3, 4, OR 5 following the last contact with the COVID-19 positive case. ¶~~

¶

~~2. Unvaccinated Individuals (Individual and Close Contact Were Not Both Wearing Masks): Individuals who are unvaccinated and asymptomatic may return to in-person activities only if ALL of the following criteria are met: ¶~~

~~i. The individual is asymptomatic (i.e., is fever-free and does not exhibit any COVID-19 symptoms); ¶~~

~~ii. The individual completes: ¶~~

- ~~▪ 10 days of quarantine from the date of last exposure; OR ¶~~
- ~~▪ 7 days of quarantine if the individual receives a negative COVID-19 test collected after Day 5 from the date of last exposure. Charter School ¶~~

~~would need to see this negative test to allow an individual to join ¶ in-person activities. ¶~~

~~iii. The individual: ¶~~

- ~~▪ Continues daily self-monitoring for symptoms through Day 14 from last known exposure; AND ¶~~
- ~~▪ Follows all recommended non-pharmaceutical interventions (e.g., wearing a mask when around others, hand washing, avoiding crowds) through Day 14 from last known exposure. ¶~~

~~If, at any time during the 14-day period, the individual exhibits COVID-19 symptoms, the individual must not attend in-person activities and should consider contacting their healthcare provider.~~

~~3. Unvaccinated Individuals (Individual and Close Contact Both Wore Masks):~~

~~If the close contact individual is unvaccinated, but both the close contact and the COVID-19 positive individual were both wearing a mask during last contact, the individual may attend in-person activities and under a modified quarantine if the individual: ¶~~

~~Modified Quarantine: ¶~~

~~i. Is asymptomatic ¶~~

~~ii. Continues to appropriately wear a mask, as required; ¶~~

~~iii. Undergoes at least twice weekly testing for 10 days after exposure;~~

~~and iv. Continues to quarantine for all other school sponsored activities. ¶ reporting Close Contacts ¶~~

~~○ If an asymptomatic student or accompanying family member was a close contact within 14 days of a scheduled in-person activity and they wish to attend the in-person activity, please contact the Home School Teacher. Charter School will help determine if the ¶~~

~~5 ¶~~

~~individual can attend the in-person activity. ¶~~

~~○ If a staff member was a close contact within 14 days of a scheduled in-person activity, they must contact their direct supervisor, complete the Covid Exposure Report, and then await further instruction. ¶~~

~~If individuals test positive for COVID-19: ¶~~

~~○ Symptomatic: Individuals who test positive for COVID-19 and exhibit COVID-19 symptoms must self-isolate in their homes and not attend~~

- ~~1. At least 10 days have passed since the symptom onset; ¶~~
- ~~2. At least 24 hours have passed since resolution of fever without the use of fever-reducing medications; AND ¶~~
- ~~3. Other symptoms improved. ¶~~

- ~~o **Asymptomatic:** Individuals who test positive for COVID-19 and do not exhibit COVID-19 symptoms must self-isolate in their homes until the at least 10 days have passed since the date of the first COVID-19 test. If the individual develops symptoms, then the individual must self-isolate as described above for symptomatic individuals.~~

Reporting COVID-19 Case to Charter School

- Students/family members who received a positive test for COVID-19 and were considered infectious (~~defined below~~) when participating in a Charter School activity must contact their Homeschool Teacher so the Charter School can appropriately notify close contacts and local public health departments for support.
- **Refer to CDPH Decision Forest for guidance**
- ~~**Definition of Infectious for Asymptomatic Individual:** An asymptomatic individual with a positive test is considered infectious until 10 days after their test. ¶~~
- ~~**Definition of Infectious for Symptomatic Individual:** A symptomatic individual with a positive test is infectious from 10 days since symptoms first appeared, until 24 hours with no fever without the use of fever-reducing medications, and other symptoms of COVID-19 are improving. (Loss of taste and smell may persist for weeks or months after recovery and need not delay end of isolation.)~~
- Staff who interact with staff and/or students at any point during the school year must report COVID-19 positive tests to their direct supervisor, complete the Covid Exposure Report, and then await further instruction.

Reporting COVID-19 Cases to Public Health Department

Upon learning that an individual (employee, student, or accompanying family member) has tested positive for COVID-19 and that individual was participating in Charter School-related in person activities while infectious (see definition above), **the Charter School will notify the local public health department about the positive case no later than 24 hours after learning of the positive case.**

The notification to the local public health department will include (as may be required by local public health department):

1. The full name, address, telephone number, and date of birth of the individual who tested positive;
2. The date the individual tested positive, the location/event/facility at which the individual was present when participating in in-person activity, and the date the individual was last present at any relevant school activity; and

3. The full name, address, and telephone number of the person making the report.

Charter School's COVID-19 Compliance Officer will work with the local public health department to ensure appropriate contact tracing, investigation, and notifications to the community.

To the extent required by local public health guidelines, the Charter School will notify staff and families in the school community of any positive COVID-19 case while maintaining confidentiality as required by state and federal laws.

Charter School will provide information to employees regarding paid and unpaid time off, including sick leave and extended family and medical leave pursuant to federal and state laws to see if an employee may need to take time off due to COVID-19 related illness or exposure.

Use of Face Coverings

Individuals can help minimize the exposure and transmission of COVID-19 when cloth face coverings ("face coverings" or "masks") are worn properly (covering both nose and mouth). Charter School will follow CDPH, CDE, and CDC guidance and applicable public health orders regarding the use of face coverings. All staff and family members are encouraged to review the [CDPH guidance](#) on face coverings. Face coverings must be used in accordance with CDPH guidance and this Policy unless a person qualifies for an exemption.

Proper use of face coverings will be strictly enforced. Individuals who refuse to wear a proper face covering may be excluded from participating in in-person activities. ~~As~~ ~~if~~ public health guidelines change ~~from what is prescribed below~~, the Charter School will follow the public health guidelines.

- ~~● Indoor settings. All individuals participating in in-person activities must wear a face covering when meeting indoors, regardless of vaccination status. ¶~~
- ~~● Outdoor settings. Individuals are not required to wear a face covering in outdoor settings, but wearing a face covering is recommended, particularly for unvaccinated individuals.~~

All individuals must comply with the applicable face covering and other health and safety requirements of the venue (e.g., museum, park, etc.). Staff will have extra face coverings if a student or accompanying family member forgets to bring a face covering.

Charter School will evaluate any student or employee's request for accommodation from the Charter School's face covering requirement consistent with applicable law.

Employees requesting an accommodation from the face covering policy/requirement must provide appropriate documentation and contact the HR department (shell.ninke@sequoiagrove.org).

The following individuals are exempt from wearing a face covering:

- Children under the age of two.
- Persons with a medical condition, mental health condition, or disability that prevents wearing a mask. This includes persons with a medical condition for whom wearing a mask could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a mask without assistance.

- Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- Persons for whom wearing a mask would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.

Persons exempted from wearing a face covering due to a medical condition, must wear a non-restrictive alternative, such as a face shield with a drape on the bottom edge, as long as their condition permits it.

In limited situations where a face covering cannot be used for pedagogical or developmental reasons (e.g., communicating or assisting young children or those with special needs), a face shield with a drape (per CDPH guidelines) can be used instead of a face covering as long as the wearer maintains physical distance from others. Staff must return to wearing a face covering once the activity has ceased.

Accommodations for Students

If a student cannot wear a mask due to a medical condition, mental health condition, or disability, the student should wear the next most effective alternative that can be tolerated, such as a transparent face shield with a cloth draping sealing the bottom.

Parents/guardians who believe their child may need an accommodation or is otherwise exempt from the Charter School's face covering policy and requirement should contact their Homeschool Teacher. Upon receipt of appropriate documentation, the Charter School will evaluate requests for accommodation and determine what, if any accommodations the Charter School can provide.

For students with an individualized education program ("IEP") or Section 504 Plans, the Charter School will ensure that determinations are made by an IEP/504 Team as appropriate and as may be necessary or required by law.

Students exempted from wearing a mask or face shield are strongly encouraged to be vaccinated against COVID-19. If a student is exempt from wearing any type of face covering, the Charter School will implement appropriate health and safety mitigation strategies, including appropriate physical distancing, use of personal protective equipment, and other health and safety measures to the greatest degree feasible, to mitigate the risk of exposure to COVID-19.

Physical Distancing

Recent evidence indicates that instruction/in-person interaction can occur safely without six feet of physical distancing when other mitigation strategies (e.g., masking) are implemented. As such, students and staff are not required to maintain physical distancing if interacting individuals are fully vaccinated.

If interacting individuals are not fully vaccinated, then three (3) feet of physical distancing should be maintained at all times to the extent possible and both individuals must wear a mask indoors and are recommended to wear a mask outdoors. If three (3) feet of physical distancing is not possible, individuals should try to keep as far apart as possible and continue to wear masks as discussed above.

Healthy Hygiene and Personal Protective Equipment

To help minimize the transmission of COVID-19, staff, students, and accompanying family members who are participating in in-person activities should implement the following hygiene and cleaning practices:

- Frequently wash hands (at least 20 seconds) throughout the day, especially before and after eating, after using the restroom, after handling garbage, or after removing gloves.
- Avoid contacting with one's eyes, nose, and mouth.
- Cover coughs and sneezes.
- Limit sharing of supplies. Staff and students should have their own supplies to the extent possible.
- Charter School appropriately and routinely disinfects and cleans administrative office(s) and similar spaces.
- Staff will endeavor to clean surfaces with sanitizing wipes if such surfaces (e.g., tables, chairs, desks, computers) will be used when participating in in-person activities.

