We are pleased to confirm our understanding of the services we are providing for Lake View Charter School for the year ending June 30, 2020, with the option to renew for the years ending June 2021 and 2022. We will audit the statement of financial position of Lake View Charter School as of June 30, 2020, 2021 and 2022, and the related statements of activities, and cash flows for the years then ended. Also, the following supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on the supplementary information in relation to the financial statements as a whole.

1. Charter Organizational Structure
2. Schedule of Average Daily Attendance
3. Schedule of Instructional Time
4. Reconciliation of Financial Reports – Alternative Form with Audited Financial Statements
5. Schedule of Expenditures of Federal Awards (if Uniform Guidance applies*)

In addition, we will prepare the Federal and State tax returns for fiscal year ending June 30, 2020, with the option to renew for the years ending June 2021 and 2022.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the third paragraph when considered in relation to the financial statements taken as a whole. The objective also includes reporting on:

- Internal control related to the Agencies' financial statements and compliance with the provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *Audits of States, Local Governments, and Non-Profit Organizations*, if applicable.
- The types of compliance requirements described in the *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, section 19810.

*A Federal Single Audit under Uniform Guidance is applicable in any year that Lake View Charter School expends more than \$750,000 in Federal funds.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. If applicable, the Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the provisions of the Uniform Guidance, if applicable, and *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, prescribed in Title 5, California Code of Regulations, section 19810*, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, if applicable, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the governing board of Lake View Charter School. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

Audit Procedures-General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the Lake View Charter School. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures-Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance (if applicable), we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of the controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance, if applicable.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Lake View Charter School's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *Uniform Guidance Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Lake View Charter School's major programs. The purpose of those procedures will be to express an opinion on Lake View Charter School's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance, if applicable. A Federal Single Audit under Uniform Guidance becomes applicable when Lake View Charter School expends more than \$750,000 in Federal funds in any given year.

Tax Preparation Services

We will prepare your annual informational returns for the IRS (Form 990 or 990-EZ, as appropriate) and Franchise Tax Board (Form 199) with supporting schedules, and perform related research as considered necessary. This engagement pertains to the years per above. Our responsibilities do not include preparation of any other tax returns that may be due to any taxing authority. Each annual engagement will be complete upon the delivery of completed returns to you.

It is your responsibility to provide us with all the information required for preparing complete and accurate returns. You are responsible for the safeguarding of assets, the proper recording of transactions in the books of accounts, the substantial accuracy of the financial records, and the full and accurate disclosure of all relevant facts affecting the return(s) to us.

We may provide you with a questionnaire or other document requesting specific information. Completing those forms will assist us in making sure you are well served for a reasonable fee. You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. We will not verify the information you give us; however, we may ask for additional clarification of some information.

You also have final responsibility for the tax return and, therefore, the appropriate officials should review the return carefully before an authorized officer signs and files it.

You are responsible for making all management decisions and performing all management functions; for designating an individual with suitable skill, knowledge, or experience to oversee the bookkeeping and tax services we provide; and for evaluating the adequacy and results of the services performed and accepting responsibility for such services.

If, during our work, we discover information that affects your prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us for the best resolution of the issue.

Our work in connection with the preparation of the tax return(s) does not include any procedures designed to discover defalcations or other irregularities, should any exist. The returns will be prepared solely from information provided to us without verification by us.

In accordance with federal law and under no circumstances will we disclose your tax return information to any location outside the United States, to another tax return preparer outside of our firm for purposes of a second opinion, or to any other third party for any purpose other than to prepare your return without first receiving your consent.

The IRS permits you to authorize us to discuss, on a limited basis, aspects of your return for one year after the due date of the return. Your consent to such a discussion is evidenced by checking a box on the return. Unless you tell us otherwise, we will check that box authorizing the IRS to discuss your return with us.

Certain communications involving tax advice are privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone or by turning over information about those communications to the government, you, your employees, or agents, may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communication; you agree to provide us with written advance authority to make that disclosure.

Should we receive any request for the disclosure of privileged information from any third party, including a subpoena or IRS summons, we will notify you. In the event you direct us not to make the disclosure, you agree to hold us harmless from any expenses incurred in defending the privilege, including, by way of illustration only, our attorney's fees, court costs, outside adviser's costs, or penalties or fines imposed as a result of your asserting the privilege or your direction to us to assert the privilege. The return(s) may be selected for review by the taxing authorities.

In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate the items of income and deduction shown on a tax return. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, we will be available, upon request, to represent you. However, such additional services are not included in the fees for the preparation of the tax return(s).

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of Lake View Charter School in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on the organization's website, you understand that electronic sites are a means to distribute information, and therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, and related notes, and any other non-audit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

If a Federal Single Audit under Uniform Guidance is performed, we will complete the appropriate section of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through and/or granting entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the audit period.

The audit documentation for this engagement is the property of Christy White, Inc. and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to the Comptroller General of the United States or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Christy White, Inc. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release or for any additional period requested by the State Controller’s Office. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit as soon as possible and to issue our reports no later than December 15. The maximum annual fee for auditing services under the terms of this agreement shall not exceed the following agreed upon amounts:

	<u>2019-20</u>	<i>(optional)</i> <u>2020-21</u>	<i>(optional)</i> <u>2021-22</u>

Tax Preparation	1,200	1,200	1,200
Total Professional Services	<u>\$ 10,300</u>	<u>\$ 10,480</u>	<u>\$ 10,665</u>

**If Federal Single Audit under Uniform Guidance becomes applicable during any given year, an additional \$2,000 will be added to the annual audit services fee.*

The maximum annual fee for auditing services shall not exceed the above amounts, with the exception that any auditing services provided for (1) significant changes in audit requirements as stated in *Government Auditing Standards* or the Audit Guide issued by the Education Audit Appeals Panel, or (2) any changes in the number of funds or accounts maintained by the Lake View Charter School during the period under this agreement, shall be in addition to the above maximum fee

Our invoices for these fees will be rendered upon completion of fieldwork as follows: 25% of contract upon completion of site testing, 25% of contract upon completion of interim testing and 50% of contract upon completion of year end fieldwork and are payable on presentation. In accordance with Education Code Section 14505 as amended, ten percent (10%) of the audit fee shall be withheld pending certification of the audit report by the Office of the State Controller and fifty percent (50%) of the audit fee shall be withheld for any subsequent year of a multi-year contract if the prior year’s audit report was not certified as conforming to the reporting provisions of the Audit Guide.

If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

If any dispute arises among the parties hereto, the parties agree to first try in good faith to settle the dispute by mediation under Rules for Professional Accounting and Related Services Disputes before resorting to litigation. Costs of any mediation proceeding shall be shared equally by all parties.

Client and accountant both agree that any dispute over fees charged by the accountant to the client will be submitted for resolution by arbitration. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that in the event of a dispute over fees charged by the accountant, each of us is giving up the right to have the dispute in a court of law before a judge or jury and instead we are accepting the use of arbitration for resolution.

This audit contract is null and void if the firm is declared ineligible to audit K-12 school districts pursuant to subdivision (c) of Education Code Section 41020.5. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

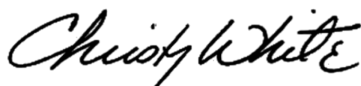

The first period to be audited shall be for the fiscal year ending June 30, 2020 and is subject to extension for up to two additional fiscal years, if agreeable to the auditors and the Organization. The agreement may be cancelled annually if notified by the client or auditor by February 15 of each year. Additional extensions beyond 2022 may be secured on a year by year basis, subject to the agreement of the Organization and the auditor.

In accordance with *Government Auditing Standards*, upon request, we will provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract.
