III. Reports/Presentations

A. Organizational Update

Incoming 2019-2020 ECMS-I Principal Geneva Matthews provided the following self-introduction:

True commitment to community is why she has stayed with ECS for this long. EmpowHer is a group that she has been closely involved with. Stayed in position for 3 years, contributing to exciting opportunities. Transitioned to role as AP at ECMS-I, implementing restorative practices, instructional coaching, gradebook support, attendance, and administrative support for the after-school program. Defended dissertation at Loyola Marymount University, receiving Doctorate in Educational Leadership. Dissertation focused on unique experiences of black teachers and factors that contribute to their dissatisfaction and retention. Wants to continue to support the positive progress, implementing with fidelity. Would like to publicly acknowledge new AP Lauren Medlin and Dean of Student Culture Danny Cristales.

Outgoing ECMS-I Principal Beth Bernstein-Yamashiro presented the following Outstanding Teacher Award:

Honoring Olivia Penka with the Outstanding Teacher Award for ECMS-Inglewood. Receiving award because she displays unending dedication, service, leadership, and excellence across the entire organization. Taught for 5 years at ECMS-Gardena and 3 years at ECMS-I. Has been a deeply successful team leader for 8 years. She is the type of colleague and employee that every principal dreams about and has never stopped inspiring adults and students alike with her creativity and energy. A video commemorating Olivia Penka's award was then shown.

B. 2018-2019 Financial Update and 2019-2020 Budget Proposal

EdTec Finance and Reporting Lead Dorothy Lee presented the financial update slides followed by the proposed budgets for each ECS school. The same presentation had been provided and fully discussed at the Finance Committee several days earlier.

ECHS has a P2 ADA came in lower by 4, which represented a 50k decrease in revenue. Increase to after-school program costs, decrease in projected donations received. Expectation is that ECHS will end up better than projected as some of the initial projections were aggressive.

For ECMS-G, income went up by 40k. P2 ADA represented a 24k decrease in revenue. Also made adjustments in staffing and special ed revenues.

For ECMS-I, P2 ADA was higher than projected, which resulted in a 27k increase in revenue. However, expenses were higher than projected including staffing expenses.

The slides showing the proposed 19/20 budgets for each school was shown. The concentration funding from LCFF will be higher in proportion at ECMS-I than at ECMS-G and ECHS because ECMS-I's percentage is higher than its chartering district whereas the other two schools percentages are lower than their chartering districts and therefore are capped by their own percentages.

C. Equity and Diversity Update

Director of Curriculum & Instruction Danielle Kelsick presented the EDC board update slides:

Danielle Kelsick reviewed the committee charter goals and timeline. Currently working with site-based teams to improve outcomes for AA enrollment, recruitment, and retention. In April, the preliminary results were shared in committee and later this week, the final year-end results will be presented. The goals and results for each school site were then explored in detail. A slide with selected research readings was then shown.

D.

Fundraising YTD Update

ECS Development Manager Julie Vo presented the fundraising YTD update slides:

Fundraising goals are divided into general fund and new initiatives. Identified grants as the most effective use of fundraising resources. To date, ECS Development projects that it has exceeded fundraising goal for the year. Anticipated that by late summer all grants that are expected to be awarded will be received.

Farnaz Flechner highly commended Julie Vo's efforts, reflecting that she has exceeded the fundraising goal even with adjusting to being a team of one in Development (from the previous Development team structure of consultants and team members).

E. Menlo Charter Properties - Overview Presentation

John Kim presented the Menlo Charter Properties - Overview Presentation slides:

ECS is the 501(c)(3) organized to operate and manage ECS schools.

Menlo Charter Properties (501(c)(3) formed to hold the properties, with several LLCs (Yukon LLC, Menlo 165th LLC, and Lawndale LLCs). The LLCs were formed to hold the leases for the ECS schools in order for ECS to be eligible to participate in the SB 740 - Charter School Facility Grant Program. To clarify, Lawndale LLC does not currently have a property that ECS is being reimbursed for.

IV. Study Sessions / Ceremony

A. LCAP Presentations

Kami Cotler presented the LCAP slides:

LCAP came about as a way to allocate extra funds for high need student groups. The LCAP is a strategic plan that is required to be written and implemented by each Local Education Agency (at ECS, each school is an LEA).

The current year is the final year of the 3-year LCAP cycle. The LCAP is divided into Goals and each Goal is further subdivided by Actions. The focus of this presentation is for Actions that were not met.

Board Vice President Ken Deemer asked what happens when CAASPP data comes in after the LCAP is finalized. Kami Cotler responded that when new data is received, it can trigger an LCAP revision.

Principal KC Fabiero spoke on behalf of ECHS. Climate annual measurable outcomes were then shared. Seniors are currently at Yosemite outdoor education trip. In general,

ECHS continues to have a very high level of parent involvement. For Goal 1, there were no unmet Annual Measurable Outcomes (AMOs).

In Goal 3, chronic absenteeism saw a 3% increase so this AMO was not met. Upon review, no trends have been found but ECHS student services will work to ameliorate this issue of chronic absenteeism. In the suspension rate, the AMO was also not met. This current year, there was one more suspension than last year, which places ECHS into the orange indicator on the CA School Dashboard again. ECHS is investigating using an ID card swiping system to better monitor the bathrooms, which is a major place where misbehavior happens since they are not visible to the ECHS security apparatus. In Goal 2, student learning outcomes are not available at this time. However, college entrance and persistency rates have stayed really high as they have been for the past 5 years.

For ECMS-Gardena, Goal 1 AMOs were met, except for teacher misassignments and number of teachers regularly assessing ELD standards. For Goal 3, most of AMOs were met except for Chronic Absenteeism and parent participation rates.

Anthony Jowid asked what % of the Reading Apprenticeship is already implemented. ECMS-G Principal Qiana O'Leary answered that many of the new teacher staff have already taken the RA training and others that are new will be taking this training before the start of the new school year.

For ECMS-I, takeaways were solid progress across the board, meeting all AMOs. Actions taken in 2018-2019 were all similar to ECMS-G's actions.

B. Q and A about Organizational Structure and Job Descriptions

Farnaz Flechner presented the organizational structure update chart and job descriptions:

Ken Deemer asked if there are any unfilled positions showing in the organizational chart. Farnaz Flechner replied most of the positions are filled and there are only a few that still need to be filled before the start of the new school year. These new positions are instructional positions at the ECS network level.

C. ECMS-G Student Mathlete Awards Ceremony

ECMS-G Principal Dr. Qiana O'Leary and ECMS-G Student Services Coordinator Sabrina Johnson presented the Gardena Mathletes Award Ceremony:

The Gardena Mathletes program pairs 6th and 7th-grade students with 8th-grade peer mentors at ECMS-Gardena. ECMS-G Principal Dr. O'Leary highly appreciated the work of Sabrina Johnson in leading this program on behalf of the students. A ceremony proceeded in which peer mentor students were given awards for their service and dedication in the Mathletes program, with many parents in attendance.