The Charter School will evaluate the need for personal protective equipment (“PPE”), including, but not limited to, gloves, eye protection, and respiratory protection as required by Cal/OSHA standards. PPE may be used by a staff member when working with sick children or providing instruction to any students with a face covering exemption.

Resource Center Guidelines

Staff, students, and visitors to a Charter School’s Resource Center must comply with all health and safety protocols, including following local, state and federal the Policy’s face covering requirements while inside the building. Signage shall be posted at all public entrances to the Resource Center reminding visitors of mask requirements and warning visitors not to enter if they have COVID-19 symptoms.

Reminder: If an individual exhibits COVID-19 symptoms ~~within last 10 days, was in “close contact” with an individual who tested positive for COVID-19 and has not completed the required quarantine/isolation requirements, or the individual has tested positive for COVID-19 and has not completed the required isolation requirements~~ the individual must not enter the Resource Center and participate in Charter School activities **unless they follow the Decision Forest protocols.** ~~These individuals may continue to participate in in-person activities once they complete the required quarantine/isolation described above.~~ ¶

Sanitizing/hygiene materials and practices

- Charter School will develop plans and routines to ensure that students and staff using the Resource Center will wash or sanitize hands frequently.
- Charter School will make soap, tissues, no-touch trash cans, face coverings, and water and paper towels or dryers for hand washing available.
- Charter School shall make available fragrance-free alcohol-based hand sanitizer at strategic locations throughout the Resource Center.
- Charter School will provide face coverings for students and staff who do not have face coverings.
- Routine cleaning and disinfecting: Charter School will maintain a high level of cleanliness throughout the year at the Resource

Center to help reduce the risk of exposure to and spread of COVID-19. In general, cleaning once a day is usually enough to sufficiently remove potential virus that may be on surfaces.

- Charter School will optimize ventilation in indoor spaces, to the extent possible.

Communications to the Charter School Community

Charter School will provide staff and parents/guardians with a copy of this Policy (e.g., distributing by email, posting on website, etc.). In addition, the Charter School will provide training to staff on the Policy to ensure appropriate and consistent implementation. Charter School will frequently communicate with parents/guardians regarding the Charter School's COVID-19 health and safety guidelines and provide supports and resources, as appropriate and necessary.

Amendments to this Policy

The Executive Director or designee is authorized to revise this Policy in order to ensure compliance or consistency with new or revised orders or guidance from local, county, state or federal authorities ("Agencies"), to take any and all actions consistent with orders and guidance from the Agencies that is not specifically addressed by this Policy, and to ensure compliance with the Charter School's charter petition. The Executive Director or designee will provide the Charter School's Governing Board with updates as to actions taken pursuant to this section.

The Clarksville Charter School ("Charter School") adopts this COVID-19 Testing Policy ("Policy") in accordance with the California Department of Public Health Order "Vaccine Verification for Workers in Schools" issued on August 11, 2021 ("Order"). The Order **requires** all schools to:

- Verify vaccine status of all workers; and
- Conduct diagnostic screening testing for workers who are not fully vaccinated starting October 15, 2021.

Consistent with the Order, and for purposes of this Policy, "workers" are paid or unpaid adults who physically interact with Charter School students or staff in furtherance of Charter School functions (e.g., teachers who meet with students, staff interacting in administrative offices, etc.). Fully vaccinated workers do not have to undergo COVID-19 diagnostic screening testing.

Vaccination Status Survey:

- Charter School will survey all workers asking if they are fully vaccinated.
- An individual is considered "fully vaccinated" two weeks or more after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna or vaccine authorized by the World Health Organization), or two weeks or more after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen).

Access to COVID-19 Vaccine:

- Charter School is not requiring workers to become vaccinated. If you are interested in more information about the COVID-19 vaccine, locations of walk-in clinics, and opportunities to book an appointment for the COVID-19 vaccine, please visit <https://myturn.ca.gov/> website.

Acceptable Evidence of Full Vaccination:

- A worker must provide acceptable evidence of vaccination to Charter School in order to be considered fully vaccinated. Per the Order, Charter School can accept one of the following as acceptable evidence of full vaccination:
 - COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card)
 - which includes name of person vaccinated, type of vaccine provided and date last dose administered; OR
 - a photo of a Vaccination Record Card as a separate document; OR
 - a photo of the individual's Vaccination Record Card stored on a phone or electronic device; OR
 - documentation of COVID-19 vaccination from a health care provider; OR
 - digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name, date of birth, vaccine dates and vaccine type; OR
 - documentation of vaccination from other contracted employers who follow CDPH vaccination records guidelines and standards.
- Workers can submit evidence of full vaccination through the secure jot form survey.
- When providing proof of vaccination, workers must not provide any other medical or genetic information to Charter School, including but not limited to underlying conditions or a diagnosis of a medical condition.

COVID-19 Diagnostic Screening Testing for Workers Who Are Not Fully Vaccinated :

- Consistent with the Order, and for purposes of this Policy, workers who are not fully vaccinated must undergo diagnostic screening testing for the weeks they physically interact with Charter School students or staff. For workers who physically interact with Charter School students or staff less frequently than once per week, they must undergo diagnostic screening testing no greater than one week in advance to obtain a test result before the interaction (preferably within 72 hours) or during the week of the interaction.
- Antigen tests are acceptable to determine both the presence or absence of active infection with SARS-CoV-2 in individuals with or without symptoms. Repeat antigen testing and/or confirmatory molecular testing should be considered in individuals who receive a negative result with an antigen test but have symptoms specific for COVID-19 (such as loss of taste and smell). November 9, 2021

- This testing will be provided at no cost using a PCR or antigen test that has Emergency Use Authorization by the U.S. Food and Drug Administration or is operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services. Charter School will share information with workers regarding the specifics of testing administration.
- Fully remote employees or volunteers are not required to undergo diagnostic screening testing.
- Unvaccinated employees are not exempted from the testing requirement even if they have a medical contraindication to vaccination.
- Previous history of COVID-19 from which the individual recovered more than 90 days earlier, or a previous positive antibody test for COVID-19, does not waive this requirement.
- Consistent with the Order, if you have a confirmed diagnosis of COVID-19 within the last 90 days and recovered, Charter School may not require you to conduct diagnostic screening testing for the 90-day period after the diagnosis. Please contact the Human Resources Department if you are interested in seeking this limited exemption.
- Charter School will not discriminate, harass, or retaliate against any employee for receiving the COVID- 19 vaccine or for electing not to receive the COVID-19 vaccine.
- Charter School will establish a method for tracking weekly diagnostic testing results and will report any positive results to local public health departments.
- Employees with any questions regarding the Charter School's Testing Policy may contact the Human Resources Department.

Enforcement:

- Workers who do not comply with this Policy or who are not otherwise eligible for a reasonable accommodation to the testing requirement consistent with applicable law and this Policy may, depending on their position, be placed on unpaid/inactive status until compliance.
- If a worker believes they may be entitled to an accommodation consistent with applicable law and this Policy, they can contact the HR department (shell.ninke@sequoiagroveschool.org). If requested, Charter School will engage in an interactive process with that individual, and work to identify any possible accommodations as appropriate (e.g., unpaid leave of absence). Charter School may not provide an accommodation should it result in a direct threat to health and safety of others or to the individual, and/or if the accommodation will cause an undue hardship for Charter School.

- Charter School may modify enforcement options based on the specific circumstances.

Future Revisions:

- The Charter School drafted this policy in compliance with all applicable federal and state laws, including guidance from the Equal Employment Opportunity Commission (“EEOC”), Centers for Disease Control and Prevention (“CDC”), the California Department of Public Health (“CDPH”), and local health authorities.
- As public health and legal guidance regarding COVID-19 testing at schools evolves, Charter School administrative staff may revise this Policy accordingly. Upon any revision to this Policy, Charter School will provide notice in writing to workers. This Policy shall be implemented in a manner that is consistent with current federal, state, and local law.

1. Education Record: An education record is any written or computerized document, file, entry, or record containing information directly relating to a student that is compiled and maintained by the Charter School. Such information includes but is not limited to:

- Date and place of birth, parent and/or guardian’s address, and where the parties may be contacted for emergency purposes;
- Grades, test scores, courses taken, academic specializations and school activities;
- Special education records;
- Disciplinary records;
- Medical and health records;
- Attendance records and records of past schools attended;
- Personal information such as, but not limited to, student identification numbers, social security numbers, photographs, or any other type of information that aids in identification of a student. Please note that, as of January 1, 2017, the Charter School shall not collect or solicit social security numbers or the last four digits of social security numbers from students or their

parents/guardians, unless otherwise required to do so by state or federal law.

The Charter School shall not use any school resources or data to be used to create a registry based on race, gender, sexual orientation, religion, ethnicity or national origin. An education record does not include any of the following:

- Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to another person except a temporary substitute for the maker of the record;
- Records maintained by a law enforcement unit of the Charter School that were created by that law enforcement unit for the purpose of law enforcement;
- Records relating to a Charter School employee that are made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee; and are not available for use for any other purpose;
- Records on a student who is 18 years of age or older, or is attending an institution of postsecondary education, that are: a) made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity; b) made, maintained, or used only in connection with treatment of the student; and c) disclosed only to individuals providing the treatment. For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at the Charter School.
- Records that only contain information about an individual after he or she is no longer a student at the Charter School.
- Grades on peer-graded papers before they are collected and recorded by a teacher.

