Tobacco-Free School Policy

The Lake View Charter School Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with school goals to provide a healthy environment for students and staff.

The Board prohibits smoking and/or the use of tobacco products at any time in school-owned or leased buildings. (Health and Safety Code 104420, 104559)

These prohibitions apply to all employees, students, and visitors at any school-sponsored instructional program, activity, or athletic event held on or off school property. Any written joint use agreement governing community use of school facilities or grounds shall include notice of the school's tobacco-free schools policy and consequences for violations of the policy.

Smoking means inhaling, exhaling, burning, or carrying of any lighted or heated cigar, cigarette, pipe, tobacco, or plant product intended for inhalation, whether natural or synthetic, in any manner or form, and includes the use of an electronic smoking device that creates aerosol or vapor or of any oral smoking device for the purpose of circumventing the prohibition of smoking. (Business and Professions Code 22950.5; Education Code 48901)

Tobacco products include: (Business and Professions Code 22950.5; Education Code 48901)

1. Any product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, or snuff
2. An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah
3. Any component, part, or accessory of a tobacco product, whether or not sold separately

This policy does not prohibit the use or possession of prescription products and other cessation aids that have been approved by the U.S. Department of Health and Human Services, Food and Drug Administration, such as nicotine patch or gum.

In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited. (Health and Safety Code 104495)

Extended School Year (ESY) services are special education and related services that are provided to a child with a disability during extended school breaks. These services are different from summer school. ESY services are special education and related services that a student must qualify for and are in accordance with the students IEP. ESY services must be provided for a minimum of 20 instructional days per California Code of Regulars (CCR 3043).

Board approval for ESY dates of June 2, 2023 - June 30, 2023

Investigation of Inaccurate, Suspicious or False Addresses for Student Residency

Lake View Charter School may only enroll students that are residents of the State of California and residents of the following counties: Butte, Glenn, Lake, Mendocino and Tehama Counties. As such, upon enrollment, the student's parent/guardian is required to provide proof of residency, either through presentation of permitted documents establishing residency, an Mc Kinney Vento Affidavit to Verify Residency Form, or a Parent Residency Affidavit Form.

If, thereafter, an employee of Lake View Charter School has reason to believe that the address provided by the parent/guardian is incorrect, was falsely reported, or is not longer valid and in line with Lake View Charter School's Residency Policy, every effort shall be made to ascertain the correct information. In order to initiate an investigation, Lake View Charter School's employee must document specific, articulable facts supporting the belief that the parent/guardian has provided false, inaccurate or unreliable evidence of residency. A staff member of LVCS will follow the procedures within the Residency Policy and may utilize the following investigative procedures listed below.

School staff have the right and obligation to conduct a thorough investigation (due diligence) in order for Lake View Charter School's Executive Director to take appropriate action.

Such an investigation may shall include:

1. Search Lake View Charter School's enrollment database by entering student's, parent's/guardians, names to locate siblings and review their residence information.
2. The Lake View Charter School Executive Director or designee may interview the student(s) for residence information. At no time, however, shall any employee of Lake View Charter School inquire about a student's/family's immigration status.
3. The Lake View Charter School Executive Director or designee may mail a letter to all known current and previous addresses requesting residency verification. Write or stamp "Do Not Forward-Address Correction Requested" on the envelope so that the letter will be returned to the school with the family's current address. The new address should be entered into the student information system(s). If the letter is returned with no forwarding information, the student and their parent/guardian must be contacted to provide new information. If the parent/guardian refuses to provide information the school must immediately initiate the investigative activities outlined above.
4. The Lake View Charter School Executive Director or designee may conduct a home visit to establish residency at either the current or previous address.
5. The Lake View Charter School Executive Director or designee may review publicly available documents, in paper form or through an electronic databased, to verify the address of students by a review of property records. This method shall not be used to verify residence

for students living in apartments, under leases or subleases, in foster or probation placements or in homeless situations since this method would not verify these residency situations.

6. The investigation shall not allow for the surreptitious photographing or video-recording of pupils who are being investigated. “Surreptitious photographing or video-recording” means the covert collection of photographic or videographic images of persons or places subject to an investigation. The collection of images is not covert if the technology is used in open and public view.
7. At all times during an investigation, employees and contractors of Lake View Charter School engaged in the investigation shall identify themselves truthfully as such to individuals contacted or interviewed during the course of the investigation.

If a new address and residency is established and located outside of California or the following counties: Butte, Glenn, Lake, Mendocino, and Tehama Counties the Executive Director or designee shall follow the policy and procedures providing notice and a right to a hearing identified in Lake View Charter School’s Residency Policy.

Section 3 - Employment

EMPLOYMENT APPLICATIONS

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

EQUAL EMPLOYMENT OPPORTUNITY

Our School is an equal opportunity employer. In accordance with applicable law, our School prohibits

discrimination, harassment, intimidation, and bullying based on actual or perceived ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, actual or potential parental, family, marital status, or association with a person or a group with one or more of these actual or perceived characteristics. Our School will ensure that applicants and employees are treated equally in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training. Additionally, in accordance with applicable law, our School prohibits all forms of unlawful harassment of a sexual or other discriminatory nature. Any conduct contrary to this policy is prohibited. This policy applies to all applicants and employees of your School.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, your School will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to your School. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation he or she needs to perform the job. Our School will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request. If the employee believes they have been subjected to discrimination, please follow the complaint procedure outlined below.

HARASSMENT

It is the policy of your School to ensure equal employment opportunity without discrimination, harassment, intimidation, or bullying based on actual or perceived ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, actual or potential parental, family, marital status, or association with a person or a group with one or more of these actual or perceived characteristics. Our School prohibits any such discrimination or harassment. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors for both curriculum and enrichment along with community partners or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to your School (e.g. an outside community partner, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

What is Harassment?

- Harassment can take many forms. As used in this Employee Handbook, the terms

“discrimination” and “harassment” includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

- Offensive remarks, comments, jokes or slurs pertaining to an individual’s race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages

- Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;
 - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
 - Such conduct has the purpose or effect of substantially interfering with the individual’s work performance or creating an intimidating, hostile or offensive working environment.

What is abusive conduct/workplace bullying?

- Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer’s legitimate business interests
- Use of derogatory remarks, insults and/or epithets
- Verbal or physical conduct that sabotages or undermines a person’s work performance that is threatening, humiliating or intimidating
- Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others

What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, abusive conduct or for participating in an investigation of a claim of such is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation

should be reported immediately to Human Resources and will be promptly investigated and addressed.

As used in this policy, “retaliation” means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, opposing a practice or conduct the employee reasonably believes to be unlawful, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an “adverse employment action” means conduct or an action that materially affects the terms and conditions of the employee’s employment status or is reasonably likely to deter the employee from engaging in further protected activity. An adverse employment action may include, but is not limited to, the following: demotion, suspension, reduction in pay, denial of merit salary increase, failure to hire, refusing to promote, denying employment opportunities, changing work assignments or otherwise treating an employee differently.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

Responsibility

All School employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

Reporting

School encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender’s identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, Executive Director or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, our School encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. Our School recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although anonymity cannot be guaranteed. Our School is serious about enforcing its policy against harassment; however, your School cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to your School’s attention so it can take whatever steps are necessary to correct the problems.

Supervisors must report any and all alleged conduct of which they are made aware, which

violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Executive Director or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

Title IX provides for separate processes and procedures for sexual harassment and sexual assault when the type of conduct falls within the definitions of sexual harassment and sexual assault as provided in 34 C.F.R. § 106.30. In addition, the conduct must have taken place at school locations, events or circumstances over which the School exercised substantial control over both the individual who has been accused of sexual harassment and/or assault and the context in which the sexual harassment occurs. For these types of complaints, the School will follow the Title IX policy processes and procedures, which may be found in the School's Title IX grievance policy. If the conduct does not fall within Title IX, this policy will be followed. There may be instances where the conduct falls within both policies and the School will follow both policies.

The School's Title IX Coordinators are stated on each school's websites under Title IX.

If an employee has a complaint about Title IX, contact the Title IX Coordinator listed in the Title IX Policy. The employee has 180 days of the date of the alleged discrimination, unless the time for filing is extended for good cause by the Title IX Coordinator. Although the employee is not required to utilize the School's internal grievance procedure, the employee may do so prior to filing a complaint with the Office of Civil Rights (OCR). If the employee uses the School's internal grievance process, the Title IX complaint must be filed with the Office of Civil Rights within 60 days after the last act of the School's grievance process. If using the School's grievance process, the School will investigate student Title IX claims of discrimination using the processes adopted through the Uniform Complaint Procedure. A copy of each School's Uniform Complaint Procedures is available on each School's website.

Transgender and Gender Nonconforming Students Policy: Your school is committed to fostering an educational environment that is safe, welcoming, and free from stigma and discrimination for all students, regardless of gender identity or expression; facilitating compliance with local, state and federal laws concerning bullying, harassment, privacy and discrimination; and ensuring that all students have the opportunity to express themselves and live authentically. To review the policy, please visit the school's board webpage.

Universal Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated. Our School encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

Our School's investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter. All employees are required to fully cooperate with your School's investigation which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

Our School will strive to complete its investigation as efficiently as possible in light of the allegations, and will reach any conclusions based on the evidence collected and credibility of the witnesses. Your School may investigate conduct in the absence of a formal complaint if our School has reason to believe that an individual has engaged in conduct that violates School policies or applicable law. Further, our School may continue its investigation even if the original complainant withdraws his or her complaint during the course of the investigation. Any conduct which our School believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example; training, referral to counseling, and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as our School believes appropriate under the circumstances. Due to privacy protections, our School may not be able to disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if

erroneous, are made in good faith, may be the subject of appropriate disciplinary action. The employee may view the Universal Complaint Procedure on our school's website.

Conclusion

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination, abusive conduct and retaliation. Your School will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Executive Director. Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of your School prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If the employee believes they have experienced discrimination, harassment, or abusive conduct the employee may file a Department of Fair Employment and Housing ("DFEH") or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC.

Training Requirements

Our School requires all employees to abide by California's training requirements, which includes training within six months of hire and retraining as legally required, thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

AT-WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both the employee and the School will have the right to terminate employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, the School may eliminate or change any term or condition of employment (including but not limited to job assignment, duties, or salary) at-will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called "employment at-will," and no one other than the Executive Director of your School with the approval of the Board of Directors, has the authority to alter the employee's employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict your School's right to terminate at-will.

PROFESSIONAL DEVELOPMENT FOR SALARY ADVANCEMENT

Employees who wish to advance their salary beyond their initial placement may receive credit for upper-division and/or graduate level college/university courses up to 6 semester units or two classes per school year. These courses must be pre-approved first by the employee's direct supervisor, and then by a school Director prior to registering for courses. Courses that are commonly accepted are courses that:

- Are related to education
- Are related to the courses the teacher is currently teaching
- Enhance the teacher's teaching abilities

Note: Employees must receive passing grades on their transcripts (C- or higher, or Pass) for those units to qualify toward a salary increase.

Once pre-approved courses have been completed, employees will need to send all post-baccalaureate transcripts, including the newly completed course transcripts, to the Human Resources Department for the information to be added to their employee file. Transcripts must be submitted by June 1st of the current school year for salary schedule consideration for the following school year. No more than 6 units or two classes will be approved per school year for salary advancement purposes.*

*Special consideration may be given to employees who are seeking an advanced degree (such as a Masters or Doctorate) or are working toward completion of additional credentials or certifications. As with other coursework, these require pre-approval from the employee's direct supervisor and a school Director.

EMPLOYEE PLACEMENT ON SALARY SCHEDULE

Salary placement for newly hired employees is contingent upon all documentation (i.e. transcripts, verification of experience, credential accreditation, etc) being received and verified. There are no retroactive salary placements. It is the employees' responsibility to furnish the Human Resources Department with verification of these items upon hire.

Initial salary schedule placement is determined by the number of post-baccalaureate units and the number of years of previous teaching experience.

