III. Discussion Items / Updates

A. Suggested Goals for 2017-2018

Julie: 4th bullet point - storytelling training, and gives us an opportunity as a committee to find resources/information/knowledge that would support the storytelling.

Denise: Center for NP Management around training

Julie: Farnaz might be able to speak to the board about this.

Alison: how do we achieve them. Very organized.

B. ECHS Career Day Update

Thanks to Committee Members who put in the work.

Giveaways to speakers are scout books with a list of how they can

Alison: Do we have a goal of what we would consider successful. How will we gauge this? A number?

Goals for Career Day:

- Securing internships/job shadowing opportunities for our students.
- Sponsoring a workshop/educational track? Ex: Bike shop need funding? Thorough follow up with speakers to see how they are interested in participating with us.

Alison: - How do we highlight Mattel/Sony/Skechers so they can see what is possible or where they would want to engage.

- Skechers is not available for Career Day, we have too many speakers.
- Come to a board meeting? Board recruitment?
- Be an advocate for ECS
- Let's take a look at the list of speakers at our next in-person meeting after Career Day to see how we can connect.

Who is planning to be there: Lucy, Denise, Sona.

Think about: if you are going to be there what will your role be?

Lucy: Take Action and Lunch and have several friends who have signed up as speakers.

Denise: Walking around helping and bringing a guest to see the event. Being an ambassador.

Sona: Primarily help out with logistics. Feedback, making connections.

Alison: Network with everyone in the green room. And make an appearance in the hosted rooms.

Alli: Working with the content partners (panels). Helping to prep Alison and funnel people towards Alison. Career Day is about our students, it is about connecting with speakers to create relationships with them and invite them back?

What we need the most is feedback about the speakers.

Looking for the connections if we connect with speakers. Find ways to make the connection and best leverage them. The goal is to invite them to a tour. Listening to what the next step will be for them.

C. Update on Harvest Festival/Ribbon Cutting

Date correction: November 4th

Sona: Happy to shoot for the event. Working on recruiting college students.

Denise: are we getting anyone from Zistlist group?

We should have them at this event. Action item for Denise. Maybe sponsor it? Denise will reach out

Julie to invite Coni Seafood and Melissa from Skechers

Who will be attending: Cathy, Alli, Denise, Lucy, Sona.

D. Federal Charter School Program – Charter School Replication Grant

Cathy Creasia left.

E. Board Individual Give/Get

Denise: I see both sides of the argument. If we have the minimum we would block out a younger generation. Is there a way to use that? Get wording from Farnaz?

Follow up with Cathy to have this conversation.

Alison: in 2008 Kennedy brought in an expert to talk about the Give/Get. Said that you need to set a policy. The importance to how every board member contributes. City Scholars. Shows that a board is invested.

We want you to give what is meaningful, but expected 1000.

Alison: It wasn't until I have into the Org that I felt committed to it. It changes the mindset I have. Made me invest more.

Denise: Maybe it is the working towards it.

Lucy: Giving time and energy is different than giving monetary resources.

Denise: The real issue is engagement.