Parents and eligible students that they have the right to:

- Inspect and review the student's education records;
- Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
- Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA and the Code of Federal Regulations authorize disclosure without consent;
- File with the Department of Education a complaint concerning alleged failures by the Charter

School to comply with the requirements of FERPA and its promulgated regulations.

- Request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

2. **Requesting to Review Education Records:** Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the Director of Records Within forty-five (45) days, the Charter School shall comply with the request.

If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the education records, the Charter School will provide the parent or eligible student with a copy of the requested records or make other arrangements for inspection and review of the requested records.

3. **Requesting Copies of Education Records:** The Charter School will provide copies of requested documents within ten (10) days of a request for copies. The Charter School will charge reasonable fees for copies it provides to parents or eligible students, unless it effectively prevents a parent or eligible student from exercising the right to inspect and review the education records. The charge will not include a fee to search for or to retrieve the education records.

4. **Requesting for Amendment to Education Records:** If upon review, a parent or eligible student discovers any information or notation that is factually inaccurate, [an unsubstantiated personal conclusion or inference, a conclusion or inference outside of the observer's area of competence, not based on the personal observation of a named person with the time and place of the observation noted,](#) or misleading or in violation of the student's right of privacy, he or she may request, in writing, that the Charter School amend the record. The request must be submitted within thirty (30) days of the discovery of the inaccurate or misleading information or a violation of the student's right of privacy. The Charter School will respond within ten (10) days of the receipt of the request to amend. The Charter School's response will be in writing and if the request for amendment is denied, the Charter School will set forth the reason for the denial and inform the parent or eligible student of his or her right to a hearing challenging the content of the education record.

5. **Challenging the Education Record:** If the Charter School denies a parent or eligible student's request to amend an education record, the parent or eligible student may request in writing that he/she be given the opportunity for a hearing to challenge the content of the student's education records on the grounds that the information contained in the education records is inaccurate, misleading or in violation of the privacy rights of the student.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing, notice of the date, time and place of the hearing will be sent by the Charter School to the parent or eligible student no later than twenty (20) days before the hearing.

The hearing will be conducted by the Dean of Academics. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at his/her own expense, be assisted or represented by one or more individuals of his/her choice, including an attorney. The Dean of Academic's decision will be based solely on the evidence presented at the hearing. Within thirty 30 days of the conclusion of the hearing, the Charter School's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, the Charter School decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, the Charter School decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of the Charter School, or both. If the Charter School places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

6. Update and Reissuance of Pupil Records: A former pupil of the School may request that former pupil's records to be updated to reflect the former pupil's changed legal name or gender by submitting government-issued documentation in the form of one of the following: State-issued driver's license, birth certificate, passport, social security card, court order indicating a name change or a gender change, or both. Upon the request of the former pupil, the School shall reissue the pupil records, including, but not limited to a transcript, a high school diploma, a high school equivalency certificate or other similar documents conferred on the former pupil. The School is not required to modify records that the former pupil has not required for modification or reissuance.

If a former pupil requests that their name or gender is changed and records are reissued, the School shall add a new document to the former pupil's file that includes all of the following: 1) The date of the request; 2) The date the requested records were reissued to the former pupil; 3) A list of records that were requested by, and reissued to, the former pupil; 4) The type of documentation provided by the former pupil in order to demonstrate the legal name or gender change; 5) The name of the School staff person that completed the request; 6) The current and former name or gender of the former pupil.

Former pupils who are unable to provide the government-issued documentation described above may request a name or gender change, or both, to the former pupil's records through the process described below in section C.

7. Records of Foster Children: A foster family agency with jurisdiction over a currently enrolled or former pupil, a short-term residential treatment program staff responsible for the education or case management of a pupil, and a caregiver who has direct responsibility for the for the care of the pupil,

including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family (as defined below), may access the current or most recent records of grades, transcripts, attendance, discipline and online communication on platforms established by schools for pupils and parents, and any individualized education programs (IEPs) that may have been developed, or any plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 of a currently enrolled or former foster pupil.

A foster family agency, short-term residential treatment program, or caregiver may review and receive pupil records pursuant to subdivision (a) for purposes of monitoring the pupil's educational progress, updating and maintaining the pupil's education records as required by Section 16010 of the Welfare and Institutions Code, and ensuring the pupil has access to educational services, supports, and activities. These purposes include, but are not limited to, enrolling the pupil in school, assisting the pupil with homework, class assignments, and college and scholarship applications, and enrolling the pupil in extracurricular activities, tutoring, and other afterschool and summer enrichment programs.

6.8. Disclosure of Education Records and Directory Information: With the exceptions listed below, the Charter School will not release educational records to any person or entity outside the Charter School without the written consent of a parent or eligible student. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent. The Charter School shall permanently keep the consent notice with the record file. A parent, guardian or eligible student is not required to sign the consent form. If the parent, guardian or eligible student refuses to provide written consent for the release of student information that is not otherwise subject to release, the Charter School shall not release the information.

The Charter School shall avoid the disclosure of information that might indicate a student's or family's citizenship or immigration status if the disclosure is not authorized by FERPA. No student information shall be disclosed to immigration authorities for immigration-enforcement purposes without a court order or judicial subpoena. Immigration-enforcement agencies do not have a legitimate educational interest in a student's or family's citizenship or immigration status. A student's or family's citizenship or immigration status is not considered to be directory information.

Except for investigations of child abuse, child neglect, or child dependency, or when the subpoena served on the Charter School prohibits disclosure, the Charter School shall provide parental or guardian notification of any court orders, warrants, or subpoenas before responding to such requests. The Charter School will only disclose personally identifiable information on the condition that the receiving party not disclose the information to any party without the prior consent of the parent or eligible student and that the receiving party use it for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below

and the Charter School maintains the appropriate records, as described below. Except for disclosures pursuant to a judicial order or lawfully issued subpoena, of directory information or to parents or eligible students, the Charter School will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior writing consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made.

If the Charter School receives an information request related to a student's or family's immigration or citizenship status, the Charter School personnel shall take the following action steps:

- Notify the Executive Director or Deputy Executive Director about the information request;
- Provide students and families with appropriate notice and a description for the immigration officer's request;
- Document any verbal or written request for information by immigration authorities;
- Unless prohibited, provide students and parents/guardians with any documents issued by the immigration-enforcement officer.

The Charter School will train its personnel regarding gathering and handling sensitive student information as identified in this policy.

The Charter School will disclose education records, without consent, to the following parties:

- Charter School employees who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
- Contractors, consultants, volunteers or other parties to whom the Charter School has outsourced institutional services or functions may be considered a Charter School official provided that the outside party performs an institutional service or function for which the Charter School would otherwise use employees, is under the direct control of the Charter School with respect to the use and maintenance of records, and is subject to the requirements of 34 C.F.R. § 99.33(a) governing the use and redisclosure of personally identifiable information;
- Other schools to which a student seeks or intends to enroll;
- Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

The disclosure may only include final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School may disclose the final results of the disciplinary proceeding, regardless of whether the Charter School concluded a violation was committed.
- An agency caseworker or other representative of a State or local child welfare agency or tribal organization who has the right to access a student's case plan, when such agency or organization is legally responsible, in accordance with State law, for the care and protection of the student, provided those records will not be disclosed by such agency or organization, except as required by law;
- Other disclosures as provided by applicable law.

9. Requirements in Specific Disclosure Situations: If the School discloses education records without parental or eligible student consent to officials of another school, school system or institution of postsecondary education where the student seeks or intends to enroll, the School will make a reasonable attempt to notify the parent or eligible student at his/her last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing as outlined above.

7.10. Record Keeping: The Charter School will maintain a record of each request for access to and each disclosure of personally identifiable information from the education records of each student for as long as the records are maintained. For each request, the record will include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of personally identifiable information to institutions that make disclosures of the information on behalf of the Charter School in accordance with 34 C.F.R. 99.33(b), the record will include the names of the additional parties to which the receiving party may disclose the information

on behalf of the Charter School and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents and eligible students, the Charter School officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible student, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of personally identifiable student information may be inspected by parents and eligible students, the Charter School officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of the Charter School.

8.11. Complaints: Parents and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Master Plan for Services to English Learners 2021-2022

Lakeview Charter School aims for outstanding programs for all our students. English Learners have enormous challenges but also have the opportunity to develop the asset of bilingualism within a global community. They face the double task of learning the challenging state standards and mastering a new language.

