Part 3: Maintaining a Safe and Orderly Environment

It is a priority of the administration and staff at Lake View Charter School that every student who attends our school will be provided with an environment in which the students not only feel physically safe, but that there is also a positive school climate in all activities.

Our administration and staff desire to provide an orderly, caring, and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements.

Our administration encourages staff to teach students the meaning of equality, human dignity, and mutual respect, and to employ cooperative learning strategies that foster positive interactions among students from diverse backgrounds.

Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school. Staff shall encourage and reward success and achievement, participation in community projects, and positive student conduct.

Section A: General Information – School Safety - Includes Employee Fingerprint/Background Check - Ed Code 44237
Part 4: Criminal Background Check

CRIMINAL BACKGROUND CHECK

Lake View Charter School recognizes the importance of maintaining a safe workplace with employees who are honest, trustworthy, qualified, reliable, and nonviolent, and do not present a risk of harm to students, coworkers or others. Lake View Charter School will perform applicant background checks and employee investigations as required by Education Code section 47605(c)(5)(F)(i), which requires that “each employee of the charter school furnish the charter school with a criminal record summary....”

All employees must have Live Scan fingerprint results on file with Lake View Charter School. Proof of Live Scan fingerprinting is a requirement of employment and the results must be provided to Lake View Charter School prior to the first day of work. Live Scan fingerprinting will be required of all job applicants, employees, and volunteers as required by California and federal law. Background checks may also be required of employees whose job duties involve care of students, handling of money, valuables or confidential information, or as otherwise deemed prudent by the school. These background checks are performed through a fingerprinting service coordinated by the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Any and all information obtained by Lake View Charter School may be taken into consideration in evaluating one’s suitability for employment, promotion, reassignment, or retention as an Employee.

Lake View Charter School shall also request subsequent arrest notification from the Department of Justice and take all necessary action based upon such further notification.

Lake View Charter School may occasionally find it necessary to investigate current employees, where behavior or other relevant circumstances raise questions concerning work performance, reliability, honesty, trustworthiness, or potential threat to the safety of coworkers, students or others. Employee investigations may, where appropriate, include credit reports and investigations of criminal records, including appropriate inquiries about any arrest for which the employee is out on bail. In the event that a background check is conducted, Lake View Charter School will comply with the federal Fair Credit Reporting Act and applicable state laws, including providing the employee with any required notices and forms. Employees subject to an investigation are required to cooperate with Lake View Charter School’s lawful efforts to obtain relevant information, and may be disciplined up to and including suspension without pay and/or termination for failure to do so.

Employees with adverse background information (such as certain specific criminal conviction) may be ineligible for employment with Lake View Charter School.

Lake View Charter School
Section B: Child Abuse Reporting Procedures - Penal Code 11164, <i>et seq.</i>
Part 1: Child Abuse Reporting Procedures

Child abuse reporting law (Penal Code Section 11166) requires that a Lake View Charter School employee who has reason to believe that a child has been subjected to abuse, report the incident to the proper authorities.

At Lake View Charter School, protecting children from child abuse is a major priority. Each year the administration sets aside time to meet with staff to discuss child abuse indicators and to remind teachers of the procedures to follow when abuse is suspected and provide annual training regarding the required procedures for mandated reporters.

Employees of Lake View Charter School are familiar with Penal Code Section 11166 and understand the requirement that certificated and classified personnel report suspected child abuse immediately or as soon as practically possible to Children's Protective Services by telephone. They are aware that a call must be followed within at least 36 hours by a written report to the child protective agency.

All staff is aware of the location of a Child Abuse Information Folder that is kept on file and updated regularly. It includes informational literature, guidelines for recognizing abuse and specific directions for reporting it.

The determination as to who should be contacted will depend greatly upon the situation at hand. The local law enforcement agency will dispatch a unit to the school as soon as possible. Children's services may take much longer to respond. School personnel should always take into consideration the severity of the abuse and the extent to which the student's safety is at risk.

Section B: Child Abuse Reporting Procedures - Penal Code 11164, <i>et seq.</i>
Part 1: Child Abuse Reporting Procedures

The requirements of school personnel and the identification and reporting of known or suspected child abuse to a protective agency is mandated by the State of California Penal Code. In fact, failure to do so on the part of school personnel could lead to penalties which might be imposed on these individuals. Lake View Charter School board policies are continually updated to reflect appropriate legislation. Excerpts from the California Penal Code and Lake View Charter School Board Policy are presented below.

From California Penal Code Section 11166

...a mandated reporter shall make a report to an agency...whenever the mandated reporter, in the mandated reporter's professional capacity or within the scope of the mandated reporter's employment, has knowledge or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written follow-up report within 36 hours of receiving the information concerning the incident.

Lake View Charter School
– Child Abuse Prevention Programs

Recognizing that our responsibility to students includes the protection of their physical and mental well-being, the Governing Board desires to provide whatever opportunities or resources may be available for the prevention of child abuse.

The Board agrees with the Legislature that:

1. Child abuse and neglect is a severe and increasing problem in California.
2. Charter schools, school districts and preschools are able to provide an environment for training of children, parents, and all school staff.
3. Primary prevention programs in charter schools and school districts are an effective and cost-efficient method of reducing the incidence of child abuse and neglect and for promoting healthy family environments.

– Child Abuse Prevention Programs (Continued)

The Executive Director shall explore funding and assistance available for the establishment of programs directed toward preventing the occurrence of child abuse, including physical abuse, sexual assault, and child neglect, and reducing the general vulnerability of children, including coordination with and training for parents and school staff.

Parents shall be given notice of, and may refuse to have their children participate in, prevention training program.

2. “Mandated Reporters” are those people defined by law as “childcare custodian,” “medical practitioners” and non-medical practitioners” and include virtually all school employees. The following school personnel are required to report:

Teachers, administrators, supervisors of child welfare and attendance, certificated pupil personnel employees, employees of a childcare institution, head start teachers, school psychologists, licensed nurses, counselors, presenters of child abuse prevention programs and those instructional aides or other classified employees trained in child abuse reporting.

3. “Child Protective Agencies” are those law enforcements and child protective services responsible for investigating child abuse reports, including the local police or sheriff department, county welfare or juvenile probation department and child protective services.
4. “Reasonable Suspicion” means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. (California Penal Code 11166)

Reporting Procedures

1. To report known or suspected child abuse, any employee (as defined above) shall report by telephone to the local child protective agency.

The telephone report must be made immediately, or as soon as practically possible, upon suspicion. The verbal report will include:

- a. The name of the person making the report.
- b. The name of the child.
- c. The present location of the child.
- d. The nature and extent of any injury.
- e. Any other information requested by the child protective agency, including the information that led the mandated reporter to suspect child abuse.

At the time the verbal report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Within thirty-six (36) hours of making the telephone report, the mandated reporter will complete and mail, fax or electronically transmit a written report to the local child protective agency.

The written report shall include completion of the required standard Department of Justice form (DOJ SS 8572).

The mandated reporter may request and receive copies of the appropriate form either from the charter school or directly from the local child protective agency.

Detailed instructions for completion of the form are on the back sheet of the form. Reporters may request assistance from the site administrator in completing and mailing the form; however, the mandated reporter is still responsible for ensuring that the written report is correctly filed.

3. Employees reporting child abuse to a child protective agency are encouraged, but not required, to notify the site administrator or designee as soon as possible after the initial verbal report by telephone. The site administration, when notified, shall inform the Executive Director.

Administrators so notified shall provide the mandated reporter with any assistance necessary to ensure that the verbal or written reporting procedures are carried out according to state law and regulations. If requested by the mandated reporter, the Executive Director may assist in the completion and filing of these forms.

Legal Responsibility and Liability

1. Mandated reporters have absolute immunity. School employees required to report are not civilly or criminally liable for filing a required or authorized report of known or suspected child abuse.

2. A mandated reporter who fails to report an instance of child abuse, which he/she knows to exist or reasonably should know to exist, is guilty of a misdemeanor and is punishable by confinement in jail for a term not to exceed six (6) months or by a fine of not more than one thousand dollars (\$1,000) or both. The mandated reporter may also be held civilly liable for damages for any injury to the child after a failure to report.
3. When two (2) or more persons who are required to report jointly, have knowledge of suspected instance of child abuse, and when there is agreement, and a single report may be made and signed by the person selected. However, if any person who knows or should know that the person designated to report failed to do so, that person then has a duty to make the report.
4. The duty to report child abuse is an individual duty and no supervisor or administrator may impede or inhibit such reporting duties. Furthermore, no person making such a report shall be subject to any sanction.

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse, the Executive Director shall not notify the parent or guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer with the address and telephone number of the child's parent or guardian.

It is the responsibility of the peace officer to notify the parent or guardian of the situation. Peace officers will be asked to sign an appropriate release or acceptance of responsibility form (cf. 5145.11 – Questioning and Apprehension).

When School Employees are Accused of Child Abuse

Regardless of who child abusers may be, the major responsibilities of mandated reporters are to (1) identify incidents of suspected child abuse, and (2) comply with laws requiring reporting of suspected abuse to the proper authorities. Determining whether or not the suspected abuse actually occurred is not the responsibility of the school employee. Such determination and follow-up investigation will be made by a child protective agency.

Parent/guardians or members of the public accusing school employees of child abuse should be made aware of the ramifications of making false reports and should be provided with information regarding child abuse and child abuse reporting.

Pending the outcome of an investigation by a child protective agency and prior to the filing of formal charges, the employee may be subject to reassignment or a paid leave of absence.

Disciplinary action resulting from the filing of formal charges or upon conviction shall be in accordance with policies, regulations and/or collective bargaining agreements. The Executive Director or designee should consult with legal counsel in implementing either suspension or dismissal.

Section C: Emergency/Disaster Plans
Part 1: General Information – Disaster

Lake View Charter School will take all necessary measures to keep students, staff and visitors safe in the event of a disaster. The following sections of this plan outline basic responsibilities for all staff for specific incidents

The Lake View Charter School has developed a Standardized Emergency Management System (SEMS) Plan that outlines in more detail, specific responsibilities for Emergency Response Teams at this school.

