The incoming Kindergarten free and reduced lunch percentage is a little over 20% which is an increase compared to this school year. Students that have marked academically disadvantaged are at the top of the wait list. In May, student enrollment will be reported.

B. 2016 "Beating the Odds" Report

Georgia Charter Accountability goals were reviewed (the goals met, and the goals unmet) and an explanation of how CCRPI goals are created. The beating the odds goals are now more public. Beating the Odds comparison chart was created among surrounding schools, and schools closest to ANCS CCRPI score. ANCS is in the first year of the new charter renewal contract. Aiming to close in the achievement gap, increasing the amount of students that are "economically disadvantaged". Beginning to track how students are doing in Social Studies once they get to high school (now only looking at these test scores in only 5th and 8th grades).

A. Monthly financial statements & reports

Review of budget and financial report. Following and tracking the budget accordingly. Always monitors the financial health of any bank the school is keeping operating cash in.

B. FY18 Budget

Ryan Camp gave an update on proposed FY18 ANCS budget. Two top priorities are teacher salary increases, and student class size reduction as outlined in the strategic plan. QB funding is expected to go up about 5%. Looking at a 2% salary increase and looking into a structured bonus system based on teacher tenure (this structure would add about 3 1/2% to the current salary structure). Proposal will be finalized this month. Field trips budgets are paid in, then paid out (looking to do possible fundraisers for trips to offer more scholarships)