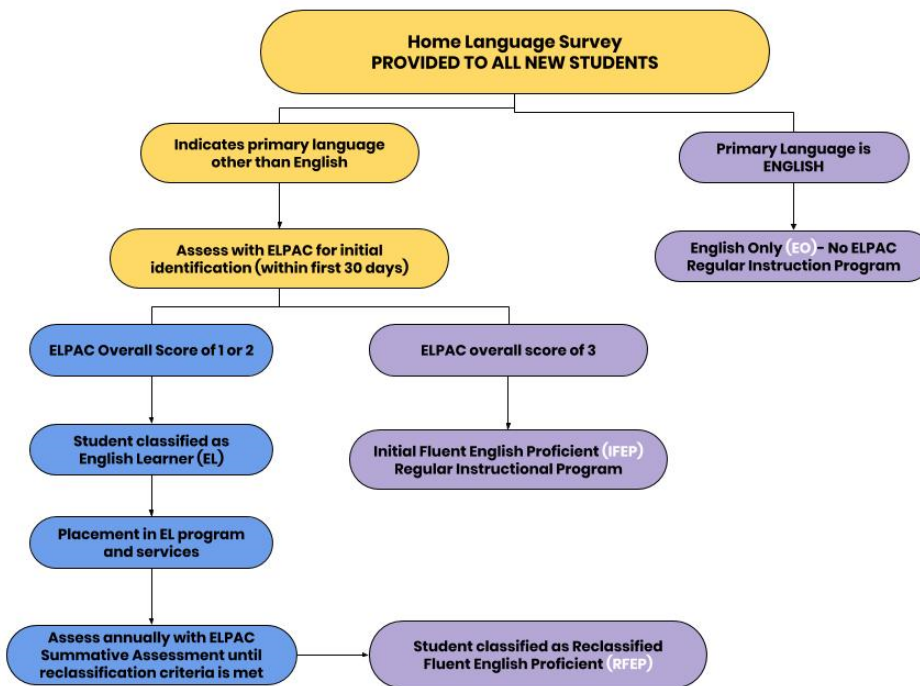

To make sure we reach optimal results for English Learners we developed this Master Plan to ensure that they learn English, have full access to a challenging academic curriculum, and that they build the multicultural proficiency that is necessary in today's complex and challenging world. This plan is a practical guide for all staff to ensure that we provide consistent, coherent services to each and every English Learner in our school. We are all expected to follow the plan, and it provides specific ways for us to hold ourselves accountable for obtaining optimal results.

This plan describes how we identify, serve and support students who initially enroll in our school with limited proficiency in the English language. The plan sets forth six goals for this work:

1. English Learner (EL) programs will be fully implemented.
2. Parents of English Learners and Reclassified Fluent English Proficient Students (RFEPs) will participate meaningfully in their children's education.
3. English Learners will master the English language as efficiently and effectively as possible.
4. English Learners will achieve academic success comparable to English Only (EO) students.
5. English Learners and Reclassified Fluent English Proficient Students will be at no greater risk for school failure than English Only Students.
6. Form an English Learners Advisory Committee to foster a better involvement of EL parents, thereby increasing academic achievement of the EL population, advise the School Board, principal, and EL Coordinator, on issues pertaining to English Learners (ELs), assist in the development of the school's needs assessment and Language Census Report, and provide input on formal school plans, such as WASC self study and LCAP.

Identification Tools:

- Home Language Survey upon enrollment
- Additionally, look in CALPADS and cumulative folders

Step 1: Registration, including Completion of the Home Language Survey

Upon enrollment, parents complete a Home Language Survey or HLS as required by state law. This survey is completed the first time the parent enrolls the child in Lake View Charter School and the results are maintained thereafter in the charter school’s student information system and the English Learner folder in the child’s cumulative record.

If the answers to Items 1, 2, 3 on the HLS are “English”, the child is classified as English Only or EO. The parent is notified of the result and is given an explanation of the placement options open to the student. The default option is Mainstream English.

If Item 1, 2, or 3 on the Home Language Survey is answered with a language other than English, the child is tested for English proficiency. (Continue to Step 2)

However, if the parent’s response to the first three questions on the HLS is English, and the response to the fourth question is other than English, then reasonable doubt may exist as to the student’s home language. If there is evidence of significant non-English exposure, then the pupil must be administered the state English language proficiency assessment, currently known as the English Language Proficiency Assessments for California (ELPAC). The parent will be consulted by a certificated staff member regarding the need to administer the assessment, the results, and the subsequent program placement of the child.

NOTE: When reasonable doubt is established, the school must annotate the HLS to document the reasons for ELPAC administration. The school administrator/designee must sign and date the annotations provided.

The parent has the right to amend the HLS at any time. However, if the student has already been administered the initial ELPAC, any changes to the HLS will not affect the student’s official language classification. If the parent amends the HLS prior to initial ELPAC administration, the school must honor the changes made while continuing to take reasonable doubt into consideration, given the probable impact of the change relative to the parent’s or student’s observed linguistic behavior.

Parents who enroll their child in Pre-Kindergarten must complete the HLS as part of the enrollment process. The first HLS (e.g., Pre-K) on file for a student supersedes all HLS forms completed at later times. Therefore, the answers provided on the **initial** HLS are documented permanently in CALPADS.

Assessment		
Initial ELPAC	Within 30 days of enrollment: pending possible extension from the state.	July 1- June 30
Initial ELPAC score report and Notification Letter will be mailed, after testing. See Appendix 1		
Summative ELPAC	Given to current EL students	Feb 1- May 31

Step 2: English Language Proficiency Assessment

State regulations require that if the student’s Home Language Survey indicates that a language other than English is used at home in Item 1, 2, or 3, the student’s English language proficiency level must be assessed and given the results (pending an extension from the state) within 30 calendar days of initial enrollment.

The ELPAC is a standardized language proficiency test designed to measure the English proficiency of non-native speakers in four areas: Listening, Speaking, Reading and Writing. The child receives a score for each part of the test that is taken (Listening, Speaking, Reading, and Writing) as well as an overall score. The score types include scale scores and proficiency levels.

School staff calculate a preliminary score for the purpose of determining the default program and placement options. These results, including proficiency level results for each subtest, are communicated to the parent on the Parent Notification of English Language Testing Form. The assessment is also forwarded by the EI Coordinator for official scoring. These official results override the informal scoring if the scores differ. The official results are sent to the parent within

30 days of receipt by the school. ELPAC results are maintained in the student’s English Learner folder inside the cumulative folder, and in the school’s student information system for future use in the monitoring of student progress and in the program evaluation.

If an Individual Education Plan (IEP) team has determined that a student is unable to take all or part of the ELPAC, the student will be given a California Department of Education (CDE) approved alternative assessment.

The School will annually assess the ELP and academic progress of each English learner. The School shall administer the ELPAC summative assessment during the annual summative assessment window.

When administering an initial or summative ELPAC assessment to a pupil with a disability, the School shall provide designated supports or accommodations, in accordance with the student’s individualized education plan (IEP) or Section 504 plan. When a student’s IEP or Section 504 plan specifies that the student has a disability that precludes assessment such that there are no appropriate accommodations for assessment in one or more of the listening, speaking, reading, and writing domains, the student shall be assessed in the remaining domains in which it is possible to assess the student.

When a student’s IEP team determines that the student has a significant cognitive disability such that the student is unable to participate in the initial or summative assessment, or a Section of either test, even with resources, the student shall be assessed as specified in the student’s IEP.

On the basis of the English language assessment, students are classified as either English Learner (EL) or Initially Fluent English Proficient (IFEP).

Criteria for reasonable fluency in English

Level	Description
Initial Fluent English Proficient [IFEP]	Students at this level have well developed oral (listening and speaking) and written (reading and writing) skills. They can use English to learn and communicate in meaningful ways that are appropriate to different tasks, purposes, and audiences in a variety of social and academic contexts. They may need occasional linguistic support to engage in familiar social and academic contexts; they may need light support to communicate on less familiar tasks and topics. This test performance level corresponds to the upper range of the “Bridging” proficiency level as described in the 2012 <i>California English Language Development Standards, Kindergarten Through Grade Twelve (2012 ELD Standards)</i> .
Intermediate English Learner	Students at this level have somewhat developed to moderately developed oral (listening and speaking) and written (reading and writing) skills. This level captures a broad range of English

	<p>learners, from those who can use English only to meet immediate communication needs to those who can, at times, use English to learn and communicate in meaningful ways in a range of topics and content areas. They may need some degree of linguistic support to engage in familiar social and academic contexts (depending on the student, the level of support needed may be moderate, light, or minimal); they may need substantial-to-moderate support to communicate on less familiar tasks and topics. This test performance level corresponds to the entire “Expanding” proficiency level and to the lower range of the “Bridging” proficiency level as described in the 2012 <i>ELD Standards</i>.</p>
<p>Novice English Learner</p>	<p>Students at this level have minimally developed oral (listening and speaking) and written (reading and writing) English skills. They tend to rely on learned words and phrases to communicate meaning at a basic level. They need substantial-to-moderate linguistic support to communicate in familiar social and academic contexts; they need substantial linguistic support to communicate on less familiar tasks and topics. This test performance level corresponds to the “Emerging” proficiency level as described in the 2012 <i>ELD Standards</i>.</p>

NOTE: Students classified as IFEP are not eligible to receive EL services and will receive grade-level instruction in an instructional program designed for Native-English and Fluent-English speakers.

IFEP Students - The parents of IFEP students are informed of the results and given the same program options as those given EO students- the default program is Mainstream English. Placement is made on the same basis as for EOs.

English Learners proceed to primary language assessment. Parents of ELs will be notified each year of their child’s current language classification along with the annual assessment results. A student will remain an EL until he or she has met the criteria for reclassification.