This Emergency Action Plan is being developed to provide information to the staff at Lake View Charter School to ensure pertinent information is available in the case of an incident that warrants a response. It is written in accordance with California Code of Regulations, Title 8, Section 3220 which outlines the components required for a plan. There are also components of the Standardized Emergency Management System (SEMS) and National Incident Management System (NIMS), including the Incident Command System incorporated in this plan. The purpose for the inclusion is that while Lake View Charter School may not have students on site, it will serve as an Emergency Operations Center if a multi-site incident occurs and support is needed for school or local community. At that time, the role of Lake View Charter School would be to serve as a resource and clearinghouse for information.

The plan is developed with a multi-hazard perspective to make it applicable to the widest range of emergencies and disasters, both natural and human caused. However, Administrators retain the flexibility to modify procedures and/or organization structure as necessary to accomplish the emergency response and recovery missions in the context of a particular hazard scenario.

Comprehensive School Safety Plan

PLAN IMPLEMENTATION

A key component to this plan is the Incident Command System (ICS). The five basic functions of: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration must remain consistent, but the formation of the teams within those sections can be flexible to meet each school's needs.

To properly complete the EOP, the school needs to: (1) Assign roles for Management staff and Section Chiefs (2) form the site emergency teams, (3) provide the appropriate training for all staff (4) conduct exercises to test the plan, and (5) update the plans as needed.

Employees shall be offered training on the specifics of this plan when it is initially developed and when new employees are hired. Employees should be retrained when the plan changes due to a change in the layout or design of the facility, when new equipment, hazardous materials, or processes are introduced that affect evacuation routes, or when new types of hazards are introduced that require special actions. It would also be helpful to provide annual awareness training as a reminder. General training for employees should address the following:

- Individual roles and responsibilities.
- Threats, hazards, and protective actions.
- Notification, warning, and communications procedures.
- Emergency response procedures.
- Evacuation, shelter, and accountability procedures.
- Location and use of common emergency equipment.
- Emergency shutdown procedures.

Additional training may also need to be provided (i.e. first-aid procedures, portable fire extinguisher use, etc.) depending on the responsibilities of allocated employees in the plan.

Once the emergency action plan has been reviewed with employees and everyone has had the proper training, it is a good idea to hold practice drills as often as necessary to keep employees prepared. Include outside resources such as fire and police departments when possible. After each drill, gather management and employees to evaluate the effectiveness of the drill. Identify the strengths and weaknesses of your plan and work to improve it.

ABOUT EMERGENCY MANAGEMENT SYSTEMS

Through the years, those agencies responsible for disaster response have come up with several different models for coordinating that response. Although these models differ, they share a common background: The Incident Command System (ICS). As a member of your school's emergency response team, you will need to be familiar with ICS and the emergency management systems used in California.

Incident Command System (ICS) Developed in the 1970's by Southern California Fire Protection Agencies, this system was designed to coordinate multi-jurisdictional response. The beauty of ICS is that it is based upon common terminology and on the division of response activities into five

Comprehensive School Safety Plan

functional units that essentially eliminates the possibility of the duplication of efforts. ICS became the model for the state's system.

Standardized Emergency Management System (SEMS) Developed in response to the lack of agency and multi-jurisdictional coordination during the Oakland Fires of 1991, SEMS became the state-wide standard for coordinated emergency response. All agencies involved in emergency response are legally required to use SEMS. In fact, the STATE reimbursement of local costs incurred for emergency response/recovery is tied to the use of SEMS.

National Incident Management System (NIMS) After the national tragedy on September 11, 2001, it became clear that the country needed an emergency response system to address incidents that affected the entire nation. The national government looked at the system used in California and used it as a model to develop a national response system called NIMS. It is a FEMA approved emergency response system and will become the national model. National compliance was expected by 2006 but is still in progress.

FEDERAL funding for emergency response/recovery grants is tied to the use of NIMS.

SCHOOL RESPONSE

Education Code section 32282(a)(2)(B)(i) requires schools to establish an earthquake emergency procedure system in every public school building having an occupant capacity of 50 or more pupils or more than one classroom. The charter school may work with the Office of Emergency Services and the Alfred E. Alquist Seismic Safety Commission to develop and establish the earthquake emergency procedure system.

WHAT SPECIFIC LAWS* APPLY TO SCHOOLS

THE FIELD ACT

(Garrison Act and Riley Act)

Sets building code standards for construction and remodeling of public schools and assigns the responsibility for assuring building code compliance to the Division of the State Architect.

Earthquake Emergency System

Requires schools to establish an earthquake emergency system:

- Develop a disaster plan
- Conduct periodic drop and cover drills, evacuation procedures and emergency response actions—once each quarter in elementary schools and once each semester in secondary schools
- Provide training to students and staff in emergency response procedures
- Be prepared to have the charter school serve as a possible public shelter
- Take mitigation measures to ensure the safety of students and staff—such as securing equipment and furniture.

Comprehensive School Safety Plan

PUBLIC EMPLOYEES ARE DISASTER SERVICE WORKERS

California Government Code Section 3100

All school employees are considered disaster service workers when: A local emergency has been proclaimed

- A state emergency has been proclaimed

or,

- A federal disaster declaration has been made

NOTE: During a declared disaster, school employees are required, by law, to serve as disaster service workers and cannot leave their school site until formally released.

- Certificated employees risk losing their teaching credentials
- Classified employees may be charged with a misdemeanor

*This is not a legal opinion, confirmation is required to determine if your organization is exempt from any regulations targeting schools. The assumption is that the laws apply to all public schools.

POST-DISASTER SHELTERS

Schools are required by both federal statute and state regulation to be available for shelters following a disaster.

- The American Red Cross has access to schools to set up shelters
- Local governments have access to schools to set up shelters
- Plan and make arrangements in advance to assure that you are prepared.

THE PETRIS BILL

California Government Code Section 8607

Requires schools to respond to disasters using the Standardized Emergency Management System (SEMS) by December 1996.

- ICS - (Incident Command System) organizing response efforts into five basic functions: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration
- EOC - (Emergency Operations Center) setting up a central area of control using the five basic functions
- Coordinate all efforts with the operational area (county) EOC, city EOC and county office of education EOC
- Incorporation of SEMS into all school plans, training and drills
- Documentation of the use of SEMS during an actual emergency

HOMELAND SECURITY PRESIDENTIAL DIRECTIVE HSPD-5

February 28, 2003

Comprehensive School Safety Plan

On February 28, 2003, President George W. Bush issued Homeland Security Presidential Directive 5 (HSPD-5). HSPD-5 directed the Secretary of Homeland Security to develop and administer a National Incident Management System (NIMS).

HSPD-5 requires Federal departments and agencies to make the adoption of NIMS by state and local organizations a condition for Federal preparedness assistance (grants, contracts and other activities) by Fiscal Year 2005.

NIMS training requirements: All school employees (as designated Disaster Services Workers) are to complete ICS100, ICS200 and IS700.)

USING SEMS AND NIMS IN YOUR SCHOOL - AN OVERVIEW

Within SEMS and NIMS, an emergency response organization, known as the Incident Command System, consists of five Sections:

Management: responsible for policymaking with respect to disaster planning and preparedness and for the overall coordination of emergency response and recovery activities. This section has four members, the EOC Director/Incident Commander (IC), the Public Information Officer (PIO), the Safety Officer, and the Liaison Officer (LO). In short: they are *the leaders*.

Planning/Intelligence: responsible for creating the action plans and checklists that will be used by all of the sections during crisis response and recovery. The section is comprised of two teams: the Situation Status Team and the Documentation Team. During an emergency, these teams gather, analyze, disseminate, and record information critical to the functioning of the Management Section. Planning/Intelligence are often referred to as *the thinkers*.

Operations: responsible for response preparedness of the Assembly/Shelter, Communications, Crisis Intervention, Light Search and Rescue, First Aid, Student Release/Staff Accounting, and Maintenance/Fire/Site Security Teams. During a disaster, this section directs response activities of all of these teams and coordinates that response with the Management Section. These folks represent *the doers*.

Logistics: prior to a disaster, this section is in charge of creating a transportation plan, and ensuring that there are adequate supplies of food, water, and equipment for crisis response. During an emergency, the section's two teams, the Supplies/Staffing Team and the Transportation Team provide services, personnel, equipment, materials, and facilities, as needed. They are *the getters*.

Finance/Administration: in charge of creating policies and procedures for documenting costs associated with emergency response. This section has one team, called the Recordkeeping Team. During a disaster, they activate contracts with vendors, keep time records, track receipts, and account for expenditures. Their efforts make it possible for schools to reclaim costs associated with response and recovery activities from the state. They also gather all paperwork and documentation at the end of the incident for inclusion in the After Action Report (AAR). They are

Comprehensive School Safety Plan

called *the payers*.

THE EMERGENCY OPERATIONS CENTER

During an emergency, the Management Section gathers together in an area/room to set-up a "command center" also known as the Emergency Operations Center (EOC). In the EOC, the Management Section makes decisions affecting response activities based upon information coming in from the Section Chiefs.

A Word About Unified Command

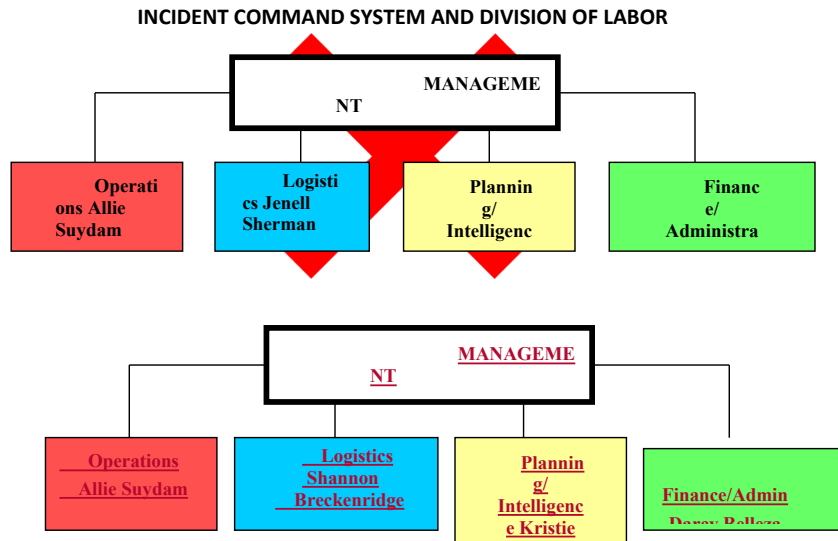

The control of and response to emergencies is the sole responsibility of the site teams *until* first responders arrive. Once they arrive, incident command transitions to **"Unified Command."** This transition is immediately facilitated by an on-site briefing of first responders by the Management Staff and Section Chiefs. Following the initial briefing, the site's Incident Commander will begin to work closely with representatives of each response agency to plan and carry out response activities. Other employees may be asked to participate as well, depending upon the incident at hand and the available staffing of emergency responders. All staff should be prepared to participate if necessary.

