B. Presentations from the Floor on Agenda Items

None.

III. Discussion Items / Updates

A. EdTec Financial Update

EdTec consultant Dorothy Lee presented the EdTec financial update slides.

Dorothy showed operating income comparison and fundraising progress to date. Attendance statistics at all ECS schools were shown and it was noted that ADA was better than budget at both HS and Inglewood, but not at Gardena, which was expected.

ECHS P2 attendance was discussed including the drop in ADA from months 5 to 6. Alison would like to explore the reason for this drop so that we can have a clear understanding of why this happened. **Action:** Farnaz will research this item to have it ready for the next board meeting. ECHS operating income was shown.

ECMS-G P2 attendance and operating income were shown.

ECMS-I P2 attendance and operating income were shown.

ECS balance sheet was displayed. Net income losses were explained as due to the timing of the accounting reporting.

First part of audit was completed in early May, second part of audit will take place in late September.

Proposed LCFF will be fully funded in next year, better than expected. Proposed COLA increase went up a little versus prior year, to 2.71%. Proposed One-Time Funds and SB 740 Facilities Grant funds are both increasing.

Now that LCFF is fully funded, funding increase will likely only come through COLA. Continued growth in STRS and PERS cost was discussed. Minimum wage increase will be an impact over the next few years.

Enrollments statistics were discussed including the drop in ECMS-G unduplicated pupil percentage. This percentage was under-reported as prior year statistics were much higher.

18/19 budget slides were shown. Percentage of salary to total expenses was reviewed and concluded to be in line with typical charter school operators. Benefits as a percentage of total expenses were noted to be continuing to increase each year.

B. Fundraising YTD Update

Development Manager Julie Vo and Chief Operating Officer Farnaz Golshani-Flechner presented the fundraising slides attached.

Fundraising total received to date this academic year is \$461,031, total including committed funds is \$567,031. Academic year goal is \$891,800.

Farnaz Golshani-Flechner stated that grants are lower maintenance and more constant versus corporate and individual giving. Fundraising team at ECS will focus on applying for and receiving grants.

Alison Diaz asked if part of the reason that the grants received total for this year was lower was because some of the grants applied for are approved but won't be received until next year. The fundraising team responded yes.

List of 18/19 grant prospects were presented over the next few months. Farnaz asked if there could be discussion with some of the regular grantors to ECS in this list to increase their historical yearly give. Julie responded yes.

Ken asked what the implications are for not having received the full amount of grants that were in the 17/18 grants goal. Alison responded that there is some facilities work at the Inglewood site that will not be completed until the grants are received.

C. Discuss higher Interest Bearing investments for ECHS, Greenspon scholarship, investment club at ECHS

Investment Policy draft was shown. Discussion ensued if an Investment Committee will be needed or if the investment initiative should remain the domain of the Finance Committee. Conclusion was reached to change language in Investment Policy to reflect that it will be "Finance Committee or designated committee."

D. SELPA

SELPA exit letter was reviewed and discussed. This letter is a required notification a year in advance to the Southwest SELPA, letting them know that ECS is exploring other SELPAs for the academic year 2019-2020 to see which SELPA would be the best fit for the students and families of ECS. It does not commit ECS to leaving the Southwest SELPA, it only makes it an option for 2019-2020.

The Committee recommended that this SELPA letter be approved for submission to the Southwest SELPA.