Parent Notification

- Results of assessments
- Student Placement

Step 3: Parent Notification of Results

Parent Notification of Initial Assessment Results and Program Placement

Parents of students (ELs and IFEPs) who are administered the **initial** ELPAC will receive official notification informing them of their child’s:

- Initial English language proficiency level and how it was assessed
- Official language classification
- Instructional program placement

In addition to the above, parents must also receive information regarding the:

- Various instructional program options, educational strategies, and educational materials to be used in each program
- Reclassification, or program exit, criteria
- Instructional program for ELs with a disability (with an IEP) and how such a program will meet the objectives of the IEP
- Expected rate of graduation for ELs

Program Placement/Instructional

- **English Language Mainstream (ELM)**—A classroom setting for English learners who have acquired reasonable fluency in English, as defined by the school district. In addition to ELD instruction, English learners continue to receive additional and appropriate educational services in order to recoup any academic deficits that may have been incurred in other areas of the core curriculum as a result of language barriers.
- **Core Instruction in English**
- **Daily Leveled ELD** for 30 – 60 minutes based on the student need and level independently at home ~~through BrainPop ELL program~~ **one or more of the foundational offerings** with teacher monitoring progress.
- **SDAIE** strategies/vocabulary development will be embedded in curriculum and enhanced with teacher support in person or during online sessions. (SDAIE Strategies for English Learner Intervention is attached).
- Monitor student progress and evaluate programs regularly.
- Designated ELD Direct Instruction Classes—via a virtual online platform.
- ~~BrainPop ELL brings English language learning to life in your classroom! To help you make the most of this product, explore this rich collection of support resources, from ELL-specific graphic organizers and action images to learning strategies, lesson plans, vocabulary activities, and more. Proficiency-based English language learning program appropriate for all ages, at no cost to students.~~
- Reading Eggs- provides a comprehensive range of research-based online reading lessons, activities and books that teach children aged 2–13 the literacy skills needed for a lifetime of reading success. The comprehensive reading program is grounded in solid educational research and covers the five pillars of reading – phonics, phonemic awareness, vocabulary, comprehension, and fluency. Provided with a minimal cost.
- ~~Mathseeds/Mathletics It is a comprehensive online mathematics program for children aged 3-13. It offers a vast range of carefully structured lessons and activities that build mathematical skills over a broad range of numbers, shapes, and measurement topics. This program can be used for intervention in math. This eligibility is dependent on their STAR360 scores and is only given to students who score in the yellow intervention or red urgent intervention categories.~~
- In addition, any other school-provided **foundational offerings online programs**:

Step 4: Program Placement

The following process is used to identify the most appropriate program for the English Learner. ELPAC results indicate whether the student is *reasonably fluent in English* or not.

The criteria for reasonable fluency in English are the same as the criteria for “Probably English Proficient” in the ELPAC Scoring Guide. They include:

1. Student’s *overall* proficiency level is Early Advanced or higher, *and*
2. Proficiency in *each* skill area is Intermediate or higher. The skill areas are Listening, Speaking, Reading, and Writing (Kindergarten through 12th grade).

If the child is *reasonably fluent in English* by these criteria, then the default placement is the *mainstream English program*. Additional support services may be recommended, as appropriate. The child will normally continue in this placement until reclassified. Support services in the mainstream program must include English Language Development and may include one or more of the following:

- Content instruction using SDAIE strategies
- Specialized instruction by an English Learner Development teacher
- Participation in Benchmark, Strategic, or Intensive interventions in variety of setting based on student need
- ~~McGraw Hill Flex Curriculum (EL supports based on Level)~~

AT RISK EL STUDENTS & LTEL’s (Long Term English Learners)

Lake View will annually run a list of the at risk ELs (4-5 years as an EL) and our LTELs (6+ years as EL) and work with HSTs to strongly encourage the following supports:

* Automatic access to ~~BrainPop-ELL-Moby Max~~ or **Language Live**

*Virtual Reading Comprehension virtual classes offered by qualified instructors

*Reading Horizons option

*ELD Support Class option

*School’s EL designee will collaborate with HSTs and parents to determine best practices to encourage and support each student to show English fluency and be able to reclassify

STAFFING

Per state and federal law all teachers of our EL students hold a valid CA teaching credential with authorization to instruct English Learners. This CLAD or English Learner authorization is met through coursework completion, passing scores on the 3 CTEL examinations. EL students are not assigned to teachers who have not yet earned this authorization, or, as in the case of a new teacher, with a preliminary credential, who is still working to clear their credential. Lake View will:

- Ensure appropriate assignments of teachers for English Learners
- Recruit qualified EL certified teachers through position postings
- Assure that teachers hold proper California Teacher Credentialing (CTC) authorizations
- Provide opportunities for teachers who do not hold appropriate certification to enroll in training

PROFESSIONAL DEVELOPMENT FOR STAFF AND ADMINISTRATORS ON INITIAL IDENTIFICATION, PLACEMENT, AND RELATED PARENTAL RIGHTS/INFORMED CONSENT

Lake View Charter School is committed to providing ongoing annual professional development for administrators and staff, including special education teachers and staff, on legal requirements and school procedures relating to the implementation of the identification and placement requirements of this *English Learner Master Plan*, including but not limited to:

- Initial identification
- Placement options and procedures
- Communicating assessment results to families effectively
- Parental rights and informed consent regarding initial identification and placement, including the parental exception waiver process.

Those who must participate in the training include but are not limited to: administrators, teaching staff, counselors, Enrichment Center staff, staff members who work with ELs' student records, office staff members responsible for registration, special education teachers, paraprofessionals and specialists, and other support staff as necessary. The training places special emphasis on sensitivity to parents, including how to make parents feel welcome, and how to ensure that they are truly informed and able to take an active role in the process of determining the appropriate instructional program for their child.

The professional development offered will be designed to improve the instruction and assessment of ELs; designed to enhance the ability of teachers, principals and other school leaders to understand and implement curricula, assessment practices and measures and instructional strategies for ELs; effective in increasing the student's English language proficiency or substantially increasing the teacher's subject matter knowledge, teaching knowledge and teaching skills as demonstrated through classroom observation.

INITIAL ELPAC-ELAS CORRECTION POLICY AND PROCESS

Local Educational Agencies are allowed to make one correction per student per lifetime to an English Language status. This process can be used if a parent/guardian or certificated employee of the LEA requests a review of the student's classification on the basis of the results of the Initial ELPAC. Typically, the process will be used if a parent/guardian or certificated employee can provide evidence that a student who was classified as English Learner (EL) after taking the Initial ELPAC should be classified as Initially Fluent English

Proficient (IFEP). This process must occur before the first administration of the Summative ELPAC starting in February.

If a student was tested with the initial ELPAC and was designated EL but, based on evidence and observation, you feel that they are proficient in English, the HST can request a status correction to IFEP (Initially Fluent English Proficient).

1. HST submits the Google Survey--ELAS Correction Request for Initial ELPAC; found in the EL Resources Folder.
2. If the request is approved for further review, HST will receive an Evidence Form and info sheet.
3. HST and family review the examples of possible evidence for a student's grade span.
4. HST and family gather appropriate, grade-level evidence in all domains to illustrate student's English Language Proficiency
5. Complete the Evidence Form, signed by HST and Parent, then email, along with evidence, the EL Coordinator.

RECLASSIFICATION

Lake View Charter School reclassifies EL students to Reclassified English Fluent Proficient (RFEP) at the point when specialized language and academic support services are deemed no longer needed for ELs to be successful in their educational program at a level commensurate to non-ELs. This decision is made using criteria that include assessment of English language proficiency using the ELPAC, **Star 360 reading assessment**, Smarter Balanced Assessment Consortium (SBAC) or California Alternative Assessment (CAA) scores in English-Language Arts, teacher evaluation, and parent consultation.

Once ELs are reclassified, they retain RFEP status for the rest of their educational careers. However, the academic progress of RFEP students must be monitored for a minimum of four years, as required by state and federal guidelines, and if their continued linguistic and academic performance declines or stalls, interventions are provided to ensure that these students reach and maintain grade level academic proficiency. A full description of the reclassification process is detailed below.

ELPAC proficiency level, in addition, common, grade-level standards-based assessments and English language development (ELD) assessments are examined to determine if the student is able to function at a level commensurate with his or her English-speaking peers.

[Reclassification Policy, Criteria, and Process:](#)

Lake View Charter School’s Director of ELD, in conjunction with teacher input, will specifically evaluate students who are potentially qualified for reclassification. This will occur upon release of ELPAC scores by the state.

Per California Department of Education recommendations and requirements, EL Reclassification will be based on the following four criteria:

- 1) ELPAC Score - Student must have an Overall Performance Level score of 4 (the statewide standardized ELP criterion), with no more than one subscore of 2.
- 2) Teacher Evaluation - Student progress as observed by the teacher, as well as student’s grades/progress indicators in **math and** English. The grade must be a C or higher **in both courses**. Progress in standards must be Meeting or Exceeding Expectations.
- 3) Parent Opinion and Consultation - Parents will be invited to and are strongly encouraged to participate in a phone conference, as noted in the Parent Notification Letter of Reclassification.
- 4) English Language Proficiency - EL student’s English language proficiency will be compared with that of an English Proficient Student. This will take the form of the STAR 360 Assessment or SBAC scores. The cut score requirements/criteria are indicated in the chart below.