In the EOC, this means that first responder representatives will essentially be running response activities in consultation with the organization's Management Staff and Section Chiefs. In the field, Team Leaders and Team Members will work alongside first response teams, *unless* the EOC Director/Incident Commander has deemed it is too dangerous or unsafe for them to do so. *Remember*, first responders are professionals. Work with them and take your cues from them.

The Dual Role of the School Office

- The School must organize to respond to incidents that occur at their location
 - Ensure that the School has a functional Emergency Action Plan
 - Ensure that School staff are trained and well prepared
- The School office must also organize to provide support when the incident happens at school sites within the organization
 - Provide leadership
 - Provide assistance with response and recovery, when needed
 - Ensure that school staff are trained and well prepared
 - Ensure that each school has a functional Emergency Operations Plan

Comprehensive School Safety Plan

Divisions of Labor

Each one of the five functions have certain roles and responsibilities during a disaster or school emergency. The Management Section oversees response activities in consultation with the Chiefs of the Operations, Logistics, Planning/Intelligence, and Administration/Finance Sections. Each of these sections in turn, has a team or teams tasked with implementing very specific components of the emergency response plan.

Students primarily learn at home. No learning center/resource center.

The following Standard Operating Procedures have been developed to address a multitude of incidents that could occur at a school office or student location. This is a living document that should be updated and modified as additional information is acquired. A hazard assessment should be conducted to identify specific areas of concern for your location in order to maximize the number of response situations included in this plan.

EVACUATION PROCEDURES

Earthquakes, fire, bomb threats, hazardous chemical spill, or an incident on or near the campus are just a few examples of an emergency incident situation that may require that portions of a building or an entire school building be evacuated.

The building Emergency Preparedness Committee should identify evacuation areas on site and alternative off-sites areas should it be necessary to evacuate.

A safe evacuation route must be able to accommodate moving a large number of people, while not exposing employees to danger. The location and type of emergency necessitates evaluation and possible adjustments to the usual evacuation routes. This evaluation will determine if the building should be evacuated in segments or if stationing a person at certain exits is necessary so that staff can be re-routed away from danger.

The movement of staff out of buildings requires accounting for every employee. In order to account for staff, work area supervisors must have available employee lists so that missing or extra staff can be reported immediately to the Command Posts (school; law enforcement; fire). When evacuating their work area, work site supervisors must bring with them the location roster and emergency supplies.

During an evacuation, the following procedures must be followed:

- ✓ Move staff to the designated Evacuation Area.
- ✓ Take roll by completing Staff Accountability Form
- ✓ Runners collect Staff Accountability Report from classroom or work areas.
- ✓ If an employee has an assignment on the Emergency Management Team Organizational Chart, report to the Command Post (CP) and sign in.
- ✓ Report to Incident Commander (IC) for briefing and assignment.

LOCKDOWN/REVERSE EVACUATION PROCEDURES

Some emergencies may prevent safe evacuation and require steps to isolate staff from danger by instituting a lockdown. Other emergencies may occur prior to the work day, during break or lunch periods, or after the work day. When staff may be outside the school building or work site, a reverse evacuation should be initiated.

All employees must be familiar with the specific actions they must take during a lockdown or reverse evacuation. Discussions, training, and practice drills are essential to make these procedures workable.

In the event of a lockdown or reverse evacuation, work area supervisors must utilize the following procedures:

- ✓ If outside, move to the nearest building or room providing it is a safe route and that you are not moving in the direction of danger.
- ✓ If inside, stay inside.
- ✓ Lock door(s) to buildings and or work areas.
- ✓ If possible, quickly close all windows and then move away from the windows.
- ✓ Use caution when allowing late reporting staff to enter into a classroom.

- ✓ Have staff hide, if appropriate.
- ✓ Take roll using Staff Accountability Form.

Report any “extra” staff that sought cover in your work area. Take this form with you if you are directed by the Incident Commander to evacuate your work area at a later time.

- ✓ Await further instructions from the Incident Commander via public address system, phone or an e-mail notification to all staff.
- ✓ **DO NOT** use the telephone to call out as all lines must be kept open, unless there is a dire emergency in your work area.
- ✓ Remain in the room/office until a member of the Emergency Management Team or a law enforcement officer arrives with directions.

PROCEDURES FOR CONDUCTING A “SIZE-UP”

A “**SIZE-UP**” is a nine-step continual data gathering process that determines if it is safe to perform a certain emergency task, whether fire suppression, search and rescue, facilities assessment, etc. A size-up enables first responders to make decisions and respond appropriately in the areas of greatest need. The nine steps in a “**size-up**” are:

1. Gather Facts:
 - What has happened?
 - How many people are involved?
 - What is the current situation?
 - Does the time of day or week affect this situation?
 - Do weather conditions affect the situation (e.g. forecast, temperature, wind, rain)?
 - What type(s) of structures are involved?
 - Are buildings occupied? If yes, how many?
 - Are there special considerations involved (e.g. children, elderly, disabled)?
 - Are hazardous materials involved at or near the situation?
 - Are other types of hazards likely to be involved?
2. Assess and Communicate the Damage:
 - Take a lap around each building and try to determine what has happened, what is happening now, and what may happen next.
 - Are normal communications channels functioning (e.g. ICS, radios, e-mail, phones)?
3. Consider Probabilities:
 - What is likely to happen?
 - What is the worst-case scenario?
4. Assess Your Own Situation:
 - Are you in immediate danger?
 - Have you been trained to handle this situation?
 - What resources are available which can assist with your current situation?

5. Establish Priorities:

- Are lives at risk? Remember, life safety is the first priority!
- Can you and available resources handle this situation SAFELY without putting others at risk?
- Are there more pressing needs at the moment? If yes, what are they?

6. Make Decisions:

- Base decisions on the answers to Steps 1 through 3 and the priorities that your team has established.
- Where will deployment of resources do the most good while maintaining an adequate margin of safety?

7. Develop an INCIDENT ACTION PLAN:

- Develop a plan that will help you accomplish your priorities.
- Simple plans may be verbal, but more complex plans should always be written.
- Determine how personnel and other resources should be deployed.

8. Take Action:

- Execute your plan, documenting deviations and status changes so that you can accurately report the situation to first responders, the Incident Command Post, the EOC, or other agencies that respond to the scene (e.g. fire, law enforcement, medical, media, coroner, parents).

9. Evaluate Progress:

- At reasonable intervals, evaluate progress in accomplishing the objectives in the plan of action (Incident Action Plan) to determine what is working and what changes you may have to make to stabilize the situation

BOMB THREAT

TELEPHONE BOMB THREAT

- During the call, complete the bomb threat checklist found on the next page.
- Stay on the line with the caller as long as possible, continuing to try and obtain more information about the threat.
- Have someone else call **911** (dial 9 is to obtain outside line) and notify the School office.
- Without using portable radios or cell phones, organize a meeting with the school's Emergency Management Team (EMT). Radio and cell phone usage can resume once you are 300 feet away from school premises as a bomb could be hidden outside.
- If necessary, implement the ICS with only those positions deemed necessary.
- Assign a recorder to document events as they take place.
- Any search of the site should be done under the direction of law enforcement.
- The decision to evacuate the location is the responsibility of the Executive Director or his/her designee.
- If an evacuation is ordered, do not touch anything while leaving the building. Report any suspicious items to the Incident Commander.
- Follow off-site evacuation procedures.
- If the caller identifies a location where the device has been placed, avoid evacuating through the identified area.
- EMT members responsible for off-site evacuation and student accounting should begin making preparations for an orderly transition of the students/staff to the evacuation site.
- If an announcement is made over the school PA to evacuate, remind teachers and site supervisors to

bring their class or work area rosters and emergency supplies. When the off-site evacuation location is reached, account for all students and staff. Report missing students/staff to the Incident Commander. The Incident Commander will report missing students/staff to the law enforcement agency assisting with the evacuation.

- Re-entry onto the school campus can only take place at the direction of Incident Commander.

E-MAIL BOMB THREAT

- Save the e-mail message.
- Print a copy of the message and give to the Executive Director, law enforcement, and the Technology Department.
- Follow applicable procedures from above.

Apart from arson, major causes of fires include improper handling and storage of flammable liquids, overloaded electrical outlets, and excessive accumulation of rubbish.

FIRE DRILL PROCEDURES

- NO advance notice of fire drills should be given to building occupants.
- All drills shall be conducted using the same procedures that would be followed in case of an actual fire.
- Fire drills should be conducted at different hours of the day.
- An appropriate number of staff members should know how to reset the fire alarm.
- Immediately after the alarm has sounded for the drill, call the Fire Department non-emergency number to advise that this is only a drill.
- Keep documentation for each drill and record notable events for future consideration/improvement.

POSTING OF EVACUATION ROUTES

- A map, showing the primary and secondary evacuation routes shall be posted inside each room. The evacuation map shall have the office location highlighted and be placed on the wall so that an arrow indicating the exit route is pointing in the direction of the exit from the room.
- The map shall be labeled **"EVACUATION PLAN"** in bold letters and prominently posted in hallways, offices, bathrooms, cafeterias, lounges.