In order for units to be considered for initial placement on the salary schedule, post-baccalaureate units must meet the following criteria:

- Earned after Bachelor's degree completion date
- Upper-division and/or graduate-level courses
- Relevant to the field of education

Previous teaching work experience may be accepted on a year-for-year basis for up to five years of credit if it meets the following criteria:

- Must have worked with the same employer for at least one year
- Worked in a full-time capacity
- Worked at least 75% of the school year

Note: Substitute teaching experience is not accepted

OPEN COMMUNICATION POLICY

We want to hear from our employees. Our School strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. Our School is interested in all of our employee's success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor, Executive Director or Human Resources. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause concern. Your School will attempt to keep the employee's concerns and complaints and any potential investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

LACTATION ACCOMMODATION POLICY

Your School provides a reasonable amount of break time to accommodate a lactating employee's need to express breast milk for the employee's infant child. For those employees who are working at a school location, the School will also make a reasonable effort to provide the employee with the use of a room or other private location in close proximity to the employee's work area for the employee to express milk in private. The location will also meet the following requirements: not be a bathroom; be free from intrusion; be shielded from view; be safe, clean, and free of hazardous materials; contain a surface to place a breast pump and personal items; contain a place to sit; and have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump. In addition, the School shall provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee's work area. If a refrigerator cannot be provided, the School may provide another cooling device suitable for storing milk, such as a School-provided cooler.

The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations. Employees requesting an accommodation under this policy should comply with the following requirements:

- The employee should complete an accommodation request form and contact the employee's supervisor or Human Resources to request designation of a location and time to express breast milk under this policy. The School will respond accordingly, generally within two business days.
- The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes she has been retaliated against it should be reported immediately to her supervisor, Human Resources or Executive Director. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at your School and will be handled in accordance with your School's policy on discrimination and harassment. If any employee believes that he or she has experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may file a complaint with his or her supervisor and/or the Labor Commissioner's Office. For more information, contact the Labor Commissioner's Office by phone at 213-897-6595 or visit a local office by finding the nearest one on our website: www.dir.ca.gov/dlse/DistrictOffices.htm The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

PUBLIC RELATIONS

The success of a school depends upon the quality of the relationship among the school, its employees, students, parents and the general public. The public impression of your School and its interest in our school will be formed in part, by School employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, our School and our School's services.

Below are several things employees can do to help leave people with a good impression of our School. These are the building blocks for our continued success:

- Communicate with parents regularly

- Communicate pleasantly and respectfully with other employees, families and students at all times
- Follow up on requests and questions promptly, provide professional and personable replies to inquiries and requests, and perform all duties in an orderly manner
- Respond to email and voicemail within 24 hours during the work week
- Take great pride in your work and enjoy doing your very best

WHISTLEBLOWER POLICY

Your School is committed to maintaining a workplace where employees are free to raise good faith

concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of School policy, specifically the policies contained in your School's Employee Handbook. An employee who wishes to report a suspected violation of law or School Policy may do so by contacting the Executive Director or Human Resources.

Your School expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of School policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: the Executive Director or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Executive Director or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although anonymity cannot be guaranteed) and consistent with a full and fair investigation. School administration (and/or an administrative designee) will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.

Section 4 - The Employment Process

EMPLOYEE STATUS AND CLASSIFICATIONS

Each School employee is either a "full-time," "part-time," or "temporary" employee and either an "exempt" or "non-exempt" employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 30 or more hours each week. Part-time employees are those regularly scheduled to work less than 30 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. The Executive Director or direct supervisor will assign the employee an individual work schedule. In order to accommodate the needs of our school(s), it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be available by phone, email or in-person with scheduled meeting(s)/event(s). If the employee needs to modify their schedule, request the change with Human Resources or their supervisor. All schedule changes or modifications must be approved by the Executive Director or their supervisor.

Your School reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If the employee is unable to report for work on any particular day, the employee must call their supervisor at least one hour before the time scheduled to begin working for that day. If the employee calls in less than one hour before the scheduled time to begin work, the employee will be considered late for that day. Absent extenuating circumstances or a medical provider's order excusing the employee from work for a period of time, the employee must call in on any day the employee is scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify the supervisor personally at the earliest possible moment. In some circumstances, the employee may be required to provide verification of the reason or documentation for the absence.

If a non-exempt employee or instructional employee has more than three instances of being late during any twelve-month period, it will be considered excessive. Any unexcused absence is considered excessive. If the employee fails to report for work without any notification to the employee's supervisor and the absence continues for a period of three business days, the School will determine that the employee has abandoned their job and voluntarily terminated their employment.

PROFESSIONAL DEVELOPMENT

Employees are expected to attend and participate in all professional development sessions and other scheduled school sponsored trainings. For virtual attendance, video registration/chat or signing in on a Google Doc/Survey will serve as attendance. For in-person meetings, either online document or paper documentation will be required for the purpose of record keeping. These records will serve as the official roster of attendance. Your

School will pay hourly employees for attendance at mandatory trainings, lectures, and meetings outside of regular working hours at the employee's hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of your School's normal business hours with no additional pay. In the event that an employee must leave early or is unable to attend a scheduled training (i.e. Professional Development sessions), during their normal work hours, an employee MUST put in a time-off request according to the time-off policy. Employees may also be required to attend make-up sessions of any missed training. Failure to comply with this policy may result in disciplinary action.

TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and employee signature. Absences and overtime must be accurately identified on the employee's time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. Each employee must sign and submit his or her own time record.

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or double-time. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

OFF THE CLOCK WORK

Your School prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During the meal periods and rest periods, employees may not work at all and are excused from all duties. Required meal or rest periods may not be combined in order to take a longer break. Employees may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that an employee believes they cannot take a meal or rest period, or is unable to take a full meal or rest period pursuant to School policy or must begin the meal period more than five hours after the work period began, they must notify Human Resources in advance whenever possible and as soon as possible so that the proper measures may be taken. Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

Meal Periods

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are

given a 30-minute duty-free unpaid meal period. The meal period must be taken before the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a "Meal Period Waiver" form.

If an employee's day exceeds ten hours of work time, the employee is entitled to an additional 30 minute duty-free meal break. The employee only may waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and complete a "Second Meal Period Waiver" form.

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days' time record and to the employee's supervisor immediately. The meal period must be accurately recorded on the employee's timesheet. Meal periods are unpaid time and employees are free to leave the premises, if working at a site. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

Rest Periods

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. The supervisor may schedule the rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time and cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	One 10-minute rest period
Over 6 hours to 10 hours	Two 10-minute rest periods
Over 10 hours to 14 hours	Three 10-minute rest periods

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

Any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period – for any reason – must immediately report this issue in writing (via email) to Human Resources on the same workday that he or she experienced the non-compliant meal or rest period. The employee must include a description providing a thorough explanation for the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by your school), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the non-compliant meal or rest period to Human Resources.

PAYDAYS

Employees are paid semi-monthly in accordance with the School’s payroll schedule. Employees who do not have direct deposit will receive their checks via mail. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be mailed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of a paycheck to any other person other than the employee. If automatic deposit is used for the paycheck, the funds will be deposited to the financial institution requested by the employee by the end of business on the scheduled payday. While an automatic deposit may actually credit to the employee’s account before the actual “payday,” the School is not responsible for automatic payments or withdraws dated prior to the actual payday and the employee should not depend on early deposits of pay. If a wage garnishment order is received by your School for an employee, the school is obligated by law to comply with the demand. The affected employee will receive notice from his or her supervisor or Human Resources as soon as possible.

DEFERRED PAY

Starting in the 2023-2024 school year, the Sequoia Grove Schools are moving to a 10.5 month (21 pay period) for all Salary Schedule A & B staff and an 11 month (22 pay period) for all Salary Schedule C staff payroll year. This is to assist the Charters with better aligning employment contracts, pay schedules, and staff calendars.

The schools are offering an optional deferral (summer hold back program) starting in the 2022-2023 school year to assist staff with creating a paycheck for the remaining two (2) or three (3) pay periods in the 2023-2024 school year. This will not impact the total salary of an employee.

Employees will have the opportunity to opt-in or opt-out of the summer hold back program. Employees who choose to opt-in to the program, will be able to choose the deferred amount per paycheck to be withheld allowing flexibility on the amount that will be paid on the two (2) or three (3) “deferred” paychecks. Once the amount is selected and set by the Payroll Team, it cannot be changed for that school year.

PAYROLL WITHHOLDINGS

The School is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability

Insurance from each employee's paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, the School must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in his or her pay or deductions the School will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or his or her designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee's paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 or DE4 form and submitting it to Human Resources.

Section 5 - Conditions of Employment

IMMIGRATION LAW COMPLIANCE

The School employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms. Former employees who are rehired must also complete the form if they have not completed an I-9 with the School within the past three years or if the previous I-9 is no longer retained or valid.

CREDENTIAL REQUIREMENTS

All credentialed employees must provide copies of credentials, official transcripts, and/or test scores prior to the first day of work. Failure to provide these documents may delay an employee's ability to begin work. Employees are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both the Executive Director and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided. If an employee fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails recertification, training, or testing, the School reserves the right to suspend the teacher without pay until the teacher's credential is cleared, or release the teacher from at-will employment as necessary.

TEACHER INDUCTION

The school does not offer Teacher Induction. Please refer to the California Commission on Teacher Credentialing and board policy in relation to the schools' Teacher Induction Policy.

RESIDENCY REQUIREMENTS

All employees with in-person requirements as part of their job description are required to live and reside in California, in the region where students are served. All approved out of area employees will have this listed within their employment contract, i.e. 100% virtual contract.

TEMPORARY RESIDENCY

Temporary Residency for Certificated Employee: All certificated employees (with in-person requirements as part of their job description) who are seeking to relocate with a temporary residence are required to write a "Temporary Residency Request" to their supervisor and Executive Director or designee minimum of 5 days prior to departing primary residence.

Certificated employees must obtain written approval from their supervisor and Executive Director or designee for the Temporary Residency to be granted. Failure to do so, will result in a dock in pay for days absent. Temporary Residency may be approved for a maximum of two weeks and the Certificated employee is expected to continue and perform all job duties per their job description, communicate and execute all job duties with students, colleagues, and all work-related entities. All full time Certificated employees are expected to continue to be available between the scheduled hours of 8:30am-5:00pm Pacific Time. Though a temporary residency may not be the norm, employees are encouraged to review the other leave policies outlined in the Employee Handbook that may be deemed more appropriate for the circumstance. Temporary Residency is not to be construed as a vacation, as only employees working over 210 days have PTO in their contract. All Certificated staff: please refer to the Leave policies or Human Resources for more clarification.

TUBERCULOSIS TEST

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of the employee's ability to begin work or termination.

TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the School has a valid certificate on file.

CRIMINAL BACKGROUND CHECK

As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation. The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

CHILD ABUSE AND NEGLECT REPORTING ACT

Since employees work directly with children, they are in a position to detect instances of child abuse

and neglect. It is the School's policy that all employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

"Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident."

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required. All employees will be mandated child abuse reporters and will participate in annual training, follow all applicable reporting laws and the same policies. The School's Child Abuse and Neglect Policy will contain detailed policies and procedure for the immediate reporting of suspected child abuse and neglect. All appropriate staff are required to certify knowledge of the policy annually, and employees shall receive mandated reporter training annually. The school will provide this training, as well as other trainings, mandated by law during the first month of the school year, or the first month of employment, should an employee start after the beginning of the school year.

It is extremely important that School employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity. Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without the School's assistance, he or she is required to notify the School of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with the School.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by the School. If the request includes a request for copies, the employee or former employee may be required to pay for the actual costs of copying. The Employer will respond to such a request within 30 days of receipt of the written request. Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee's personal information and changes affecting the employee's status (ex. name changes, address or telephone number changes, marriages or divorces, etc.) This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

Section 6 - Performance

PERFORMANCE EVALUATIONS

The purpose of a staff evaluation is to safeguard and improve the quality of educational support and service received by students and families by employees and to provide staff with important feedback to improve their practice and identify options for professional development and growth. Every staff member will be evaluated annually or biennially per administrator discretion. Evaluations will be conducted in the spring of each school year. The employee's supervisor may identify opportunities for professional growth. It is not a right of any employee to be provided a performance plan. A signed copy of the Final Evaluation and any supporting documents shall be kept on file with the HR Director.

