To the Board of Lakeview Charter:

I am writing to express my interest in serving on the Board of Lakeview Charter for the 2021/2022 school year. I have been a parent with the school for 4 years. I was initially drawn to Lakeview (then Inspire), because of the emphasis on supporting each family's unique homeschool journey. I have found this value to be upheld and felt very supported in the choices I make as a parent. As a board member, I will be a voice for continuing to support those choices, while maintaining the accountability necessary for the school as a whole to thrive.

I am interested in being a voice for our school to stay current and relevant in ongoing discussions of equity and inclusion and was happy to support the new MDIP program this year.

Thank you for your consideration.

I look forward to hearing from you!

Warmly,

Sarah Wells

P.S. Much of my professional life, I have been self-employed and my main job titles currently are mom, teacher and gardener! I share this with transparency to let you know that the attached resume is simplistic and created specifically for this position to give you an idea of who I am! ;)
