III. Discussion Items / Updates

A. Fundraising Progress to Date

As of earlier this week, we are at \$311k of our goal of 1.1 million.

We've met \$94,773 of \$352,800 for General Fund

We've met \$121, 411 of \$300,000 for Possibilities Fund

We've met \$66,000 of \$478,000 for Capital (\$478K is a 2-year goal)

Please reference the [2017-2018 Development Dashboard](#) for specific break-down and further detail.

Alison: What's different about this year is that this fundraising goal is now reflected in our budget. There is a gap between the amount that we said we are going to raise and what we actually raise. We need to start thinking about how to fundraise for the year ahead.

Julie: Ex, the some of the grants we got last year but are to be used for this FY, even though they hit the books last FY.

Questions?

Ken: What is your first objective feelings about where we are?

JV: largest gap right now is our capital. Still hopeful because of Prop K should be completed in early 2018. Closing out that project enables us to submit Final Reports to Ahmanson Fdn and re-apply for capital support. We've needed to finish the previously funded project before applying for future projects.

We will also be launching our Connect the Dots Campaign which will support the capital goal. The campaign supports the creation of a donor wall at ECMSI. Similar to the vine campaign that we did at ECMSG.

Alison Diaz arrived.

Cathy Creasia arrived.

B. Recent Events Update

Thank you to Committee Members who attended either Career Day or Harvest Festival/Ribbon Cutting! How was your experience at either event?

Cathy: Harvest Festival was really fun. Took the kids with me. A great chance to see the Inglewood campus.

Denise: Harvest Festival was really well done and bigger than I expected it to be. The students I brought loved it and wanted to connect with the school more. It was great to see the campus.

Lucy: Career Day - It was great. Was in a Take Action Session relating to health and society. Kept it real, spoke with the seniors about the different perspectives they can pursue. Two seniors have reached out for civic action support.

Julie: I'm working with Jane, ECHS AP, to work on a civic action mentor description.

We will also be sending out a Connect the Dots appeal and Harvest Fest TY within the next week.

Action for all Committee members - Please identify pick 5 people on the speaker's list [HERE](#) (see CD Speaker Follow-up tab) and send them a personal thank you email for being a part of our Career Day. Ask them if they could stay connected and take action with ECS with one of the following. Note: Please choose five who are not yet highlighted in pink on the spreadsheet.

- 1) Take a student-led tour**
- 2) Sponsor a student and/or ECS program (\$300/year supports 1 student)**
- 3) Volunteer as a mock interviewer in Spring 2018**
- 4) Become a Civic Action Mentor**
- 5) Attend an ECS Best Practice Workshop (Green Ambassadors Institute)**
- 6) Host a Lunch & Learn**

Discussion

Denise: Ken, did you receive any feedback from MB Rotary on their involvement at Career Day?

Ken: Alison spoke to our club following Career Day as well. People were super impressed. Received great feedback from Rotary and Devon from Hammitt. Trying to get the club to be more engaged with ECS, as a starting point they have approved a \$1000 donation to support the MESA program at the High School. Hoping to get another \$1000 to be used as a scholarship. Bruce Greenspon is about to become a member as well.

THANKS to Ken for stewarding the relationship with MB Rotary. If there is any way we can continue to engage with them let us know. Ken wants to bring more of them on a tour. We can also create a special tour for Rotary or host a breakfast mtg at ECHS followed by a student-led tour.

Re: Bruce Greenspon Scholarship

THANKS to Ken for making the appeal from Board members, since then we have had some donations from Board members.

Denise - Zena saved me from a jam that we got into Max's college essay. Worked out a plan, Zena will donate money paid from Denise to go towards the Bruce scholarship.

ECHS Alumni Jose Garcia (class of 2013), interested in being a Board Member. It would be cool if Ken or Denise can reach out to him. Alison will write him an email to invite Jose to the meeting.

Action Items: go through this list and choose 5 people to reach out to, initial next to them. JV will send speaking points.