Certificated Staff:

At the start of each academic year, each certificated staff member will meet with their Supervisor or Instructional Team Advisor to establish and/or review Performance Objectives or SMART Goals for that school year. The certificated staff member will put these objectives in writing and complete a pre-evaluation template to be provided by their Supervisor or Instructional Team Advisor. The Immediate Supervisor will evaluate the Certificated staff member annually or biennially per administrator discretion. Evaluations will be conducted in the spring of each school year and will be completed no later than thirty (30) calendar days before the end of the employee's scheduled work year.

The evaluation will be based on factors including the Certificated staff member's job description, accomplishment of the Performance Objectives, and standards for teaching performance. In addition to these more formal performance evaluations, the School encourages employees and their supervisor to discuss job performance on an ongoing basis.

The School's provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit the School's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and the School. Accordingly, either the employee or the School can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

Classified Staff:

Formal evaluations are generally held once each year. Employees will be provided a copy of the evaluation tool and as part of the process, will do a self-evaluation. The direct supervisor may

schedule the evaluation time in advance so that the employee is prepared for the process. In addition to these more formal performance evaluations, the School encourages staff members and supervisors to discuss their job performance on an ongoing basis.

Section 7 - Leaves

FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT¹

The School complies with the federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), both of which require the School to permit each eligible employee to take up to 12 work weeks of leave in any 12-month period for the birth or adoption of a child, the employee's own serious health condition or for the serious health condition of the employee's child, parent, or spouse. CFRA further allows for 12 work weeks of leave to care for the serious health condition of the employee's grandchild, grandparent, parent-in-law, domestic partner, or sibling.

Child means a biological, adopted, or foster child, a stepchild, a legal ward, a child of domestic partner, or a person to whom the employee stands in loco parentis. Parent means a biological, foster, or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. For ease of reference in this policy, all leave taken under FMLA and CFRA will be referred to as "FMLA Leave," except to the extent that leave under FMLA and CFRA do not overlap. It is also the policy of the School that it will not interfere with, restrain, or deny any employee's rights provided by FMLA and CFRA. FMLA leave runs concurrently with Pregnancy Disability Leave, while CFRA leave does not.

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and, for purposes of FMLA leave only, are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, the employee must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, the employee must request the leave as soon as possible. Please use the School's request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
3. The care of a grandchild, grandparent, parent-in-law, domestic partner, or sibling with a serious health condition. Leave taken pursuant to this section is available only through CFRA

and not FMLA. As such, FMLA does not run concurrently with leave taken for the employee's grandchild, grandparent, domestic partner, or sibling with a serious health condition.

4. The "serious health condition" of the employee;
5. The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty on active duty or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty; or
6. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, registered domestic partner, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. Domestic partner leave under this section is only available through CFRA and not FMLA.

A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital or other medical care or residential health care facility or continuing treatment or supervision by a health care provider. Employees may take a leave under paragraphs (2) or (3) above only if due to a serious health condition, or a spouse, child, grandchild, grandparent, sibling, parent, or registered domestic partner requires care or assistance as certified in writing by the family member's health care provider. If seeking a leave under paragraph (4) above, the employee must provide the School with a medical certification from a health care provider establishing eligibility for the leave, and the employee must provide the School with a release to return to work from the health care provider before returning to work. The employee must provide the required medical certification, which can be obtained from Human Resources, to the School in a timely manner to avoid a delay or denial of leave.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against the employee's state and federal family and medical leave entitlements to the fullest extent permitted by law. The employee will be required to use any available sick time during unpaid family and medical leave. The employee will also be required to use any available paid sick leave during unpaid family and medical leave that is due to the employee's own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if continuously employed. However, the employee must continue to pay his/her share of applicable premiums (for themselves and any dependents) during the leave.

If the employee out on leave chooses not to return from a leave allowed by this policy after the expiry of the leave, the employee will be required to repay the School the premium amounts it paid during leave, unless the employee does not return to work because of circumstances beyond the employee's control or because of recurrence, continuation, or onset of a serious health condition.

If the employee does not return to work on the first workday following the expiration of an approved family and medical leave, the employee will be deemed to have resigned from his/her employment. Upon returning from such a leave, the employee will normally be reinstated to their original or an equivalent position and will receive pay and benefits equivalent to those received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any "key" employee who is not eligible for reinstatement.

Before an employee will be permitted to return from leave taken because of their own serious health condition, the employee must obtain a certification from their health care provider certifying the ability of the employee to resume work.

If an employee has any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.

PREGNANCY DISABILITY LEAVE

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider’s statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to Human Resources. Employees returning from pregnancy disability leave must submit a health care provider’s verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a healthcare provider. When an employee’s health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have an equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee’s regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any unused allotted sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any available PTO during any unpaid portion of pregnancy disability leave. If an

employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if continuously employed. However, the employee must continue to pay their share of applicable premiums (for themselves and any dependents) during the leave.

Additionally, if an employee does not return to work after the expiration of the pregnancy disability leave, and the reasons for failure to return to work do not include one of the following: 1) the employee is on CFRA leave; or 2) the continuation, recurrence or onset of a health condition entitling the employee to pregnancy disability leave in the first instance, or a non pregnancy-related medical condition requiring other leave or other circumstances beyond the control of the employee, the School reserves the right to recover from the employee the premium the School paid for the employee's group health plan while out on leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceases to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If an employee has any questions regarding pregnancy disability leave, please contact Human Resources.

ADDITIONAL LEAVES

Some of the following leaves are designated with asterisks, which means that application and employee eligibility requirements of the leave (either in part or in whole) depends on whether the School employs the minimum number of employees indicated below. Policies without an asterisk apply regardless of the number of School employees.

*The School has 15 or more employees

**The School has 16 or more employees

***The School has 25 or more employees

Should an employee have any questions as to eligibility requirements of any leave policy, please contact Human Resources.

MILITARY SPOUSE LEAVE

An eligible employee-spouse or registered domestic partner of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict. An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required. The employee may use available PSL or PTO for this leave.

WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration leave will depend upon the rate of recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e. FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If the employee has any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

BEREAVEMENT LEAVE

The School provides regular full-time employees up to three (3) days of paid bereavement leave, beyond sick, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent, grandchild, aunt, uncle, niece or nephew. If a funeral is more than 500 miles from the employee's home, the employee may receive paid leave for five (5) days with prior approval from the supervisor.

JURY DUTY LEAVE

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any available PTO off during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay. [Please contact your supervisor or Human Resources if you are called to serve as a witness within the scope of your employment.](#)

TIME OFF TO VOTE

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off. Nothing in this policy requires the employee to bring his or her mail (absentee) ballot to work, including mailing such absentee ballots from work.

SCHOOL ACTIVITIES LEAVE

The School encourages employees to participate in the school activities of his/her child(ren). If the employee is the parent, legal guardian, stepparent, foster parent, grandparent, person standing *in loco parentis* of a child who is in school up to grade 12, or who attends a licensed daycare facility, employee may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll the employee's child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

The leave is subject to all of the following conditions:

- The time off for school activity participation cannot exceed eight (8) hours in any calendar month, or a total of forty (40) hours each year;
- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor;
- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;
- Employees must use existing PTO in order to receive compensation for this time off;
- Employees who do not have paid time off available will take the time off without pay;
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed childcare/day care facility.

SCHOOL APPEARANCE LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose.

This leave is unpaid, but the employee may choose to use available PTO. The employee will not be discharged or discriminated against because of an absence protected by this law.

An employee must give reasonable advance notice to the School by providing documentation of the proceeding, unless advanced notice is not feasible. Documentation may be from any of the following:

- Notice from the court or government agency setting the hearing;
- The district attorney or prosecuting attorney’s office; or

Documentation may be from any of the following:

- A police report indicating that the employee was a victim
- A court order protecting or separating the employee from the perpetrator of the crime or abuse, or other evidence from the court or prosecuting attorney that the employee has appeared in court

- This leave is unpaid but the employee may choose to use available PSL or (PTO). The employee will not be discharged or discriminated against because of an absence protected by this law. The School will also, to the extent possible and allowed by law, maintain the confidentiality of an employee requesting leave under this provision

DOMESTIC VIOLENCE LEAVE

If an employee is the victim of domestic violence, sexual assault, or stalking, the employee may be entitled to a reasonable accommodation for their safety while at work. Reasonable accommodations may include the implementation of safety measures, including a transfer, reassignment, modified schedule, changed work telephone, changed work station, installed lock, assistance in documenting domestic violence, sexual assault, stalking, or other crime that occurs in the workplace, an implemented safety procedure, or another adjustment to a job structure, workplace facility, or work requirement in response to domestic violence, sexual assault, stalking, or other crime, or referral to a victim assistance organization. The School is not required to undertake an action that constitutes an undue hardship on its business operations. If an employee requires a reasonable accommodation in line with this policy, please contact the School's human resources manager.

Employees will not be discharged, discriminated against, or retaliated against because of a request for an accommodation under this policy.

Employers are prohibited from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence, the victim of sexual assault or stalking for taking time off to seek medical attention, obtain services from a domestic violence shelter or program or rape crisis center, obtain psychological counseling, participate in safety planning, or temporary or permanent relocation.

MILITARY LEAVE

California's military leave laws, found at Military & Veterans Code section 389 et seq. and the Uniformed Services Employment and Reemployment Rights Act ("USERRA") found at 38 U.S.C. Section 4301 et seq., ensure that employees are not adversely affected in their employment after taking leave for military service.

Individuals who are employed in California are entitled to up to 30 days of paid military leave for active duty (including active duty training). The paid military training does not cover leave for inactive duty training, such as drills. To supplement any lost income, the employee may elect to use PTO time or any other paid leave time available through the employer. The employer is not allowed to force the employee to use their accrued paid leave time.

MILITARY SPOUSE LEAVE

Under California's Military Spouse Leave Law, eligible employees who work 20 or more hours per week and the employer has 20 employees or more, can take military spouse leave. This provides for up to 10 days of unpaid leave while a military spouse is away on deployment.

ADULT LITERACY LEAVE

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for participation in an adult literacy education. However, the employee may utilize available PTO if the employee wants compensation for this time off. If the employee does not have any PTO available, the employee will be permitted to take the time off without pay.

Literacy Education Leave

California provides for allowing employees to take unpaid leave to participate in an adult literacy program. Employers must make reasonable accommodations to assist any employee with illiteracy problems who requests participation in an adult literacy program. Literacy education leave is time off work granted to an adult employee who reveals that he or she has a problem with illiteracy. Illiteracy is the condition of being unable to, or have great difficulty with, reading and writing. Time off from work as a result of illiteracy is granted by the Employee Literacy Assistance Act.

The employee may take time off to learn to read if the below three conditions apply:

- The employee works for a private employer;
- The private employer regularly employs 25 or more employees;
- The employee is illiterate and discloses that illiteracy to his or her employer.

Employer Expectations

An employer is expected to:

- Make reasonable accommodations for any employee, who reveals a problem of illiteracy, and requests assistance in enrolling in an adult literacy education program.
- Assistance includes but is not limited to: helping the employee locate literacy education programs, enrolling in literacy education programs, or arranging for a tutor or other provider of literacy education services to visit the employee's place of work

ORGAN DONOR / BONE MARROW DONOR LEAVE

Pursuant to California law, the School will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person. In addition, the School will provide up to 30 business days of paid leave within a one-year period and up to another 30 business days of unpaid leave within a one-year period to an employee who donates an organ to another person. The one-year period is measured from the date the employee's leave begins and

shall consist of 12 consecutive months. The School requires that bone marrow donors use up to five days of available accrued PSL or leave, including unpaid leave, during the course of the leave. Organ donors must use up to ten days of available accrued PSL or leave, including unpaid leave during the course of the leave.

To qualify for this leave, an employee must have been employed for at least 90 days prior to the commencement of the leave and must provide the School with written verification of the employee's status as an organ or bone marrow donor and the medical necessity for the donation. During such leave, the School will continue coverage under its group medical insurance plan, if applicable. However, employees must continue to pay their portion of the applicable premiums. Employees should give the School as much notice as possible of the intended dates upon which the leave would begin and end.

