## II. Old Business

### A. 2020-2021 School Calendar

- Chuck Meadows reported on the proposed calendar for the 2020-2021 school year. The calendar was originally proposed to the Board by Chuck and the Leadership Team at the November board meeting. It is supported by the faculty and staff.
- The proposed calendar has been communicated to parents with opportunities for parents to provide feedback. See meeting packet for letter to parents from last week's Courier.
- The calendar has been thoroughly discussed in the Educational Excellence Committee.
- The Education Excellence Committee voted 3-0 in favor of the calendar and recommends that the Board adopt the 2020-2021 calendar as proposed.
- Chuck shared that ANCS is familiar with this type of calendar (often referred to as a "Balanced Calendar") with week-long fall and mid-winter breaks, as this has been the calendar we have used in past years. The change to shorter breaks was made for the 2019-2020 year in response to APS shortening their fall and mid-winter breaks.
- One board member requested a more defined plan for how the school will support lower income families with the calendar change before voting.
- Chuck reported that all of the other charter schools in the Jackson Cluster as well as several other APS charter have similar calendars to this proposed calendar. Many of these schools have a higher percentage of economically disadvantaged students than ANCS.
- If ANCS adopts the proposed calendar, the Jackson Cluster will have about 2,400 students out of school during the week-long breaks. Work has already begun to reach out to ANCS community partners to schedule enrichment activities and programming options for ANCS students during the proposed fall and mid-winter breaks.
- Discussed if financial support could be offered during the breaks. Chuck confirmed that the school plans to offer financial support, similar to what is already being offered to ANCS families who need it.
- Compared to the APS calendar, the proposed calendar for ANCS will start a few days earlier and run a few days later. There are also a few days on the ANCS proposed calendar where students are in school and APS is out.
- A board member asked Chuck to provide the board with monthly progress reports on the plan to provide support for families as it relates to the calendar.

Kristen Frenzel made a motion to to adopt the 2020-2021 calendar as proposed.

Lee Kynes seconded the motion.

The board **VOTED** to approve the motion.

- Chuck reported on "Apply APS Charter" - APS's new centralized platform for families to apply to APS Charter Schools. There are a few charter schools who will not be participating. Families will be required to select a single offer on April 1st to prevent spot holding across charter schools. ANCS school tours will start in January. Training on the platform will be January 13th and the application window will open on January 29 and close on March 2. ANCS will conduct its own lottery through this platform and lottery results will be released on March 16.
- Chuck reported on the Charter Renewal Process. Members of the Leadership team met with Georgia Charter Schools Association to put together the narrative for the petition for charter renewal. Intent to renew is due at the beginning of 2020 year. Will continue to meet monthly with Lara and Cathy.
