### **B. Approve Previous Development Committee Meeting Minutes**

not enough committee members present to approve

## **III. Discussion Items / Updates**

### **A. Development Report**

Alli T. introduced Ally Chew who will be serving as our Messaging Coordinator until the Fall supporting communications and messaging while we are recruiting a Communications Coordinator.

Ms. Vo went over our fundraising progress to date which is \$716,224 comprised of grants, individual donations and corporate sponsorships. She also reviewed our progress in each fund (general, possibilities, capital) and mentioned that we are close to meeting our general goal and have surpassed our possibilities fund goal. We also recently secured \$50,000 from the Ralph M. Parsons Foundation. We are waiting on the outcome of a request to the Riordan Foundation from each school site.

Ms. Vo also mentioned recent press coverage/PR highlights including a feature in the April issues of South Bay Magazine and the Green Schools National Network Catalyst Quarterly.

### **B. Prospects**

Ms. Vo shared a list of prospective grant funders and asked committee members to review list in case they may have any contacts they can connect to on our behalf.

### **C. Donors**

In the last several months, Ms. Vo has met with a few board members individually to talk about their individual commitments and prospective friends and supporters. She compiled

them in the FY17 Board/Donor Prospects spreadsheet to serve as a live document for the committee to track our progress and actions. She also shared the list of donors from our 2015 Black Tie Gala to identify ECS contacts for those donors so we might re-engage with them.

Mr. Deemer asked if there were a list of all attendees. Ms. Vo will work with Ms. Tseng to find that list. The committee also discussed other prospects such as the Manhattan Beach TEDx in November.

#### **D. Donor Acknowledgment Process**

The committee discussed the donation acknowledgement protocol and how we can communicate with board members the donation thank you process that occurs specifically for their contacts. Ms. Vo explained the current process and that ECS recently began sending out donation acknowledgement letters in addition to the phone/email TY and written card TY. Mr. Deemer suggested an annual contribution letter send to donors contributing over \$250 as a way to add another touchpoint. Ms. Diaz suggested sharing copies of thank yous with board members that have been sent out, including thank you cards.

The committee discussed other ways to personalize the thank you that is sent including photos and having Ms. Diaz personalize the letters when she signs them. Ms. Takido suggested "Artifact Uprising" which can be used to create personalized photo albums.

#### **E. ECMSI Build and Grow With Us Campaign**

Ms. Vo shared that the Development Team is working on a final push for the greening of ECMS-I with a "buy-a-brick" type of donor experience which can then be physically represented at the site. They will share more at our next meeting.

#### **F. Upcoming Events**

Mr. Deemer asked that all campus events be added to the Board Calendar or perhaps a separate Events calendar.

### **IV. Closing Items**

#### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:58 PM.

Respectfully Submitted,  
Julie Vo
