III. Reports/Presentations

A. CEO Update

CEO Alison Diaz wishes happy February birthdays to ECMS-G Principal Beth Bernstein and ECS staff members Danielle Kelsick and Tracy Bondi. As well, congratulations to ECS board member Jenni Owen for the birth of her child.

B. Principals Updates

ECHS: ECHS Principal K.C. Villoria shared that the WASC renewal visit went well. The WASC visiting committee final report was shared with the board. The goals that the WASC committee set for ECHS going forward were identical in nature to the goals that ECHS set for themselves in their WASC self-study report. CEO Alison Diaz would like to congratulate Principal K.C. Villoria and the ECHS staff for their shared success.

ECMS-G: ECMS-G Principal Kami Cotler and her team met with their school authorizer on charter renewal strategy. Working hard with staff and faculty to tighten up systems and find efficiencies. Also, working with teachers and support services staff to identify where the school is effective and where it needs to improve. ECMS-G has had a large increase in its special education student population and is focusing heavily on optimizing its SPED program with the help of an outside consultant. In addition, ECMS-G is working with teachers to get back to roots for the vision of the school, reviewing the recent setbacks in academic progress across the school, and figuring out how to get back on track. Feedback from school employees is that the school climate is not optimal and so this is a point of focus in addition to the academic progress work currently underway.

ECMS-I: ECMS-I Principal Beth Bernstein-Yamashiro has been assisting with the hiring work at ECMS-G since ECMS-I is by and large fully staffed. On Thursday, April 12, there will be a Grandparents and Significant Elders event to continue the series of events set up by the school to meet with stakeholders.

C. Financial Update

EdTec's Dorothy Lee presented the financial slides attached in the agenda.

D. Strategic Dashboard Update

CEO Alison Diaz presented the 17-18 ECS Strategic Priorities attached in the agenda.

The 2014-2017 Strategic Goals were reviewed and with some goals completed and others still in progress, a new set of strategic goals were created with the input of the board at the November 27, 2017 board meeting:

- Goal 1: Strengthen Student Outcomes
- Goal 2: Pursue equity in student enrollment and achievement
- Goal 3: Organizational and Operational Strength
- Goal 4: Expand ECS' Reach

Successes for school year 17-18 were highlighted. Major action items for goals 1-4 in the Strategic Dashboard were presented.

Alison Diaz recommended changing high school replication from school years 19-20 to 20-21 in order to allow for strategic goals to be achieved before the new high school is in place.

Board President Ken Deemer suggested that goals are changed in the Strategic Dashboard to only have goals that can be accomplished in 1 year or less.

Board member Jenina Ramirez asked if ECS currently has the appropriate support staff to identify the priorities. Alison Diaz responded yes but having the correct support staff in place to carry out the priorities is a work in progress.

Board member Zena Fong asked if the school climate issues at ECMS-G is due to the special education services outsourcing that took place. Alison Diaz, ECMS-G Principal Kami Cotler, and ECS staff member Danielle Kelsick responded that the challenges in climate primarily related to the systems and structures set by the school leadership that was in place, one of the systems and structures being special education services.

The recently completed internal HR audit was discussed. Based on HR audit results, ECS is not out of compliance in any area of HR, but can do more to optimize their HR services for their employees. Average rating across all categories from HR audit was a 2.2 out of 3. Recommendations, as shown in the attached HR slides, were presented.

E. Development Update

ECS staff member Julie Vo presented the attached fundraising slides.

Julie Vo spoke about putting together a FoodShop LA fundraising event and requested the board's support for the event. CEO Alison Diaz spoke in support of this event. More to come if this event gets implemented.

F. Equity and Diversity Update

Equity and Diversity Committee Chair Danielle Kelsick discussed the recent work of the committee.

Last year, changed title of Equity and Diversity Taskforce to Equity and Diversity Committee. The collective focus for the committee this school year is "Improve the

achievement, enrollment, and retention of African American students". The committee is using Design Cycle "Empathize, Define, Ideate, Prototype, Test" to make progress on the committee's collective focus. Site-based actions to date have been promising at each ECS school. Common actions are data-driven and monitored.

Board Member Denise Berger asked about the difference between "culture of belonging" and "community of connectedness" that was discussed. Danielle Kelsick responded that definitions of terms are still being worked on and so the terms may be interchangeable.

G. Brown Act and Finance 101 Board Member Training Recap

ECS staff member Jeremiah David provided a recap of the Brown Act and Finance 101 trainings that were recently conducted for the board members.

For the Brown Act annual training, the ECS board was provided a training module and a 15-question quiz on the Brown Act. As a whole, board members did very well on the Brown Act Quiz, averaging 84% correct answers. Jeremiah David highlighted and reviewed certain questions that tended to be answered incorrectly to create learning opportunities for the board.

For the Finance 101 annual training, the ECS board attended a live one-hour Finance 101 training held by ECS Director of Finance and Operations Tracy Bondi. Topics covered included the CA Local Control Funding Formula (LCFF) and ECS financial matters. This training was recorded and has since been shared with ECS employees.