Updated 3/25/2021 Criterion 4 for EL Master Plans

Process

1. The ELD coordinator will complete the Reclassification Form for students who meet the first criteria. (Appendix 2).
2. Form will then be sent to the teacher for further input and completion of grades, test scores, etc.
3. If a student meets criteria 1, 2, and 4, a Parent Notification Letter of Reclassification will be sent to the parents, inviting them to a phone conference where they can consult with the Director of ELD and/or teacher, and their child. See Appendix 3
4. At this point, if everyone is in agreement, the student is then redesignated RFEP.
5. If a student has not met criteria 1, 2, or 4, they will remain EL and will be reevaluated the next school year.

RECLASSIFYING ENGLISH LEARNERS WITH DISABILITIES

The reclassification criteria and process are the same for Special Education students being considered for reclassification, except in those cases where the IEP team feels that the student's disability, more so than a language barrier, is the reason why the student is not qualifying for reclassification. In such cases, it is the responsibility of the IEP team, case carrier, or teacher to initiate contact with the Director of ELD to consider the alternative reclassification criteria and form. The IEP team, to include parents and the Director of ELD, will discuss and complete the form. If the student is found to meet these criteria, he/she will then be reclassified to RFEP and four-year monitoring will commence, as with all other RFEP students. See Appendix 4

RFEP Monitoring

Per the California Department of Education requirements, once a student is reclassified as RFEP, they are no longer required to take the summative ELPAC, but there is a requirement for four years of continued monitoring of that student.

Lake View Charter School will monitor RFEP’s curriculum, interventions and assessments quarterly. RFEPs will also have a formal yearly monitoring check each year over the four years, using the Reclassification Monitoring form.

Annual RFEP Monitoring Schedule

INITIAL ELPAC NOTIFICATION LETTER

To the parent(s)/guardian(s) of: <Last_Name>, <First_Name> Date: <Date_Testing_Completed>

SSID: <SSID> Date of Birth: <Date_of_Birth> Grade: <Tested_Grade>

Dear Parent(s) or Guardian(s): When your child enrolled in our school, a language other than English was noted on your child’s Home Language Survey. The law requires us to assess your child and notify you of your child’s proficiency level in English. In California, the name of the test is the Initial English Language Proficiency Assessments for California (ELPAC). This letter also explains the criteria for a student to exit, or reclassify out of, the English learner program. (20 United States Code Section 6312[e][3][A][i],[v],[vi])

Language Assessment Results

See enclosed Student Score Report

Based on the results of the English language proficiency assessment, your child has been identified as an <Calculated_ELAS> student.

Program Placement

If your student was identified as **IFEP**, he/she is assigned to a regular academic program, will not need to participate in an English language instructional support program, will not be designated as an English Learner (EL student), nor will he/she need to take the ELPAC exam again. Please note, that this does not change your student’s homeschool teacher.

If your student was identified as an **English Learner (EL)**, he/she has been assigned to an appropriate English language instructional support program based on the results. The goal of this program is to help your child become proficient in English and succeed in the school’s academic curriculum. Instructional support is added by your child’s teacher as needed, according to the ELPAC results. Please note, that this does not change your student’s homeschool teacher.

Exit (Reclassification) Criteria

The goal of language acquisition programs is for students to become proficient in English as rapidly as possible and to meet state academic achievement measures. This district’s exit (reclassification) criteria are listed below.

(20 U.S.C. Section 6312[e][3][A][vi])

Required Criteria (California <i>Education Code</i> [EC] Section 313[f])	LEA Criteria Lake View Charter School EL Master Plan
English Language Proficiency Assessment	Overall Performance Level score of 4 (the statewide standardized ELP criterion) with no more

	than one subscore of 2 in the domains of reading, writing, listening and speaking.
Teacher Evaluation	Student progress as observed by the teacher, as well as student's grade/progress indicators in English. Grade must be a C or higher. Progress in standards must be Meeting or Exceeding Expectations.
Parental Opinion and Consultation	Parents will be invited to and are strongly encouraged to participate in a phone conference, as noted in the Parent Notification Letter of Reclassification.
Comparison of Performance in Basic Skills	EL student's English language proficiency will be compared with that of an English Proficient Student. This will take the form of the STAR 360 Assessment and SBAC scores.

Intervention and Support Options

In addition to the instructional support provided by your homeschool teacher, Lake View Charter School offers MTSS and other programs to help your student with their English fluency and academic achievement goals through a multi-tiered system of supports (MTSS).

Response to Instruction and Intervention through the Multi-Tiered System of Supports (MTSS)

The school will provide intervention for all students TK-12. The following descriptors provide an overview of specific interventions to support ELs. Intervention for Long Term ELs is the responsibility of the Home School Teachers as well as the entire intervention team.

Tier 1 intervention: Provided until proficiency goal is reached

- The general education teacher begins and/or provides Tier 1 level supports on a class/roster-wide basis. Additionally, the teacher ensures that the students are working in an evidence-based curriculum. To complement the evidence-based curriculum.

Tier 2 Intervention: Provided for students who have not yet reached proficiency through Tier 1 interventions

- Tier 1 plus online Interventions, as well as direct instruction offered through Tier 2.
- Long Term ELs will continue to receive intensive intervention during direct virtual English Language Development instruction.
- Students receive direct virtual instruction.

Tier 3 Interventions: Provided for students who have not reached proficiency through Tier 2 strategies

- Tiers 1 and 2 Interventions, plus
- Direct Individual virtual instruction and intervention program
- Long Term ELs receive additional small group direct virtual or one-on-one assistance during the virtual intervention instruction.
- Long Term ELs receive additional intervention through an online program

Tier 4 Intervention: Provided for students who have not reached proficiency through previously administered intervention strategies

- Students who do not show progress after a designated time will be recommended to a Student Study Team with possible recommendation for Special Education testing.

Additional Online Programs:

- ~~1. **BrainPop**—BrainPOP ELL brings English language learning to life in your classroom! To help you make the most of this program ELL is organized in three levels, corresponding to beginning, intermediate, and advanced. Each level consists of six units, and each unit includes five movies with associated features. We recommend that absolute beginners start with the first Level 1, Unit 1 movie. oduet, explore this rich collection of support resources, from ELL-specific graphic organizers and action images to learning strategies, lesson plans, vocabulary activities, and more.~~
- ~~2. **Curriculum supplemental support**—check with student's chosen curriculum platform, as some have a built-in ELD/intervention component. For example, Edgenuity students can access MyPath.~~
- ~~3. **MathSeeds/Mathletics**—It is a comprehensive online mathematics program for children aged 3-13. It offers a vast range of carefully structured lessons and activities that build mathematical skills over a broad range of numbers, shapes and measurement topics. This program can be used for intervention in math. This eligibility is dependent on their STAR360 scores and is only given to students who score in the yellow intervention or red urgent intervention categories~~
- ~~4. **Reading Horizons**—When a student is more than 2 grade levels behind in ELA. This is also a great support for EL students~~
- ~~5. **Learning Ally**—this program is an audiobook program that reads books to students so that they can hear what it should sound like, as it is read by an English fluent person.~~
- ~~6. **Reading Eggs**—instructs students in the five core literacy areas outlined by the National Reading Panel as essential components of reading instruction. These include: Phonemic Awareness, Phonics, Fluency, Vocabulary, and Comprehension. It develops essential reading skills in a progression that will take a non-reader through to a grade 2 reading level.~~

Dear Parent/Guardian of _____

State and federal laws require all school districts in California to give a state assessment of English proficiency each year to every student who is identified as an English Learner. The assessment is called “English Language Proficiency Assessments for California (ELPAC).” The results of the ELPAC help to measure how each student is progressing toward proficiency in English in the areas of listening, speaking, reading, and writing.

Your child has been given the ELPAC for this year. Scores are in and based on your child’s performance on this test, your child may be Reclassified as Fluent English Proficient (RFEP). In addition to the ELPAC scores, criteria used to make this decision include:

- an evaluation of your child’s academic performance by the teacher,
- your child’s English proficiency as measured by Smarter Balance Assessment (SBAC), Star 360.
- your opinion as the parent/guardian regarding your child’s proficiency in English and readiness to be reclassified.

You are invited to contact me on the number below for a phone conference, so that we may discuss and decide on your child’s readiness and overall qualification for reclassification. Questions regarding the ELPAC or your child’s results may be directed to me as well.

We urge you to make this contact and hold this conference as soon as possible. Together we can make decisions that are in the best interest of your child.

Sincerely,

Kristal Leach

Work Sample Policy

Section: IV. Academic Excellence
Item: B. Work Sample Policy
Purpose: Vote
Submitted by:
Related Material: Work Sample Policy (Red Line) - Lake View.docx.pdf

BACKGROUND:

The proposed revision of the Work Sample Policy is an update to clarify the criteria for acceptable work samples to align with our Parent Handbook and current guidance from the auditor. *There is no substantive change to the content but language is clarified and simplified.*

RECOMMENDATION:

Recommended for Board approval

Lake View Charter School offers independent study to meet the needs of pupils enrolled in the charter school; and as such, teachers must collect work samples from students to ensure that all students meet the State student academic achievement standards. This policy ensures that student work samples contain the information necessary to ensure the student’s learning success.