FIRE/EXPLOSION CHECKLIST

- If fire or smoke is detected, or a burning odor is sensed, pull the closest fire alarm to initiate building evacuation procedures.
- Call **911** to report all known information about the incident.
- Site administration should assign a recorder to begin documentation of the event.
- Before leaving a work area, the work area supervisor or their designee should make sure all windows are closed.
- Procedures for anyone with special-needs should be planned in advance and practiced.
- Administration should initiate the Incident Command System (ICS) and the designee assumes the role of the Incident Commander (IC) and establishes a Command Post staging area.
- Supervisors are to complete the Staff Accountability Report.
- Data collected from the **Staff Accountability Form** will determine if the Incident Commander needs to activate additional portions of the ICS, such as First Aid, Medical, Search and Locate/Rescue, etc.
- Establish contact with fire and law enforcement agencies.
- The fire department will give clearance to site administration when it is OK for staff to re-enter the building or an alternative plan if the building will not be able to be occupied.

EARTHQUAKE

An earthquake's effect on facilities will vary from building to building. Fire alarm or sprinkler systems may be activated by the shaking. Elevators and stairways will need to be inspected for damage before they can be used. Another major threat during an earthquake is from falling objects and debris. Injuries may be sustained during the earthquake while evacuating the building(s) or upon re-entry. Use the following guidelines/procedures to manage the incident:

IF INDOORS

- **DROP, COVER AND HOLD ON** by getting under a desk or table. Protect eyes, head and neck.

- Move away from windows and objects that could fall.
- Stay under the desk or table until shaking stops.
- Listen for emergency instructions.
- Evacuate building if necessary and stay away from buildings, utility poles and large objects while transferring to the assembly area.
- Account for all staff using Staff Accountability Report.

IF OUTDOORS

- Move away from buildings, utility poles and large objects.
- Avoid all downed electrical lines.
- Do not touch any wire or any metal objects.
- Sit down in a safe area.
- Move to the assembly area and begin accounting for all staff.

IN VEHICLE:

- Stop vehicle in a safe location away from power lines, overpasses or buildings.
- Stay in the vehicle and establish radio contact with the School office.

GENERAL GUIDELINES (AFTER THE QUAKE):

- Be prepared for aftershocks and ground motion.
- Evaluate immediate area for earthquake related hazards (fire, building collapse, gas leaks, downed electrical lines, wires, etc.).
- Account for all staff.
- Activate necessary portions of the ICS in collaboration with the site emergency team.
- Determine injuries and provide basic first aid via Medical/First Aid Group.
- Call **911** if there is a major emergency that is life threatening. You may not get a response from **911** if a major disaster has occurred affecting a large local area. **As we have been warned, we may be on our own for several hours or days.**
- Establish communication with your Supervisor and Incident Commander
- Assist any law enforcement or fire units that may respond to your site.
- Control internal and external communications, including contact with school sites and city agencies by use of telephones, cell phones, radios, runners, e-mail, text messages, or other means.
- Refer all media inquiries to the PIO.
- In communication with the school sites, assess the overall situation, how long students and staff might be at school, how supplies might be distributed and sheltering of students and staff.

SHOOTING/STABBINGS

No single warning sign can predict that a dangerous act will occur; however, certain warning signs may indicate that someone is close to behaving in a way that is potentially dangerous to self and/or others. Imminent warning signs usually are present as a sequence of overt, serious, or hostile behaviors or threats directed at peers, staff (usually more than one staff member), as well as the person's immediate family.

IMMINENT WARNING SIGNS REQUIRE AN IMMEDIATE RESPONSE AND MAY INCLUDE THE FOLLOWING

- Physically fighting with peers or family members.
- Hostile interactions with law enforcement that involve a number of recorded incidents.

- Hostile interactions with staff and administration.
- Destruction of property (school, home, community).
- Severe rage for seemingly minor reasons.
- Detailed (time, place and method) threats (written and/or oral) to harm or kill others.
- Possession and/or use of firearms and other weapons.
- Self-injurious behaviors or threats of suicide.
- Is carrying a weapon, particularly a firearm, and has threatened to use it.

WHAT TO DO IF A SHOOTING/STABBING OCCURS AT THE SCHOOL OFFICE

- The first indications of a shooting may include: sound of gunfire, loud cracking sounds, banging noises, windows shattering, glass exploding, bullets ricocheting or a report of a stabbing incident on campus
- Call **911**. Identify your address, and succinctly explain the emergency incident and exact location. Stay on the line until the **911** dispatcher has all the information needed to respond to the situation.
- Activate Incident Command System (ICS) with Emergency Management Team.
- Establish Command Post and appoint Incident Commander and communicate location to law enforcement and fire/rescue units.
- Notify appropriate individuals, i.e. Administrators, Policy Group.
- Provide information, when practicable, about the incident to staff via PA system, e-mail or by phone.
- Account for all staff members by using phone or e-mail or other communication means. Attempt to determine if the shooter/stabber is still on the work site.
- Attempt to determine if the weapon has been found or secured.
- Attempt to determine if the shooter/stabber has been identified.
- Assign a liaison (preferably an administrator) to interface with law enforcement and fire department.
- Liaison can supply law enforcement with radio or phone communication, phone numbers, maps, keys, and other information deemed pertinent to the safe operation of the incident.
- Gather witnesses in a secure room for law enforcement questioning. DO NOT allow witnesses to talk to one another (to protect the investigation). Assign staff to stay with witnesses until law enforcement arrives.
- Develop plan to evacuate staff to an off-site or alternate evacuation area should it be necessary to evacuate the building.
- Gather information of staff members involved in the incident.
- Prepare written statements for telephone callers and media in cooperation with law enforcement and the Executive Director. Can a message be placed on the website?
- Provide a liaison representative for family members for any injured staff members.
- Provide Crisis Response Team to provide counseling and to help deal with any psychological factors.

IF STAFF ARE OUTSIDE, THEY SHOULD BE TRAINED AND/OR INSTRUCTED TO

- Move or crawl away from gunfire, trying to put barriers between you and the shooter.
- Understand that many barriers may visually conceal a person from gunfire but may not be bulletproof.
- Try to get behind or inside a building. Stay down and away from windows.
- When reaching a relatively safe area, stay down and do not move. Do not peek or raise your head.
- Listen for directions from law enforcement.
- Provide your name to the work area supervisor who is accounting for all staff.
- Help others by being calm and quiet.

- Provide law enforcement with as much information as possible, such as:
 - ✓ Is the suspect still on site and do you know the current location?
 - ✓ Where was the specific location of occurrence?
 - ✓ Are there wounded staff members? How many?
 - ✓ Description of all weapons (hand gun, shotgun, automatic, dangerous objects, explosive devices, other).
 - ✓ Describe sound and number of shots fired.

SCENE OF INCIDENT

- The scene of an incident/crime shall be preserved.
- With the exception of rescue and law enforcement personnel, no one is allowed to enter the immediate area or touch anything.
- Any witnesses, including staff members, should be held near the area of the incident and be made available to law enforcement for questioning.
- Law enforcement responding to the incident will coordinate activities at the scene of the incident and release the area to school officials when finished.

DEATH AND/OR SUICIDE

Death at a workplace is rare; however, you should be prepared in the event of a death whether it be caused by earthquake, explosion, building collapse, fire, choking, heart attack, seizure, or an incident such as a shooting/stabbing, fight, suicide, etc.

Organizations should also be prepared for the sudden, unexpected death of a staff member or a family member that does not occur on the school campus (automobile accident, sudden death, drive by shooting, gang violence, etc.).

Guidelines to utilize in the event of a death are outlined below.

DEATH OCCURS AT SCHOOL

- Call **911**. Identify your address and briefly outline the emergency and location on campus.
- Notify the school administration.
- Activate the Incident Command System if necessary and contact the school Emergency Management Team. Assign staff as needed.
- Notify the Managing Director's office.
- Isolate other staff from scene.
- If there is a death, do not move body. Law enforcement will contact the coroner's office so that the body can be removed, and any personal items of the victim can be returned to family or secured as evidence.
- DO NOT disturb or touch anything if the event is declared a crime scene.
- Secure area with yellow caution tape and assign staff to guard area.
- Gather all witnesses and place them in a secure location. Tell witnesses not to discuss any part of their observations until law enforcement arrives to interview or release them. Assign staff to monitor witnesses.
- Consider impact on staff. Activate the Crisis Response Team as appropriate.
- If the deceased is an employee, the Executive Director must notify Cal-OSHA within the 8-hour time requirement. Law enforcement or fire department may inform you they will contact Cal-OSHA;

however, the School still must make certain it calls Cal-OSHA.

- Monitor staff emotional responses. Following a death there may be:
 - ✓ Self-referrals
 - ✓ Parent referrals
 - ✓ Reports and concerns expressed by relatives or good friends
 - ✓ Students who have experienced a recent loss.
- Develop a list of students and staff members that are having emotional symptoms.

HOSTAGE SITUATIONS

In any hostage situation, the primary concern must be the safety of staff.

Individuals who take hostages are frequently disturbed and the key to dealing with them is to make every attempt to avoid antagonizing them. Communication and demeanor with a hostage taker must be handled in a non-threatening, non-joking manner, always remembering that it may take very little to cause an individual to become violent.

IF THE OFFICE IS TAKEN HOSTAGE

- Do not use words such as “hostage,” “captives,” or “negotiate.”
- Stay calm.
- No heroics, challenges or confrontation.
- Obey all commands.
- When safe, call **911**. Identify your work site and give the exact location in the building of the incident. Stay on the phone until law enforcement arrives to assume control of the situation.
- If possible, assign another staff member to notify the Site administrator.
- If possible, initiate a work site lockdown to stabilize areas around the incident and make for an easier evacuation.
- The work site emergency team shall activate the Incident Command System and make needed assignments including staging a Command Post (CP) and appointing an Incident Commander (IC).
- If possible, the emergency team should provide law enforcement with a liaison from the work site. The liaison can assist in providing name of IC, location of CP and obtaining maps, keys, radio and phone numbers, etc.
- Keep all radios, television sets, and computers turned off to minimize any possibility that suspect can hear or see “NEWS REPORTS.”
- Make an effort to establish rapport with suspect. Provide your first name. Find out his/her first name and use first names, including those of other staff members involved in the situation. If you do not know first names, refer to the hostages(s) as men, and women.
- Be calm and patient and wait for help. Keep in mind that the average hostage incident lasts approximately six (6) to eight (8) hours, and the average barricade incident lasts approximately three (3) hours. **TIME IS ON YOUR SIDE.**
- Anticipate a point of law enforcement entry, rescue and how suspects will be apprehended.

