**LAKE VIEW CHARTER SCHOOL BOARD OF DIRECTORS
RESOLUTION NO. 2021-09 AUTHORIZING USE OF REMOTE
TELECONFERENCING PROVISIONS (AB 361)**

WHEREAS, the Governing Board of the Lake View Charter School (“Board”) is committed to open and transparent government, and full compliance with the Ralph M. Brown Act (“Brown Act”); and

WHEREAS, the Brown Act generally requires that a public agency take certain actions in order to use teleconferencing to attend a public meeting virtually; and

WHEREAS, the Board recognizes that a local emergency persists due to the worldwide COVID-19 pandemic; and

WHEREAS, the California Legislature has recognized the ongoing state of emergency due to the COVID-19 pandemic and has responded by creating an additional means for public meetings to be held via teleconference (inclusive of internet-based virtual meetings); and

WHEREAS, on September 16, 2021, the California legislature passed Assembly Bill (“AB”) 361, which amends Government Code, section 54953 and permits a local agency to use teleconferencing to conduct its meetings in any of the following circumstances: (A) the legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; (B) the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or (C) the legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, in order for the Board to use teleconferencing as allowed by AB 361 after October 1, 2021, it must first adopt findings in a resolution, allowing the Board to conduct teleconference meetings for a period of thirty (30) days; and

WHEREAS, Governor Gavin Newsom declared a state of emergency for the State of California due to the COVID-19 pandemic in his order entitled “Proclamation of a State of Emergency,” signed March 4, 2020; and

WHEREAS, the County of Glenn continues to require certain social distancing requirements of people within Glenn County, as described in detail in the Order of the Health Officer of the County of Glenn, and

[OR]

WHEREAS, the Board is conducting its meetings through the use of telephonic and internet-based services so that members of the public may observe and participate in meetings and offer public comment.

NOW THEREFORE, BE IT RESOLVED, that the recitals set forth above are true and correct and fully incorporated into this Resolution by reference.

BE IT FURTHER RESOLVED, that the Board is conducting meetings during a state of emergency and state or local officials have imposed or recommended measures to promote social distancing.

BE IT FURTHER RESOLVED, that the actions taken by the Board through this resolution apply to any and all District committees which are otherwise governed by the Brown Act.

BE IT FURTHER RESOLVED, the Board authorizes the Executive Director or their designee(s) to take all actions necessary to conduct Board meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act, using teleconferencing for a period of thirty (30) days from the adoption of this Resolution after which the Board will reconsider the circumstances of the state of emergency.

PASSED AND ADOPTED by the Lake View Charter School Board of Directors on this __ day of _____ 2022, by the following vote:

A Guide to Financial Oversight for Board Members

Agenda

- 
- I. Primary Board Responsibilities
 - II. Reviewing Financial Packages – Test Case

I. PRIMARY BOARD RESPONSIBILITIES

School Board's have a lot to do, these are the most critical.

Primary Board Responsibilities

1. **Determine the organization's mission and purpose.** It is the board's responsibility to create and review a statement of mission and purpose that articulates the organization's goals, means, and primary constituents served.
2. **Select the chief executive and assess his/her performance.** Boards must reach consensus on the chief executive's responsibilities and undertake a careful search to find the most qualified individual for the position.
-  3. **Provide proper financial oversight.** The board must assist in developing the annual budget and ensuring that proper financial controls are in place.
4. **Ensure legal and ethical integrity and maintain accountability.** The board is ultimately responsible for ensuring adherence to legal standards and ethical norms.
5. **Enhance the organization's public standing.** The board should clearly articulate the organization's mission, accomplishments, and goals to the public and garner support from the community.

II. REVIEWING A FINANCIAL STATEMENT PACKAGE

What you should be looking for and when to ask questions.

Financial Package Elements

The financial statement package provided on a monthly basis is intended to give both a retrospective and prospective view of the organization's financial condition. The possible elements included in the monthly package include:

- *Executive Summary*
- *Monthly Cash Flow/Forecast*
- *Budget vs. Actual*
- *Statement of Financial Position*
- *Statement of Cash Flows*
- *AP Aging*
- *Monthly Check Register*

Enrollment

Enrollment, and attendance in some cases, is the main driver of school revenue. Good financial oversight must start with understanding enrollment.

