II. New Business

A. 2020-2021 School Calendar

Chuck Meadows shared a proposed calendar for 2020-2021 school calendar that includes longer fall and mid-winter breaks. See slides in Board Packet. Board plans to

vote on the calendar in December (Board policy requires a vote no later than March). Chuck reported on factors in proposing a shift back to longer fall/mid-winter breaks:

- 132 unexcused tardies or absences at the Elementary Campus the day after our shorter fall break this year; 1/3 of EC population was late or not there. Absences and tardies were higher than normal on both campuses.
- Other charter schools: Kendezi, Centennial, and Wesley have 4-5 day fall and mid-winter breaks; substantially larger economically disadvantaged populations at those schools.
- Faculty/Staff consensus is that longer breaks foster a happier and healthier school community.

Discussion around whether extending breaks has an impact on lower income families. Chuck will engage parents to solicit feedback but will not send another survey this year. Board suggested some kind of formal way of sharing/soliciting parent feedback. Suggestion to ask parents what they would need from ANCS if we adopt the proposed calendar.

Question about impact on outreach and how a calendar like this would affect the decision to enroll here.

Lee Kynes made a motion to move this topic to the Educational Excellence committee for further discussion.

Howard Franklin seconded the motion.

The board **VOTED** unanimously to approve the motion.

Educational Excellence Committee to work with Chuck on next steps. Next Educational Excellence Committee meeting is Dec 5.

C. Officer Succession Planning

Eric Teusink reported on officer succession plan. With several board members rolling off at the end of the year, board members are asked to consider serving in an officer or