The purpose of the Lake View Charter School Governing Board approving this Work Sample Policy is to accomplish the following:

1. Provide an overview for the Work Sample Policy
 2. Explain the **procedures for preparing** requirements of an acceptable work sample
 3. Identify criteria for **acceptable** ~~Non-Compliant~~ work samples
1. **Overview:** As an independent study program, Lake View Charter School is required to collect work samples from each of its students as a condition of apportionment. Work samples allow the student’s supervising teacher to determine the time value of the completed student work. Work samples are turned in to the student’s supervising teacher in accordance with the student’s Master Agreement **and Independent Study Policy**.
 2. **Procedures:** ~~Work samples~~ **Students (or the parent if a student is unable)** must **include** ~~contain~~ the following information **at the top of each sample**:
 - Student’s First Name and Last Name (nicknames **or preferred names** are **acceptable** ~~okay~~)
 - Date that the work was completed, including the year. ~~The work sample must be the student’s original work. If anything gets changed on the original work sample, the student must initial such changes. All initialed changes mean that the student made the changes, not the parent/guardian/caretaker or teacher.~~

The supervising teacher must verify the work sample **includes** ~~by including~~ the following:

- ~~Homeschool teacher’s name~~
- Student’s full name **as found in Pathways (if a nickname or preferred name is used, the teacher should write the student’s full name in red and use quotation marks to indicate the nickname/preferred name).**
- Date the student completed the sample
- **Student’s grade level (TK-8) and course name (all students must match the Master Agreement)**

- ~~• Date the teacher reviewed the material~~
- ~~• HST grade~~ A parent or teacher evaluation mark (TK-5) or grade (6-12)

3. Acceptable Work Sample Criteria:

- Samples must be original student work and non-sectarian (non-religious). Samples from a sectarian publisher are not allowed, even if the sample itself is non-religious in nature.
- All work must be neat and easy to read, including scanned copies.
- Samples must be a good representation of the student's abilities and must be in the student's own words.
- Photo work samples must include a reflection of the learning in the student's own words.
- Samples such as tests, quizzes, and math assignments, must include both questions and answers.
- The student's first and last name and the full date, dated within the correct learning period, must be clearly written at the top of each sample (by the student if they are able).
- Handwritten samples must have a handwritten name and date.
- Whiteout must not be used in the header of the work sample to correct the student's name or date.

- ~~• Original or scanned PDF version~~
- ~~• Demonstrates neat and organized work~~
- ~~• Demonstrates a good reflection of your child's learning and abilities~~
- ~~• Includes student's name and date in the top right-hand corner~~
- ~~• The sample needs to be completed and dated within the collection Learning Period~~
- ~~• Must be non-sectarian (non-religious)~~
- ~~• Photographs must include a summary from the student's perspective~~
- ~~• Samples may be typed or handwritten by the student. Younger students may dictate to the parent to write or type for them~~

4. ~~Non-Compliant Work Samples Include:~~

- ~~• Scanned documents that are difficult to read or are very light~~
- ~~• A scanned or printed document of a certificate of completion or report from an online learning platform~~
- ~~• Samples completed and dated not within the Learning Period~~
- ~~• A photograph which does not include the student's summary of the project/concept~~
- ~~• Incomplete worksheets or work~~

Non-Compliance Policy

Section: IV. Academic Excellence
Item: C. Non-Compliance Policy
Purpose: Vote
Submitted by:
Related Material: Non-Compliance Policy and Procedures - Lake View.docx.pdf

BACKGROUND:

The proposed revision of the Non-Compliance Policy is to clarify the criteria of non-compliance and update the procedure to clarify the communication, timeline and procedure for Administrative Withdrawal. There is no substantive change to the content aside from the addition of procedure for Administrative withdrawal.

RECOMMENDATION:

Recommended for Board approval

Lake View Charter School is committed to ensuring students are appropriately engaged in learning, particularly as it correlates to attendance reporting. After the Non-Compliance Process has been seen through, it may be determined that Independent Study is not the best educational placement for the student and as such, the student may be Administratively Withdrawn.

The purpose of the Lake View Charter School Governing Board approving this Non-Compliance Policy is to accomplish the following:

1. ~~Define~~ ~~Outline the~~ ~~Non-Compliance Process~~
 2. Outline the Student's Responsibility to complete Work/Progress, Assignments/Work Samples, and/or Student Activity Logs
 3. Outline the Parent's and Student's Responsibility to Schedule and Attend Monthly Learning Period **Meetings**
 4. Establish Communication Requirements with the Homeschool Teacher (HST)
 5. Outline the Non-Compliance Procedures
 6. Outline the Procedures for the HST when sending the First Non-Compliance Letter
 7. Outline the Procedures for the HST when sending the Second Non-Compliance Letter
 8. Outline the Procedures for the Administrative Conference ~~Call~~
 9. **Outline the Procedures for an Administrative Withdrawal** ~~Establish the Non-Compliance Timeline/Checklist~~
1. **Non-Compliance ~~Definition~~ ~~Process~~:** Non-Compliance is defined as meeting one or more of the following criteria:
- **Missing 2 or more assignments during a learning period**
 - **Missing 1 or more attendance logs**
 - **Missing a scheduled Learning Period Meeting after 2 attempts have been made to reschedule**
 - **Not responding to communication from Homeschool Teacher after 3 attempts have been made**
 - **Not submitting work samples when requested**

~~The school's Non-Compliance Process can be engaged if a student/family is found to have one or more of the following:~~

- ~~Two (2) missing assignments during any period of twenty (20) school days~~

- ~~One or more missing Work Samples~~
- ~~One or more missing Student Activity Logs (Attendance Logs)~~
- ~~Missed or not scheduled one or more monthly learning period or other meetings.~~
- ~~Has not responded to their Homeschool Teacher after three sets of attempts (phone and email) over the course of six school days.~~

2. **Student Work/Progress, Assignments/Work Samples, and Student Activity Logs:** It is required that all Homeschool Teachers (HSTs) review and affirm student learning and collect Student Activity Logs and Work Samples every **learning period** ~~twenty school days~~. It is also required that all HQTs monitor work completion and progress for High School Students, if using an HQT. When any pupil fails to complete two (2) assignments during any **learning period** ~~of twenty (20) school days~~, or has missed one or more work samples, the HST should then start the ~~Compliance~~ **Non-Compliance** Process.
3. **Monthly Learning Period or Other Meetings:** It is the parent's and student's responsibility to make every effort to schedule and attend monthly learning period meetings every twenty school days. If the meeting is not successfully **held, the HST will make two more attempts to reschedule within the next ten school days. If the meeting is still not successfully held** ~~or held after two or more attempts~~, it could be determined that the family has not met the school's meeting expectations and the HST should start the Non-Compliance Process.
4. **Communication Requirements with of the Homeschool Teacher:** HSTs will keep positive and open lines of communication with each family. HSTs will follow a communication pattern with a pairing of a phone call and email message, and document in Contact Manager. If an initial communication pair (#1) is not responded to within two school days, the HST will attempt to reach the family again with another communication pair (#2). If the second communication pair is not successful, the HST will attempt a third communication pair (#3) and start the ~~Compliance~~ **Non-Compliance** Process by sending Non-Compliance Letter #1.
5. **Non-Compliance Procedures:** ~~The compliance procedure can include two compliance letters and one Administrative Conference call. If after the Administrative Conference call the student fails to meet expectations, the student will be withdrawn from the school for at minimum, one academic school year.~~

Step 1: The HST will call and email the family when a concern or issue arises. The HST will clearly state why the family or student is in non-compliance and provide a 5-day plan for them to come back into compliance.

Step 2: If, after 5 school days, the family or student is still in non-compliance, the HST's Instructional Team Advisor will call and email the family and offer another 2 school days for them to come back into compliance.

Step 3: If, after 2 school days, the family or student is still in non-compliance, a letter will be emailed and sent via certified mail notifying the family they have an additional 5 school days to come into compliance.

Step 4: If, after 5 school days, the family or student is still in non-compliance, a second letter

will be emailed and sent via certified mail notifying the family that an Administrative Conference has been scheduled to determine next steps.

Step 5: During the Administrative Conference the best course of action will be determined. This may include an Administrative Withdrawal of the students in non-compliance.

If at any point in time a family or student becomes compliant, the non-compliance process stops. However, if there is relapse in non-compliance, the process will pick back up at the point at which it was left off.

6. **First Non-Compliance Letter:** Should any of the items listed in the Non-Compliance Process occur and there have been three Communication Pairs attempted, upon the third attempt, the HST will:

- Send Non-Compliance Letter #1 to the family via **email and** certified mail.
- Document date letter was sent, issue, and tracking number in Contact Manager
- Remind student/family of the appropriate sections of the Master Agreement and Parent-Student Handbook that specifically address the issue/concern.
- Talk with the family to see what the issues/concerns are on both sides as well as develop a plan to support the student and resolve any issues.
- Hold all Instructional Funds until the family is compliant.

7. **Second Non-Compliance Letter:** Without satisfactory resolution or response to the issues described in the Non-Compliance Letter #1 within five school days, the HST will:

- Attempt to call and email the family (Communication Pair #4)
- Determine a day and time to schedule an Administrative Conference ~~Call~~ with the parent(s)/guardian(s), HST, and **an Assistant Sr-Director or Director**, to be specified in Non-Compliance Letter #2. Date should be no sooner than the 6th school day from the date of the letter.
- Send Non-Compliance Letter #2 to the family via **email and** certified mail.
- Document date letter was sent, issue, and tracking number in Contact Manager
- Remind student/family of the appropriate sections of the Master Agreement and Parent-Student Handbook that specifically address the issue/concern.