WHEN THE HOSTAGE LOCATION IS OTHER THAN AN OFFICE

- Immediately call **911**. Identify your address and the situation, providing the exact location of the incident. **STAY ON THE LINE UNTIL LAW ENFORCEMENT ARRIVES.**

- While on the phone with the **911** dispatcher report the following if known:
 - ✓ Number of suspect(s)
 - ✓ Names(s) of suspect(s) (if known)
 - ✓ Description of suspect(s):
 - Male or Female
 - Race
 - Weight (Light; Lean; Heavy; Obese) stay away from using lbs.
 - Height (short; medium; tall) avoid using feet/inches
 - Hair
 - Eyes
 - Approximate age
 - Description of clothing
 - Anything special or unusual, like:
 - Scars
 - Tattoos
 - Burn marks
 - Birthmarks
 - Pierced body parts
 - Jewelry
 - ✓ Exact location of suspect (building, room) and include North, South, East or West in your directions.
 - ✓ Approximate number of staff in hostage area.
 - ✓ Are weapons or explosive devices involved?
 - ✓ Have any shots been fired? If yes, describe sound and number of shots fired.
 - ✓ Are there reports of any injuries or emergency medical needs (medication)? Describe exact location and condition of victim(s).
 - ✓ Are there any demands the suspect has made?
 - ✓ Is there any other background information, past problems with suspect, demeanor, possible motive, or vendettas against staff or particular staff member?

If the hostage situation is on one side of the building, law enforcement will likely want to enter from the other side. Inform law enforcement exactly where the “Hostage Situation” is located and advise law enforcement what you consider to be the best “other side” entrance for law enforcement response.

- If possible, assign another staff member to notify the Site Administrator.

WHILE WAITING FOR LAW ENFORCEMENT

- If you can safely communicate to other offices by phone, implement lockdown procedures. For this situation, **DO NOT** set off any alarms as the bell may cause staff to panic and rush into a dangerous area.
- **DO NOT EVACUATE** until instructed or escorted by law enforcement.
- Complete Staff Accountability Report.

ONCE LAW ENFORCEMENT ARRIVES

- Law enforcement will need assistance in identifying witnesses. Gather witnesses in a secure location but do not let them talk with one another (to protect the investigation).

THE SITE EMERGENCY TEAM SHOULD MAKE PLANS TO

- Establish their Command Posts and assignment of necessary personnel.
- Record all events.
- Account for all staff.
- Prepare for a possible off-site evacuation route and location.
- Establish a media staging area.
- Alert Crisis Response Team for possible counseling to staff. HOSTILE

VISITOR

A hostile visitor could be an irate parent, a staff member, a neighbor, or an acquaintance of a staff member. The situation may begin in the front office; however, the individual may bypass the office and go directly to the target of his/her hostility. It is the responsibility of staff to protect staff, attempt to defuse the situation, and, if necessary, notify law enforcement.

UNDERSTANDING NONVERBAL MESSAGES

Body language plays a role in communication. Nonverbal cues are especially crucial when dealing with a person who is upset and potentially violent. Pay attention to signs that a person is angry or frightened. These include:

- Trembling
- Sweating
- A red face
- Crossed arms
- Clenched jaw or fists
- Shallow breathing
- Glaring or avoiding eye contact
- Pacing the floor
- Sneering
- Crying
- Ranting

SEND THE RIGHT NONVERBAL MESSAGES

Don't get too close. An angry or upset person feels threatened by someone who stands too close. Give the person two to four feet distance from you.

Avoid doing any of the following:

- Glaring or staring at the visitor
- Threatening mannerisms such as clenched fists and a raised voice.
- Getting angry

Consider doing the following:

- Be courteous and confident
- Do not touch the individual
- Protect yourself at all times
- Find another staff member to join you or keep the meeting in an open area
- Listen to the visitor, giving him/her the opportunity to vent

- Do not disregard the person's opinion or blame the person.

ATTEMPT TO USE PHRASES SUCH AS:

- What can we do to make this better?
- I understand the problem and I am concerned.
- We need to work together on this problem.

WHAT TO DO:

- As soon as possible, call **911** and stay on the line. State your address, and exact location of hostile visitor. Identify building by letter (A, B, C, D, etc.) or number and use directions (North, South, East or West) for law enforcement as they enter the grounds. Give a description of the hostile visitor.
- If possible, assign a staff member to meet law enforcement and direct them to the location.
- The staff member should unlock any gate that makes access to campus easier and faster.
- If possible, notify the Site Administrator.
- If necessary, activate the Incident Command System, using only those parts of ICS as determined by the information at hand. Expand ICS as needed.
- Use staff members to keep staff away from the location of the hostile visitor.

CHEMICAL RELEASE/ HAZARDOUS MATERIAL SPILL

A chemical release or hazardous material spill could affect one classroom, an entire worksite or larger area.

HOW SHOULD THE SCHOOL OFFICE PREPARE?

- The Emergency Management Teams should discuss and review plans to "Shelter in Place" or to "Evacuate the Area" using an alternative evacuation staging area.
- Staff should be trained to know what type of Personal Protective Equipment (PPE) and clothing to wear when handling hazardous material. The type of PPE to be worn, if any, is contained in the Safety Data Sheet (SDS).
- Staff utilizing or handling any hazardous material, should know the symptoms of exposure, emergency first aid and treatment for exposure.
- All hazardous materials should be stored in a manner prescribed on the SDS.

HOW SHOULD THE SCHOOL RESPOND?

- If a hazardous spill or chemical release occurs within any area of the School office, immediately notify **911**. Inform the dispatcher of your school/address and a brief summary of the problem including the name of the hazardous material/chemical, location of the spill and a report of any injuries, illnesses, fire, explosion, etc.
- Approach incident from upwind.
- Stay clear of all spills (vapors, fumes, smoke, fire, possibility of explosion, other).
- Notify Site Administrator.
- Activate necessary portions of Incident Command System (ICS) and appoint Incident Commander. Expand ICS as needed and make necessary assignments appropriate to incident.
- Begin documentation of events.
- The situation or advice from law enforcement, fire department or a hazardous materials unit deployed to the scene of the spill will determine whether to "Shelter-In-Place" or to "Evacuate" the building. If evacuation is ordered, instruct staff to always move crosswind and upwind. Never move downwind into

a chemical. To check wind direction, look at movement of trees or flag.

- If “Sheltering-In-Place” and, if possible, shut off all air-conditioning and heating units. Close all windows and door openings and try to seal gaps under doorways and windows with wet cloth or towels.
- Close all shades or drapes. Instruct staff to stay away from windows.
- If gas or vapors have entered the building, take shallow breaths through a cloth or towel.
- Keep telephone lines clear for emergency calls.
- If an evacuation is ordered, follow all instructions.
- Upon reaching alternative evacuation area, take head count and report missing or ill staff to Incident Commander and/or law enforcement.

MEDICAL EMERGENCY

Occasionally a medical emergency will occur, and personnel must be prepared to respond quickly, effectively, and efficiently.

SOME EMERGENCY PREVENTION/PREPAREDNESS GUIDELINES

- Insist that all accidents be reported, even if no visible harm or injury occurred.
- Follow established procedures for issuing medication.

WHAT TO DO IF A MEDICAL EMERGENCY OCCURS

- Assess seriousness of injury and/or illness by doing START (Simple Triage and Rapid Treatment, commonly called Thirty-Two-Can Do). If a staff member fails any of the three simple tests (Respirations, Perfusion, and Mental), their medical status is IMMEDIATE (RED). Administer first aid or CPR as needed.
- Call **911** and be prepared to provide:
 - ✓ Your address, building letter (A, B, C, D, etc.), room or floor number
 - ✓ Describe illness or type of injury
 - ✓ How the illness or type of injury occurred
 - ✓ Age of ill or injured staff member
 - ✓ Quickest way for ambulance to enter location on site
- Notify the Executive Director.
- Assign a staff member to meet and direct rescue services to location of injured party.
- Notify staff member’s family of situation, including type of injury/illness, medical care being given and location where staff has been transported.
- When appropriate, advise other staff of situation.
- Follow-up with staff member’s family.

GAS ODOR/LEAK

Natural gas has an additive that gives off a distinct odor allowing you to detect (smell) a leak. In most cases, handling a gas leak involves:

- Isolating the area and moving staff to safety.
- Eliminating potential ignition sources.
- Securing the leak.

The primary responsibility of the worksite staff is to determine how to safely house or evacuate staff and to protect property. The following agencies should be contacted:

- Fire Department (Call **911**)

- Site Administrator. Have a phone number for a point of contact if a leak is detected after business hours. (see emergency contact list)
- Local Gas Company

GAS ODOR OR LEAK INSIDE A BUILDING

- Evacuate the building(s) and move to a safe assembly area as far away as possible from the targeted building.
- Assign Emergency Management Team members to direct staff evacuating other buildings to stay away from the building with odor/leak.
- If necessary, activate the Incident Command System and establish Command Post.
- Begin completing Staff Accountability Report.
- Report any missing students and staff to Command Post.
- Assign a liaison to interact with Fire Department, Gas Company or law enforcement.

IF GAS ODOR OR LEAK IS DETECTED OUTSIDE THE BUILDING

- It may not be necessary to evacuate the building. Evacuation is called for only if odor seeps into a building.

SHELTER-IN-PLACE PROCEDURES

Why You Might Need to Shelter-In-Place

Chemical, biological, or radiological contaminants may be released accidentally or intentionally into the environment. Should this occur, information will be provided by local authorities, TV or radio on how to protect staff. Because information will most likely be provided on television and radio, it is important to keep a TV or radio on, even during the workday or instructional time. The important thing is for you to follow instructions of local authorities.

