IV. Discussion Items

A. 2018-2019 Governance Committee Goals

Committee chair Ken Deemer recommends replacing the goal to create a board dashboard within Board on Track with using the ECS Strategic Benchmark Chart to measure and support ECS' success.

Committee member Anthony Jowid will discuss with Ken Deemer about how he would like to utilize the strategic benchmark chart toward achieving the new committee goal of using this chart.

Since the ECS mission revision is complete, ECS CEO Alison Diaz recommends replacing the ECS mission revision goal with the revising the ECS vision statement.

Ken Deemer recommends replacing the collaborate with HR consultant goal to review evaluation procedures with complete evaluations of Executive Director and self-evaluation of the Board of Directors.

ECS COO Farnaz Flechner recommends replacing the goal for continue to develop board pipeline with recruit one additional board member to the Board of Directors and strengthen board pipeline.

B. Executive Director 2018-2019 Evaluation Process

Board On Track has a tool to perform an Executive Director evaluation. The other option which was used in the previous Executive Director evaluation was a customized online Google Form.

Farnaz Flechner suggested that the new ECS Team Member Evaluation Tool could be used with some modifications for the ED evaluation. For consistency, this would be a preferable route.

Ken Deemer suggested that all three options be reviewed, then discuss what may need to be added to the new ECS Team Member Evaluation Tool so that it can be used for ED evaluation.

Alison Diaz will complete self-assessment using the ECS Team Member Evaluation Tool and share it out with board members.

C. Executive Director 2018-2019 Goals

Alison Diaz shared the goals that have been set up for her in concert with Anthony Jowid and Farnaz Flechner:

1. To support student outcomes through the implementation of student-centered coaching - Ensure that 100% of school sites meet observation goals.
2. To improve school climate and student outcomes--strengthen organizational/leadership culture - High Performing Team
 - a. Develop High Performing Leaders using One on One Personal goals established including Zenger 360
 - b. Develop a culture of feedback pre/post survey--as measured by team effectiveness self-assessment and my scores on Zenger 360.

Alison Diaz expressed concerns about maintaining the supervisor/direct report confidentiality that happens during one on one meeting if reporting back to the board on individual leadership development happens through goal 2a. Reporting back on goal 2b through the Team Effectiveness Self Assessment would be the main indicator on how effective Alison Diaz' reports are in what they are charged to do. After the initial results of this self-assessment are gathered, Alison Diaz will report back to the committee.

D. Board on Track Tools for Board Member Development

Ken Deemer has reviewed the Board On Track tools for board member development but has not found anything at this time that could be advanced for further discussion.

E. Strategic Benchmark Chart

Farnaz Flechner facilitated the review of the board strategic benchmark chart handout. The major goals in this handout were discussed. A discussion ensued around the questions "are these the right measures?", "is there something you wish would be presented in this chart about ECS", and "are these the right goals?". The benchmark chart goals were discussed and the question arose if the most updated iteration of the goals and subgoals needed to be approved again at the board level. The committee concluded that at subsequent board meetings, the goals and subgoals that have shifted would be discussed and approved as necessary.
