Regarding Grants, Susannah, Barrett, and Alastair agreed that currently, the school is not prepared with proper funding priorities or engagement infrastructure to support embarking on important relationships with foundations. The group agreed that as the strategic plan begins to execute, there will be natural opportunities to engage with foundations around this, as well as more clear funding opportunities. This will also be supported by a case for support.

Additionally, Rebecca Wagner laid out a plan to execute a Case for Support for ANCS which was thoughtfully prepared. Jason will add her presentation to the minutes. The goal is to have a draft in hand by December, 2024.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 10:30 AM.

Respectfully Submitted,
Jason Zwang