Following Are Actions to Follow at Your Worksite:

- Follow reverse evacuation procedures to bring students and staff indoors.
- If there are visitors in the building, provide for their safety by asking them to stay. When authorities provide directions to "shelter-in-place", they want everyone to take those steps now, where they are, and not drive or walk outdoors.
- Provide for answering telephone inquiries by having at least one telephone available in the room selected to provide shelter for the Office Manager, or the person designated to answer these calls. This room should also be sealed. There should be a way to communicate among all rooms where staff are sheltering-in-place.
- Ideally, provide a way to make announcements over the public address system from the room where the site administrator takes shelter.
- Provide directions to close and lock all windows, exterior doors and any other openings to the outside.
- If there is danger of an explosion, direct that window shades, blinds, or curtains be closed.
- Have employees familiar with the building's mechanical system turn off all fans, heating and air conditioning systems. Some systems automatically provide for exchange of inside air with outside air – these systems, in particular, need to be turned off, sealed, or disabled.
- Gather essential disaster supplies, such as nonperishable food, bottled water, battery-powered radios,

first aid supplies, flashlights, batteries, duct tape, plastic sheeting and plastic garbage bags.

- Designate interior rooms(s) above the ground floor with the fewest windows or vents. The room(s) should have adequate space for everyone to be able to sit in. Avoid overcrowding by selecting several rooms if necessary. Large storage closets, utility rooms, meeting rooms, or conference room without exterior windows will also work well.
- Call emergency contacts and have the phone available if you need to report a life-threatening condition.
- Bring everyone into the rooms that have been designated. Shut and lock the door.
- Use duct tape and plastic sheeting (heavier than food wrap) to seal all cracks around the doors and any vents into the room. Consider precutting plastic sheeting to seal windows, doors, and vents. Each piece should be several inches larger than the space you want to cover so that it lies flat against the wall or ceiling/. Label each piece with the location of where it fits.

EXTENDED POWER LOSS

In the event of extended power loss to a facility certain precautionary measures should be taken depending on the geographical location and environment of the facility:

Unnecessary electrical equipment and appliances should be turned off in the event that power restoration would surge causing damage to electronics and effecting sensitive equipment.

- Facilities with freezing temperatures should turn off and drain the following lines in the event of a long-term power loss.
 - Fire sprinkler system
 - Standpipes
 - Potable water lines
 - Toilets
- Add propylene-glycol to drains to prevent traps from freezing
- Equipment that contain fluids that may freeze due to long term exposure to freezing temperatures should be moved to heated areas, drained of liquids, or provided with auxiliary heat sources.

Upon Restoration of heat and power:

- Electronic equipment should be brought up to ambient temperatures before energizing to prevent condensate from forming on circuitry.
- Fire and potable water piping should be checked for leaks from freeze damage after the heat has been restored to the facility and water turned back on.

GUIDELINES FOR SPEAKING TO THE MEDIA

When speaking to the media about emergencies, it is extremely important to adhere to the following guidelines:

- **Executive Director READ** all press statements
- **Re-state** the nature of the incident; its cause and time of origin
- **Describe** the size and scope of the incident
- **Report on** the *current* situation
- **Speak about the resources** being utilized in response activities

- **Reassure** the public that everything possible is being done
- **DO NOT release any names**
- **When answering questions** be truthful; but consider the emotional impact the information could have upon listeners
- **Avoid speculation**; do not talk “off the record”
- **Do not use** the phrase “no comment”
- **Set up** press times for updates
- **Control** media location

Part 2: Biological/Chemical Weapons Assault

Biological and chemical weapons are unconventional warfare tactics that can be deployed upon the public with little or no notice. Such weapons typically involve microscopic materials that may be organic or synthetically manufactured in laboratories. Biological or chemical weapons can be in powder form, liquid, or vaporous. Agents used in biological/chemical attacks include, but are not limited to: anthrax, smallpox, other harmful viruses, various forms of nerve gas, tear gas, and other vaporous irritants. Pranks using stink bombs should also be considered a chemical weapons attack.

There are several possible dispersion techniques to deliver biological and chemical agents. The following procedures should be utilized in the event of an assault involving biological or chemical weapons.

Any possible biological/chemical weapons assault should be reported immediately to the Executive Director.

The Executive Director should notify law enforcement authorities immediately.

As necessary alert all site employees of the situation by intercom.

If the agent is delivered via aircraft:

- All staff and students should be moved indoors.
- Keep students inside and take roll.
- Close and secure all doors and windows.
- Ensure that the HVAC is shut down.
- Cover vents with plastic or thick paper using tape to create a seal.
- Inspect all windows and doors for cracks, gaps, or holes. Cover any with plastic or thick paper using tape to create a seal.
- Remain in this area until notified to leave by the Executive Director, Executive Director's designee or officers of emergency response agencies.
- Immediately report any injuries or illnesses to the Executive Director, Executive Director's designee or officers of emergency response agencies.

Part 2: Biological/Chemical Weapons Assault

If the agent is delivered via dispersion device that is outdoors:

- All staff and students should be moved indoors.
- Keep students inside and take roll.
- Close and secure all doors and windows.
- Ensure that the HVAC is shut down.
- Cover vents with plastic or thick paper using tape to create a seal.
- Inspect all windows and doors for cracks, gaps, or holes. Cover any with plastic or thick paper using tape to create a seal.
- Remain in this area until notified to leave by the Executive Director, Executive Director's designee or officers of emergency response agencies.
- Immediately report any injuries or illnesses to the Executive Director, Executive Director's designee or officers of emergency response agencies.

If the agent is delivered via dispersion device that is indoors:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault. Role should be taken.
- Remain in this area until notified to leave by the Executive Director, Executive Director's designee or officers of emergency response agencies.
- The HVAC system should be shut down.

If the agent is delivered via the school's HVAC system:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault. Role should be taken.
- Remain in this area until notified to leave by the Executive Director, Executive Director's designee or officers of emergency response agencies.
- The HVAC system should be shut down.

In any situation involving biological or chemical weapons the Executive Director and staff must follow all instructions given by officers of emergency response agencies. Lake View Charter School EOC will develop an action plan to handle telephone inquiries, rumor control, media relations, public information, employee/student crisis counseling, and facility damage assessment/control

Part 3: Bomb Threat Procedures

If you observe a suspicious object or potential bomb on property, DO NOT HANDLE THE OBJECT, IMMEDIATELY NOTIFY 911.

1. Receiving the Call

Make every attempt to keep the caller on the phone as long as possible to gain information. Try if possible, to determine the gender and age of caller. Try if possible, to get the caller to tell you the exact location of the bomb and the time of threatened detonation.

2. Notification Procedures

School Location communicate the above information to the following in this order:

- School Executive Director/Administrator
- Assistant Executive Directors
- Regional Coordinators

The Executive Director/Administrator will notify local law enforcement and the Buckeye School District office.

The Executive Director will communicate the above information to notify local law enforcement.

Strictly follow the above notification procedures and do not discuss or notify others of the bomb threat since this may create an unwarranted panic response at the facility.

3. Action Plan Procedures

If required to develop an action plan, the Executive Director/Administrator may consult with the following: Executive Directors and other administrators utilizing their expertise.

If the location of the bomb is not specifically designated, students will be kept in a secure location.

The Executive Director will make the decision to evacuate the building. However, if possible, this decision should be made in conjunction with law enforcement authorities after they arrive at the location.

The decision to search the building will be made in conjunction with law enforcement authorities and performed by them.

Reoccupation of an evacuated building will be authorized by the Executive Director only after consulting with law enforcement authorities.

Part 4: Chemical or Hazardous Material Incident

If a hazardous material incident occurs off site, stay indoors and close all doors and windows (referred to as taking “Shelter in Place”).

Notify **911** of the Chemical or Hazardous Material Incident.

If possible, determine the location of the spill in relation to facility buildings and wind direction.

Do not evacuate buildings until you are sure you will not be evacuating into an area which may be more hazardous.

Follow all instructions given by the Fire Department when they arrive at the facility.

Section D: Suspension/Expulsions rules and procedures - Ed Code 47605

Part 1: Rules and Procedures of School Discipline/Process and Procedures

Suspension Procedure: Suspensions shall be initiated according to the following procedures:

- Conference: Suspension shall be preceded, if possible, by a conference conducted by the Executive Director or designee with the student and his or her parent and, whenever practical, the teacher, supervisor or Lake View Charter School employee who referred the student to the Executive Director or designee.

The conference may be omitted if the Executive Director or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or Lake View Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure of the student's parent or guardian to attend a conference with Lake View Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent or guardian at the conference.

Notice to Parents/Guardians: At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Lake View Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Lake View Charter School

Section D: Suspension/Expulsions rules and procedures - Ed Code 47605

Part 1: Rules and Procedures of School Discipline/Process and Procedures

- **Suspension Time Limits/Recommendation for Expulsion:** Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Director or Director's designee, the student and the student's guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Director or designee upon either of the following: 1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

Authority to Expel: A student may be expelled either by the Lake View Charter School Board following a hearing before it or by the Lake View Charter School Board upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the student or a Board member of the Lake View Charter School's governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

Expulsion Procedures: Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the student has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the student makes a written request for a public hearing three (3) days prior to the hearing.

- h. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses:

The Lake View Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Lake View Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

Section D: Suspension/Expulsions policies and procedures - Ed Code 48915

Part 1: Definitions/Due Process/Rules and Procedures of School Discipline/Process and Procedures

- The Lake View Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.

If one or both of the support persons is also a witness, the Lake View Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Lake View Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

If one or both of the support persons is also a witness, the Lake View Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Lake View Charter School.

Lake View Charter School

Section D: Suspension/Expulsions rules and procedures - Ed Code 47605

Part 1: Rules and Procedures of School Discipline/Process and Procedures

The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing:

- A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Section D: Suspension/Expulsions rules and procedures - Ed Code 47605

Part 1: Rules and Procedures of School Discipline/Process and Procedures

Presentation of Evidence: While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to his/her educational program.

Written Notice to Expel: The Executive Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Lake View Charter School.

Notice Regarding Student Crimes and Offenses

The Executive Director or designee shall inform the teacher of every student who has engaged in, or is reasonably suspected to have engaged in, any act during the previous three years which could constitute grounds for suspension or expulsion, with the exception of the possession or use of tobacco products. This information shall be based upon written records or records received from a law enforcement agency. (California Education Code 49079).

