# UPK PLAN

## Focus Area A: Vision and Coherence

### School Summary:

As a non-classroom based charter school, our TK students will receive programming during the school day. Within our model, we do not participate in CSPP, Head Start, other subsidized or privately administered preschool and childcare programs. Although this is not an option, our school will ensure that this information is shared with families who have students in TK on our school website. The Charter School's goal is to provide equity of access for all students and families for all four year old children.

We will prepare our TK students also with our Schoolwide Learner Outcomes (SLO's) The SLO's represent what students engage in and strive to achieve when they work through our program. The SLOs are an ingrained part of our school culture, and reflect our school vision. We believe that educating the whole child is most important and we value our homeschool community. Teachers, students, and parents partner together throughout the year to review and reflect on student progress of the SLOs. The vision will be accomplished in a personalized environment that fosters successful achievement through quality, personalized, standards-based education, which could include online coursework and classes, offline textbook work, and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

The Charter School is offering a variety of TK programs to launch in Fall 2022 to all our eligible students. This will include coursework and curriculum, online class opportunities, plus enrichment opportunities through our community vendor partnerships.

Home school teachers will collaborate with parents/guardians of TK students through regular meetings with families and students (minimum of every 20 days), office hours via telephone or internet, participation in scheduled live synchronous sessions, participation in diagnostic assessments, informal assessments, and the completion of assignments.

UPK leadership will be integrated into the decision-making process at the executive level by having the program overseen by our leadership team. The team directly reports to an administrator or designee who is part of the decision-making process.

Our TK program will fit into this model by offering personalized learning plans developed for TK, our dedicated home school teachers will work closely with the family, benchmark assessments designed for TK, curriculum choices designed for a rigorous TK program, and opportunities for online learning with a class of peers. Our social emotional support will extend to our UPK students. We will provide a variety of TK curriculum delivery options which employ accommodations, teacher support, performance tasks, and progress monitoring.

With any of our TK curriculum delivery options, academic, social-emotional/mental health, and behavioral supports are offered to all students through a Multi-Tiered System of Support (MTSS). MTSS is a schoolwide, data-driven, inclusive framework that can provide a continuum of support to meet the various needs of all students, including those with exceptional needs.

Our extensive system of support also includes support for students who qualify for special education services. All services and instruction is delivered in the least restrictive learning environment through the use of internal credentialed staff as well as outside Non-Public Agencies (NPA). We are open to building these connections with early learning/care community vendors that we partner with for offering enrichment opportunities.

## **Focus Area B: Community Engagement and Partnerships**

### **School Summary:**

The Charter School will successfully implement UPK and create a P-3 continuum by cultivating relationships with both internal and external partners. The Charter School will work with the public such as: family/parent surveys, ELAC/DELAC, SELPA, governance board public hearings, social media outreach, meetings with other non-classroom based charter school leaders to receive feedback, suggestions, and discussions in relation to UPK.

In addition, we know from parent feedback and surveys that many parents also prefer choice in selecting curriculum for their students. We will provide a list of academically rich and diverse curriculum selections consisting of multiple modalities and learning styles for families to choose from. At the same time, we keep students on track by creating individualized educational plans in which students follow and make progress, regardless of the curriculum choices, learning model, and platform chosen. We partner with hundreds of community partners for enrichment opportunities. These community partners offer art, dance, STEM, physical education, tutoring, and more. Our students actively participate in a huge variety of extending learning opportunities through these partnerships. The Charter will continue to work with the county office of education and our SELPA to collaborate to provide an inclusive UPK opportunity.

## **Focus Area C: Workforce Recruitment and Professional Learning**

### **School Summary:**

The Charter School will create an internal process to analyze the credentials of current staffing to serve TK students due to EC Section 48000(g)(4). If our current staff does not have ample teachers to serve TK population, the school will offer opportunities for teachers to gain the necessary requirements per ed code. Potential suggestions are stipends for tuition and fees, along with advice on options on how to meet the requirements. The charter school will post open positions on Edjoin.org and reach out to local universities to participate in recruitment. The charter school does not offer CSPP due to the delivery model.