This leave does not run concurrently with FMLA/CFRA. Employees may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. An employee shall not have any greater rights during this leave than if he or she had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE

Your School will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. The employee may use allotted and unused sick leave. All reasonable measures to safeguard their privacy will be maintained.

This policy in no way restricts your School's right to discipline an employee, up to and including termination of employment, for violation of your School's Substance and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE

The employee is allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter, reserve police officer, or emergency rescue personnel. This is an unpaid leave, but the employee may use any earned sick, and/or PTO.

CIVIL AIR PATROL LEAVE

The School provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with the School for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or

taken. Employees may use available paid time off for leave taken under this policy. The notice and eligibility requirements for any such paid time off will generally apply to an employee's request for use of PTO under this policy.

Section 8 - Benefits

SCHOOL HOLIDAYS

The School observes ~~12-13~~ paid holidays during the year:

- New Year's Day
- Martin Luther King Day
- Lincoln's Birthday
- Washington's Birthday
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees and teachers are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays. Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if the employee receives 8 hours of holiday pay on Monday and works 40 hours Tuesday-Saturday (8 hours/day), the employee will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor’s request/approval
- Due to closure of schools because of inclement weather
- Due to sickness with a doctor’s note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave
- Due to a previously scheduled and approved time off

PAID TIME OFF (PTO) - SCHEDULE D-ADMINISTRATION & SCHEDULE E-CLASSIFIED

Full-time Administrative (Schedule D) and Full-Time Classified (Schedule E) school employees are entitled to paid time off (PTO) according to this policy. PTO days may be used for illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, and part time employees are not eligible to receive or accumulate PTO. PTO must be scheduled at least five (5) days in advance and approved by the supervisor, except in the case of an illness or emergency. In the case of illness or emergency the employee is required to contact their immediate supervisor at least one (1) hour before their shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor’s release upon return to work. Supervisors use their discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor’s permission.

22/23 school year

All full-time Salary Schedule D (Administration) and E (Classified) will have the ability to carry (roll-over) up to 40 hours (5 days) of unused PTO from the 21/22 school year to the 22/23 school year. These employees will be allotted a new 40 hours (5 days) of PTO on July 1, 2022, for the 22/23 school year for a max of 80 hours (10 days) including the new PTO hours and any carry over that was left.

Updates for the 23/24 school year

After the 22-23 school year, the Sequoia Grove Schools will no longer carry over unused PTO to subsequent school years. All full-time Salary Schedule D (Administration) and E (Classified) will continue to receive 40 hours (5 days) of PTO on July 1st of each school year.

22/23	23/24
<ul style="list-style-type: none"> ● Carry over a max of 40 unused PTO hrs from 21/22 ● Received 40 PTO hrs ● Max 80 PTO hrs 	<ul style="list-style-type: none"> ● No PTO carry over ● Received 40 PTO hrs

Employees hired after July 1 will receive a prorated amount based off of months worked in the school year. This time will be accrued monthly at 3.33 hours per month. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, leave, including unpaid leave, may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday, he or she will be required to use available PTO to make up for the absence.
- In the event an employee has exhausted his or her PTO, any additional time off must be approved by their supervisor and will be taken without pay.
- Any employee who misses three (3) consecutive days of work without notice to their supervisor may be deemed to have abandoned his/her job and voluntarily resigned from employment.
- Upon separation of employment, employees will be paid their earned PTO based on their date of separation and their regular rate of pay.
- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.

SICK LEAVE

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave ("PSL") to eligible employees.

Eligible Employees

All employees (including teachers, part-time and temporary employees) who work for the School more than 30 days within a year in California are allotted PSL as set forth in this policy.

Permitted Use

Eligible employees may use their allotted PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee's family member. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in *loco parentis*. "Parent" means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. "Spouse" means a legal spouse, as defined by California law. Employees may also use their PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault.

Allotment

PSL days are allotted as set forth below to eligible employees:

- Full-time employees:
 - Each year, eligible employees will begin accruing PSL at 6.66 hours per month, up to ten days (80 hours) of PSL per school year (July 1 – June 30).
 - Unused PSL days will carry over year to year subject to a cap of 18 days (144 hours).
 - Employees hired after July 1 will receive a prorated amount based off of months worked in the school year. This time will be accrued monthly at 6.66 hours per month.
- All eligible PT employees will be allotted three days (24 hours) of PSL each school year (July 1 – June 30) on July 1 or on the first day of employment, even if hired mid-year. PSL days are “use it or lose it” and, as such, do not carry over from year to year.

Changes for PSL Accrual for 23/24 School Year

With the 23/24 payroll deferral (moving from a 12-month to an 11-month payroll) the accruing of paid sick leave will also change to align with the work year and payroll.

What does this mean?

This means that you accrue PSL at a different rate per month starting in the 23/24 school year.

22/23	23/24
6.66 hrs per month across 12 months	7.27 hrs per month across 11 months

Limits on Use

Eligible employees may use PSL beginning on the 90th day of employment. PSL may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use PSL to make up for the absence.

Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable. If the employee is out using sick time for more than 3 consecutive days a doctor’s note is required to return to work. If a doctor’s note is not supplied it will be unapproved unpaid time off unless previously arranged with the employee’s Director.

Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

PAID SICK LEAVE DONATION POLICY

Personal Hardship

Employees who have exhausted all paid sick leave (PSL) may request donations from co-workers through this policy. The PSL donation policy applies to employees suffering from a catastrophic illness or other medical emergency, which for the purposes of this policy, constitutes an employee's or a family member's medical condition that will require the prolonged/extended absence of the employee from duty and will result in a substantial loss of income to the employee due to the exhaustion of all PSL available.

Eligibility

Employees who are experiencing hardship due to a catastrophic illness or medical emergency are eligible to request and receive donations of PSL from other employees who have agreed to surrender leave to the School sponsored leave bank.

Requests for Donations

A written request for PSL donations that describes the specific medical emergency or medical condition must be submitted to Human Resources. Human Resources will verify the employee's eligibility, and make a written determination which will be given to the employee as soon as practical.

Donations of Paid Leave

Employees who have more than 24 hours of PSL and who wish to donate PSL to the School sponsored leave bank on behalf of an eligible employee shall complete a PSL Donation Form indicating the number of PSL hours to be donated and the employee, if any, who the employee requests receive the benefit of the donation. All such donations are voluntary and irrevocable.

1. Donating employees must maintain a minimum of 24 hours of PSL after reducing their leave balance to effect the donation.
2. In any 12-month period, no employee may donate more than 40 hours.
3. Voluntary donations of PSL are final upon submission of a signed PSL Donation Form that satisfies the conditions established by this policy. The donating employee's PSL balance account shall thereupon be reduced by the hours donated.
4. Donated hours not used by the eligible employee during the hardship period shall remain in the eligible employee's PSL account balance.
5. The names of donating employees, hours donated, and the value of such donations shall be kept confidential to the extent possible.

Valuation of Donated PSL

The value of the donated paid leave shall be determined by multiplying the number of hours donated by the donating employee's current hourly rate to determine the value of the donation in dollars ("Donation Value"). The Donation Value shall then be divided by the eligible employee's current hourly rate to determine the number of hours to be added to the eligible employee's PSL balance.

Human Resources shall periodically notify the eligible employee of donations made pursuant to this policy. The eligible employee may then request to receive payment for these hours, which will be treated as taxable “wages” to such eligible employees for the payroll period utilized. No employee shall receive payment for more than 40 hours of paid leave, whether allotted or donated, during any week unless required by state or federal law.

INSURANCE BENEFITS

Full-time employees are entitled to insurance benefits offered by the School. These insurance benefits will include medical, dental, and vision. The School will set a defined contribution towards the employee’s insurance premiums that are sponsored by the School. This amount will be determined on an annual basis. The employee’s portion of the monthly premiums will be deducted from the employee’s paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If the employee has any benefit related questions while on a leave of absence, they should contact Human Resources.

Full-time employees will also be covered under an insurance policy that includes Life Insurance at no cost to the full-time employee. Additional voluntary insurance plans will be offered through the School that will be the employee’s responsibility to purchase and pay for.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the School’s health plan when a “qualifying event” would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee’s hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at the School group rates plus an administration fee. The School or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the School’s health insurance plan. The notice contains important information about the employee’s rights and obligations.

SOCIAL SECURITY/MEDICARE

If the employee is a full time contributor to a The State Teacher’s Retirement system STRS, the employee’s earnings from this job are not covered under Social Security. When the employee retires, or if the employee becomes disabled, the employee may receive a pension based on earnings from this job. If the employee does, they are also entitled to a benefit from Social Security based on either their own work or the work of their spouse, or former spouse, their pension may affect the amount of the Social Security benefit the employee receives. The employee’s Medicare benefits, however,

will not be affected.

The School withholds income tax from all employees' earnings and, if elected, participates in FICA (Social Security) for temporary employees and Medicare withholding and matching programs as required by law.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to eight weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption) The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under the School policy and applicable law.

The program will be administered in a manner consistent with California law. For more information regarding this program, the employee may contact the California Employment Development Department.

WORKERS' COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee. In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance. If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

Section 9 - Employee Communications Policy

COMMUNICATIONS POLICY

Every employee is responsible for using the School's computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee's immediate supervisor.

The Communication Systems are the property of the School and have been provided for use in conducting School business. All communications and information transmitted by, received from, created, or stored in its School Communication Systems are records and property of the School. The Communication Systems are to be used for School purposes only. Employees may, however, use the School technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with School business, and does not violate any School policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies

No Expectation of Privacy

The School has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email and instant messages sent and received by users and/or voicemails. Further, the School may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of your school's Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from the School's Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish the School's right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed to the School upon request for any reason that the School, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though the School has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Executive Director.

Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on the School letterhead.

Offensive and Inappropriate Material

The School's policy against discrimination and harassment, sexual or otherwise, applies fully to the School's Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other classification protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in the School's computers. Employees encountering or receiving this kind of material should immediately report the incident to their Executive Director and Human Resources.

The School may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by the School networks. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to the School's blocking software.

Solicitations

The School's Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from the Executive Director or designee is required before anyone can post any information on commercial on-line systems or the Internet.

Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of his/her Executive Director or designee.

Games and Entertainment Software

Employees may not use a School Internet connection to download games or other entertainment software, or to play games over the Internet.

Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or

proprietary. Employees are referred to the School's "Confidential Information" policy, contained herein, for a general description of what the School deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

Copyrights and Trademarks

The School's Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from his/her Executive Director or designee. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any School approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of the School, employees posting information must include a disclaimer in that information stating, "Views expressed by the author do not necessarily represent those of the School."

Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to the School's network must do so through an approved Internet firewall. ~~Accessing the Internet directly by modem is strictly prohibited unless the computer the employee is using is not connected to the School's network. Files obtained from sources outside the School including devices/disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by customers or vendors, may contain dangerous computer viruses that may damage the School's computer network. Employees should be cautious when never downloading files from the Internet, accepting email attachments from outsiders, or using devices/disks from non-School sources, without first scanning the material with the School approved virus checking software.~~ If the employee suspects that a virus has been introduced into the School network, notify technology personnel immediately.

Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

Amendment and Modification of this Policy

The School reserves the right to modify this policy at any time, with or without notice. The School may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

SOCIAL MEDIA POLICY

The School has adopted the following policy with regard to employees' behavior on social networking sites including, but not limited to, Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If the employee wishes to use networking protocols or set up a social media site as a part of the educational process, please work with the administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Teachers are not to initiate "friendships" with students or parents. Employees must delete any students already on their "friends" list immediately.

With regard to social networking content, employees should not use commentary deemed to be defamatory, obscene, proprietary, or libelous with regard to any School-related business or policy, employee, student, or parent. Additionally, employees should exercise caution with regards to exaggeration, obscenity, copyrighted materials, legal conclusions, and derogatory remarks or characterizations. Employees should weigh whether a particular posting puts his/her effectiveness as a School employee at risk. The School encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Due to security risks, employees must be cautious when installing the external applications that work with the social networking site. At a minimum, it is recommended that all employees should have all privacy settings set to "Only Friends". The settings "Friends of Friends" and "Networks and Friends" open your content to a large group of unknown people, including students.

