Outdoor classrooms/seating and retaining walls tied to CDC recommendation. \$300k/campus requested for reimbursement that requires approval by state GADOE because APS feels the request is outside of the "norm".
- Grandparents' solicitation was successful resulting in high contributions in October (\$30k in October).
- In general, COVID costs have stabilized.
- Possibility for ANCS to join APS facilities contract for better pricing on HEPA filters.
- Got Title II funding of approx \$22k to cover DEI consultants.
- The next committee meeting will include a discussion about revising current year budget.

B. Middle Campus Mortgage Refinance

Closing on Thursday 18.

C. Facilities and Grounds

- December 4 tree planting with Trees Atlanta at EC. Over 50 people have already volunteered.
- Trees Atlanta has agreed to do a similar project at MC.
- Flooding related to a plumbing clog occurred on the bottom floor of the EC. Timing aligned with Braves Friday school closure, which allowed for cleanup prior to school reopening.