The Charter school intends to offer professional learning to TK during the 2022-23 school year by incorporating PD into the back to school workshops, monthly staff meetings, and PLC's. Some examples of topics that will be covered include, but are not limited to:

- Effective adult-child interactions
- Children's literacy and language development (aligned with the Preschool Learning Foundations and Frameworks)
- Children's developing math and science (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)
- Children's social-emotional development (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)
- Implicit bias and culturally- and linguistically-responsive practice
- ACEs and trauma- and healing-informed practice
- Curriculum selection and implementation
- Creating developmentally-informed environments
- Administration and use of child assessments to inform instruction
- Support for multilingual learners, including home language development and strategies for a bilingual classroom
- Serving children with disabilities in inclusive settings, including Universal Design for Learning
- Engaging culturally- and linguistically-diverse families

The Charter will work with local colleges, as well as local community colleges to recruit certified teachers and assistant teachers who have been training in research based practices to ensure a quality program. Ed join and other recruitment platforms will be used to offer a competitive salary for qualified professionals.

#### **Focus Area D:**

##### **Curriculum, Instruction, and Assessment**

Curriculum will be developed/selected based on individualized and differentiated instruction to meet the unique educational, developmentally age-appropriate and social-emotional learning needs of students across the continuum of development; aligning the California Learning Foundations and California Learning Frameworks Volumes 1,2, & 3, targeting all 7 Domains. Locally developed or commercially published curricula will be utilized as a blueprint in collaboration with teacher observations reflecting students current developmental levels, assessed needs, and a series of questions seeking to meet the needs of individuals or groups the teacher can decide what to teach, what modifications, adjustments, and or adaptations need to be made to provide a purposeful, intentional, and meaningful learning instruction, identifying, addressing, and including the specific required standards on the lessons, meeting the needs of each student and assessing progress, reflecting students interests, backgrounds, and current areas of inquiry.

The Charter school will use the following observational assessments during each Learning Period meeting. The supervising teacher will administer benchmark assessment three times a year.

#### STAR Early Literacy

Homeschool teachers will work with families to find baseline levels for each student's knowledge and abilities and monitor their progress throughout the year using formal assessments, informal assessments, and work samples. Individualized Learning Plans will be used to guide the instruction and support the learning of the student. We will use the California Learning Foundations and Frameworks as a base to build Individualized Learning Plans.

Our schools use Multi Tiered Systems of Support (MTSS) which helps support all students and is structured to provide universal supports and high quality instruction for all students. Students have the option to utilize our All Access curriculums which are research based and are a Tier 1 support. If more support is needed, students will be able to access the next tier of support through our Intervention Programs. We have a robust Student Support program which provides guidance and documentation of student growth for who have been identified as needing additional support. We support our students with disabilities by having close partnerships with families, seeking resources from specialists, and working with general and special education professionals. addressing IEPs would include a team required to document how the child will access the core curriculum and what supports will be needed. The Center for the Social and Emotional Foundations for Early Learning (CSEFEL) and the Technical Assistance Center on Social and Emotional Intervention(TACSEI) and Special Education Local Plan Area (SELPA) are some additional resources.

For our multilingual learners we offer a variety of opportunities to support the overall language and development of our students. We acknowledge and support our multilingual learners and encourage them to continue to develop their home language skills alongside learning English. Small classes of multilingual learners give our students ample opportunities to practice their emerging English skills using instructional practices that result in participation and engagement, as well as making students feel safe, taking risks-including language risks.

The funding selection impacts how your school receives revenue payments. All charter schools must be either directly or locally funded. The funding selection impacts how your school receives revenue payments. All charter schools must be either directly or locally funded. For example: LCFF apportionment funds for a locally funded charter school flow through its local chartering authority whereas funds for a direct funded charter school may flow directly to the county treasurer and then to the charter school. **Purpose:**  
**Submitted by:**  
**Related Material:** Executive Director MOU\_22-23.pdf

## **MEMORANDUM OF UNDERSTANDING FOR SHARED EXECUTIVE PERSONNEL SERVICES**

This Memorandum of Understanding for Shared Executive Personnel Services (“MOU”) is entered into as of July 1, 2022 (“Effective Date”) by and between the following California nonprofit public benefit corporations, which may each be referred to herein as a “Party” and collectively as the “Parties” to this MOU: Lake View Charter School (“LVCS”), Clarksville Charter School (“CCS”), and Feather River Charter School (“FRCS”).

### **RECITALS**

**WHEREAS**, LVCS, CCS, and FRCS are nonprofit corporations that operate California public charter schools;

**WHEREAS**, CCS entered into an employment agreement effective as of July 1, 2021 that will be renewed effective as of July 1, 2022, with Jenell Sherman as the Executive Director of CCS. As part of the terms of Sherman’s Employment Agreement and any addendums thereto, Sherman and CCS agrees that Sherman may be on loan to LVCS and FRCS in the roles designated herein;

**WHEREAS**, the Parties seek to share the services of: Sherman as an Executive Director for CCS, FRCS, and LVCS (collectively, the “Shared Personnel”) cooperatively in order to achieve cost savings and other benefits for each Party, so that each Party may have access to additional, valuable and/or specialized personnel services that might otherwise not be available to them;

**WHEREAS**, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost-effective manner; and

**WHEREAS**, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this MOU, the sufficiency of which is acknowledged, the Parties hereby agree as follows.