When informed pursuant to Welfare and Institutions Code 828.1 that a student has committed crimes unrelated to school attendance which do not therefore constitute grounds for suspension or expulsion, the Executive Director or designee may so inform any teacher, counselor or administrator whom he/she believes needs this information in order to work with the student appropriately, avoid being needlessly vulnerable, or protect others from needless vulnerability. The Executive Director or designee shall consult with the Executive Director of the school which the student attends in order to identify staff that should be so informed. (California Welfare and Institutions Code 828.1).

Teachers shall receive the above information in confidence and disseminate it no further. (California Education Code 49079, California Welfare and Institutions Code 828.1).

The Executive Director or designee shall maintain the above information in a separate confidential file for each student. This notification shall not name or otherwise identify the student.

The Executive Director or designee shall notify all certificated personnel who are likely to come into contact with the student, including the student's teachers, special education teachers, coaches and counselors.

The teacher shall initial the student's file when reviewing it in the school office. Once Lake View Charter School has made a good faith effort to comply with the notification requirement of Education Code 49079, a teacher's failure to review the file may be construed as a waiver of Lake View Charter School's liability.

Publication and Distribution:

The administrative regulations will be distributed annually and included in all student and teacher handbooks and on the school website.

Employee Qualifications and Scope of Services

Employees must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Specialized Staff Training (Assessment)

Additional professional development in suicide risk assessment and crisis intervention shall be provided to mental health professionals including, but not limited to the following: school counselors, school psychologists, employed by Lake View Charter School.

Parents, Guardians, and Caregivers Participation and Education

To the extent possible, parents/guardians/caregivers should be included in all suicide prevention efforts. At a minimum, the suicide prevention policy shall be prominently displayed in the parent handbook.

All parents/guardians/caregivers should have access to suicide prevention training that includes, but is not limited to the following: suicide risk factors, warning signs, and protective factors, How to talk with a student about thoughts of suicide, how to respond appropriately to the student who has suicidal thoughts.

Intervention, Assessment, Referral**Staff**

When a student is identified by a staff person as having experienced:

- A catastrophic event happened which affects their attendance
 - Natural Disaster i.e. fire, flood, earthquake, tornado, etc.
- A victim of a family crisis
 - Domestic Violence
 - Sexual Abuse

- Chronic Illness
 - Loss (Death, divorce, relocation)
 - Placement Change
 - Juvenile Hall
 - Residential Treatment Center
 - Student is potentially suicidal (has attempted and/or commented about having suicidal thoughts or a plan to harm themselves or others)
1. The staff member will fill out a referral survey (Student in Crisis/Suicide Risk Survey).
 2. The Mental Health Team will contact the reporting school staff, the student, and the parent or guardian and will complete the Student in Crisis or Suicide Risk Assessment. If the referral is for possible suicide or self-harm the school staff may recommend that the student is continuously supervised to ensure their safety.
 3. The Mental Health Team will develop a Parent Support Plan with the family and will provide community-based resources and recommendations. When appropriate, this may include calling emergency services or bringing the student to the local hospital emergency department
 4. The Director, Executive Director, and school psychologist will be alerted of the situation as soon as reasonably possible.

Designated members of the Mental Health Team should conduct a suicide risk assessment. The purpose of the assessment is to determine the level of risk and to identify the most appropriate actions to ensure the immediate and long-term safety and well-being of the student. This should be done by a team that includes a school-employed mental health professional.

Caregiver notification is a vital part of suicide prevention. The appropriate caregiver(s) must always be contacted when signs of suicidal thinking and behavior are observed. Typically, this is the student's parent(s); however, when child abuse is suspected protective services should be contacted. Even if a child is judged to be at low risk for suicidal behavior, schools may ask caregivers to sign a form to indicate that relevant information has been provided. Regardless, all caregiver notifications must be documented. Caregivers also provide critical information in determining level of risk. Whether a student is in imminent danger or not, it is strongly recommended that lethal means (i.e. guns, poisons, medications, and sharp objects) are removed or made inaccessible.

Refer to community services if warranted. Referral options to 24-hour community-based services should be identified in advance. It is best to obtain a release from the primary caregiver to facilitate the sharing of information between the school and community agency.

whose behavioral and emotional needs affect their ability to benefit from their educational program.

Document all actions

The Mental Health Team shall maintain records and documentation of actions taken at the school for each case.

Notes, documents and records related to the incident are considered confidential information and remain privileged to authorized personnel. These documents should be kept in a confidential file separate and apart from the student's cumulative records.

If the student transfers to a school within or outside the sending school may contact the receiving school to share information and concerns, as appropriate, to facilitate a successful supportive transition.

Supporting Students after a Mental Health Crisis

It is crucial that careful steps are taken to help provide the mental health support for the student and to monitor their actions for any signs of suicide. The following steps should be implemented after the crisis:

- Treat every threat with seriousness and approach with a calm manner; make the student a priority. Listen actively and non-judgmental to the student. Let the student express his or her feelings.
- Acknowledge the feelings and do not argue with the student.
- Offer hope and let the student know they are safe and that help is provided. Do not promise confidentiality or cause stress.
- Explain calmly and get the student to a trained professional, school psychologist, school counselor, or designated staff to further support the student.
- Keep close contact with the parents/guardians/caregivers and mental health professionals working with the student.

Students

Each school site and program within shall identify, disseminate and prominently display a process for students to safely notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they suspect or have knowledge of another student's emotional distress, suicidal ideation, or attempt.

Lake View Charter School
Section J: Mental Health Guidelines
Part 2: Suicide Prevention, Intervention and Postvention Protocol

Parental Notification and Involvement

Each school within shall identify a process to ensure continuing care for the student identified to be at risk of suicide. The following steps should be followed to ensure continuity of care:

After a referral is made for a student, school staff shall verify with the Parent/guardian/caregiver that follow-up treatment has been accessed.

If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at-risk for suicide or in emotional distress, the suicide prevention coordinator, administrator or other mental health professional will meet with the parents/guardians/caregivers to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. If follow-up care for the student is still not provided, school staff should consider contacting Child Protective Services (CPS) to report neglect of the youth.

A written authorization to exchange/release information should be completed by the parents/guardians/caregivers and appropriate school staff (e.g., school psychologist, school counselor and/or nurse) should consult with outside mental health or medical treatment team.

Action Plan for In-Person Suicide Attempts

Each school site and program within shall follow the following action plan to immediately address in school suicide attempts. If a suicide attempt is made during the school day, it is important to remember that the health and safety of the student and those around him/her is critical. The urgency of the situation will dictate the order and applicability in which the subsequent steps are followed:

- Remain calm, remember the student is overwhelmed, confused, and emotionally distressed.
- Move all other students out of the immediate area.
- Immediately contact the administrator and Mental Health Team.
- Call 911 and give them as much information about the situation as possible. If needed, provide medical first aid until a medical professional is available
- Parents/guardians/caregivers should be contacted as soon as possible.
- Do not send the student away or leave them alone, even if they need to go to the

- restroom. Listen and prompt the student to talk.
- Review options and resources of people who can help.
- Be comfortable with moments of silence as you and the student will need time to process the situation.
- Provide comfort to the student.
- Promise privacy and help, and be respectful, but do not promise confidentiality.

Student should only be released to parents/guardians/caregivers or to a person who is qualified and trained to provide help.

Follow procedures for re-entry to School After a Suicide Attempt.

Action Plan for Out-of-School Hours Suicide Attempts

- If a suicide attempt by a student is outside of school hours, it is crucial to protect the privacy of the student and maintain a confidential record of the actions taken to intervene, support, and protect the student. The following steps should be implemented:
- Contact the parents/guardians/caregivers and offer support to the family.
- Discuss with the family how they would like the school to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
- Obtain permission from the parents/guardians/caregivers to share information to ensure the facts regarding the crisis is correct.
- Executive Director to handle media requests.
- Provide care and determine appropriate support to affected students.

Follow procedures for re-entry to School After a Suicide Attempt.

Re-Entry to School After a Suicide Attempt

Lake View Charter School

Section J: Mental Health Guidelines

Part 2: Suicide Prevention, Intervention and Postvention Protocol

A student who threatened or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well-planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

A student returning to school following hospitalization, including psychiatric and drug or alcohol inpatient treatment, must have written permission by the health care provider in order to attend school.

A written authorization to exchange/release information should be completed by the parents/guardians/caregivers and appropriate school staff (e.g., school psychologist, school counselor and/or nurse) should consult with the outside mental health or medical treatment team.

If the student has been out of school for any length of time, including mental health hospitalization, the school site administrator or designee should hold a re-entry meeting with key support staff, parent/guardian/caregiver and student to facilitate a successful transition back into school.

The re-entry meeting should include a review of the authorization for return and documentation provided by the outside mental health or medical treatment team.

The documentation provided should be considered in the development of a student safety plan for re-entry.

The school team should confer with student and parents/guardians/caregivers about any specific requests on how to handle the re-entry.

Inform the student's teachers about possible days of absences.

Allow accommodations for student to make up work (be understanding that missed assignments may add stress to student).

Mental health professionals or trusted staff members should maintain ongoing contact to monitor student's actions and mood as part of the student safety plan.

Work with parents/guardians/caregivers to involve the student in an aftercare plan.

POSTVENTION

A death by suicide in the school community (whether by a student or staff member) can have devastating

Lake View Charter School
Section J: Mental Health Guidelines
Part 2: Suicide Prevention, Intervention and Postvention Protocol

consequences on students and staff. Therefore, it is vital to be prepared ahead of time in the event of such a tragedy. The following are general procedures for the school administrator/ Executive Director in the event of a completed suicide:

Gather pertinent information

Confirm cause of death is the result of suicide, if this information is available.

Identify staff member to be the point of contact with the family of the deceased.

Information about the cause of death should not be disclosed to the school community until the family has been consulted and has consented to disclosure.

Assemble school crisis response team

School crisis response team to determine initial response procedures and obtain consultation regarding number of personnel needed for initial response. It is helpful to have the following information available for consultation:

- Demographic information
- Siblings (If any within)
- School Profile
- Known friends/groups
- Identification of additional high risk students

Staff notification

Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:

- Assess the extent and degree of psychological trauma and impact to the school community
- Establish a plan to notify staff of death, once consent is obtained by the family of the deceased.
- Notification of staff is recommended as soon as possible (In person if possible).
- To dispel rumors, share accurate information and all known facts about the death.
- Emphasize that no one event is to blame for suicide. Suicide is complex and cannot be simplified by blaming individuals, drugs, music and/or school.