Letter #2 gives the family the opportunity to communicate and work with their HST to address and problem-solve the issues of concern. Should the family fail to communicate to their HST within five school days from the date the letter was sent, the parent/guardian must either communicate and resolve the indicated issues with their HST or attend the Administrative ~~Phone~~ Conference as scheduled in the letter.

8. **Administrative Conference-~~Call~~:** Without satisfactory resolution to the issues/concerns, the HST will:

- Send out a **video** conference **invitation** ~~call number~~ to all participants.
- Attempt to remind/confirm the parent/guardian of the call via phone and email.

Document the communication in the Contact Manager.

- Document date the Administrative Conference ~~Call~~ was held including a brief summary of the outcome in the Contact Manager.

A team composed of Parent(s)/Guardian(s), HST, and an **Assistant Director or Director** must be present ~~on~~ **at** the Administrative Conference ~~Call~~. During this time the team will work towards resolution of the issues/concerns as well as determine if this is the best placement for the student. School Administration may determine the following:

- Independent Study is in the best interest of the student.
- The need to place the student on a student improvement plan.
- The need to implement different strategies to collect compliance documents (Student Activities Logs and or Work Samples).
- Determine that it is not in the student's best interest to remain in our independent study program.

If the Administration finds that **it this** is not in the best interest of the student to remain in independent study, then the student shall be withdrawn from the school by following the procedures in the school's withdrawal policy.

If the student or parent does not attend the Administrative Conference ~~Call~~, the student could be withdrawn from the school by following the procedures in the school's withdrawal policy.

9. Administrative Withdrawal: If it is determined during the Administrative Conference that it is not in the best interest of the student to remain in independent study, the Administration will send the Disenrollment Letter via email and certified mail. The Disenrollment Letter will:

- Notify the family of the school's intent to disenroll the student in five school days.
- Outline the Compulsory Education Statute of California and the school's obligation to notify the student's school district of residence of their enrollment status.
- Provide the family with the right to appeal the school's decision by requesting a hearing.
- Include an enclosed copy of the Charter School Compliant Notice and Form.

If the family does not invoke their right to a hearing within five school days, the student will be disenrolled. Students who are subject to an administrative withdrawal may not be considered for re-enrollment to the charter school or any affiliated charter for a period of one calendar year.

~~Non-Compliance Timeline/Checklist:~~

- ~~Concern/Issue Arises~~
 - ~~The HST will Call and Email Family (Communication Pair #1)*~~
- ~~Wait 2 School Days~~
- ~~Resolution - Stop Process~~
- ~~If No Resolution Continue~~
 - ~~The HST will Call and Email Family (Communication Pair #2)*~~

Independent Study Policy

Section: IV. Academic Excellence
Item: D. Independent Study Policy
Purpose: Vote
Submitted by:
Related Material: Lake View Independent Study Policy-Redline.docx

BACKGROUND:

Independent Study Policy is being amended to meet the requirements AB130 2021 and AB167 2021

- Clarifies time value determination of work product by a certificated teacher employed by the LEA
- Clarifies satisfactory educational progress
- Re-engagement strategies
- Synchronous instruction

RECOMMENDATION:

Recommended for Board approval

REVISED: Independent Study Board Policy

Lake View Charter School ~~offers~~ (hereinafter “Charter School”) may offer independent study to meet the educational needs of pupils enrolled in the charter school (~~“Lake View” or “Charter School”~~). Independent study is an alternative education designed to teach knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully in accordance with applicable law.

The purpose of the Charter School Governing Board approving this Independent Study Policy is to accomplish the following:

1. Establish the Time in Which an Assignment Must Be Completed
1. Establish the Procedure for Placement Determination
2. Outline What Must Be Included in a Current Written Agreement
3. Outline How Average Daily Attendance Will Be Calculated
4. Establish Compliance with the Education Code
5. Establish the Implementation of the Independent Study Policy

The Executive Director or designee retains discretion to approve independent study written agreements for students. The Charter School will provide appropriate services, supports, technology, and resources to enable students to complete their independent study program successfully. These independent study policies have been established by Charter School in alignment with Education Code § 51745 et seq., updated to meet the requirements of Assembly Bill 130 (2021) and Assembly Bill 167 (2021), and adopted pursuant to Education Code (“EC”) § 51747 and 5 C.C.R. § 11701. The following policies are effective as of the start of Charter School’s 2021-22 school year:

1. ~~1. **Certificated Teacher Supervision:**~~ For each student in independent study, Charter School will assign a certificated employee to coordinate, evaluate, and provide general supervision of the student’s independent study instruction. (EC § 51747.5(a).)
2. ~~**Time in Which an Assignment Must Be Completed:**~~ ~~For pupils in all grade levels offered by the Charter School, For students in independent study in any grade level,~~ the maximum length of time that may ~~elapse-lapse~~ between the time an independent study assignment is made and the date by which the ~~pupil-student~~ must complete the assigned work ~~shall be-is~~ twenty (20)-~~school days~~ school days. (EC § 51747(a).)

3. **Evaluation of Independent Study:** When any student fails to complete two (2) assignments during any period of twenty (20) ~~school days~~ schooldays or fails to make satisfactory educational progress (defined below in Section 4), the Charter School (e.g., Director of Academic Program) will conduct an evaluation to determine whether it is in the best interests of the student to remain in independent study, or whether the student should return to or otherwise be placed in a regular in-person school program. A written record of the findings of any evaluation will be maintained in the student’s permanent record. Discussion and Potential Action on Use of Consent Agenda

Section: V. Governance
Item: A. Discussion and Potential Action on Use of Consent Agenda

Lake View Board Resolution - Consent Agenda.docx.pdf

THE CONSENT AGENDA

What is a consent agenda?

A consent agenda groups the routine, procedural, informational and self-explanatory non-controversial items typically found in an agenda. These items are then presented to the board in a single motion for an up or down vote after allowing anyone to request that a specific item be moved to the full agenda for individual attention. Other items, particularly those requiring strategic thought, decision making or action, are handled as usual.

Why would an organization want to use a consent agenda?

Consent agendas are popular with many nonprofit organizations because they help streamline meetings and allow the focus to be on substantive issues.

What does it mean if we adopt a consent agenda?

- Documentation for consent items must be provided to the board prior to meetings so that directors feel confident that their vote reflects attention to their duty of care.
- Board members are encouraged to ask prior to the meeting all the questions that they want related to consent agenda items.
- If it is determined that an item on the consent portion of the agenda actually requires action or a decision that item should be removed from the consent portion of the agenda and raised later in the meeting.
- Any board member can request that an item be moved to the full agenda.
- A vote on the single motion applies to all the items on the consent portion of the agenda.

What does it *not* mean if we adopt a consent agenda?

- Consent agendas do not make it easier to ramrod through decisions since decision items are not placed on the consent portion of the agenda and all items on the consent portion of the agenda are still open to discussion and debate if someone requests they be moved.
- It is not always necessary to remove an item from the consent agenda if people have simple questions or wish to discuss the item further. Discussion is permitted after the motion for approval is made, but before the vote. However, everyone should remember that extensive conversation defeats the purpose of the consent agenda.

THE CONSENT AGENDA

What normally is found on a consent agenda?

Routine, informational, procedural and self-explanatory non-controversial items are generally placed on the consent portion of the agenda. These typically are such things as:

- Approval of board and committee minutes
- Correspondence requiring no action
- Committee and staff reports
- Updates or background reports provided for informational purposes only
- Appointments requiring board confirmation
- Approval of contracts that fall within the organization's policy guidelines
- Final approval of proposals that have been thoroughly discussed previously, where the board is comfortable with the implications
- Confirmation of pro forma items or actions that need no discussion but are required by the bylaws
- Dates of future meetings

What is the process for using a consent agenda?

- The board must begin by approving a motion to adopt the consent agenda for its meetings.
- The board should then craft a policy about what may and may not be included in the consent portion of the agenda.
- The full agenda, including the consent items should be disseminated prior to the board meeting along with copies of reports and back up materials so that board members can do their due diligence prior to voting.
- As the first item of business the chairman should ask if anyone wishes to remove an item from the consent portion of the agenda.
- The chairman then asks for a motion to accept the consent agenda.
- Once the motion has been received, the chairman opens the floor for any questions or discussion on the items remaining on the consent agenda. The understanding, though, is that the directors have come prepared and, other than a quick point or question, they are comfortable voting for the items or they would have asked to have them removed.
- If any items were removed from the consent portion of the agenda the chairman may determine where on the agenda those items will be discussed, e.g., immediately after the consent agenda has been accepted or later on the agenda.
- Quickly reviewing the remaining items, the chairman asks for any objections to the adoption of those remaining items. If none are offered all items on the consent agenda are considered to be passed.

THE CONSENT AGENDA

What does the rest of the agenda look like?

The answer to this is that it depends. If the organization is most comfortable with an “old business/new business” format, this can remain. However, the organization may find more benefit tackling one or two items that relate directly to the mission, vision and organizational values and that require special attention. Time spent in educating the board on mission-related, governance, or community issues is always valuable, as is dedicating some time to those problems or concerns that keep the executive director awake at night and the BTW Talk.*

* The “By the Way” Talk refers to giving board members the opportunity to share what they’ve heard or learned since the last board meeting that might have impact on the organization either in the short or long term. It could be considered a continuous environmental scan.
