A. ECMS-Inglewood Charter Petition Material Revision Discussion

The following comments were made in the ECMS-Inglewood Charter Petition Material Revision Discussion Study Session:

Director of Strategic Initiatives Kami Cotler: This is a material revision of the existing ECMS-I charter petition to be submitted to the Los Angeles County Office of Education. In addition to original content, it integrates components from the recently LACOE-approved ECMS-Gardena 2019-2024 charter petition and the recently LESD-approved ECHS 2019-2024 charter petition.

Executive Director/CEO Farnaz Flechner: This material revision of the 2018-2023 ECMS-I charter petition includes grades 9-12 to support the opening of ECHS #2. For ECHS #2, if the school site location ultimately procured is located in another chartering district, ECS may have to resubmit a charter petition to a different body.

V. Action Items

A. Approve ECMS-Inglewood Charter Petition Material Revision

Board Vice President Ken Deemer inquired about what conversations have been had with LACOE regarding the material revision and how receptive are they.

Farnaz Flechner responded that in their conversations, LACOE has been very receptive. ECS is submitting this material revision on July 1, 2019 in order to qualify for a grant. ECS is requesting to LACOE an extension of the legally required timeline, which would

result in an August public hearing and September board action and provide the LACOE CSO with more time to review.

Kami Cotler added that LACOE is very mindful about setting and communicating a clear material revision process and treating all charter petition and material revision applicants equitably and fairly. For this high school expansion, ECS is in a very good position because it has more time and resources to develop ECHS 2 than it had for any other ECS schools.

Dr. Denise Berger made a motion to approve ECMS-Inglewood Charter Petition Material Revision.

Jenina Ramirez seconded the motion.

The board **VOTED** unanimously to approve the motion.

Farnaz Flechner commented that the budget for the ECMS-I lower grades is the same as the ECMS-I budget approved on June 3, 2019. The second component, for the upper grades, is designed to grow one grade level each school year, consistent with how existing ECS schools were grown.

Ken Deemer made a motion to approve revised ECMS-Inglewood Budget.
