B. Executive Director Update

Annual Update:

- [2017-18 Annual Update](#)

First-ever all all-staff PD took place this summer. Inspiring day for all staff. Stakeholder feedback collected at all staff.

Alison Diaz shared History of ECS presentation and current state of organization. See presentation attached.

MCP updates:

- MCP Board Membership: Current members are Bruce Greenspon, Ken Deemer, Anthony Jowid, John Quiter and Brad Jewitt. The majority of the MCP board must be composed of ECS board members. With five members, 3 must be on the ECS board and two members do not also serve on the ECS board. With Bruce stepping down, his spot will need to be filled by an ECS board member. Alison will reach out to ECS board members and bring the member forward to MCP's Board.
- Action Item: A schedule of MCP board meetings will be announced at the next board meeting.
- **Public Records Request:** Both middle schools received a Public Records Request from UTLA. ECS will respond with the support of counsel and CCSA.

IV. StudySession

A. Development Study Session

Julie Vo, ECS Home Office Staff, presented on ECS Development Goals for 2017-2018. See attached presentation.

B. Governance Study Session: Objectives and Key Results Discussion

Ken Deemer, Board Member, presented on a Board on Track feature to improve Board accountability.

V. Committee Reports

A. Finance Committee

Tracy shared the finance report. Please see attached presentation.

B. Facilities Committee

Alison reported out on each site's facility progress:

Gardena:

Prop K is moving forward. LA City counsel must approved revised Prop K contract. Once this happens (expected in early September), construction will start.

Inglewood:

Certificate of Occupancy received. We still have greening features to complete this fiscal year. The first features to be added are water saving features. With the support of an Ecomedia grant, we will be able to share these solutions with our community.

Lawndale:

ECHS is continuing to make progress on closing out the portables on the high school campus. ECHS continues to work with LESD regarding progress. Currently we are working on the fire hydrant installation. Once we secure approval to move the hydrant installation forward, we will simultaneously be able to move the portable upgrades forward. The timeline improved over the last few weeks as we learned the installation of the hydrant didn't have to precede our beginning improvement on the portables but rather both may happen simultaneously!

C. Development Committee

Presented during study session.

D. Governance Committee

Presented during study session.

E. Diversity and Equity Taskforce

Last year was first year of the Equity and Diversity Task Force. The committee engaged students, parents, teachers, and board members. It was a successful pilot year.

We learned implementing strategies is an iterative process. While it is hard to decide what is the most urgent equity issue, we will work with site to evaluate data and forward action to support the most pressing issues.

This work is hard. The key is to experiment to move needle forward, recognizing its important to reflect, refine and try again.

Next steps, task force leaders are attending a conference on equity and social justice in September and will report out at the next committee meeting.

Action: Alison recommended the board convert the Task force to a committee keeping its charter the same and will bring this back to the board for approval in September.

F. Academic Excellence Committee

Committee was introduced to Logic Model - a model that works backwards from long-term goals to successively shorter term goals. Organizationally, we are using the logic model to evaluate programs and forward strategic initiative in a continuous improvement cycle.

The last three weeks was focused on facilitating teacher professional development aligned to subject areas with the goal of helping each department meet the long term strategic goals outlined in the logic model.