Personal or Professional Blogs

If the employee is developing a website or writing a blog that will mention the School, the employee must identify that they are an employee of the organization and that the views expressed on the blog or web site are theirs alone and do not represent the views of the School. Unless given permission by the Executive Director or designee, the employee is not authorized to speak on behalf of the School or to represent that the employee do so. If the employee is developing a site or writing a blog that will mention the School, as a courtesy to the organization, please let the Executive Director or designee know in advance of publication. The Executive Director or designee may choose to visit your blog or social networking site from time to time.

The employee may not share information that is confidential and proprietary with regard to the School. This includes, but is not limited to, information about curriculum, School dynamics, School programs, future goals, or current challenges within the organization. These are given as examples only and do not cover the range of what the School considers confidential and proprietary. If the employee has any questions about whether information has been released publicly or doubts of any kind, speak with the Executive Director or designee and Human Resources.

When writing a blog or participating in any other social networking site, employees should speak respectfully about the School and our current and potential employees, students, parents, and competitors. Name-calling or behavior that will reflect negatively on the organization's reputation is discouraged. Note that the use of copyrighted materials, unfounded, harassing, libelous, or derogatory statements, or misrepresentation is not viewed favorably by the School and can result in disciplinary action, up to, and including termination.

All employees who engage in social networking may be legally liable for anything written or presented online. Employees can be disciplined, if appropriate, by the School for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act. Employees may not comment on a student's blog or a student's other social networking commentaries. Employees may not use trade names, or logos belonging to the School without express written permission of the Executive Director or designee. Failure to comply with the School's social media policy will result in disciplinary action, up to, and including, immediate termination.

EQUIPMENT POLICY

The School attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, staff uniforms and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

Laptop Computers

Each staff member assigned a laptop for professional use shall be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School. Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized

use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee’s computing device be lost or stolen, the employee must:
 - Immediately report the incident to his/her immediate supervisor and IT.
 - Obtain an official police report documenting the theft or loss; and
 - Provide a copy of the police report to his/her immediate supervisor, or Executive Director, or designee and IT.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment. The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary. Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

CELL PHONE POLICY

Personal cell phones should not be used while the employee is working, if assigned to a location. ~~Cell phones should be turned off and stored with other personal belongings while working.~~ If the employee is required to perform business on a cell phone for the School while driving, they must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on a cell phone while driving a vehicle or own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email. If assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

Commented [2R2]: I will share our expense policy with you.

Commented [3R2]: We do provide Ring Central but not a lot of people use it

Commented [4R2]: We also provide Zoom to all. Not sure if that needs to be in here

TELEPHONE CALLS AND TEXTING

While at work and during staff meetings, the employee’s undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, the School has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by the School. Any written materials shall not be posted on school social media platforms. Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks. Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by the School employees is prohibited at all times in all working areas on School premises. Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by the School. School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. The School must approve any postings prior to posting.

The School reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business. Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

Definitions

School "premises": property owned, leased, operated, managed, or controlled by the School, including buildings, parking lots, and play areas that the School has the right to use exclusively or in common with others, vehicles owned or operated by the School.

Work time: any time when employees are engaged in or required to be performing work tasks. Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except cafeterias, employee break areas, and parking lots (non-work areas).

Employee Responsibility

If the employee has a need to solicit and/or distribute materials on School premises, it must be in

compliance with this policy. Please ask questions and talk with Human Resources. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If employees are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

Policy Statement

It is the policy of the School to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between the School decision-maker and his or her Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all the School board members, employees, individual consultants hired or retained by the School, and School Services Providers hired or retained by the School.

Relationships between School Board Members, Employees, Consultants, or School Services Providers are permissible under the following circumstances:

Family Members of the School board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.

- (a) Any time a Board Member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, at the discretion of the School Board of Directors
- (b) Any time a Board Member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be at the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services Provider(s), or in the case of a Board Member, at the discretion of the School Board of Directors

Definitions

“Family Members” include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law and father-in-law. For Bereavement only the definition includes niece, nephew, aunt, and uncle.

“Nepotism” describes a work-related situation in which there is the potential for favoritism toward a

Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

“School Services Provider” shall mean any provider of school services to the School, and in the case of an organization shall mean be the responsible individual at such organization that provides school services to the School.

Procedures

When a Family Member of a current the School Board Member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member’s application/request must be denied if a conflict under this policy exists (e.g., if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that the School’s best interests would be served otherwise.

When a Family Member of a current School Board Member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within the School, the Family Member’s application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of the School, but such information may not be used as a basis for an employment decision except as stated herein. When a relationship that creates a conflict with this policy occurs during employment, the School will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and the School. If a mutual agreement is unattainable, the Board will determine, in the School’s best interest, which employee is to be transferred or separated.

Responsibilities

The Executive Director or designee shall coordinate with the current employee’s direct supervisor to develop appropriate plans to ensure that a Family Member’s employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Executive Director or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that the School’s best interests would be served by the employment of a Family Member.

The Executive Director or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Executive Director or designee which may be covered by this policy. Supervisors may inquire about the family relationship

between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Executive Director, or designee.

VIOLENCE IN THE WORKPLACE

The School has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect the School or which occur on the School property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on the School premises, regardless of the relationship between the School and the parties involved
- All threats or acts of violence occurring off the School premises involving someone who is acting in the capacity of a representative of the School

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

- Hitting or shoving an individual
- Threatening an individual or his/her family, friends, associates, or property with harm
- Intentional destruction or threatening to destroy the School property
- Making harassing or threatening phone calls
- Harassing surveillance or stalking (following or watching someone)
- Unauthorized possession or inappropriate use of firearms or weapons

The School's prohibition against threats and acts of violence applies to all persons involved in the School's operation, including but not limited to all personnel, contract, unpaid interns, volunteers and temporary workers, and anyone else, including parents on the School property or at school sponsored events. Violations of this policy by any individual on the School property or at school sponsored events will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors, to their Executive Director or designee and Human Resources.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, employees must report the incident. There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

In certain circumstances, the School may seek a workplace violence restraining order on behalf of one or more employees in furtherance of its commitment to providing a workplace that is free from acts of violence or threats of violence.

Section 10 - Standards of Conduct

PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. The Executive Director, designee or immediate supervisor will inform employees of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive, or reduce productivity.

Consult your supervisor if there are any questions regarding appropriate attire. Staff are expected to wear their Sequoia Grove or charter school branded staff uniforms at school events unless otherwise informed. If employees wear other attire, the clothing should not include references that are political, religious, or anything (logos, images, and text) that may be viewed as offensive to others.

TEACHER-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

It is the responsibility of staff members to keep interactions with students professional at all times. Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres

- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed at a Resource Center or other location
- Allowing students in the employee's home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities

Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any school activity (exclusive of tutorials)
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment)
- Keeping the door open when alone with a student
- Ensuring all online platform interactions with students have another adult present
- Keeping reasonable and appropriate space between the employee and the student
- Stopping and correcting students if they cross the employee's own personal boundaries
- Keeping parents informed when a significant issue develops about a student
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior-staff or administration if the employee finds themselves in a difficult situation related to boundaries
- Involving the employee's supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in the employee's best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when the employee must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any actions, which are contrary to these provisions, are worth sacrificing your job and career

Reporting

When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, he or she must report the suspicion to their immediate supervisor, Human resources or the Executive Director or designee promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e. our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a dissatisfied or hostile individual based on the nature of the employee's work. If this happens, the employee should immediately notify their supervisor, Human Resources, the Executive Director or designee. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. Human resources will open an investigation into the instance and document any findings. After the investigation has concluded the report and the findings will be filed with Human Resources. If the employee witnesses conduct in violation of this policy, the employee should immediately bring it to the attention of their supervisor, Executive Director or designee. A Report will be created and documentation will be filed with Human Resources.

CONFIDENTIAL INFORMATION

It is important to the School to protect and preserve its trade secrets and confidential information. Confidential information includes, but is not limited to, student information, all student lists, techniques and concepts, marketing plans, design specifications, design plans, strategies, forecasts, bid plans, bid strategies, bid information, contract prices, new products, software, computer programs, writings, and all know-how and show-how whether or not protected by patent, copyright,

or trade secret law.

The School prohibits audio or video recordings in the workplace during working hours, without authorization of the School and/or participant due to privacy and confidentiality concerns and protections. The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of employment, have access to and become familiar with various trade secrets and confidential information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During employment with the School, employees will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. The employee must not disclose to the School any confidential or proprietary information or material belonging to former employers or others. Any violation of this policy may result in disciplinary action, up to and including termination.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Executive Director or designee so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

The School expects employees to devote their best efforts to the interests of our school. The School recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at the School or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with the School whether as a regular employee or as a consultant.

If the employee has any questions whether an action or proposed course of conduct would create a conflict of interest, immediately contact the Executive Director or designee to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination. This policy is in addition to the School's Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

Outside Employment

All full time employees are expected to devote full professional effort to the position at the School. If the employee wishes to participate in outside work activities, the employee is required to obtain written approval from the Executive Director or designee prior to starting those activities. Approval will be granted unless the activity conflicts with the School's interests. In general, outside work activities are not allowed when they:

- Prevent the employee from performing work for which you are employed at the School
- Involve organizations that are doing or seek to do business with the School including actual or potential vendors
- Violate provisions of law or the School policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave)

The employee's obligations to the School must be given priority. Full time employees are hired and continue employment with the understanding that the School is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the school is strictly prohibited.

POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL**Policy Statement**

It is the policy of the School that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of the School. During working hours or on school premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer's or employee's outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, his or her duties as an officer of employee of the School if any of the following apply:

1. It involves the use of the School time, facilities, equipment, supplies, or the officer's or employee's position or influence with the School, for private gain or advantage.
2. It involves receipt or acceptance by the officer or employee of any money or other consideration for the performance of an act that would otherwise be required within the scope of the officer or employee's duties with the School.
3. It involves the performance of an act as part of the outside activity that involves services performed for the School.
4. It affects the officer's or employee's work hours, interferes or conflicts with the officer's or employee's job duties, raises any ethical or conflict of interest concerns, or creates any conditions that impact the officer's or employee's job performance.
5. Officers and employees may not use the School's name, logo, supplies, equipment or other property in connection with any outside activities.

Procedure

In the event that an officer or employee believes that an outside activity for compensation may be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of the School, the officer or employee shall obtain a written determination of the Executive Director or designee that the outside activity is not in violation of this policy before engaging in such activity.

EXPENSE REIMBURSEMENT POLICY

Employees will receive a monthly reimbursement payment from the School for mileage expenses incurred beyond the employees' normal daily commute of up to 60 miles and/or a distance of one hour from their home. Employees will be paid for mileage reimbursement at the per mile rate amount designated by the Federal Internal Revenue Service, at the time the miles are driven on behalf of the School.

Employees are required to submit:

- a monthly written report of all miles driven
- with a printed map showing the locations driven, on behalf of the School during that month.

If any employee believes that the mileage reimbursement that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal vehicle on behalf of the School, the employee must immediately report this expense issue to the School's Human Resources Department. Employees may be required to submit additional documentation to support any request for additional mileage reimbursement.

Personal Cell Phones

Employees are not required to use their personal cell phones to perform work on behalf of the School. The School has provided employees with a web-based account or similar service for any calls related to School work. If an employee elects to use his or her personal cell phone, such use is a voluntary choice and is not reasonable or necessary to the performance of the employee's duties.

Monthly Stipend for Phone and Utilities

Employees who are required to use some of their personal utilities (e.g. electricity) while performing remote work on behalf of the School may receive a stipend for reimbursement of the employee's use of their personal utilities. The School has reviewed objective data regarding the range of costs for utilities and established a stipend in the amount of \$250 for full-time employees and \$125 for part-time employees for the use of personal cell phones and utilities and an additional amount for taxes associated therewith. School employees will receive a stipend as categorized to be paid over 10 months or begin the monthly rate in relation to employment start date. All employees will be provided with a school hot spot to be used for internet access to perform their job duties. If an employee elects to use their personal Internet access, such use is a voluntary choice and is not reasonable or necessary to the performance of an employee's duties.

