Student Enrollment Goal

By count day of Fall 2023 (Oct. 1) and Spring of 2024 (Feb. 1), Adelante Schools will meet their ADM (384 students) for the school year.

Family Communication & Retention

By August 2023, 80% of students enrolled at EDEMS attended the school in the previous year.

Right Now Status Towards Goal

- 239 students returning confirmed (71%)
- 15% of families have not yet responded to Intent to Return
- We are at 76% of our current enrollment goal of 384 (293 students) as of 6/14/2023. It was 275 on June 5th.
- The IPS board approved our transportation zone, resulting in more opportunities to engage new neighborhoods

Smith asked at what point the school becomes over-enrolled and what is that threshold.

Rangel stated that there may be an instance where additional FTE's may need to be approved.

Initiatives to Reach That Goal

- Door to Door Canvassing
- Community Canvassing
- Information Tables at Community Events

- Open Houses for Families (including last night)
- Community/Neighborhood Meetings (inc. Irvington, University Heights)
- Family Referral Program (non-monetary giveaway gifts)

Who is Helping Reaching That Goal

- 12-month employee recruitment schedule
- Staff incentives and flexible time off, including bonuses for fully recruited grade levels
- Weekly recruitment updates for goal-setting

III. Finance & Operations

A. Consent Vote: Approval of May Transactions

Financial Statement Questions

- Kainrath pointed out that the K-8 instructional expenses are more than 100% of the budget. Rangel stated that it is because of non-reimbursed grant funds. We have been able to spend the funds, but have not yet received the reimbursement for it. Kainrath asked if there is specific planning to budget based upon the reimbursement schedule. Rangel added that additional Title funds that are reimbursed are not included preemptively into the budget, but are added once they arrive. Kainrath understands that it evens out in the end, but wants to ensure we are strategically budgeting and refine our processes to align with that schedule to prevent situations we are 140%+ over budget.

Transactions for May were also included.

Transaction Questions

- Kainrath - On May 22nd, a \$17,000 line item in the red (and another one for \$15,000 on May 24th) to University of Indianapolis. Rangel explained that the State of Indiana has a Literacy Cadre that we are a part of which covers, via grants, 60% of the Director of Literacy salary.
- Frech - Recognizing expenses for Uber, meals, etc. Wants to ensure that there is a clear policy in place. Rangel stated that the policy is under \$1,000 does not require approval. Additional food items in May were due to Teacher Appreciation Week, as well as end of year events. The repeated Uber transactions were due to supporting staff to do home visits, as well as support Family Advisory Council members to attend events. Rangel stated that there is a master grant & expenditure sheet, which should be included in the next Finance Committee meeting.

Habayeb will connect with the board in the finance committee meeting to address these specific items.

Rangel requests that there could be a capped debit card or credit card for additional expenses for Directors (like for recruitment events) for staff other than Rangel/Habayeb to use for one-off expenditures.

Smith asked that the memo line could better be utilized in reports to help eliminate questions & give stronger context to the board in finance reports.

N. Frech made a motion to approve the transactions for the month of May with the anticipated response to questions.

A. Smith seconded the motion.

The board **VOTED** unanimously to approve the motion.