Do these changes match your expectations and other discussions about school operations?

Are enrolled students attending on a regular basis?

How does the actual enrollment compare to the budget?

What direction is enrollment trending?

Enrollment & Per Pupil Data			
	<u>Avg-YTD</u>	<u>Forecast</u>	<u>Budget</u>
Average Enrollment	1349	1540	1540
Attendance Rate	91.7%	95.0%	95.0%
Revenue per Student		\$12,130	\$12,611
Expenses per Student		\$12,118	\$12,162

Is the forecast updated to match the current enrollment?

Revenue

Maintaining a balanced budget means starting with the funds you have, **THEN** allocating them to meet needs.

Is it possible to estimate revenue more accurately in the future?

How does the year-to-date revenue compare to the year end forecast?

How does the change in forecasted revenue compare to the changes in enrollment?

Revenue

Do delays in funding require more collection activities?

Are particular revenue sources changing from the budget?

Expenses

Properly allocating spending requires understanding the difference between “wants” and “needs” and adjusting based on available resources.

Does the school spending mirror it's priorities?

Are there any significant changes from the budget?

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

ABOUT OUR SCHOOL

Lake View Charter School (LVCS) opened in the fall of the 2019-20 school year. Lake View Charter School is a WASC accredited, non-classroom based public charter school authorized by Lake Elementary School District in Glenn County serving students in Glenn, Colusa, Butte, Lake, Mendocino, and Tehama Counties from kindergarten through 12th-grade. We take great pride in being able to offer our students flexible personalized learning experiences through our many unique and dynamic programs. Our school values and supports parent choice and personalized learning for all students.

LVCS Home School Teachers (HST's) are California credentialed teachers who partner with families to nurture, guide and enhance a student's educational needs. A focus of collaboration with academic achievement and the development of the whole child with personalized learning is pivotal.

At Lake View Charter, we have goals for our students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our school culture: they reflect our school vision, the College and Career Readiness standards, and the education of the whole child.

The Junior High Virtual Academy (JHVA) and High School Virtual Academy (HSVA) were developed to support students. Both programs were developed to teach live online instruction providing standards aligned courses by credentialed teachers.

LVCS teachers collaborate with parents/learning coaches to create Learning Plans for students each learning period that outlines the lessons to be completed during a specified time frame. All students have access to online all access curriculum as well as curriculum to support educational standards. Internal benchmark diagnostic assessment data gathered from a computerized adaptable test, taken each fall, winter and spring, for grades K-12, pinpoints the proficiency level of students across a range of subjects. The benchmark diagnostic assessments are specifically designed to provide meaningful information for gauging student progress toward mastery of the skills measured by the summative assessments. This data along with learning styles are used to build the individualized learning path for each student to target specific learning objectives and standards. Regular assessment determines the level of mastery and individualizing the Learning Plan helps students progress quickly.

Teachers can provide instruction and support either in person or online through web-conference platforms. This tool allows for teacher collaboration and instruction by using video, voice, text, and shared writing space. Students have twenty-four hour access to all curricula, and learning can take place at a variety of locations according to student and family preference, including libraries and the students' residences.

LVCS has implemented an online direct instruction platform (four to six week direct instruction, intervention courses for mathematics and language arts), and other programs so that all students have the critical thinking skills to be successful in college and career pathways. LVCS's tiered level of support is robust and differentiated for different learning styles. LVCS is continuously planning and adjusting programs to meet the needs of the student population served. Lake View Charter School's leadership and staff look forward to continuing their collaboration with the district in providing an option to students looking for an Independent study/homeschool program.

OUR MISSION

The mission of Lake View Charter School is to develop the individual gifts of students in Glenn County and adjacent counties to become proficient in Common Core State Standards and become critical thinkers, responsible citizens and innovative leaders prepared for academic and real-life achievement in the 21st Century. The mission will be accomplished in a personalized environment that fosters successful achievement through quality, personalized, standards-based education, which could include online coursework, offline textbook work, and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

OUR VISION

Lake View develops the individual gifts of students to become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life success in the 21st century.