The School has established this monthly stipend based on its good faith belief that the stipend will more than fully reimburse employees for any reasonable and necessary expenses incurred in using their personal cell phones and utilities to perform work on behalf of the School. If any employee believes that the stipend that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal cell phone or utilities expenses on behalf of the School, the employee must immediately report this expense issue to the Executive Director or designee for review and approval then submit to the Accounting Department.

Employees will be required to submit documentation to support any request for additional reimbursement in excess of the monthly stipend. Employees that are eligible for this monthly stipend are required to submit a Request for Monthly Stipend form affirming that the employee uses their personal cell phone and utilities to perform work on behalf of the School and that the employee will immediately notify the School if the employee no longer incurs an expense related to the personal use of their cell phone and/or utilities in the discharge of their duties. The School reserves the right to request supporting documentation from employees at any time to support the employees request for the monthly stipend. Failure to provide such documentation as requested may delay or cease further payments of the monthly stipend to the employee.

****Please note that the School may establish varying stipend amounts for personal cell phones, internet expenses and utilities based on multiple factors such as workload, part-time or full-time status of the employee and other relevant factors**

Other Expenses

With the exception of those certain employees who are required to use their personal vehicles, cell phones, internet access and utilities during the course and scope of their employment for the School, it is the School's policy to provide its employees with all necessary equipment to perform their duties on behalf of the School including laptops. The School does not require employees to purchase any additional equipment in order to perform work for the School. If any employee believes that additional equipment is reasonable and necessary to perform his or her duties on behalf of the School, the employee must immediately notify the Executive Director or designee.

Office Supplies

The purchase of printer ink, paper, miscellaneous desk supplies (e.g. staplers, paper clips, writing utensils and file folders) and/or stamps/ mailing charges for School-related correspondence will have a \$250 stipend for full-time employees and \$125 for part-time employees. School employees will receive a stipend as categorized below to be paid over 10 months or begin the monthly rate in relation to employment start date. This stipend is in lieu of staff ordering in the ordering system.

If employees choose to purchase additional equipment or supplies without written authorization from the School, such expenses would not be reasonable or necessarily incurred in connection with work for the School. Those expenses would be optional expenses that employees voluntarily elect to incur and not reasonably necessary expenditures incurred by employees in direct consequence of the discharge of their duties for the School.

If, however, an employee believes that they have been required to incur any unexpected necessary and reasonable expense in order to perform duties on behalf of the School, the employee should immediately report that expense to the School's Executive Director or designee. Employees will be required to submit documentation to support any request for reimbursement of such expenses.

Reporting

If any employee believes that they have not been fully reimbursed for all reasonable and necessary expenses that have been required to incur while working for the School, the employee should immediately inform the Executive Director or designee . All reports of possible inadequate reimbursement will be promptly reviewed, including a review of all of the employee's expense related records and receipts. If, as a result of the review, it is determined that the employee has been inadequately reimbursed for actual and necessary business expenses, the School will promptly reimburse the employee, in full, for all actual, reasonable and necessary business-related expenses incurred. It is every employee's responsibility to keep accurate records and receipts of all business-related expenses for the purpose of requesting reimbursement.

There will be no retaliation against any employee who reports an expense reimbursement issue in good faith or who honestly assists in reviewing such an issue, even if the review produces insufficient

evidence that there has been a violation.

POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS

Policy Statement

It is the policy of the School that the School shall not provide any funds or items of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. The School does not and shall not provide, for example, "sign up bonuses" to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with the School in order to obtain funds or items of value from the School. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with the School for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in the School, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student's education at the School, resulting in the individual's receipt of funds or thing of value from the School.

Procedures

The prior approval of the Executive Director or his or her designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

1. Any funds or item of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would have any funds or item of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.
2. Any proposed incentive to be offered to students or parents.

In requesting approval, the educational purpose of any such funds, item of value or incentive must be provided to the Executive Director or designee.

Section 11 - Safety

SUBSTANCE AND ALCOHOL POLICY

It is the intent of the School to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations, or School success. For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation,

purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event;
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises;
- Refusing to submit to an inspection or testing when requested by administration;
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event.

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed marijuana) should not report to work. In addition, if the employee is required to take any kind of prescription or nonprescription medication that will affect the ability to perform the job, the employee is required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place the employee on another assignment or take other action as appropriate to protect the employee's safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance may be required to present a statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee's ability to perform his or her specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in his or her possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee. This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. As a result, employees do not have an expectation of privacy in this regard. Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion. Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment

and who continue to work, if any, must meet all established standards of conduct and job performance. Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination. Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by breathalyzer, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

SMOKING

All School buildings and facilities are non-smoking facilities. This includes nicotine and non-nicotine cigarettes including (herbal cigarettes) as well as e-cigarettes, vaping and/or pipes (both tobacco and marijuana products). Smoking is prohibited within 20 feet of a school building and within 25 feet of a school playground or event location.

PARKED VEHICLES

Employees are responsible for their own parked vehicles and the personal possessions within while parked on School property. Be cautious: keep school property and/or personal possessions out of sight and always keep the car locked. Ensuring that the parked vehicle and personal property are against loss and damage is recommended for the protection of the employee.

PERSONAL AUTOMOBILE

Employees who use their own automobiles for travel on authorized school business will utilize the Expense Reimbursement Policy under Mileage Reimbursement. Employees must have prior supervisory approval for the use of personal vehicles and must carry, at their own expense, the minimum insurance coverage for property damage and public liability.

PERSONAL PROPERTY

The School cannot be responsible and will assume no liability for any loss or damage to employee personal property resulting from theft, fire, or any other cause on the School's premises, including the parking area, or away from school property. While on school business, employees are prohibited from using personal property for work-related purposes unless approved in advance by the Executive

Director or designee.

SAFETY POLICY

The School is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor, Executive Director or designee immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process, or business practice for which the School is responsible, bring it to the attention of your supervisor, Executive Director or designee immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Executive Director or designee regarding the problem. All workplace injuries and illnesses must be immediately reported to your supervisor and Human Resources. The School has in place a written Injury and Illness Prevention Program as required by law.

ERGONOMICS

The School has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our employees. You should report any ergonomic concerns to your Executive Director or designee.

CHEMICAL EXPOSURE WARNING

Employees should be aware that work areas might contain chemicals known to the State of California to cause cancer or to cause birth defects or other reproductive harm. If there are any questions or concerns about possible chemical exposure in a work area, contact the Executive Director or designee.

COVID-19

Although the school is a non-classroom-based program, the school recognizes that there are circumstances when staff, students, and parents/guardians may interact in-person as part of the educational program. This can include but is not limited to in-person instruction between staff and students, parent teacher meetings, field trips, park days, and individualized services ("in-person activities"). The COVID-19 Policy is based on guidance provided by the U.S. Centers for Disease Control and Prevention ("CDC"), the California Division of Occupational Safety and Health Administration ("Cal/OSHA"), the California Department of Education ("CDE"), and the California Department of Public Health ("CDPH"). Charter School will, as necessary, consult with the respective county health officer, or designated staff, to monitor and provide advice on local conditions to individually determine whether more or less stringent measures are necessary to align with the applicable public health guidelines.

The Charter School will fully cooperate with county public health officials regarding the screening, monitoring, and documentation that will be required to permit careful scrutiny of health outcomes associated with conducting in-person activities. To the extent any mandatory public health guidance is revised to materially conflict with this Policy, Charter School will follow such guidance and not this

Policy. As COVID-19 Guidance is continually evolving, please refer to CDPH for the latest guidance.

Section 12 - Termination

VOLUNTARY TERMINATION

The School will consider an employee to have voluntarily terminated his or her employment if the employee does any of the following: (1) elects to resign from the School; (2) fails to return from an approved leave of absence on the date specified without notifying the school for the need for continued leave including failure to communicate with the School; or (3) fails to report for work without notice to the School for three consecutive work days. The School requests that employees provide at least two weeks written notice of a voluntary termination. All School property must be returned immediately upon terminating employment. The School retains the right to accept resignation immediately and pay the amount of straight time compensation an employee would have earned in lieu of further performance.

INVOLUNTARY TERMINATION

An employee may be terminated involuntarily for, among other reasons, poor performance, misconduct or other violations of the School's Rules of Conduct as set forth herein. Notwithstanding the foregoing, or anything else contained in this handbook, the School reserves the right to terminate any employee at any time, with or without advance notice and with or without cause.

EXIT INTERVIEWS

All employees who leave employment at the School may be asked to take part in an exit interview with their supervisor to communicate their challenges and growth while employed at the School. Information shared during an exit interview will be treated as confidential to the extent possible.

VERIFICATION AND REFERENCE POLICY

All requests for employment verification, references or personal information verification or disclosures must be directed to Human Resources. Only Human Resources is authorized to provide verifications or references, or disclose personal information, pertaining to current or former employees. With respect to verification requests, the School will disclose only the dates of employment and the title of the last position held. The School will verify or disclose additional information about the employee only if the employee provides written authorization for the School to provide the information. However, the School will provide information about current or former employees as required by law or court order. The School will not provide any letters of reference for current or former employees. Please refer all questions about this policy to Human Resources.

Section 13 - Employee Handbook Acknowledgement

By my signature below, I acknowledge that I have received a copy of the School Employee Handbook, on the date indicated below and agree to my at-will employment as described below. I acknowledge that it is my responsibility to read and review the Employee Handbook carefully. I also acknowledge that it is my responsibility to ask for clarification if I do not understand any of the policies included in

the Employee Handbook.

I understand that the Employee Handbook contains important information regarding the School's expectations, policies and guidelines and that I am expected to comply with these expectations, policies and guidelines at all times. I understand that the Employee Handbook does not provide a binding contract, but provides guidelines for personnel concerning some of the School's policies.

In particular, I have read and understand the School's Equipment/Laptop Computer Policy, Anti-Nepotism Policy, Policy Regarding Inconsistent, Incompatible or Conflicting Employment, Activity or Enterprise by School Personnel, Policy Confirming Restrictions on the Provision of Funds or Other Things of Value to Students, Parents or Guardians, and restrictions and procedures to avoid Conflicts of Interest.

Just as I am free to terminate the employment relationship with the School at any time, the School, in its sole discretion, also reserves the right to modify or terminate the employment relationship with me at any time for any or no reason and with or without notice. Further, there is no agreement, express or implied, written or verbal, between the employee and the School for any specific period of employment, for continuing or long-term employment, or for guaranteed terms and conditions of employment. No one other than the Executive Director or designee of the School, with the approval of the Board of Directors, has the authority to alter the employment at-will status of employees, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director or designee. This is the entire agreement between the School and me regarding this subject. All prior or contemporaneous inconsistent agreements are superseded. If I have an individually negotiated written employment agreement with the School, then the terms and conditions of that agreement will prevail to the extent it differs from the policies in this Handbook.

The School reserves the right to modify, alter, add to or delete any of the policies, guidelines or benefits contained in this handbook at any time with or without notice. Other than the School Board of Directors, no other entity or person has the authority to modify this employee handbook.

- d. You have the right to have access to a gender equity coordinator to answer questions regarding gender equity laws.
- e. You have the right to contact the State Department of Education and the California Interscholastic Federation to access information on gender equity laws.
- f. You have the right to file a confidential discrimination complaint with the United States Office of Civil Rights or the State Department of Education if you believe you have been discriminated against or if you believe you have received unequal treatment on the basis of your sex.

- g. You have the right to pursue civil remedies if you have been discriminated against.
 - h. You have the right to be protected against retaliation if you file a discrimination complaint.
3. **Filing a Complaint:** If you feel you were discriminated against in violation of Title IX, please contact the Title IX Coordinator. It is the coordinator's primary responsibility to ensure the Charter School complies with the requirements of Title IX.
 4. **How the School Investigates a Complaint:** Within 60 days from the date of receipt of the complaint, the School shall conduct and complete an investigation of the complaint and prepare a written decision. During this process, the person responsible for the filing of the complaint is to be given the opportunity to provide evidence that person believes supports the allegations. Complaints pertaining to Title IX issues should be filed by using ~~the School's Uniform Complaint Procedures~~ *Title IX Sexual Harassment Policy and Grievance Procedure* and those procedures will be followed to resolve the complaint.