### **AGREEMENT**

The non-Lessor Parties entitled to receive Services from Shared Personnel pursuant to the terms of the MOU shall constitute the “Lessees.” Shared Personnel shall be subject to the ultimate oversight, direction and control of the Lessor and their respective governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this MOU shall not terminate the Shared Personnel’s employment relationship with CCS. Lessees are not, and nothing in this MOU shall cause Lessees to become, third party beneficiaries to the Lessor’s respective employment

agreement with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

**3. Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using a formula based on ADA set forth in **Attachment B** (the "Allocation").

a. Fees. Each Lessee shall pay to the Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the respective Shared Personnel as set forth in **Attachment B**. The total cost shall be fixed as of July 1 for each year of this MOU and may thereafter be subject to change only with the agreement of all Parties. **9. Term and Termination.**

a. Term. The MOU is effective as of July 1, 2022 and shall remain in effect until June 30, 2023 (the "Initial Term"). This MOU shall automatically renew for consecutive additional one (1) year terms unless a Party provides written notice of non-renewal to the other at least ninety (90) days prior to the expiration of the then-current term (each, a "Renewal Term"). The Initial Term and any Renewal Term(s) are referred to as the Term. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination by a Lessee will not automatically terminate this MOU as to the remaining Parties. In the event a Lessee's participation in this MOU is terminated, the remaining Parties' Allocation shall be re-assessed consistent with Section 3 of this MOU.

b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.

- i. Material Breach. Any Party may terminate this MOU the event of another Party’s material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice is provided to all Parties. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. Following termination under this subsection, the breaching Party remains responsible for paying its Allocation of fees through the last day of the month in which the MOU is terminated.
- ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate their participation in the MOU. Notice of any such revocation or non-renewal shall be provided as soon as possible.
- iii. Termination for Change in Shared Personnel. Any Party may terminate this MOU upon a change in the employment status of Shared Personnel. A legally protected leave of absence taken by Shared Personnel shall not constitute a change in employment status under this subdivision and shall not give cause for termination of this MOU. In the event Shared Personnel are on an extended leave of absence or are no longer employed by the respective Lessor, that Lessor and applicable Lessees may mutually agree upon a replacement. In the event Shared Personnel are terminated which results in a severance, the terminating employer shall be responsible for paying for any severance required by that contract.

c. Termination by Agreement of All Parties. This MOU may be terminated at any time upon a written agreement of all Parties.

**10. Intellectual Property; Work Product.** Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party’s use of another Party’s intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

**11. Confidentiality.** Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties’ Confidential Information. The Parties’ obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. Scope. “Confidential Information” means non-public information marked either “confidential” or “proprietary,” or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, closed session records and communications, student education records, intellectual property,

business or strategic plans, contractual arrangements or negotiations, fundraising and marketing strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. Notice. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including through a subpoena or request under the California Public Records Act, but excluding requests in connection with routine supervisory examination by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement), the Party to which the request for disclosure is made shall provide the Party(ies) whose Confidential Information is requested with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the affected Party(ies) to seek a restraining order or other appropriate relief.

c. Return. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned.

**12. Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“FERPA”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing each Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Shared Personnel to access personally identifiable information from student education records from the Lessees as needed to perform the Services. For purposes of this MOU, the term “personally identifiable information” (“PII”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessees. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

**13. Scheduling Conflicts.** In the event an actual or potential scheduling or related conflict arises between the Parties, the affected Parties shall seek to resolve the conflict, while taking reasonable measures to protect from disclosure any Confidential Information.

**14. Insurance.** Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel.

a. California Workers’ Compensation Insurance, as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator's Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the "Additional Insureds") under the General Liability and Employment Practices policies. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor's insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor's insurance and shall not contribute to it.

f. Lessor hereby agree to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. Upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language affecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor's obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide 30 days prior written notice to applicable Lessees in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis, then the following terms shall be provided to the extent possible: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

**15. Liability.** Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party's obligations under this MOU.

**16. Indemnification.** Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, and agents, from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence or willful misconduct of that Party, including its employees, officers directors and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence or willful misconduct.

**17. Assignment.** No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

**18. Fiduciary Obligations.** The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

**19. Dispute Resolution.** If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

**20. Dispute Resolution.** All notices, requests, demands, or other communications (collectively "Notice") given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:
