III. Discussion Items / Updates

A. EdTec Financial Update

Low performing student block grant slide was shown. This is only for students that aren't SWD, FRL, ELL, or foster, and these students must meet the test score qualification score. ECS submit block grant application to board for approval in January board meeting.

Title IV slide was shown. Small amount of money to be allocated, \$10k for each ECS school.

Operating income comparison slide was viewed.

ECS fundraising tracking slide was shown. 63k received of 458k goal for 18-19.

ECHS actuals vs forecast slide was shown. Tracking ahead of budget and forecast.

ECHS operating income changes slide was shown: increase of \$62k in operating income.

ECHS CapEx slide was shown.

ECMS-G actuals vs forecast slide was shown. Forecast has dropped because of student disenrollments. Will budget for enrollment more conservatively next year.

ECMS-G operating income changes slide was shown: increase of \$25k in operating income.

ECMS-I actuals vs forecast slide was shown. ADA is tracking closely to budget and forecast.

ECMS-I operating income changes slide: increase in \$55k in operating income.

ECMS-I CapEx slide was shown. Although expenses exceed revenues with CapEx, this should be made up with expected boosts in fundraising revenues.

NetSuite has new reporting capability to report on actuals vs budget and this will be used to improve the budgeting process.

2018-2019 operating income comparison: all ECS schools are operating with positive net income.

ECHS, ECMS-G, ECMS-I changes in operating income slides were shown.

Balance sheet slide was shown. SB 740 revenues have been delayed, which is causing a slight dip in cash balances. This is also the case with property tax revenues being delayed.

B. Fundraising YTD Update

Currently, \$800k in grants awaiting news of award or denial.

ECS is focusing heavily on grants rather than corporate or individual donations.

New tracking mechanism for ECS fundraising has been very useful.

C. Discussion of Investment Options for ECS

Discussion of investment proposals from First Republic and Savos Investments (from California Credit Union) took place. Kinecta and Wells Fargo investment proposals will be received in the next several weeks.

Board member Ken Deemer asked what Manhattan Beach Education Foundation does for their investment portfolio. Chief Operating Officer Farnaz Flechner responded that a committee actively manages their reserves portfolio. However, their reserves are never used but in ECS' case, these investment funds would need to remain relatively liquid.

Board member Bruce Greenspon recommends that a full legal review of the investment process be done for ECS to ensure what can and cannot be done.

CEO Alison Diaz recommends that some of the ECS reserve funds be committed to a very risk-averse money market account where a higher interest rate can be obtained. Half of the reserve funds could be committed to this account and the other half could be committed to an investment fund.

Subcommittee of investment bankers to be formed to provide investment advice.