You may also file a complaint of discrimination with the US Department of Education Office for Civil Rights ("OCR").

How do I file a complaint of discrimination with the US Department of Education Office for Civil Rights ("OCR")?

You may contact an OCR enforcement office at <https://www2.ed.gov/about/contacts/gen/index.html> to obtain a complaint form or you may file a discrimination complaint by using the on-line complaint form found at <https://www2.ed.gov/about/offices/list/ocr/complaintintro.html>.

5. What do I need to include in my complaint?

You should let us know which school, college or other institution you are complaining about, the person(s) who has been discriminated against, when the discrimination occurred, and you should sign and date the letter and let us know how we can reach you by phone and letter so that we can contact you. If filing on-line, you will still need to provide an original signature by mail, which may be done by printing and mailing a "Consent Form" linked from the bottom of the on-line complaint form.

6. How soon after the discrimination do I need to file?

You need to file your complaint within 180 calendar days after the discrimination. There are certain limited circumstances that allow our agency to grant a waiver. If you need more information about your situation, contact the OCR responsible for the state in which the institution is located by using <https://ocrcas.ed.gov/contact-ocr> .

How promptly will OCR respond to my complaint?

OCR will promptly acknowledge receiving your complaint and will contact you by letter or telephone to let you know whether we will proceed further with your complaint.

What is OCR's role during the complaint process?

OCR's role is to be a neutral fact-finder and to promptly resolve complaints. OCR has a variety of options for resolving complaints, including facilitated resolutions and investigations. OCR does not act as an advocate for either party during the process.

What if I am already pursuing my complaint within the school district or college or with another agency?

OCR does not handle cases that are being addressed by another agency or within a school's

or college's formal grievance procedure if OCR anticipates that the agency you filed with will provide you with a resolution process comparable to OCR's. Once the other complaint process is completed, you have 60 days to refile your complaint with OCR. OCR's first step will be to determine whether to defer to the result reached in the other process.

Do I have to file an OCR complaint before I can file a claim in court?

The regulations under Title VI, Title IX, Section 504 and Title II do not require you to file with OCR prior to filing a claim under these laws in Federal court. The regulations under the Age Discrimination Act, however, allow you to file a claim in Federal court under that law only after: 1) 180 days have elapsed since you filed the complaint with OCR and OCR has made no finding, or 2) OCR issues a finding in favor of the recipient. If this occurs, OCR will promptly notify you and remind you of your right to file in court. If you are considering filing in court, bear in mind that OCR does not represent complaining parties or provide advice regarding court filings. You would need to use the services of your own attorney. Also, if you proceed with your claim in a court, OCR will not continue to pursue your OCR complaint.

Employees are responsible for maintaining an accounting of their mileage. Employees who believe they will exceed the standard stipend should submit for pre-approval from the Executive Director or designee. The School may

The School will pay the per semester stipend in a prorated manner once per month over the length of the semester. If an employee's employment terminates before the end of any month, the stipend will be prorated to reflect the employee's dates of employment.

If the School requires any other employee to drive their personal vehicles in the course and scope of their employment, the employee will be reimbursed for the reasonable and necessary expense of using their personal vehicle on behalf of the School. Such employees will receive a reimbursement payment from the School for mileage expenses incurred after submitting an expense reimbursement form as set forth below. For those employees that are assigned to a worksite, the employee will receive a reimbursement payment for mileage expenses incurred beyond the employee's normal commute to their assigned worksite.

Employees will be paid for mileage reimbursement at the per mile rate amount designated by the Federal Internal Revenue Service at the time the miles are driven on behalf of the School. Employees are required to accurately submit a report of miles driven on behalf of the School within 30 days of incurring the mileage.

If any employee believes that the mileage reimbursement that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal vehicle on behalf of the School, the employee must immediately report this expense issue to their Executive Director or designee for review and approval then submit to the Accounting Department. MONTHLY STIPEND FOR PERSONAL CELL PHONES, INTERNET, AND UTILITIES EXPENSES

Employees who are required to use their personal cell phones, internet and utilities to perform work on behalf of the School will be provided a stipend in the amount of \$250 for full-time employees and \$125 for part-time employees for such use. This includes a monthly stipend for personal cell phones, a monthly stipend for internet/personal internet access (Wi-Fi), a monthly stipend for utilities expenses, and an additional amount for taxes associated therewith.

The School has established this monthly stipend based on its good faith belief that the stipend will more than fully reimburse employees for any reasonable and necessary expenses incurred in using their personal cell phones, internet/Wi-Fi and utilities to perform work on behalf of the School. If any employee believes that the stipend that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal cell phone, internet/Wi-Fi or utilities expenses on behalf of the School, the employee must immediately report this expense issue to the Executive Director or designee for review and approval then submit to the Accounting Department.

Employees will be required to submit documentation to support any request for additional reimbursement in excess of the monthly stipend. Employees that are eligible for this monthly stipend are required to submit a Request for Monthly Stipend form affirming that the employee uses their personal cell phone, internet/Wi-Fi and utilities to perform work on behalf of the School and that the employee will immediately notify the School if the employee no longer incurs an expense related to the personal use of their cell phone, internet/Wi-Fi and/or utilities in the discharge of their duties. The School reserves the right to request supporting documentation from employees at any time to support the employees request for the monthly stipend. Failure to provide such documentation as requested may delay or cease further payments of the monthly stipend to the employee.

****Please note that the School may establish varying stipend amounts for personal cell phones, internet expenses and utilities based on multiple factors such as workload, part-time or full-time status of the employee and other relevant factors.**

OTHER EXPENSES

With the exception of those certain employees who are required to use their personal vehicles, cell phones, internet access and utilities during the course and scope of their employment for the School, it is the School's policy to provide its employees with all necessary equipment to perform their duties on behalf of the School including laptops. The School does not require employees to purchase any additional equipment in order to perform work for the School. If any employee believes that additional equipment is reasonable and necessary to perform his or her duties on behalf of the School, the employee must immediately notify the Executive Director or designee.

Office Supplies

The purchase of printer ink, paper, miscellaneous desk supplies (e.g. staplers, paper clips, writing

utensils and file folders) and/or stamps/ mailing charges for School related correspondence will have a \$250 stipend for full-time employees and \$125 for part-time employees. School employees will receive a stipend as categorized below to be paid over 10 months.

If employees choose to purchase additional equipment or supplies without written authorization from the School, such expenses would not be reasonable or necessarily incurred in connection with work for the School. Those expenses would be optional expenses that employees voluntarily elect to incur and not reasonably necessary expenditures incurred by employees in direct consequence of the discharge of their duties for the School.

If, however, an employee believes that he or she has been required to incur any unexpected necessary and reasonable expense in order to perform his or her duties on behalf of the School, the employee should immediately report that expense to the Executive Director or designee. Employees will be required to submit documentation to support any request for reimbursement of such expenses.

REPORTING

If any employee believes that he or she has not been fully reimbursed for all reasonable and necessary expenses he or she has been required to incur while working for the School, the employee should immediately inform the Executive Director or designee. All reports of possible inadequate reimbursement will be promptly reviewed, including a review of all of the employee's expense related records and receipts. If, as a result of the review, it is determined that the employee has been inadequately reimbursed for actual and necessary business expenses, the School will promptly reimburse the employee, in full, for all actual, reasonable, and necessary business-related expenses incurred. It is every employee's responsibility to keep accurate records and receipts of all business-related expenses for the purpose of requesting reimbursement.

There will be no retaliation against any employee who reports an expense reimbursement issue in good faith or who honestly assists in reviewing such an issue, even if the review produces insufficient evidence that there has been a violation.

OVERVIEW AND GENERAL BUSINESS POLICIES

The Board of Lake View Charter School has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of the School to support the mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

1. The Board approves financial policies and procedures, delegate's administration of the policies and procedures to the Executive Director and reviews operations and activities on a regular basis.
2. The Executive Director has responsibility for all operations and activities related to financial management. However, the Board and Executive Director can appoint or delegate someone else to perform the responsibilities.
3. Financial duties and responsibilities must be separated so that no one employee has sole control authorizing transactions, recording financial transactions and custody of assets.
4. The School will maintain in effect the following principles in its ongoing fiscal management practices to ensure that:
 - a. expenditures are authorized by and in accord with amounts specified in the board-adopted budget,
 - b. the school's funds are managed and held in a manner that provides a high degree of protection of the school's assets, and
 - c. all transactions are recorded and documented in an appropriate manner.

Budget Development, Oversight Calendar and Responsibilities

The School will develop and monitor its budget in accord with the annual budget development and monitoring calendar as specified below.

January - April

Charter Impact works with the Executive Director and Chief Fiscal Officer to review Governor's proposed state budget for the upcoming fiscal year, and identify the likely range of revenues for the school's upcoming fiscal year (July 1 - June 30) based on projected enrollment. Once the revenue estimates are complete, Charter Impact, ~~and~~ the Executive Director, and the Chief Fiscal Officer will develop the remainder of the budget including staffing levels, review of fixed costs and discretionary spending. Then a five-year budget projection is developed in accordance with the schools' established strategic and growth plans.

Lake View Charter School Fiscal Policies and Procedures

Budget Development, Oversight Calendar and Responsibilities (continued)

May – June

Charter Impact, ~~and~~ the Executive Director, and the Chief Fiscal Officer review revenue projections subsequent to the Governor’s annual “May Revise” budget figures, fine-tunes the upcoming fiscal year budget to accommodate any changes. This budget will include monthly cash flow projections. The Board reviews and formally adopts a budget for upcoming fiscal year before June 15. A copy of the final budget is provided to the charter-granting agency.

July – August

Books for prior fiscal year are closed by Charter Impact, all transactions are posted, and records assembled for audit.

The budget is reviewed subsequent to the adoption of the state Budget Act and necessary adjustments are made. A copy of the revised final budget is provided to the charter-granting agency, if applicable.

September – December

The independent auditor performs audit of the closed fiscal year and prepares audit report for submission to the Audit Committee.

At the end of the first full week of school, the Executive Director reviews the Charter School’s actual attendance figures and notifies the Board if actual attendance is below budget projections. If needed, the school’s budget is revised to match likely revenues.

The Audit Committee of the Board reviews a copy of the audit. The Executive Director and Charter Impact addresses any audit exceptions or adverse findings. Once the Board approves the audit report, it is submitted to the charter-granting agency.

On a monthly basis, the Executive Director and Board reviews current year actual versus budgeted revenues and expenditures and other financial reports as presented by Charter Impact. The Board approves any needed changes to the annual budget.

Lake View Charter School Fiscal Policies and Procedures

Budget Transfers

The Executive Director may transfer up to \$100,000 from one unrestricted budget item to another without board approval but shall notify the Board of the transfer at the next regularly scheduled meeting.

Banking Arrangements

The School will maintain its accounts either in the County Treasury or at a federally insured commercial bank or credit union. Funds will be deposited in non-speculative accounts including federally-insured savings or checking accounts or invested in non-speculative federally-backed instruments or in the County's Pooled Money Investment Fund. If funds are held in accounts outside of the County Treasury, the Board must appoint and approve all individuals authorized to sign checks or warrants in accord with these policies. Charter Impact will reconcile the school's ledger(s) with its bank accounts or accounts in the county treasury on a monthly basis.

Record Keeping

Transaction ledgers, duplicate unsigned checks, attendance and entitlement records, payroll records, and any other necessary fiscal documents will be maintained by school staff in a secure location for at least three years, or as long as required by applicable law, whichever is longer.

Appropriate back-up copies of electronic and paper documentation, including financial and attendance accounting data, will be regularly prepared and stored in a secure off-site location, separate from the school.

Charter Impact will retain electronic records at their site for a minimum of two years; after which, the remaining years will be the responsibility of the School.

Property Inventory

The Executive Director shall establish and maintain an inventory of all non-consumable goods and equipment worth over \$1,000. This inventory shall include the original purchase price and date, a brief description, serial numbers, and other information appropriate for documenting the school's assets. This property will be inventoried on an annual basis and lists of any missing property shall be presented to the Board.

Lake View Charter School Fiscal Policies and Procedures

All non-consumable school property lent to students shall be returned to the school no later than 5 working days ~~after end of the school year or~~ after withdrawal of student.