Lake View Charter School

Part 2: Suicide Prevention, Intervention and Postvention Protocol

- Allow staff to express their own reactions and grief; identify anyone who may need additional support and provide resources.

Student notification and support

Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:

- Notification to students should be made by the Mental Health Team.
- To the extent possible, students should be notified in the same time period to minimize rumors.
- When possible, the news should be delivered by staff with whom the students are most familiar and comfortable.
- Provide staff with a scripted notification of death for students and
- Prepare staff for potential reactions and questions. Review student support plan making sure to clarify procedures and locations for crisis counseling.
- Define triage procedures for students and staff who may need additional support in coping with the death. Identify a lead crisis response staff member to assist with coordination of crisis counseling and support services. Communicate office hours to provide crisis counseling to students, staff and parents, as needed.
- Identify a mental health professional (School psychologist or school counselor) to check in with students previously identified to be at risk for suicide.
- Request substitute teachers, as needed.
- Maintain documentation on individual's services for follow up, as needed.
- Provide students, staff or parents/guardians/caretakers with after-hours resource numbers such as the 24/7 Suicide Prevention Crisis Line.

Refer students or staff who require a higher level of care for additional services such as a community mental health provider, or their health care provider. Indicators of students and staff in need of additional support and/or referral may include the following:

Lake View Charter School

Section J: Mental Health Guidelines

Part 2: Suicide Prevention, Intervention and Postvention Protocol

- Persons with close connections to the deceased.
- Persons who have experienced a loss over the past six months to a year, a traumatic event, have witnessed acts of violence, or have a history of suicide (Self or family member).
- Persons who appear emotionally over-controlled (e.g., a student who was very close to the deceased but who is exhibiting no emotional reaction to the loss) or those who are angry when majority are expressing sadness
- Persons unable to control crying
- Persons with multiple traumatic experiences may have strong reactions that require additional assistance.

Document

School administration shall maintain records and documentation of actions taken at the school site.

Monitor and manage

School administration with support from the school crisis team should monitor and manage the situation as it develops to determine follow up actions and continued support plans.

Communicate with the larger school community about the suicide death;

Consider funeral arrangements for family and school community;

Respond to memorial requests in respectful and non-harmful manner; responses should be handed in a thoughtful way and their impact on other students should be considered. Memorials or dedications to a student who has died by suicide should not glamorize or romanticize either the student or the death.

Encourage parents to monitor internet postings regarding the death, including the deceased personal profile pages.

Section K: Crime Assessment
Part 1: Crime Assessment

In compliance with SB 187 and SB 334, will compile statistics pertaining to school crime committed at our locations and at school-related functions. The school will complete a *California Safe Schools Assessment – School Crime Reporting Form* for each incident that occurs. Copies of these forms shall be inserted in the Appendix this plan. The school will also insert an annual breakdown of incidents, by month. Information obtained will assist the school and in developing programs to reduce the incidence of crime on campus.

Lake View Charter School
Section L: COVID-19 Reporting AB 685
Part 1: Increased COVID-19 Reporting Requirements

Refer to school's board policy regarding COVID-19.

Residency Policy

California law requires that certain residency requirements are established in order for a student to be enrolled in an independent study charter school for which average daily attendance may be claimed. California law requires that a student be a California resident and requires that the student is a resident of the county in which the apportionment claim is reported or of a county immediately adjacent to the county in which the apportionment claim is reported. [EC §§ 47612(b), 51747.3]

The purpose of the Lake View Charter School Governing Board approving this Residency Policy is to accomplish the following:

1. Define Residency
2. Outline Residency for a Student on an Extended Vacation
3. Establish the Location Materials Will Be Mailed To
4. Outline the Procedures When a Student's Residency is in Question
5. Establish Process of Proof of Residency if Document or Student Residency Questionnaire Affidavit Not Provided at Beginning of the School Year
6. Outline the Parent/Guardian/Education Rights Holder's Right Regarding Determination of Non Residency
7. Outline the Procedures for Military, Homeless, Foster Youth, and Migratory students.

- 1. Definition of Residency:** A student has residency in the state and county of the residence of the parent/guardian with whom that student maintains his or her place of abode. Residence denotes any factual place of abode of some permanency that is more than a mere temporary sojourn. Owning a home in California or in a particular county does not qualify a student to attend Lake View Charter School, unless it can be shown that the student is also living in the home at least three days per week during the school year.
- 2. Residency for a Student on an Extended Vacation:** A student who maintains residence in a county served by Lake View Charter, but is on an extended vacation not lasting longer than 20 school days, will not be deemed to have lost California residency. During this travel, the student will meet virtually with the teacher and complete assigned work. The family is responsible for notifying their HST (if applicable, Education Specialist and any other staff who participate in the education of the student) for the first and last day of the Extended Vacation. If a student has the need for an extension of the 20 school days, approval of the school's Executive Director or designee is required in a written communication.
- 3. The Location Material(s) Will Be Mailed To:** The Location Instructional Material(s) Will Be Mailed To: All instructional materials will be mailed to the address identified in the student's records in his/her approved proof of residence documentation, or a P.O. Box within the same county as the physical address, the address provided per military order, the property address listed on Student Residency Questionnaire-Me Kinney-Vento affidavit, the Homeschool Teacher's address, special circumstances, at the physical residence provided in POR, an alternate address must be within the same county as the POR or a contiguous county served by the charter (only with Executive Director or

4. Student's Residency is in Question: If there is reason to believe that a student's residency is in question, Lake View Charter School may investigate in order to determine the authenticity of the home address. When it is determined that a student lives outside of California and/or an authorized county, Lake View Charter School will provide written notice of the determination of nonresidency within five days of Feather River Charter School's intention to disenroll the student.

5. Proof of Residency Document/Student Residency Questionnaire Affidavit Not Provided by Beginning of School Year: A student that has not provided an updated Proof of Residency or Student Residency Questionnaire affidavit by the start of his or her enrollment for each school year, will have 5 school days to provide the Proof of Residency or Student Residency Questionnaire-affidavit. If the student has still not provided the Proof of Residency or Student Residency Questionnaire affidavit by the fifth day of enrollment, the School will provide written notice of the School's intention to disenroll the student effective five school days later.

6. Parent/Guardian/Education Rights Holder's Right Regarding Determination of Nonresidency: The notice shall contain an explanation of the parent/guardian/education rights holder's right to request a hearing adjudicated by a neutral officer within 5 school days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine witnesses and at which the pupil has the right to bring legal counsel or an advocate to dispute the finding of nonresidency. If the parent/guardian/educational rights holder does not request a hearing within five days of receipt of the notice, the right to a hearing is waived and the student will be immediately disenrolled. If the student's parent, guardian or educational rights holder initiates the hearing, the student shall remain enrolled and shall not be disenrolled until Lake View Charter School issues a final decision.

7. Children of Military Families: Lake View Charter School will serve children of military families, as defined by Education Code section 49701, as follows:

1. Allow the student to continue his or her education in Lake View Charter School, regardless of change of residence of the military family during that school year, for the duration of the student's status as a child of a military family; or
2. For a student whose status changes due to the end of military service of his or her parent during a school year, comply with either of the following, as applicable:
 - a. If the student is enrolled in TK through 8th grade, allow the student to continue his or her education in Lake View Charter School through the duration of that academic school year;
 - b. If the child is enrolled in high school, allow the student to continue his or her education in Lake View Charter School through graduation.

Once Lake View Charter School is notified that a student is identified as a child of a military family, Lake View Charter School will require the parent/guardian to submit the following documentation:

1. Written proof of the transfer, including the time period for the transfer and location of the transfer.
2. A signed affidavit that states that the student is only enrolled in Lake View

For high school students, the aforementioned documentation will need to be resubmitted on an annual basis. Lake View Charter School reserves the right to re-verify all of the above at any time throughout the school year.

9. Foster Youth: Lake View Charter School will be considered to be a pupil's school of origin for a foster youth, foster child or student in foster care or "foster youth" when the child attended the Lake View Charter School at the initial detention or placement, or any subsequent change in placement of a foster child for the duration of the jurisdiction of the court. Lake View Charter School will serve former foster youth, as defined below, whose residency has changed as follows:

1. If the jurisdiction of the court is terminated before the end of an academic year, the Lake View Charter School shall allow a former foster child who is in TK through 8th grade, to

continue his or her education in the school of origin through the duration of the academic school year.

2. If the jurisdiction of the court is terminated while a foster child is in high school, Feather River Charter School shall allow the former foster child to continue his or her education in Feather River Charter School through graduation.

7. A child who is the subject of a voluntary placement agreement, as defined in Welfare and Institutions Code 11400

10. Migratory Youth: Lake View Charter School will be considered to be a pupil's school of origin for a migratory youth when the child attended the Lake View Charter School at the time the pupil's status changed to a pupil who is a migratory youth. Lake View Charter School will serve migratory youth, as defined below, whose residency has changed as follows:

1. If the migratory youth is enrolled in TK through 8th grade, allow the pupil to continue their education in Lake View Charter School through the duration of that academic school year.

Charter Schools are required to disclose the following policies: Conflict of Interest Policy, Whistleblower Policy, Document Retention and Destruction Policy, Expense Reimbursement Policy, Gift Receiving Policy, and Compensation Approval Policy. A Form 990 must be filed by the 15th day of the 5th month after the close of the NPO's fiscal year. Most schools extend this deadline to the following May 15th. Failure to properly review and amend these data in CALPADS within the allotted amendment window will result in the improper certification of official Fall 1 data within CALPADS, which can impact a number of things, including LCFF funding, reclassified fluent-English proficient (RFEP) counts/rates, and A-G graduate counts.	Charter Impact with Client support	No	No	https://www.cde.ca.gov/ds/sp/cl/rptcalendar.asp
DATA TEAM	Set by Authorizer	Principal Apportionment P1 - The First Principal attendance period, designated P-1, is the attendance count for all full school months during the period from July 1 through the last school month that ends on or before December 31 of the FY, and is used by the CDE to compute the P-1 Apportionment.