LAKE VIEW STUDENTS ARE:

- Navigators of the Digital World - Navigators of the digital world who are proficient in the use of technology, media, and online resources.
- Self-Directed - Self-directed and motivated students who are able to set attainable goals to achieve academic success.
- Personalized Learners - Personalized learners who are able to thrive in the style of education that best fits their individual needs.
- Independent Critical Thinkers - Independent critical thinkers who have the ability to problem solve, take ownership, and apply their knowledge to a variety of problems.
- Responsible Citizens - Responsible citizens who demonstrate integrity and respect while actively seeking knowledge of local and global issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2020—2021)

Today's Career Tech Education (CTE) is a program of study integrating core academic knowledge with technical and occupational knowledge. Lake View Charter School continues to develop and implement Career Technical Education (CTE) pathways to help prepare students for rapidly shifting workplace requirements. In alignment with the statewide Doing What Matters Initiative (DWMII), we strive to develop a CTE program that is responsive to the needs of regional economies. We actively collaborate with local college and industry representatives to implement CTE course pathways, internships, and/or industry certificates that will help prepare students for the regional labor market needs. Upon completion of a CTE pathway, students have the knowledge base required to sit for and pass the exam leading to industry certification, giving them the opportunity to apply for a career-ready job. Our CTE program is also intended to prepare students for college simultaneously. As such, we are actively aligning our CTE courses with the University of California A-G subject-area requirements. Further, our CTE program provides access to all students regardless of gender, socio-economic status, special needs, and/or English proficiency. Currently we are offering approximately 29 CTE pathways in areas of Agriculture & Natural Resources, Arts, Media, & Entertainment, Business & Finance, Education, Child Development, & Family Services, Engineering & Architecture, Fashion & Interior Design, Health Science & Medical Technology, Hospitality, Tourism, & Recreation, Information & Communication Technologies, Manufacturing & Product Development, Marketing, Sales, & Services, and Public Services. In addition it is our school's mission to meet the needs of our students and we are continuously asking for feedback to improve our program and add the CTE pathways and courses our students are interested in participating in.

C. Engagement

State Priority: Parental Involvement

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

Lake View Charter School ensures parents, legal guardians, and teachers have an opportunity to participate in our school in a variety of ways. Board meetings, parent education workshops, weekly Community Connection events and weekly staff office hours are posted on school websites, social media, and shared with all families in a weekly email. The Board of Directors 2021-22 School Accountability Report Card for Lake View Charter School includes parents/guardians of current or previous students who have a direct impact on the governance of the school. These parent representatives provide insight as it is related to program planning, design, and implementation. By nature of our program, parents/guardians are directly involved in their student’s education and may also assist with community events, park days, and other school-related activities such as curriculum swaps or book clubs. Parent satisfaction surveys are provided electronically to all parents annually in the spring. The surveys are developed specifically to assess parent input on effectiveness of all aspects of the school. Our Families also have the accessibility to our Family Liaisons, who work directly with the families as a bridge of communication and support. Parents can communicate their needs and provide feedback with our family liaison through social media platforms, contact information is available on our weekly newsletter, and directly through our school phone number (916) 526-3794. In addition, the school has partnered with local community organizations and businesses to provide educational workshops, lessons, classes, and outreach that enrich the students’ educational experience.

Suspensions and Expulsions for School Year 2019–2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2020–2021	District 2020–2021	State 2020–2021
Suspensions	0.00%	0.00%	0.20%
Expulsions	0.00%	0.00%	0.00%

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2021–2022)

Lake View Charter School has a Comprehensive Safety Plan which is reviewed, updated, and discussed every fall before school resumes. The safety plan includes emergency procedures and contact information, evacuation routes, incident command system procedures, and an injury and illness prevention plan. LVCS approved the Comprehensive Safety Plan on February 25, 2021 for the upcoming 2021-2022 school year. The school employs Psychologists and Counselors to provide support in the event of a crisis. The Governing Board of LVCS recognizes that students and staff have the right to a safe and secure environment. Board policies have been created and adopted to support student safety. Board policies can be found on the school’s website. All staff are required to complete safety training aligned with educational necessary content such as Mandated Reporting, Universal Precautions for Bloodborne Pathogens, Bullying Prevention, Sexual Harassment, and Suicide Prevention. LVCS is continually enhancing training and board policies as needed for both student and staff safety.

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.