Any excess or surplus property owned by the school may be sold or auctioned by the Executive Director provided the Executive Director engages in due diligence to maximize the value of the sale or auction to the school. The sale or auction of property owned by the school with a fair market value in excess of \$1,000 shall be approved in advance by the Board. The Executive Director will immediately notify Charter Impact of all cases of theft, loss, damage or destruction of assets.

Attendance Accounting

The Executive Director shall establish a contract with a third-party vendor for attendance tracking. Responsibilities include maintaining an appropriate attendance accounting system and recording the number of days students are in attendance at the School and engaged in the activities required of them by the School. The annual audit will review actual attendance accounting records and practices to ensure compliance. The attendance accounting practices will be in conformance with the Charter Schools Act and the applicable California Administrative Code sections defining Charter School Average Daily Attendance. Therefore:

1. ADA will be computed by dividing the actual number of days of student attendance by the number of calendar days of instruction by the School.
2. The School's instructional calendar will include at least 175 days of instruction to avoid the fiscal penalty for providing fewer than 175 days of instruction as provided by the Administrative Code regulation. The calendar must also document that the school offers an amount of annual minutes of instruction as required pursuant to applicable law.
3. Independent study must be pre-arranged by the student's adult guardian and the School and that the adult guardian will be required to complete and submit documentation of engagement in instructional activity to the school on forms prepared by the school. As applicable, such study shall be in full compliance with law governing independent study.

Annual Financial Audit

The Board will annually appoint an audit committee by January 1 to oversee the independent auditors for that fiscal year. Lake View Charter School will appoint an audit lead to ensure an audit is undertaken on an annual basis. The audit lead will be the main point of contact for the board, school, Charter Impact, and the auditor. Any persons with expenditure authorization or recording responsibilities within the school may not serve as the audit lead. The school board shall annually contract for the services of an independent certified public accountant to perform an annual fiscal audit. The audit shall include, but not be limited to (1) an audit of the accuracy of school's financial statements, (2) an audit of the school's attendance accounting and revenue claims practices, and in conjunction with (1) and (2) above, review the school's internal controls

Lake View Charter School Fiscal Policies and Procedures

over financial reporting. The audit shall be prepared in accordance with any relevant Office of Management and Budget audit circulars if the School spends in excess of the amount which requires an audit.

The Audit shall be completed, reviewed by the Board, and submitted to the charter-granting agency, the County Office of Education, the Office of the State Controller, and California Department of Education prior to December 15 of each year unless any of those entities extend the deadline.

Required Budget and Other Fiscal Reports

The Executive Director, working in conjunction with Charter Impact, and the Chief Fiscal Officer will produce and submit to the charter granting agency any and all required fiscal reports as may be required by state or federal law, or mandated by the terms of the school's charter. These include, but are not limited to, attendance reports, enrollment and other data reports required by the California Basic Education Data System, and other related data.

Property and Liability Insurance and Workers Compensation

The Executive Director shall ensure that the school retains appropriate property and liability insurance coverage, as well as a Workers Compensation Policy for its employees.

Property insurance shall be obtained and address business interruption and casualty needs, including flood, fire, earthquake, and other hazards with replacement cost coverage for all assets listed in the school's Property Inventory and consumables. Premises and Board errors and omissions liability insurance shall also be obtained and kept in force at all times on a "claims made" form with a self-insured retention of no more than \$50,000 per occurrence and limit of no less than \$5 million per occurrence. The school's Executive Director and other staff who manage funds shall be placed under a fidelity bond.

Workers Compensation insurance shall be maintained by the school to cover injuries suffered by employees while at work. The school will be required at a minimum to carry a basic liability limit consistent with the statutory requirements of the authorizer or the District.

Board Compensation

Board members shall serve without compensation, but a virtual or in-person meeting stipend and/or reimbursements for actual and necessary expenses. Expenses for travel necessary to attending board meetings and meetings of board committees need not be approved in advance by the board. All other expenses shall be approved in advance by the board. Travel expenses reimbursed shall not exceed levels that would be subject to federal or state income tax. All expenses reimbursed shall be documented by receipts and in no event may reimbursements exceed actual expenses.

Lake View Charter School Fiscal Policies and Procedures

Fundraising, Grant Solicitation, and Donation Recognition

Fundraising or grant solicitation activities over \$100,000 on behalf of the school must be approved in advance by the Board. The Board shall be informed of any conditions, restrictions, or compliance requirements associated with the receipt of such funds, including grants or categorical programs sponsored by the state or federal government. The Board shall be notified no later than the next regular board meeting of the award or receipt of any funds and shall approve the receipt of any grants, donations, or receipts of fundraising proceeds prior to their deposit in the school's accounts.

Contracts

Consideration will be made of in-house capabilities to accomplish services before contracting for them. Except as otherwise provided in these policies, the Executive Director may enter into contracts and agreements not to exceed \$50,000 without Board approval, provided funds sufficient for the contract or agreement are authorized and available within the school's board-adopted budget. Contracts and agreements in excess of \$50,000 must be submitted for board approval and may be executed by the Executive Director or other person specifically designated by the Board after the Board has duly approved the contract or agreement.

Staff designee will keep and maintain a contract file evidencing the competitive bids obtained (if any) and the justification of need for any contracts over \$25,000. Competitive bids will be obtained where required by law or otherwise deemed appropriate and in the best interests of the school.

Written contracts clearly defining work to be performed will be maintained for all contract service providers (i.e. consultants, independent contractors, subcontractors). Contract service providers must show proof of being licensed and bonded, if applicable, and of having adequate liability insurance and worker's compensation insurance currently in effect. The Executive Director may also require that contract service providers list the school as an additional insured.

If the contract service provider is a sole proprietor or a partnership (including LP, and LLP), the School will obtain a W-9 from the contract service provider prior to submitting any requests for payments to Charter Impact.

The Executive Director will approve proposed contracts and modifications in writing. Contract service providers will be paid in accordance with approved contracts as work is performed. The Executive Director will be responsible for ensuring the terms of the contracts are fulfilled. Potential conflicts of interest will be disclosed upfront, and the Executive Director and/or Member(s) of the Governing Board with the conflict will excuse themselves from discussions and from voting on the contract.

Lake View Charter School Fiscal Policies and Procedures

PURCHASING AND VENDOR PAYMENT

Segregation of Duties

The School will develop and maintain a system to document the authorization of non-payroll expenditures. All proposed expenditures must be approved by the Executive Director and/or designated staff, who will review the proposed expenditure to determine whether it is consistent with the Board-adopted budget. In the absence of a vendor invoice, the School will develop and maintain a check request form to document the approval of payment for specific items.

All transactions will be posted in an electronic general ledger maintained by Charter Impact. To ensure segregation of recording and authorization, the bookkeeper may not co-sign check requests for purchase orders.

General Purchasing Procedures

All purchases over \$25,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services. The Executive Director shall not approve purchase orders or check requests lacking such documentation. Documentation shall be attached to all check and purchase order requests showing that at least three vendors **of similar type** were contacted and such documentation shall be maintained for three years. All purchases in excess of \$25,000 must be bid by a board-approved process, except in the cases:

1. In case of emergencies that necessitate the purchase of emergency response supplies, equipment, or services.
2. **The supplier is the Original Equipment Manufacturer for which no equivalent competition exists.**

In such cases, the school shall document the reason why the purchase was done without a competitive bidding process, and why the pricing was determined to be reasonable. The Executive Director may authorize expenditures and may sign related contracts within the approved budget. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and includes check #, payee, date, and amount. Measures of Student Success

Six state measures allow for comparisons across schools and districts:

- Academic Performance
- Chronic Absenteeism
- College/Career Readiness (not this year, will resume in 2023)
- English Learner Progress
- High School Graduation Rate
- Suspension Rate

Schools and districts will receive one of five Status Levels on each of the state measures. Status levels are reflective of achievement during the 21-22 school year

Will we have enough cash to meet our spending needs?

How do our current expectations compare to the original budget?

Budget vs. Actual

The Budget vs. Actual is a historical review of what the school spent in the current month and year-to-date as compared to what was originally budgeted.

II. FUNDING BASICS

Revenue Sources

- **88.1%** Local Control Funding Formula (“LCFF”)
- **7.8%** Other State Revenue
- **4.1%** Federal Revenue
- **0.0%** Fundraising and Grants

Local Control Funding Formula

- Main source of school funding
- Provides additional funding for “high need” students
 - Low Income (or Free/Reduced Price Meal Eligible or Title I)
 - English Learner
 - Foster Youth

The “**UNDUPLICATED**” count of above groups has significant impact

- School spending accountable to stakeholders through the Local Control Accountability Plan or “LCAP”

Local Control Funding Formula

Segments of LCFF:

**BASE GRANT +
ADD-ONS**

SUPPLEMENTAL

CONCENTRATION

Grade	Base Grant	Add-On	Total
TK-3	\$ 9,132	\$ 950	\$ 10,082

Other State Revenue

Funding Source	Amount per Student
Special Education (AB602)	\$ 820
Lottery	\$ 228
Mandate Cost Block	\$ 18 - \$ 50
Other State Revenue	<i>varies</i>

- Other revenue from the State often provides funding for specific purposes and can vary widely based on program participation.
- While these funds supplement the core LCFF funding, many have required applications, restrictions on spending, and may vary from year to year.

Federal Revenue

Funding Source	Amount per Student
Special Education	\$ 125
Title Funds	<i>varies</i>
ESSER II & III	<i>varies</i>

- Federal revenue almost always comes with significant restrictions and non-financial programmatic requirements.
- Many of the grants are less predictable in both award amounts and timing of payments.
- Federal revenue can be a great supplement but schools should be fully aware of all requirements prior to applying for or accepting funds.

III. FUNDING DETERMINATION

SB740 Spending Requirements

- At least **40** percent of total public revenues must be spent on Instructional Certificated Salaries and Benefits, *AND*
- At least **80** percent of total revenues must be spent on Instruction and Instruction-Related Services, *AND*
- The Pupil to Teacher Ratio (PTR) cannot exceed:
 - 25 to 1 or
 - Equivalent PTR of the largest unified school district in county or counties in which the charter school operates

SB740 Funding Levels

Funding Level	Certificated Salary and Benefits	Instructional Spending <i>(incl. cert. salaries and benefits)</i>	Pupil : Teacher Ratio
100%	= or > 40% AND	= or > 80% AND	25:1
85%	= or > 40% AND	= or > 40%	N/A

IV. STATE RESTRICTED ONE-TIME GRANTS

Lake View – State One-Time Grants

- ▶ **Expanded Learning Opportunity (ELO)**
- ▶ **A-G Completion Grant**
- ▶ **Educator Effectiveness Block Grant (EEBG)**
- ▶ **Arts, Music & Instructional Materials Block Grant (new for 22-23)**
- ▶ **Learning Recovery Emergency Block Grant (new for 22-23)**

Lake View - ELO

- ▶ The ELO Grant was provided to give students additional learning programs developing the academic, social, emotional, and physical needs and interests of our pupils.
- ▶ Despite the establishment of these funds, only 15% of the total funds can and should be used for remote learning. The other 85% must be used for In-Person Instruction.
- ▶ Most of the NCB schools were provided more than 15% of the funds already; it will be up to our school staff to develop IPI opportunities for our pupils.

Lake View– A-G Completion

- ▶ The A-G Completion Grants are a follow on to the PGSGP grants, which were to set aside funding to engage students toward the successful completion from High School
- ▶ The one item that is different vs. PGSGP is that there is a Learning Loss component associated with COVID-19.
- ▶ LEAs will be responsible for developing plans to help Unduplicated Students achieve success, using the funds for curriculum, salaries, etc...

Lake View— EEBG

- ▶ Funding to each school provided based on the number of FTE's the school has multiplied by about \$2,400 per FTE
- ▶ Eligible for all Certificated and Classified Staff
- ▶ Offered in addition to any Title II Funding a school may have
- ▶ Practices and strategies that reengage pupils and lead to accelerated learning.
- ▶ Can also include Coaching and Mentoring of Staff

Lake View— Amount Granted

- ▶ Federal Grants \$ 993,480
