III. Discussion Items / Updates

A. EdTec Financial Update

Ms. Lee presented the financial update. She noted that the net income with depreciation is positive, but without depreciation it is either flat or negative. This is due to grants received in prior year that will be spent in this year, as well as capital projects. She described current forecast expectations. ECHS net income has increased \$2k, while the middle schools have decreased (-\$98k for ECMSG and -\$40k for ECMSI). Largely this is due to staffing changes. She described updates in the SB740 facilities grant. She also reviewed the balance sheets as of Sept. 30 and the cash flow expectations for the sites.

B. Fundraising YTD Update

Ms. Bondi presented the YTD fundraising update.

C. Develop a Finance 101 Training for New Board members

Ms. Bondi led the discussion around the financial training. Mr. Deemer suggested perhaps there is an online training that people can go through. Ms. Owen feels that live might be better. Ms. Owen and Mr. Greenspon liked the cadre presentation. Mr. Greenspon suggested adding a brief discussion about restricted grants. Also talking about existing credit lines, CMO expenses, district oversight fees, something on depreciation, and where to go for help if you have questions. Mr. Greenspon suggested a 30-45 minute presentation in a board or committee meeting. Ms. Owen suggested something on timing would be helpful - what big chunks come in when and how that impacts everything. The committee would like for it to be an annual training for all members.
