The committee **VOTED** unanimously to approve the motion.

**II. Business & Operations Update**

**A. Investment Update**

The Committee discussed the investment option that the school's financial advisor provided. Cory noted that one of the funds invests in tobacco companies. The Committee requested that Chuck discuss this with the school's financial advisor and ask that an option without such companies be proposed.

**B. Financial Performance Update**

Jerry reviewed the March 2022 and YTD financial activity noting that income is higher than anticipated because the APS allocation began increasing in February and the timing of grant income. Jerry explained variances in expenses (see attachments).

Irina Brimmell arrived at 12:20 PM.

**C. SY 2022-2023 Budget Draft**

Chuck presented the budget for the next school year. The budget assumes a return to normal school operations (pre-pandemic). Early care is not proposed to continue pending approval of next year's school day schedule by the board. Students will resume paying for lunch and breakfast and aftercare. Additionally, the school anticipates receiving the remaining reimbursements from the CARES Act. Currently, the school is waiting on receipt of \$1M from the CARES Act that has already been approved.

Cory Tiede seconded the motion.

The committee **VOTED** unanimously to approve the motion.

**D. Facilities and Grounds**

The new wash station at the EC farm is underway.

Consideration is being given to artificial turf for the soccer fields at the EC.
