Academic Excellence Charter

- Supports organizational focus on the key ECS school charter petitions' promises we have made to our community and to our authorizer, and continues to regularly revisit and reinvigorate these promises.
 - Considers student outcomes which are not strictly academic, but may be crucial for achieving our mission and which directly support academic excellence.
 - Work with the school leadership to continue to devise and refine clear and consistent ways to measure progress towards stated goals, such as those within the ECS mission, ECS school charters, Local Control Accountability Plans, WASC Action Plans, etc.
 - Work with school leadership to share with the board annual successes, barriers to reaching academic excellence, and strategies to overcome these barriers.
 - Arrange for Board training on issues related to academic oversight and academic achievement, as needed.
 - Provide insight to the board during the strategic planning process.
 - Annually evaluate its work as a committee and the objectives it has committed itself to and report on same to the Board of Directors.
-
